The minutes of the April meeting, being printed, were taken as read, and were confirmed.

REPORT OF THE EXECUTIVE COMMITTEE.

The General Secretary read the report of the Executive Committee, which on motion was taken up clause by clause as follows:

1. Official notification was received of the election of the Rev. J. M. Davenport, of St. John, N.B., to succeed the late Venerable Archdeacon Brigstocke, as a member of the Board of Management, representing the Diocese of Fredericton.

2. The General Secretary reported that the Cycle of Prayer was now in print, and suggested that through the Church papers it be offered for sale at the rate of a dozen copies for ten cents, fifty copies for thirty cents, and one hundred copies for fifty cents. The recommendation of the Committee that this be agreed to was approved.

3. A letter was read from the rector of St. George's Church, London West, declining to state whether he gave notice beforehand that the Epiphany collection in that Church would be appropriated for the benefit of the Canadian Church Missionary Association. It was resolved to recommend that, since the money had been sent to the General Treasurer as unappropriated, the disposal of it be left to the Board in conjunction with other undesignated offerings.—Approved.

4. A reply was read from the Church Missionary Society to the Board's resolution of congratulation on the occasion of the Centenary of that Society.

5. A letter was read from the Rev. F. W. Kennedy asking to be permitted to procure a bicycle to aid him in his missionary work.—Action deferred till after the consideration of the report of the Committee on Japanese Work.

6. Letters from the Bishop of South Tokyou giving a full report on the Canadian mission in Japan, were submitted and ordered to be considered in connection with the report of the same Committee.

7. A letter was read from Rev. R. H. McGinnis, rector of Homer, in the Diocese of Niagara, applying to be accepted as a missionary to Japan. Ordered that the application be considered in connection with the report of the same Committee.

8. A letter was read from the Bishop of Columbia acknowledging the grant of \$500, made at the last meeting of the Board.

9. Letters were read from Mr. G. B. Kirkpatrick, and Rev. C. L. Ingles, respecting children's offerings and the formation of Junior Auxiliaries to the Board; and resolutions on the same subject were submitted from the Interdiocesan Sunday School Committee.

On motion of Dr. Davidson, seconded by Canon Von Iffland, it was resolved,
"That the Board cordially approves of the suggestions submitted to it regarding the formation of a Sunday School Auxiliary to the Board of Missions, and refers the matter to the Executive Committee with instruction to make arrangements for the organization of such Auxiliaries on the plan of that existing in connection with the sister society of the Church in the United States, and to this end refer to said Committee the letters just read and the resolutions of the Interdiocesan Sunday School Committee."

It was also resolved on motion of the Rev. T. C. Street Macklem, seconded by the Bishop of Ottawa,

"That all Sunday Schools of this Ecclesiastical Province, the children of which make offerings for Domestic and Foreign Missionary Work other than that made in direct response to the Children's Lenten Letter issued by this Board, be invited to send in returns of such offerings to this Board; and that all such returns, as well as the returns made in direct response to the Children's Lenten Letter, be tabulated annually, so as to show clearly the total offerings of the children of the Church for Domestic and Foreign Missionary Work."

10. A resolution of the Interdiocesan Sunday School Committee proposing to set apart Sexagesima Sunday and the day following as special days when the missionary work of the Church shall be brought before Sunday Schools, and referred by the Executive Committee to the Board, was next considered; and on motion of Dr. Davidson, seconded by Canon Pollard, it was resolved,

"The Board, in reference to the resolution of the Interdiocesan Sunday School Committee, respectfully urges upon the clergy of this Ecclesiastical Province that for the

"coming year, 1900, Sexagesima Sunday be observed as the day when the missionary work of the Church shall be brought before Sunday Schools, with a view not only to increase the interest in the Lenten offerings under the appeal of the Board, but also to bring the whole missionary work of the Church more prominently before the Sunday School scholars."

11. Letters were read from officials of the Ecumenical Missionary Conference to be held next April in New York, requesting the co-operation of the Domestic and Foreign Missionary Society.

