NEWCASTLE TEAM DEFEATS MONCTON

At the rink on Thursday evening the Newcastle Hockey Team played a clean, fast and exciting game of Hockey, with a team from Moncton. Both teams were in the pink of condition and the large number of enthusiasts who witnessed the game, thoroughly enjoyed it. Mr. Leo Mitchell refereed the first period, handling the whistle over to Mr. Wallace Watling, who refereed the next two periods in a most satisfactory manner. The Newcastle team won the game by a score of 11-5. The line-ups were as follows.

Newcastle	Goal	Moncton
Treadwell	Point	Copeland
Whalen	Cover Point	Bomer
Fallon	Right Wing	Downing
McCullam	Centre	Hannigan
Cralk	Left Wing	Cassidy
Matheson	Spares	Doucett
McMichael		Lockart
Mitchell		Steadman

\$10,000 BLAZE AT BATHURST

Bathurst, Feb. 13—A building at the end of the station bridge in West Bathurst was burned recently. The family of J. Thomas Doucet, who lived upstairs barely escaping. The stock in Mr. Doucet's grocery store on the ground floor was destroyed. His loss is \$5,000, insurance \$2,500. The loss of the owner of the building Azade Landry, is also \$5,000. His insurance is \$2,000.

"Bride 13" at Happy Hour on Monday.

CAMPBELL TEAM ENTERS 2 PROTESTS

Fredericton, Feb. 10—The Campbellton hockey club will carry their protests over last night's hockey game at Campbellton through to a finish in a demand that discipline and recognized methods of conducting sport be maintained by the New Brunswick Hockey League.

Two Protests Filed

Two protests have been filed by the Campbellton club, and were presented to Sandy Staples, of Fredericton, the only referee the local club recognized in connection with last night's game. One protest is based on the failure of Chatham to play with the official referee named by the league and the holding up of the game by a demand by the Chatham club that Frank Brown act as referee; the other protest is that "Shorty" Veno, who has been ruled ineligible was in uniform with the Chatham club, worked out with them in the preliminary practice, was in the list of Chatham players handed to the Campbellton club before the game, and that he remained in the box with the Chatham club's spare players ready to play if sent upon the ice.

The belief at Campbellton is that the Chatham club intended to and would have used Veno, had the game gone adversely, and it is contended that they have defied the officials of both the N. B. H. L. and the A. A. U. of C. in a determination to win

MOTHER AND CHILD BURNED TO DEATH

Mrs. Ernest Gardiner and her 14-year-old daughter lost their lives in the flames which consumed their home at Grand Downs, about 25 miles from Newcastle, about one o'clock Saturday morning. Mrs. Gardiner made a frantic effort to save her daughter and had entered the burning building, when the structure fell, burying both mother and daughter. The house that night was occupied by Mr. and Mrs. Gardiner and daughter. They slept in a bedroom off the kitchen. In the kitchen were sleeping Adolph Brideau and his wife. Brideau and his wife and Gardiner himself escaped uninjured.

Brideau says he was awake at 12 o'clock midnight and there were no signs of fire, and at one o'clock or thereabouts he awoke to find the house in flames. He gave the alarm to Gardiner and family, and Gardiner awakened his wife. Gardiner tried to get his wife to escape with him, but she went back to get her little girl and the house fell in, burying both the mother and the child.

The remains were buried Sunday afternoon. It is understood no inquest was held.

The house was owned by Louis Comeau, who is living at Nelson this winter. It was a two-storey structure, not plastered, but finished on the outside.

The tragedy has caused a great deal of excitement and considerable comment in the community where it occurred.

The general feeling is that if a little more exertion had been made, Mrs. Gardiner and her child might have been saved.

Secretary's Statement

The Campbellton Club officials through C. A. Alexander, the secretary state that the only reason they did not demand that Referee Staples go upon the ice and award the game to their team, was because there were hundreds of people in the rink to see a hockey game, and they felt they were entitled to some consideration and protection.

"We are not taking into consideration the matter of winning or losing a game, but we intend to carry our protests through on a question of principle," said Mr. Alexander. "If any one club is going to be allowed to defy the league officials, the A. A. U. of C. and all the rest of it then we want nothing more to do with it, but in the meantime we intend to find out where the other clubs in the N. B. H. L. stand by following up our protests to the end."

Bathurst Will Stick

Chatham can leave the New Brunswick Hockey League and go to the Independents if they want to, but Bathurst will continue to play under the A. A. U. of C., even if we have to do it alone, and I am quite confident the rest of the North Shore will stand behind us in such a decision, declared G. A. Schryer, of Bathurst, a member of the N. B. H. L. executive, who has been here this week.

Mr. Schryer said that the Bathurst club would stand for straight amateur hockey, and would play nothing else, while he believed Campbellton would also take the same stand. "Clubs have got to understand that they must live up to the rules and accept decisions of the recognized officials of the A. A. U. of C.," said Mr. Schryer, "and until they do so there will always be trouble. I am

NEW SERIAL AT HAPPY HOUR

For the first time in its history a serial picture has been produced by Fox Film Corporation, a concern with many world-famous feature pictures to its credit. Patrons of the screen, all of whom are aware of the excellence of the photoplays produced by announcement because they realize that the experience and achievements of Mr. Fox will fit him for the production of serial pictures, and they can look forward with assurance to the showing of something entirely novel in this line of film entertainment.

The story, written by E. Lloyd Sheldon and adapted to the screen by Edward Sedgwick, concerns itself with the depredations of a band of pirates that visits the American coast in a submarine and horrifies the country by kidnapping millionaires' brides from the very altar, and holding them for huge ransoms.

Throughout its fifteen episodes "Bride 13" is replete with breath-taking stunts, hair-raising escapes and a love story that will appeal to every man, woman and child in the country. An all-star cast of daring actors, headed by John O'Brien and Marguerite Clayton, and directed by Richard Stanton—one of the country's leading directors—took part in "Bride 13." This great serial will be shown at the Happy Hour Theatre beginning next Monday Feb. 21st.

FOX MAN LEFT LARGE ESTATE

Charlottetown, Feb. 12—The will of the late Captain John Champion, Alberta (P. E. I.), fox rancher and retired master mariner, has been probated. He left an estate valued at \$100,000. The bequests include \$5,000 for the Protestant orphanage at Eunbury, near Charlottetown. The balance of the estate goes to his widow and family.

"Bride 13" at Happy Hour on Monday.

BOIVIN TO JOIN MEIGHEN PARTY

Ottawa, Feb. 13—It is understood that George H. Boivin, Liberal member of Shefford, will tomorrow resign as the Deputy Speaker of the House of Commons, and his inclusion in the cabinet is said to be probable. Boivin is one of the most brilliant of Quebec Liberals, and was at one time slated for Solicitor General by Sir Wilfrid Laurier. His entry into the Cabinet will make the first break into the solid Liberal bloc in Quebec. Mr. L. J. Gauthier, of St. Hyacinthe, is also expected to enter the Cabinet shortly.

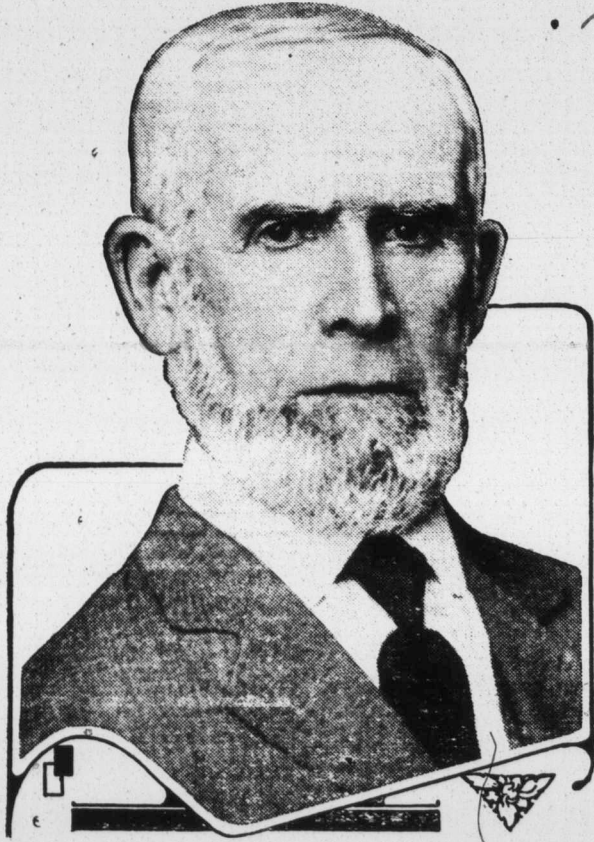

New goods arriving daily at lowest prices, for cash at R.M. Faudel & Sons.

