BYE-LAWS

OF THE

INCORPORATED

DIOCESAN CHURCH SOCIETY.

1st. At all the meetings of the Society or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. His Excellency the Lieutenant-Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.

3rd. The Bishop of the Diocese shall be President of the Society, and no alteration shall be made in the Bye-laws, or any proposition be adopted by the Society or the Executive Committee thereof to which his dissent shall be expressed, until the same shall have been submitted to the next Annual general meeting of the Society, and if such alteration or proposition be again adopted at such other meeting, it shall then take effect, notwithstanding such dissent.

4th. The very Rev. the Dean and the Archdeacon of Nova Scotia shall be ex. officio, Vice Presidents, whose number shall be limited to eight. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.

5th. All members of the Church are invited to unite with the Society as Subscribers; and every Clergyman licensed by the Bishop, and all Laymembers of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.

6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary, and the Treasurer of the

Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as hereafter provided; and such other members of the Society as may be chosen by the local Committees, according to the ninth Bye-Law.

7th. An Annual Meeting of the Society, open to all its members shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittance, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention:—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the

- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
- 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some members of the Church, who are not unthankful of the great spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office, but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

14th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

## PRAYERS

APPOINTED TO BE USED " AT ALL MEETINGS OF THE SOCIETY, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with thy most gracious favour and further us with Thy continual help ; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favor our Sovereign Lady, Queen Victoria ; and so to rule her heart that she may in all things seek Thy honor and glory. Prosper with thy blessing the designs of this Society. Comfort with thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy ; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels, and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we Thine unworthy servants, do give Thee most humble and hearty thanks for all thy goodness and loving kindness to us and to all men ; more particularly for the providential support by which this Society has been hitherto sustained ; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be thy name ; thy kingdom come ; thy will be done in earth as it is in Heaven ; give us this day our daily bread ; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil ; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

## REPORT.

THE Executive Committee, presenting their annual report to the Society, desire to express their gratitude to Almighty God for the support which he has been pleased to give, and the blessings which seem to have attended its work. During the past year, which has been a time of unusual financial difficulty, the friends of the Society have been led to acknowledge its claims and generally to answer its appeal.

It will be remembered that while the income has been fully pledged for the support of missionaries, it has been necessary to pay during 1869 the sum of \$875 to make up the deficiency in the Block Sum of S. P. G.

In the last report it was stated that an income of \$6250 would be required to meet all the engagements up to the end of 1869: Although the receipts have fallen nearly \$600 short of that amount, yet, owing to special exertions and the temporary surrender by most of the Parishes of their right to reserve one fourth of their collections, the income was nearly \$1600 in advance of the previous year. Several grants made for missionaries have not been expended which has enabled the Committee to meet all the engagements entered into for 1869.

The Society will, no doubt, regret that this has been effected partly because of vacancies in several of our missions, and will heartily join with the Committee in the hope that more men may speedily offer themselves to work for the "great master."

Many applications, some of them very urgent in their claims, have been unsuccessful because the funds of the Society are deeply pledged to keep up the Block Sum to the promised and required amount. For the same reason it has of course been impossible to extend the missionary work.

The following summary of receipts and expenditure will shew that the principal object of the Society, viz., support of the living voice of the Church, has been kept steadily in view, and that the Committee have administered the trust to the best of their ability.

that the  
ability.

With regard to the income of the year 1870, the Executive Committee state that the receipts will probably equal those of 1869,—that the Society would have means for continuing, and even somewhat extending its work were it not for the necessity of making a large grant to the Block Sum of the S. P. G. Allowing the payment to be only the same as in 1869—there will still be at the end of the year a deficiency of \$300; but since the Block Sum for 1870 will be \$1375 less than for 1869, a much larger amount, probably \$1275, will have to be made up by this Society and our difficulty proportionately increased.

The Executive Committee hope that the Church Endowment Fund may be soon brought into operation and this Society relieved from that burden which its income cannot sustain.

It is necessary for the Committee to call attention to the announcement of the S. P. G. that one ninth must be annually deducted from the salaries of Missionaries appointed after a certain date, and the amount applied to *new* work. If this be not done by the Society here, it will be deducted in England from the Block Sum by the S. P. G.

It will be advisable therefore for the Society to adopt such measures as may prevent the withholding of that money from this diocese and the same time relieve the Missionaries from suffering by the reduction.

The Executive Committee are aware that the difficulty in meeting the engagements for the present year will be greater than they have been. Yet with unflinching trust in Divine aid and much confidence in the good will of Churchmen to the D. C. S., they are induced “to thank God and take courage.”

