II ARGANGUR

WINNIPEG, MANITOBA, 30. DESEMBER, 1919

NR.

Almennar fréttir.

R. A. Rigg, sem einu sinni fór inn á þing undir verkamannaflaggi hefir nú gerst sambandsstjórnarþjónn og er skipaður aðalumsjónamaður verkamálaskrifstofanna í Vestur-Canada.

I Ottawa hefir þetta meðal annars verið gert að lögum nýlega. Hvaða eign sem er, fasteign eða lausafé sem heyrir til eða grunur leikur á að heyrir til einhverju fölagi, sem stjórnin telur ólöglegt, eða er undir umsjón, eða grunur leikur á að sé undir umsjón einhvers fyrir slíkt fölag má gera upp tækja án stefnu eða rannsóknar, og getur það gert hver sá sem til þess er veitt vald af umboðsmanni sambandsstjórnar, lögreglunnar, má svifta eigandann eignumum og leggja þær til krúnunnar (hans hástignar, konungshús). Samsonar lög eru til á Rússlandi frá keisara-stjórnarárunum sölu.

ÖFSÓKNIR GEGN ÖTLEND- INGUM

Stóru blóðin í Winnipeg hafa flutt árásar greinar að undanförmu á alla svokallaða ötlinga. Lengst og óvillust hefir Tribune gengið í þeim efnum. Jafnvel farið svo langt að vilja taka atkvæði af þeim mönnum sem þegar hafa fengið þau, fyrir þá sök eina að þeir eru ekki fæddir á þreku eyjunum. Verði þessum árásum haldið áfram, þá er ekkert annað ráð fyrir, heldur, en að allir af ötlingu þerzi brotnir myndi eitt alsherjar fölag til varnar gegn öf-riki því sem þeir eru heitir. Ver- ræðum til þess, að slíkt verði ekki gert fyr en í fulla línefana, en svo langt má fara, að slíkt verði með öllu óhjákvæmilegt.

RUSSELL FUNDINN SEKUR.

Robert B. Russell hefir sá verka mannaleiðvíganna, sem, fyrst var yfirheyrður í verkfallsmálinu. Kvíðlómurinn fann hann sekan um landráð. Dómurinn sagði í meðal sinni að ekkert væri athuga-vert við það, þótt menn hefðu víssa skoðun á vissum málum, ef þeirri skoðun væri ekki haldið fram. Vör höfum víssa skoðun á framferði dómurans og kvíðloms- ins, en ver latur, þá skoðum ó- skýrða að sinni. Ósk skilst að þvi sé hér einn varð og í dænska rík- um forðum, konungurinn var þar fríðheltur, höfugur og ábyrgdar- laus. Ef ver skiljum lögin rétt eða ómáttun þeirra, þá eru hér í landi menn með vasskonar heiti.

Matt Russell verður áfrýjað af Petur-son fangavörður og Sigfríð- un Ólafsdóttir, fyrrverandi ráða-
E. Lognason, hans hefir því kona á Langavest.

fram, að hlutdregni hafi verið sýnd, þegar kvíðlómurinn var val-
inn.

2. Hann staðhæfir að neitað hafi verið prentuðum sönnunum í mál-
inu, sem mikla þýðingu hafi haft.

3. Hann segir að svo mikilli ó-
sannignir hafi verið beitt, þegar
neitað hafi verið um svör við árið-
andi, spurningum, að málið hafi fyr-
ir þá ástæðu verið sama sem óran-
skad.

4. Hann heldur því fram, að
dómurinn hafi sýnt ófsókn og hlut-
dregni í málinu.

A það leggjum vér engan dóm,
hvort þessar ákærnir séu réttar eða
ekki. Það anglýsist alt þegar fyrir
hærra rétt kemur. En eitt verðum
vér að segja og það er þetta: "Ef
vér skiljum það rétt að Russell
hafi verið fundinn sekur um land-
ráð, og ef landráðin hafa verið í
því fölgín, að hann vilji með meiri
hluta atkvæða fólksins fá breytt
stjórnarfyrikomulag í Canada, þá
munu þeir tiltölulega fáir sem ekki
settu að vera hér í fangelsi.
