REPORT OF THE COUNCIL.

The Council of the Dominion of Canada Rifle Association submit herewith the Treasurer's Report of the Finances of the Association, shewing as the result, a balance of \$1,483 25 to the credit of the Association at the close of the year.

In pursuance of the lecision arrived at at the last Annual Meeting, the whole efforts of the Council have been directed to the selection of a team of twenty to proceed to Wimbledon as representatives of the Dominion Rifle Association.

Owing to the shortness of the time at the disposal of the Council, and in order that the Provincial Associations might have time to make the necessary preparation for selecting the names to be submitted to the Council by them, it was found impossible to select the men to compose the team by competition at Ottawa as was proposed. The selection was therefore made upon the scores of competitors at the Provincial Ranges, in accordance with the following conditions:

DOMINION OF CANADA RIFLE ASSOCIATION, OTTAWA, 18th May, 1872.

Memorandum.

 $\langle \rangle$

In view of the limited time available for the selection of the men for the Wimbledon Team, it is necessary to deal with their selection for the present year as an exceptional case, and for that purpose to modify the resolution passed at the last meeting of the Council, so as to provide as follows:—

1st. The firing upon which the selection for 1872 is to be made may take place at the ranges of the respective Provincial Associations during any three days in the week commencing Monday, 27th instant, under the supervision of such officers as may be appointed by the Adjutant General.

2nd. Thirty rounds shall be fired on each of the three daysnamely five rounds in the morning, and five rounds in the afternoon, at each of the ranges, 200 yards, 500 yards, and 600 yards. At 200 yards from the shoulder, and at the other ranges from any position.

3rd. The competitors must fire with the Long Snider Rifle issued by the Government, the sights of which must be in the same state as when originally issued from the Government stores, the pull off to be not less than six pounds. 4th. Each Provincial Association shall send to the Secretary of the Dominion Rifle Association, on or before the 6th June, the full details of the scores made in the 90 rounds by the men from whom they desire the final selection to be made—namely, ten from each Province—such scores to be certified by the officer designated by the Adjutant General, and under whose supervision the firing took place.

5th. The said officer shall accompany his certificate by a report of the circumstances under which the firing took place, especially as to the state of the weather, light, force and direction of the wind, and the state of the atmosphere.

6th. From the forty scores so submitted, the Executive Committee will select twenty to proceed to Wimbledon, and as soon as the selection has been made, the names will be telegraphed to the Secretaries of the respective Provincial Associations.

7th. The twenty so selected must report themselves at the Brigade Office, Quebec, at noon on the 21st June, to the officer appointed by the Adjutant General as Captain of the Team, when they will be required to subscribe to the rules and regulations approved by the Adjutant General for the governance of the Detachment.

8th. The expenses of the men to Quebec must be paid by the respective Associations, and their expenses from the time at which they report at Quebec, and while on duty until they return to their homes, will be paid by the Dominion Association.

In consequence of the above changes, it is desirable to postpone the Annual Match of the Association, proposed to be held at Ottawa on the 17th June, until the return to Canada of the Wimbledon Team—the date at which it is to be held to be subsequently determined by the Executive Committee, by whom due notice will be issued.

The result was the selection of the following competitors :

- 1 Buglr Langstrath
- 11 Ensign Johnson
- 12 Capt. Shand 13 Corpl Hickey

14 Pte Smith

- 3 Pte Bell
- 4 Pte Shepherd

The Council is not in a position to submit any further report as to the proceedings of the Association during the pastyear, and the accompanying memorandum, prepared by the President, is submitted as an explanation of the cause, and as an expression of the opinion generally entertained by the Council, in reference to the despatch of the Team to Wimbledon.

MEMORANDUM.

Although the last year has been the most eventful one in the history of the Dominion Rifle Association, the undersigned has to express his regret that he is not able to lay before the Members and Council of the Association at this, their Annual Meeting, any Report or particulars connected with the Expedition sent to Wimbledon to represent the Riflemen of the Dominion, for the purpose of competing for all Prizes to which they might become eligible, and more especially for the "Rajah of Kolapore's" Prize, offered by the National Rifle Association for competition by Teams "from the Colonies, and one United Team from the Mother Country."

