Town Council Has Its First Regular Meeting and Maps Out An Ambitious Program

The Town Council meeting on Monday, the first of the new year, was opened by Rev. E. A. Fenton who has been given the honor of a splendid address in which good reasoning and good advice was given. His worship thanked the pastor for his presence and well-chosen remarks, after which a vote of thanks was tendered by the Council. The meeting was then opened for business.

The report of the Treasurer showed the sum of \$1528.12 taxes collected, with a balance of taxes outstanding for 1924 amounting to \$211.11. The overdraft at the Bank of Montreal is \$128. The amount of taxes to be collected less the overdraft leaves a surplus of \$172.75 to meet liabilities until the new taxes are available.

The following amounts represent the estimates for 1925:

Assessors	\$ 150
County Purposes	1500
Interest on Bonds	550
Salaries	1500
Streets	2200
Sidewalks	700
Fire and Water	3400
Shaking Fund	1000
Fencing	25
Discount	300
Miscellaneous	100
Poor	200
Total	10,075

The town is bonded for \$11,000, \$3000 of which is due July 1, 1925, the balance being due Jan. 1925. The rate of interest is 5 per cent. and 1/2 per cent. respectively. It was thought advisable to make provision in the budget for the purchase of a new pump engine as the old one has to be used should be required in case of emergency. If more care was taken by the late payers in the matter of water rates, and the conserving of same by curbing waste caused by neglected pipes, and the general condition of the street and the Fire and Water Commission will see to it that an inspection of all taps is made at an early date and if the by-law in this respect is found to be infringed, those at fault will be dealt with accordingly. Other items have examined the same difficulty and the only proper and equitable method to be applied would be the installation of meters. If this method each ratepayer would be paying for the amount of water received. The Assessors for the year are: M. W. White, H. V. Aiton and J. E. McCollum.

On motion Frank Seely was heard before the Council on the question of supplying the town with electric lights and doing the pumping. A committee of three, consisting of H. H. Hatfield, Ray DeWitt and Ben Hall were appointed to go into the matter with Mr. Seely and report through a special meeting if necessary. The town needs an electric system and is falling down in that respect. Other matters such as town boundaries, Kennedy Road, poor, repairs to town hall were dealt with and committees were appointed.

On the whole the new Council has a very ambitious program mapped out for the ensuing year.

ICE RACES TOMORROW

Woodstock Horses Expected Tomorrow—Summary of Last Week's Races

Fully 500 people, many from nearby towns, watched the Hartland Driving Club's weekly matinee races Friday, while an even larger crowd is expected tomorrow, when horses will be here from the Woodstock Club, while the following week Centreville horses will be here.

It is expected the Hartland Club will accept the challenge of C. T. Black of Woodstock, to race Lucky Strike for \$100 a side.

The summary of races:

CLASS A (Exhibition)
Cassie W. time 31, 32, 33, 34.

CLASS B
Teddy Bear 2 1 2 2 1 1
Peggy Hal 1 2 1 dr
Onward Wilkes 0 3 3 1 2 2
Time, 31, 32, 33, 34, 35.

Peggy Hal out a quarter and was drawn.

CLASS C
Kantha 1 1 2 2 1
Antelle G. (4) 3 3 1 1 2
Time, 32, 33, 34, 35, 36, 37.

Starter—James Plummer.
Judges—E. M. DeWitt, Robert Hamilton, Woodstock.

In the matter of the challenge of Clarence Seely of Port Fairfield, the Hartland Club do not feel they have a horse in training of sufficient speed to take on "Royal Montgomery" the Artistic Ice King, 2:11, but it is reported that "Arden" owned until lately by Mel Sawyer of this town, after losing a nose and nose heat and beating him the second heat, recently at Port Fairfield, made Mr. Seely draw him.

The McIntosh says that although "Alice Homeland," 2:19, was not considered in the class of Hal Patch, 2:07, he accepted Clarence Seely's offer to race on Hartland ice and pay Mr. Seely's expenses to come here for the sake of the sport. He has disposed of Alice Homeland but will race Hal Patch, 2:07, with Lena Marie, 2:10.

