## A VERY HAPPY WEDDING TODAY

Popular Young People of Hartland Wed

A very pretty wedding took place this afternoon at 1.30 at the home of Mr. and Mrs. E. A. Britton, when their eldest daughter, Miss Queenie V., was united in marriage to Mr. Gage W. Montgomery.

The ceremony took place beneath an arch of autumn leaves and rowan berries and was solemnized by Rev. G. F. Bolster in the presence of about fifty guests. The bride was gowned in a travelling suit of brown duvelene with hat to match and carried a beautiful bouquet of roses. She was unattended. Her cousin, Miss Idella McIsaac of Florenceville, played the wedding march, and her brother, Lorne Britton, sang "O Promise Me."

A buffet luncheon was served after the ceremony at which Mrs. Lorne Britton poured, and Miss Viola Britton cut the ices, while Miss Beatrice Tompkins and Miss Alma Kirkpatrick served.

Very many beautiful presents were received, among them being a handsome brass bed from the bride's parents, and a very fine china dinner set of 97 pieces was presented from the firm of F. E. Sayre and employees the bride having been employed with the firm as stenographer.

Among the guests were Mrs. Susan Montgomery, the groom's mother, and Hugh Montgomery, a brother, and Mr. and Mrs. William Montgomery, all of Debec; Mrs. Frank Atkins, Portland; Mr. and Mrs. William Kirkpatrick, Houlton; Mr. and Mrs. James McIsaac and Miss Idella McIsaac, Florenceville; and Mr. and Mrs. John Lipsett of Centreville.

The bride is one of Hartland's most popular young ladies, while the groom is a rising young barrister and is well and favorably known in Hartland, having resided here a number of years, having taught a department in the school while reading law with M. L. Hayward. He is located now at Bath.

The young couple leave on the down express for a trip to St. Stephen, St. John and other provincial points.

### MRS. SUSAN DAVIS FELTON

Last week we published an account of the death of the above lady which was sent in by a responsible party. The person, however, neglected mentioning the second marriage. The following is a clearer account:

Mrs. Susan Davis Felton passed away at the home of her sons, Fred A. and John A. Davis of 17 Sharron Avenue. Mrs. Felton who was formerly of Somerville, N. B., was in her 76th year.

She was born in Somerville, of pioneer stock, and was the daughter of Nathaniel and Esther Rideout. She married John B. Davis, of Victoria Corner, New Brunswick. Mr. Davis died 23 years ago. Twelve years ago she married Prof. Charles N. Felton of Houston, Texas. She lived in Houston for some time, but returned again to Canton. Mr. Felton passed away three years ago.

Funeral services were held from the home of her son on Sherman St., on Thursday afternoon. Rev. W. J. Wilson of the Baptist church, assisted by Rev. Allen A. Rideout, a cousin of the deceased, officiated. James Benne rendered two solos.

The casket was completely baffled in a profusion of beautiful flowers.

Mrs. Davis is survived by two sisters, Mrs. Emma London of Norway, Michigan, and Mrs. Wesley Oblenus, also of Norway, Michigan, and two sons, Fred A. and John A. Davis of 17 Sherman street, this town.

### HARTLAND U. B. CHURCH

The service Sunday night at the Hartland U. B. Church will begin promptly at 7.30 with a song service in which everyone will have a share. Come and let us sing together the wonderful Gospel story. The pastor will take for his evening subject—"Respectable Sinners." Are there any such persons in existence today. If so, who are they and how may we know them? At the Sunday morning service the pastor will preach and will take for his subject—"Christ's Joy and Ours." The Bible school will meet at 2.30 with classes for all ages. The public is cordially welcomed to all these services.

"Then take it away, you idiot, and bring him some that is."

The guarantors of the local Chautauqua which comes the 23rd, 24th and 25th of October wish to point out to the citizens of Hartland and community that they have purchased the Chautauqua outright, whereby all single and oversales over and above the amount of the guarantee comes to the town and it was decided to devote any proceeds to the purchasing of chairs for the High School auditorium.

## SQUIRRELS SHOW SIGNS OF WINTER

A long and cold winter threatens New York and environs. This is not an official forecast of the Weather Bureau, but the prediction of self-appointed prophets who gathered in Rayport, L. I., recently to see the squirrels start to gather their winter store of nuts.

The squirrels had long and silky fur, nature's protection in advance of a cold spell. The additional fact that they are starting in at this early date to lay in winter provisions was taken to mean that winter is close at hand. The fact that the weather was extremely mild, even too warm for baseball did not alter the conviction of the chill prophets.