The victory gained by the Canadian Team, in winning the great "Kolapore Prize," adds to the cause for regret, as it would have been, it is believed, a source of great satisfaction to the Members of the Council, and of the Association generally, to have had a full and detailed Report of the Expedition, so important in itself, so creditable to Canada and Canadians; originated by the efforts of the undersigned, with the most cordial co-operation of all the Members of the Association.

An Expedition which would have had no existence but for the organization of the Dominion Rifle Association.

It is necessary that the Council should distinctly understand from the undersigned that not being able to submit the Report referred to, is not a fault of his, or of the Executive Officers of the Association.

To explain, the undersigned begs to call the attention of Council to a memorandum addressed to the Hon. Sir George E. Cartier, Bart, Minister of Militia and Defence, dated 29th April, 1872, in which he recommends as follows:

"I would suggest that each of the Associations annually "select, by a designated competition, from amongst their "marksmen, ten representatives to attend the Dominion Rifle "Association at Ottawa. Let each Provincial Association de-"fray the travelling expenses of their representatives to and

"from the Capital. When there, let these representatives be " taken charge of by the Officers of the Dominion Rifle Associ-"ation resident in the Capital, and connected with the Militia " Department, and in a match under the auspices of the Associ-" ation and the Department of Militia and Defence, select twenty "competitors to be taken as representatives of the Dominion, "at the next Wimbledon Meeting. Such representatives, auth-" orized by the Department of Militia, and under the command "of an Officer appointed by the Department, to be sent to "Wimbledon at the expense of the Dominion Rifle Association. "To carry out this scheme no additional grant of money from " the Government to that hitherto made to the Association "would be required, while the advantages accruing from the "annual representation of Canada at Wimbledon would far "exceed those gained by an Annual Itinerant Prize Meeting, "if such representation were under the combined auspices of "the Dominion Association, and of the department of Militia " and Defence."

Carrying out the spirit of the above memorandum which had attained the sanction of the Honorable the Minister of Militia and Defence, the following Circular, authorized by the Council, was addressed by the Secretary to the Presidents of the Provincial Rifle Associations.

DOMINION RIFLE ASSOCIATION,

OTTAWA, 2nd May, 1872.

Circular.

I am directed to inform you that the Council of the Dominion Rifle Association, with the co-operation of the Department of Militia and Defence, have decided to send a Team of twenty Marksmen to Wimbledon to compete at the next Annual National Rifle Tournament to be held there in July next.

The twenty men to be selected from ten men to be sent by each of the four Provinces—Ontario, Quebec, New Brunswick and Nova Scotia. You are requested to send ten men from your Province to attend a

Competitive Meeting to be held at Ottawa on the 17th June next.

The conditions are as follows :

1st. The travelling expenses of the men to be paid by the Provincial Rifle Association to and from Ottawa.

2nd. The Dominion Rifle Association to pay the expenses of the men during the Match at Ottawa, aud of the Team to Wimbledon, and back to their respective homes.

3rd. The men must be regularly enrolled in the Active Militia.

4th. They are to be sent under the command of an Officer to be appointed by the Department of Militia and Defence, and shall be subect to such orders and regulations as may be issued by the Adjutant-General of Militia.

On account of the very short time between the date of that Memorandum and Circular, and the period for despatching the Team, it was not possible to hold the Competitive Meeting at Ottawa for the selection of Members who were to compose the Canadian Team.

Meetings for the selection of Competitors were therefore held in the respective Provinces, and the selected men were sent for embarkation from Quebec by each Province—Ontario, Quebec, New Brunswick and Nova Scotia.

An objection was made by the Adjutant General to the Circular referred to, and more particularly to the fourth clause.

In a telegraphic communication received by the undersigned from the Adjutant General, he was informed that as in the last paragraph of the Circular, it appeared that the selection of the Officer had not been left to him, the Adjutant General, but to the Minister of Militia and Defence, he could not act unless he had the selection of the Officers without any interference, and authorized to despatch the party as a regular Militia Detachment, and that he considered two Officers indispensable.

Although this message conveyed plainly the desire of the Adjutant General to have the exclusive control of the Expedition, the undersigned, to avoid further delay and complication that might have arisen if he objected to the proposition, sent a telegram in reply, that there was no objection to the Adjutant General selecting the two Officers. All these appointments were then made by the Adjutant General, without further reference to the undersigned, or to the Conncil.

The first of the appointments was that of Major General McDougall, late Adjutant General of Canadian Militia, to a position which the Adjutant General designated as Captain of the Team.