"Ben All," 2:05, has not been blighted or injured since falling down last fall until a week ago and the owner does not propose to race him on the ice.

It is expected that the club will ac-

FIRE DESTROYS OLD LAND MARK

The Dennis McGuffigan House, Owned by St. Geo. Gray at Florenceville

On Tuesday Feb. 1, the fine residence of St. Geo. Gray was burned to the ground. The fire started in the morning about half past five from a lamp explosion. Help came quickly and it was thought that the fire was easily extinguished, but at one o'clock it broke out, this time between the floors, and there was no hope of putting it out. Some of the furniture was saved, although every thing in the dining room, kitchen and pantries and attic was burned, including all stoves and preserves, silver, china, etc. This home formerly belonged to Dennis McGuffigan and was an old land mark. The out buildings were all saved. Mr. Gray intends holding an auction of some future date of all stuff saved.

Miss Queenie Jones is visiting her sister, Mrs. Tom Boyer.

Miss Armstrong, who has been visiting her mother, Mrs. W. P. Hagerman, has gone to Woodstock.

On Friday evening Miss Dorothy Stinchey entertained at a party. A large crowd assembled from five and dancing and cards were indulged in until about three o'clock.

Mr. Whitaker of St. John and P. E. Marston of Woodstock were in the village on Thursday to adjust the insurance on Gray's house.

The competitors who have been working at the school house have gone home. The school is all ready for the scholars as soon as the desks are in place.

The snow storm kept the folks from attending the services in Centreville on Sunday.

W. L. McCain is still confined to the house with cold and neuritis.

Mrs. H. H. McCain who has been very poorly for the last three weeks is able to be out again.

NEWMAN CLARK'S PROPERTY SOLD

Applications for Job of Hangman

Two properties, one of 148 acres and another of about 100 acres, were sold in front of the Victoria county Court House at Amherst on Friday, under foreclosure of mortgages given by Newman Clark, sentenced to death for the murder of Frances Hall at Grand Falls almost a year ago. The properties are located near Port Falls, in Victoria county, where Clark and his wife lived until they were separated. They were bid in by his brother at the amount of the mortgage, which had been reduced to \$280.

Meanwhile the sheriff of Victoria county is receiving applications from hangmen who want the job of executioner if the sentence of death is to be carried out on March 1.

The sentence had hardly been passed, declared Sheriff Tibbits, before I commenced to get applications for the job of executioner. The first two applications came from Montreal. "Clark hasn't missed a meal since he was sentenced," said Sheriff Tibbits in denial of published stories that the condemned man had started a hunger strike. "That story is all rubbish. From the time he recovered after having his feet frozen, when he escaped from the hospital at Grand Falls after the shooting, Clark has never failed to eat his three meals a day. He is just the same now as he has always been. He appears steadily indifferent as to what is going to happen and doesn't seem to care."

Rheumatic Pains

Are relieved in a few days by taking 30 drops of Mother Seigel's Syrup after meals and on retiring. It dissolves the lime and acid accumulation in the muscles and joints so these deposits can be expelled, thus relieving pain and soreness. Seigel's Syrup, also known as "Extract of Roots," contains no dangerous or other strong drugs to kill or mask the pain of rheumatism or headache, it removes the cause. 50c a bottle at druggists.

WOODSTOCK HORSES HERE TOMORROW

Interesting Items of News from the Shiretown—Sticks Broken Into

Some dope fiends visited our town Thursday night and made three broads before locating what they were after. Yerca & Co's store was first entered and what money was procurable was taken. Then J. H. Brown's store was entered and a quantity of goods and some cash taken. Stevens Bros' drug store was the next and there a quantity of dope and liquor was taken. Evidently the robbers entered the other two stores by mistake, as it was the dope and liquor they were after. The officers the next morning found some of the plunder hidden in the old burned building on Water st. Later in the day a man and a woman were arrested at a local hotel and on searching their room some of the plunder and money was found in the mattress. It is supposed that there were at least three men in bunch and probably the other two will soon be rounded up.