## FIRE DRILL IN NEW SCHOOL

Friday afternoon fire drill was practiced in the new school building for the first time since its opening. The drill was carried out splendidly, the building being emptied in just one minute, where in the old building five minutes was the shortest space of time the old building could be emptied in. A Plummer and C. E. Rideout of the school board and J. F. Murdoch were present and each expressed themselves as well pleased with the very efficient manner in which this important part of the school routine was handled.

## DONALD ERNEST WHITE

The home of Mr. and Mrs. Edward White, Divide, was saddened when their youngest child, Donald Ernest, was taken from them after only a few days illness. Only a few days previous to its death the rights of baptism was administered, little realizing that the child was so soon to be called home to be in the Master's hands and in His keeping.

Funeral services were held Sunday, Sept. 21. Rev. Hollis P. Tupper of the Argyle church officiated.

May the healing hand of God comfort those who mourn and sustain them in their loss.

### A BARBADOS BAZAAR

The season for them is over here, but not so in Barbados. A big one is planned for November in Bridgetown, Barbados. The Committee unanimously asked Messrs. Harold Proverbs & Co. of that place to secure Moir's Chocolates for the bazaar.

Mornings like these toast tastes great.

The new Bridge Box is coming into wide use. The handsome package matches the wonderful contents: a full pound of Chocolates, a first class pack of cards, and an ample supply of playing cards. The happy choice for the evenings of auction. And prizes as well.

### Your Account Book and Your Bank Book

If your account book shows a profit, that profit should be recorded in your bank book as entries of deposits or else it is likely to dwindle away.

It is a good plan to use the two books together. Estimate your profits in one and then transfer them to the other where they will grow even greater by the systematic addition of interest. Open a Savings Account with us at our nearest branch.

### Historic Site at Friendly Cove, B.C.

The historic past of the Nootka section of the West Coast was recalled recently when Lieutenant-Governor Walter C. Nichol, of British Columbia, unveiled and dedicated a monument commemorating the explorations of these great English navigators, Captain Cook and Captain Vancouver.

The monument was built under the auspices of the Historic Sites and Monuments Board of Canada which is placing similar memorials across the Dominion on sites hallowed by interesting chapters of Canadian history.

A large party travelled on the Canadian Pacific S.S. Princess Maquinna for the ceremony and left the steamer at the cannery wharf, boarding launches for the short run to Friendly Cove. The party included Lieutenant-Governor Nichol, H. J. S. Muskett, his secretary, Judge Howay and Mr. Forsyth, Dr. C. S. Newcombe, the well-known historical authority who wrote the "Circumnavigation of Vancouver Island," Prof. W. N. Sage of the University of British Columbia, Mrs. R. B. McMicking, representing the I.O.D.E., Mrs. and Miss Howay, Thomas Deary, late Indian agent for the Queen Charlotte agency and a pioneer of 1859, Dr. David Donald, Mrs. Cave-Browne-Cave, and Professor Macmillan Brown, chancellor of the University of New Zealand. Dr. Macmillan Brown is one of the leading ethnologists of the Pacific, and has been spending the summer on the coast investigating the Indians and their customs.

The new monument is seven feet broad by eleven feet high, with a standard size bronze tablet bearing the following inscription:

"Nootka Sound, discovered by Capt. Cook, in March, 1778. In June, 1791, Spain took possession and established and maintained a settlement until 1795. The capture of British vessels in 1793 almost led to war, which was averted by the Nootka Convention, 1790. Vancouver and Quadra met in August, 1792, to determine the land to be restored under the convention."

A feature of the entertainment provided those who took part in the unveiling ceremony was the Indian dancing, arranged by aborigines from Puget Sound, the Wiennish of the early navigators' journals. Tentative plans are afoot for an elaborate pageant to be held at Friendly Cove, Nootka Island, in four years time to celebrate the 150th anniversary of events commemorated by the unveiling of the cairn.

**"Tired and Worried Nervous and Despondent"**  
Mrs. M. Chevalier, Belle River, Ont., writes:  
"For eight years I suffered from despondency and nervousness. Sometimes I could not sleep at night for worrying and the next day I would be so tired that my work was a burden to me. I began using Dr. Chase's Nerve Food and can say I am now entirely relieved of the nervousness from which I used to suffer, and things do not worry me as they used to."  
"Dr. Chase's Ointment also relieved me of eczema on my arms, which had bothered me for three years. My house is never without Dr. Chase's Medicines."

