disa to's tod tuu

BY JOHN MOULTRIE. They tell me that unusual grace He searcely thinks as children think, on bat or ball. His little heart is busy still, and oftentim

his every look's a gleam of light depths of love revealing. When he walks with me, the country folk, who

pairs us in the street, so mild and sweet.

A playfellow is he to all, and yet with cheerful

To comfort us in all our griefs, and sweeten all our mirth.

Should he grow up to riper years, God grant this heart may prove

As sweet a home for heavenly grace as now for earthly love.

And if, beside his grave, the tears our aching eves must dim.

God comfort us for all the love which we shall lose in him.

I have a son, a third sweet son; his age I can. not tell;

For they reckon not by years or months where he has gone to dwell. To us, for fourteen anxious months, his infant

smiles were given.

And then he bade farewell to earth, and went to live in heaven.

what looks he I cannot tell what form is his. weareth now. Nor guess how bright a glory crowns his shining

seraph brow. The thoughts that fill his sinless soul, the bliss

which he doth feel.

Are numbered with the secret things which God will not reveal.

mind in England.

But I know-for God hath told me this-that he is now at rest,

Where other blessed infants be, on their Saviour's loving breast.

I know his spirit feels no more this weary load

of flesh, But his sleep is blest with endless dreams of

joy forever fresh. I know the angels fold him close beneath their

gitering wings, And sooth bim with a song that breathes of

heaven's divinest things. I know that I shall meet our babe-bis mother dear and I\_ -

When God for aye shall wipe away all tears from every eye.

Whate'er befalls his brethren twain, his bliss can never cease:

Their lot may here be grief and fear, but his is

perfect peace. It may be that the tempter's wiles their souls

from him may sever, But if our own poor faith fail not, he must be

ours forever. When we think of what our darling is, and

what we still must be-When we muse on that world's perfect bliss,

and this world's misery-When we groan beneath this load of sin, and

teel this grief and pain-(), we'd rather lose our other two than have him here again.

LETTER THIRD.

present when the acopwere ordered to be printed and circulated a as you say with respect to Messrs. Forman as you say with respect to their saying that it was ANDREW KING. ANDREW KING. Professor of Theology in the Free Church, done by the committee (or such of them as were present) is not to the point. We have shown College Halifax, and one of the Vice-Presidentsof the Nova Scotia Protestant that many of the so-called committee knew no.

thing about it until after it was sent to the country." Now, although I have no doubt that you make out your " many " here by including those who may have simply said that they know nothing about the printed document, and in any Halifax 19th May 1858. SIR,-In your editorial article of the 4th curother sense I am not prepared to admit the truth

rent, on which I have still some remarks to make, of your statement ; yet taking this in the view most favorable to yourself, on what ground in you say: S. "This we affirm in reply to the Witness-you maintain that it is nothing to the purpose to neither Mr. Forman or the Rev. Messrs. King be able to say that it was done by the committee and Churchill will say that they themselves at- if it may have happened that some members work tended the Committee meeting at which the Al- absent? Do you deny the validity of the act liance documents were adopted and ordered to of a corporate assembly, regularly met and conbe first published. Their saying that it was stituted for the transaction of business, should in done by the committee (or such of them as were so happen that some of the members are absent? present) is not to the point. We have shewn If this is what you have in view, go through with that many of the so-called committee knew our principles. Shew the sincerity with which nothing about it, until after it was sent to the you hold it by bringing it to bear upon your own friends; and I would particularly recommend er the names of gentlemen were published to the you to observe how the Attorney General look for issuing, as Acts of the Provincial Legislature, certain conclusions which you knew were from you altogether, as to this latter mode of come to not only while several members were absent, but in the face of the most strepuous or ion a point at issue, between us, and it is an im-

portant point is what was discussed in my first 4. You say, " The Colonist again 'repeats that letter, namely, your groundless charge that our the document of the Alliance calls upon the Protestant Altiance had a " political origin and country to organize against the Government." character." A second and still more important call upon you to quote a single sentence from point at issue between us is what I discussed in our documents that support this allegation. H my second letter, namely, was the Provincial you succeed in doing so, I shall make the most Secretary warranted, even on the authority of ample apology for what I have written against letters from two ministers of the Gospel, and the charge that the Alhance is a political associwithout further inquiry, to raise that cry of ation, and if I cannot succeed in getting rectified "fraud and forgery," in which the Attorney what certainly is inconsistent with all that I have heard at our meetings. I will leave the AL liance. But on the other hand, if v u fail in substantiating this very specific chart your character for truthfulness is gone, if there is not an immediate retractation.