The second appointment was that of Major Worsley, late Captain 60th Rifles, as Officer to take the Team to Wimbledon; and the third was that of Sergeant Kelly, as an assistant to Major Worsley.

B

The Officer appointed to take the Team to Wimbledon received his instructions from the Adjutant General, was under his control, and responsible to him alone, with orders to report to him.

The Adjutant General's instructions to Major Worsley appertained not only to discipline, but also to the disposition of Prize Money. To that portion of the instructions the undersigned ventured to object, on the ground that the Association was the proper guardian of its funds, and should have control, as per clause I3 of the Constitution, which provides as follows:

"The Council shall have the sole management of the income and funds of the Association, &c., &c."; but the objection was of no avail. It will be observed that by the manner in which the appointments were made, and instructions issued, as further evidenced by the "Militia General Orders" of the *Gazette* of 18th June, 1872, the competitors representing Canadian Riflemen intended to be sent by the Association, according to the Memorandum of the undersigned above referred to, under the combined auspices of the Dominion Association and the Department of Militia and Defence, were converted into a Militia Detachment and sent as such, under the entire and exclusive control of the Adjutant General, and in every respect disconnected with, and bearing no evidence that their mission had been projected by and was altogether due to the Dominion Rifle Association.

These are the causes why the undersigned is unable to furnish the Council with the Report referred to.

The great desire that prevailed to send the first representative Team from the Dominion, and the belief that very great disappointment would have followed if no Team had been sent, were chief reasons that induced the undersigned to throw no obstacle in the way, or take any steps to prevent the accomplishment of an object so greatly desired, and so important to be attained, as the securing of a representation of Canada at Wimbledon, in a competition for a valuable trophy especially dedicated for that purpose by the National Rifle Association. The undersigned would however be wanting in respect to the position he occupies as President of the Association, and to the position the Association itself occupies in Canada, if he did not urge upon the Council the importance and necessity, if the existing spirit so favorable to the Rifle movement is to be preserved, encouraged, and maintained in the Country, to determine that no other Team depart for Wimbledon as a detachment of Canadian Militia, but as Canadian Riflemen representing and sent by the Dominion Rifle Association, an Association supported by our Parliament, and recognized by the Country as an Institution for organizing, despatching, and controlling such representation.

There are many valid reasons why the Dominion Rifle Association, whilst working in accord and co-operating with, should, so far as it is possible, be independent of the Adjutant-Generals Department or its Regulations. One of these is that the Association has not been formed for the benefit of parties connected with the Militia Service only, but it is open to all Civilians, the object being to secure the most general introduction of the Rifle in the country as a weapon of defence, and of the education in the use of it.

The Constitution provides that "any person being a Sub-"scriber of \$2.00 per annum, shall become a member of the "Association." The Association has obtained, and there are reasons to believe that it is likely to continue to obtain, increased valuable aid from Civilians who would at once withdraw their co-operation and support if they saw the Association converted into an offshot of the Militia Department, subject to the numerous Departmental regulations.

Without, however, entering into further explanation of disadvantages arising from too close a connection between the Dominion Rifle Association and the Adjutant General's Department, the undersigned submits this brief Memorandum detailing the circumstances connected with the selection and despatch of the Wimbledon Team last year, and has to conclude by most earnestly urging upon the attention of the Council the necessity of making arrangements for the future representation at Wimbledon, in a manner that will give the Association more direct control, and in a greater degree preserve the connections with those who may be selected and sent there to represent it.

DOMINION OF CANADA RIFLE ASSOCIATION.

