GENTLEMEN: --William A. Park, Esq., has resigned his position as your representative in the Local Legislature of this Province, having accepted the office of Collector of Customs and Savings Bank Agent for the town of Newcastle. Such resignation causes a vacancy in the representation of this County, and the Sheriff's proclamation fixes nomination for candidates on the 6th December next and polling day the 13th of same mouth. I offer as a candidate to fill such vacancy recognizing at the same time the apparent loss our County has sustained by Mr. Park's withdrawal from public life and still further that I am not the possessor of the many qualifications with which he is endowed for the position of a representative. His (Mr. Park's) legal training, public apprivate associations and general knowledge of matters pertaining and closely touching our political institution, national as well as provincial amply qualified and fitted him for this important sphere.

In offering as a candidate I therefore recognize that I should be moved by honorable considerations towards the County, and if elected so act as between the body of the people and myself as I would in my private dealings between man and man. 3 Cases Stamped Tinware. 3 Bundles Plough Castings. 100 Weight Stove Repairs.