HELD MEETING

A meeting of committees interested in the Miramichi Bay Shore Railway Co., between Newcastle and Tracadie was held last Thursday afternoon and the matter thoroughly discussed in all its phases.

pleased to be able to say that the New Brunswick Hockey League has been whipped into shape until it is a much better organization this year than it was last' and Bathurst will vote to have the league continue under the same direction as this year.

Quaker Minister Is Grateful to Tanlac

Rev. Parker Moon

Nearly everybody in Southwest Missouri either knows or has heard of the Rev. Parker Moon, who for a full half century has devoted his life and talents to Sunday School and organization work for the Society of Friends or Quakers.

"Uncle Parker as he is more familiarly known, came from fine old rugged Quaker stock, and there is not a better known or more highly respected citizen in that part of the state. In referring to his remarkable restoration to health by Tanlac, he said:

"About five years ago I suffered a general breakdown. My principal trouble was nervous indigestion. My appetite was very poor and my food seldom agreed with me, and I had to live on a very restricted diet. I suffered a great deal from headaches and dizzy spells; I had severe pains across the small of my back and was badly constipated most of the time. In fact, I was so weak and rundown I was not able to attend to my duties.

This condition made me very nervous and I could not sleep at night. Frequently I would lie awake most all night and was in that condition more or less for five years. My physician said he could not do anything for me and suggested a change of climate I

then moved to Texas and went back and forth three times but did not get the relief I had hoped for. Finally, I got so bad off I was not able to get around with any degree of comfort. I was also told I had heart trouble.

"I had read about Tanlac and, as it had been very highly recommended to me, I decided to try it. I got a bottle and had taken only a few doses until I could notice a marked improvement in my condition. I noticed especially that I was not troubled any more with sour stomach after eating which was a great relief.

"I kept on taking Tanlac until I fully regained my health. My appetite is splendid; I enjoy my meals and I do not find it necessary now to take any laxative medicines of any kind. I can sleep much better and am not nearly so nervous.

"I take great pleasure in recommending Tanlac to anyone who needs a good system builder, or who suffers with stomach trouble. I have recommended Tanlac to a great many of my friends and am pleased to reach others by giving this statement for publication.

Tanlac is sold in Newcastle by E. J. Morris, in Redbank by Wm. M. Sullivan, in Doaktown by O. Hildabrand and in Nelson by Mrs. James Nowlan.

Retired Baptist Minister Dead

Hampton Station, Feb. 8.—Rev. Frederick T. Snell died at his home here early this morning. Nearly seven years ago failing health compelled him to retire from the active work of the ministry. He was then pastor of the Baptist Church at Alma, N. B. For a time he made his home at Harvey, Albert Co., and later moved to Hampton Station.

The serious heart trouble from which he suffered held him a prisoner at home much of the time. It gradually grew worse and for nearly two months he has been confined to his bed and much of the time unconscious.

Born in England

He was born in Cornwall, England, seventy-six years ago. In 1880 he was ordained to the work of the ministry. After ten years of service he came to America, and labored for some years in Georgia. About 1895 he came to New Brunswick and became pastor of the Baptist Church at Havelock. In 1899 he returned to England and remained in the homeland for six years. But Canada had not lost its attraction for him and in 1905 he returned, becoming pastor of the church at Newcastle. Subsequently he ministered to the churches at Upper Blackville and at Alma.

A widow and four children are left to mourn his departure and to cherish the memory of his gentle righteousness. The two sons, Fred and Howard reside in Hampton. One daughter, Mrs. C. B. Wetmore, also makes her home in Hampton. Another daughter Mrs. Horace Bishop, was in California.

The funeral will be held on Thursday afternoon at 2.45, after the arrival of the express from St. John.

Old Valentine Customs

The first use of drawings or mottoes with valentines is described in "Paps' Diary," which was written by an eccentric Englishman. The reference is entered under the date of February 14, 1667: "This morning," Mr. Paps wrote, "there came up to my wife's bedside little Will Mercer to be her valentine. He brought her name written upon blue paper, in gold letters, done by himself very prettily. We were both well pleased with it. I do first observe the drawing of mottoes as well as of names: so that Pierce who drew my wife's, did also draw a motto. Her motto was, 'Most courteous and fair,' which, as it may be used for an anagram upon each name, might be very pretty."

Mission, a French writer who lived in London, told of the customs in his adopted land in a book which was written on or about 1698. He says "On the eve of St. Valentine's Day the young folks of England and Scotland, by ancient custom, celebrate a little festival. An equal number of maids and bachelors get together. Each writes his true name or some assumed name on separate billet which they roll up and draw by lots the maids taking the men's billets and the men taking the maids'. Thus each man lights upon a girl that he calls his valentine. Fortune thus divides the company into so many couples. The valentines give balls and treats to their maids and wear their billets several days upon their bosoms or sleeves. And this little sport often ends in love."

Canadian Debt Is \$5,495,000 Less

Ottawa, Feb. 8.—The January statement of the finance department issued tonight shows a decrease during the month of \$5,493,000 in the net national debt. Revenue was about \$5,000,000 higher than in January of the previous year while ordinary expenditure was over \$5,000,000 lower.

During the two months revenue and expenditure were:

January, 1920—Ordinary revenue, \$34,266,188; ordinary expenditure, \$34,131,364.

January, 1921—Ordinary revenue, \$39,480,892; ordinary expenditure, \$28,346,349.

During the ten months closing with the end of January, ordinary revenue was \$383,835,567 in comparison with an ordinary revenue of \$288,230,311 during the corresponding period of 1919-20.

Ordinary expenditure during the same period was:

1920-21, \$313,809,278; 1919-20, \$271,352,190.

Capital expenditure during the month was \$2,507,960 as compared with \$62,179,734, the capital expenditure for January, 1920. The decrease is, of course, due to reduction in war expenditure.

The net national debt now stands at \$2,502,723,021.

SUNNY CORNER

Sunny Corner, Feb. 15.—Mrs. Wm Sheasgreen and Mr. Joseph Murphy are visiting in Sunny Corner.

Messrs Walter Matchett and Earl McAllister are on the sick list this week.

Mrs. Allan Tozer spent the former part of last week in Lytleton.

Miss Jean Sinclair, Halcob was the guest of Mrs. George Leach on Sunday.

Mrs. Daniel Matchett is staying with her daughter at the Corner this week.

Miss May E. Johnston spent a few days of last week with Miss Edith Tozer.

Miss Christina Mullin who has been in the Miramichi Hospital for the past two weeks suffering with a sore eye returned home on Saturday.

We are glad to hear that Master Edward Murphy is doing nicely since undergoing the operation in the Hospital.

Deepest sympathy is extended to the sorrowing loved ones of Mr. Howard Murphy, the latter who passed away in Hotel Dieu on the 31st of January.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

SOFT, HEAVY HAIR

A 35-cent bottle of "Danderine" will not only rid your scalp of destructive dandruff and stop falling hair, but immediately your hair seems twice as abundant and so wondrous glossy. Let "Danderine" save your hair. Have lots of long, heavy hair, radiant with life and beauty.

Means More Liquor Through St. John

The already large shipments of liquor which pass through St. John during the winter months probably will be materially increased as a result of a Washington decision that further shipments of such goods through the United States for Canadian destinations cannot be permitted under the Volstead act. A Canadian Press despatch from Portland (Me), comments on the situation, as follows:

"Shipments of liquor in bond through this port from Europe to Canada will be stopped by the decision, announced at Washington today, that the shipment of liquor to one foreign country from another via the United States is illegal according to collector of customs Charles M. Sleeper. More than sixty thousand cases have been received here this winter and transferred by rail to Montreal and other Canadian points."

As St. John is the most convenient Canadian port for winter shipments, it is expected that large quantities of barreled and bottled goods will be diverted to this port.

Certain foods, those rich in vitamins, are more useful than others.

The Result in West Peterborough

The West Peterborough bye-election has come and gone.

The only real surprise in the situation was the size of the majority of the Liberal candidate. There were certain things obvious from the time that five candidates were certain to be in the field. The farmers' candidate, if the U. F. O. were to remain true to its determination, was bound to get the farmers' vote practically intact. It only constituted about twenty-five per cent of the electorate, but a solid vote of a large faction is always a factor in elections. The Labor candidate was almost sure to get the Labor unionists' vote, which was in itself considerable. There were then three remaining candidates to divide up the unorganized vote of the city of Peterborough, the Liberal and two Conservatives.

In addition to what might be considered the straight political vote as between two parties, there was the religious vote. There has been for years a sharp cleavage between the ultra Protestants and Roman Catholics, a most regrettable thing in itself. The former are represented largely in the back concessions of the riding of Orangemen. It was thought that Mr. Burham might capture them as he had done formerly, but as farmers they stuck to their own candidate who ran strong throughout the rural districts. On the other hand, the Roman Catholic vote, which is an important factor, went Liberal and accounts for Gordon's majority and gave him a lead which it was impossible to overcome by the cogency of argument on the tariff issue. The Labor candidate, who was a Catholic, did not materially affect the Catholic vote given to Gordon.

