The Course of Study prescribed for the degree of Bachelor of Arts is extensive, and adapted to the needs of young men in the Maritime Provinces. Honour Courses are open to Students of the first grade, who may be able to accomplish more than the regular assignments of their classes. Though the studies are arranged with reference to the wants of students who intend to take the full course of four years, yet provision is made for all who may wish to pursue special studies in any Department for a shorter period, provided they are prepared to work with the regular classes.
