CHANGED HER NAME

the Vidette

Major Cuthbert Goes to Meet Her En Route From Whitehorse to Dawson.

Major Cuthbert, commanding B diision of the N.W.M.P., left on the steamer Whitehorse last night for Minto where he will meet the police called Scout and now Vidette on her with freight and general supplies for the police. The object of the recent change of the police boat's name is to distinguish her from another Yu kon boat named the Scout

The Vidette carries a regular crev engaged for the season and will be used exclusively in the nolice service. All supplies will be brought from Whitehorse and distributed among the various river posts by her. She may also be used in chasing fugitives.

Major Cuthbert will go on the Whitehorse as far up as Minto, the June 12th, 1903.