We had thus left a situation which on the questions of the tariff and the popular mandate, left the city of Peterborough divided in its sympathies as among three candidates, all of whom declared themselves emphatically for protection. Denne, the Government candidate, and Durham who polled a much bigger vote than even his friends anticipated, split the National Liberal Conservative vote between them and adding their votes together we would have had a substantial majority for Conservative principles. In other words, if it had not been for Burham's candidature, the Government candidate would have won easily.

The one thing that stands out significantly and prominently is that Protection won the day. It is the principle upon which the Government, under the leadership of Mr. Meighen, stood definitely, and it is the issue upon which the next general election must be fought. No one except the farmer candidate, ran on a free trade platform, and the U. F. O. candidate ran rather as a U. F. O. than a free trader. The farmers of Peterborough would not have sacrificed their home market if free trade had been the real issue. As in East Elgin they were bound to their pledges in their U. F. O. lodges to support their own candidate. So far as Protection being an issue, the Liberals Candidate pursued not only an illogical but a very deceptive campaign. He repudiated the Liberal platform of 1919, which he himself helped to frame and of which he professed to be a supporter up until the campaign opened. He was supported by Mr. Fielding who above all others might be regarded as the proper man to speak on the fiscal questions of the day. The latter, despite the wording of the Liberal platform, said: "You were not hurt by the Liberal platform framed prior to 1896. You need not fear the platform of 1919. The tariff is not in danger. Mr. Fielding advocated a union between the Liberals and the farmers, who openly and unqualifiedly advocate free trade, for the purpose of defeating the Meighen Government, leaving the main issues, of the tariff and exchange, absolutely in the air.

There is no principle, except of expediency involved. It is two-faced and dishonest. It implies a total lack of principle. The Liberals have said solemnly in conclave in effect that they believe in free trade to an extent which would seriously affect every industry in West Peterborough, but in West Peterborough they declared that free trade was not an issue and would not be if the Liberals came into power.

Whatever may be the outcome, there can be no other conclusion than that, as in 1896, the avowed object is to deceive the electors. As among British Columbia, the Middle West Ontario, Quebec and the Maritime Provinces. The clear avowal is that it matters not what platforms of political parties may declare, the sole object is to defeat the Government and to get into power. A declaration of principles does not count, and as neither the Liberals or the farmers can hope to succeed by themselves they will unite, sink their difference and whatever principles may be involved and go to the polls with only office in view. Promises, that is platforms, are made to be broken. That is practically the attitude of the two parties opposed to the Government. Or at least, it is the attitude the Liberals wish to be adopted and it remains to be seen to what extent the farmer parties will connive with them. As a matter of fact, in the circumstances, the result of the elections has no political significance as representing the will of the Electors of West Peterborough with his vote of over 4000 votes, the Liberal candidate's support does not represent more than 25 per cent of the total electorate?

Tommy Cotter Sold To Sydney Man

FREDERICTON, Feb. 12—Tommy Cotter, 2:14 1-2, one of the veterans of the harness racing turf in the Maritime Provinces, and formerly owned in St. John, has been sold by H. G. Kitchen, of this city, to Bert Doyle, of Sydney, N. S. Tommy Cotter took his win race in 1917 and since then has not raced to it, which would give him the full six seconds advantage this year and allow him to start in events for 2.21 pacers. Tommy Cotter is a bay gelding by Brazilian, and when he got his mark was one of the fastest pacers bred in the Maritime Provinces. It is understood that his new owner plans to use Tommy Cotter on the Cape Breton winter and will later campaign him on the Cape Breton circuit next summer.

Mrs. Ralph Smith Refuses Speakership

Victoria, B. C., Feb. 8—The legislature of British Columbia will not be presided over by a woman Speaker this session. This morning following a meeting of the executive council Premier Oliver formally offered the Speakership of the legislature to Mrs. Mary Ellen Smith, M. L. A., Vancouver. Mrs. Smith refused to accept the honor. A government caucus was called for 11 o'clock to discuss the appointment of a Speaker as the legislature opens this afternoon at three o'clock. It is rumored that Mrs. Smith may be given cabinet rank later.

Section Foreman Badly Injured

Allan Weaver, of Ludlow, N. B. section foreman, was struck by a train and seriously injured yesterday near MacNamee Siding. Mr. Weaver and another section man were on a hand car on the main line when overtaken by a special train. The other man jumped clear, but Weaver was thrown on the track when the engine struck the handcar and caught between the wheels. His right foot is badly crushed, a rib broken, lung injured and is badly bruised. The unfortunate man was brought to Miramichi hospital where he is reported to be resting easily, but his condition is serious.

R.M. Faudel & Sons, for lowest prices and highest quality.

Prohibition Commission Is Appointed

FREDERICTON, N. B., Feb. 10—The New Brunswick prohibition commission was appointed this morning by the provincial government and will take charge of the importation and wholesale distribution of liquor in the province as soon as they have time to organize.

Hon. J. F. Tweeddale, former minister of agriculture is the chairman of the commission and the two other members are Martin McGuire, of St. John, and A. F. Bentley, ex-M. L. A. of St. Martins. The chairman will give his entire time to his duties while the other members will act in an advisory capacity. Premier Foster in making the announcement of the appointment said that the salary of the chairman had not yet been fixed. The other members of the commission will be paid a per diem allowance and traveling expenses when engaged in their official duties.

Remnants!

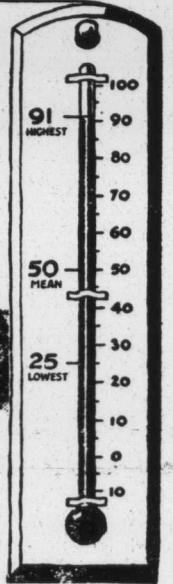

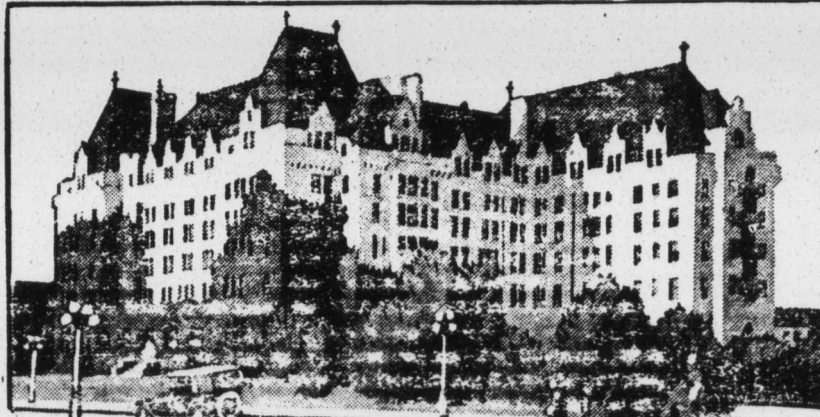

Cotton, Chambray, Velvets, Tickings, Flannellettes, Cretonnes, Print, Dress Goods, Curtaining, Sheetings, Flannels, Pillow Cottons, Voile, Silks, Corduroys, Sateens, Satins, etc.

(All in Desirable Lengths)

These Remnants are marked almost one half their regular value. Come and select a few while the picking is good.

Can Any Canadian City Beat This?

THE mild and equable all-year-round climate of Victoria on Vancouver Island—a climate which is bringing so many Canadians and Americans to the beautiful Empress Hotel—is demonstrated most convincingly by the record of the thermometer. According to figures supplied by the meteorological office of the Dominion Government the lowest point reached during the year 1920 was 25 degrees Fahrenheit in the month of January, while in only one month, namely, July, was any higher point reached than 84 degrees. The mean in the hottest summer month of August

