Memory Of Late Greg Anderson Honored With New Trophy

By BOB GAGE

London high school athletes have a new goal at which to aim.

It's the Greg Anderson Memorial Trophy and is named in memory of one of the most outstanding athletes in the history of the London and District Conference.

The trophy will be presented annually to an athlete in the Conference best exemplifying the late Greg Anderson, who attended both Wheable and Beal secondary schools.

A. C. Elliott, personnel superintendent of Northern Electric where Greg was employed at the time of his untimely death in a car accident last

August, made the presentation of the trophy yesterday at an assembly at Wheable.

Money for the trophy, a huge affair, was raised by employees at Northern Electric. Replicas will be in the permanent possession of each winner with the trophy remaining in the school of the athlete selected for the award.

Paul Burd, Wheable's athletic director and one of the four-man committee which will select the winner of the Greg Anderson Memorial Trophy each year, accepted the trophy on behalf of the Conference yesterday.

Other members of the com-

mittee are Don Prowse of Oakridge, Bill Salter of Clarke Road, and Fred Waltham of Dorchester.

Each of the 12 high schools in the Conference will select an outstanding athlete who has participated in football and one other major sport to be considered by the selection committee.

Requirements for consideration are:

Emphasis on outstanding leadership ability.

Any candidate should not be under-achieving in studies.

Each candidate's athletic director must submit a written report on their own selection. A school may withdraw from selecting a candidate if the athletic director feels he has no one qualified for the award.

Greg Anderson competed in four sports in high school—football, wrestling, basketball, track and field. He was an All-Conference lineman both offensively and defensively at Wheable in 1959 and Beal in 1960. He won the Ontario high school 183-pound wrestling championship in the

spring of 1961.

He also played football for the Sarnia Golden Bears, London Lords and Sarnia Imperials in the Senior ORFU. He also was on the London Y wrestling team.

As Salter, who coached Greg in football and wrestling at Beal and who will act on the selection committee, said: "It will be pretty hard matching him."

O Earth! throughout thy borders
Re-don thy fairest dress:
And everywhere, O Nature;
Throb with new happiness;
Once more to new creation
Awake, and doth gainsay,
For death is swallowed up of life,
And Christ is risen today!
