OFFICE OF THE SUPERINTENDENT OF INSURANCE,

## OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 16th July, 1877.

SIR,—I have the honor to submit the detailed statement of Insurance Companies licensed by the Dominion for the year 1876. An abstract of these statements was submitted to you on 12th April last, and laid before Parliament. I have since visited the head offices in Canada of the Fire and Inland Marine Insurance Companies, as required by Statute, and have tested the statements by examination. Some corrections were, in certain cases, found to be necessary, and I have now much confidence in the substantial accuracy of the returns.

## FIRE AND INLAND MARINE INSURANCE COMPANIES.

During the year licenses were issued to three new companies, viz: The National Insurance Company of Montreal, on 11th January, for Fire Insurance; The Merchants' Marine Insurance Company of Canada, on 24th February, for Inland Marine Insurance; and The Canada Fire and Marine Insurance Company of Hamilton, on 22nd July, for Fire and Inland Marine Insurance. The license issued to The Royal Canadian Insurance Company, for Fire Insurance, was extended, on 12th May, to include Inland Marine Insurance also.

All the companies previously licensed had their licenses renewed on the 31st March, with the exception of the British and Foreign Marine Insurance Company, (Limited), of Liverpool, which did not apply for a renewal, but whose deposit is still in the hands of the Receiver-General. There were, therefore, during the year, 29 companies licensed to transact the business of Fire Insurance in the Dominion, viz: 13 Canadian; 13 British and 3 American Companies, and of these there were six Canadian and two American Companies licensed to transact also Inland Marine Insurance. In addition to these were two Companies, both Canadian, licensed for Inland Marine only. Of the 13 Canadian Companies, there are four which did also business outside of the Dominion.

A summary of the business done by these companies in Fire Insurance in Canada will be found on page 302, and in Inland Marine in Canada on page 309 and also of that done by such companies as combine both branches, or Inland and Ocean, or transact business beyond the Dominion, on page 310.

The amount received by all companies for fire premiums in Canada during the year 1876 was \$3,708,006, being an increase of \$113,242 over that received in the previous year. The amount paid during the year for losses was \$2,867,295, being an increase over that in 1875 of \$303,764. The rates of losses paid per cent. of premiums received being 77.33, which is the heaviest ratio since the year 1870, as will be seen from the following comparative table:—

FIRE INSURANCE IN CANADA.

|             | \$                 | \$           | \$                                    |

| 1873        | 2,968,416          | 1,682,184    | 56.67                                 |
| 1874        | 3,522,303          | 1,926,159    | 54.68                                 |
| 1875        | 3,594,764          | 2,563,531    | 71.31                                 |
| 1876        | 3,708,006          | 2,867,295    | 77.33                                 |
| Totals..... | 22,446,233         | 15,150,900   | 67.50                                 |

The net amount at risk at the end of the year was \$404,608,180, and the premiums charged thereon amounted to \$4,312,099, being at the rate of \$10.66 for every \$1,000 at risk. At the end of 1875 the amount at risk was \$364,421,029, and the premiums charged thereon \$3,861,453, being at the rate of \$10.60 for every \$1,000 of risk. Hence, the business of the year has been characterized by an increased volume of business, at a slightly increased rate of premium, and a very largely increased rate of loss. Taking the mean between the amounts at risk at the ends of the years 1875 and 1876 as approximately the account current during the year, it would appear that for every \$1,000 of risk during the year an average of \$7.60 has been paid for losses. The increase of business has occurred in the Canadian companies, these companies showing an excess of amount at risk in 1876 of more than 41½ millions over that in 1875; in British Companies the amount is about one million less in 1876, and in American companies about half a million; but the losses have fallen upon the Canadian companies in much larger proportion, as appears from the following comparison:—

FIRE INSURANCE IN CANADA, 1876.

|                          | Paid for losses. | Received for premiums. | Rate of losses paid per cent. of premiums received. |

| Canadian Companies ..... | 1,599,048        | 1,881,641              | 84.98   |

This has arisen partly from the extensive fires in the Province of Quebec having fallen so severely on the companies of that Province. The distribution of the total loss among the companies is, however, very irregular; and the accompanying table will enable a comparison to be drawn of the business done and loss sustained by each company during the past two years.

## CANADIAN FIRE COMPANIES.

In Tables I, III (pp. 314, 318) will be found an abstract of the assets and liabilities of Canadian companies. In these statements there are necessarily elements of uncertainty, as the assets comprise various stocks of which the value is fluctuating, and in some cases difficult to be assigned; on the other hand, the reserve of unearned premiums set down as a liability, may be greater or less than would be sufficient for the purpose of re-insurance, but is properly required to be held by the Company in reserve, inasmuch as by the Statute, (Section 17,) the insured parties are entitled to claim, in the case of insolvency, "for a part of the premiums paid, proportionate to the

unexpired period of their policies respectively." Capital, whether subscribed or paid up is not considered a liability so far as policy-holders are concerned, the statutory provision (Section 10) is, that if a Company's liabilities exceed its assets, it shall be called upon to make good the deficiency at once; and the Superintendent of Insurance (clause 3, sec. 23) is also authorized, if the assets of the Company appear to him "insufficient to justify its continuance of business on the guarantee basis of Sections 6 and 8, or unsafe for the public to effect insurance with it," to make a special report to the Minister of Finance. It having appeared that one Company exhibited a deficiency of assets, it was called upon to make good the deficiency, and the circumstances of the case led the Superintendent to make a special report. On the Company furnishing satisfactory proof to the Minister that the deficiency had been made good, and having further represented that a call had been made on its subscribed capital, the license of the Company was renewed on the 31st March, 1877, and the Company was instructed to furnish a statement of its conditions and affairs on 30th June following.

Beyond the safeguard furnished by the above-cited sections of the Act, no provision is laid down in the Statute against an impairment of paid-up capital. By the law of the State of New York an impairment beyond 25 per cent. subjects the Company to dissolution, unless made good by the stockholders, and in some other States an even more strict rule is in force. But an important distinction is here to be made. In the United States the capital of the Companies is in general all paid up, so that when the capital is swept away or impaired, the policy-holders have no further recourse, as the liability of the stockholders is limited to the amount of their paid-up stock. Here, on the contrary, following the course generally pursued in Europe, the capital in most cases consists of a large amount subscribed, of which a comparatively small portion is paid up, the remainder constituting a reserve which can be called upon if necessity should arise, the stockholders being liable to the full extent of their subscription. If the stock-holders are substantial (and the publication of the lists in this Report will enable insurers to form an opinion on this point), the latter method certainly possesses many advantages over the American in particular, because it enables the business to be done with a less amount of capital actually employed, and therefore, at less expense, while at the same time it affords greater security. For instance there are 57 companies incorporated in the State of New York, with a capital paid up of \$200,000 each, being the legal minimum for companies operating in New York; these companies had at the end of 1876 an amount of insurance in force exceeding eleven hundred and twenty-seven millions, thus giving a basis of less than \$1 of capital for every \$100 at risk. In the 12 Canadian Stock Companies an amount at risk of \$314,460,762 is transacted on a paid-up capital of \$2,781,088, and a reserve of subscribed capital of \$13,254,382, thus giving a basis of \$0.88 of paid-up capital and \$4.21 reserve of uncalled capital for every \$100 of risk.

Although our law has not assigned a limit to impairment of paid-up capital, nor

fixed any minimum for a surplus of assets over liabilities, it is clearly in the interest of the public as well as of the Companies themselves, that they should maintain an available surplus of assets over liabilities irrespective of their reserve of subscribed capital, as a sudden emergency might place them in difficulties before a call on their stockholders could be carried into effect, remembering also that the portion of their assets deposited with Government only becomes available in the event of insolvency or dissolution.

The following table shews the condition of all the stock Fire Companies at the close of 1875 and 1876, as regards their surplus or impairment, and their reserve of subscribed capital:—

The total assets of all the Canadian Fire Companies amount to \$5,418,193, exclusive of their subscribed capital not called up, which amounts to \$13,254,382. These cover an amount at risk of \$351,877,040, affording on the average a security of \$1.58 of assets, and in addition a reserve of \$3.77 of subscribed capital for every \$100 insured.

## BRITISH AND AMERICAN FIRE COMPANIES.

In Tables II and IV will be found the assets in Canada and the corresponding liabilities of the British and American Companies doing Fire Insurance in Canada. In the case of many of the former, assets are applicable also to the Life Insurance branches of their business, and the liabilities under these branches are therefore also included. Next year a separation will be effected by the operation of the *Consolidated Insurance Act of 1877*, so that the assets and liabilities for the Fire and Life branches will be separately exhibited, thus enabling the provisions of sect. 8 of the Fire Act to be carried out. These provisions are simply that a Company must have assets in Canada sufficient to cover its liabilities therein; and no limitation is specified as to the nature of these assets, except in the case of the \$100,000 deposited with the Receiver General, which, if not in national securities, must be in securities approved of by the Treasury Board. In this matter the liberality of our law may be compared with that of the State of New York, which requires that a foreign company shall have assets either in deposit with the State Departments or vested in American Trustees for the benefit of its policy-holders and creditors in the United States, and investments being of the same nature as that in which native companies may legally invest; that is, generally, treasury or State or municipal bonds, or stocks of incorporated companies in the United States, or mortgages on real estate within the State. The difference between the above assets and the liabilities of the company in the United States is defined to be the "capital" of a foreign company, and must be at least \$200,000, and an impairment of this to the extent of 20 per cent involves the suspension of business so long as it continues.

The Superintendent has power to refuse admission to his State of any foreign company, whenever, in his judgment, such refusal to admit shall best promote the interests of the people of this State (N.Y.); and when such a company has been admitted he is further empowered, whereon it appears to him, "that the affairs of any company not incorporated by the laws of this State (N.Y.) are in an unsound condition," to revoke the certificates granted to it and suspend their business.

Such powers are, of course, unknown to our law. No distinction is made between the cases of a native and a foreign company, and the license in either case could only be revoked by the process already cited in sec. 8, and clause 3, sec. 23; that is: either through the company's failing to make good a deficiency in its assets when called upon to do so; or on special report of the Superintendent to the Minister of Finance, who, after consideration of the circumstances and allowing the company to be heard, may report to the Governor in Council his agreement with the report of the Superintendent, and if the Governor in Council concurs the license may be suspended or revoked; and for the advice thus given to the Governor the Ministers are responsible, and may be required to justify it in their places in Parliament. It is altogether repugnant to the spirit of the British constitution to entrust absolute power in the hands of irresponsible officials.

There is only one case (as shown in Table IV.) where a deficiency of assets exists; and as this Company combines "Fire and Life," it could not be said to fall under the conditions of sec. 8 at present.

The amount paid during the year for fire losses \$2,867,295 includes, of course, payment for some losses which had occurred in 1875, or previous years; and a larger amount than usual of unsettled losses is reported as standing over for 1876, at the close of the year. The amount of losses reported as incurred during 1876 appears to be \$3,063,917, but this includes unadjusted and resisted claims, and can only be considered an approximation. As, moreover, some companies close their year on 30th November, and others on 31st December, and the statements do not therefore conclude the same period of time, it is better to take the actual payments for losses as the base of calculation. From returns made to the Ontario Government by companies doing business in Ontario, or Ontario and Quebec, without license from the Government of Canada, an amount of \$92,144,639 at risk in these companies was held at 31st Dec., 1876, and there had been paid during the year for losses, \$411,660. The return is imperfect as several of these local companies in Ontario have not reported. There are also companies of this kind in the Provinces of which we have no information. But the above sums alone given an amount of \$3,278,955, as having been paid during the year for fire losses in Canada, and the uninsured property destroyed is probably of not less amount; thus representing value of between 6 and 7 millions annihilated by fire. In the United States the corresponding amount for 1875 has been estimated at 78 millions, and for 1876, at 64 millions. It would be highly desirable to obtain statistics of these fires, but in consequence of there being no officials whose duty it should be to report the facts, the only sources of information are the newspaper reports, and from them—chiefly extracted from the *Montreal Journal of Commerce* and the *Toronto Monetary Times*—the following results are given :

## No. 2.

The nature of the property destroyed by the above fires may be stated, so far as known, as follows:—Say 436 dwelling houses, 327 stores, 90 stables, 190 barns, 60 hotels, 13 blacksmith shops, 16 churches, 53 sheds, 12 foundries, 16 grist mills, 20 carriage factories, 10 photograph galleries, 46 saw and shingle mills, 13 bakeries, 13 cabinet factories, 35 other factories and mills, 7 school houses and colleges, 4 railway stations, 28 workshops, 9 shoe factories; and also may be added, steamboats, barges, market and engine houses, 1 opera house, breweries, printing offices, cheese factories, tanneries, banks, &c., nor does this statement include the property burned at some of the larger fires.

## No. 3.

The causes of fires are always difficult to obtain, and all the information given is as follows:—No cause given, 826; unknown, 39; incendiarism, 57; lightning, 16; from stoves, 9; defective flues, 9; lamp explosion, 5; sparks from engines, 5; and other causes such as smoking, overheating furnaces, children playing with fire, spontaneous combustion, &c., &c.

Included in the above are the extensive and destructive fires which occurred (1) on 30th May, at Quebec, in the wooden suburb of St. Roche, by which upwards of 400 houses were destroyed, with property estimated at half a million of dollars; insurance estimated at \$225,000; cause unknown; water supply defective, and fire brigade inefficient. (2) On 12th June at Kingston, estimated loss \$200,000; insurance \$140,000. Stone houses destroyed by wooden attachments; cause unknown. (3) On 18th June, at St. Johns, P.Q., estimated loss, a million and a half; insurance estimated at \$500,000; cause supposed to be a spark from a locomotive carried into a timber yard; good water-works but it was on Sunday morning, and the fire engineer had blown out his boiler for cleaning; very high wind at the time. (4) On 3rd September, at St. Hyacinthe, P.Q.; a wooden town almost totally destroyed; estimated loss a million and a half, of which only \$260,000 was insured. This fire was caused by an incendiary with the object of realizing a small insurance. He was convicted, and sent to the penitentiary for a term of years. Besides these, a large fire occurred at Seaforth, Ontario, and the sporadic fires especially in the Agricultural districts have been more numerous than usual.

This large amount of, probably, seven millions of the wealth of the country absolutely annihilated in one year ought to be seriously regarded. Some of the reasons for its excessive magnitude, when contrasted with that of the old world, lie on the surface. The extensive use of wood in the construction of buildings, the dryness of the climate in summer, the length and severity of the winter necessitating the prolonged use of fires in households and the burning of wood in closed stoves with long pipes, the employment of wood as fuel in furnaces, steam engines and workshops; the general and careless use of inferior and dangerous matches con-

stitute peculiar elements of risk. It is to be feared, however, that many of the fires are due to incendiarism; indeed, it has been estimated that three out of every four fires have this origin, which in some cases may proceed from wanton mischief or from malicious design, but in others from a pernicious persuasion that employment may be then furnished to workmen, and in many from direct intention of fraud on the companies to obtain the amount of insurance. The two latter causes will, of course, be intensified during a period of commercial depression such as that through which the country is now passing.

Against some of these risks the insurance companies can in some measure protect themselves by not insuring improperly constructed and dangerous buildings, by limiting the insurance on stocks, and by contracting their business when places are insufficiently provided with waterworks and appliances for the extinguishment of fires. Against others proper precaution should be made by the Provincial Legislatures, who, in effect, have delegated the necessary power to the municipalities, as will be seen by a glance at the annexed titles of statutory provisions in the Province of Ontario, p., 365 which, however, it is to be feared, are, in too many cases, a dead letter. But the chief defect in the system appears to lie in the want of a proper officer, who should be appointed in each municipality, to make an investigation into every fire that occurs and ascertain its cause and extent, reporting the same to a central department; he might further be employed in continually supervising the appliances for extinguishing fires and testing the efficiency of the fire brigades, and in reporting on the erection of any dangerous building and the regulation of hazardous businesses. At present, at least in Ontario and Quebec, the only investigation into a fire is by a coroner, under regulations which render it practically nugatory.\*

The appointment of such officers has a precedent in several of the States, and in at least one of our Canadian cities, and has been found to be of great service in many respects.

To the above losses by fire should also be added the destruction of our pine forests by fire, which is surely and not slowly eating away one of our main sources of national wealth. I can give no estimate of this annual loss, but I am informed that some experienced lumberers estimate the amount destroyed by fire in the Ottawa Valley since lumbering commenced there to be double as much as has been exported from it.

\*In cities and incorporated towns or villages "The Coroner—whenever any fire has occurred—shall institute an enquiry into the cause or origin;" but "It shall not be the duty of the Coroner to institute an enquiry. Nor shall such enquiry be had, until it has first been made to appear to such Coroner that there is reason to believe that such fire was the result of culpable or negligent conduct or design, or occurred under such circumstances as in the interest of justice and for the due protection of property require an investigation." "The Coroner may in his discretion, or in conformity with the written requisition of any Agent of an Insurance Company, or of any three householders in the vicinity of any such fire, impanel a jury to hear the evidence and to render a verdict under oath thereupon."

The costs of the enquiry are borne by the municipality.

*Consolidated Statutes of Canada, 1859. 22 Vict. Chap. 88.*

This Act was extended to "Country Parts" by the Statute of Canada, 1860, 23 Vict. chap. 35, but "in the case of an investigation concerning any fire occurring in any place to which the said Act is hereby extended, the allowance to the Coroner shall be paid by the person or persons requiring such inquiry."

In Table v., pp. 320, 321 will be found the income and expenditure during the year of the Canadian Fire and Marine Companies. This table gives the cash actually received by each company during the year, and similarly the cash actually expended, irrespective of whether the accounts to which the cash refers belong to this year or not. In striking its balance-sheet for the year a company necessarily (perhaps) estimates the revenue proper and the outgo proper for the year, carrying the difference to "profit and loss", but the object aimed at in these returns is different, being simply to ascertain what the company has received and what it has expended during the time, so that by adding up these returns for a series of years it will be evident what money the company has received during the period and what it has spent, and thereby proposing the question what it has done with the balance.

The total income received by the Canadian Fire Companies during 1876 (omitting the two purely Marine Companies), appears to have been \$4,228,521, to which must be added an amount of \$448,167 received on account of calls on capital stock. The total expenditure has been \$4,204,506, chargeable respectively to the following items: Losses, \$2,696,519; general expenses, \$1,298,824; dividends to stockholders, \$209,165. This last item is, at the rate of 7.52 per cent. on the paid-up capital employed, \$2,781,088, but the larger part of these dividends was declared on the business of 1875, though not paid till 1876.

Hence for every \$100 of income there has been spent \$63.77 on account of losses, \$30.72 on account of expenses, and \$4.95 on account of dividends to stockholders.

The total income is made up of the following items: Premiums, \$3,985,251; interest and dividends, \$236,083; sundry sources, \$7,186. Hence for every \$100 of premiums received there has been spent \$67.66 for losses, \$32.59 for expenses, and \$5.25 for dividends to stockholders.

The business referred to in the above includes that done by Canadian Companies outside of Canada, and also the marine business done by those Companies, but does not include the business of the two purely Marine Companies—the "Anchor Marine" and the "Merchants' Marine".

The ratios for the separate companies are given in Table VI, p. 322.

Table V., p. 320 also gives the income and expenditure of the British and American companies for their Fire or Marine branches in Canada, but, it is not feasible to analyze the items in the same way as for the Canadian companies, because the income is, in some cases, partly derived from investments of these companies in Canada without reference to their insurance business proper, and, on the other hand, an indefinite amount of the expenditure is borne by the Home Offices and does not appear in the statements.

#### INLAND MARINE INSURANCE.

The abstract of this business in Canada will be found on p. 309; there are only two companies exclusively confined to Marine Insurance, both young, but, so far,

attended with remarkable success. The particulars of their statements will be found under their names in the proper tables.

Some doubt has arisen in regard to the classification of a risk which is partly above and partly below the harbour of Montreal, as to whether it should be considered as "inland" or "ocean." The wording of the Act "all insurance above the harbor of Montreal to be held to be Inland Insurance" may be interpreted both ways. It may have been the intention of the Act that any insurance commencing or touching at an inland port should be considered as inland, but, it would appear anomalous to class an insurance from Toronto to Liverpool as "inland," though, on the other hand, it is just as great an anomaly to class an insurance from Kingston to Quebec as "ocean." The decision will have to be given by the courts of law, who are the authoritative interpreters of the Statute, but I incline to the opinion that, in order to constitute a risk "inland" it must be entirely in inland waters, that is: above the harbor of Montreal.

A very important question was raised on the constitutionality of an Act passed by the Legislature of Quebec in 1875, (39 Vic., Chapter 7, Quebec) by which all Insurance Companies (except those doing Ocean Marine exclusively) doing business in that Province were required to take out a license therein, the payment for such license consisting in a percentage on the premiums received—3 per cent in the case of fire, 1 per cent in other cases—and evidenced by the affixing of a stamp of the required amount to the premium-receipt. The companies, while complying under protest with this Act, arranged for a test case, and the "Queen" Insurance Company being selected for this purpose, a suit for penalties was brought against this company for non-compliance by the Attorney General of Quebec. The case was argued before the Supreme Court in the district of Montreal, and on the 12th April, 1877, judgment was delivered by the Honorable Mr. Justice Torrence in favor of the company. This judgment will be found in full in the appendix to this report at p. 355. The case has been appealed, and is now waiting the decision of the Judges of appeal.

I cannot conclude this portion of my report without returning sincere thanks to the managers of the offices which I was required to visit and examine, and to express my appreciation of the courteous readiness with which they furnished me all the facilities possible for the execution of my duty.

#### LIFE INSURANCE.

The statements of the Companies are again this year, of necessity, based upon the schedules prescribed in the then existing Statute of 1868, and fail to show the liabilities of the British and American Companies under their policies in Canada, and also of some of the Canadian Companies, but the details of the business done during the year will be found in the abstract (p. 54) with a comparison of the business of 1875, (p. 58). The following tables will exhibit more distinctly its progress and distribution since the commencement of the record in 1869.

