FAREWELL TO REV. A. J. PROSSER

Farewell to Pastor of Upper Canard Baptist Church and his Wife

Canning.—A farewell community gathering in honor of Rev. A. J. Prosser and Mrs. Prosser, was held in Upper Canard Baptist Church on Tuesday evening, W. H. Eaton presiding. The speaker of the evening was Dr. H. T. DeWife, of Acadia, his subject being "The Relation of the Church to the Denomination."

Rev. G. A. Logan, pastor of Upper Canard Presbyterian Church, Rev. D. G. Ross, of Kentville Baptist Church; Rev. Thomas W. Hodgson, of Canning Methodist Church; Rev. O. X. Chipman, of Port Williams, and Rev. H. Barber, of United Baptist Church, Canning, occupied seats on the platform, all of whom paid touching tributes to the work of Rev. A. J. Prosser and Mrs. Prosser.

Miss Gertrude Eaton gave an interesting outline of some of the work accomplished during the pastorate of Rev. A. J. Prosser, Centreville, has been taken out, and a church erected. Port Williams, once a branch, has been made a separate church. There has been an increase of Sabbath Schools, and in finances. A pleasing feature was an address of appreciation from the North Mountain Church, read by Mrs. George Brown. The church work having been organized by Rev. A. J. Prosser.

Walter H. Eaton, on behalf of the congregation, presented Rev. A. J. Prosser with a fitting address, which was accompanied by a cheque of \$100. Mrs. Percy McDonald, on behalf of the congregation, presented Mrs. Prosser with a beautiful gold wrist watch. The retiring pastor and his wife were deeply touched, and thanked those amongst whom they had labored so faithfully and well. Special music by the choir, organist Mrs. W. W. Harris, soloist, Mrs. George Bowser, whose beautiful voice was listened to with much pleasure.

McGowan, Clayton Harris, W. B. Burdick, Isaac, and a chorus by the colored pupils of the Gibson Woods Sabbath School, were greatly enjoyed. Those present then gathered in the vestry, where a supper and social hour, not unmixt with sadness, was spent, all bidding farewell with respect to Rev. A. J. Prosser and Mrs. Prosser, who, on Wednesday, left for their new field, Bridgetown, followed by the best wishes of the church and community at large.

RECREATION HALL MONTHLY CONCERT

The second of the Monthly Concerts at the Recreation Hall was given by the choir of the United Church, Bridgetown, with the assistance of the Bridgetown orchestra who always rendered such willing and able assistance on these occasions. For the kind of night, and the other attractions in the town there was a good audience—an appreciative audience and one that was thoroughly delighted with the programme of the evening. The Chairman, the Rev. J. H. Freestone, in announcing the opening number, requested that there be no encores in view of the very lengthy programme. The audience refrained from encores, although their applause was most hearty for every number, except for one piece which owing to the tender age of the performer and her skill they could not refrain from recalling. It was Miss Lydia Hopkins who did wonderfully well in the piece entitled "And So Was I!" As usual the orchestra delighted the audience with some five splendid selections.

During the course of the program Mr. Hiltz made some appropriate remarks in thanks to the performers and also paid a fine tribute, more than well deserved as we all know, the late lamented and talented lady, Mrs. Little. Always an indefatigable worker in connection with the concerts at the Recreation Hall and one upon whom the various workers could always depend for the most sympathetic and hearty assistance. The audience was deeply moved at this very fitting tribute, by Mr. Hiltz to Mrs. Little.

During the evening the burden of accompanying fell upon the able hands and head of Mrs. A. R. Bishop, the organist of the United Church. Mr. Hiltz made reference to her splendid work.

MISS HELEN VIDITO CELEBRATES 83RD BIRTHDAY

A very pleasant afternoon was spent at the home of Mrs. B. D. Nelly on Feb. 15th, the occasion being the 83rd birthday of Miss Helen Vidito.

This much loved and highly esteemed lady has spent thirty-four years of her life on the teaching staff of the public schools of the Province, having been principal of the Berwick High School and a teacher in Bridgetown for a number of years, and is still enjoying good health.

In spite of the inclemency of the weather a number of friends came to do her honor and present gifts, the birthday cake and flowers were sent by relatives from Shawbridge, Quebec.

During the afternoon a programme of a recital given at the Clarence Seminary sixty years ago, in which Miss Vidito's name appeared in several numbers, was read and enjoyed by all.

After refreshments were served the guests departed, wishing Miss Vidito many happy returns of the day.

LYALL SALTER PASSES AWAY

Funeral Largely Attended—Floral Tributes and Expressions of Sympathy Many.

POPULAR YOUNG CITIZEN

Highly Esteemed For His Many sterling Qualities His Death Occasions Great Regret.

