The object of this school is to provide a broad and thorough education for young women, which will prepare them for the different walks of life. It seeks to train and develop the mind, to cultivate the heart, to mould the character, and to impart lofty aims and ideals. It recognizes Christian culture as the basis of true womanhood, and, therefore, constantly surrounds its students with the ennobling influence of a Christian home.

Autumn term opens Sept. 6, winter term January 10.