Only one new licence has been issued during the year, which was on 15th April, to the "Briton Life Association," which is now conducting the business of the "Briton Medical and General," so that practically the number of companies remain unaltered. The "Positive" is still closing its business in Canada, and the "Scottish Provident" and "Scottish Provincial" are not taking new risks, and the "United States" has announced that it does not intend to do new business during the present year, 1877.

The total amount of insurance in force for 1876, is \$84,250,918, which is less by \$758,346 than at the close of 1875, and this decrease is somewhat greater than the corresponding amount of decrease (\$707,061) of 1875 compared with 1874.

The amount of insurance effected in 1876 was \$13,890,127, which exhibits a decrease compared with 1875 of \$1,184,131, while the corresponding decrease in 1875 compared with 1874 amounted to no less than \$4,033,963. This seems to point to a recovery of the business from its striking collapse in 1875, which was in part due to the prevailing commercial depression, and the effects of which are still felt in the diminution of new assurances, and still more in the evidently large abandonment of old assurances. For if we take the amount in force at the end of 1875, \$85,009,264, and add to it the Assurance effected in 1876, \$13,890,127, deducting the amount of policies reported as having become claims, \$966,156 and amount at risk at close of 1876, \$84,250,918, there remains approximately the amount of \$13,682,317 as having been terminated during the year otherwise than by death-losses or matured claims. On pp. 60, 62, will be found the result of an attempt to obtain the particulars of this termination; unfortunately \* some of the companies were unable or unwilling to furnish the information asked for, but making an estimate for these companies, the amount terminated by lapse and surrender is about \$12,386,972.

The progress of the Canadian companies, when compared with the British and American, is exhibited even more decisively than in the previous year. Thus, while for 1875 the amount of insurance in force in Canadian companies showed an increase of \$2,322,977 over 1874, this year gives an increase over 1875 of \$2,691,988; in British companies the decrease in 1875 was \$408,260, and in 1876, also, a decrease of \$582,434; and in American companies the decrease was \$2,621,178 in 1875, and again \$2,867,900 in 1876.

If the amounts of insurance effected during the year are examined it is seen that the decrease shown by Canadian companies in 1875 of \$182,221 has been overcome and converted into an increase of \$388,365 in 1876; that in British companies the process of decrease has still gone on though much arrested, having been \$453,247 in 1875, and only \$6,476 in 1876; and in American companies, whose business underwent a decrease of \$3,398,495 in 1875, a decrease has again occurred in 1876, which, though diminished, still reaches the large amount of \$1,566,020.

\* Standard, Star, Connecticut Mutual, Union Mutual.

The same characteristics are presented by the table of premium receipts. In Canadian companies the amount received for premiums, which had increased by \$68,402 in 1875 over the previous year, has again increased 1876 over 1875 by \$61,287; in British companies the decrease of \$6,512 in 1875 has further somewhat mysteriously undergone a decrease of \$26,141 in 1876; and in American companies the decrease of \$23,913 in 1875\* has been followed by the large decrease of \$114,223 in 1876. Still the American companies receive an income for premiums in Canada (\$1,437,621) larger than that received by the Canadian and British companies together (\$1,365,698), but the amount of insurance effected by the former has during this year, for the first time since 1869, fallen short of the amounts effected in the latter, and has exceeded by only \$1,274,838 that effected in Canadian companies alone. The corresponding excess in 1869 was nearly eight millions.

It is worthy of remark that, while the number of insurances effected in 1876 in American companies (4,194) is nearly the same as that in 1869 (4,191), the amounts effected are very different, being \$6,740,804 in 1876, as against \$9,069,885 in 1869. On referring to the table below, it will be seen that the reduction there indicated in the average amount of a policy has only become noticeable since 1874, and as the tendency in the Canadian and British companies is the other way, it may be inferred that the American companies are now operating among a less wealthy class of the community.

There are no data for the number and amount of insurances at the commencement of our records in 1869, nor for the number of insurances now existing; but taking the number and amount effected in each year, the following results are attain-

| Year.       | Number of New Policies. | Amount of said Policies. | Average amount of a Policy |
|-------------|-------------------------|--------------------------|----------------------------|
| 1869        | 6,503                   | \$12,854,132             | \$1,950                    |

This would indicate an average amount for each policy of \$1737, and if we assume this average for the known account now in force, \$81,250,918, this would give the

number of policies existing as 48,504, or, allowing for a repetition of policies on the same lives, probably about 45,000 lives; so that about eleven in every thousand of the population may be estimated as being insured. In the United States, this number is probably nineteen per thousand; but the average amount of a policy is greater, being about \$2,500. An attempt was made to ascertain the number of lives insured in each company, as well as the number of deaths, but answers were obtained from only 24 out of the 37 companies; these, however, showed 257 deaths among 31,656 lives, which is at the rate of one death in 123 lives, or rather more than eight per thousand, indicating a favourable rate of mortality.

If we take the mean of the amounts in face at the ends of 1875 and 1876 to represent the amount of risk current for the year, being \$84,630,091, and compare it with the premiums received, and the claims paid, we find the average rate of premiums received "to be \$3.31 for each \$100 risk, and the average rate of "claims paid" to be \$0.85 for each \$100 of risk; while the "claims paid" are at the rate of \$25.63 for each \$100 of "premiums received."

Treating separately in the same way the amounts reported by the Canadian, British and American companies, it appears that the average rate of "premiums received" for \$100 of risk current, are in Canadian companies, \$3.30; in British, \$3.12; and in American, \$3.41. This result is probably contrary to general opinion, and might induce a suspicion of some inaccuracy in the returns of British companies, especially as it is difficult to see the reason for the large decrease of their receipts for premiums in 1876 compared with that in 1875, when the diminution of the amounts at risk in the two years was not much different. It is, however, confirmed by comparing the amounts of insurance effected in 1876 with the premiums charged thereon, resulting in the following average rates of premiums charged on \$100 of risks taken during the year; Canadians, \$3.30; British, \$3.17; American, 3.24.

The average rates of "claims paid" for \$100 of risk current, are: Canadian, \$0.77; British, \$1.59; American, \$0.94; which are consistent with the circumstances of the Canadian business being, on the average, younger than the others, and that some of the British companies are not doing new business while their old risks are of course falling in.

The average rates of "claims paid" per \$100 of "premiums received" are: Canadian, \$23.40; British, \$19.58; American, \$28.91; on the whole, \$25.63, which is considerably less than the corresponding amounts in the United Kingdom and the United States.

The following table gives the assets and liabilities of Canadian Life Companies so far as reported. Next year, by means of the new schedule prescribed by the Act of 1877, it will be possible to exhibit in full, not only the assets and liabilities, but also the details of income and expenditure of these companies.

It may not be inappropriate, in view of the passage of the Consolidated Insurance Act of 1877, in last Session of Parliament, to give here a brief synopsis of its provisions, and a retrospect of past legislation as regards Life Insurance. The Insurance Acts of 1875 and 1877, which are attached to the report, constitute the whole Legislative enactments of the Dominion now in force touching Insurance, with the exception of certain sections of the Act of 1871 (also appended) which may apply in some cases of Life Insurance transacted before 31st March, 1878.

The first legislation effected in the matter of Life Insurance, is contained in the Act 31 Victoria, Chapter 48, assented to 22nd May, 1868. This Act provided that a Life Insurance Company should not carry on business in Canada without a license from the Minister of Finance (except as regarded policies already in existence), and that previous to the issue of such license a company must deposit, in the hands of the Receiver-General, a sum of \$50,000. Native companies were, however, allowed to make this deposit in three equal annual instalments. Companies, other than native, were further required to deposit annually the balance of the premiums received in Canada after deducting twenty-five per cent therefrom, and the net amount of claims actually paid, until the deposit reached \$100,000; and, till that amount was attained, the interest on their deposit was not paid over but added to the deposit. Any failure to pay over this balance, rendered the license, *ipso facto*, null and void. One exception was made to the primary requirement of a deposit of \$50,000, in the case of any Company "incorporated in Canada since the Union," which, by annually depositing the balance of its premiums as above described, till the amount reached \$100,000, was relieved from the necessity of making the preliminary deposit.

The deposit was to be made in cash, and was to be forthwith invested, by the Receiver-General, in Dominion Stock in trust for the company for the purposes of the Act. But it was permitted in the case of "British and other Foreign Insurance Companies actually doing business in Canada at the time of the passing of this Act, which cannot, by the terms of their constitutions or charters, or by law, invest in Canadian securities;" that the deposits required should be accepted in "British or Foreign Government securities, including stock of any one or more of the United States, at their then market value," for a term of three years from the issue of the license, after which term they were to be replaced by cash or investment in Canadian stock.

A company was to be deemed "insolvent" upon failure to pay any undisputed claim arising in Canada for the space of thirty days after being due, or, if disputed, after final judgment and tender of a legal valid discharge, and notice given to the Minister of Finance; and upon the insolvency of a company the stock representing the deposit of the company was to be "applied *pro rata* towards the payment of all claims duly authenticated against such company, upon or in respect of policies issued in Canada." This distribution of the deposits was to be made by the proper Courts of law, but the Act made no further provision in respect to the mode of effecting it. An exception was, however, made for a British or other foreign company actually doing business in Canada at the time of the passing of the Act, and "acting on the mutual principle in such wise as to be unable legally to make a deposit under the Act for the security of policy-holders resident in Canada." The deposit made by such a company "may be for the general benefit of all its members", and the company was required to specify the fact "when making the deposit and in all returns made or published by them".

Eight American companies and one British company appear to have "specified the fact" as above required, and it would have been a question for the Courts to determine in each case whether they were legally entitled to claim this exception, but the necessity never arose, and the exception itself was implicitly done away with by the Act of 1871.

On a company ceasing to transact business in Canada after due notice, the whole or a portion of its deposit might be released and transferred to the company upon satisfying the Governor General in Council "that it has no liabilities upon policies issued in Canada, and that no suit or legal proceedings are pending against the company therein, or on proper proof on oath of the state of its affairs being given, that such company has ample assets to meet all its liabilities". The Dominion stock held was in such case to be paid at par.

Annual statements were to be made by the companies to the Minister of Finance, and laid before Parliament, according to prescribed schedules, requiring for their general business a detail of the assets, the liabilities, capital stock, premiums received, policies issued, amount of death-claims, and expenses of management; and for the

Canadian business, the premiums received, policies issued, amount at risk, and policies become claims; but as, at the time of the passing of this Act, British Companies were not required by the laws then in force in the United Kingdom to make any statement of their business, they were specially excepted from making the return of their *general* business above described, on condition of raising the amount of their deposit to \$150,000. In this case they were merely required to return the items of their business in Canada as stated above. In the following year an Act was passed by the Parliament of the United Kingdom requiring Life Insurance Companies to make statements of their business, and the above exceptions ceased *ipso facto*.

No license was to be issued to a foreign stock company unless it was possessed of at least \$100,000 of paid-up and unimpaired capital or accumulated surplus funds invested in good and sufficient securities.

The Act came into force on August 1st, 1869, and applied to other forms of insurance as well as life; but the preceding are the essential features of it as regards life insurance only.

In 1871 a Bill was introduced into Parliament by the Hon Sir Francis Hincks, then Minister of Finance, intended to take the place of the previous Act of 1868; and the changes proposed were of considerable extent and importance. Those relating to life insurance were in substance as follows: The deposit preliminary to obtaining a license remained, as before, at \$50,000; but the native companies which before were allowed to make it in three instalments were now required to complete it at once; and the particular exemption of a native company not making any preliminary deposit was abolished. Further, it was provided that all life insurance companies (no distinction as to nationality being made) "in addition to the amount of their present deposit, or to the amount they are required to deposit before obtaining a license, shall deposit annually securities to the amount of the increase of the re-insurance value of their outstanding risks in Canada since the date of their last annual return, or to such smaller amount as will make their whole deposit equal to the re-insurance value of all their outstanding risks; and if the increase of the re-insurance value during the year shall not be sufficient to bring the deposits up to the whole amount of the re-insurance value of all their outstanding policies, then such companies shall deposit \$10,000 annually in addition to the increase in the re-insurance value during the year, until such time as the whole deposit shall be equal to the whole re-insurance value of all their outstanding policies."

In effect, this required that every company should ultimately have its whole reserve for Canadian policies deposited in the hands of Government. These deposits were, however, no longer required to be made in cash or in Dominion stocks, but might be in Provincial securities, or British or United States Government securities, or generally in any other kind of securities approved of and accepted by the Treasury Board in its discretion.

Upon the insolvency of a company, the deposit was to be applied *pro rata*

towards the payment of all claims duly authenticated against such company upon or in respect of Canadian policies," and the mode of such application was further prescribed. The proper court was to appoint assignees, who should prepare a schedule of all outstanding policies in Canada, and if the amount of the deposit, over and above what was enough to meet judgments against the company or claims in the course of prosecution, were sufficient to reinsure the policies, the assignees might effect such re-insurance in some licensed company; or, if not sufficient for the full amount, might re-insure them for a percentage of the risk. But if unable to do so, they were to appoint an actuary to ascertain the re-insurance value of each policy, "according to the tables which, on the report of the Treasury Board, may be sanctioned by the Governor in Council for that purpose," and such re-insurance value was to rank in the distribution of the assets with judgments obtained for claims established, the distribution being then made *pro rata* among all the claimants, and the balance, if any, surrendered to the Company.

On ceasing to transact business in Canada, after due notice, a company could procure the release of its securities by re-insuring its outstanding Canadian policies in licensed companies or obtaining their surrender; or if some policies remained not re-insured or surrendered, and opposition was filed by the holders against the release, the Governor in Council, if the Treasury Board was satisfied that "the company has ample assets to meet its liabilities," might on their report retain a sufficient amount to cover such policies and release the remainder from time to time.

An officer to be called Insurance Inspector was to be appointed by the Governor, whose duty it should be to examine and report upon the business carried on by licensed companies—to visit the chief agencies once at least in each year, to thoroughly inspect and examine all their affairs, and ascertain whether they have complied with the legal requirements. He should also, once in every year, "as soon as may be after the close of the financial year of each company engaged in life insurance," value all outstanding policies of Life Insurance of such companies.

Companies were required to submit annually to the Insurance Inspector a statement of their affairs according to prescribed schedules, to be by him reported on and transmitted to the Minister of Finance to be laid before Parliament. These schedules were substantially the same as in the former Act, with one important exception, *viz.*: that for the Canadian business of a company, the assets in Canada were to be fully set forth, and a return was required of the "premium reserve or re-insurance value of all policies outstanding." The exception contained in the former Act in favor of British companies as regards a statement of their general business, was again introduced in the first draft of the Bill, probably in ignorance of the recent Imperial enactment, but was subsequently struck out.

As before, no foreign stock company was to be licensed unless it had an unpaired capital of \$100,000, or an equivalent surplus.

This Bill passed its first reading on the 21st February, 1871, but, opposition being made to it on the part of the foreign insurance companies, all the substantial clauses of it were dropped except those relating to the nature of the securities to be deposited, and to the insolvency and withdrawal of a company, and in this shape it constitutes the Act 34 Vic., chap. 9, assented to 14th April, 1871. The effect, therefore, was to leave the Act of 1868 in force with the substantial amendments that the deposits were no longer required to be made in cash, and were to be held, in all cases, for the security of the claims of Canadian policy-holders exclusively.

The next Act was the 37th Vict., chap. 48, assented to 26th May, 1874; a short amending Act not materially affecting Life Insurance.

In 1875, was passed the Act 38 Vic., chap. 20 (assented to 8th April, 1875), which though professing to deal only with fire and inland marine insurance, indirectly affected life insurance in the case of some companies which combined these branches. Thus, under this Act, the deposit to be made by a foreign company for fire insurance is \$100,000. Under the Act of 1868, the total deposit to be made by a foreign insurance company combining fire and life insurance was \$150,000, namely, \$50,000 for fire and \$100,000 for life. It became doubtful, therefore, whether the distribution of this deposit was, under the new Act, to be altered into \$100,000 for fire and \$50,000 for life, or whether such a company was required to make an additional deposit of \$50,000 for fire. Again, as a company by sec. 7 of this Act, was required to keep assets in Canada sufficient to cover its liabilities therein, and, as such companies, as above mentioned, do not make separate appropriation of their assets in Canada for the purposes of fire and life, it became necessary to include their life-liabilities for the purpose of this section. The Act also contains the appointment of a "Superintendent of Insurance" and defines his powers and duties, and these were extended to life companies by the Act next to be noticed, forming 38 Vic., chap. 21, assented to 8th April, 1875.

This was a short Act, extending the powers given to the Superintendent of Insurance as regards fire and inland marine companies by the former Act, to companies doing life or other forms of insurance; and was understood to be merely temporary, as a general measure regarding such Companies was contemplated. It, however, contained one remarkable provision (Section 3), "In estimating the financial condition of companies, the Superintendent shall base his calculations on a rate of interest of five per cent per annum on their securities." I am unable to attach any meaning whatever to this clause as it reads, but it is probable that the intention of it was to establish the rate of interest at five per cent per annum, as that to be assumed by the Superintendent in actuarial calculations and the valuation of policies.

In the Parliamentary Session of 1876, the promised measure for the regulation of life insurance was introduced. The main feature of it, as originally drawn, was identical with that of Sir Francis Hincks' Act, that all companies without distinction should make a deposit of \$50,000 with the Receiver General, and should keep assets in Canada sufficient on the whole amount to cover the full reserve or re-insurance

value of their Canadian policies, but while it was designed by the last named Act that all these assets should be deposited with the Receiver General in securities as before mentioned, in the new Bill it was provided that the assets might be vested in Canadian trustees for the purposes of the Act, without limiting the nature of said assets in any way. In case of insolvency, these deposits and vested assets were applicable to the payment of the claims of Canadian policy-holders, consistently with the principle laid down in the Act of 1871 as passed. Thus life policy-holders were granted a privileged claim upon this position of the funds of an insolvent company as against all other creditors, and in case of a foreign company the portion of its funds derived from and reserved for its Canadian policy-holders was applicable for their sole benefit. An objection was, however, raised on the part of one or more native companies, that the proposed investment in trustees was in their case unnecessary, as all their funds would naturally be in Canada and subject to the administration of our own Courts, and the Bill was accordingly modified in this sense, though, in my opinion unwisely, as regards the interests of the companies themselves as well as of their policy-holders. A further objection was raised on the part of some foreign "Mutual" companies, that it was contrary to the spirit of their constitutions and to the essence of "mutuality" itself, to distinguish among their policy-holders by allowing a portion of their common funds to be set aside for the benefit of any particular class, and that in fact they were prohibited by their charters and by law from so doing.\* The force of their objection was also allowed, and an exception clause was introduced into the Bill to meet this case. The Bill having passed its first reading was withdrawn in consequence of the Session coming to a close before it could reach its second reading.

The Bill was re-introduced in the Session of 1877 with a further modification as to its apparently retroactive effect, and having passed both Houses without substantial alteration, was finally assented to the 28th April, 1877. It is given in full in the appendix to this Report, but a few explanations as to its action may here be given.

All life insurance companies must be licensed (Section 2); the licenses expire on 31st March in each year, but are renewable as a matter of course (Sections 3, 4.) Present licenses remain in force till 31st March 1878, (Section 29.)

\* Without discussing whether such "mutuality" can exist between citizens of different countries, when the charter or constitution under which the contracts are made, is under the control of one only of these countries, and the interests of those of the other country are subject—to borrow the phrase of one of the United States Insurance Commissioners—"to all the caprices of foreign legislation," it may be pertinent here to remark that the laws of most of the States of the Union require from every foreign Life Insurance Company funds to be set apart for the sole protection and benefit of policy holders in the United States; that the Imperial Government requires a deposit of £20,000 to be made as a preliminary of doing business in the United Kingdom; and that some American "Mutual" Companies are apparently able to set apart a portion of their funds for the benefit of their policy holders in foreign countries, if we may judge from the following announcement in the *Insurance Record* (London, 13th April, 1877.):—  
 "NEW YORK LIFE INSURANCE COMPANY.—We are informed that the deposit of £20,000 in the hands of the trustees of this office—the Rt. Hon. Hugh C. E. Childers, M.P., 17 Princes-Gardens, S. W., Mr. Frederick Francis, Director of London and County Bank, and Mr. A. H. Philpot, Director of Bank of British North America—has been increased by £30,000, making a total of £50,000 now held by these gentlemen as special security for the British policy-holders of the Company."

A company not intending to transact new business after that time, can, by giving notice, transact its old business without the renewal of its license as if the Act had not been passed, and its present deposit is applicable to its old policies under the provisions of the former Acts (Section 17.)

All companies renewing their licenses must have a deposit of at least \$50,000 in the hands of the Receiver General (Section 5.)

All licensed companies must have assets in Canada sufficient to cover their liabilities to policy holders in Canada (Section 7), except in the case of a British or foreign company now licensed and renewing its license on 31st March, 1878, which may, at its discretion, by giving notice, claim to have all policies issued before that time exempted from the above condition, in which case its present deposit will be held as applicable to its old policies under the provisions of the Act of 1871, and it must keep other assets in Canada sufficient to cover the liabilities under its new policies; and whenever its full liability under its old policies falls below its present deposit, it may have the difference released to it, so, however, that its total deposit does not fall below the \$50,000 required. If the company does not give notice as above its present deposit applies to both its old and its new policies (Section 7, Sub-section 2.)

In the case of a British or foreign company, the "assets in Canada" are taken to consist of assets vested in trustees for the purposes of the Act, and of securities deposited with the Receiver General (Section 7, Sub-section 2.)

The annual renewal of a license cannot be refused except a failure to comply with the requirements of the Act. (Section 4.)

A license may be withdrawn on a company failing to make good its deposit with the Receiver-General (Section 5); or failing to make good a deficiency in its assets in Canada (Section 7); or on special report of the Superintendent (Section 24, Sub-sec. 1, and 38 Vict., chap. 20, Section 23, Sub-sec. 3); or for non-payment of penalties for neglect to furnish statement (Section 22); or, in the case of a British or foreign company, for refusing to permit examination of its affairs (Section 24 [3]); or on proof furnished to the Minister of Finance of failure to pay an undisputed claim for sixty days after due, or to pay a disputed claim after final judgment (Section 14).

