LLUSTRATED LIBRARY POETRY AND SONG! Edited by DR. J. G. HOLLAND, thor of "Kathrina," "Bitter Sweet," etc.

Author of "Kathrina," "Bitter Sweet," etc.

RAVORITE SONG is a royal octave volume of over 700 pages, printed in the best style of the art, on the finest tinted paper, and illustrated with 125 thoroughly dainty and delicate engravings, FROM ORIGINAL DESIGNS, by the most eminent artists, together with fac similes of the original autograph copies of (20) famous poems. of (20) famous poems.

The illustrations are numerous and exquisitely wrought. What can be more beautiful than the one which reflects the chanting spot where-

"Maud Muller, on a summer's day, Raked the meadows sweet with hay:" one of those lovely New England landcapes, which the engraver has repreconspicuous, also, for its rare beauty, is the illustration accompanying the Song of the Brook," where the stream-let, dashing beneath the rustic bridge, es chattering

"Over stony ways,
In little sharps and trebles."
"Till last by Philip's farm it flows,
To join the brimm ng river." Altogether, this is one of the most charming and elegant books ever issued by the American press—a fitting gift for lover or friend; an attractive orname for the parlor table; a valuable addition to any family library. EXPERIENCED AGENTS WANTED. M. McLEOD,
