

THE DAWN OF TOMORROW

BEST WISHES AND SUCCESS TO THE RED FEATHER DRIVE

*Open the door...
then open
your heart*

Who's there?

It could be an abandoned child, an old woman, the sick of body, the sick of mind. It could be a crippled boy, a handicapped worker, a young mother. Or a kid who never had a chance, or an old man who needs another one.

No, it's not these people who

knock at your door. Just one man knocks—your Red Feather volunteer. But he speaks for them and for all the others in our town who need help so much and can't ask.

What will you tell him when he comes? This year, let your heart answer. This year tell him, "Sure, neighbor, I'll help."

Let's all join hands