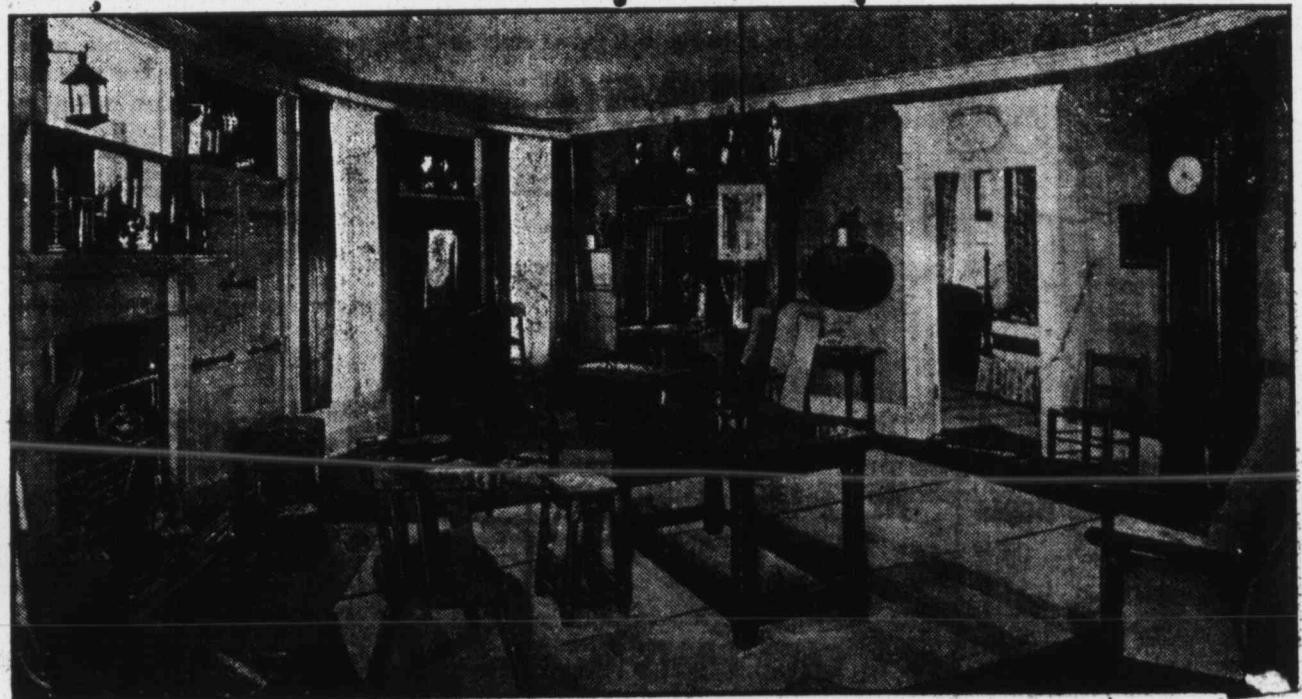

was 61 degrees while the mean over the whole year was 50 degrees. The winter months of January and February show mean temperatures of 39 and 42, although temperatures in both months were recorded as high as 53 degrees. No wonder that the grass is always green and that Spring comes early in this equable and delightful climate. Victoria is par excellence Canada's City of Flowers, and the Empress Hotel as its social centre is a perennial attraction for young and old.

RECORD OF 1920 MEAN TEMPERATURES VICTORIA, B.C.

Table with 2 columns: Month and Mean Temperature. January... 39, February... 42, March... 44, April... 45, May... 50, June... 56, July... 60, August... 61, September... 55, October... 49, November... 45, December... 43.

The premier announced that Fredericton would be the headquarters of the commission. Hon. Mr. Tweeddale was minister of agriculture in the Foster government until defeated in the recent general election. Mr. McGuire has been in the wholesale liquor business in Water St., St. John, and is experienced in the business. Mr. Bentley is in the lumber business.

Historic Furniture in Palatial Hotel

The Montcalm Room in the Chateau Frontenac, Quebec.

Champlain, Jacques Cartier and Montcalm, three of the heroic figures in the early settlement of North America along the St. Lawrence River have been happily united in a suite of rooms which have been named after them at the famous Chateau Frontenac, in Quebec. This suite is in the basement tower which forms one of the most noticeable landmarks in the ancient city, and commands a wonderful panorama of the great river and of the blue Laurentian Mountains. The central room named after Montcalm and used as the sitting room has among other curious furniture of two hundred years ago, a table and chair of rough design made by soldiers who served under General Montcalm in the Siege of Quebec in 1759. The actual chair used by the General up to the date of his last fatal fight, the sword of General Wolfe. The writing desk in the room was formerly an altar in the old Ursuline Chapel while the armoire Grandfather's Clock used to figure out the hours and minutes in the Old Jesuit School. The habitants, or peasant proprietors of French Canada, are famous for their skill in handicraft, particularly weaving. The floor-covering used in these rooms is a specimen of this habitant handcraft, known as 'tastagne', a washable material of fine weave.

The two adjoining rooms on either side are used as bathrooms, and except for the private bathrooms which have been built in to meet with the requirements of modern habit, are faithful replicas of rooms in the seigniorial Chateau of Old French Canada.

The four-poster beds, chairs, fire irons, crockery and charcoal-burners are actual antiques. Here can be seen the old warming pan of the pre- radiator days and the old 'spit-lighters' of the days before matches were invented. The old fashioned open hearth, with the built-in standing by and the family table, and their welcome in full their talk hospitable bygone days. On the wall hang 400 years' old pictures representing

Saint Valentine's Day

Saint Valentine's Day is her with its pretty cards, its lace paper frills, sentimental verse and its delightful air of mystery. Perhaps it will add to the interest of the day to know something of its history. There were at least two real saints named Valentine. The first belongs to Rome and was martyred on February 14, 270 A. D. Nearly two centuries later, the story goes, a certain boy, born February 14, was named for the patron saint of his day, and became in course of time another Saint Valentine, who carried the gospel to the pagan inhabitants of the beautiful Alps. Travelers tell of a dear little church, the Church of Saint Valentine, nestled in a sheltered valley, on the site of the chapel the good missionary built in his old age, where he spent his last years and where he died.

Saint Valentine's Church is believed by some people to be the oldest pilgrimage shrine in that region. It is also a very favorite place for the celebration of weddings. That is quite ap-

MR. A. A. DYSART TO BE SPEAKER

Fredericton, Feb. 10—Thursday, March 17, was tentively named as the date for the opening of the legislature this morning. The exact date will depend upon how long the trial of the Restigouche election petition takes, said Premier Foster.

It has been definitely decided that A. A. Dysart, M. L. A., for Kent will be the governments' nominee for the position of speaker. Mr. Dysart is a lawyer and resides at Buctouche. He was a member of the last legislature and succeeds Hon. J. E. Hetherington, who was recently elevated to the cabinet as provincial secretary treasurer.

How To Safeguard Your Digestion

The Blood Should Constantly be Kept Rich and Pure

If you suffer from any form of indigestion your diet should be carefully chosen. Over-eating is always harmful, but at the same time one must take enough food to supply the needs of the blood. It must be remembered that the blood has to carry nourishment to every part of the body, find fuel for energy and defences against disease, as well as the requisite juices for digestion. Hence when the blood becomes weak and fails to do its work, indigestion arises; also when indigestion begins the blood still further suffers. Therefore, to safeguard your digestion, the blood should be kept rich and free from impurities. For more than a third of a century Dr. Williams' Pink Pills have been a favorite tonic for enriching the blood and strengthening the nerves. If, therefore, you find yourself troubled with indigestion, or other ailments due to weak, watery blood, you will find Dr. Williams' Pink Pills both safe and effective. The value of this medicine in cases of stomach trouble is shown by the experience of Mrs. J. Lewis, Lake George, N. S., who says: "I suffered very severely with indigestion. I had severe pains in the stomach after every meal. I had a loathing for food, my rest at night was very much disturbed, and my general health was declining. I was under a doctor's care, but did not find any improvement. Reading of what Dr. Williams' Pink Pills had done in a similar case I decided to try them, with the result that after giving them a fair trial, my general health was improved, and all symptoms of the indigestion that had afflicted me disappeared. I feel very grateful to Dr. Williams' Pink Pills for saving me from so much misery."

You can get Dr. Williams' Pink Pills through any medicine dealer, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

appropriate and reminds us of the old, old legend that on Saint Valentine's Day the birds choose their mates.

The interchange of valentines was carried on in pagan times and the choice of the saint's day as the one on which the old custom is remembered is probably accidental. It has served, however, to make his name one of the best known in the whole calendar of saints.—The Christian Intelligencer.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions, and therefore requiring constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

PERSONALS. RECONSTRUCTION OF CABINET

Miss Rita Malthy is visiting friends in St. John.

Rev. L. H. MacLean returned from Toronto on Saturday.

Mr. A. T. LeBlanc of Campbellton was a visitor in town last week.

Mrs. D. R. Brown has returned from a visit to friends in New York.

Miss Ella O'Donnell spent last week with relatives in Campbellton.

Miss Betty McMurray of Ferryville is visiting Mr. and Mrs. D. W. Stohart.

Messrs. Chas. Peterson and Albert Hill of Millerton spent Thursday in town.

Miss Carmel McCarron of Moncton, is visiting her friend, Miss Lottie McWilliam.

Mr. A. MacM. Astle has returned from a ten days trip to Montreal and Toronto.

Mr. A. Astle was registered at the Brunswick Hotel Moncton on Friday of last week.

Mr. William Richards, Manager of the Opera House is confined to the Miramichi Hospital.

Mr. Josiah White of Lisbon Falls, Maine, arrived last Wednesday to spend a few weeks.

