Easter

. . . We see it in the flowering of the lilies . . . we hear it in the word of God and in His holy Book . . . and we experience it, most joyfully, as song and story tell anew of that miraculous morn, and the Resurrection of Christ. Everywhere, it's Easter . . . everywhere, Christians rejoice in the glory of His message and the promise of life eternal. We join with our neighbors in celebrating Easter with reverence, wonder and prayer . . . and we sincerely wish for one and all the blessings of the season.