If the license issued under this Act is not renewed within thirty days after it has expired, or been withdrawn, the company is liable to be dealt with in the manner prescribed for the case of insolvency (Section 15).

With one exception, in the case of a company which had not made a preliminary deposit, but was depositing the balance of its premiums yearly, in accordance with the Act of 1868, and is permitted to continue in that manner till its deposit reaches the \$50,000 required (Section 29.)

The Trustees are to be two or more residents in Canada, approved by the Minister of Finance, and the only purposes of the Act are that they shall hold the amount required, so that it may be administered by the Courts in case of insolvency, or as provided in case of withdrawal. The Act is silent as to the nature of the assets to be held by them. The company's deed of trust—to be approved by the Minister—will regulate their mode of dealing with these assets. (Section 7, Sub-section 2.)

This Act does not provide for the winding-up of insolvent Insurance Companies, and they are expressly exempted from the operation of "The Insolvent Act of 1875." It may be advisable to pass a measure for the purpose of bringing them under its operation, and to give the proper Court the power of affecting a reinsurance of the risks. Meanwhile, the present Act merely directs how the deposit and vested assets shall be dealt with if such re-insurance is not effected, and does not refer to the general assets of the company. The mode of distribution directed is the only one known to law, whether British or American, and in the words of the Hon. O. Chapman, formerly Superintendent of Insurance for the State of New York, "appears as just as any other that can be devised".

In the case of insolvency the proper Court appoints assignees who procure a valuation of the Canadian policies by the Superintendent of Insurance, and draw up a schedule of claims in accordance with this valuation, and the deposit and vested assets are to be realized and distributed *pro rata* among the Canadian claimants (Section 16), with, however, an important exception, which is, that if an insolvent native company has done business outside of the Dominion on the "Mutual" principle, or if an insolvent company not native has insured Canadian policy-holders on that principle, then Canadian policy-holders can only share in this distribution at the same rate as all other policy-holders of the company, without distinction of nationality, share in the general distribution of the assets of the company, and in the latter case the value of their policies will be determined according to the standard of the country in which the insolvency has taken place (Section 16, *Proviso*.)

The valuation of the policies by the Superintendent, above referred to, is a "net" valuation on the H.M. Mortality Table of the Institute of Actuaries of Great Britain,\* at a rate of  $4\frac{1}{2}$  per cent. interest. This may be called the "official basis" for the actuarial purposes of the Act (Section 16).

If a company desires to cease business in Canada, it can do so by ceasing to transact new business and allowing its old business to die out, keeping its license in force; but if it wishes to wind up its business summarily, and to release its assets, it can do so by reinsuring its policies or obtaining their surrender, or, in case of policies remaining unreinsured or unsurrendered, it can tender to the policy-holder through the Superintendent the value of such a policy according to the official basis, and if it be refused, the corresponding amount of its deposit or vested assets becomes released, and the policy remains in force but is no longer protected under the Act. It may also make special arrangements with its policy-holders, by which their policies may be, thence forward, exempted from the application of the Act (Section 18).

All companies, without exception, are required to make annual returns of their Canadian business, according to schedules forwarded from the office of the Superintendent. (Sections 20, 21.) Among liabilities is to be included the "reserve" or "present value" of the policies. (Section 7, and Schedule A.) An exact actuarial computation of such "reserve" is not required every year, the words of the Act being "compute or estimate;" and in cases where the exact computation is only made quinquennially, or even septennially, it is not a matter of great difficulty to furnish an "estimate" which shall be on the safe side. Each Company can employ its usual table of mortality, and any rate of interest not exceeding  $4\frac{1}{2}$  per cent.; but the result must not fall materially below that of the "official basis," power being given to the Superintendent to intervene in such cases (Section 23.)

\* The symbol H.M., defining the particular tables, was in the Bill when it passed through the Committee of Banking and Commerce previous to the second reading, but was accidentally dropped out in re-printing; and the omission was not noticed till too late for correction. For the table itself and the valuations founded thereon, refer to "Institute of Actuaries' Life Tables," London, Layton's, 1873; and "Hardy's Valuation Tables," London, Layton's, 1873.

Practically, the valuation of British Companies, usually made at 3 or  $3\frac{1}{2}$  per cent., will be much higher than that of the official basis\*; those made by the Massachusetts' Standard of the old "Actuaries," at 4 per cent., will also be higher; that made by the New York Standard of the "American" table, at  $4\frac{1}{2}$  per cent., will, probably, not be much different, but, in the generality of cases, higher. Companies may require this valuation to be made by the Superintendent on the official basis, instead of making it themselves (Section 23).

An exception is made in the case of native companies which have hitherto been using 5 per cent. interest; they may continue to use this rate for ten years (Section 23).

Once in every five years at least the Superintendent is required to value the Canadian policies of all licensed companies on the official basis (Section 24, Sub-section 21).

Companies other than Canadian are not required to furnish statements of their general business, except such as they may be required to furnish to their own Governments. (Sec. 21.)

All Companies are to contribute towards the expenses of the office of the Superintendent (Sect. 24, sub-sec. 4.). Capital stock is not considered a liability (Schedul A), nor is there any provision in the Act prescribing an amount of capital as a condition of a company being licensed. Neither does it interfere with the control of a company over the management and investment of its funds, nor does it impose any restrictions which infringe on the perfect freedom of contract among its members so long as it is in a condition to fulfil such contracts.

*Companies doing business of Insurance other than Life, Fire, or Inland Marine.*

Ocean Marine Insurance is excepted from the operation of the Acts (38 Vic. Chap. 20, Sect. 3; 40 Vic. Chap. 42, Sect. 25,) but no company can do any other business of insurance in Canada without permission obtained from the Minister of Finance, (Sect. 25), under penalties.

Opinions may differ as to the expediency and efficiency of the attempt made in the Act for the protection of the important interests involved in life insurance. On the one hand it has been urged that it is unwise for Governments to interfere in contracts voluntarily entered into by their citizens, and that the maxim *caveat emptor* is in the long run the best safeguard for all interests concerned. To this it may be replied that life insurance is not a matter of bargain and sale like a commercial commodity, but that the moneys paid for this purpose are intrusted to the Directors for management and distribution for the benefit generally of others than the persons

\*The "North British and Mercantile" Insurance Company, immediately after the passing of the Act, were good enough voluntarily to favor me with the details of valuations of their Canadian policies, both on their own and on our official basis. The results of the net valuations were, on their own basis of Hm, F,  $3\frac{1}{2}$ ; and Carlisle, 3, £25,120; and on our basis of Hm,  $4\frac{1}{2}$ , £18,765. They had, however, apparently not included their policies in Nova Scotia, New Brunswick and Prince Edward Island. Taking these into account, by allowing the same rate of liability, the final result came out about \$106,000. I had previously, for the purposes of their Fire-Statement, put it down in round numbers at \$100,000.

so paying, and that it is peculiarly the duty of Governments to see that such trust-funds are safely and properly administered. On the other hand, it is contended that the protection supposed to be given by the Act to policy-holders is insufficient and even in some respects illusory. Experience will decide whether such is the case, but at any rate the enforced publication of the affairs and conditions of the Companies cannot fail to be of much service, even though the recent scandalous disclosures in the United States have shown that elaborate and costly systems of inspection and superintendence were for a time successfully evaded. The best protection for policy-holders would be afforded by Government itself undertaking the functions of life insurance.

I have the honor to remain, Sir,

Your most obedient servant,

J. B. CHERRIMAN,  
*Superintendent of Insurance.*

Minister of Finance, Ottawa,  
July 18th, 1877.

HON. A. R. ANGER, *Atty-Gen.*,

*Plaintiff.*

vs.

THE QUEEN INSURANCE COMPANY,

*Defendant.*

ARGUMENTS FOR THE DEFENDANT AND JUDGMENT.

Mr. LACOSTE, Q. C., opened the case for the Plaintiff.

W. H. KERR, Q. C. ;—

This action is brought to recover three penalties against The Queen Insurance Company, an English Fire Company established in this country, for failing to affix, on three different occasions, stamps on policies and receipts for premiums issued by the Defendant, the whole, as it is alleged, against the provisions of 39 Vic. cap. 7. (Quebec.)

To this we plead that the Queen Insurance Company is an English Company doing business in this country, that it has been duly licensed by the Dominion Government; that it has made the deposit requisite, and that under these circumstances the Local Government of Quebec had no right whatsoever to pass this Statute with respect to the Defendant. All the facts are admitted by both parties in their admissions filed, so that your Honor has merely to apply the law to the facts of the case.

It can hardly be said but that this is an exceedingly important case, inasmuch as the amount involved is enormous, indirectly. I should be inclined to think that the annual revenue to the Provincial Government from this tax would be about three or four hundred thousand dollars. The amount to be paid by the Life Insurance Companies under this Act is one per cent., and by the Fire Insurance Companies, three per cent. on their premiums. Section 2 of Cap. 7 of the Act is as follows:—

“The price of such license shall consist in the payment to the Crown, for the use of the Province, at the time of the issue or delivery of any policy of assurance except of marine insurance, and at the time of making or delivery of each premium receipt or renewal, as respecting any policy issued before or after the coming into force of this Act, of a sum computed at the rate of three per cent. as to assurances, for each hundred dollars or fraction of one hundred dollars of the amount received as premium or renewal of assurance, by the assurer, his agent or employée.”

Your Honor can form an idea of the amount which is dependent on the present action.

By Sec. 91 of the British North American Act of 1867, exclusive Legislative authority is given to the Parliament of Canada to pass laws relating to matters “coming within the classes of subjects next hereinafter enumerated; that is to say”:

\* \* Sub-sec 2. “The regulations of Trade and Commerce.” By the same section, paragraph 3, the Parliament of Canada has exclusive authority to pass laws for “The raising of money by any mode or systems of taxation.”

By Sec. 92 of the same Act, the "Local Legislature may exclusively make laws coming within the classes of subjects next hereinafter enumerated, that is to say" sub-section 2: "Direct taxation within the Province in order to the raising of a revenue for Provincial purposes;" and by sub-section 9, "Shop, saloons, taverns, auctioneers, and other licenses," are confided to the Local Legislature in order to the raising of a revenue for Provincial local or municipal purposes.

I direct your Honor's attention to the concluding paragraph of Section 91, where it is provided: that "any matter coming within any of the classes of subjects enumerated in this section shall not be deemed to come within the class of matters of a local or private nature comprised in the enumeration of the classes of subjects by this Act assigned exclusively to the Legislatures of the Provinces."

Your Honor will therefore observe, that with respect to these two sections 91 and 92, it is absolutely provided that in all cases wherein these sections clash, where certain subjects come under the jurisdiction of the Parliament of the Dominion, and at the same time would be supposed to come within the classes of subjects given over to the exclusive jurisdiction of the Local Legislatures the power of the Dominion Parliament overrides the power of the Local Parliament.

By the Dominion Act 31 Vic. Cap. 48. Sec. 2, Insurance Companies are in fact prohibited from carrying on business in Canada, without first obtaining licenses from the Minister of Finance. Your Honor will observe the wording of the Statute "without obtaining license to carry on business." Then by after sections, certain deposits are required of the insurance Companies by the Dominion Parliament and certain other formalities are required, and, in fact, the whole business of insurance appears to be regulated by the Dominion Parliament. The 34 Vic. Cap. 9. amends the 31 Vic., but in no material respect merely to details. It also provides, further, for the winding up of companies in case of their becoming bankrupt.

I would take the liberty of referring your Honor to section 8 of Art. 1 of the Constitution of the United States, which provides as to the power of Congress to regulate commerce with foreign nations among several States and with the Indian Tribes. It must be admitted, in the first instance, that between the Constitution of the United States and the Dominion of Canada, and the several States and the several provinces, a great deal of analogy exists, but there is one remarkable difference, that Congress is the creation of the people of the States, and the power not expressly given to the Congress remained vested in the States, which bestowed these powers which Congress now possesses. Here, on the other hand, the grant of powers to both the Dominion Parliament and the Local Legislatures is the creation of the British North American Act of 1867, and we have, therefore, nothing like the assumption with respect to the United States Constitution, that the States in all cases where they have not expressly parted with their power, still retain them; but, on the contrary, we have all the power not expressly given to the Local Legislature vested in the Dominion Parliament. In all these cases we are to look on the Dominion Parliament as being actually the creature in which all sovereign powers are invested, save and except those in which there can be no contest, specially vested in the Local Legislatures. But even in the States it has been held that when Congress makes laws under which rights are established or privileges given, the States can impose no burden which shall in effect make the enjoyment of those rights and privileges contingent on the payment of such tax to the States. Applying the holding in the United States to the case which now presents itself for decision to your Honor, it is clear that the Queen Insurance Company has been licensed to carry on the business of an Insurance Company by the Dominion Government under the provisions of the Dominion Act. By such license, and the deposit which was made, the Queen Insurance Company has acquired from the Government of Canada the right to carry on business any where in the Dominion.

The Dominion Parliament has assumed jurisdiction over Insurance Companies, and has passed laws granting to them certain privileges and rights on their conforming to certain conditions. The Defendant has complied with those conditions, and consequently is entitled to the enjoyment of those rights and privileges without

interference from the Legislature of the Provinces, save and except such interference as is allowed by Sec. 92 of the British North American Act of 1867.

Two questions then arise, first: Are any of the rights and privileges secured by the Dominion Acts to Insurance Companies, and to which Defendant is entitled, interfered with by 39 Vic., Cap. 7 (Quebec)?

*Second.*—If there is any such interference, is it justified under Section 92 of "The British North America Act of 1867"?

With reference to the first question, I maintain that the right to do business in Canada is given by the Dominion Acts to all Insurance Companies taking out licenses and complying with the conditions and formalities required. The Defendant has taken out such license, and has complied with such conditions and formalities, and, consequently, is entitled to do business in Canada. But the Quebec Act 39 Vic., Cap. 7, actually prohibits Insurance Companies which have not taken out licenses from it, from doing business in the Province of Quebec. No difficulty whatsoever can be experienced in arriving at this conclusion on looking at the first section of this Act. "Every assurer carrying on in this Province any business of assurance, other than that of Marine Assurance exclusively shall be bound to take out a license, before the first day of May, in each year, from the Revenue Officer of the District wherein is situate his principal place of business or head agency, and to remain continually under license."

Then Section four: "Any person who for or on behalf of an assurer bound to take out a license under the present Act, or in the name of such assurer, shall deliver any policy of assurance, receipt, form, premium or renewal, without such policy, receipt or renewal being stamped to the amounts required, shall be liable for each contravention, to a penalty of fifty dollars, or in default of payment, to imprisonment for any term not exceeding three months."

Section 5 is much to the same effect.

Section 7 provides: "That policies of assurance, premium receipts or renewals not stamped as required by this Act, shall not be invoked, and shall have no effect in law or equity before the Courts of this Province."

If these are not regulations of trade, it certainly would be very extraordinary if any provision whatsoever of an Act of Parliament could be looked on as a regulation of trade.

What is the effect then of this legislation by the Local Legislature? It is that notwithstanding the company is authorized by the Dominion Parliament to do business throughout the Dominion, on compliance with certain conditions, and notwithstanding such compliance by the company, the Local Legislature declares that the company shall not do business unless it complies with the other conditions imposed by the Local Legislature of Quebec. Thus, it is clear that the privileges and rights granted to the Defendant by the Dominion Parliament are interfered with, and in fact inhibited by 39 Vic., Cap. 7. If such a power exists it is unlimited, and my learned friend, the Counsel for the Plaintiff did lay claim that it was unlimited.

A contract of insurance in all cases where the parties carry on the business of insurance for a premium is a commercial contract, and is so declared by our Code, Act 2470. The Quebec Act 39 Vic., Cap. 7 must therefore be looked upon as regulating a branch of commerce, to wit, the business of insurance, and is, therefore, *ultra vires* of the Legislature of Quebec, unless such regulation is authorized by Section 92 of "The British North America Act 1867."

On referring to Section 92 of "The British North America Act 1867" and its sub-sections, we find that sub-section 2 gives power of direct taxation to the Local Legislature, and sub-section 9 gives them power to grant shop, saloon, tavern, auctioneer and other licenses in order to the raising of a revenue for Provincial, local or municipal purposes. With reference to sub-section 2, the first enquiry we have to make is whether the mode of levying the price of such licenses comes within the class of direct taxation.

Now there can be no doubt with respect to the fact that a capitation tax, and a tax on land, are direct taxes, but the collection of revenue by means of stamps on

policies is an indirect tax. In support of this, I refer your Honor to Cooley on Taxation, p. 5.

"Taxes are said to be

"*Direct*, under which designation would be included those which are assessed upon the property, person, business, income, etc., and those who are to pay them; and

"*Indirect*, or those which are levied on commodities before they reach the consumers, and are paid by those upon whom they ultimately fall, not as taxes, but as part of the market price of the commodity. Under the second head may be classed the duties upon imports, and the excise and stamp duties levied upon manufactures."

"What are direct taxes?"

"They are taxes upon the consumption of various commodities, the incidence of which can be avoided by any one who does not consume the commodities, because those who pay these taxes to the State, try to reimburse themselves by charging so much more for their goods."

The Imperial Dictionary under the words "Direct" and "Indirect."

Duer's Constitutional Jurisprudence, p. 213.

"1st. Direct taxes, which are properly capitation taxes, and taxes upon land: although a direct tax might be laid on other subjects, such as generally pervades all parts of the Union.

"2nd. Duties, imposts and excises; and

"3rd. All other taxes of an indirect operation.

"A direct tax operates and takes effect independently of consumption or expenditure; while indirect taxes affect expense or consumption; and the revenue arising from them is dependent thereupon."

3 Smith's Wealth of Nations 10th Ed. B. 5, C. 2, p. 315.

There is no direct tax on the Insurance Company, but on the amount of their business, consequently; if the amount of their business diminishes the amount of the tax is also diminished, therefore it is an indirect tax. In the face of the authorities I have just quoted, it is impossible to contend, for one moment, that the levying of a tax of this nature is not indirect taxation. The only conclusion that your Honor can come to in this instance is that this being an indirect tax it is *ultra vires* of the Legislature of Quebec, because the Local Government cannot tax except directly. Bearing this in mind, we come to consider the 9th Sub-Section of Section 92. It is apparent, from the wording of the Statute 29 Vic., Chap. 7, and also from the argument of my learned friend, Mr. Lacoste, that the Local Legislature justified the passing of this Statute, and, in fact, founded it upon Sub-Section 9 of Chapter 92 of the British North America Act of 1867, because the whole transaction is wrapped up in the folds of the word "license." The payment by stamps is declared to be the price of the license, and the taking of the license is insisted upon. It may be taken for granted, I think, that the Local Legislature of Quebec based their right to pass this Statute upon Sub-Section 9 of Section 92. Even apart from this question of direct and indirect taxation, it is well known that in the case of specific words followed by general words in a Statute, the general words are governed by the specific words preceding them. It is clear that the Local Government had no right whatsoever in view of the specific words in Sub-Section 9 "shop, tavern, saloon, or auctioneer" licenses, of imposing upon Insurance Companies the obligation of taking out licenses and paying therefor. They must seek for their authority in the words "other licenses" following these specific words. It is clear that these words "other licenses" have reference to and mean merely occupation similar to those that are specially described. In support of this I cite Potter's Dwaris on Stat. p. 236; Maxwell on Stat. pp. 297--309; Sedgwick on Con. Law, p. 360 n.

I hold that you cannot have clearer authority than this with regard to the word

"other." There are numbers of cases quoted in Maxwell on Statutes, and he thus sums up the authorities at p. 297:

"But the general word which follows particular and specific words of the same nature as itself, takes its meaning from them, and is presumed to be the same *genus* as those words; or, in other words, as comprehending only things of the same kind as those designated by them: unless, of course, there be something to show that a wider sense was intended."

My learned friend Mr. Lacoste pretends that, under this particular sub-section of Section 92, it is quite possible for the Local Legislature to force persons plying all manner of trade, carrying on all kinds of business, practising all professions, to take out licenses. I do not deny for one moment the right to tax these different people, and by direct taxation to obtain from them amounts of money. But I say you cannot, under the provisions of the constitution, by direct taxation force professional or business men to pay a per centage on the amount of their gains. You cannot resort to indirect taxation, but if it is desired to derive a revenue from licenses, the only way in which this can be done is by charging the party to whom a license is granted, a specific sum for it, and then it would be a question whether such scheme of direct taxation should be general.

I maintain that this action should be dismissed.

It is not necessary for me to address the Court with respect to its power to decide such cases as this. I fancy that it is admitted not only by the Courts in this country, but also by the Privy Council, that points such as this case presents come within the jurisdiction of this Court, had that your Honor can pronounce an Act either of the Dominion Parliament or of the Local Legislature unconstitutional and null when *ultra vires* of the enacting body.

Jos. DOUTRE, Q. C.:—

I have only a few words to add to the remarks made by my learned friend Mr. Kerr.

I have taken one of the books cited by him, Cooley, which contains the most important opinions which can bear upon the question, but I believe what I have taken note of has already been cited by him.

There is but one other thing which I may add, which is, that the Federal Government by obliging Insurance Companies to make deposits with them have entered into indirect loans from these companies, and these deposits now constitute an important part of the means which the Government has at its disposal for carrying out its affairs. This being the case I would refer your Honor to Cooley's Constitutional Limitations, page 564.

Mr. Lacoste stated that the tax was not an abusive one, but, on the contrary, was a mild one. I refer again to Cooley, who says, that if the right to impose a tax exists it is a right, which, by its nature, acknowledges no limits, and which may be carried to any extent within such State and Province. If the Local Legislature had the right to impose stamp duties of three cents per hundred dollars, they have also the right to increase that tax to ten per cent. or any amount they like without any limits if the power exists. I wish to refer the Court to a case which was decided in 1875, in New Brunswick, by Chief Justice Ritchie, now of the Supreme Court. The case is *Regina vs. The Justices and of County of Kings*, and is to be found in Pugley's Reports.