Miss May McEvoy entertained a number of her friends at a snow shoe party last Tuesday night.

Mrs. A. E. G. McKenzie was the guest of Mr. and Mrs. E. P. MacKay of Bathurst last week.

Mr. Richard Burke of Melrose Mass. is visiting his sister, Mrs. William McCullam this week.

Mr. Clarence Gorman of Boston, is visiting his parents, Mr. and Mrs. William Gorman, South Nelson.

Mrs. James Armstrong of Youhall, Glou. County is visiting Mrs. Eliza Armstrong and Miss Agnes Russell.

Mr. and Mrs. William Sinclair leave tomorrow for Bermuda where they will spend the next six weeks.

The many friends of Miss Mary King are pleased to know she is back to work again after her recent illness.

Mrs. G. E. McGrath and Miss Margaret McGrath spent a few days of last week with friends in Campbellton.

Rev. W. D. Wilson, Secretary and Organizer of the N. B. Temperance Alliance was a visitor to town yesterday.

Mr. Rankine of T. Eaton Co. Ltd. Moncton was a visitor of Mess. A. D. Farrah & Co. on Thursday of last week.

Mrs. C. P. McCabe and Miss Clare Lawlor attended the funeral of their sister Mrs. Thomas Howard, in Moncton last week.

Mr. L. Grossman, who removed from Newcastle to Milwaukee, Wis., about two years ago is visiting his son, Louis Grossman, here.

Mr. and Mrs. Earl Wilson are receiving congratulations on the arrival of a new daughter at their home in Derby Junction on the 3rd inst.

Capt. W. H. Teed, Secretary-Treasurer of Northumberland and Mr. J. W. Vanderbeck, M. L. A., were in Fredericton last week on County business.

Mrs. William Russell, of Shediac returned home on Saturday, after an extended visit to her sisters-in-law Mrs. Eliza Armstrong and Miss Agnes Russell.

Mrs. A. H. MacKay and son Jack have returned from Bale Verte, where they were attending the funeral of Mrs. MacKay's sister, the late Mrs. Carl A. Goodwin.

The many friends of Mrs. Eliza Armstrong will be pleased to hear that she is continuing to improve in health, and is now able to sit up several hours each day.

Mrs. William Sheasgreen, Montreal and Joseph Murphy, Fargo, N. D. arrived home last week to attend the funeral of their brother, the late Howard Murphy Redbank.

Mr. Robt. Galloway sustained painful injuries about the head last Wednesday when he fell from a ladder while performing his duties at the factory of the Miramichi Manufacturing Co. Ltd.

Mrs. Bert Kane and Miss Pearl

Ottawa, Feb. 11—While there were no new developments today, it can be authoritatively stated that the Prime Minister's cabinet reorganization plans are proceeding satisfactorily and that an announcement of their consummation may be issued some time next week.

For obvious reasons names have to be withheld, but it can be stated that the Premier's plans include the taking in of three prominent French Canadians, all of whom are in sight, and that the reorganization, so far as the English-speaking section of the cabinet is concerned, will be upon an extensive scale, at least five or six aggressive men taking the place of veterans of the present cabinet, who are to retire.

One of the men, a Westerner, is one of the outstanding Liberals in Manitoba, as well as a leader of the bar of that province, while another, also likely to be called is an ex-New Brunswick, whose name is a household word in the politics of Alberta.

The Ontario Men

As for Ontario the new men are likely to be J. R. Manion, of Fort William and J. A. Stewart, of Perth, with W. A. Boys, of Simcoe coming as Solicitor General. Manion, who will come in without portfolio as a representative of Ontario Roman Catholics, is a young man, who had a brilliant record in the war, a physician and an author. For two sessions past he has been one of the Ontario whips in the Commons and is a debater of considerable power.

May Go to Railways

J. A. Stewart, of Perth, has long been recognized as one of the ablest, perhaps the ablest, of the young men who entered the House in 1917. He is likely to take the Department of Railways and Canals, succeeding Dr. Reid, who is slated for the Senate.

H. H. Stevens of Vancouver, will likely be brought in from British Columbia Young, vigorous, brilliant, and a power on the stump Stevens, who has had an adventurous career as a sailor, miner and soldier, will be a tower of strength in the House.

Who From Quebec?

The proposed Quebec representatives cannot be mentioned for the present. Two of them are old time Liberals, however, and the third a Conservative; the first two are at present in the House, one of them being among its foremost members.

Just how long it will take before the re-organization is completed it is not easy to say. The problem is more difficult than most people imagine.

String of By-Elections

At all events, it is coming. It will be followed by a series of by-elections that will afford an adequate test of the Government's popularity in the country. If the new ministers are rejected it will be the signal for a general election. If they are successful, it will be a mandate to the Government to carry on.

You'll never regret if you deal at R.M. Faudel & Sons.

Wright of Moncton, and Mr. Joseph Wright of Boston, Mass. were in town last week having been called here by the serious illness of their mother, Mrs. Arch Wright.

Fraser Harris and little daughter, Dorothy left last Thursday for Rutland Hospital, Vt. where the latter will undergo an operation.

Mrs. Harris received a telegram last night from her husband stating the operation was performed yesterday at 9 a. m. and that the little girl was doing well.

PILES

Do not suffer another day with itching, bleeding or protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit. 50c a box; all dealers, or Edman Bates & Co., Limited, Toronto. Sample box free if you mention this paper and enclose 5c. stamp to pay postage.

Keeps Baby's Skin Healthy

If every mother could only realize the danger which lurks in the neglect of chafing and skin irritations she would not take chances on being without Dr. Chase's Ointment to apply after baby's bath.

It arrests the development of eczema and makes the skin soft, smooth and velvety.

50 cents a box, all dealers, or Edman Bates & Co., Ltd., Toronto.

The NEW EDISON

"The Phonograph with a Soul"

"Who is the most sophisticated man in New York?" Mr. Edison selected Wm. J. Burns, who gladly made the Mood Change test to assist Mr. Edison in his research work. Mr. Burns' Chart is reproduced. Mr. Edison needs thousands of these charts. Won't you help him by filling out a Chart?

MOOD CHANGE CHART
An Analysis of Your Mental Reactions to Music as Re-Created by the New Edison, "The Phonograph with a Soul."

Date of Test: *Nov 10 1920*

1. Place: *Edison Bldg*
(Home or Office)

2. Time: *10:30 AM*
Morning Afternoon Evening

3. Weather: *Clear*
Dull Warm Cold Breeze

4. What kind of music did you feel like hearing?
Tender Vivacious Joyous Majestic Weird Solemn Soothing Gay Martial Exciting Sad Simple Dreamy

5. What was your mood immediately preceding test?
Serious or Worried or Gay Carefree Depressed or Nervous or Exhausted Composed Frenzied or Sad or Unlanguage Joyful Discouraged or Optimistic

6. As a result of the test, what were your most noticeable mood changes?
(Serious to gay, gay to serious, worried to carefree, nervous to composed, etc.)
MOOD CHANGE: *Serious - Gay* RE-CREATION CALLED: *Such Change*
from from "Ray" Alice Blue Brown

7. Please comment on manner in which mood changes occurred:
I came from a very serious conference and could not get that out of my mind.

Wm. J. Burns
Head of Wm. J. Burns International Detective Agency

Wm. J. Burns filled out the first Mood Change Chart

Will You Fill Out a Chart for Mr. Edison?

MR. BURNS pronounced the test most interesting. He enjoyed it and was glad to help Mr. Edison. You'll enjoy filling out a Mood Change Chart also—and we know you will eagerly help the great inventor in his latest research into the effects of music on the minds and moods of mankind. Read Mr. Burns' Chart. Then come to our store. Make the test. Learn how music affects your moods. Your Chart will be sent to Mr. Edison.

If you own a New Edison, ask us for a supply of Charts and invite your friends for a Mood Change Chart party. They will find it more entertaining than the Ouija board. If you do not own a New Edison, we will lend you an instrument with a supply of RE-CREATIONS, for giving a Mood Change Party. The New Edison has perfect realism. Its RE-CREATION of music cannot be distinguished from the original music. This makes it possible for every home to enjoy the full benefits of the world's best music.

Newcastle, N. B.

Literary Society Holds Meeting

Millerton, Feb. 9.—The Derby Literary Society held its first meeting in the Millerton school last night. The meeting attended by both young and old was ably presided over by the Rev. H. T. Montgomery. The following elections were made: Mr. Leroi Betts, Secretary; Miss Pauline Crocker, Miss B. L. Clarke, Mr. Howard Harper and Mr. Millar Esson, Topic Committee for February. It was decided not to limit the membership, but to open the meetings to all who were interested.

The Topic for the evening, Robert Service's Poems, was then taken up and selections from several of his volumes were read and discussed, the society deciding to complete this study at the next meeting. One of the most interesting features of the evening was the "Question Box" into which members dropped questions during the evening; these were later read by the president and commented upon by the members, some of the more difficult being left until next week.

