To His Excellency the Right Honorable, Guy
Lord Dorchester, Governor General, of British
America, &c. &c. &c.

The Petition of Alexander Gordon, in
Behalf of himself and Associates.

Most humbly Sheweth-

That Your Lordships Petitioner, made
Application in the Year 1792, for a grant of a Township of Lands
of Ten Miles Square (in Conjunction with Ebenezer Allen,
and Samuel D. Sheldon) which Your Lordships, & Council,
was graciously pleased to approve of, and a Warrant of
Survey issued in favor of Petitioners for a Township by
the Name of Tunguewick. That the lateness of the Season
prevented Petitioners from having the Boundary Lines then
run. That Petitioner in Consequence of the Advertisement
of the 1st of January last, repaired to Mississauga Bay, and
had a Conference with the Commissioners, to whom he delivered
a List of his Associates, and from whom he obtained the
Inclosed Certificate- Which List he has reason to believe has
been transmitted to Your Lordships Secretary.

Petitioner therefore humbly prays,
that the Township of Tunguewick, formerly Petitioned for as
above-mentioned, may be granted to himself & Associates, who
are ready to take the Oath, and cheerfully to comply with
whatever Government may Chuse to direct.

And as in duty bound will pray.

Alexander Gordon