> I am. Sir. Your obedient servant,

ANDREW KING. Professor of Theology in the Free Church College, Halifax, and one of the Vice Presidents of the Protestant Alliance of Nova Scotia.

Cornwallis Circuit.

decuments were adopted and ordered to be first published. Mr. Churchill certainly was not pre-sent. Indeed I rather think he has not yet been Whilst Zion's King is multiplying the triumphs of his cross, and bestowing the blessings of his present at any of our meetings. His numerous reign throughout various portions of our blood. ransomed world, and these glorious conquests are as extensive as the willingness of the people to submit to his claims and to receive the overtures of his mercy. so that accessions to the Militant hosts by hundreds and thousands are being recorded, proclaiming the present grace, acknowledged him as their Saviour and Lord. We desire therefore gratefully to celebrate his goodness, and to bring our bumble tribute to swell the songs of praise which are ascending from earth, and thronging to crown his bead. Some to whom we have ministered the word of Life, have not received the grace of God in vain-they have thought of their way, turned their feet unto his testimonies. entreated his fayour with their whole heart, and have obtained mercy, according to his word. Being justified by faith, they have peace with God, and renewed in the spirit of their minds, now walk in newness of life. Shortly after the opening of our new Church t Berwick, the Lord came into his temple, gave testimony to the word of his grace, and displayed his saving power. Special services were held chiefly conducted by my beloved and zealous colleague, brother Lathern, assisted by the hearty o-operation of a band of faithful leaders, residing in that part of our field, whose readiness to engage in every good work affords convincing proof of the vitality of the Christian principle they possess; and whose zeal for the glory of God is according to their knowledge of His claims, and in harmony with the method of the divine administration on the salvation of our race-condescending to save man by the instrumentality Still further, the general committee having of saved men. These strove together to win souls, and as the spirit of the Lord gave efficiencv to our efforts, preachers and people could exclaim. " The best of all is, God is with us !" thus this matter to the acting committee. That actproclaiming the ground of their confidence, and acknowledging the source of their success. A publicly certified, and particularly the Secretarnumber of those who believed and turned to the ies. discharged with the utmost fidelity the duty Lord, were new-holders in the church, and heads of families. On Sabbath, March 14, nine of the converts presented themselves before the congregation, and were baptized with water, and with more who ed enjoyment from the presence of the Lord .--The hearts of our dear brethren who had taken were filled with gratitude to God: their object the sole and only aim was the organization of a wait, not for what may aid in coming to the extent, gratified; and their prayers graciousa meeting of the Halifax Presbytery of the As to this notorious charge of "fraud and religious society, exclusively for the mainten- knowledge of the truth, but to lay hold of any ly answered in the salvation of their neighfairly, to their own purposes. And in order to On the 2nd of May three more adults were congregations at these services were large and dent that all has been regularly transacted by the attentive, and, as usual under such circumstances, the rite of baptism strikingly impressive reminding one of the fact that every perfect and good gift cometh down from above. proceedings, according to your doctrine, must be held as null and void. You come in with your Other parts of the Circuit have been fisited with occasional drops of mercy, these have fallen dictum, " Their saying that it was done by the committee (or such of them as were present) is upon those who sought them, and their hearts not to the point. We have shewn that many of have been sprinkled from an evil conscience by the so-called commtttee knew nothing about it the blood of Jesus until after it was sent to the country." But in Some weeks ago a little cloud appeared to ree whatever terms of insolence you may write over the place where prayer was wont to be about the "so called" committee, you and the made, at Given wharf; and we devoted some Province, may yet come to know that it is posdays to the work of the Lord there, with glorious results; a time of refreshing came from Now that we have looked at the facts, what is that cloud, which will not soon be forgotten .-the principle on which you would convert them Some remarkable instances of conversion have into a ground of charge against the Alliance, been witnessed; many who were acquainted with and endeavour still to keep up the cry of " fraud the former character of the converted, and the and forgery." Do you mean gravely to maintain that the circular must be a " fraud and for- general immorality which obtained in this place, gery," because, although ordered by the comperceiving the change which the Gospel has promittee to be printed and circulated, some of the duced, are filled with wonder, and are constrain-

ters of all Protestant denominations. At is enough for my present object :-

the Editor of the British Colonist: SECOND LETTER.