George W. Gibson & Co. have moved into their new store built on half the site of the old Haynes-Gibson store. Concrete blocks were used and the building presents a very nice appearance, and the contractor, Percy Corbett, should be proud of his job. The interior is nicely finished and gives the Gibson Co. lots of store and work room.

E. O. MacDonald is closing out his store and the shop is to be occupied as a shoeshine parlor.

The Farmers' have broken out in a new line of business and have bought from Samuel Conthard his blacksmith shop and are going to run a horse-shoeing shop. It is also reported that they are about to buy an old-established barber shop, so they will be able to sell shoes and hats at a big discount.

The matinee races on Thursday afternoon proved very interesting to a large number of spectators. Four classes were run off. Irvine Heart was drawn in the 3rd heat owing to losing a calf from one of his shaves.

In the 1st heat of Class B Pace Harry Gratton was behind at the start and had not room to get through between the other two horses and in pulling up after passing the wire got in a nick with Q. B. Q. and broke some rigging and was drawn.

The following are the results:

Class A Pace
College Swift, W. Gallagher 1 1 1
Irvine Heart, W. P. Mott 2 2 dr
Time—31, 32, 33.

Class B Pace
Merry Wica, C. A. Poole 1 1 1
Q. B. Q. P. Walker 2 2 2
Harry Gratton, Gallagher 3 dr
Time—31, 32, 33.

Class C Pace
Six Peter, H. M. DeWitt 1 1 1
Rhonda Adair, H. M. Martell 2 2 2
Time—31, 32, 33.

Class D Miled
King, J. G. G. Adams 2 1 1
Dora Wilkes, F. Strong 1 2 2
Time—32, 33, 34.

College Swift is getting legged up and will make any of the fast ones step before the season ends. This coming Friday three of our speed sets expect to go to Hartland and try conclusions with your local horses.

Clarence Black is out with a challenge to race Lucky Strike with any horse in Woodstock on Hartland for \$100 a side. This looks like a good chance for Lena Marie to pay for her winter's care. If an one in Hartland accepts, a local man with a trotter says he is willing to take a chance. A Hartland gentleman reported here a short time ago that there was a trainer there by the name of Edison. That sounds like a phonograph.

A little later in the season, when it is decided who has the best horse in Woodstock, Hartland and Centreville, why not have three horses meet in a match race for the best horse in the county? Probably there would be a little money in it, though, anyway to make it interesting.

Minnie Gratton, bought by J. W. Gallagher and C. F. Rogers, has arrived in town and is a classy-looking mare. She is green and acts as if she has been hunted but little. Tom M., the big trotter owned by J. W. Gallagher, was priced at \$2000 American funds to an intending American buyer. The deal has not gone through and we hope it will not as every one wants to see this fine horse in action here next summer.

TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-TIVES"

DAME PETER LAMARRE

Pointe St. Pierre, P. Q.

"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good. Then, I used one box of 'Sootha-Salva' and two boxes of 'Fruit-a-tives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvellous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Sootha-Salva' and 'Fruit-a-tives'.

'Fruit-a-tives' cooled the blood and removed the cause of the disease, and 'Sootha-Salva' completed the cure."

Mt. Allison of the Past

Mount Allison, founded in 1843, to provide the means of a higher Christian Education for the young men and women of limited means of the Maritime Provinces, has been carrying on just that programme.

Within her doors have been educated some of Canada's most brilliant men and women; her record is one of the most enviable of all educational institutions of the Dominion in both times of peace and times of war.

Mount Allison of To-Day

Today she is carrying out the tradition of the past, accomplishing wonders in overcoming great financial handicaps.

Her present staff of loyal professors and instructors have, almost without exception, been offered positions recently, at salaries of from one-third to double the salaries they are now receiving.

Today she is seriously handicapped through lack of adequate endowment that she is daily facing the probable loss of valuable members of the staff through tempting offers from other more wealthy universities.

Today, she is laboring in crowded dormitory rooms, study and lecture halls.