The meeting then adjourned to accept an invitation from the boys of the Juniper Club to help them celebrate Shrove Tuesday with a pancake supper in their bungalow. This was heartily enjoyed by all and brought the evening to a very satisfactory close.

Fire Losses Were Heavy In Canada In 1920

Ottawa, Feb. 9.—The fire loss in Canada in 1920 was approximately \$27,400,000 equal to about \$3.42 per capita on an 8,000,000 population. \$17.10 per family, according to figures made public today by the Commission of Conservation. "An analysis of the fire loss," says the monthly bulletin of the commission, "discloses certain facts which are not creditable to the business of the country, and, which account in part for our high cost of protection in Canada, as compared with Europe." One half of the fire waste was caused by 72 fires, practically all in commercial property. Fires causing damage of \$10,000 and over, numbered 301. The bulletin expresses the opinion that rigid enforcement of the penalties for carelessness in this respect would do more to reduce the fire waste than any other influence that might be brought to bear.

mined to make her pay as she is able. There may be extremes on both sides of this question and it may be that, after the establishment of the new government in the United States, a new world Council may be called which will review and perhaps change the peace conditions and arrange for some world power that may altogether forbid war. We do not pretend to know how much of truth there may be in Germany's contentions, but it is clear that she is making a very undignified attempt to escape the consequences of her crimes against humanity.

NOW is the time for OXO

OXO Cubes exactly meet winter's needs; they nourish and they warm.

"Cascarets" for Constipation

Just think! A pleasant, harmless Cascaret works while you sleep and has your liver active, head clear, stomach sweet and bowels moving as regular as a clock by morning. No griping or inconvenience. 10, 25 or 50 cent boxes. Children love this candy cathartic too.

Stiffness

It is a terrible pain which makes it difficult to move and to rest.

Lower Your Coal Bills

With **'HECLA' PIPELESS FURNACE**

It will cost you less for coal to heat your whole house with this furnace than it will to try and heat it with stoves. It will cost you less for coal with a "Hecla" Pipeless than with any other heating system!

The "Hecla" Fireplace has three times the heat-radiating surface of any other furnace because it is ribbed with flanges of steel. For that reason it gives quicker heat—and more heat.

Owners say that this exclusive "Hecla" feature applied to pipeless heating means wonderful fuel economy. At today's price of coal you do not need to save many tons to pay for a "Hecla" Pipeless.

Patented Fused Joints are another superiority of the "Hecla" Pipeless. They are proof against leaks of gas and dust.

And in the "Hecla" Pipeless you get an extra big waterpan—that runs all around the furnace. Thus, every room in the house is supplied with air that contains a healthful degree of moisture.

It takes but a day to install a "Hecla" Pipeless. Our booklet "Buying Winter Comfort" describes all the other advantages fully—tells why it keeps the cellar cool for vegetables, why it heats every room properly, why we guarantee it absolutely. Write for it now. There's lots of zero weather ahead. Why not enjoy the comfort a "Hecla" Pipeless gives, and begin saving your coal bills now—this winter.

Phone : 121
SOLE AGENT

During The Week

Much discussion has taken place as to the ability of Germany to pay the reparation amounts fixed by the Supreme Council, at its recent meeting in Paris. Germany herself cries out that it is an insane proposal, that to insist upon it will plunge the country into insolvency and bolshevism and that her fall will drag other nations down with her. Some English and American authorities take somewhat the same ground. Others of great prominence, declare that Germany is quite able to pay the indemnity demanded of her. They show conclusively that the per capita taxes of Germany are considerably lower than those of Great Britain, France and Italy.

It may be interesting to note that during the next few years in Canada the interest alone on our war debt will amount to fourteen dollars per head per year, or about twice the amount the Germans are asked to pay per head for reducing Europe to ruins. Germany is determined to get clear as far as possible from suffering the punishment due to her crimes against the world, even if she has to grovel and whine to accomplish it, but France and Belgium to whom she showed no mercy are deter-

Time Tested Cold Remedy

Your grandparents can tell you of the wonderfully beneficial properties, and of the many remedies effected by the favorite family cough and cold remedy of their time—

SHARP'S BALSAM
of Eucalyptus and Anise Seed

Seventy years ago this valuable medicine came into prominence and public favor, through its effective action in the successful treatment of coughs, colds, and similar affections. For seventy years it has stood the test of a reliable family cold remedy, and today it is the most dependable, most popular remedy in the Maritime Provinces.

GENUINE ASPIRIN HAS "BAYER CROSS"

Tablets without "Bayer Cross" are not Aspirin at all

Get genuine "Bayer Tablets of Aspirin" in a "Bayer" package, plainly marked with the safety "Bayer Cross". The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, prescribed by physicians for nineteen years and proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for Pain generally. Made in Canada. Handy tin boxes of 12 tablets—also larger sized "Bayer" packages. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocyclic Acidester of Salicylic Acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

STOMACH IN ORDER! NO INDIGESTION, GAS, SOURNESS

"Pape's Diapepsin" has proven itself the surest relief for Indigestion, Gases, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large case costs only few cents at drug store. Millions helped annually.

Campbellton Lost To Champions

Campbellton, Feb. 9.—By a score of 5 to 3 Chatham defeated Campbellton in a fast game of hockey here this evening before a great crowd of local fans and over 200 from Chatham. Through a mix-up over the question of the use of two referees, Brown and Staples, the game was not called until 10.10 but when the trouble had been solved and the two teams accepted the double referee for the night the game went without interruption. Chatham was first on the ice and got a fine reception while, the local team, of course, was welcomed to the fray by tremendous cheering. The line-up for the occasion was the usual one and no spares were used in the game. Only a couple of penalties of three minutes' each were inflicted; these were for troubles in the first two periods.

Chatham had the lead on the home team all the way scoring two goals in the first period, two in the second and one in the third while the lone goal of the Campbellton players were secured in the second period. But the victory of the visitors was hotly disputed all the way in a splendid and clean game.

Problem In India Must Be Faced

London, Feb. 7.—The British official has issued the text of the King Emperor's proclamation summoning the ruling Princes and Chiefs of the Indian States to the inauguration of the Chamber of Princes. It says that the problems of the future must be faced in a spirit of co-operation and mutual trust, and adds: "It is in that spirit that I summon the Princes of India, to a larger share in my councils, in confident anticipation that thereby the bonds of mutual understanding will be strengthened and the growing identity of interests between the Indian states and the rest of my Empire will be fostered and developed."

Assuring the Princes that their rights, privileges, and dignities will remain inviolate and inviolable, the Emperor hopes that the Princes will regularly participate in the chambers' deliberations, although their attendance is not compulsory.

HELPLESS WITH RHEUMATISM

Until He Took "Fruit-a-tives" The Fruit Medicine

R. R. No. 1. LORNE, Ont.
"For over three years, I was confined to bed with Rheumatism. I treated with doctors, and tried nearly everything without benefit. Finally, I tried 'Fruit-a-tives'. Before I had used half a box I saw improvement; the pain was easier and the swelling started to go down. I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place".
ALEXANDER MUNRO.
50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

WEDDINGS

CASEY-JONES
Newcastle, Feb. 10.—On January 27, at the Baptist parsonage, Newcastle, Miss Edith Jones, of Marysville, was united in marriage to Mr. Clifford Casey of Newcastle, N. B. The happy couple will reside in Newcastle.

Nothing To Equal Baby's Own Tablets

Mrs. Georges Lefebvre, St. Zenon, Que., writes: "I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else." What Mrs. Lefebvre says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus banish indigestion, constipation, colds, colic, etc. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

PASTOR CALLED
Newcastle, Feb. 10.—The Rev. E. A. Kinley has received a call to the pastorate of the First Baptist Church Truro, (N. S.) It is understood he will go to Truro and take charge of the church there on March 20.

High Cotton Puts Music In Homes

Macon, Ga., Feb. 8.—In the days when cotton was bringing forty cent a pound negro farmers of Georgia were listed as among the best customers of music houses. They purchased automatic pianos and phonographs and some of them didn't stop with one instrument in a home.

The latter assertion is verified by the appearance at a local pawnshop this week of a negro farmer with four record playing machines. He asked for an advance of money admitting that he had spent money lavishly when money was plenty, and stating that he was beginning to feel the pinch of hard times.

Asked why and how he had purchased so many machines, he replied: "Boss, I bought one for Jennie and when Viola wanted one and then both of my boys wanted one and I wanted to keep them all at home, so I bought the four."

"Yas, sah, they done been playin' all fo' of them at one time." The pawn broker declared that there was too much music for one house and made a liberal allowance to the negro, who replied that he'd take them back just as soon as he made another crop or sold the cotton that he has on hand, there being no market now at even fifteen cents.