Since the Local Legislature has no power given it by the British North America Act of 1867 to limit the use of spirituous liquors, an Act passed with this object in view was held *ultra vires* and void. This will be found on page 535, vol. 2 of the last author. This is also to be found in the 11 vol. of Upper Canada Reports.

The motive the Dominion Parliament had in imposing upon Insurance Companies the necessity of making a deposit of money, I think, was not only to secure the payment of losses by Insurance Companies, but it had also a fiscal motive, which has for its object the raising of a loan by this means, and by means of such loans the Government receives large sums of money. If the number of Insurance Companies is

diminished by the Act of the Local Legislature it would be an impediment to the Dominion Government in negotiating such loans. The Federal Government by exacting this deposit from Insurance Companies and issuing licenses to them had taken possession of the ground, and this ground could not be used by the Local Government.

By imposing stamp duties on policies it is limiting the use of insurance, because it makes it a luxury. The poor man could not resort to insurance for the cost of insuring is beyond his means.

With reference to the words used in section 91 of the British North America Act of 1867: "It is hereby declared that the exclusive Legislative authority of the Parliament of Canada, extends to all matters coming within the classes of subjects next hereinafter enumerated, that is to say, &c." My learned friend Mr. Lacoste has worked very ingeniously to shew that this Legislative authority could co-exist in the two Legislatures. How could it do so, and yet be exclusive to one of them. Mr. Lacoste concluded his remarks by stating that it could concurrently exist in both bodies.

EDWD. CARTER, Q. C., replied.

(JUDGMENT.)

On the twelfth day of April, eighteen hundred and seventy-seven, the following judgment was rendered by the Hon. Mr. Justice TORRANCE:—

The declaration of the Plaintiff set out that by an Act of the Legislature of the Province of Quebec, assented to 24th December, 1875, 39 Victoria, Chapter 7, every insurer doing business in the Province of Quebec, was obliged to take a license, before the first day of May in each year, from the Revenue Officer of the district wherein was situate his principal place of business or head agency, and to remain continually under license. That the price of such license should consist in the payment to the Crown for the use of this Province, at the time of the issue or delivery of any policy of assurance, except of maritime assurance, and at the time of the making or delivery of each premium receipt or renewal, respecting any policy issued before or after the coming into force of this Act, of a sum computed at the rate of three per cent as to assurances against fire, or of one per cent as to other assurances, for each hundred dollars or fraction of \$100 of the amount received as premium or renewal of assurance by the assurer, his agent or employee. And such payments should be made by means of one or more adhesive stamps equivalent in value to the amount required to be affixed by the assurer, his agents, officers, or employees, on the policy of assurance, receipt or renewal, as the case may be, at the time of the drawing up, issue, or delivery thereof. That every assurer, bound to take out a license under said Act, for whom or in whose name any policy of assurances or any premium receipt or renewal shall have been delivered, without the same having been stamped to the amount required, should be liable in each case to a penalty not exceeding \$50.

The Plaintiff charges the Defendants with the infraction of this statute by the issue without stamps of three policies of insurance, and asked for a condemnation for the amount of the penalties, \$150.

The Defendants by their plea admitted that they were liable for the penalties if the Statute in question was constitutional and within the powers of the Province of Quebec, but they alleged that the 1st, 2nd, 3rd, 4th, 5th, 7th, 9th, 11th and 12th sections of the Act were unconstitutional and invalid, as being beyond the power and authority of the Legislature of Quebec; that by the Act of the Imperial Parliament of Great Britain and Ireland, known as the British North America Act of 1867, it was provided *inter alia*, that it shall be lawful for the Queen, by and with the advice and consent of the Senate and House of Commons of Canada, to make laws for the peace, order and good government of Canada, in relation to all matters not coming within the class of subjects by said Act assigned exclusively to the Legislatures of the Provinces. And for greater certainty; but not so as to restrict the generality of

the said in part recited terms of the said section, it was thereby declared that notwithstanding anything in the said Act contained, the exclusively legislative authority of the Parliament of Canada should extend to all matters coming within the classes of subjects next thereafter enumerated; that is to say, amongst other things: The regulation of trade and commerce. The raising of money by any mode or system of taxation. And it was thereby further declared that any matter coming within the class of subjects enumerated in the said section, to wit, amongst others, the classes of subjects hereinbefore mentioned, should not be deemed to come within the class of matters of a local or private nature, comprised in the enumeration of the classes of subjects by the said Act, assigned exclusively to the Legislatures of the said Provinces. The Defendants pleaded that by virtue of the said provisions of the said last mentioned Act, and all other the provisions thereof therein contained to which express reference was thereby made, the said enactments of the said Act of the Legislature of the Province of Quebec purported to infringe upon, and were in conflict with, and in opposition to the provisions of the said British North America Act, 1867, in this—

I. That the said provisions violate and infringe upon the exclusive jurisdiction of the Dominion of Canada in matters of trade and commerce.

II. That the duty or tax which purports to be imposed upon Insurance Companies in and by the said provisions of the said Act, constituting a direct interference with and obstruction to the trade and commerce of the Dominion.

III. That the said Act of the said Legislature of the Province of Quebec purports to provide for the raising of money by a mode or system of taxation, to wit, by the levying of a tax upon insurance policies and insurance contracts by means of a stamp duty upon such policies and contracts.

IV. That the subject-matter of the said Act of the said Legislature of Quebec falls within the classes of subjects enumerated in the British North America Act, 1867, as being assigned exclusively to the Parliament of Canada, and it does not fall within matters thereby assigned to the Legislatures of the Provinces comprising the said Dominion of Canada, and specially of the Province of Quebec. The Defendants further allege that at all the times and periods mentioned in Plaintiff's declaration, the Defendants were the holders of the license and extension of the license issued under the Act of the Parliament of Canada, 31 Vict., c. 48, and the Acts amending the same, authorizing them to transact the business of insurance in any part of the Dominion of Canada. And that the said Act of the Province of Quebec is therefore unconstitutional and invalid for the further reason that it interferes and conflicts with the privilege of carrying on the business of life and fire insurance within the Dominion of Canada which the Defendants hold and possess and have a right to exercise under and by virtue of the said license and of the said extension thereof; and, in fact, conflicts and interferes with the effect and operation of the said several Acts of the Parliament of Canada. That the said duty or tax so attempted to be imposed upon them by virtue of the provisions of the Act of the said Legislature of the Province of Quebec does not constitute a direct tax within the meaning of the said British North America Act, 1867, and that the attempt to bring the said illegal duty and tax within the provisions of the said British North America Act, 1867, by requiring the insurance companies purporting to be effected thereby, to take out a license, is illegal and ineffectual, inasmuch as the business carried on by the insurance companies is not among those for the licensing of which the Legislature of any Province is thereby authorized to legislate or make laws.

*Per Curiam.*—The facts of this case have been admitted, namely, the issue of three policies of insurance by the Defendants in contravention of the provisions of the Provincial statute, the issue of a license by the Dominion Government to the Defendants under the 31 Vic., c. 48, implying the deposit of \$150,000 in securities of the Dominion. The naked question to decide is whether the Provincial statute 39 Vic., c. 7, is beyond the powers of the Provincial Legislature. It becomes every tribunal to realize the delicacy of the question. To use the language of Chief Justice Marshall in considering a similar question in the United States, "in the case now to

be determined, the Defendants contest the validity of an Act which has been passed by the Legislature of the State (Province). The Constitution of our country in its most interesting and vital parts is to be considered; the conflicting powers of the Government of the Union and its members, as marked in the constitution, are to be discussed, and an opinion given which may essentially influence the great operations of the Government. No tribunal can approach such a question without a deep sense of its importance."

At the outset we may say that the license or stamp required by the Provincial Legislature from the insurance companies is an indirect tax. Smith, in his *Wealth of Nations*, Book V, chapter II, Brande, in his *Encyclopedia of Science*, vo, "Taxation," and other works referred to by counsel at the argument show this, as well as the very nature of the tax. Let us turn next to the clauses of the Confederation Act. It is only necessary to consider the 91st and 92nd clauses. 91 says: "It shall be lawful for the Queen, by and with the advice and consent of the Senate and House of Commons, to make laws for the peace, order, and good government of Canada, in relation to all matters not coming within the classes of subjects by this Act assigned exclusively to the Legislatures of the Provinces; and for greater certainty, but not so as to restrict the generality of the foregoing terms of this section, it is hereby declared that (notwithstanding anything in this Act) the exclusive legislative authority of the Parliament of Canada extends to all matters coming within the classes of subjects next hereinafter enumerated; that is to say:—

\* \* \* \* \*

"2. The regulation of trade and commerce.

\* \* \* \* \*

"3. The raising of money by any mode or system of taxation.

\* \* \* \* \*

"29. Such classes of subject as are expressly excepted in the enumeration of the classes of subjects by this Act assigned exclusively to the Legislatures of the Provinces.

"And any matter coming within any of the classes of subjects enumerated in this section shall not be deemed to come within the class of matters of a local or private nature comprised in the enumeration of the classes of subjects by this Act assigned exclusively to the Legislatures of the Provinces.

"Exclusive powers of Provincial Legislatures.—92. In each Province the Legislature may exclusively make laws in relation to matters coming within the classes of subjects next hereinafter enumerated, that is to say, \* \* \*

\* \* \* \* \*

"2. Direct taxation within the Province, in order to the raising of a revenue for Provincial purposes.

\* \* \* \* \*

"9. Shop, saloon, tavern, auctioneer, and other licenses, in order to the raising of a revenue for Provincial, local or municipal purposes."

The Counsel for the Province have laid considerable stress upon this last clause, as authorizing the taxation in question. On the other hand, the Defendants find an argument for their immunity in the exclusive powers given to the Dominion Legislature in matters of trade and commerce. Reference has been made to the decisions of the Supreme Court of the United States of America, arising out of the occasional conflict there between Federal and State rights. It will be remembered that when the civil war began between the North and South in 1861, there was much discussion as to the respective rights of the General and State Legislatures, and it was generally conceded that the constitution only gave to the Federal Legislature the powers which had been renounced by the States. This had been understood long before. De Tocqueville in his celebrated work on *Democracy in America*, chapter 8, says: "The attributes of the Federal Government were carefully defined, and all that was not included among them was declared to remain to the Governments of the several States. Thus the Government of the States remained the rule, and that of Confederation was the exception."

Now I think I am safe in saying that the spirit of our Constitution is quite different. Its framers had before them the melancholy warfare which had so long

desolated a large portion of this continent and determined that there should be no question as to the supremacy of the General Government or the subordinate position of our Provinces. It was intended that the General Legislature should be strong, far stronger than the Federal Legislature of the United States in relation to the State Governments.

Accordingly we find in the clauses of our Constitution already recited, that the Dominion Legislature makes laws in relation to all matters not coming within the classes of subjects by the Act assigned exclusively to the Legislatures of the Provinces; and for greater certainty, but so as not to restrict the generality of the foregoing terms it was declared that (notwithstanding anything in the Act), the exclusive legislative authority of Canada extends to all matters coming within the classes of subjects enumerated, *inter alia* "Trade and Commerce." "And any matter coming within any of the classes of subjects enumerated in this section shall not be deemed to come within the class of matters of a local or private nature comprised in the enumeration of the classes of subjects by this Act assigned exclusively to the Legislatures of the Provinces."

Reference has been made to the decisions of the Supreme Court of the United States on kindred subjects. Congress is vested with power to regulate commerce; but this power is not so far exclusive as to prevent regulations by the States also, when they do not conflict with those established by Congress.

\* \* \* \* \*  
Where Congress has not acted at all upon the subject, the State taxation cannot be invalid on this ground; but where national regulations exist, under which rights are established or privileges given, the State can impose no burdens which shall in effect make the enjoyment of those rights and privileges contingent upon the payment of tribute to the State."

Cooley on Constitutional Limitations, p. 486.

"From the paramount authority of the General Government, the States are restrained, without any express prohibition, from any exercise of their taxing power, which, in its nature, is incompatible with or repugnant to, the constitutional laws of the Union. \* \* \* They have no power, by taxation or otherwise, to retard, impede, burden, or in any manner to control the operations of constitutional laws enacted by Congress to carry into execution any of the powers vested in the Federal Government."

\* \* \* \* \*  
Duer's Constitutional Jurisprudence, p. 384.

In *McCulloch vs. Maryland*, 4 Wheaton, 316, Chief Justice Marshall said:— "That the power of taxation is one of vital importance; that it is retained by the States; that it is not abridged by the grant of a similar power to the Government of the Union; that it is to be concurrently exercised by the two Governments, are truths which have never been denied. But such is the paramount character of the constitution, that its capacity to withdraw any subject from the action of even this power is admitted.

\* \* \* \* \*  
The same paramount character would seem to restrain \* \* \* a State from such other exercise of this power as is in its nature incompatible with and repugnant to the constitutional laws of the Union—a law absolutely repugnant to another as entirely repeals that other as if express terms of repeal were used. \* \* The claim has been sustained on a principle which so entirely pervades the constitution \* \* \* as to be incapable of being separated from it without rending it into shreds. This great principle is, that the constitution and the laws made in pursuance thereof are supreme. \* \* \* From this \* \* \* other propositions are deduced. \* \* \* These are: 1. That a power to create implies a power to preserve. 2. That the power to destroy, if wielded by a different hand, is hostile to and incompatible with these powers to create and to preserve. 3. That where this repugnancy exists, that authority which is supreme must control \* \* that over which it is supreme."

---

I think we can make an application of these authorities to the case now under consideration. I think we would be safe in holding that under the constitution of the United States, if the Federal Congress had legislated respecting insurance companies as the Dominion Legislature has done respecting them under 31 Vict. Chap. 48, the State would not be allowed to impose another tax. But our Dominion Legislature has greater powers, in that it has exclusive control over trade and commerce.

I do not see that the words of the Confederation Act, Sec. 92, sub-sec. 9: "Shop, saloon, tavern, auctioneer and other licenses," remove the difficulty in the way of Plaintiff's demand. The clause does not touch upon insurances. We are, therefore, justified in concluding that the Act of the Province of Quebec, 39 Vic., Chap. 7, has infringed upon the exclusive powers of the Dominion Legislature, and, therefore, that its enactments should be disregarded in this matter. Judgment for Defendants.

## THE INSURANCE ACTS OF 1875 AND 1877.

(These are the only Statutes of the Dominion, now in force, regulating Insurance.)

38 VICTORIA.

CHAP. 20.

An Act to amend and consolidate the several Acts respecting Insurance, in so far as regards Fire and Inland Marine business.

[Assented to 8th April, 1875.]

**H**ER MAJESTY, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

**1.** The following terms and expressions whenever used in this Act, unless it be otherwise specially provided, or there be something in the context repugnant to or inconsistent with such construction, shall be construed and interpreted as hereinafter mentioned, that is to say:—

**1.** "Canadian Company" means a Company incorporated in Canada, for purposes of Fire or Inland Marine Insurance business, or both, in Canada, and having its head office therein, and entitled under the second section of this Act to receive a license as such. Interpretation.  
Canadian Company.

**2.** "Foreign Company" means a Company incorporated or duly established according to the laws of any foreign country (including the United Kingdom), for purpose of Fire or Inland Marine Insurance business, or both, and entitled under the second section of this Act to receive a license as such in the Dominion of Canada. Foreign Company.

**3.** "Agent" means the chief agent of the Company in Canada, named as such in the power of attorney hereinafter referred to, by whatever name he may be designated. Agent.

**4.** "Chief Agency" means the principal office or place of business of the Company in Canada. Chief agency.

To what companies this Act applies.

None other to be licensed.

Proviso as to companies incorporated by Provincial Acts.

What companies only shall transact business in Canada.

Form of license.

When license shall issue.

Deposit to be made by Canadian and

**2.** This Act shall apply only to Companies heretofore incorporated by any Act of the Legislature of the late Province of Canada, or by any Act of the Legislature of any of the Provinces of Canada, and which upon the day of the passing of this Act, were also licensed under Act of the Parliament of Canada to transact business of Insurance in Canada, and also to any company heretofore or which may hereafter be incorporated by Act of Parliament of Canada; and to any Foreign Insurance Company as hereinbefore defined; and it shall not be lawful for the Minister of Finance to license any other company than those in this section above mentioned, and no other company than those above mentioned shall do any business of Fire or Inland Marine insurance throughout the Dominion of Canada; but nothing herein contained shall prevent any Insurance Company incorporated by or under any Act of the Legislature of the late Province of Canada, or of any Province of the Dominion of Canada, from carrying on any business of Insurance, within the limits of the late Province of Canada, or of such Province only, according to the powers granted to such Insurance Company within such limits as aforesaid, without such licence as hereinafter mentioned.

**3.** Except such Insurance Companies as are mentioned in the proviso to the next preceding section, or companies transacting in Canada Ocean Marine business exclusively, (all insurance above the Harbour of Montreal to be held to inland insurance), it shall not be lawful for any Insurance Company to accept any risk or issue any policy of Fire or Inland Marine Insurance, or receive any premium or transact any business of Fire or Inland Marine Insurance in Canada, or to prosecute or maintain any suit, action or proceeding, either at law or in equity, or to file any claim in insolvency, relating to such business, without first obtaining a license (as hereinafter provided for) from the Minister of Finance, to carry on business in Canada.

**4.** The license shall be in such form as shall be from time to time determined by the Minister of Finance, and shall specify the business to be carried on by the company, and it shall expire on the thirty-first day of March in each year; but shall be renewable from year to year.

**5.** The Minister of Finance so soon as the Company applying for the same has deposited in the hands of the Receiver-General the securities hereinafter mentioned, and has otherwise conformed to the requirements of this Act, shall cause to be issued such license as aforesaid.

**6.** Canadian Companies shall, before the issue of such license, deposit the sum of fifty thousand dollars with the Receiver-General, in securities, as hereinafter named.

Foreign Companies shall, before the issue of such license, deposit for the benefit of policy holders in Canada the sum of one hundred thousand dollars with the Receiver-General in such securities as are named hereinafter. All such deposits may be made by any Company in securities of the Dominion of Canada, or in securities issued by any of the Provinces in the Dominion of Canada, and by any Company incorporated in the United Kingdom in securities of the United Kingdom, and by any Company incorporated in the United States in securities of the United States; and the value of such securities shall be estimated at their market value at the time when they are so deposited; if any securities other than those above named are offered as a deposit, they may be accepted, at such valuation and on such conditions as the Treasury Board may direct; and if the market value of any of the securities which have been deposited by any Company shall decline below that at which they were deposited, the Minister of Finance may call upon the Company to make a further deposit, so that the market value of all the securities deposited by any Company shall be equal to the amount which they are required to deposit by this Act

foreign companies respectively

In what securities

Valuation thereof.

7. Any Company licensed under this Act may nevertheless at any time or times deposit in the hands of the Receiver-General any further or other sum or sums of money or securities beyond the sum required to be deposited, and any such further sum or sums of money or securities therefor so deposited in the hands of the Receiver-General, shall be held by him, subject to, and to be dealt with according to the provisions of this Act in respect to the original sum required to be deposited by such Company, as if the same had been part of such original deposit; and no part of such additional deposit shall be withdrawn except with the sanction of the Governor-General on the Report of the Treasury Board.

Company may deposit beyond the amount absolutely required.

As to withdrawal of surplus.

8. If from the annual statements, or after examination of the affairs and condition of any Company, it appears that the re-insurance value of all its risks outstanding in Canada, together with any other liabilities in Canada, exceed its assets in Canada, including the deposit in the hands of the Receiver-General, then the Company shall be called upon by the Minister of Finance to make good the deficiency at once, and on failure so to do its license shall be cancelled.

Any deficiency of security to be made good, or license forfeited.

9. Except in cases with respect to which it may be otherwise provided by the Treasury Board, so long as any Company's deposit is unimpaired and no notice of any final judgment or order to the contrary is served upon the Minister of Finance or Receiver-General, the interest upon the securities forming the deposit shall be handed over to the Company as it falls due.

As to interest on securities.

Certain documents to be filed before license is granted, what they must show.

**10** Every Company shall, before the issue of a license to it, file in the Department of the Minister of Finance a certified copy of the Charter, Act of Incorporation, or Articles of Association of the Company, and also a power of attorney from the Company to its Head Officer or Agent in Canada under the seal of the Company (if it has a seal), and signed by the President and Secretary or other proper officer thereof, verified by their oath, and further corroborated on oath by the Head Officer or Chief Agent of such Company, or by some person cognizant of the facts necessary to its verification; which power of attorney must declare at what place in Canada the Head Office or Chief Agency of the Company is or is to be established, and must expressly authorize such attorney to receive process in all suits and proceedings against such Company in Canada for any liabilities incurred by the Company therein, and must declare that service of process for or in respect of such liabilities at such Office or Chief Agency, or personally on such attorney at the place where such Head Office or Chief Agency is established, shall be legal and binding on the Company to all intents and purposes whatsoever; and also a statement of the condition and affairs of such Company on the thirty-first day of December then next proceeding, or up to the usual balancing day of the Company (provided that such day shall not be more than twelve months before the filing of the statement), in such form as may be required by the Minister of Finance.

If changes are made in chief agency.

Whenever any Company licensed under this Act changes its Chief Agent or Chief Agency in Canada, such Company shall file a power of attorney as hereinbefore mentioned, containing any such change or changes in such respect, and containing a similar declaration as to service of process as hereinbefore mentioned.

Duplicates of such documents to be filed in court.

Duplicates of all such documents duly verified as aforesaid shall be filed in the office of either of the Superior Courts of Law or Equity in the Province in which its head office or chief agency is located; or if the chief agency be in the Province of Quebec, with the Prothonotary of the Superior Court of the District wherein such chief agency is established.

Process and suits.

