31ST CANADIAN BATTALION, ALBERTA REGIMENT.

Letter of Appreciation from Brig. General A.H.BELL, C.M.G.
D.S.O.

On this, the closing day of August, I wish to express my very high appreciation of the manner in which the Brigade has played its part throughout this most eventful month. In the battles of AMIENS and ARRAS, it has carried out the tasks which fell to its lot with most conspicuous success.

The Brigade has not only shown a magnificent dash and determination in action; but, in addition, the regularity and precision with which all its movements have been carried out, have been most remarkable. Throughout the whole of the operations there has never been the slightest hitch, and, in spite of many difficulties, every task assigned to the Brigade has been carried out precisely on time.

I feel that the highest praise is due to all ranks for their hearty and intelligent co-operation and devotion to duty, without which such fine results could not have been achieved.

31st August, 1918.

Sd/ A.H.BELL,
Brigadier General
Comdg. 31st Canadian Inf. Bde.