Gold In Nova Scotia

The gold mining interest at one time exceedingly prosperous in Nova Scotia has for some time been on the wane. Though it cannot be accurately determined when the yellow metal was first discovered, yet under French regime names were given to places such as Bras d'Or, indicate that in an early period of our history gold was found. At a later date than French occupation we find important gold districts flourishing, and interesting incidents are recorded concerning the opening up of these districts.

At Port Dufferin, Halifax Co, at one time a most flourishing gold mining region, and an Indian was the discoverer Hunting for his cow in the forest brought about the Providential opening up of this district. The Indian in search for his lost cow, stumbled over a hillack. The toe of his boot upturned the surface soil, and when he regained his feet specimens of gold bearing quartz rock appeared. The Indian's accident gave rise to the opening up of the Port Dufferin region from which large quantities of gold have been taken.

In the year 1853 Capt. C. L. Estrange an army officer on a moose hunting expedition found unmistakable tracks of gold in Tangier. Its discovery caused quite an influx of population, which at one time almost reached twelve hundred. The late Rev. John Sprott sometimes visited this locality and preached in the open air, the audiences varying from 400 to 800.

Soon in the Counties of Hants Halifax and Guysboro, gold mining districts were opened up, and the quantity produced in 1860 before the adoption of sworn returns was estimated at 6000 ounces. The total declared quantity of gold produced in the Province during twelve years was 337,000 ounces, which valued at four pounds sterling per ounce, was worth £48,000 and the yield was much greater than in Australia.

This interest so flourishing in days gone by, gave employment to a large number of men. At Mount Uniacke in palmy days, not less than 300 men of the sterling manhood of our Province were found there handling pick, shovel and drill. Gold mining in Nova Scotia is now seldom spoken of nor written about. Like ship building it has declined. Whether or not it shall be revived remains to be seen. Its history is not devoid of interest, and at one time our mining regions furnished a large contribution to the Province's financial exchequer. To the Antiquarian it affords a theme of some interest, and who knows but ere long a revival may be observed out of the present depression, and ounces of this precious metal may again be produced in the little peninsula by the sounding sea.

NOT SOMETHING NEW BUT SOMETHING GOOD

FOR almost fifty years Beaver Flour has been demonstrating to Canadian women that it is unrivalled as the best flour for general baking purposes.

The chief reason for this is that "Beaver" is a blended flour,—containing all the richness and goodness of the world-famed Ontario Winter Wheat combined with enough Western Hard Wheat to give it strength.

BEAVER FLOUR

enables any cook to produce bakings that are real food treats.

Bread made with Beaver Flour has that delicious, nut-like, homemade flavor so much sought after by all who appreciate good things to eat; while pies, cake and pastries are noted for their lightness, crisp flakiness and even texture.

Beaver Flour has earned its enviable reputation for superiority. If you are not using it now—try it! Sold by your grocer.

THE T. H. TAYLOR CO. LIMITED
Chatham, Ontario

"Will I make an extra profit, or will I stick to quality???"

—Whenever the grocer buys tea this is the question that comes to his mind.

If he is after the biggest profit he will never buy Red Rose Tea for it gives him less profit than other teas which he sells at the same price. But he buys Red Rose.—It has the quality.

WRIGLEYS

Promptly placed with A-1 Companies on attractive terms

It's smarting painful. Unless you happen to have Zam-Buk handy, the edges harden and get torn open further in the course of work. Then "infection" gets into the broken tissues. Zam-Buk prevents this danger of festering and blood-poison. Applied to any cut, wound, burn or scald, Zam-Buk provides a perfect antiseptic shield for the damaged tissues. It protects your injury against infection—ensures clean speedy healing.

James F. Warren, of Renfrew, Ont., writes:—"Mine was a severe cut with a rusty knife. It happened when I couldn't get my hand properly bound up. Cold and frost got into the injury and the hand went stiff and inflamed."

"When I got home I had the place well bathed, then applied Zam-Buk. It was wonderfully soothing and I used Zam-Buk regularly until all pain and swelling was gone. The cut, though deep and severe, soon thoroughly healed."

The Quebec Liquor Measure Would Prevent Export

Quebec, Feb. 8.—No liquor will be exported to other parts of Canada from the province of Quebec after May 1, if the new legislation brought down by the provincial government today is accepted by the legislature.

One of the officers who prepared the liquor bill said positively tonight that everything connected with the liquor traffic, including the export, will be in the hands of the commission of five members who will be appointed to administer the act. He said that there would be no export of spirituous liquors to outside points. These liquors will be imported by the commission and sold only in authorized depots in the province in quantities of one bottle at a time.

"The Quebec liquor commission," he said, "will not be a source of supply for other provinces. It will import for the needs of consumers in this province, but positively not for export."

May Export Beer

The same official added that there is nothing that will prevent the export of beer or of wines to outside points, but all such shipments must be made by express or by the railways and must be done publicly.

The bill, the provisions of which have been forecasted in despatches from Quebec for weeks, provides for the entire abolition of the present system of handling liquor in Quebec.

The sale retail of all kinds of liquor will be in the hands of the vendors appointed by the commission. The most drastic regulations will be imposed to prevent bootlegging and other infractions. The government will insure that all liquor sold, whether spirit or wine, will be of the highest quality. Consignments will be sold in sealed bottles.

The bill applies to the whole province, but its provisions shall be suspended in every municipality where the Canada temperance act is in force.

Will Curling Be Revolutionized?

A well-known member of the Caledonian Curling Club of this city, who figured prominently in the Quebec Granite Tourney last week, has discovered that by putting rubber rings around curling stones (granites) much of the objection which curlers using irons have had in the past against the use of granites is done away with.

An experiment was made recently in the Caledonian Curling Club, and it was shown for instance, that where formerly a stone (granite) when touching other stones on the tee, would scatter them like a covey of snipe at the approach of a hunting dog, provided with the rubber bands they acted much like the irons.

It is understood that proper bands have been ordered for the purpose and will be carefully tried out, as their adoption would result in a much increased use of stones, which were the utensils originally used in the name in the old country.

Troops On Rhine To Make Advance

Paris, Feb. 4.—In the case of Germany's refusal to obey the terms of the allied reparations demanded, the allied troops on the Rhine will be ordered to march further into Germany.

This statement was made in the

Delicious in the Cup.

has no equal for quality and flavour.

If you have not tried Salada, send us a post card for a free sample, stating the price you now pay and if you use Black, Green or Mixed Tea. Address Salada, Montreal

Chamber of Deputies tonight by Premier Aristide Briand in his reply to the interpellation of Andre Tardieu, former French High Commissioner to the United States and chief attacker in the French Parliament of the Allied plans.

Premier Briand also announced to Parliament tonight that France could not seek a large loan in America because the United States bankers has asked from twelve to fifteen per cent interest.

"We will, therefore, confine our demands to the smallest minimum possible."

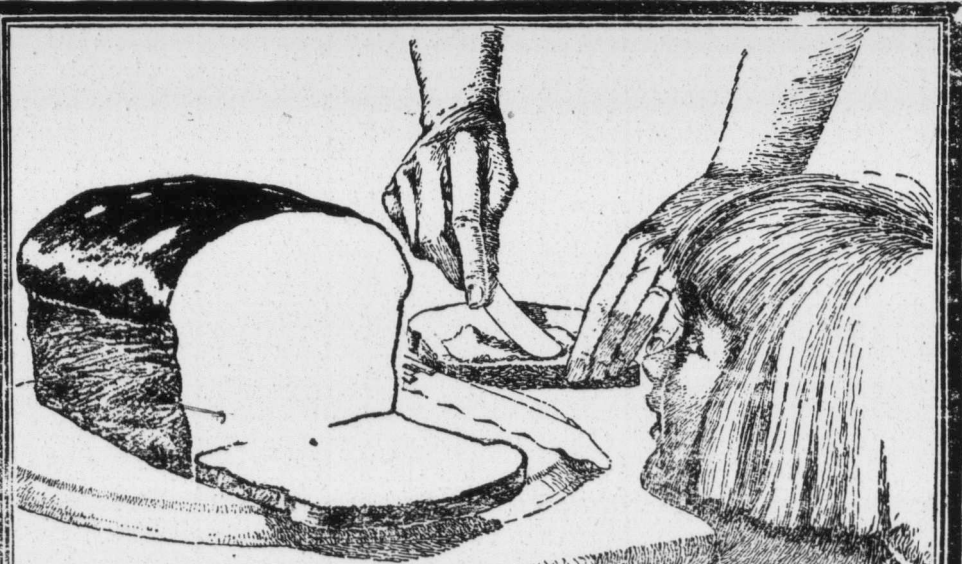

"Even were the Government in a position of realizing immediately the entire German indemnity it would be the most unwise thing we could do at the present rate of exchange on France."