### THE FORESTS AND OUTDOORS COLUMN

#### COSTS OF PLANTING

Q. Our County Council is planning to reforest 100 acres of waste land. Is this an expensive proposition?

A. You can get your trees free from your Provincial Government nursery. Two men will set out between one and one and a half acre of trees in a ten hour day. That means 1,500 trees to the acre. Added to this will be the cost of planting furrows five to six feet apart. You will readily see that reforesting waste land is nothing like planting an orchard. Write your Provincial Forester for further details.

#### NEWSPAPERS AND FORESTS

Q. Can you give me some indication of the pulpwood requirements of a group of metropolitan papers?

A. The newspapers of New York use up about 1,500 tons of newsprint daily, which means that more than 150 acres of forest land is stripped seven times a week to keep the presses running in the one metropolis.

#### HOW TO MAKE FORESTS PERPETUAL

Q. What is meant by "silviculture?"

A. Silviculture deals with the continuous operation of a forest for a sustained crop of wood. When Canada's forests are operated so as to produce repeated crops of timber on the same area without diminishing the "capital stock." We can boast of our forest resources being under a system of silviculture. Just now the big national job is to prevent the public from burning up the timber resources. Until fire is blocked scientific operation is not possible on a large scale.

#### WHY LUMBER IS NOT CHEAP

Q. With modern machinery and efficiency methods why is it that lumber maintains its high prices?

A. Because production costs, chiefly labor, refuse to tumble the raw materials, namely timber, is more inaccessible than ever. The lumber business as a whole in Eastern Canada is hardly breaking even on production costs and foreign competition is hitting harder than anticipated.

#### Glassville Gleanings

The farmers in this vicinity are nearly through digging potatoes. All report a good crop.

Mr. and Mrs. T. G. Armstrong of St. John who have been spending a few days with their aunt, Mrs. Jas. Brown, have returned home.

Olys Brown who is employed with Ansley Lockhart, spent the week-end at his home here.

William Lindsay spent Sunday at his home here.

Miss Jessie Anderson, teacher at Bannock spent the week-end with Miss Florence McBride.

James Brown is recovering from his recent illness.

Miss Nellie Anderson has returned to Woodstock.

Mrs. Mary McIntosh and Eddy Speakman spent Sunday at Brown's.

Jack Allan spent Sunday at James Brown's.

Peter Haynes who has been visiting his daughter, Mrs. Howard Hartley, Bangor, Me., returned on Thursday.

Rev. Mr. Chopen of Florenceville held service at East Glassville on last Tuesday night.

Malcolm Brown has his threshing done and reports a good crop, sowing 55 bushels and getting 700. He had 3/4 of an acre in particular which he got 55 bushels of a turn out. Beat it if you can.

#### HEBER CONNELL IS DEAD IN WOODSTOCK

Woodstock, Oct. 7.—The death of Heber Connell occurred at his home here early this morning. Mr. Connell was in his usual health yesterday, but death came suddenly. He was 65 years old, and was the son of the late George Connell, who was the representative from Carleton county to the Federal House in 1878. He leaves his wife, formerly Miss Abbie Moxen; one son, Kinsman, and one daughter, Winnifred; two brothers, Charles of Digby and J. Arch, Connell of Woodstock; three sisters, Mrs. Kinsman of Truro, Mrs. George Fisher of Chatham, and Mrs. Jack Benson of Montreal. Mr. Connell belonged to one of the oldest and best known families of Woodstock and has always resided here.

#### AFTER 70 YEARS

A tourist who recently drove in an automobile from Salem, Ore., to New York City crossed the continent one before. Seventy years ago, as a four-year-old girl, she went west with her family in a covered wagon. The two journeys present a striking contrast which the old lady has enjoyed thoroughly.

She remembers some of the terrors and hardships of that earlier trip, for they were sufficiently stirring to impress a child of four. The blow-outs, punctures and hoof-and-mouth disease quarantines of her later trip would

#### PRINCE OF WALES WILL VISIT BOSTON

The Prince of Wales will visit Boston early in the week of Oct. 19.

From there he will proceed to the North Shore, where he will be entertained for several days by Boston and North Shore society.

The change in the prince's plans so as to include Boston in his American visit was announced recently at the British embassy in Washington. It is thought probable that the prince's temporary home during his stay will be the summer place occupied by Sir Esme Howard, the British ambassador, in Manchester-by-the-Sea.

