

Why Waste Your Time Studying Music ?

COULD there be a greater waste of time and money than planting a garden and then not caring for or harvesting the crop. Is it profitable for a student of music to spend energy and money in acquiring a musical education and eventually to leave college and its musical environment and go back home to the old piano that can no longer be called a musical instrument. A great artist performing on a poor instrument can only give an imitation of music and the artist realizes this better than his audience and loses heart. If the expense is made to produce a graduate in music, it is most necessary that an additional amount be expended to permit the student to reap the harvest of the hard work of study.

On our floors are found the leaders of various classes of Canadian pianos. The prices correspond to the class to which each make belongs.