For 1872.

~~~~~~~~~

The undersigned has the honor to submit a detailed statement of the Finances of the Association for the period from 27th April, 1872, to 8th March, 1873, to which is attached the Auditors' Report.

The Balance Sheet shows the total income from all sources for the year to have been \$6,834.62, while the expenditure amounted to \$6,178.90, giving an excess of income over expenditure of \$655.72. This surplus being added to the balance of . \$827.53, carried forward from last year's financial statement, will give a total in favor of the Association of \$1,483.25.

It will be observed that the principal expenditure during the year has been incurred in connection with the "Canadian Team" of marksmen, sent to Wimbledon in June, 1872, under the auspices of the Dominion Rifle Association. Major Worsley's account of disbursements, while in charge of the Team to Wimbledon, is also attached.

The expenditure under this head, up to the present time, amounts to \$5,220.77, to which has yet to be added sundry expenses for printing and transport of Wimbledon Cups, now being exhibited in the chief Cities of the Dominion; ordinary expenditure for the year 1872, \$439.67; for account of 1871 \$340.50; and for 1870, \$177.96. The item of \$177.96 embraces certain disputed claims in the Province of New Brunswick of the nature of transport and land damages, on account of the Annual Competition at Fredericton in 1870, to which reference was made in the Annual Report of that year.

It was deemed expedient to settle these claims, in view of the representations made in behalf of the claimants by the Local Executive Committee at Fredericton, and to avoid litigation.

The Government again aided the Dominion and Provincial Associations with liberal grants, as shewn below :

| 1 | The | Dominion Ri  | fle Ass | ociation, | 1            | \$5,000 0 | 0 |

and the usual grants in aid of County and other Rifle Associations for the year ending 30th June, 1872, were made through the Department of Militia and Defence.

The receipts from Subscribers and Affiliated Associations have been much less than previous years,—the number of Annual Subscribers of \$2 during the year being 24, and Affiliated Associations 7. The diminution in the receipts from this source, and the absence of the usual special donations in money and prizes, may perhaps be attributed to the circumstance that no prize corpetition took place under the auspices of the Dominion Rifle Association during the year,—the operations of the Association being confined chiefly to the sending of the twenty marksmen to Wimbledon.

In view of the prospect of a Prize Meeting being held at Ottawa during the ensuing summer, it may be expected that the list of subscribers and Affiliated Associations will be considerably increased, and that liberal donations will be made to the funds of the Association.

### THE NATIONAL RIFLE ASSOCIATION AND THE WIMBLEDON TEAM.

### Loudon, 12 Pall Mall East, S.W. May 21, 1872.

DEAR SIR,—I have great pleasure in acknowledging the receipt of your letter of the 3rd inst., enclosing the subscription from the Dominion of Canada Rifle Association, and informing the Council of this Association that a Team of Twenty would be sent by the D. R. A. to compete this year at Wimbledon. I need not assure you that this Council looks forward with pleasure to the visit of the Canadian Team, and that they hope that the second appearance of the Team at our meeting may be taken as a proof that we shall at all our future meetings have the pleasure of giving a welcome to the Canadian Volunteers.

As soon as the Team arrives we shall send to the Captain all the necessary forms of entry, as was done in 1871.

You will probably have seen in the newspapers that a statement was made at our general meeting that the number of the team for the Rajah of Kolipore Cup had been reduced to "Eight." Although the statement made by H.R.H. the Duke of Combridge might have led the meeting to understand that this is the case, I hasten to inform you that no change has been effected in the original conditions of shooting for the cup. What should have been stated is that the number of competitors in each team is to be regulated by the number forming the smallest Colonial team, "eight," however, being the minimum.

I do not think that there is a chance of any other Colonial team besides the Canada one being present, and the number of competitors will in such case remain at "twenty."

I sent some copies of the Regulations and Prize List, 1872, to Mr. Gzowski, and I shall esteem it a favor if you will kindly take an opportunity of thanking him for the copies of your reports, which he was so good as to send us, and which have been distributed according to his wishes.

The Canadian Rifle Associations in connection with the N. R. A., and on our books are now:

The Dominion Rifle Association.

The Cobourg R. A. The Ontario R. A. The Nova Scotia.

The New Brunswick.

G

The Upper Canada 7th Military District.

The Province of Quebec.

The Metropolitan of Canada.

I shall be much obliged to you if you will kindly inform me whether the N. R. A. List is correct in this respect.

Pray, believe me,

Yours truly,

(Signed),

EDMOND ST. JOHN MILDMAY, Sec'y N.R.A.

LIEUT.-COLONEL MACPHERSON, Treasurer D. R. A., Ottawa, Canada,

> London National Rifle Association, 12 Pall Mall East, S.W.,

May 21st, 1872.

