Custom : Treaty.

Washington, Aug. 30 .- The customs treaty to be signed today at Pekin between British and Chinese governments will serve as a pattern of one to be concluded by Mr. Conger with for hydraulic or placer purposes. the latter government:

The foreign representatives at Pe the British trade interests with China were perhaps more extensive other country, decided to allow the British minister to prepare the first of a series of customs treaties and, ively, it is the understanding among the foreign representatives that there shall be no special advantages grant ed by China to any one of them.

Therefore, Mr. Conger, who it is understood has already made some headway toward the framing of advantages which have been given to the British. There will be no con flict between Mr. Conger's treaty and that recently signed by the United States by Mr. Sharrats.
