under special contract. The power in a system lies in the methods and plans of practice, and ours is a system of physical culture in muscle training, highly conducive to good health. It has a record behind it covering more than a quarter of a century, and tens of thousands owe their rapid, legible writing, longhand or shorthand, to this system of training. Scientific, philosophical, logical, effective and positive in results, imparting a thorough command of the pen, so characters will flow from it almost as easily as water runs down hill.

## VALUABLE PRIZES GIVEN

during this year, consisting of pianos, watches, books, etc., as a special inducement to those making best improvements. We also give you all the benefits of our regular \$25 mail course for only \$1, consisting of 100 lessons and criticisms in separate envelopes, a copy of our popular book, BIXLER'S PHYSICAL TRAINING IN PENMANSHIP (alone costing \$1) and full instructions, including time record booklet, etc. We separate the positive from negative in practice, and rapid improvement is the result. Bixler Business College was organized in 1886 and has been in constant session ever since under same management. Our system of training in writing is especially adapted to shorthand, shortening a course in it 50 per cent. afterwards. It is, however, longhand training; speed from start to finish. Nearly all complete from booklet alone, but you can take as many or all of the 100 mail lessons, if you wish. In fact you get the \$25 course for \$1, good for a short time only. Enclose \$1 and address **Prof. G. BIXLER, Cor. Madison & Ogden, Chicago, Ill.**