#### REX BEACH, NOTED WRITER, IN ST. JOHN

The fame of the hunting to be secured in New Brunswick has attracted another famous citizen of the United States to this province in the person of Rex Beach, the author, whose books are noted the world over, who arrived in St. John Tuesday from New York. He is there on the invitation of W. G. McIntyre and he will spend a week at the latter's camp at Upper Loch Lomond.

The well-known writer arrived with all his shooting paraphernalia; but he expressed his regret that he was unable to bring a few of his own English setters for the hunting. He has more than a dozen pure-bred dogs at his home on the Hudson about 20 miles from New York. He declared that he was only after birds this trip and added that he would rather shoot birds than big game.

This is his first trip to this part of the province, although he said that he hunted big game once near Plaster Rock. He has often visited Quebec, being there on two occasions this summer. He added that he had a camp in Quebec, which he owned. Shooting, fishing and golf, he declared, were his chief diversions.

Mr. Beach said that he was at present engaged in writing a new novel.

#### Toronto Mother Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Toronto, Ontario.—"I have found Lydia E. Pinkham's Vegetable Compound a splendid medicine to take before and after confinement. A small book was put in my door one day advertising Lydia E. Pinkham's medicines, and as I did not feel at all well at the time I went and got a bottle of Vegetable Compound right away. I soon began to notice a difference in my general health. I was full of aches and pains at the time and thought I had every complaint going, but I can truthfully say your medicine certainly did me good. I can and will speak highly of it, and I know it will do other women good who are sick and ailing if they will only give it a fair trial. Lydia E. Pinkham's Liver Pills are splendid for constipation. You are welcome to use my letter if you think it will help any one."—Mrs. HARRY WOODWARD, 543 Quebec Street, Toronto, Ontario.

The expectant mother is wise if she considers carefully this statement of Mrs. Woodward. It is but one of a great many, all telling the same story—beneficial results.

Lydia E. Pinkham's Vegetable Compound is especially adapted for use during this period. The experience of other women who have found this medicine a blessing is proof of its great merit. Why not try it now yourself?

in addition to several stories for moving pictures. Rudolph Valentino, he said, had been starred in one of his recent scenarios, and the picture was just completed. It was called "A Sainted Devil," Mr. Beach said, but added, with a smile, that he had had nothing to do with the naming of it.

### HAVE YOU THE HABIT?

At 10 o'clock Monday morning a disagreeable business situation came to me through the mail—a situation confronted me that was most annoying. There were papers before the writer that needed attention; but I was very busy on Monday, and put off taking care of the papers as I should have done.

Tuesday at about 11 o'clock the papers appeared before me again, and to tell you the truth, they bothered me very much and I said to myself: "I'll straighten out this situation early Wednesday morning."

Wednesday at 2 o'clock in the afternoon I picked up the papers again, and then something happened that gave me a good excuse, and I postponed the care of these important papers for a little later.

Thursday came along and even my Rotary Day failed to have its influence on my plans of Service. The truth is, these darn papers were bothering me and I welcomed an excuse to attend Rotary and try to forget them.

Friday morning found me unexpectedly called out on a very important mission, and by afternoon I was so tired that I said to myself: "Saturday I will positively see to these papers."

Saturday was a half day and I had no time in the morning, so I put the papers in my pocket to study them over during my week-end rest. After dinner Saturday evening, on carefully examining the papers it was found that I had a real problem on my hands. By several postponements I had brought about a situation that was going to cost me money, time and personal embarrassment.

Saturday night I tried to sleep, and I did sleep—"slept like a top"—a top that is spinning.

All day Sunday the papers presented themselves to me like a ghost and Sunday night my head felt as though it had a hot crown pressing down upon it. In my attempt to sleep I took fatal trips to the very threshold of the place where they use iron beds and asbestos sheets.

Sunday, or rather Monday morning about 3 o'clock, I would have given much money to be at my desk doing the thing that had been delayed, or rather trying to undo an undone duty. I never before wanted to be to my office so badly in my life.

The sum total of this whole story is simply this: By putting off Monday morning what might have been done easily and right by postponing an important duty, I had actually lost two nights of sleep, filled a Sunday with anxiety and worry, and the second Monday morning found me absolutely unfitted for business and unable to meet my own organization. And it had all cost me a pretty sum in cash.

How natural it is for so-called business men and even our business associates how natural it is to postpone their disagreeable duties.

