The copy filmed here has been reproduced thanks to the generosity of:

(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents.

Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

HON. THOS. WHITE'S PRINTING JOBS.

How the Minister of the Interior got Fourteen Prices for Govern- ment Printing.

When **Mr. Thos. White** obtained a seat in Parliament, through the grace of Sir John Macdonald, the publishing firm of **Thomas and Richard White**, who owned the *Montreal Gazette*, formed themselves into a joint stock company in order to evade the provisions of the **Independence of Parliament Act**. According to that Act the *Montreal Gazette* could get no Government jobs without forfeiting **Mr. T. White's right to sit in Parliament**. Hence the change from the simple firm of T. & R. White to "*The Gazette Printing and Publishing Company*."

In the House of Commons, on July 2nd, 1885, **Mr. Somerville** (North Brant) clearly proved from the Public Accounts, published by the Government, that the *Montreal Gazette*, of which **Hon. Thos. White** was, and is, part proprietor, **obtained fourteen prices for the one printing job!** (See Debates, 1885, p. 3,036.) This is how the thing was done:—

The *Gazette* Company was given the printing of a Government pamphlet on British Columbia, of which it published **five editions**. This pamphlet consisted of thirty-two pages, with cover and map. The account was rendered as follows:—

October, 1883.....	185,000 copies.
January, 1884.....	140,000 "
March, 1884.....	54,000 "
April, 1884.....	56,000 "
June, 1884.....	25,250 "

Total in eight months.....460,250 copies.

For these editions the Government paid **\$9,211.15**. The composition of these pamphlets was paid for four times, although stereotype plates were used

HON. THOS. WHITE'S PRINTING JOBS—Continued.

in the printing. The composition was paid for at the rate of 35 cents per 1,000 ems, which, multiplied by four, makes the total amount paid at the rate of \$1.40 per thousand, **fourteen times more than the Government contractors' rate**, which is 10 cents per thousand!

There was paid for **press work** for these pamphlets, 11,046 tokens at 30 cents, \$3,313.80, **when only 5,523 tokens were actually printed**, which the contractors would have charged for at 10 cents per token, or \$552.30, **showing an overcharge of no less than \$2,761.50 on press work over and above what the contractors would have charged, or five times the contractors' price!**

For **binding** 450,250 copies, the price charged was \$4,768.02, and the work could be done for \$4 per thousand in any bindery, which would amount to \$1,841, or **an excess paid on binding of \$2,927.02**. The following are the **overcharges** tabulated:—

Excess paid on binding.....	\$2,927.02
“ “ composition	117.30
“ “ press work	2,761.50

\$5,805.82

Thus, on a work which cost, all told, \$9,211.15, there is **an overcharge of \$5,805.82, over and above the ordinary business profit!**

The *Gazette* Company received the following **Government pap** during the same year:—

Pamphlets for Immigration Department.....	\$9,211.15
Printing Geological Report	2,876.14
“ Reports on fossil plants.....	126.45
“ Proceedings Royal Society.....	5,321.29
Advance for work in process.....	1,500.00
Advertising.....	737.70

\$19,772.73

This is a nice little sum for Mr. Thomas White to turn into **his own printing office in one year!** When the Public Accounts for last year are presented to Parliament, it will be found that **Hon. Thoms White, through the “Gazette Printing Company,” received not less than \$60,000** in that way between 1883 and 1886. And this man, with these facts staring him in Public Accounts, has the **brazen effrontery** to say on the stump that he had nothing to do with printing jobs!

Electors, shall such rascallty be permitted? You are called upon to say “yes” or “no!” You can say “no,” by voting for the **Liberal candidates and honest Government.**