Halifax, 15th May. 1858. mittee was also called to the state of religi-SIR,-Yesterday afternoon I received your ous education in the elementary schools of note, in which you declined to insert my letter. the Province. The committee are strongly impressed with the importance of having the the whole have been submitted." You then fa. not been for a necessary engagement elsewhere, printing of the documents was ordered. vor me with your advice, that I should take the he would have personally brought before the Bible taught in the common schools, and re-Presbyterianism prevails, the instruction of Presbyterianism prevails, the instruction of the prevails written and you cheap with a come with a come accuse that the prevails written and you cheap with a come to the control of the prevails written and you cheap with a come to the control of the prevails written and you cheap with a come to the control of the prevails written and you cheap with a come to the control of the prevails written and you cheap with a come to the control of the prevails written and you cheap with a come to the control of the prevails written and you cheap with a come to the control of the prevails written and you cheap with a come to the control of the prevails written and you cheap written an the young in scriptural knowledge is not so general as could be desired." Again-" The the real point at issue, namely, whether the men who have, so unhappily for him, interfered committee proceeded to consider the aggressions of the man of sin." Definite action on

those matters, however, was necessarily de- in connection with documents which they had not " traud and forgery ?" ferred until another opportunity, as some of previously seen, and without their consent being Ah! but listen to Mr. Jardine. Has not he the members had come from a great distance first obtained. Your advice I am not disposed to a tale to tell of liberties used with his name, that was intrusted to them. These circulars and the matter of Dalhousie College had follow, because it involves nome trouble that is and a fraud practised upon him by an office- were intended principally for those at a distance, occupied nearly the whole of three days. As Convener of our committee, I reported of my present object ; and I indignantly repel listen to Mr. Jardine. Writing to Mr. Ander- Halitax had no immediate opportunity of seeing the proceedings to our Synod in 1856. A your charge of evasion, either intentional or unin- son, one of the Secretaries of the Alliance, he them. For my own part, I did not see one of committee was again appointed. Immediatel 7 after the rising of our Synod, I went to England for some months; but in the course of the following winter, when my attention was directed to the propriety of having another meeting of the committees that the Protestant Alliance had its origin in Having never had the opportunity of attending the "circular"! that term being applicable to called, I found, on looking at the printed party politics. It would indeed be scarcely worth a single meeting, or examining for myself the the whole printed paper, as well as to the adof our Synod, that in consequence while defending the Alliance from the charge of objects contemplated, I received on the occasion dress in the second page which is headed "cirreferred to, the most solemn assurance that the cular." Immediately the cry of "fraud and forvener, our committee could not be formally all under the heavier charge of "fraud and Alliance eschewed politics altogether, and that gery" is reiterated by men who seem to lie in was secured; their desire, to a considerable summoried. It so happened however, that forgery."

Presbyte rian Synod, brought together a forgery," it was rashly raised by the Provincial nace and defence of Protestant truth. Acting expression which they may turn, however un- bors. They thanked God and took courage. considerable number of the brethren of that Secretary, who seemed to forget that he had a on this information, I allowed my name to rebody, about the beginning of March, and it character to win; it seems to have been gravely main on the committee, though it had been make sure that there shall be a conviction of baptised in the old chapel at the West. The was agreed that although unable to act in an official character as committees of our respective bodies, we should avail ourselves of fulness that he had a character to lose; and it the opportunity thus presented for confer- has been, at least down to the number of the ring together as individual ministers, on the Colonist which forms the ground of my present the sentiments therein contained, and that its absent from any of their meetings, the whole subject of popery, upon the consideration of correspondence, pertinaciously admitted by you, which we had formally entered. No doubt in the face of evidence of its groundlessness which a change in the government had now taken ought to have satisfied any candid mind. Under place, and it might have been thought that the protection of that liberty of speech which, in men who had been desirous of moving in that business when Mr. Young was at the head of the administration, would be equal-ly willing to remain quiet, now that Mr. Johnson had succeeded him. And such in tary so far forgot himself as to leave the sufject all likelihood would have been the case, if we that was under discussion before the House, and had been what we are falsely charged with to assail with the odious charge of " fraud and being, political partisans. But we had high-er and more sacred objects in view. Cir. to defend themselves; and the Attorney General. the committees were appointed, were as already cumstances connected with the recent chan- who from his standing and experience both as a them and their Church. He did so, and ges only showed more clearly, what was but lawyer and a legislator, should have known betimmediately joined the Wesleyans, and soon too manifest before, that whichever of the ter, was not ashamed to help on the cry. The found peace through simple faith in the blood of Christ. He and his pious companion of Christ. He and his pious companion the Province seem to be divided, might be not solution the province seem to be divided, might be that made him a member, and he himself tells us that he did give his consent. Where is the