We put off and pile under the things we should put on and put over.

We pay fortunes to the misfortunes of procrastination.

Put it precisely this way: Promptness rays his dividends and avoids machinery of mind.

The advantage found in this article can be summed up like this: Can you apply in personality, have you the procrastinate habit? If you have this habit, the habit will ultimately have you. It had me.

Remember: We do the pleasant things promptly. The perplexing duties we delay, but by George! we must pay. Lincoln Co. News.

### "ST. ELMO" ON SCREEN

No doubt most of the people in Hartland have read "St. Elmo," written by Augusta Evans, or else they have seen the stage play. William Fox has produced a screen version with John Gilbert in the title role. The story is extremely dramatic, offering the star many opportunities to display his exceptional histrionic talent. The direction has been well handled and the photography is unusually artistic, according to advance reports.

From recollections of the stage drama, it will prove excellent screen material. "St. Elmo" describes the manner in which a wonderful girl brings back faith to a man who has plumbed the inferno of despair. The girl is enacted by dainty little Bessie Love. This combination of John Gilbert and Miss Love should provide very pleasing entertainment.

"St. Elmo" comes to the Neighborhood Theatre Thursday.

### WALLACE HAY

Wallace Hay, one of the most outstanding figures in the life of Woodstock for many years, died after an illness of about three weeks. Mr. Hay was born in 1856, the son of Hugh Hay, and became a partner with his father in the business of Hugh Hay and Son. He was for several terms mayor of the town, and a county councillor. Possessed of a ready wit, and natural eloquence he was for a great many years a leader in the civic affairs of the town. He leaves his wife, three sons, Arthur H. M. Hay of Quebec, W. Carey Hay, of Los Angeles,

### A DIFFERENT PICTURE

"Directed by Maurice Tourneur" is a phrase that has become recognized as meaning a picture that is "different" in every respect from the ordinary run of photoplays. "The Isle of Lost Ships" and "The Brass Bottle" set new styles in pictures, and now Mr. Tourneur has made "Jealous Husbands," a First National picture, coming to the Neighborhood Saturday. In it the director again reveals a number of innovations.

The above is estimated Potato Crop of Northern States at the end of September, which shows around 12 million bushels over last year. With prospects of a further increase this month. The crop conditions in Canada are very much the same, so prospects for higher prices do not look the best. The latest estimate on the wheat crop shows a large increase over the previous month with lower prices. Corn crop is a few million bushels short of previous month, which should keep price of oats high during the season. Hay seems to be a good crop except in Northern New Brunswick.

partridge season was brought up for discussion. It was pointed out, that during the spring and summer, partridges were seen in different parts of the province in abundance, but there is now a scarcity of the birds. It was further reported that in different sections, partridge had been found dead, and it was discovered that there was a large number of blue lice on their heads as well as other parts of the body. It is believed that the lice had been responsible for killing many birds.

The partridge matter was discussed at some length, and some members stated that from the present aspect it looked as though the open partridge season should be discontinued for a few years or the birds would become extinct.

The celebrated Dr. Michenoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Seigel's Syrup" after meals makes your digestion sound.

**LITTLE QUEENIE MAE EVERETT** for the bereaved parents in the loss they have sustained.

There passed away at the home of Mr. and Mrs. Everett Kennedy, Knowlesville, their infant baby Queenie Mae, aged 3 months. All that loving hands could do was of no avail, for God calls his own home to be with Him who knows no suffering nor sorrow. The service took place at the house and church, Rev. H. P. Tupper officiating. The choir rendered suitable music and much sympathy is felt

An old man and woman were drawing near the twenty-fifth anniversary of their wedding day. "James," said Martha, "it be our silver wedding next Tuesday. We ought to mark the occasion. Shall we kill the pig?" "Kill the pig! What's the good o' murderin' a innocent pig for what happened twenty-five years ago?"

## BATH BREEZES

The death of Cecelia, aged 13, the daughter of Mr. and Mrs. Henry Allsea occurred on Sunday afternoon. She had been ill for about three months and of late little hope had been held out for her recovery. Besides her parents she is survived by several sisters and brothers, one sister, Miss Loretta, being at present a student at the Provincial Normal School. The funeral which was largely attended was held on Tuesday morning, to St. John the Evangelist church, at 9 o'clock, where Requiem Mass was sung by Rev. Father Donahoe. Interment was made in the new Catholic cemetery.

