Eightieth Annual Conference

(Continued from page one)

Miss R. Wilson, Finance agent, Guelph, Mrs. D. Strickland of Detroit; and ex-Pres. of Missionary Society addressed the body and added inspiration.

The Sunday Services were high in the sounding note of Evangelism.

Rev. C. A. Johnson, Buxton was in charge of the Love Feast at 10 a.m. Rev. T. H. Jackson, London preached at 11 a.m. when 103 received Communion; Rev. E. A. Richardson, Brantford, preached to a very appreciative congregation at First Baptist Church; At 3 p.m. Rev. Dr. Henderson, Amherstburg, carried his hearers along a practical line of thought. As he spoke on "The Life I now Live" he was backed up by Mr. Chas. Ball's choir of Windsor who sang "Remember now Thy Creator," "Steal Away"; Rev. C. A. Johnson was the speaker at First Baptist Church at 7 p.m.; Dr. Price preached the closing message in a logical yet deeply spiritual manner. The Junior Choir under the direction of Miss Grace Price sang beautifully and we offer our congratulations.

We have entered upon another Church year, let us all labor together for the saving of many souls.

TO PLANT JESSE OWENS' OAKS

Berlin—Jesse Owens has ordered three oak trees to be shipped to three schools where he studied—a junior and a senior high school in Cleveland and Ohio State University.

The trees will symbolize Owens' Olympic victories.

Mr. Washington is a son of the late Bishop C. A. Washington, of the B.M.E. Church of Canada, who was one of the early pioneers having rendered his service in this Church for 42 years.

Mr. Washington and his wife have been in active evangelistic service for the past seven years, broadcasting 3 years from the Franklin Tabernacle over station WLBW, and 3 years from Wheeling Gospel Tabernacle over station WWVA, and also soloist of the First Presbyterian Church in Franklin, Pa.

It was a great pleasure to have the Gospel in song as it was rendered by Mr. and Mrs. Washington during their visit in Toronto as Conference guests at the 80th Anniversary of the Church, and likewise at the homecoming in Buxton, Ont. on Labour Day.

END "JIM CROW"

White Plains, N. Y. — Asserting that "there can be no justification for discrimination against any proper person in any county owned place," Charles H. Griffiths, chairman of the Westchester County Republican committee, has written Dr. Errol D. Collymore, president of the White Plains NAACP branch that he will personally cooperate to see that there is no cause for complaint at Playland, the county owned beach and pleasure resort.

For years colored people have had difficulty in buying tickets and enjoying the facilities at Playland. Last year the NAACP went to court and secured the conviction under the New York Civil Rights Law, of a white cashier who refused to sell tickets to colored people desiring to use the beach. Since that time some colored people have used the beach at Playland, but most of them have stayed away. Persons interested in being certain that the victory is won are urging colored residents of Westchester county and of New York City to avail themselves of the Playland resort to be sure that the policy of no discrimination is carried out.