Mount Allison of To-morrow

Tomorrow, Mount Allison, if her friends do not fail her now, in this most trying time of need, will bloom forth as one of the foremost institutions of learning in the entire community.

Tomorrow will see her with a student body of from 1200 to 1500, a figure that could be attained today, were facilities on hand to accommodate them.

—a realty valuation of \$1,000,000.

—a present endowment of \$366,000 invested at a time when the dollar was worth three times its present value.

—a campus comprising approximately forty acres.

—a group of eight college buildings gracing her campus.

—the best equipped chemical laboratory in the Maritime Provinces.

—11 professors and 7 instructors in the University alone, and every one of them sadly underpaid.

—a student population of 1,000.

—a former student list of 15,000.

—educated leaders in every walk of Canadian life.

—graduates on the Supreme Court Bench of every province in Canada.

—a library of 26,000 books and no place to file them!

—an Art Department, one of the finest in all Canada.

—a Conservatory of Music recognized as the best of its kind in Canada.

—one of the finest Preparatory and Commercial Schools in Canada.

—sufficient endowment to enable her to hold her present staff of profes-

sors and teachers, all of whom are sadly underpaid and most of whom have received offers from other colleges at salaries from one-third to double their present salary.

—a Library Building in which to house her present library of 26,000 books, half of which at present are stored in boxes in 10 different rooms out of circulation, consequently, worthless to the student body.

—Money to establish two new chairs, and assistant professorships in two or more of the present overcrowded departments.

—a Residence for University Girls who are at present quartered in a leased hotel building away from

the campus.

—a new Science Building, wherein her excellent laboratory may be made more efficient.

—adequate housing facilities to accommodate a student body of from 1,200 to 1,500 students within the next 10 years.

—a new Gymnasium and Drill Hall to replace "Old Lingley" which was destroyed by fire January 31, 1921.

—MORE HELP, NOW, TODAY, THAN SHE HAS EVER ASKED FOR OR RECEIVED IN HER HISTORY OF NEARLY 70 YEARS!

The week of Feb. 7th to 13th will be known as Mount Allison Week throughout the Maritime Provinces, and during that time an organized effort on the part of 6,000 Christian men and women will be made to secure through two-year subscriptions, the sum of \$500,000, so that Mount Allison may retain her present high position. Surely your interest in Christian education will not suffer the appeal to go unheeded.

GRAND FALLS

The death of Mrs. C. Morin took place at the hospital here on Feb. 5. Mrs. Morin, who before marriage was Miss Carrie Redgate, was twice married; about three years ago to Mr. Jacob Staal who died of influenza in 1918, and about a year ago to C. Morin. She leaves a little boy about two years of age and a baby a week old; also her father, Wm. Redgate; one brother, Albert, and one sister, Jessie. Mrs. Morin was about 25 years of age. The body was taken to the home of her husband's father, about two miles below town, and from there the funeral took place. It seemed rather strange that her funeral should be from the old homestead where her great-grandfather Elijah Estabrook lived and died, also her grand father, Clarence Estabrook; her mother, daughter of Clarence Estabrook; wife of Wm. Redgate, all were buried from the old place which was sold a few years ago to Morin, Sr.

IF Your Throat's Sore

and inflamed, the speedy and most effective treatment is to now and again dissolve a Peps Infection-killing tablet in your mouth. Peps reach the tissues which are the parts actually affected in throat and chest ailments. Liquid medicines can't do this.

Just as you breathe in the germs of throat trouble, so you must breathe in the remedy to chase and exterminate these germs before they feel their way into the windpipe and chest. These soothing, germicidal Peps vapours quickly allay inflammation and soothe the inflamed, and irritating dry cough.

Free from opium or other habit-forming drugs Peps provide the ideal remedy and preventive of colds, chills, grippe, influenza, and throat troubles. Beware of substitutes and tablets containing formalin, which irritate and inflame the throat and air passages.

HARTLAND, N. B., FEB. 10, 1921.