## ANNUAL GENERAL MEETING.

The Annual General Meeting was held in Halifax on Monday, June 28th, 1869, at 2 o'clock, P. M., in the National School Room.

There were present a large number of the clergy and several Representatives from the country parishes, beside other Lay-members of the Society.

The following officers were appointed for the year:—Rev. Edwin Gilpin, *Secretary and Treasurer*; B. G. Gray, Esq., *Asst.-Secretary*. Also as new members of the Executive Committee, to fill up vacancies:—Messrs. W. C. Silver, W. Hare, Thos. Boggs, Fred. Allison, H. B. Higginson, and Edgar Dodson.

In accordance with notice of motion it was moved by W. C. Silver, and seconded, that an amendment be made in the 9th Bye-Law of the Society, by omitting all that occurs after the words "general objects of the Society."

It was moved in amendment by Mr. W. M. Brown, seconded by Rev. D. C. Moore, and *Resolved*, that the words after "general objects of the Society," be suspended for one year.

An additional sum of \$500 was ordered to be paid to the Block Sum, to meet the deficiency in 1869.

Mr. W. C. Silver gave the following notice of motion:—

"When a vacancy shall occur in a district or parish in which the salary of the Clergyman is derived in part from funds under the control of the D. C. S., the Rural Dean and Chapter shall, with the people or their representatives, make an estimate of the amount such parish or district ought to pay annually toward the support of their minister, and no grant in aid shall be made by this Society until such amount shall be guaranteed."

The Chairman of the Church Endowment Committee read the Report, relative to that Fund.\*

On motion of Rev. E. B. Nichols, seconded by E. D. Meynell, Esq., it was *Resolved*:—

"That the Committee of the Church Endowment Fund be recommended to send an agent or agents through the country for the purpose of collecting the amounts due to the Fund, and obtaining new subscriptions."

The Bishop read the following extract from a letter from the S. P. G., containing their offer of a Block Sum for the year 1870:

"That the sum of £2475 be granted for Nova Scotia and Cape Breton, in the year ending 31st Decr., 1870. \* \* \*

\* \* "That any claims for pensions arising within the year, and sanctioned by the Society, any expense for the passage of missionaries to Nova Scotia which may be incurred here in accordance with the Regulations; and any expense strictly appropriate to the Diocese, and sanctioned by the Society, be a charge on this grant."

It was moved by Mr. Silver, seconded by Rev. J. Ambrose, and *Resolved*, that the offer of the Society for 1870 be accepted.

\* The Report will be found printed on the 19th page of the last Report of D. C. S.

## MINUTES OF EXECUTIVE COMMITTEE.

JUNE 18th.—A grant of \$50 was made for one year toward the support of an assistant missionary at Lunenburg, on the understanding that from other sources the salary should be made up to \$600.

It was agreed that a collector be appointed to call upon those in the city who had not paid their subscriptions for 1869.

OCTOBER 15th.—The Bishop read the following letter from the Society for Promoting Christian Knowledge relative to the Block Sum:—

LONDON, 31st July, 1869.

(1.) "Your letter of June 17th, has been laid before our Committee who were not aware of the misunderstanding which appears to prevail on the subject of the Society's obligation to the missionary clergy.

(2.) Since the Society ceased in 1834 to administer Government grants, it has not, so far as we are aware, entered on an engagement for life with any missionary.

(3.) Previous to that time such engagements were sometimes made. After that time, it has been stated that an impression remained in the minds of some clergymen that their salaries were (by some supposed custom of the Society) secured to them for life, although no definite engagement to that effect was made with them by the Society. When the Society became aware of this mistake in 1850 a bye-law was passed to the effect that all salaries were open to revision and all engagements terminable.

(4.) The Society has never acknowledged itself bound to treat as a life-pensioner any clergyman who could not shew a distinct engagement to that effect; and has always replied to such claims by calling for documentary evidence in proof thereof. At the same time, in deference to the mistake above referred to, it has refrained as much as possible from interfering with the salaries of clergymen who were appointed before 1850. No doubt has ever been felt of the liability of clergymen appointed since then to have their salaries reduced or even withdrawn. Certainly no new pledge of any kind was given to the clergy who were on the Society's list in Nova Scotia when the diocesan grant was transferred to the Bishop and Committee.