**11.** After the certified copies referred to in the last preceding section, and such power of attorney are filed as aforesaid, any process in any suit or proceeding against such Company, for any liabilities incurred in Canada, may be served on the Company at its Chief Agency and all proceedings may be had thereupon to judgment and execution in the same manner and with the same force and effect as in proceedings in any civil suit in Canada.

**12.** Every Company obtaining such license as aforesaid shall forthwith give due notice thereof in the *Canada Gazette*, and in at least one newspaper in the County, City or place where the Head Office or Chief Agency is established, and shall continue the publication thereof for the space of four weeks; and the like notice shall be given when such Company cease or notify that they intend to cease to carry on business in Canada, for the space of three calendar months.

Companies to give notice of licence.

And of ceasing business.

**13.** The Minister of Finance shall cause to be published quarterly in the *Canada Gazette* a list of Companies licensed under this Act, with the amount of deposits made by each Company; and upon any new Company being licensed, or upon the license of any Company being withdrawn in the interval between two such quarterly statements, he shall publish a notice thereof in the *Canada Gazette* for the space of four weeks.

Notices by Minister of Finance.

**14.** Any person who delivers any policy of Insurance or collects any premium or transacts any business of Insurance on behalf of any Company as aforesaid, without such license as aforesaid, or if such license has been withdrawn, without the renewal thereof, or without filing the copy of the Charter, Act of Incorporation, or Articles of Association of the Company, and a power of attorney or a renewal thereof in the event of any change as hereinbefore provided, shall be liable to a penalty of one thousand dollars for each such contravention of this Act; which penalty may be sued for and recovered on information filed in the name of the Attorney-General of Canada; and one half of the said penalty, when recovered, shall be paid to the Crown, and the other half of the said penalty to the informer: and in case of non-payment of such penalty and costs within one month after such judgment, the person so offending shall be liable to imprisonment in any jail or prison for a period not exceeding six months, in the discretion of the Court wherein he is convicted.

Penalty for acting in contravention of this Act.

How enforced and applied.

**15.** Whenever any Company fails to make the deposits under this Act at the time required, or whenever written notice has been served on the Minister of Finance of any undisputed claim arising from loss insured against in Canada, remaining unpaid for the space of sixty days after being due, or of a disputed claim after final judgment in a regular course of law and tender of a legal valid discharge, so that the amount of securities representing the deposit of such Company is liable to be reduced by sale of any portion thereof, the license of the said Company shall *ipso facto* be null and void, and shall be deemed to be withdrawn; but such license may in the case last mentioned be renewed, and the Company may again transact business, if within sixty days after notice to the Minister of Finance of the Company's

Licenses forfeited by non-payment of claims and consequent deficiency of security.

Renewal on certain conditions.

failure to pay any undisputed claim, or the amount of any final judgment as provided in this section, undisputed claims or final judgments upon or against the Company in Canada are paid and satisfied, and the Company's deposit is no longer liable to be reduced below the amount required by this Act.

When a company shall be deemed insolvent.

Provision for application of deposits in such case.

Proviso, if delay was given for payment of any loss.

Appointment of assignee; his duty.

Proceedings in such case.

What may be claimed by parties insured in Canada.

Sale of securities deposited.

**16.** Any Company shall be deemed insolvent upon failure to pay any undisputed claim arising, or loss insured against, in Canada, upon any policy held in Canada, for the space of sixty days after being due, or, if disputed, after final judgment and tender of a legal valid discharge, and (in either case) after notice thereof to the Minister of Finance. In case of the insolvency of any Company, all deposits of such Company, held by the Receiver-General for policy holders in Canada, shall be applied *pro rata* towards the payment of all claims duly authenticated against such Company, upon, or in respect of policies issued to policy holders in Canada; and the distribution of the proceeds of such deposit may, if applied for in the Province of Ontario, or of Nova Scotia, or of New Brunswick, or of British Columbia, or of Prince Edward Island, be made by order in Chancery, or in Equity; or if applied for in the Province of Quebec or Manitoba, may be made by judgment or order of distribution of the Superior Court within the district where the Chief Agency is situated; Provided that in any case when a claim for loss is by the terms of the policy payable on proof of such loss, without any stipulated delay, the notice to the Minister of Finance under this section shall not be given until after the lapse of sixty days from the time when the claim becomes due.

**17.** Upon the insolvency of any Company, such Court as aforesaid having jurisdiction in the Province (or sitting in the District, if such Province be the Province of Quebec), where the chief Agency in Canada of such Company is situated, shall appoint an Assignee or Assignees, who may be an officer or officers of such Court, who shall forthwith call upon the Company to furnish a statement of all its outstanding policies in Canada, and upon all such policy holders to file their claims; and upon the filing of the claims before the Assignees, the parties interested shall have the right of contestation thereof, and the right of appeal from their decision to such Court as aforesaid, according to the practice of such Court; and in case of any Insurance Company becoming insolvent, the parties insured in Canada shall be entitled to claim for a part of the premium paid, proportionate to the unexpired period of their policies respectively, and such return premium shall rank with judgments obtained and claims accrued, in the distribution of the assets; and upon the completion of the schedule to be prepared by the Assignees, of all judgments against the Company upon such policies held in Canada, and of all claims for re-insurance or

for surrender of the policy as aforesaid, the Court having jurisdiction, as above provided, shall cause the securities held by the Receiver-General for such Company, or any part of them, to be sold in such manner and after such notice and formalities as the Court may appoint, and the proceeds thereof, after paying expenses incurred, shall be distributed *pro rata* amongst the claimants according to such schedule, and the balance, if any, shall be surrendered to the Company, But if any loss is sustained or any claim arises after the statement of such outstanding policies has been obtained from the Company, as hereinbefore provided, and before the final order of the Court for the distribution of the proceeds of the securities, or if the proceeds of the securities are not sufficient to cover in full all claims recorded in the schedule, such policy holders shall not be barred from any recourse they may have either in law or equity against the Company issuing the policy, other than that for a share in distribution of the proceeds of the securities held for such Company by the Receiver General.

If further loss occurs and deposits do not cover claims.

18. When any Company has ceased to transact business in Canada, and has given written notice to that effect to the Minister of Finance, it must insure, on behalf of its Canadian policy holders, all their outstanding risks, in some Company or Companies licensed in Canada, or obtain the surrender of the policies, and its securities shall not be delivered to the Company until the same is done to the satisfaction of the Minister of Finance:

Duty of company ceasing business.

Upon making application for its securities, the Company must file with the Minister of Finance a list of all Canadian policy holders who have not been so re-insured or have not surrendered their policies: and it must at the same time publish in the *Canada Gazette* a notice that it has applied to Government for the release of its securities on a certain day, not less than three months after the date of the notice, and calling upon its Canadian policy holders opposing such release to file their opposition with the Minister of Finance on or before the day so named; and after that day, if the Minister of Finance, with concurrence of the Treasury Board, is satisfied that the Company has ample assets to meet its liabilities to Canadian Policy holders, all the securities may be released to it by an Order of the Governor in Council, or a sufficient amount of them may be retained to cover the value of all risks respecting which opposition has been filed; and the remainder may be released, and thereafter from time to time as such opposing risks may lapse, or proof may be adduced that they have been satisfied, further releases may be made on the authority aforesaid.

Conditions on which deposits may be released.

And after a Company has ceased to transact business in Canada after the notice hereby required, and its license has

Company still liable in certain cases.

in consequence been withdrawn, such Company may nevertheless pay the losses arising upon policies not re-insured or surrendered, as if such licence had not been withdrawn.

Fire policies. **19.** No Fire Policy shall be issued for or extend over a longer period than three years.

Yearly statement to Minister of Finance, and what it must show, and how it must be attested. **20.** It shall be the duty of the President, Vice-President, or Managing Director, and Secretary or Manager of each Canadian Company, to prepare annually under their own oath, on the first day of January, or within one month thereafter, \* a statement of the condition and affairs of such Company on or after the thirtieth of November then next preceding; exhibiting the facts and items in the form given in the following Schedule, and to cause such statement to be deposited in the office of the Minister of Finance; such statement to be sworn to before some person duly authorized to administer oaths in any legal proceeding.

The Minister of Finance may, from time to time, make such changes in the form of such statements, as shall seem to him best adapted to elicit from the Companies a true exhibit of their condition in respect to the several points hereinbefore enumerated. Form of statement may be changed by Minister.

**21.** All Foreign Companies shall make Annual Statements of their condition and affairs under oath of their chief agent, and furnish the same to the Minister of Finance—of their Canada business, in the same form and manner as required of Canadian Companies, in the month of January in each year.—and of their general business, in such form and to such date as they may be required by law to furnish to the Government of the country in which their Head Office is situate, in a separate schedule attached. The blank forms of the statements of the Canada business to be furnished in duplicate by the Finance Department. Statement by foreign companies. Forms to be furnished.

**22.** Any violation of either of the two next preceding sections, shall subject the Company violating the same to a penalty of five hundred dollars for each violation, and of the additional sum of one hundred dollars for each month during which any such Company shall neglect to make such publication or to file such affidavits and statements as are therein required. If such penalties are not paid, the Minister of Finance, with the concurrence of the Treasury Board, may order such Company's license to be suspended or cancelled, as may be deemed expedient. Penalty for contravention. If not paid.

Superintendent of Insurance ; appointment and salary.

**23.** For the efficient administration of the insurance business in the Dominion of Canada, and to enforce strictly the provisions of this Act, with the necessary details resulting therefrom, the Governor in Council may appoint an officer, to be called the Superintendent of Insurance, acting under the instructions of the Minister of Finance, whose duty it shall be to examine and report to the said Minister of Finance, from time to time, upon all matters connected with insurance, as carried on by the several Companies licensed to do business in Canada, or required by this Act to make returns of their affairs ; such Superintendent may be appointed at a salary not exceeding four thousand dollars per annum ; and it shall be lawful to provide from time to time such assistance as may be found necessary ; the main features of his duties as to which matters shall be as follows :

Duties of Superintendent.

1. The Superintendent of Insurance shall keep a record of the several documents required to be filed by each Company in the Superior Courts of Canada, under the 10th section of this Act ; and he shall also enter in a book under the heading of each Company, the securities deposited on its account with the Receiver General, naming in detail the several securities, their par value, and value at which they are received as deposit, and before the issue of any new license, or the renewal of any license, he shall in each case make a report to the Minister of Finance that the requirements of the law have been complied with, and that from the statement of the affairs of the Company it is in a condition to meet its liabilities ; and he shall keep a record of the licenses as they are issued.

Further duties and powers of Superintendent.

2. The Superintendent of Insurance shall visit the head office of each Company in Canada, at least once in every year, and shall examine carefully the statements of the condition and affairs of each Company, as required under this Act, and report thereon to the Minister of Finance as to all matters requiring his attention and decision. The Superintendent of Insurance shall prepare for the Minister of Finance from the said statements an annual report, showing the full particulars of each Company's business, together with an analysis of each branch of insurance, with each Company's name, giving items, classified from the statements made by each Company. The Minister of Finance shall lay the Superintendent's annual report before Parliament within thirty days after the commencement of each Session thereof.

Report to Minister of Finance for Parliament.

Provision if Superintendent considers further inquiry necessary.

3. If the Superintendent of Insurance, after a careful examination into the condition and affairs and business of any Company licensed to transact business in Canada, from the annual or other statements furnished by such Company to the

Minister of Finance, or for any other cause, deems it necessary and expedient to make further examination into the affairs of such Company, and so reports to the Minister of Finance—the Minister of Finance may, at his discretion, instruct the Superintendent of Insurance to visit the office of such Company, to thoroughly inspect and examine into all its affairs, and to make all such further inquiries as are necessary to ascertain its condition and ability to meet its engagements, and whether it has complied with all the provisions of this Act applicable to its transactions. And it shall be the duty of the officers or agents of such Company to cause their books to be open for the inspection of the Superintendent of Insurance, and otherwise to facilitate such examination so far as it may be in their power; and for that purpose the said Superintendent shall have power to examine under oath the officers or agents of such Company relative to its business. A report of all Companies so visited by the Superintendent shall be entered in a book kept for that purpose, with notes and memoranda showing the condition of each Company after such investigation, and a special report communicated in writing to the Minister of Finance, stating the Superintendent's opinion as to its standing and financial position, and all other matters desirable to be made known to the Minister of Finance. If it appears to the Superintendent that the assets of any Company are insufficient to justify its continuance of business on the guarantee basis of Sections six and eight, or unsafe for the public to effect insurance with it, he shall make a special report on the affairs of such Company to the Minister of Finance; and if the Minister, after full consideration of the report, and a reasonable time being given to the Company to be heard by him, after such further inquiry and investigation (if any) as he may see proper to make, reports to the Governor in Council that he agrees with the said Superintendent in the opinion so expressed in his report, then, if the Governor in Council also concurs in such opinion, an Order in Council may issue suspending or cancelling the license of such Company, which shall then, during such suspension or cancellation, be held to be unlicensed; and after the notification of the suspension or cancelling of such license in the *Canada Gazette*, any person delivering any policy of Insurance, or collecting any premium, or transacting any business of Insurance, on behalf of such Company, shall be liable to the penalties provided for by the fourteenth Section of this Act.

If the company appears unsafe.

Suspension of license and notice thereof.

4. The Superintendent of Insurance, or officers under him, shall not be interested as Shareholders, directly or indirectly, with any Insurance Company doing business in Canada, or licensed under this Act. Superintendent not to be interested in any company.

Contribution towards expenses.

5. Towards defraying the expenses of the office of the Superintendent of Insurance, a sum not exceeding eight thousand dollars shall be annually contributed by the Companies licensed under this Act, which sum shall be assessed *pro rata* upon the gross premiums received by each during the preceding year, such sum to be paid upon the issue of the annual license.

Fees to be collected by Superintendent.

\* 6. The Superintendent of Insurance shall also collect and pay to the Receiver General the following fees :

|   |         |
|---|---------|
| For recording and filing the several documents required of each Company, under the tenth Section of this Act..... | \$10 00 |
| For change of attorney under the said section.....  | 5 00    |

## THE CONSOLIDATED INSURANCE ACT, 1877.

## 40 VICTORIA.

## CHAP. 42.

An Act to amend and consolidate certain Acts respecting Insurance.

[Assented to 28th April, 1877.]

**H**ER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :—

- 1.** The following terms and expressions whenever used in this Act, unless it be otherwise specially provided, or there be something in the context repugnant to, or inconsistent with such construction, shall be construed and interpreted as hereinafter mentioned, that is to say :—
- 1.** "Company" means and includes any corporation and any society or association, incorporated or unincorporated, and any partnership carrying on the business of insurance other than ocean marine insurance only : Interpretation.
- 2.** "Agent" means the chief agent of the Company in Canada, named as such in the power of attorney hereinafter referred to, by whatever name he may be designated : Company.
- 3.** "Chief Agency" means the principal office, or place of business of the Company in Canada : Agent.
- 4.** "Canadian Policy" or "Policy in Canada" means a policy issued by any company licensed under this Act to transact the business of life-insurance in Canada in favor of any person or persons resident in Canada at the time when such policy was issued, and "policy-holder in Canada" means any such person as aforesaid : Chief Agency.
- Canadian policy.

- Short titles. This Act may be cited as "*The Consolidated Insurance Act, 1877*;" and this Act and the Act thirty-eighth Victoria, chapter twenty, may be cited together as "*The Insurance Acts of 1875 and 1877*."
- What Companies only may transact life insurance business in Canada. **2.** It shall not be lawful for any Insurance Company to issue any policy of life-insurance or to grant any annuity on lives or receive any premium or transact any business of life-insurance, in Canada, or to prosecute or maintain any suit, action or proceeding either at law or in equity, or to file any claim in insolvency relating to such business, founded on any policy in Canada, without first obtaining a license (as hereinafter provided for) from the Minister of Finance to carry on such business in Canada; but this Act shall not apply to any policy in Canada, issued previously to the twenty-second day of May, in the year one thousand eight hundred and sixty-eight, by any Company which has not subsequently received a license.
- Proviso. **3.** The license shall be in such form as may be, from time to time, determined by the Minister of Finance, and it shall expire on the thirty-first day of March in each year, but shall be renewable from year to year.
- Form and duration of license. **4.** The Minister of Finance so soon as the company applying for the same has deposited in the hands of the Receiver General the securities hereinafter mentioned, and has otherwise conformed to the requirements of this Act, shall cause to be issued such license as aforesaid.
- License to issue on certain conditions. **5.** Every Company shall, before the issue of such license, have deposited the sum of fifty thousand dollars with the Receiver General in securities as hereinafter named. All such deposits may be made by any company in securities of the Dominion of Canada, or in securities issued by any of the Provinces in the Dominion of Canada; and by any company incorporated in the United Kingdom in securities of the United Kingdom; and by any company incorporated in the United States in securities of the United States; and the value of such securities shall be estimated by the Treasury Board at their market value at the time when they are so deposited. If any securities other than those above named are offered as a deposit they may be accepted, at such valuation and on such conditions as the Treasury Board may direct; and if the market value of any of the securities which have been deposited by any company shall decline below that at which they were deposited, the Minister of Finance may call upon the company to make a further deposit, so that the market value of all the securities deposited by any company shall be equal to the amount which it is required by this Act to deposit; and on failure by the Company to make such further deposit within sixty days

after being called upon so to do, the Minister of Finance may withdraw its license.

6. Any company licensed under this Act may nevertheless at any time or times deposit in the hands of the Receiver General any further or other sum or sums of money or securities beyond the sum required to be deposited; and any such further sum or sums of money, or securities therefor, so deposited in the hands of the Receiver General, shall be held by him subject to, and to be dealt with according to the provisions of this Act in respect to the original sum required to be deposited by such company, as if the same had been part of such original deposit, and shall not be withdrawn except with the sanction of the Governor General in Council on the report of the Treasury Board.

Company may deposit further security.

How to be dealt with.

7. If from the annual statements or after examination of the affairs and condition of any company, (as hereinafter provided for) it appears that its liabilities to policy-holders in Canada (including matured claims, and the full reserve or reinsurance value for outstanding policies as hereinafter described, after deducting any claim the company may have against such policies) exceed its assets in Canada,—including the deposit in the hands of the Receiver General,—then the company shall be called upon by the Minister of Finance to make good the deficiency; and on failure to do so within sixty days, he shall withdraw its license:

Any deficiency of security to be made good.

Penalty for failure.

2. If the company be incorporated elsewhere than within Canada, the assets in Canada as aforesaid shall be taken to consist of any deposit which the company may have made with the Receiver General in conformity with the fifth and sixth sections of this Act, and of such assets as may have been vested in trust for the company for the purposes of this Act, in two or more persons resident in Canada,—such trustees to be appointed by the company and approved by the Minister of Finance,—by whom also the trust-deed must be approved; and the said trustees may deal with such assets in any manner provided by the deed of trust appointing them, so however that the value held by them shall not fall below that required by this section: Provided that in the case of any such company, which moreover shall have given written notice to the Minister of Finance before the thirty-first day of March in the year one thousand eight hundred and seventy-eight of its intention to avail itself of this proviso, the foregoing requirements of this section shall not apply to any policy issued previously to the thirty-first day of March in the year one thousand eight hundred and seventy-eight, and the deposit at present in the hands of the Receiver General shall be dealt with in regard to such policies in conformity with the fourth and fifth sections of an Act passed by the Parliament of Canada in the

8. So long as any company's deposit is unimpaired, and the conditions of the preceding section are satisfied, and no notice of any judgment or order made by the proper court in that behalf under the fifteenth and sixteenth sections of this Act is served upon the Minister of Finance or Receiver General, the interest upon the securities forming the deposit shall be handed over to the company as it falls due.

Certain docu-  
ments to be  
filed before  
license is  
granted.

9. Every company shall, before the issue of a license to it, have filed in the department of the Minister of Finance a copy of the charter, Act of incorporation, or articles of association of the company, certified by the proper officer in charge of the original thereof, and also a power of attorney from the company to its agent in Canada, under the seal of the company (if it has a seal) and signed by the president and secretary or other proper officers thereof, in presence of a witness who must make oath or affirmation as to the due execution thereof; and the official positions in the company held by the officers signing such power of attorney shall be sworn to or affirmed by some person cognizant of the necessary facts in that behalf; and such power of attorney must declare at what place in Canada the head office, or chief agency of such company is, or is to be established, and must expressly authorize such attorney to receive process in all suits and proceedings against such company in any Province of Canada for any liabilities incurred by the company therein, and also to receive from the Minister of Finance and the Superintendent of Insurance, all notices which the law may require to be given, or which it may be thought advisable to give, and must declare that service of process for or in respect of such liabilities, and receipt of such notices, at such office or chief agency, or personally on or by such attorney at the place where such head office or chief agency is established, shall be legal and binding on the company to all intents and purposes whatsoever; and also a statement of the condition and affairs of such company on the thirty-first day of December then next preceding, or up to the usual balancing day of the company (provided that such day shall not be more than twelve months

before the filing of the statement,) in such form as may be required by the Minister of Finance.

Whenever any such company changes its chief agent or chief agency in Canada, such company shall file a power of attorney as hereinbefore mentioned, containing any such change or changes in such respect, and containing a similar declaration as to service of process and notices as hereinbefore mentioned; and every company shall, at the time of making the annual statement hereinafter provided for, declare that no change or amendment has been made in the charter, Act of incorporation, or articles of association of the company, and no change in the chief agency or chief agent, without such amendment or change having been duly notified to the Superintendent of Insurance.

If changes are made in a chief agency.

Declaration of no change to be made in the annual statement.

Duplicates of all such documents duly verified as aforesaid, shall be filed in the office of one of the superior courts either of law or equity in the Province in which its head office, or chief agency is situated,—or if the chief agency be in the Province of Quebec, with the Prothonotary of the Superior Court of the district wherein such chief agency is established.

Duplicates of such documents to be filed in Court.

10. After the certified copies referred to in the last preceding section, and such power of attorney are filed as aforesaid, any process in any suit or proceeding against such company, for any liabilities incurred in any Province in Canada, may be validly served on the company at its chief agency; and such service shall be deemed to be service on the company.

Service of process on Company.