ENCOURAGE HIM

The effort of G. F. Seeley to establish a 24 hour electrical service should have every encouragement the town can give. Hartland is held in more or less derision in several respects and one of the chief subjects for quips and sarcasm is the unlighted condition of the streets. In this respect the town stands distinctly by itself. Perth Andover, Aroostook Jct. and Grand Falls are electrically lighted and most of these villages are smaller than Hartland. Mr. Seeley's proposal to light the town and pump the water has a real business aspect to it. If he needs capital to launch his enterprise the business men of the town could well afford to raise it even if for a time no dividends would be realized.

Sudden Death at South Knowlesville

Simms of Woodstock and Geo Simms of South Knowlesville, by four sons: John of Lakeville; Thomas, George and Robert at home; five daughters: Miss Eva of Boston, Mrs. Earle MacGuire of Rolling Dam, Mrs. Tracey of Wicklow, Mrs. Robert Crossin of Nortondale, and Misses Etta and Ada at home. TOWN SAVES THE C. P. R. MUCH MONEY

One day last week as train number 155 from Aroostook pulled in at the station it was discovered that a potato car was afire. The train crew set the car off at the lower end of the yard and left it to burn. The office staff of Hatfield & Co inspected the fire and found that it could be quickly extinguished. An alarm was rung in and the switch engine brought the burning car up to the hydrant at Queen street crossing and the car and contents amounting to several thousand dollars, were saved.

Probably this is the first time on record that a fire was brought to the fire station to be extinguished. It is interesting to note that the C. P. R. is behind with its taxes and demands at paying any at all.

CARD OF THANKS

We the undersigned wish to extend our heart felt thanks to our neighbors and friends, who so tenderly assisted and comforted us, in our recent bereavement.

There is much complaint that the Imperial Oil Co. is not meeting with the promise that the local service demands. At one time this week five local lighting plants were faced with a shut down for want of gasoline. The town is also frequently without horsepower. FUNERAL OF FRANK KEARNEY
 The funeral of Frank Kearney who died from injuries sustained in his team colliding with the train near Stickney, was held on Jan. 14 from the Bristol church where interment was made. The service was largely attended. Col. W. W. Melville was director; Rupert Long, Joseph Tompkins, Lorne Simonson and Caldwell Kearney were pallbearers. Service was conducted by Rev. H. V. Bragdon assisted by Rev. A. Hatfield, G. A. Giberson, C. O. Howlett and C. Gray.

Mr. Kearney leaves to mourn their sad loss, a wife, daughter of the late Rev. Samuel Sprague, two sons, Harry and Earl, one daughter, Mary; three brothers, Avard of Fort Fairfield, Eber of Bristol and John in the west. Two sisters: Mrs. Howard Giberson of Bath, Mrs. Columbus Craig of Perth, Mrs. Obed Ireland of Mattawamkeag and Mrs. Thomas Evans of Winterport, Me. besides a host of friends and acquaintances. Mr. Kearney was 51 years of age, was a member of Stason Brook Primitive Baptist church and a faithful and earnest Christian, and left evidence that he has gone to be with Christ which is far better. Frequently in testimony he expressed he did not expect to lay down the weapon of his warfare until he laid them at his Master's feet. Much sympathy is extended to the bereaved wife and family.—H. V. B.

JOHN H. STITHAM
 Friends of John H. Stitham will be sorry to hear of his death which occurred December 22 at his home, Monquart Settlement, after a few days illness in his 71st year. Deceased was a life long resident of the community and will be remembered as a true friend, a good neighbor, and a Christian. Early in life he embraced the Christian faith and identified himself with the Primitive Baptists of which denomination he remained a faithful friend. Funeral services were held in the Methodist church at Bath and conducted by Rev. A. Hatfield and G. A.