(5.) The Committee desire me further to assure your Lordship of their conviction that the principle laid down in the Society's 46th Regulation and repeated in the 4th paragraph of the printed letter of April must be carried into effect. On the average, one ninth of the Society's grant, (excepting of course any portion which may be tied by a distinct pledge from the Society) should be applied each year to new work. If this be not done, the Committee can only infer that it is because no new missions are required; and they may feel themselves at liberty to allocate such ninth portion annually to the establishment of new missions in other parts of the world, where promising openings are pointed out to them."

The letter was ordered to be published in the Church paper.

NOVEMBER 19th.—The Bishop stated that, to meet the salaries of those on the Block Sum list, \$15,420 would be required for 1870, of which

MINUTES OF EXECUTIVE COMMITTEE

\$12,355 would be drawn from the S. P. G., leaving a deficiency of \$3065 for that year. That in order to make up the deficiency in the D. C. S. funds in 1869, (caused by the payment of \$875 to the Block Sum,) and to meet all the requirements of 1870 the income of the Society for General Purposes must be increased to at least \$6900.

It was *Resolved*, that a statement of the position of the Society be laid before Churchmen, and that the clergy be requested to bring it before the people.

In accordance with the recommendation of the Block Sum Committee, it was directed that notice be given to the clergy liable to a reduction in their salaries, that a reduction of one ninth would probably be made in 1870.

FEBRUARY 18th, 1870.—The Auditors for 1869 reported that the accounts for that year had been examined and found correct and satisfactory. Messrs. M. B. Almon, Jr., and J. T. Wylde were appointed Auditors for 1870.

It was *Resolved*, that the mode of investing the funds of the Society be left to the discretion of the Investment Committee, with the understanding that Public Securities be preferred when they can be obtained on favorable terms.

A considerable increase may be noticed in the amount of subscriptions collected during last year. This gratifying result is chiefly due to the appointment of Mr. W. C. Silver, as Agent of the Committee for the purpose of canvassing the country Parishes and Missions, and to the efficient manner in which that work was performed in the west during last Autumn. A large portion, however, of the subscriptions then raised or renewed are still unpaid, although gradually coming in. Part of this sum did not fall due until this month. The eastern and northern districts of the Diocese have been as yet unvisited, and should Mr. Silver's business engagements prevent his attending to those Parishes this year, it is hoped that some other suitable Agent may be found to carry on the labours so well begun.

New lists have been opened this summer in the city with a good prospect of success. Over \$1,200 have been already paid, or promised to the Secretary, here; and the Committee take this opportunity of urging all Churchmen to swell these lists to their utmost ability; since, as far as we can see, the welfare of many of the Parishes of this Diocese depends upon the completion of this Fund.

The Committee regret that so large a share of the money collected remains at four per cent., but they have experienced much difficulty in finding proper securities in which to invest economically so important a trust at a higher rate of interest.

In reviewing the career of this Fund from the present position, although the hopes of the more sanguine may not have been realized, there is reason to rejoice at the revived interest exhibited, which must lead to substantial benefit to the Church.

HALIFAX, 28th June, 1870.

Chairman.

*From the Rev. H. STAMER, Hubbard's Cove.*

"As the time has fully arrived for handing in the lists of the Diocesan Church Society, I hasten to forward that for the Mission of Hubbard's Cove,—amounting to \$40.00, which comes short of last year's by a few dollars; and although such is the case, I am not disheartened, as the following causes will satisfactorily account for the deficiency. At the present moment, I am using every exertion in my power to collect Subscriptions for rebuilding their Church, amounting to \$520.00, add to which another subscription list, amounting to \$200.00, which Mr. Silver left to be collected. With this amount of work before me, I must confess, I felt timid, when I commenced soliciting the usual Contributions for the Diocesan Church Society, and would willingly transfer the task to other hands, if such could be found. However, I had to go through with it, and I was not sorry when it was ended, as I know of no occupation more unpleasant than that of asking for money."

*From the REV. P. FILLEUL, Weymouth, May 2, 1870.*

I beg to enclose you the Subscription list from this Parish, to the D. C. S., for the year 1869.

The whole amount sent up to this day, \$102.29 has been obtained through the Offertory, with the exception of about \$12.00, which had to be collected after the former method, owing to its being impossible from the scattered condition of the contributors to bring the Offertory to bear upon them.

I am truly thankful to find that we have made a considerably larger offering than on any previous year. The parties who have not yet paid in, fully purpose to do so. I hope to be able to obtain their amounts before your memorandum of receipts goes to press.

The Executive Committee will be glad to receive from the clergy any information or statements relative to Church work in their Parishes which may tend to make the Annual Report of the Society more interesting.