11. Every company on first obtaining such license as aforesaid shall forthwith give due notice thereof in the *Canada Gazette*, and in at least one newspaper in the county, city or place where the head office, or chief agency is established, and shall continue the publication thereof for the space of four weeks, and the like notice shall be given, for the space of three calendar months, when a company ceases, or notifies that it intends to cease, to carry on business in Canada.

Company to give notice of license.

And of ceasing business.

12. The Minister of Finance shall cause to be published quarterly in the *Canada Gazette* a list of companies licensed under this Act, with the amount of deposits made by each company; and upon any new company being licensed, or upon the license of any company being withdrawn in the interval between two such quarterly statements, he shall publish a notice thereof in the *Canada Gazette* for the space of four weeks.

Notices by Minister of Finance.

Penalty for issuing any policy in contravention of this Act; except in cases under ss. 17 and 18.

How enforced and applied.

Renewal of licenses which have been withdrawn under sections 5 or 7. Withdrawal of license for non-payment of claims.

Renewal if claim is satisfied.

Company whose license is withdrawn liable as for insolvency; exception under ss. 17 and 18.

Application of assets held by trustees under s. 7, in cases of insolvency in the several Provinces.

**13.** Any person (except as hereinafter provided in the seventeenth and eighteenth sections of this Act) who delivers any policy of insurance, or collects any premium (except only on policies issued to persons not resident in Canada at the time of issue,) or transacts any business of insurance on behalf of any life insurance company, without such license as aforesaid, shall be liable to a penalty of one thousand dollars for each such contravention of this Act,—which penalty may be sued for and recovered on information filed in the name of the Attorney General of Canada; and one-half of the said penalty when recovered shall be paid to the Crown, and the other half of the said penalty to the informer; and in case of non-payment of such penalty and costs within one month after such judgment, the person so offending shall be liable to imprisonment in any jail or prison for a period not exceeding six months in the discretion of the court wherein he is convicted.

**14.** When the license of a company has been withdrawn by the Minister of Finance under the fifth or seventh section of this Act, such license may be renewed if, within thirty days of such withdrawal, the company complies with the requirements of this Act to the satisfaction of the Minister of Finance: and whenever satisfactory proof has been furnished to the Minister of Finance of any undisputed claim upon a company, arising on any policy in Canada, remaining unpaid for the space of sixty days after being due, or of a disputed claim remaining unpaid after final judgment in a regular course of law and tender of a legal valid discharge made to the agent of such company, the Minister of Finance may withdraw the license of such company; but such license may be renewed if within thirty days after such withdrawal such undisputed claims or final judgments upon or against the company are paid and satisfied.

**15.** Except in the cases provided for in the seventeenth and eighteenth sections of this Act, a company shall be liable to be dealt with in the manner hereinafter prescribed for the case of insolvency, whenever its license has expired or been withdrawn without the renewal of the same within thirty days after such expiry or withdrawal.

In case of the insolvency of any company, all the assets held by the trustees as required by the seventh section of this Act, together with the deposits of such company held by the Receiver General, shall be applied *pro rata* towards the discharge of all claims of policy-holders in Canada duly authenticated against such company; and the distribution of such assets and deposits may, if applied for in the Province of Ontario, or of Nova Scotia, or of New Brunswick, or of British Columbia, or of Prince Edward Island, be made by order in Chancery or in Equity; or if applied for in the Prov-

ince of Quebec or of Manitoba, may be made by judgment or order of distribution of the Superior Court within the district where the chief agency is situated.

16. Upon the insolvency of any company, such court as aforesaid having jurisdiction in the Province (or sitting in the district, if such Province be the Province of Quebec or of Manitoba) where the chief agency in Canada of such company is situated, shall appoint an assignee or assignees, who may be an officer or officers of such court, who shall forthwith call upon the company to furnish a statement of all its outstanding policies in Canada, and upon all such policy-holders to file their claims; and upon the filing of the claims before the assignees, the parties interested shall have the right of contestation thereof, and the right of appeal from their decision to such court as aforesaid, according to the practice of such court; and all policy-holders in Canada shall be entitled to claim for the full net values of their several policies at the time (including bonus additions and profits accrued), and such claims shall rank with judgments obtained and claims matured on Canadian policies, in the distribution of the assets hereinafter described; and the said assignees may require the Superintendent of Insurance to value, or procure to be valued under his supervision, the policies before mentioned, basing such valuation on the mortality table of the Institute of Actuaries of Great Britain and on a rate of interest at four and one half per centum per annum,—except in the case of bonus additions or other profits accrued or declared before the passing of this Act, and then valued on the basis of a rate of interest other than that above mentioned, which, in any such valuation, shall continue to be valued on such other basis; and the expenses of such valuation at a rate of three cents for each policy or bonus addition so valued shall be retained by the Receiver General from the securities held by him.

balance, if any, shall be surrendered to the company; but if any claim matures after the statement of such outstanding policies has been obtained from the company as hereinbefore provided, and before the final order of the court for the distribution of the proceeds above mentioned, or if the said proceeds are not sufficient to cover in full all claims recorded in the schedule, such policy-holders shall not be barred from any recourse they may have either in law or equity against the company issuing the policy or any shareholder or director thereof, other than for a share in the distribution of the proceeds above mentioned, or in any distribution of the general property and assets of the company (other than the deposit and assets vested in trustees under this Act) which may be made under "*The Insolvent Act of 1875.*"

Provided always that, in all cases of distribution of the proceeds of the deposit in the hands of the Receiver General and the assets vested in the trustees as provided for in this section, if it appears from the charter, act of incorporation, or articles of association of the company, and from the conditions of the policy, that any Canadian policy-holder claiming a share in such distribution has been insured on the "mutual" principle,—then such policy-holder shall be entitled only to claim a share in the distribution as aforesaid, at the same rate as all other holders of policies under the same conditions may be entitled to claim in the distribution of the total assets of the company, whether such be holders of Canadian policies or otherwise; but this proviso shall apply in the cases of such companies only as by the laws of the country (if such country be other than Canada) in which such company is chartered, incorporated or associated together, a Canadian policy-holder in such company is entitled to claim a share in the distribution in such country other than Canada, at the same rate as all other holders of policies under the same conditions may be entitled to claim in the distribution of the total assets of the company, and to enjoy all the rights and privileges as policy-holders which are enjoyed by the policy-holders who are natives of or naturalized in such country.

**17.** In the case of any company at present licensed to transact business of life insurance in Canada, which shall cease to transact such business before the time fixed for the first renewal of its license under this Act, and shall, before that time, give written notice to that effect to the Minister of Finance, the premiums due or to become due on policies actually issued before the aforesaid time, may continue to be collected, and the losses arising thereon may be paid, and all business appertaining thereto may be transacted, and all proceedings appertaining thereto, either at law or in equity, may be continued or commenced and prosecuted,

and the deposit at present in the hands of the Receiver General shall be dealt with, as if this Act had not been passed.

18. When any company licensed under this Act desires to discontinue business and to release its assets in Canada, and has given written notice to that effect to the Minister of Finance, it may procure the transfer, with the consent of the policy holders, of its outstanding policies in Canada to some company or companies licensed under this Act in Canada, or may obtain the surrender of the policies, so far as may be practicable; and the trustees may employ any portion of the assets vested in them for the purpose of effecting such transfer or surrender. It must also file with the Minister of Finance a list of all Canadian policy-holders whose policies have been so transferred or have been surrendered, and also a list of those which have not been transferred or surrendered, and it must, at the same time, publish in the *Canada Gazette* a notice that it will apply to Government for the release of its assets and securities on a certain day not less than three months after the date of the notice, and calling upon its Canadian policy-holders opposing such release to file their opposition with the Minister of Finance on or before the day so named; and after that day, upon the application for release being made, if the Minister of Finance with the concurrence of the Treasury Board is satisfied that such transfer or surrender has been effected, he may direct that a portion of the assets held by the trustees, or securities held by the Receiver General be retained, sufficient in amount to cover the full equitable net surrender value of such policies (including bonus additions and accrued profits) as have not been transferred or surrendered, or in respect to which opposition has been filed, and may order the remaining assets or securities aforesaid to be released and transferred or paid over to the company; and the portion retained shall be tendered in the manner hereinafter described to the aforesaid policy-holders *pro rata* according to the aforesaid values of their respective policies; and on the acceptance of the amount so tendered such policies shall thereby be deemed to be cancelled: but if such tender be refused by any policy-holder, the amount so tendered may be paid over to the company, and the policy shall continue in force, and such policy-holder shall not be barred from any recourse he may have in either law or equity against the company to compel the fulfilment of its contract under such policy. The surrender-values above mentioned shall be determined by the Superintendent of Insurance on the basis stated in the sixteenth section of this Act, and he shall collect from the company the expenses of such valuation at the rate of three cents for each policy or bonus addition, and shall pay the same to the Receiver General before the latter shall hand over the securities: but nothing herein contained shall hinder any policy-

How the tender under s. 18 shall be made.

**19.** The tender referred to in the eighteenth section shall be made in the following manner:—

List and notice.

A list and notice in the form Schedule B to this Act, or to the like effect, shall be published in the *Canada Gazette* for at least thirty days previous to the day named in such notice. The company shall also procure the said list and notice to be published in such newspapers in Canada and for such length of time as the Minister of Finance may determine;

Notice to be sent to each policy holder.

A notice in the form Schedule C to this Act, or to the like effect, shall be sent by mail (postpaid or franked) from the office of the Superintendent of Insurance to each of the policy-holders named in the said list, whose address may be known to the said superintendent. Such notice shall be posted in some post-office in Canada at least thirty days previous to the day named therein, which day must be the same day as that named in the list and notice above mentioned;

Policy holders not signifying acceptance deemed to have refused.

Any policy-holder not signifying in writing to the Superintendent of Insurance his acceptance of the amount so tendered, on or before the day named in the said notice, shall be deemed to have refused the same; but the Minister of Finance may, at any time prior to the payment over to the company of the amount so refused, allow any policy-holder to signify his acceptance of such amount,—which acceptance so allowed shall have the same effect as if made on or before the day named in the said notice.

Statement to be prepared yearly and sent to Minister of Finance.

What it must show.

Form of statement.

**20.** It shall be the duty of the President, Vice-President, or Managing Director, and Secretary or Manager of every company incorporated in Canada, and at present licensed or hereafter licensed under this Act, to prepare annually under their own oath, and cause to be deposited in the office of the Minister of Finance on the first day of January or within three months thereafter, a statement of the condition and affairs of such company at the usual balancing day of the company in the preceding year, which statement shall exhibit the assets and liabilities of the company, and its income and expenditure during the previous year, and such other information as may be deemed necessary by the Minister of Finance. Such statements shall be made in the form and manner shown in the Schedule A hereto annexed, subject to alteration by the Minister of Finance as hereinafter pro-

vided, and shall be sworn to before some person duly authorized to administer oaths in any legal proceeding in the manner annexed:—

The Minister of Finance may, from time to time, make such changes in the form of such statements as shall seem to him best adapted to elicit from the companies a true exhibit of their condition in respect to the several points hereinbefore enumerated.

Minister may  
alter form of  
statement.

**21.** Companies incorporated elsewhere than within Canada, and at present licensed or hereafter licensed under this Act, shall make annual statements of their condition and affairs under oath of their chief agent, and furnish the same to the Minister of Finance at the same time as Canadian companies—of their Canada business in the same form and manner (so far as applicable) as required of Canadian companies—and of their general business, in such form and to such date as they may be required by law to furnish to the government of the country in which their head office is situate, in a separate schedule attached. Finance with the concurrence of the Treasury Board, may order such company's license to be suspended or withdrawn as may be deemed expedient.

How reserve for covering liabilities to Canadian policy holders shall be calculated.

**23.** In computing or estimating the reserve necessary to be held in order to cover its liability to policy-holders in Canada, each company may employ any of the standard tables of mortality as used by it in the construction of its tables, and any rate of interest not exceeding four and one half per centum per annum; but if it appears to the Superintendent of Insurance that such reserve falls below that computed on the basis stated in the sixteenth section of this Act, he shall report the same to the Minister of Finance who may thereupon direct the said Superintendent to compute, or procure to be computed under his supervision, the reserve on the basis mentioned in this section, and the amount so computed, if it differs materially from the return made by the Company, may be substituted in the annual statement of assets and liabilities; and in such case, the company shall furnish to the Superintendent of Insurance on application the full particulars of each of its policies necessary for such computation, and shall pay to the said Superintendent an amount at the rate of three cents for each policy or bonus addition so computed, which amount he shall hand over to the Receiver General:

Minister may order re-computation.

Costs.

Company may require computation by Superintendent.

Any company instead of itself computing or estimating the reserve above mentioned may require the same to be computed by the Superintendent of Insurance on the basis stated in the sixteenth section of this Act, on payment of a like amount as is mentioned in the next preceding paragraph:

Proviso, as to bonus addition or profits on policies.

Provided always, that in the case of any bonus additions or other profits on the policies of any company, accrued or declared before the passing of this Act, and which have been heretofore valued on the basis of a rate of interest other than that above mentioned, it shall and may be lawful for such company to compute or estimate the same, or to have the same computed on such other basis;

And during 10 years as to Companies having heretofore computed the reserve on 5 per cent. interest.

And provided further, that in the case of any company which has heretofore based its computation or estimate of its reserve necessary to cover its liability to policy holders in Canada (other than the reserve to cover the bonus additions or other profits in the last proviso mentioned) on a rate of interest of five per centum per annum, the basis of computation or estimates mentioned in the sixteenth section and in this section, shall not apply until after the expiration of ten years, but it shall be lawful for such company, for ten years next after the passing of this Act, to compute or estimate such reserve, or to have the same computed, at a rate of interest not exceeding five per centum per annum.

24. The Superintendent of Insurance appointed under the Act passed by the Parliament of Canada in the thirty-eighth year of Her Majesty's reign, and intituled "*An Act to amend and consolidate the several Acts respecting Insurance, in so far as regards Fire and Inland Marine business,*" shall have the like duties and powers with respect to Companies at present licensed or hereafter licensed under the present Act to transact the business of life insurance, as are prescribed and conferred in the above cited Act with respect to companies licensed to transact the business of fire and inland marine insurance

Superintendent under 38 V. c. 20, to have like powers and duties under this Act.

2. Once in every five years, or oftener at the discretion of the Minister of Finance, the Superintendent of Insurance shall himself value or procure to be valued under his supervision, the Canadian policies of all companies licensed under this Act to transact the business of life insurance in Canada, —the basis of such valuation being that stated in the sixteenth section of this Act.

Valuation of Canadian policies every five years.

3. The Minister of Finance may, from time to time, instruct the Superintendent of Insurance to visit the head office of any company licensed under this Act and incorporated elsewhere than within Canada, and to examine into the general condition and affairs of such company; and if such company declines to permit such examination, or refuses to give any information necessary for such purpose, in its possession or control, its license shall be withdrawn.

4. Towards defraying the expenses of the office of the Superintendent of Insurance, the companies at present licensed or hereafter licensed under this Act to transact the business of life insurance in Canada shall each annually contribute a sum in proportion to the gross premiums received by each in Canada during the previous year, *pro rata* with the companies licensed under the above cited Act, —such sum to be paid upon the issue of the annual license.

Payments by Companies towards expenses of office of superintendent.

25. Except such companies as are licensed under the present Act or the above cited Act, no company shall do any business of insurance in Canada (always excepting companies doing in Canada ocean marine business exclusively) without permission obtained from the Minister of Finance, who, after report made by the Treasury Board and approved by the Governor in Council, shall decide in each case whether such permission shall be granted, and whether a license shall be proper or necessary to be issued, and whether any, and what deposit shall be required to be made with the Receiver General; and shall have power to call for annual statements under oath of such business in such form and manner as he may deem expedient, and may revoke the permission or license granted if he see cause therefor, and

[These Sections are referred to in Clause 2, Sect. 7 of the *Consolidated Insurance Act*, 1877, and may be applied in certain cases as provided in that Section and in Section 17.]

4. Upon the insolvency of any Company, the Court having jurisdiction in the Province (or sitting in the District if such Province be the Province of Quebec), where the chief agency in Canada of such Company is situated, shall appoint an Assignee or Assignees, who shall forthwith call upon the Company to furnish a statement of all its outstanding policies in Canada, and upon all policy holders to file their claims; and upon the filing of the claims before the Assignees, the parties interested shall have the same right of contestation, and the Assignee shall have the same powers in respect thereof, subject to the same right of appealing from their decision to the same tribunals, as is provided for in similar cases by the Insolvent Act of 1869; and in the case of a Life Insurance Company the Assignee or Assignees may insure all outstanding Canadian policies with some Company licensed to transact business in Canada, advertising for tenders to that effect; and if the amount of the deposit be not enough so to re-insure all policies to the full amount, and to meet all judgments against the Company, and claims accrued, the Assignees may insure them for such a percentage of the risks as the amount at their disposal may admit of, such re-insurance ranking *pro rata* with judgments and claims accrued; and the Court having jurisdiction, as above provided, may order a sufficient amount of the securities to be sold to meet such re-insurance. If the Assignees are unable to re-insure, in full or in part, all outstanding Canadian policies as a whole, they shall appoint a competent Actuary, and shall ascertain the re-insurance value of each policy according to the tables which, on the report of the Treasury Board, may be sanctioned by the Governor in Council for that purpose; and upon the completion of the schedule to be prepared by the Assignees, of all judgments against the Company, and of all claims for re-insurance, or for surrender of the policy as aforesaid, the

5. When any Company has ceased to transact business in Canada, and has given the notice required by this Act to that effect, before its securities can be given up to it, it must insure on behalf of its Canadian policy holders, all outstanding risks in some Company or Companies licensed in Canada, or obtain the surrender of the policies. Upon making application for its securities, the Company must file with the Minister of Finance a list of all Canadian policy holders who have not been so insured, or have not surrendered their policies, and it must at the same time publish in the *Canada Gazette* a notice that it has applied to Government for the release of its securities on a certain day, not less than thirty days after the date of the notice, and calling upon its Canadian policy holders opposing such release, to file their opposition with the Minister of Finance, on or before the day so named; and after that day, if the Treasury Board is satisfied that the Company has ample assets to meet its liabilities, all the securities may be released to it by an order of the Governor in Council, or a sufficient amount of them may be retained to cover the value of all risks respecting which opposition has been filed, and the remainder may be released, and thereafter, from time to time, as such opposing risks may lapse, or proof may be adduced that they have been satisfied, further releases may be made on the authority aforesaid; and after a Company has ceased to transact business in Canada after the notice hereby required, and its license has in consequence been withdrawn, such Company may nevertheless continue to receive the premiums coming due on policies not re-insured or surrendered, and may pay the losses arising thereon, as if such license had not been withdrawn.

## OFFICE OF THE SUPERINTENDENT OF INSURANCE.

OTTAWA, 29th March, 1878.

SIR,— have the honor to inclose an abstract of the business of Fire and Marine Insurance in Canada, for the year 1877.

The Abstract has been made from the attested statements returned by the Companies; and these statements in full will be laid before you in the report which I shall have the honor to make to you after visiting the Head Offices of the Companies personally, as required by the Statute, 38 Vic., Chap. 20.

The returns of the Companies doing Life Insurance in Canada are not due till the end of this month, but I hope to lay the abstract of their returns before you in a short time.

I have the honor to be, Sir,

Your most obedient servant,

J. B. CHERRIMAN,

*Superintendent of Insurance*

Hon. R. J. CARTWRIGHT,  
*Minister of Finance.*

## RETURN

(14)

To an ADDRESS of the SENATE dated 12th April, 1878;—For a statement of the names of the foreign Mutual Life and Stock Companies that have not complied with the Consolidated Insurance Act of last Session in respect of deposits for future business; the amount insured by such Companies, respectively, in Canada, at last Returns made by them; also the names of those Companies which, in the year immediately preceding such Session, had ceased to do business in Canada; and also any correspondence which may have taken place between any of such Companies and the Government in respect of such business since the 1st July, 1877.

By Command.

R. W. SCOTT,  
*Secretary of State.*

DEPARTMENT OF THE SECRETARY OF STATE,

CORRESPONDENCE, OUTWARDS, TO INSURANCE COMPANIES, &c.

OTTAWA, 5th July, 1877.

DEAR SIR,—Referring to your letter of the 28th ult., Section 24 of the Insurance Bill comprises four clauses. To which of them, or to what particular in them, does your Manager intimate that objection is likely to be made?

Yours very truly,

(Signed)

J. B. CHERRIMAN,  
*Superintendent of Insurance.*

Geo. W. FORD,  
Agent Scottish Amicable Assurance Co.  
Montreal.

## OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 12th July, 1877.

DEAR SIR,—In reply to your favor of the 5th inst., I beg to state (1) that if your Company decides not to transact new business in Canada it will not be necessary to renew the license on 31st March, 1878, on your giving notice to that effect; see Section 17. (2) It will, in any case, be necessary to file with us a copy of the contract of co-partnership and the power of attorney to the chief agent. (3) The old form of annual statement is abolished; a new schedule will be furnished in accordance with Section 21. (4) You will have till 31st March, 1878, before you decide on applying for the renewal of license or otherwise.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent of Insurance.*

DAVID HIGGINS, Esq.,  
Edinburgh Life Assurance Office,  
Toronto.

## OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 13th July, 1877.

DEAR SIR,—If your Directors' objection is, as you suppose, to the second clause of Section 24, directing quinquennial valuation by this Department of your policies in Canada, I fear I can say nothing at present to remove it, as I fail to perceive the grounds on which said objection rests.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent of Insurance.*

GEO. W. FORD, Esq.,  
Scottish Amicable Life Assurance Co.,  
Montreal.

## OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 14th July, 1877.

DEAR SIR,—Referring to the question contained in your favour of the 16th ult., as to whether, in the case of a company renewing its license and availing itself of the proviso of Section 7, it will be "obligatory to have annual or quinquennial valuations of now existing policies, but only of policies issued after March, 1878," the intention of the Act is, that a company in such case shall annually furnish an estimate of its liability under both its old and new policies. You will notice that the wording of the Act is "compute or estimate," the former word meaning an exact actuarial valuation, the latter such an approximation to the actual value as will readily be made by methods known to actuaries, with sufficient certainty of being over the exact value. The only mention in the Act of a "quinquennial valuation" is when such is directed to be made for all companies by the Superintendent of Insurance, for the purpose of comparison with the computations or estimates made by the companies themselves. You will observe, of course, that the mortality table and rate of interest to be employed are at the discretion of the company within certain limits, and that, in the case of a British company which uses 3 or  $3\frac{1}{2}$  per cent. interest in its valuation, it is extremely unlikely that any estimate they might make would fall below our standard at  $4\frac{1}{2}$ . Permit me to offer you an illustration of how closely an estimate may be made. The North British and Mercantile in their last return gave the amount at

risk in Canada at \$8,593,855, and as it was necessary to include this reserve on this as a liability in their Fire Statement, and the agents could give no help in determining the amount, I had to estimate it myself; and after looking at the course of their business since 1869, I set it down in round numbers at \$100,000, and it is so published. Soon after, the Company itself, with laudable zeal, favoured me with a calculation of their risks, not only on their own table and rate of interest, but also at our H.M. Standard at 4½. They were, however, apparently not aware that Prince Edward Island, Nova Scotia and New Brunswick were part of the Dominion, and had not included their risks in these provinces; taking these into account and assuming the same rate of liability for them, the final result comes out \$106,447. The liability, according to their own tables, H.M.F. 3½ and Carlisle 3, would have been about 40 per cent. greater.

I should regret extremely if a Company like yours, which is doing a good business in Canada, and bears so high a reputation among our people, should think it necessary to withdraw on a point which really seems to me of very little importance to the Company, though of much consequence to us in obtaining complete statistics.

Believe me yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent of Insurance.*

JOHN FRASER, Esq.,  
Manager "Life Association of Scotland,"  
82 Princess Street, Edinburgh.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 19th July, 1877.

DEAR SIR,—In reply to your letter of the 18th instant, the copy of your original power of attorney will be sufficient if properly certified by a notary. I return it to you to have this done. The other documents are in order.

This will be sufficient, whether the Company does or does not go on with new business.

The assessment will be made in all companies, whether at present licensed or hereafter licensed under the Act.

Not necessary to prepay letters to this office.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent of Insurance.*

DAVID HIGGINS, Esq.,  
Edinburgh Life Assurance Company,  
Toronto.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 20th July, 1877.

DEAR SIR,—The extract from your manager's letter throws no light upon the point. I suspect that he has mistaken the number of the section, and that he is alluding to a supposed necessity of making an actuarial valuation of his Canadian policies every year for the purpose of the schedule. The objection was raised also

by Mr. Fraser, of the Life Association of Scotland, and I inclose a copy of my letter to him in reply, which may probably remove the objection mentioned by your manager, if it is of the nature I suspect.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent of Insurance.*

GEO. WM. FORD, Esq.,  
Scottish Amicable Life Association,  
Montreal.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 31st July, 1877.

DEAR SIR,—In the absence of the Superintendent, I beg to acknowledge your favour of 27th instant, covering certified copy of power of attorney in your favour from the Edinburgh Life Insurance Company, also printed copy of an Imperial Act “conferring additional powers” on said Company.

Your most obedient servant,

(Signed) C. E. ANDERSON.

DAVID HIGGINS, Esq., Chief Agent,  
Edinburgh Life Assurance Company,  
Toronto.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 13th November, 1877.

DEAR SIR.—In answer to your favour of yesterday, I beg to state that there is no particular form of trust-deed prepared by the Government to meet the requirement of the 7th section of the “The Consolidated Insurance Act, 1877,” nor am I aware of any intention of the Government to provide such deed.

With reference to any further deposit that might be required from foreign Companies under the 1st clause of 7th section of the Act above cited, such further deposit may be made with the Receiver-General under authority of the 6th section, and no trust-deed would be necessary; or may be “vested, in trust for the Company, for the purposes of this Act, in two or more persons resident in Canada, such trustees to be appointed by the Company and approved by the Minister of Finance, by whom also the trust-deed must be approved.” (See Clause 2, Section 7.)

Should this latter course be adopted the Company must provide the trust-deed and submit it for approval.

The trust-deed clause was adopted for the purpose of giving Companies, who might desire it, greater facility in exchanging the securities from time to time than is afforded by formal application to the Treasury Board under deposit with the Receiver-General.

You will thus clearly see that “the entire amount of money which a Company is required to have in Canada as the value of its liabilities, can be deposited in the shape of securities with the Receiver-General should any Company so desire it.”

Your most obedient servant,

(Signed) C. E. ANDERSON,  
*Provisional Superintendent.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 27th December, 1877.

DEAR SIR,—I hope your Head Office will be able to give you the amount asked for in No. 22. It is not such a difficult matter as you appear to suppose, for I do not ask for an exact actuarial computation, and your actuary would be able to give the estimate required without much trouble.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

DAVID HIGGINS, Esq.,

*Circular.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, December, 1877.

SIR,—I have the honour to forward you the blanks for the statements required from your Company, in accordance with the Insurance Act of 1877.

Although by the Act these are not required to be returned before the 31st March, 1878, yet, as they are required to be laid before Parliament within thirty days of its assembling, and as it is highly desirable that an abstract of the business should be published as soon as possible, I have to request that you will favor me with the return at the earliest possible date after the close of your year.

It is particularly requested that no alterations be made in the text of this statement; any explanations or remarks, and any details required, can be made on the blank sheets opposite.

I beg also to call your attention to a change introduced by Section 9 of the Act, whereby it is now required that a certified copy of the charter and an original power of attorney to your Chief Agent to receive process and notices, are to be filed in this office, and duplicates of these are to be filed in one of the Superior Courts or with the Prothonotary. In cases where this has not already been done, it is desirable that it should forthwith be effected; but where a sufficient power of attorney has already been filed with one of the Superior Courts, or with the Prothonotary, this Department will accept a notarial copy of the same.

The present licenses remain in force till 31st March, 1878, and will then be renewed. Any Company which desires to give notice to the Minister of Finance according to the proviso of Section 7, or to Section 17, should do so through this office before that date.

I have the honour to be, Sir,  
Your obedient servant,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 12th January, 1878.

DEAR MR. CROSS,—In answer to the questions contained in the enclosed letter:—

(1.) In the case of such American companies as by the Act of 1868 were allowed to declare that their deposit was made for the general benefit of all its members, it is a disputed question whether such deposit could be applied in Canadian policy holders exclusively under the Act of 1871. Legal opinions differ, and the question has never yet come up before the Courts for decision.

(2.) If a Company so desires, all its policies issued previous to 31st March, 1878, are exempted from the operation of the Act of 1877, and the present deposit will be applied for the benefit of those policies as if that Act had not been passed.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

THOS. CROSS, Esq.,  
&c., &c.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 16th January, 1878.

DEAR SIR,—I enclose a copy of the assignment requested by the National Insurance Company. Be good enough to inform the President that the statement of business is required from all companies which do business in Canada, whether they give the notice or not under Section 17.

We have no blank forms for the power of attorney from a company to the chief agent. All that is necessary is to follow the wording of the Statute.

Yours very truly

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

To T. C. LIVINGSTON, Esq.,  
Hamilton.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 30th January, 1878.

DEAR SIR,—I have the honour to acknowledge the receipt of your letters of 29th inst. to the Minister of Finance and myself, conveying the notice required in the 17th section of the Consolidated Insurance Act of 1877.

There are no further steps necessary to be taken in reference to the paragraph in your Manager's letter touching the computation or estimate of the reserve for your policies in Canada. I should be extremely obliged if the Company would consent to favour me with such an estimate. I am not asking it as a matter of right, but as a favour, as I am very desirous of putting our statistics in a complete form. As it is only an "estimate" which is asked for, and which half an hour's inspection of your last valuation would enable an actuary to make with sufficient closeness, I trust the Company will be able to comply with my request.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

DAVID HIGGINS, Esq.,  
Edinburgh Life Assurance Office,  
Toronto.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 12th February, 1878.

SIR,—In reply to your letter to the Honorable Receiver General of 9th inst., I have the honor to inform you that he will transmit to you the matured Bond No. 464

on receiving the bond you propose to substitute therefor; such exchange being without prejudice as to any action the Company may choose to take in reference to continuing business in Canada. In executing the assignment of the new bond, will you be good enough to include also the assignment of the bonds you now have on deposit here (excepting No. 464) as our Law Officers find some imperfection in the present condition of the deposit? The form may be substantially the same as that employed in depositing bonds with any of the Insurance Commissioners of the U. S., the assignment being made to "The Hon. R. J. Cartwright, Minister of Finance for the time being of the Dominion of Canada, and his successor in office, in trust for the North Western Life Insurance Company."

The bond can be forwarded and the old one retained by express if you so desire.

I am, Sir,  
Your obedient servant,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

North Western Life Insurance Company,  
Milwaukee, Wisconsin, U.S.

OFFICE OF THE SUPERINTENDENT OF INSURANCE  
OTTAWA, 12th February, 1878.

DEAR SIR,—I am much obliged to your Manager for his kindness in complying with my request to furnish an estimate of the liability under the policies, and the more so that I appreciate his reluctance to do so in view of the approaching valuation. It is probable that I shall not require this item for publication till June, by which time the valuation may have so far proceeded as to enable him to replace the estimate by a more vigorous computation. I will, therefore, hold the matter over as long as I can, and only ask you for the estimate if I find we can wait no longer.

Yours very truly,

(Signed) J. B. CHERRIMAN,

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 13th March, 1878.

DEAR SIR,—A Company not wishing to renew its license should give notice that it intends to cease to transact new business, in compliance with the 17th Section of the Consolidated Insurance Act of 1877.

Yours truly,

A. R. BETHUNE, Esq.,  
Phoenix Mutual Life Insurance Company,  
Montreal.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 13th March, 1878.

DEAR SIR,—In reply to the questions contained in your favor of 11th instant, I beg to state:—

(1.) There is no special form of notice prescribed; all that is necessary would be something of the following kind:—

“I, President of the N. L. I. of U.S. of A, give notice that the above Company has ceased to transact new business in Canada, in compliance with the 17th Section of the Consolidated Insurance Act of 1877.”

(2.) It is necessary that the Company should make the annual statements required by Section 21 of the above cited Act.

(3.) For the general business of the Company you are asked to furnish it in the same form as you are required by law to furnish to Government in the country in which your Head Office is situated. We do not furnish blanks for this purpose, as we do not know what form is prescribed by your own Government. If your Head Office is in Illinois, I suppose you will use the Illinois forms.

(4.) All the particulars asked for in our blanks are considered essential. You must make the best approximations you can under the circumstances.

(5.) No change in the power of attorney is necessary, but it should be filed with this Department, as also a copy of your charter.

I shall be happy to furnish any further information you may require.

Yours very truly,

(Signed) J. B. CHERRIMAN,

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 22nd March, 1878.

SIR,—I have the honor to acknowledge the receipt of your letter to the Minister of Finance of 20th instant, giving notice, in conformity "with the 17th Section of the Consolidated Insurance Act of 1877," that your Company will cease to transact new business of insurance in Canada after 31st March instant.

The issue of paid up policies, in accordance with the terms of the original contracts, will not be an infringement of the Act.

You will, however, be called upon to make annual returns to the Department, in terms of the 21st Section of the Act, so long as you have any policies in force in Canada.

Your obedient servant,

Hartford, Conn., U.S.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 21st March, 1878.

SIR,—I have the honor to acknowledge the receipt of your favor of 19th instant, giving notice to the Minister of Finance, in conformity with Section 17 of 40 Victoria, Chapter 42, that you have ceased to transact new business in Canada, and that you intend to avail yourselves of the provisions of that Section.

Your obedient servant,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

Wm. H. BEERS, Esq., Vice-President,  
New York Life Insurance Company,  
346 and 348 Broadway, New York, U.S.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 23rd March, 1878.

SIR,—I have the honor to acknowledge the receipt of your notice to the Minister of Finance, given in conformity with Section 17 of the Consolidated Insurance Act of 1877, that you have ceased to transact new business of insurance in Canada.

The copy of the charter is also received.

We have no blank form for the power of attorney; the Company may use its own terms at its discretion, provided that the essential parts of Section 9 of the Act are continued therein.

Regretting that you have deemed it necessary to withdraw from the Dominion,

I am, Sir,  
Your most obedient servant,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 25th March, 1878.

DEAR SIR,—I enclose a copy of a letter which I have just mailed to your President, in connection with the conversation I had with you on Saturday evening:

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

M. W. MILLS, Esq.,  
North Western Mutual Life Insurance Company,  
Toronto.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 25th March, 1878.

DEAR SIR,—I have the honor to acknowledge the receipt, by the Minister of Finance, of your notice of the 19th inst., of your intention to discontinue the transacting of new business of Life Insurance in Canada. This notice is sufficient for the purpose of the 17th section of the Consolidated Insurance Act of 1877, whereby the transaction of business connected with existing policies can be proceeded with if this Act had not been passed, and I presume, from a conversation with Mr. Mills, that such is your desire; as, however, the notice also expresses your intention of availing yourselves of the proviso of Section 7 of the Act, (for which purpose it is also in order) and this appears to contemplate the renewal of your license, I shall be happy (if it is your desire) to issue such renewal, in which case it would be optional with you to do new business or not at your pleasure.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

H. L. PALMER, Esq., President,  
North Western Mutual Life Insurance Company,  
Milwaukee, Wis., U.S.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 27th March, 1878.

SIR,—I have the honor to acknowledge the receipt, by the Minister of Finance, of your communication of the 14th inst., containing notices given in conformity with the 17th and 7th sections of the Consolidated Insurance Act of 1877.

These notices are sufficient, and there are no further steps necessary to be taken by your Company. The forthcoming *Canada Gazette* will contain an announcement of the acceptance of the notices.

I am, Sir,  
Your obedient servant,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 2nd April, 1878.

DEAR SIR,—I beg to acknowledge your favors of 29th ultimo, accompanying the statements of your society for 1877, which will receive due attention.

I also have to acknowledge the letter from the Head Office, Glasgow, advising the decision of the Directors to cease doing any new business in Canada, and which I have acknowledged direct to Glasgow.

Your most obedient servant,

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 2nd April, 1878.

DEAR SIR,—I have the honor to acknowledge your favour of 23th ultimo to myself and yours of 27th to the Minister of Finance, the latter accompanying a formal notice from your Company of discontinuance of business in Canada, under Section 17 of 40 Vic., chap. 42.

The tenor of both carrying the information that it is not the intention of your Company to take out a new license or to issue new policies in the Dominion, but simply to collect premiums upon existing policies and pay any loans thereon. All of which is duly noted.

Your most obedient servant,

(Signed) J. B. CHERRIMAN,  
*Superintendent of Insurance.*

H. L. PALMER, Esq., President,  
North Western Mutual Life Insurance Company,  
Milwaukee.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 2nd April, 1878.

SIR,—I beg to acknowledge your favor of the 8th ultimo, advising that the Directors of your Society have “resolved to discontinue transacting new business in Canada,” and notifying the Minister of Finance to that effect in terms of the Act. All of which is duly noted.

Your most obedient servant,

(Signed) J. B. CHERRIMAN,  
*Superintendent of Insurance.*

THOS. MARR, Esq., Manager,  
Scottish Amicable Life Assurance Society,  
St. Vincent Place, Glasgow.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 5th April, 1878.

DEAR SIR,—I have the honor to acknowledge the receipt of your letter to the Minister of Finance of the 29th ultimo, enclosing power of attorney from the “National” to T. C. Livingston, and a notice from the President given in conformity with the 17th section of the Insurance Act of 1877.

You will find this notice duly announced in this week’s *Canada Gazette*. In reply to his question whether “Citizens” of Canada can insure with them if they desire it, by mailing the application and premium to the Head Office and receiving the policy from there direct by mail, I beg to say that nothing in our Statutes prevents anybody from insuring where they please, but any agent or intermediary employed in such a transaction as referred to, would render himself liable under Section 13 of the Act. The transaction itself would be quite legitimate.

Your obedient servant,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 5th April, 1878.

DEAR SIR,—You will see by the *Canada Gazette* of this week that the “National Life Insurance Company” has given the required notice to the Minister of Finance, and is authorized to transact business of Insurance, relating to policies existing at 31st March ultimo.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

JOHN TAYLOR, Esq.,

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 6th April, 1878.

DEAR SIR,—I beg to acknowledge your favor of the 4th inst., accompanying the Statement of the Phoenix Mutual Life Insurance Company, for 1877, which will receive due attention. I note that you sign as "Manager for Canada." Is it not desirable that you forward here a written authority, under the seal of the Company, to the effect that you are its Manager here, to receive process, &c.

Your most obedient servant,

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 9th April, 1878.

DEAR SIR,—We have not yet received the annual statements of the Canadian business of your Company, the blank forms for which I had the honor to send you on 20th December ult., as they ought to have been returned on or before the 31st March ult., and we are now waiting to lay them before Parliament. I should be obliged if you would have the goodness to transmit them at the very earliest possible date.

Yours very truly,

New York, U.S.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 9th April, 1878.

DEAR SIR,—We have not yet received the annual statement of your Company for the year 1877. The blank forms were sent to you on the 20th December, ult., and the latest date for their return was the 31st March, ult. Will you have the kindness to procure them that they may be transmitted to us at the very earliest possible date, as we are waiting to lay them before Parliament, and are being pressed on account of supposed dilatoriness on our part.

Trusting that this matter will receive your urgent attention.

I am, yours truly,

North Western Mutual Life Insurance Company,  
Toronto.

## OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 9th April, 1878:

DEAR SIR,—I notice by the newspapers that you have been appointed Manager, in the room of the late Mr. Burke. It will be necessary for the Company to give the power of attorney to some one in Mr. Burke's place (yourself, I presume) in accordance with Section 9 of the Act.

We have not yet received the returns of the business for 1877, which were due on 31st March ult.; the blanks were sent to Mr. Burke on 20th December, ult., and duplicates sent to you on 21st January. Be good enough to urge your Company to forward these statements without further delay, as we are waiting to lay them before Parliament. Your attention is particularly requested to this matter.

I trust the withdrawal of your Company from active business in Canada is only temporary, and it might be a prudent precaution if the Company were to do, as some others have done, and give notice provisionally, under the proviso of Section 7 of the Act, in the contingent event of their possibly renewing business at some future time.

Yours truly,

(Signed)

J. B. CHERRIMAN,

*Superintendent.*

P C. WARREN, Esq.,  
New York Life Insurance Company,  
Montreal.

## OFFICE OF THE SUPERINTENDENT OF INSURANCE,

OTTAWA, 9th April, 1878.

DEAR SIR,—I beg to call your attention to the fact that you have not yet forwarded to us the returns of the business of your Company for the past year. The blank forms were sent to you on the 20th December, and the latest date for their return was 31st March ultimo. Be good enough to have them transmitted with the least possible delay, as I am waiting to lay them before Parliament.

I notice that your Company has neither applied for a renewal of its license, nor has it given the notice mentioned in the 17th section of the Act, of its having ceased to transact new business in Canada. I presume this omission has been unintentional, as I cannot think the Company would wilfully desire to place itself and its policy-holders in the position in which it now stands. Be good enough to call the attention of the officers of the Company to this matter. Trusting to receive from you the statements at the earliest possible date,

I am yours, very truly,

(Signed)

J. B. CHERRIMAN,

*Superintendent.*

Connecticut Mutual Life Insurance Company,

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 10th April, 1878.

DEAR SIR,—The issue of a new policy in exchange for an old one, provided the amount insured is not increased, would not, in my opinion, constitute an infraction of the law.

With reference to your power of attorney, am I right in supposing it to have been granted to Simpson & Bethune, which firm is, I understand, dissolved. It will be better that you should file a new one in this office as required by the law.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

A. R. BETHUNE, Esq.,  
Phoenix Mutual Life Insurance Company,  
Montreal.

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 15th April, 1878.

DEAR SIR,—In reply to your favour of the 12th instant, I would say that there would be no violation of our law by any person insuring in your Company; the law leaves everybody free to insure when they please; but any person acting as agent or intermediary in such a transaction would render himself liable to penalties.

With regard to the second point, such an exchange of policies as you refer to would not constitute an infringement of the law.

Yours very truly,

(Signed) J. B. CHERRIMAN,  
*Superintendent.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 16th April, 1878.

DEAR SIR,—No license is required for the transaction of your business connected with existing policies, and your Company stated that they did not wish the license renewed. The announcement in the *Canada Gazette* will be your authority for transacting business.

The amount of assessment payable by your Company will be communicated to you shortly.

Yours very truly,

D. HIGGINS, Esq.,  
Edinburgh Assurance Company,

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 16th April, 1878.

DEAR SIR,—In reply to your telegram, I would say that the "National" has only "withdrawn" from Canada in the sense of not intending to issue new policies. They have given the notice required by the 17th section of the Act of 1877, and are thereby entitled to continue to transact business connected with their existing policies, and their present deposit is held as security on those policies under the provisions of the former Acts in accordance with which it was deposited.

Yours truly,

(Signed)

J. B. CHERRIMAN,  
*Superintendent.*

OFFICE OF THE SUPERINTENDENT OF INSURANCE,  
OTTAWA, 18th April, 1878.

SIR,—I have the honour to acknowledge the receipt of your letter to the Minister of Finance of 13th instant, and am instructed to inform you that the notice therein contained, in conformity with the 17th Section of "The Consolidated Insurance Act of 1877," is accepted by him *nunc pro tunc*, and that your Company is thereby entitled to avail itself of the provisions of that Section.

In reference to your further notice of your desire to withdraw from Canada and to have your deposit released, I beg to inform you that the course of procedure to be adopted is laid down in Section 5, 34 Victoria, Chapter 9, taken in connection with Section 11, 31 Victoria, Chapter 48. Permit me to take this opportunity of again calling attention to the fact that your annual statement for the year 1877 has not yet been received here, and that the delay is causing much inconvenience.