Mr. Fred Lucas of the Dominion Police Force was a visitor to town last week.

Mother

"California Syrup of Figs" is Child's Best Laxative

Beware! Say "California" or you may not get the genuine "California Syrup of Figs" which doctors recommend for babies and children of all ages. Nothing else cleans the little bowels and regulates the child's stomach and liver so gently, so thoroughly. Directions on each bottle. But you must say "California." Don't be talked into an imitation fig syrup which hasn't the delicious, fruity taste or the perfect "laxative physic" action.

"The Hand that rocks the cradle Knows what's Best"

To say that she makes good bread is one of the highest compliments ever offered to the mistress of the house.

If the bread that Mother makes is better it is because she uses flour that is better—

ROBIN HOOD

—guaranteed under penalty to give you better satisfaction than any other flour milled in Canada.

In addition to the extra nourishment it contains ROBIN HOOD is also very economical because, being milled only from hard spring wheat it is stronger, more uniform, is absolutely

free from flour dust—this means that you get more loaves and better loaves at every baking. Get ROBIN HOOD "before-the-war" quality family patent flour and your bread is bound to be the best that can be made.

Our "MONEY BACK" Guarantee.—Robin Hood Flour is guaranteed to give you better satisfaction than any other flour milled in Canada. Your dealer is authorized to refund the full purchase price with a 10% penalty added if, after two bakings, you are not thoroughly satisfied with the flour, and will return the unused portion to him.

Oh, Robin Hood, chief of his hard, 'Twas said a price was on his head; But strength alone and ready sword, Served him to find his daily bread.

Robin Hood Flour

"Well worth the slight extra cost"

Watch for further particulars.

DISCUSS MIRAMICHI

MILL SITUATION

Newcastle, Feb. 10—A meeting of the Nelson branch of the labor union was held in the Labor Temple at that place, Tuesday afternoon. The question of the nine hour day, wage scale, etc., were discussed, in connection with the opening of the spring work. The meeting was called by reason of a report to the effect that certain of the mills on the Miramichi were to revert to the ten hour system on resuming work in the spring.

EXCHANGED PULPITS

The Protestant church pulpits were exchanged last Sabbath morning by the different pastors.

OBITUARY

MISS FLORA A. RUSSELL

St. Andrews, N. B., Feb. 11—A deep gloom was cast over this community, causing many expressions of sincere regret when it became known that Miss Flora A. Russell had passed away on Monday morning at the home of Mrs. William Hare, after a short illness of pneumonia, which had only developed a few days previous. Although Miss Russell had been ill for a few weeks with measles, she was convalescing and death coming so suddenly was a great shock to her relatives and many friends.

Miss Russell came to St. Andrews some years ago as bookkeeper with the firm of Grimmer and Keay, and continued in the services of T. D. Grimmer of the firm, when the business was taken over by him, a few years later until he retired. When Mr. Frank K. A. Grimmer opened a general business in the same building in April, 1919, Miss Russell returned to St. Andrews and resumed her office duties with him. Possessed of a quiet and sympathetic nature and of rare Christian characteristics, she had endeared herself to all with whom she came in contact with, making many friends, by whom she will long be held in loving memory. She was a devout member of the Baptist church, and actively interested in all its affairs. Miss Russell was the daughter of the late Mr. and Mrs. John Russell, of Lower Derby, and was in the 52nd year of her age. Misses Elizabeth, Kathleen and Pearl Russell and Mrs. D. L. MacQuarrie, all of Moncton, and four brothers, J. Edmund, of Moncton; William A. and J. Amos, of Derby; and Silas J., of Rusiagornish, to whom the universal sympathy is extended in their sad and bereavement. The funeral service was held on Tuesday afternoon, at the home of Mrs. Hare and was largely attended. It was conducted by Rev. W. M. Fraser and Rev. Thomas Hicks, both of whom referred to the exemplary life of Miss Russell and of the love and respect in which she had been held. The members of the choir of the Baptist church sang appropriate hymns. The body was taken on the afternoon train to Lower Derby for interment accompanied by Miss Pearl Russell, who had been called here because of her sister's critical condition, but had arrived a few hours after her death.

CURLING

Chatham and Newcastle Curlers play tomorrow for the Highland Society Cup.

"Bride 13" at Happy Hour on Monday.

SUCCESSFUL SALE AND TEA

The Valentine Tea and Sale held yesterday in the Kirk Hall, by the Junior Women's Club of St. James' Presbyterian Church was most successful in every respect. A large number attended and the many good things were highly appreciated by all. The sale was to have been held on Saturday, but owing to the inclemency of the weather, it was postponed until Monday.

R.M. Faudel & Sons the home of satisfaction.

The Funeral Of Mrs. Thomas Howard

The funeral of the late Mrs. Thomas Howard, who died rather suddenly, took place (Wednesday afternoon from her late residence to St. Bernard's Catholic church where services were conducted by the Rev. Father W. J. Mallette, curate. A large number were in attendance at the church service as well as accompanying the remains to their last resting place in the Roman Catholic cemetery, Shediac Road, where interment was made.

As an expression of the esteem in which the deceased, a comparatively young woman, was held a large number of floral and spiritual bouquets were in evidence, the former being very beautiful. Relatives of deceased lady from Newcastle and surrounding towns attended.

The pall bearers were: The Messrs Francis P. Murphy, Andrew Carey, Alban Leger, Thomas Swift, Norman McNulty, Geo. Connors.

Spiritual bouquets received were: From Mr. T. E. Howard, Mrs. Louise Lawlor, Miss Clare Lawlor, Mr. and Mrs. C. P. McCabe, Mr. and Mrs. W. W. Howard, Mr. and Mrs. J. W. Howard, (Campbellton), Mr. and Mrs. R. W. Robinson, Miss Winnifred E. Howard, Mr. J. Herbert Howard, (Spokane, Washington, U. S. A.), Mr. and Mrs. Robt. Howard, (Weyburn, Sask., Canada), Mr. and Mrs. Wm. Howard, (Sussex), Mr. and Mrs. Jack H. Boyle, (Grannon, Alberta, Canada), B. and Harold Robinson, Mr. and Mrs. E. C. Wynn, Mr. and Mrs. John McCabe, R. J. Elliot, Mr. and Mrs. Angus Callaghan, Mr. and Mrs. J. Murphy, Miss Josie and Mr. Fred Moore, Mr. and Mrs. John Cunningham, Mr. and Mrs. Walter A. Steeves, The Misses Loretta and Alberta Major, Mr. Edgar Gagnon, Mrs. Frank Gagnon, Mrs. Edmund Richard, Mr. and Mrs. Edward Connors, Miss Elizabeth Connors, Mr. and Mrs. John A. Moore, Mr. and Mrs. J. P. Swift, Mr. and Mrs. Patrick Swift, (Coal Branch), Mr. and Mrs. M. McNulty, Mr. and Mrs. E. Thomas Swift and Mr. Michael McCabe.

Floral Tributes were received from the following:—

Mr. and Mrs. John Ryan, Mr. and Mrs. J. T. Warren, Mr. and Mrs. (Ex-Alderman) Blackwood, Mr. and Mrs. Eugene Steeves, Mr. and Mrs. George Mills, Mr. and Mrs. George Mills, Mr. and Mrs. Walter A. Steeves, Mr. and Mrs. Alfred Roy, Members of Renou Lodge L. A. to B. of R. T., Mrs. Dotten, Mrs. Colpitta, Mr. and Mrs. H. J. Utican, Mrs. F. B. Matthews, Miss Carrie McFarlane, Mr. and Mrs. Geo. Smith, Mr. and Mrs. J. M. McDonald, Mr. and Mrs. M. O. McAuley, Morrissey Rock Lodge, Mr. and Mrs. A. J. Mollins, Mr. and Mrs. W. R. Rogers, Mr. and Mrs. Kerwin, Mr. and Mr. Fred Beers, Mr. and Mrs. A. Jessulate, Mr. and Mrs. G. W. Henderson, Mr. and Mrs. W. F. Archibald, Mr. and Mrs. R. J. Cormier, Mr. and Mrs. William Ingram, Mr. and Mrs. W. H. Reade, and Mr. and Mrs. Hanford Price (R. I. P.)

A Quick Relief for Headache

A headache is frequently caused by badly digested food; the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc. 15 to 30 drops of Mother Seigel's Syrup will correct faulty digestion and afford relief.

"Bride 13" at Happy Hour on Monday.

Everything in Groceries NEWCASTLE, N. B. Phone 8

ROYAL YEAST is now made in square cakes.

The number of cakes in a package has been reduced from six to five, but the five square cakes are equal in quantity to the six round cakes.

Each cake is wrapped in wax paper, insuring perfect keeping qualities.

Royal Yeast Cakes—make perfect bread.