agreed to open their house for the Met hodist service in Cape Traverse. Our mithisters kept them in their places, turning to her faculties would be, a tormeut to them; and were invited to preach there-good was own advantage their miserable party or society ?--two ministers of the gospel? Why the more considerate and virtuous they done-a Society was formed, and Mr. Mutwere, the greater concern and grief they tart soon became very active and useful, that the call had only become still more the other side? Of course there could be none, that it is a political Association. If he is deter-

first letter as held on the 21st of May, still atten-

ded only by Ministers, and Mr. Freeman being one of them, at which the report of the special committee was given in, and which, by unanimittee, independently of the special office which mous judgment, adopted the basis and the lette they might hold as President, or Vice-Presinoticed in my first letter as held on the 7th o committee was also appointed. Mr. Freeman July, when jaymen first attended, and when the who really acquiesced in the arrangement according to which he was made a member of the mitted to them, and unanimously adopted—in basis already adopted by the Ministers was subgeneral committee, stated some difficulties as to the fifth place, a meeting held on the evening of

the office of Secretary. But these were got the 4th January last, when the documents, em over, and he entered upon the duties of the bracing an address prepared by the acting com-Professor of Theology in the Free over, and he entered upon the duties of the bracing an address prepared by the acting com-Church College, Halifax, and one of office. It is true, after a few weeks, he tendered mittee and approved of by the general commit-

the Vice Presidents of the Protes- his resignation on the plea of want of time; and tee, were ordered to be printed and circulated, the resignation was reluctantly accepted, when as soon as the acceptance of office by a particular on a second application, he persisted in his re individual should be ascertained. I can tell you fusal to continue to act as Secretary. But there was no word of dissatisfaction all this time, nor did Ministers, that Mr. Forman our President, was he ever resign his place in the general compresent at the meeting of the 7th July, when the mittee. So far from this, at the very time that constitution was anew submitted to the meeting he finally resigned the office of Secretary, he and unanimously adopted. He was also present which appears to be the first of a series, until wrote about a piece of business which, had it at the meeting of the 4th January, when the

previously written; and you close with an accusal now to understand that the party politics are to have certain documents which had been already tion that in my letter I have "carefully evaded" be found, not with the Alliance, but with the approved of, printed and circulated, intrusted names of gentlemen were published to the world with his better judgment. Is this your case of ing committee, as the general committee have

altogether unnecessary for the accomplishment bearer of the Alliance? By all means, let us and, in consequence, many of the members in tentional. I did not take up the matter you refer says :- " A few weeks ago I was requested to them until several weeks after they had been is- had been previously baptized, were received into to, because I did not come to it, my former let become a member of the Protestant Alliance, sued. Persons so situated, if questioned about the Church,-the Sacrament of the Lord's Supter, which you know is but the first of a series, but objected, on the ground that I had heard it, as I was myself questioned about it, might per was then administered to about sixty com being occupied with your groundless allegation that it was partly political in its tendencies.— very naturally answer that they had not seen municant. It was a season of sweet and hallowthat the Protestant Alliance had its origin in Having never had the opportunity of attending the "circular"! that term being applicable to while defending the Alliance from the charge of objects contemplated, I received on the occasion dress in the second page which is headed "cir- so much interest in the erection of the house
