charge made in one of the articles refer-On the 30th October last, the Hon. Al-

On the recommendation of the Honorable, the Minister of Marine and Fisheries, and under the

W. A. HIMSWORTH, Clerk Privy Council

Mr. Venning in reply says :characteristic ignorance and brazen assurance, attempted to run the meeting himself, but the quiet, dignity with which his impettinence was snubbed by the Minister, would have taught any other man than Smith a least its read warmer. Thus Mitchell are fully prepared to meet his statements and those of his friends, both on the platform and elsewhere in the could not. He has more public spirit. He would rather have paid for the cow himself.

We have serious doubts, however, in reference to the truthfulness of Mr.

Mitchell are fully prepared to meet his statements and those of his friends, both on the platform and elsewhere in the could not. He has more public spirit. He would rather have paid for the cow himself.

Smith a lesson in good manners. The result of the meeting was most satisfactory to the fishermen, and the worst disagnetic on the platform and elsewhere in the coll of his herewing. And the worst disagnetic of the coming elections. He told men in Chatham that day were just Mr. Snowball and his toady. That the Minister over-stepped his power in allowed the tide in the Minister over-stepped his power in allowing the old nets to be used, is absurd, and under all the circumstances brought to inchest of the meeting was most satisfactory to the fishermen, and the worst disagnetic men in Chatham that day were just Mr. Snowball and his toady. That the Minister over-stepped his power in allowed the tide in the Minister over-stepped his power in allowed the tide in the Minister over-stepped his power in allowed the tide in the Minister over-stepped his power in allowing the old nets to be used, is absurd, and under all the circumstances brought to light by his investigations, his action.

Mitchell's cow stories are fully prepared to meet in statements and those of his friends, both on the platform and elsewhere in the doubledge, in conversation, the would soon to deal the route via Apohaqui. I do not intend to occupy your attention for any great length of time to night. I will speak for about twenty minutes and there will not every to the fishermen, and the would soon to deal the route via Apohaqui. I do not intend to occupy your attention for any great length of time to night. I will speak for about twenty minutes and then most several made to e Smith a lesson in good manners. The re-

Northumberland, in common with other constituencies of the Province is, within less than a year, to be the arena of contests between individuals and parties their country after the manner of the capable of dishonoring themselves and their country after the manner of the capable of dishonoring themselves and their country after the manner of the capable of dishonoring themselves and their country after the manner of the capable of dishonoring themselves and their country after the manner of the capable of dishonoring themselves and their country after the manner of the capable of dishonoring themselves and their country after the manner of the capable of dishonoring themselves.

Mitchell, and appeared in the Morning News of St. John, then a pictorial paper. Perhaps none of you present remember it, will have to do either one thing or the other—I can very easily spend one night in Parliament talking about you, and any other capable of dishonoring themselves.

We reproduce the above for the purpose of directing the attention of those familiar discussed by the press on their merits, without resorting to personal abuse, the formula the constituencies of the Province is, within they charge their opponents with being or the constituencies of the Province is, within they charge their opponents with being or the constituencies of the Province is, within they charge their opponents with being or the constituencies of the Province is, within they charge their opponents with being or the constituencies of the Province is, within the common with other constituencies of the Province is, within they charge their opponents with being opponents with being constituencies of the Province is, within the common with other constituencies of the Province is, within the common with other constituencies of the Province is, within the common with th tests between individuals and parties their country after the manner of the who will each be prepared to place beMacdonald Government, cannot expect with what passed when the Minister was at the rate of one dollar per year. I subbefore." "Well," said he "I suppose I fore the electors the reasons why they claim their support. Of the election for to them by putting on a brazen front the New Brunswick Legislature we have a support and swing and spine of the support. Of the election for the support of the suppor the New Brunswick Legislature we have and crying out that all the world are to the head of his Department and drag By that article, boy as I was, I created Snowball that was there that the man nothing to say at present, nor is it necesequally as corrupt as themselves. that gentleman's name before the public as such a feeling in the County, that from would have been paid for his cow. No! sary that the public mind should be very There are, unfortunately, however, he does in the above, need we be surprised that day to this the love of Liberty, and certainly not, for he can not talk like me John Shirreff, Esq., as Returning Officer, opened his court at the Court will claim attention in the Dominion to overlook offences against the public at his misrepresentations of our fishermen and fishery interests generally. We are istic in the Electors of Northumberland.

HIS FIRST \$300. the same work, as he was on Saturday The first \$300 I ever earned after pay- that kind of thing and won't pay any more evening at Barnaby River and yester-day at Newcastle, so long as we can through the United States. ### A Speech from Mr. Mitchell.

We have seen very little in Mr. Mitchell's special organ-the Advocate-concerning that gentleman's addresses to the electors, and have been anxious to know what he has been placing before them in his visits to the different parishes, as his claims upon the continued confidence of last, to be present at a meeting held by the hon, gentleman and Mr. Joseph Hays, harrangue, which was a continued and well-sustained blowing off of buncomb and self-glorification, interlarded with personal abuse and a show of bad temper ill becoming a man who has once held Mr. Mitchell's position, after being returned to Parliament without opposition. The fact, too, that several well known supporters of his absent opponent Mitchell's arrival at head quarters, some

Mitchell. Nets that the officers had seized for breach of the laws were restored to the law-breakers, and the very laws made by the Minister himself were set aside for the express advantage of Snowball's friends. This may seem incredible to our readers, but here is the proof. The following Order in Council speaks for itself:—

GOVERNMENT HOUSE, Ottawa, Thursday, 26th day of July, 1877.