It was resolved on motion of Mr. Edw. J. B. Pense, seconded by the Rev. T. C. Street Macklem,

"That the General Secretary communicate with the Society for the Propagation of the Gospel, and the Board of Missions of the Protestant Episcopal Church of the United States, regarding representation at the proposed missionary conference at New York in April, 1900, and that the matter be committed to the Executive Committee with power to act."

12. The Interdiocesan Sunday School Committee having, by resolution presented to the Executive Committee and referred by it to the Board, called attention to the fact that the evening preceding the day for the meeting of the Board had been from the first appropriated to the meetings of that Committee, the following resolutions were accordingly adopted:

Moved by Dr. Davidson, seconded by the Bishop of Algoma, and resolved,

"That the Board, having taken into consideration the resolution of the Interdiocesan Sunday School Committee as to the evening preceding the meeting of the Board, would request its secretary to arrange its meetings so as to leave the evening referred to free for the work of the Interdiocesan Sunday School Committee."

Moved by Captain Carter, seconded by the Archdeacon of Ontario, and resolved,

"That it be a standing order that the Executive Committee shall meet at 10 o'clock a.m., on the day preceding each semi-annual meeting of the Board."

Moved by the Bishop of Ottawa, seconded by Canon Spencer, and resolved,

"That the Board of Management do respect-fully and most earnestly urge upon all its members the growing importance of the work intrusted to them as presenting a claim of great force upon every member to make great sacrifices to be in attendance; and when it is actually impossible for any one to be present he should send a note offering his apology and the reasons for his absence; and that a copy of this resolution be sent out with each notice convening a meeting of the Board."

Moved by Captain Carter, seconded by the Bishop of Ottawa, and resolved,

"That the Secretary be requested to try and arrange with the Woman's Auxiliary so that the conference with the Board of Management to take place at each half-yearly meeting, be the first business at the afternoon session on the first day."

13. A letter was read from the Rev. J. McLean Ballard, of Toronto, recommending that furlough be granted to the Rev. F. W. Kennedy a year sooner than allowed by the S.P.C.K. regulations, for reasons which seem to make

this course advisable. The Executive Committee having recommended that the letter be left in its hands with power to act, it was resolved,

"That the resolution of the Executive Committee be concurred in, and the matter be left to that Committee to act after consultation with the Bishop of South Tokyo."

And this Board would further extend to Mrs. Brigstocke and her family the respectful assurance of its deep sympathy with her in the overwhelming loss and heavy sorrow which a loving Father has thus laid upon them, invoking in their behalf the continued and realized presence of the Holy Ghost the Comforter."

CHINESE AND JAPANESE IN CANADA.

Moved by Captain Carter, seconded by Dr. Rogers, Q.C., and resolved,

"That the Board of Missions do respectfully ask the attention of the Bishops and Clergy to the presence of considerable numbers of Chinese and Japanese in all our cities and towns, and do urge that members of the Church generally and of the Woman's Auxiliary in particular should be induced by them to form classes of Chinese and Japanese for instruction, first, in the English language, and then in the faith and duties of Christianity. That the Board while deeply sensible that this work must be difficult, and discouraging, and exhausting to a degree (because the efforts must be with each individual; and in the repetition of line upon line, and word upon word, again and again with unwearied persistence), would nevertheless encourage all, both clergy and lay members, to engage in it, and to persevere to the end. That a copy of this resolution be sent, with the Appeal, to each Bishop and Clergyman, and to the Diocesan branches of the Woman's Auxiliary, so that their members may be moved to offer themselves for this work, which is distinctly recognized by the D. and F.M.S. as Foreign Mission work, to which the members of the D. and F.M.S. are pledged."

MISS PATERSON'S BIBLE HOME AT MATSUMOTO.

Moved by Mr. John Hamilton, seconded by the Archdeacon of Ontario, and resolved,

"That the Board, having learned that the Woman's Auxiliary has so far only guaranteed to raise \$300 of the \$500 required to assure the continuation of Miss Paterson's work in Japan, undertakes to provide the balance if necessary, viz., \$200 per annum for five years; and that the General Secretary be instructed to communicate the terms of this resolution to Bishop Awdry."