I have the honor to be, Sir,  
Your obedient servant,

## CORRESPONDENCE, INWARDS, FROM INSURANCE COMPANIES, &amp;c.

EDINBURGH LIFE ASSURANCE OFFICE,  
TORONTO, 5th July, 1877.

DEAR SIR,—In the event of our Company deciding not to transact any new business in Canada, but merely collect premiums on existing policies, and close up our few outstanding loans, will it be necessary for us to take out an annual license?

If not necessary, will you require us to deposit with you a copy of our contract of co-partnership, and a power of attorney to me as chief agent in Canada?

Also, should we not transact any new business, will the form of Annual Statements we render at present be all that will be required in the future as in the past?

Have we got until the 31st March, 1878, in which to decide as to the course we will adopt with respect to new business?

I shall feel much obliged by your giving me information on the above subjects.

I am, dear Sir,  
Yours very truly,

(Signed) DAVID HIGGINS,  
*Secretary.*

J. B. CHERRIMAN, Esq.,  
Superintendent of Insurance, Ottawa.

SCOTTISH AMICABLE LIFE ASSURANCE COMPANY,  
223 ST. JAMES STREET, MONTREAL, 14th July, 1877.

*Insurance Bill.*

DEAR SIR,—In answer to your favor of 13th inst., the manager's letter is as follows:  
"Thanks for the copies of the New Insurance Bill. The Directors have not yet had it under consideration, but I fear they will most strongly object to clause 24, especially as our investigations are only every seven years."

Yours truly,  
(Signed) GEO. WM. FORD,  
*General Agent.*

J. B. CHERRIMAN, Esq.,  
Superintendent of Insurance, Ottawa.

EDINBURGH LIFE ASSURANCE COMPANY,  
TORONTO, 18th July, 1877.

DEAR SIR,—I duly received your letter of the 12th instant, about a license, &c. I handed it to our Solicitor, Mr. Leith, and herewith I beg to inclose you a letter from him to me, dated 17th inst. on the subject.

I also send you by book-post a copy of the power of attorney to me, as Chief Agent in Canada, dated 16th July, 1868, the original of which (under clause 9 of the Insurance Act of 1868) was filed in Osgoode Hall, Toronto, on the 5th August, 1868, also a printed copy of our contract of co-partnership, and a printed copy of our Imperial Act 8 and 9 Vic., Cap. 76.

Will these be sufficient for you if we decide not to transact new business; also, please say whether they will be sufficient should we decide to transact new business. I am very sorry to give you so much trouble, but I desire the information in order to forward it to our Head Office in Edinburgh.

I think, when I saw you last in Toronto, you stated that no charge would be made for a license, but that at the end of the year the Insurance Companies would be assessed to meet the expenses of your Department. Will the Companies who do not take out a license have to contribute to the assessment?

I am, dear Sir,  
Yours truly,

(Signed)

DAVID HIGGINS,  
Chief Agent.

J. B. CHERRIMAN, Esq.,  
Superintendent of Insurance, Ottawa.

CONNECTICUT MUTUAL LIFE INSURANCE CO. OF HARTFORD, CONN.,  
MONTREAL, 12th November, 1877.

DEAR SIR,—Will you inform us by return mail if a particular form of trust-deed is required under Section 7 of the Life Insurance Act, and if so, could you oblige us with the form.

Yours truly,

(Signed)

WOOD & EVANS,  
Agents.

J. B. CHERRIMAN, Esq.,  
Superintendent of Insurance.

ODESSA, 9th January, 1878.

DEAR SIR,—You will confer a favor on a friend of the Government of which you are a member, by giving me the following information.

1st. Is the deposit of an American Life Insurance Company retained for Canadian policy-holders solely when such Company fails?

2nd. What effect does the law taking effect on 1st March next, have on old policies or policies issued before the 1st March next?

Yours very truly,

(Signed)

P. A. MABEE.

Hon. R. J. CARTWRIGHT,

THE EDINBURGH LIFE OFFICE, 22 GEORGE STREET,  
EDINBURGH, 10th January, 1878.

MY DEAR SIR,—The Directors have held frequent meetings regarding our Branch in Canada, with special reference to the Act of the Senate and House of Commons of Canada (1877) "to amend and consolidate the Act respecting Insurance."

After the most careful consideration, the Board has resolved not to apply for license under the recent Act, but to continue, under the terms of Section 17, to manage our existing business as at present.

As directed by the same Section of the Act, you will be so good as to communicate this decision to the Minister of Finance.

I observe, from your letter of 30th July last, that all the documents required by the Act to be lodged by Companies doing business in Canada have been deposited by you, and I observe also by Mr. Cherriman's letter, which you forward, that he has informed you that these are all he requires. Our annual balance takes place, as you are aware, on 31st March. I presume the statements for last year have been already lodged with the Finance Minister.

As our investment of \$150,000 remains at the original amount, I presume there will be no necessity for our computing or estimating separately the reserve necessary to cover our liability to policy-holders in Canada, as the deposit at present in the hands of the Receiver-General is manifestly in excess of these liabilities. The words in parenthesis in Section 21 ("so far as applicable") will, I suppose, render it unnecessary for us to compute or estimate the reserve referred to.

I shall hope to hear from you when you have made the necessary intimation to the Minister of Finance, whether there are any further steps necessary to be taken by us. This intimation may perhaps be made by communicating a copy of this letter to him, and also to Mr. Cherriman, who has so courteously replied to all your inquiries regarding the new Act and its requirements.

I return Mr. Cherriman's letters to you of 31st May, 12th July and 19th July, 1877,

And am, my Dear Sir,  
Yours faithfully,

(Signed) D. MACLAGAN,  
*Manager.*

DAVID HIGGINS, Esq.,

EDINBURGH LIFE ASSURANCE OFFICE,  
TORONTO, 29th January, 1878.

DEAR SIR,—Herewith I beg to hand you (as on other sheet) a copy of a letter dated 10th instant, received by me from our Head Office, Edinburgh, in which our Manager states that it is not the intention of our Company to apply "for license under the recent Act (40 Vic., cap. 42) but to continue, under the terms of Section 17, to manage our existing business as at present."

Will you be kind enough to inform me whether there are any further steps necessary to be taken by us with respect to your Department.

I have sent a copy of our Manager's letter to the Hon. Minister of Finance.

I am, dear Sir,  
Yours very truly,

(Signed) DAVID HIGGINS,

SCOTTISH AMICABLE LIFE ASSURANCE SOCIETY,  
ST. VINCENT PLACE, GLASGOW, 8th March, 1878.

SIR,—I am instructed by the Directors of the Society to inform you that they are not disposed to comply with the provisions of "The Consolidated Insurance Act, 1877," and have, therefore, resolved to discontinue transacting new business in Canada. We accordingly send you notice to this effect in terms of the Act.

I am, Sir,  
Your obedient servant,

THE NATIONAL LIFE INSURANCE Co., U.S.A.,  
157 TO 163 LA SALLE STREET,  
CHICAGO, ILLS., 11th March, 1878.

DEAR SIR,—The provisions of the present law of the Dominion being such that this Company cannot consistently comply with them, we are compelled to withdraw, and to cease to transact new business in the Dominion, at the expiration of our license.

Allow me to trouble you to answer the following questions:—

Is there any special form of notice of our determination not to comply with the law required?

Second. Is it necessary for the Company to file the statement required under Section 20 of the new law, in order to continue to collect the premiums on the business now in force through our agents?

Third. What blanks should be used for filing the general statement of the Company? Does not your Department furnish blanks for this purpose?

Fourth. Is it essential that we should give all the information called for by the blank sent for the return of our Canada business? It is with some difficulty that we can separate the various items so as to report on Canada business only.

Fifth. Is it necessary that we should make any change in our attorney to accept service, &c.?

We will endeavour to fill such returns as you require as soon as possible after we receive a reply to this letter.

Yours truly,  
(Signed) E W PEET,  
*President.*

PHENIX MUTUAL LIFE INSURANCE COMPANY,  
MONTREAL, 12th March, 1878.

DEAR SIR,—Is it necessary under the new Act, that a Company which does not intend complying with its terms, should give notice to you to that effect.

Kindly answer by return mail.

Yours truly,

(Signed) A. R. BETHUNE.

PHENIX MUTUAL LIFE INSURANCE COMPANY,  
MONTREAL, 14th March, 1878.

DEAR SIR,—Will Companies who decide not to do new business require to file Annual Statements, under the new Act?

Thanks to yours of yesterday which I forward to H. O.

Yours truly,

LIFE ASSOCIATION OF SCOTLAND,  
82 PRINCESS STREET, EDINBURGH, 14th March, 1878.

SIR,—I beg to give you notice in terms of the 17th section of the Consolidated Insurance Act of 1877, that this Association will not be prepared on the 31st March, inst., to take a license to transact business under that Act, and will therefore cease to transact new assurance business before that date. Further, I beg to give you notice, in terms of the 7th section of the said Act, that in the event of the Association at any future time taking or obtaining a license for business under that Act, it is their intention to avail themselves of the proviso in the 7th section, and that therefore the requirements of the 7th section shall not apply to any policy issued by the Association previously to the 31st instant.

It is presumed that the 11th section of the Act applies only to Companies that obtain licenses under the Act, and therefore that this Association does not require to give the above intimation also by advertisement.

I have to request the favor of an acknowledgement of the receipt of this letter.

I have the honor to be, Sir,  
Your most obedient servant,

(Signed) JOHN FRASER,  
*Manager.*

NEW YORK LIFE INSURANCE COMPANY,  
NEW YORK, 19th March, 1878.

DEAR SIR,—The New York Life Insurance Company regrets exceedingly to find itself compelled to discontinue soliciting new business in Canada on account of the requirements of Art. 1, Sect. 7 of 40 Vict., Chap. 42, passed in the last Session of Parliament. The Company had no objection to continuing its present deposit or paying a reasonable tax, but it is a questionable policy to divert a portion of the assets of a purely Mutual Company, equal to the entire reserve on any particular class of policies, from its control and for their express benefit, which would practically be the case if we complied with the law.

We accordingly desire to notify the Minister of Finance of the intention of the New York Life Insurance Company to avail itself of the provisions of Section 17 of 40 Victoria, Chapter 42.

Please acknowledge receipt of this notice and oblige.

Yours truly,

SIR,—The North-Western Mutual Life Insurance Company, a corporation created and organized pursuant to the laws of the State of Wisconsin, in the United States of America, having heretofore complied with the laws of the Dominion of Canada, and having, pursuant to the laws of the Dominion, deposited with the Receiver General bonds of the United States to the amount of one hundred thousand dollars, and having been licensed to transact the business of Life Insurance, and being now engaged in the transaction of such business therein, hereby respectfully gives notice to the Honorable the Minister of Finance, that said Company desires and intends to avail itself of the proviso contained in Section 7 (seven) of "The Consolidated Insurance Act of 1877," being an Act passed by the Parliament of Canada in the Fortieth year of Her Majesty's reign, entitled, "An Act to amend and consolidate certain Acts respecting Insurance," and desires and intends to cease the prosecution of new business in the Dominion of Canada from and after the thirty-first day of March, one thousand eight hundred and seventy-eight.

In witness whereof the said Company has caused its corporate seal to be affixed, and these presents to be executed by H. L. Palmer, President thereof, and attested by J. W. Skinner, its Assistant Secretary. [Seal.]

PHENIX MUTUAL LIFE INSURANCE COMPANY,  
HARTFORD, CONN., 20th March, 1878.

DEAR SIR,—We have given notice to the Minister of Finance that we shall cease the issue of new policies in the Dominion of Canada with the close of the present month, as we do not wish to comply with the Act passed by your Parliament last year. We suppose the issue of paid-up policies, in accordance with the terms of the original contracts, will not be an infringement of the Act of 1877. Please notify us if we are in error in this. We suppose that, in consideration of our withdrawal, no further statements will be called for by your Department.

PHENIX MUTUAL LIFE INSURANCE COMPANY,  
HARTFORD, CONN., 20th March, 1878.

DEAR SIR,—We desire to notify you, in accordance with the laws of the Dominion of Canada, that we shall cease to transact new business in the Dominion with the close of the present month. The Act passed by your Parliament last year contains provisions regarding the deposit of funds which we cannot, conscientiously and properly, as we believe, comply with; and we, therefore, withdraw from Canada, so far as is necessary to comply with your laws. We shall continue to collect premiums on policies in force, to pay just losses, and to do the business appertaining thereto, as heretofore.

We also desire to notify you that, at any time when the reserve upon our Canada policies, as established by your law, shall fall below the sum which we have deposited with the authorities of the Dominion of Canada, we shall demand a return to us of such portions of it as may be in accordance with your laws.

Yours truly,

(Signed) J. M. HOLCOMBE,

THE NATIONAL LIFE INSURANCE COMPANY, U.S.A.,  
157 TO 163 LA SALLE STREET,  
CHICAGO, ILL., 21st March, 1878.

DEAR SIR,—I have this day mailed to our Mr. Livingston, for compliance with your law, statement of the general business of the Company, and statement of the Canada business in duplicate. I enclose you the charter of the Company, as requested by you, and notice to the Minister of Finance of our withdrawal from the Dominion, dated March 31st, as required by Section 17. We do not wish to make any change in our attorney to accept service. We will fill the necessary power of attorney with the Department upon receipt of the proper blanks or forms.

Regretting exceedingly that the terms of the Insurance Law of the Dominion are such that we cannot consistently comply with them, and remain within your jurisdiction, I remain,

Very respectfully yours,

(Signed) E. W. PEET,  
*President.*

J. B. CHERRIMAN,  
Superintendent of Insurance, Ottawa.

P. S.—We do not wish the charter officially filed if there is any fee required, as a charter has already been filed in some department of your Government.

NORTH-WESTERN MUTUAL LIFE INSURANCE COMPANY,  
MILWAUKEE, 27th March, 1878.

DEAR SIR,—On the 23rd inst., Mr. M. W. Mills, of Toronto, an agent of this Company, delivered to you a notice of the intention of the Company to cease the transaction of Life Insurance business in the Dominion. This notice was intended and believed to be in strict compliance with the Consolidated Insurance Act of 1877, and to be a sufficient notice of the intention of the Company to cease the transaction of business in the Dominion of Canada. A criticism having been made by one of the officers of the Government that the notice was in compliance with Section 7, instead of Section 17 of the Act, I have the honor to transmit a supplement notice, designed to remedy the defect, if any, in that already given. I trust that this will be deemed sufficient.

We regret exceedingly to feel obliged to withdraw from the Dominion, as our business there was very satisfactory in all respects. The reason which impelled our Board to take this step will very soon be presented to our Canadian policyholders, and, with your permission, we shall be pleased to lay them before yourself and the other members of the Government, somewhat in detail.

I have the honor to be,  
Respectfully, &c.,

(Signed) H. L. PALMER,  
*President.*

SIR,—The North Western Mutual Life Insurance Company, a corporation created and organized pursuant to the laws of the State of Wisconsin, in the United States of America, having heretofore complied with the laws of the Dominion of Canada, and having, pursuant to the laws of the Dominion, deposited with the Receiver-General bonds of the United States to the amount of one hundred thousand dollars, and having been licensed to transact the business of Life Insurance, and being now engaged in the transaction of such business therein, hereby respectfully gives notice, pursuant to Section 17 of an Act passed by the Parliament of Canada, in the fortieth year of Her Majesty's reign, entitled an Act to amend and consolidate certain Acts respecting Insurance, assented to 23th April, 1877, and designated as The Consolidated Insurance Act of 1877, that the said Company has ceased, and henceforth will cease, to transact the business of Life Insurance in the Dominion of Canada, from and after this date, except in so far as said Company is authorized by said section of

the said Consolidated Insurance Act of 1877, to collect the premiums due, or to become due on policies actually issued prior to the 31st day of March, instant, and the payment of losses thereon, and the transaction of all business appertaining thereto.

This notice is given in addition to the notice in writing given to the Minister of Finance, bearing date 19th day of March, 1878, and delivered to the Minister of Finance on the 23rd of March, instant; and for the purpose of supplying any defect that may be found in said former notice.

In witness whereof the said Company has caused its corporate seal to be affixed, and these presents to be executed by H. L. Palmer, President thereof, and attested by J. W. Skinner, its Assistant-Secretary. Dated at Milwaukee, Wisconsin, the 27th day of March, A.D. 1878.

NORTH WESTERN MUTUAL LIFE INSURANCE COMPANY,  
MILWAUKEE, 28th March, 1878.

DEAR SIR,—I have the honor to acknowledge the receipt of your esteemed favor of the 25th inst., relating to the notice given by this Company to the Minister of Finance of its intention to discontinue the transaction of the business of Life Insurance in the Dominion. Our notice, dated the 19th inst., was intended simply to comply with the provisions of the Consolidated Insurance Act, in regard to giving notice of an intention to discontinue business in the Dominion, and was supposed to be in strict compliance with the 17th section of the Consolidated Insurance Act of 1877. We, perhaps, misconstrue the provision of the 7th section. I am pleased to learn from your letter that the notice is regarded as sufficient under the 17th section. Learning from Mr. Mills of his interview with you, and fearing that, perhaps, it might not be regarded as a sufficient notice under the 17th section, we yesterday forwarded, by post, a second notice to supply the defect, if any existed. It is not our intention to take out a new license or to issue new policies in the Dominion at present, or to do anything more than the Company is authorized to do under Section 17, as we understand it, viz.: to collect premiums upon existing policies and pay the losses thereon.

I need not say to you that it is a source of sincere regret to the officers of this Company that our Board of Trustees feel obliged, under the advice of our counsel, to discontinue the transaction of the general life insurance business in Canada. Our business there has been so satisfactory, and our intercourse with the Department so agreeable, that nothing but an imperative sense of duty to our policy-holders, under the provisions of the charter of the Company, could have induced us to withdraw.

Trusting that, in time, our business relations with the people of the Dominion may be re-established,

I am, very respectfully,  
Your obedient servant,

*President.*

DEAR SIR,—Enclosed I beg to hand you (1) Letter from the President of the National Life Insurance Company, giving notice of the Company's intention to cease doing new business in Canada. (2) Power of attorney from the National to T. C. Livingston.

I am desired by the President of the Company to ascertain if citizens of Canada can insure with them if they desire it, by mailing the application and premium to the head office, and receiving the policy from there direct by mail. Please advise.

DEAR SIR,—My Company write me that they have decided to abstain from soliciting new business in Canada after to day, but are desirous to have me continue to collect all premiums for business already effected. As I read the Act, I am under

the impression that it is necessary for the company to acquaint the Government with their decision, and permission to collect premiums for existing policies in this country.

Will you kindly say if I am at liberty to collect premiums in insurance already effected?

PHENIX MUTUAL LIFE INSURANCE COMPANY,  
HARTFORD, CONN., 12th April, 1878.

(Stenographic Letter.)

DEAR SIR,—The question is asked us whether we will issue a policy upon the life of a party who has been connected with the Company, and who lives in Canada; and we should like to ask you whether it would be a violation of the law of Canada for us to receive his application and issue him a policy, if it is acceptable? We have many policy-holders in Canada who do not feel able to continue the policies which they hold—endowment policies and other kinds—but who would be willing to exchange them for annual life policies, or some other forms of low premium policies. We should like to ask you whether exchanges of this kind can be made without violating your laws?

Yours truly,

CONNECTICUT MUTUAL LIFE INSURANCE COMPANY,  
HARTFORD, 13th April, 1878.

DEAR SIR,—I have the honor to advise that the Connecticut Mutual Life Insurance Company of Hartford, in the State of Connecticut, ceased to transact the business of Life Insurance in the Dominion of Canada, in accordance with the provisions of an Act of the Dominion Parliament entitled "The Consolidated Insurance Act, 1877," 40 Vic., Chap. 42, assented to April 28, 1877; and said Company herewith gives the within notice of its withdrawal and cessation of business on the day named, as provided in the seventeenth section of said Act. The Company also begs to advise of its desire to obtain a release of its assets now on deposit with the authorities of the Dominion, as is provided in said Act for Companies that cease the transaction of business on the day named in said Act, viz., on the 31st day of March, A. D., 1878.

Respectfully yours,

OTTAWA, April 15th, 1878.

SIR,—I have the honor to enclose a notice from the Connecticut Mutual Life Insurance Company of Hartford, which, prior to the 31st March last, had been doing business in Canada under license from the Dominion Government, of the said Company having ceased to transact such business in Canada on the said day. The Company had, previously to the 31st March, given public notice to its policy-holders of its intention to cease to transact any new business after that day by publishing the same in two of the leading newspapers of the Dominion, viz., the *Toronto Globe* and *Mail*; but, by some oversight, the formal notice, mentioned in the Consolidated Insurance Act, 1877, was not forwarded to your Department. I beg to ask, on behalf of the Company, that the enclosed notice may be received and placed on file *nunc pro tunc*. It is probable that, as the Company had petitioned the Parliament for an amendment of that Act in favor of mutual companies, and being willing, in that case, to continue business in Canada for the benefit of its policy-holders in the Dominion, the notice of withdrawal was delayed pending the action of Parliament in the present Session.

I have the honor to be, Sir,

THE UNITED STATES LIFE INSURANCE COMPANY,  
IN THE CITY OF NEW YORK,  
NEW YORK, 4th April, 1878.

DEAR SIR,—I have the honor of acknowledging the receipt of your favor of the 9th instant, and, as requested therein, hand you herewith "Original" and "Duplicate" statements of the Canadian business of this Company for the year ending 31st December, 1877.

I regret that our attention should have to be called to this matter the second time; but upon receipt of the blanks we did not deem it necessary to fill them out, as we had already given notice that we would not continue to do business in Canada; and from the tenor of your letter to us last year in asking for this information we were under the impression that would be the last statement required of us as long as we issued no new policies in your territory.

Are we to understand that so long as we have policies in force in the Provinces, it will be necessary for us each year, to render statements?

Trusting that you may not have been caused any great inconvenience by this delay.

We remain,  
Yours respectfully,