SIR,-I have the honor to inform you that I submitted to the Council the letter received from Colonel Macpherson, enclosing a cheque for £5, as a subscription from the Dominion of Canada Rifle Association to the National Rifle Association, stating that the Dominion Rifle Association wished to be entered as an affiliated association for 1872.

I am directed by the Council to state in reply that it has given them great pleasure to see the Dominion Rifle Association enrolled as an affiliated Association, and that they have instructed me to request that you will be so good as to convey their thanks to the Council of your Association for the contribution to the funds of the N. R. A.

I have been further directed to transmit to you the Silver Medal of the National Rifle Association, which shall be sent to you in the course of the present week.

I have the honor to be, Sir, Your obedient servant, (Signed), EDMOND ST. JOHN MILDMAY, Secretary N. R. A.

The President of the Dominion of Canada Rifle Association, Ottawa.

> Southwark Street, London, 2nd October, 1872.

DEAR SIR,-We have the honor to acknowledge the receipt of your letter of the 19th ultimo, enclosing a draft for three hundred pounds (£300) in payment of the monies advanced to Major Worsley, on account of the Canadian Team, for which we are much obliged.

We are requested by Sir Peter Tait to thank you for the expressions conveyed to him by the Dominion of Canada and yourself for the assistance he had the pleasure of giving to the Canadian Team during their stay in this country, and to assure you that it will give him equal pleasure, at any future time, to give them the same attention on their again visiting England.

> We have the honor to be, Dear Sir,

> > Yours very truly, PETER TAIT & COMPY.

The President read the following letter from S. H. Morley, Esq., respecting the "London Merchants' Cup:"-

To Major Worsley, Commanding Canadian Volunteers at Wimbledon, July, 1873:

5

DEAR SIR,—In handing over to your care the Cup which was presented to the Canadian Volunteers by some of the London Merchants, I would beg to acquaint you with the origin and history of its presentation. On receipt of the intelligence in July 1871, that a team of Volunteers was coming over from Canada fo shoot at the Annual Meeting at Wimbledon, it was determined to avail ourselves of the opportunity to present a cup to the Volunteers of Canada generally.

As the time was short, the number of merchants joining was necessarily limited, and as there was nothing ready made which was suitable, it was resolved to present the Cup in *form* to the Canadians then in this Country, and to send it out when executed to the Dominion Rifle Association.

This formal presentation was made, but the manufacturer taking longer than was expected, it was finally thought best to keep the Cup until the visit of the team this year, and then to place it in your hands, as their commanding Officer, to be shot for by the representatives of the different Provinces, and afterwards consigned to the custody of the Dominion Riffe Association.

It is the wish of the merchants who have subscribed, that the rules under which the Cup is to be shot for in future be made by the Dominion Association as may seem best to them, with the sole stipulation that the Cup be a Challenge Cup under the name of the "London Merchant's Cup," and that it be shot for by more than single individuals.

I may add that it is hoped that the kindly feeling and good fellowship at present existing between the Dominion and the Mother County may increase and flourish, and that this Cup may express the gladness with which we welcome our countrymen from Canada to these shores.

I am, dear Sir, on behalf of the London Merchants,

## Yours very sincerely, SAMUEL HOPE MORLEY.

London, 1872.

The conditions for the competition of this Cup to be as follows :

That it be competed for this year by Provinces at Ottawa. Number of competitors, five per Province. That a money prize be given to the three highest aggregate scores. The Cup to be held by the Presidents of the Provincial Rifle Associations for the year, and then returned to the President of the Dominion Rifle Association.

That a copy of the conditions for the above competition be furnished by the Secretary to Samuel Hope Morley, Esq., London.

The Council approve of the suggestion that the Senate and the House of Commons contribute towards a prize, to be designated, "The Dominion of Canada Senate and House of Commons Prize," to be competed for at the next prize meeting of the Association to be held at Ottawa, and that the Local Executive Committee be instructed to institute a Senate and Common Prize for that meeting.

That the Committee appointed at yesterday's meeting having reported upon the Rules for the selection of the Wimbledon Team, and their Report having been approved by this Council, the said Committee is hereby relieved from making the further Report ordered in yesterday's Resolution.

That the thanks of the Dominion of Canada Rifle Association be presented to Earl Ducie for his kindness, and the valuable assistance given by him to the Wimbledon Team of 1872, and to request his acceptance of a Moose Head and Horns, and also of two Cariboo Deer Head and Horns, and that they be handed to Lord Ducie by the Captain of the Wimbledon Team for 1873, on arrival at Wimbledon.

The above to be purchased by the Local Executive Committee, at the expense of the Dominion of Canada Rifle Association.

Part if he computed for the control of Produces at Ornews. Not the entrol of the control of the

K. STUART, LIEUT.-COLONEL, Secretary D. C. R. Association.