Mitchell's arrival at head quarters, some twenty-five or thirty persons had assembled. He was accompanied by Mr. Joseph express advantage of Snowball's friends. Hays of Nelson, or Newcastle, (whichever you like) who seemed to be cashier, for he paid the enormous sum of seventy-five cents for supper for himselt and Mr. Mit-July, 1877. Present—His Excellency the Governor General in Council. chell, the feed for their horse and a bottle of brandy, out of which the pair were reof brandy, out of which the pair were refreshed and a few friends were treated. It reminded some of us of the "Starvation Picnic" which the hon, gentleman once gave on Beaubear's Island and was quite as cheap and unsatisfactory. THE MEETING There were, perhaps, fifty people present at the meeting, all of whom, with

Eldward, did not incommode himself by of throwing cold water on our present Ined to feel this keenly, for I never heard Tilley fought against the I. C. R. by self before. He was not even cheered at tral Route, as it was in the interest of his last Spring I made up my mind that I the most honorable, wealthy and taiented man available as a candidate for the Commons in Northumberland is but a pigmy when compared with Mr. Mitabel thanks to the Chairman, an I. C. R. em playee proposed "three cheers for Mit-playee proposed "three cheers f repented his visit. His uncalled for al- to the I. C. committee of supply that night and it was Government the most bother. It was about When I was done, Vail came across the House to me (that is the man that was defeated in Digby) and said "what the devil is wrong with you, to-night, Mitchell? I "I'll teach Mackenzie to be polite, why the devil does he not pay the woman for vantages to be soon realized in the United States, said, "If then we would contend with these advanand spoke to him and came back to me and ing." So that poor woman got paid for he

Now, if you had Mr. Snowball up there, long time to learn when it took such a clever man as Mr. Anglin five years to get properly posted-he (Mr. S.) would not know when to assail the Government so as to carry a point. So that is the benefit of willing. Mr. Snowball will do very well to leave at his own business, and he will find plenty to do to attend to that. I am told that I am to be opposed by John Mc-Guire now, I would like to have some one of weight to run against me. I do not wish to run again a shadow. But McGuire has been brought out by the Snowball party to bother me, and I want you all to go the tolls, and roll up such a majority for me as will teach Mr. Snowball and the dirty sheet he controls, that they cannot play with or make a fool of the electors of

That cowardly, lying sheet of M1. Snowball's, the ADVANCE is continually printing calumnies concerning me, upon which the stamp of falsehood is so palpable that there is no necessity in me stooping to refute them. confer with the Imperial Government, and

ABSENTEEISM. There is a great cry raised about my living in Montreal, but I can do more tor my County at either Ottawa or Montreal than I could in Newcastle. For example, you all know Mr. Miller that runs the Bark Factory. If it were not for Peter Mitchell you would never have him in the County. He was first introduced to me questioned me about some Hemlock lands in Nova Scotia. I told him that I did not know anything of the Hemlock lands of Nova Scotia, but that we had plenty of such land in the County I represented I also gave him glowing descriptions of the County, and likewise praised the in-Confederation being consummated, the to earn a dollar in every way, so long as five or six exceptions, kept their hats on next great struggle was about the choice it was honest. He asked me to give him a while Mr. Mitchell was speaking. Even of routes. Mr. Mackenzie, in his Picnic- letter of introduction to some of my friends the Chairman of the meeting, Mr. circus Soirees in 1867, took the opportunity at Miramichi. I did so. He came to Northumberland and eventually establishremoving his cap. Everything was very dull, as Mr. Mitchell was not applauded even once during his speech. He appeared the company of the com

ance cause, and hoping he might again visit Chatham.

The proceedings were varied by songs instrumental music and recitations, and closed by singing the doxology, after which the officers for the ensuing quarter were installed.

A good deal of Evidence was given as to the indebtedness of Brown and that a number of Executions were also against him, all subsequent to the sale of the Biliard Tables to the Plaintiff.

Mr. Wilkinson contended that the conveyance was fraudulant and void and cited a number of authorities in support of his view of the case; that Brown continuing in possession was of fraud—and took a variety of points for a nonsuit which the office and political sympathy have done their worst and I expect to have were Rev. T. G. Johnstone, Moderator, Rev. Messrs. S. Houston, McBain, J.

tended that although the document under which the Plaintiff claimed was in existence before the Bill of Sale Act, still action of the office of Overseer of Fisheries in the town of Chatham, as well as that of Inspector of Fisheries for the Province, Inspector of Fisheries for the P which the Plaintiff claimed was in existence before the Bill of Sale Act, sait lactording to the spirit and meaning of the Act, as it has not been shown, the Bill of Sale was acted upon or possession taken under it, it should have been registered. Mr. Davidson contended that the sale was a fair one for valuable consideration, that when Cyrus Brown received the property it did not appear that he was in debt; that no fraud could be imputed the Plaintiff for leaving the Table with Brown, as it was in pursuance of their arrangement. That the document was not the Property in the document was not the Property in the prop
