THE DAWN OF TOMORROW

The focus and aim of the committee, which will be meeting July 29, are in three main areas.

1. Fair employment policies: promote fair employment policies in all religious and religiously related institutions.
2. Non-discrimination contracts: promote non-discrimination policies in church and synagogue building and service contracts.
3. Depositing funds in ethical institutions: promote a policy of depositing and investing church and synagogue funds in financial institutions with ethical and moral policies on race.

In another action, the Chicago Conference authorized the Executive Committee to appoint one or more persons to serve as a liaison between the Chicago Conference and the Coordinating Council of Community Organizations.

The Coordinating Council consists of various organizations active in the civil rights field and its purpose is to serve as a medium of communication between the groups so that each organization knows the plans and activities of the other.

Members of this Council are the Catholic Interracial Council of Chicago, the Chatham-Avalon Council, Chicago Area Friends of Student Non-violent Coordinating Committee, the Chicago Urban League, the Congress on Racial Equality, the Cook County Bar Association, the Cook County Physicians Association, the Ecumenical Institute, the Englewood Committee for Community Action, the Episcopal Society for Cultural and Racial Unity, the NAACP, Teachers for Integrated Schools, and The Woodlawn Organization.