When winter comes, frozen water mains are then in vogue. Bath is badly in need of a combined plumber-smith, and should provide a good opening for such a man. There is plenty of work the year round. Rents are moderate and shops available.

"Monquart's Saturday Night," often heard of, seldom seen; once seen, never forgotten! Such was the impression gained by those who happened to be in town on last Saturday night. Thomas C. Pickard, Principal of Rexton Superior School, Rexton, N. B., visited his home here last week, returning to Moncton on Tuesday, where he read a paper on "School Discipline," before the Teachers Institute, which was in session in that city.

Mr. and Mrs. Bonnyman, Amherst, N. S., were in town during the latter part of last week and Monday and Tuesday of the present week.

Mr. Coulogue, accompanied by Misses Allison, Hanson and Commins, Hamilton, Me., were in town Sunday. The Food Sale held by the Ladies of St. Joseph Church, on Friday last, in the Consolidated Telephone building, was very successful. Everything was sold out in record time. More such sales shall be held from time to time in the immediate future.

On last Tuesday evening a most enjoyable dance was held in the "Elite Theatre" in honor of Miss Rose Lenahan, who for the past two years has been C. E. Gallagher & Co's. efficient stenographer. Miss Lenahan left for her home in Woodstock on Wednesday followed by the best wishes of her many friends.

On Monday, Miss Margaret G. Lynch left for her home in Fredericton. Miss Lynch before leaving was tendered a very enjoyable dance on Friday evening last, at the home of the Misses Murphy. At the midnight hour dainty refreshments were served by the joint hostesses.

The stock of the Bath United Farmers' Co-operative Ltd., was sold at public auction by Sheriff A. R. Foster, commencing last Thursday afternoon and closing Saturday evening. The auction was very successful, the bidding was for the most part keen and all reasonable goods, brought good prices. On the first day of the sale, goods to the amount of \$300 were sold.

## Giberson Settlement

The many friends of Mrs. Geo. Crain are sorry to hear she is not improving as they would like.

Miss Hilda McFarlane who has been visiting her cousin, Mrs. Herbert Hay, expects to return to her home this week.

Mr. and Mrs. W. Small and Mr. and Mrs. Herbert Ward and children, of Bangor, Me., who were visiting Alonzo Giberson of Holmesville, accompanied by Mrs. A. Giberson, were calling at Geo. Kearney's and Mr. Elliott's last week.

Mrs. Maude Carr who has been spending her vacation with her parents, has returned to The Training School for nurses at Fort Fairfield, Maine.

Newcombe Parker and family have moved to their home in town after spending the summer on their farm here.

A few unexpected (but welcome) friends gathered at Geo. Kearney's Saturday evening and were treated to birthday cake and ice cream. It was Ralph Kearney's birthday.

Hollie Stairs of Hatfield, York Co., who has been visiting his sister, Mrs. Milledge Oakes and picking potatoes also, is soon going home.

The digging potato season will soon be a thing of the past for this year. Lots of spuds but small price. Our school is being taught this term by Marsella Bohan of Bath.

Joseph Haley has raised the largest potato we hear about from this section. It weighs 6½ pounds.

A great many of the people from across the Border are coming over here to get good butter and fresh eggs.

Mrs. Geo. Kearney was quite sick last week with what seemed like tonsillitis but is better now.

## SPECIAL EVANGELISTIC SERVICES

Rev. A. J. McLeod of Picton, N. S., began his series of evangelistic services in the United Baptist church, Centreville, on Tuesday, Oct. 14. The attendance and interest is good and everything points forward to a season of spiritual uplifting and refreshing.

Mr. MacLeod is an eloquent speaker, a man of wide experience, pleasing and attractive personality, and fearless in his presentation of the old Gospel. He will preach every night this week (except Saturday), twice next Lord's Day, 11 a.m. and 7.30 p.m.

We solicit the co-operation of all God's people to come up to the help of the Lord. Plan on being present at every service. Pray for these services and push the effort with all your heart and soul to a successful issue. On October 19 H. R. Bell will preach at Good-Corner at 3 p.m. Rev. A. J. MacLeod will preach at Lakeville at 3 p.m. (instead of 7 p.m.)

In a western town the attorney for a gas company was making a popular address.

"Think of the good the gas company has done," he cried. "If I were permitted a pun I would say, in the words of the poet, 'Honor the Light Brigade!'"

Whereupon a shrill voice came from the rear: "Oh, what a charge they made!"