Giberson. Deceased leaves to mourn, a loving wife, Mrs. Jane Stitham, three daughters, Mrs. Howard Bell of Leesville, Mrs. Henry Brooks and Miss Joseph Burke of Bristol, and one son, Amos; also five sisters and two brothers—Mrs. John Gullivan of Deerville, Mrs. Alexander Sproul, Woodstock, Mrs. Geo Dyer, Florenceville, Mrs. Alexander Hall, Johnsonville, and Mrs. Albee Johnson, Charlesown, Mass. and Wilbur and James Stitham of Bath. The pallbearers were his five nephews: James Gullivan, Walter Boyd, Claudi Boyd, John Hall, Herbert Stitham and his son-in-law Henry Brooks. Interment was made in Bath cemetery.

WENDELL HUTCHINSON
 The community was shocked to hear that on Monday 24th inst. Wendell Hutchinson a well known and respected citizen of Wicklow had suddenly expired of cardiac hemorrhage. He had driven to Frederickton on business and on his return called at a neighbor's. Sitting by the fire to warm he suddenly sprang upright and taking a few uncertain steps fell to the floor, dying instantly. Not more than a minute had elapsed since he had entered the house. His death was the more unexpected as only that day he had said to acquaintances whom he had met in Bath that he was feeling better this winter than for some years. He was the youngest son of the late Mr. and Mrs. Hutchinson. Born Jan. 2, 1875, his life had been lived in Wicklow with the exception of eight years from 1900 to 1908 which he spent in Hutter, Montana. He is survived by two brothers, Chase of Hutter, Me., and Rupert of Bath, and three sisters, Mrs. Eva Millary at home, Mrs. Helen Stevens, West Lynn, Mass. and Mrs. Sarah Hutchinson, Whitman, Mass. The funeral was held on Jan. 27. The pallbearers were six cousins, Charles, Frank and Harvey Giberson, Charles and Robert Estey and Pudry Barker, conducted by Boardman Wheeler. A short service was held at the home after which the remains were taken to the U. B. church where the large concourse assembled testified to the place he held in the hearts of his friends and associates. The services were conducted at the church under the auspices of the Knights of Pythias of Bath of which lodge he was a charter member. Rev. C. O. Howlett, B. K. E. D., chaplain of the lodge, spoke comforting words from John 14: "Let not your heart be troubled." The choir sang "Nearer, Still Nearer" and "Silent." Miss Alveretta Estabrook sang "Does Jesus Care" most fittingly. A male quartette composed of boyhood friends who had sung with him at many of his funeral services, sang "Sweet be thy Rest" and "Lay Him Low" and two Pythian brothers rendered the duet "There'll be no disappointments in Heaven." The funeral tributes were many and beautiful. He was an ardent member of the United Fraternity, Secretary of school and commissioner of highways for a number of years. His untimely death has cast a gloom over a large circle of friends for his genial face and generous heart will long be remembered by all.

Those who did not care to dance, played cards. An excellent lunch was served about midnight, the party breaking up about 1:30.

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is generally induced by constitutional conditions.

HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces and the body, thus removing the inflammation and restoring normal conditions.

Tractor Short Course.

At the Carleton County Vocational School, Woodstock, there will be held a Short Course on Gas Engines and Tractors, starting on Tuesday, February 22, and ending February 26, 1921. The tractor manufacturing companies active in this territory, including the Ford, the International and the Case, will be represented. Each company will have in attendance a mechanical expert and a tractor mechanic who will lecture on and demonstrate the company's tractor. With each company represented by its experts and tractor, this course should prove a very successful one. The short course does not constitute an advertising campaign on the part of the tractor companies. It has been arranged for the purpose of instruction and the field catered to will be confined to the educational.

This course caters to farmers and their sons who are interested in power farming, garage and repair-men associated in any way with tractor work, and to those interested in matters mechanical.

That each and every one present may receive the maximum possible instruction, the enrollment for this course will be limited. Everyone present will be given the opportunity to observe and perform much of the practical work in connection with tractors, including operation and driving, and this would not be possible under crowded conditions.

The course is FREE. It will be held in the Vocational School building, Woodstock, and the hours are from 9 a.m. to 12 noon, and from 1:30 p.m. to 4:30 p.m.

Applications will be accepted in the order in which they reach their destination. Application for enrollment should immediately be made to R. W. Maxwell, Woodstock.