The Committee have the satisfaction of noting a large increase in the return of 1870 for general purposes, from the following places:—Albion Mines, Amherst (being \$54 more than in 1869), Annapolis, Antigonishe, Dartmouth (40.76 more than in 1869), Glace Bay, from which there was no return in 1869, has sent \$104. St. Paul's, Halifax, \$82.44 more than last year, and St. George's \$31.75 more than in 1869. St. Luke's has still further increased its contribution by \$234.53. Liverpool has sent \$30 more than last year. River John, \$11.25 more. Ship Harbor, \$21.67 in advance. Sydney, \$19 more, and from Louisburg (whence no return was sent last year) \$53.

The Committee cannot but regret to notice that the returns have not been made from several places which contributed last year.

The following is the 11th object of the Diocesan Church Society :

"It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society's funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor."

1st. In accordance with the above, the Society will open a special account for the object to be called "The Widows' and Orphans' Fund." This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these rules, and of all benefits arising therefrom ; and this fund shall be held and applied to and for this particular object, and no other.

2nd. A standing sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society, (who shall be paid as Secretary of this sub-Committee,) shall be vested the whole management of this Fund, subject to an appeal to the whole Society.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows' and Orphans' Fund, the pensions which become due under the following rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund, shall, within six months from the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant, after such period of time, shall only be permitted to receive such certificate at the option of the sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every clergyman applying for a certificate, according to his age at the date of his first application ; it being understood that any parish or congregation contributing to the fund more than \$8.00, then the excess be counted toward payment of the premium of the minister or ministers for that year :

14th. If the widow die or marry again before the expiration of ten years from her husband's death, the child or children of her deceased husband shall receive the pension for the residue of ten years. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females, while those who are still under those respective ages will receive the full amount of the pension.

\* The Committee have increased the pension to £50 per annum.

17th. The clergy of Prince Edward's Island shall be entitled to participate in the benefit of this fund on equal terms with the Clergy of this Province.

18th. The certificate to be granted shall be in the following form \* \* \* \* under the seal of the Society and the signature of the Secretary; and on the back thereof or annexed thereto shall be printed the above Rules.

19th. None of the above Rules and Regulations shall be altered except at a General Meeting of the D. C. S., after a full year's notice of the proposed change.

☞ At the general meeting of the Society, Oct. 4th, 1865—"It was the opinion of the meeting that, for purposes of insurance in the W. and O. Fund, Bermuda should not be considered within the limits of British North America."

#### ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub Committee were adopted by the Standing Committee, May 17th, 1850:—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension,

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

The Endowment Sub-Committee, in a Report to the Executive Committee, dated May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a Parish may withdraw from its *Reserved Fourths*,” and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Society and the interest be payable to the incumbent.

“With reference to the control of the Society over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better security of this fund, for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment made by any Parish from its *Reserved fourths* may be paid off, the money be returned to this Society to be held under the same Rules, and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted by the Executive Committee,—the second is still under consideration.

## CHURCHES.

Every application for aid in the erection of a Church must contain the following information:—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society, without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Parsonages are made on similar conditions.

“The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given.”

“It is the opinion of the Executive Committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society.”

---

### FORM OF LEGACY.

“I give to the Diocesan Church Society of Nova Scotia, the sum of \_\_\_\_\_, to be applied to the general purposes of the Society.” And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

---

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

“The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that Parish.”

All subscription lists received before the 31st March in each year, will appear in the next forthcoming report, while those received after that date shall be omitted."

"If reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society."

☞ The attention of the Local Committees is particularly requested to the above regulations.

"All applications for aid from this Society are proposed at one meeting of the Society and considered at the next."

"The Executive Committee are authorized to grant, at their discretion, a sum of money not exceeding £40, towards an outfit for any newly ordained Clergyman of the Church who may require such assistance, previous to his assumption of actual duty in the Province."

"No person shall be qualified to vote at any general meeting of the Society, nor to be elected a member of the Executive Committee, who has not been a Subscriber for three months preceding the day of meeting."

At the General Meeting in 1869 the following Resolution was adopted :—

"The Church property, in any Parish, which is actually occupied by the Incumbent of the said Parish, shall be valued by competent valuers, upon his taking charge, and be considered at the same value for purposes of salary during his incumbency; and the valuers shall be appointed as follows, viz., one by the parish, one by the Executive Committee of D. C. S., and another by those two."

At the General Meeting in 1870 it was determined "that in Rule 10th the words "more particularly" are not to be understood as limiting the application of the funds to the objects therein enumerated."