The sympathy of the whole community goes out to Capt. and Mrs. J. W. Salter in their loss by death at the early age of twenty-five years of their son, Mr. Lyall Gordon Salter, a young man of splendid and sterling qualities which ensured for him esteem and respect wherever he was known. A week ago Thursday Mr. Salter went to the Victoria General Hospital, Halifax, to be operated upon for appendicitis, but the peritonitis developed from which he died on the morning following. His remains were brought to Bridgetown and the funeral took place from his parents' residence on Friday afternoon. The services were conducted by Rev. E. Underwood, assisted by Rev. A. J. Prosser, and were very largely attended and an ample evidence of the esteem in which the deceased was held in his home town.

The hymns, "Asleep in Jesus" and "Abide With Me" were fittingly rendered by the choir under direction of Mr. E. C. Hall, and interment took place in Riverside cemetery.

The floral tributes were many and beautiful, practically filling an entire room and included: Wreaths from the family, father and mother, Reg. and Milledge; Wreath, aunt Annie and Herbert; Taylor of G. H. Goodwin's, Ltd., Boston; Wreath, uncle George and aunt Ethel, Bridgetown; Wreath, Mr. and Mrs. B. W. Ross, Kentville; Wreath, Winnie and Will, Kentville; Wreath, Stewart Dodge, Kentville; Wreath, Mr. and Mrs. A. E. McMahon, Kentville; Wreath, United Fruit Company staff, Kentville; Spray, uncle Bob and family, Parrsboro; Wreath, Mrs. O. T. Daniels and Miss Ethel Daniels; Wreath, Mr. A. F. Little, Bridgetown; Wreath, Mrs. McQuarrie and Mrs. Tyler, Kentville; Wreath, Mr. and Mrs. A. Condon, Kentville; Wreath, Mr. and Mrs. B. G. Yould and Miss Ruth Yould, Kentville; Basket of Roses, Miss Dot Yould; Wreath, Mrs. Edna Harvey, Kentville; Wreath, Miss Hazel Frey, Kentville; Wreath, Mr. and Mrs. Karl Freeman, Bridgetown; Spray, Mr. and Mrs. E. A. Hicks, Bridgetown; Wreath, uncles W. and S. T. Salter and family, Parrsboro; Spray, Mr. and Mrs. D. B. Angus, Halifax; Wreath, Mrs. A. L. Stedler, and Miss Mamie Munro, Plainfield, N. J.; M. C. Munro of Halifax, Mrs. G. B. Yould and family, Sandy Cove of St. John, Dr. Jost and Mrs. Jost and Miss Mary Jost.

Besides these many and beautiful floral tributes were many eters and telegrams figuratively speaking just as fragrant in their messages of love and sympathy to the parents so suddenly bereaved of a son whom they loved so deeply and in whom they took so much pride. While these were too numerous to refer to individually it may not be amiss to mention one received from Mr. D. B. Angus, an overseas companion and dear friend of the deceased. Together under the guns in France where only a second often separated life from death, they developed a unit in that type of comradeship, in many respects the finest comradeship which the world has ever known. The letter of Mr. Angus and of G. W. Lyons were a living embodiment of this remembered down the years.

The deceased Mr. Salter leaves to mourn their loss, father, mother, two brothers, Reg. and Milledge, practicing Law in Prince Albert; Mr. George Salter of Bridgetown, an uncle and numerous relatives who are mentioned above. For some time he had occupied a good position on the office staff of the United Fruit Co., Kentville, and had made many friends in that town where he was a general favorite in social and athletic circles. He had the happy faculty of not only making friends but the rare gift of retaining them. With his brother Reginald he enlisted and went overseas in the 10th Siege Battery afterwards being transferred to the 8th. He went through the big battles of the war from the Amiens drive,

MISS ATLEE REPRESENTS DALHOUSIE IN INTERCOLLEGIATE DEBATE

Miss May Linton, a member of Law 25 Class, of Dalhousie University, Miss Olive Alico, a member of the senior Arts Class, and Miss Clara Murray, a member of the Junior Arts Class, will represent Dalhousie in a girls' intercollegiate debate with Acadia which will be held in Halifax towards the end of March. This selection of Dalhousie's representatives was announced following the final trials which were held at the University on Wednesday night and in which seven women competed.

The subject to be debated is:—"Resolved: That in the interests of industrial peace in Canada, voluntary methods of arbitration, conciliation and mediation are preferable to any form of compulsory legislation. (The Industrial Disputes Act of 1907 is to be regarded as a form of compulsory legislation in its relations to public utilities)."—Halifax Chronicle.

OBITUARY

John F. McLauren

Death of John F. McLauren at Los Angeles, Calif. is reported.

The deceased was for many years a prominent merchant at Lower Argyle, Yarmouth Co., and later settled at Digby, N. S.

Over one year ago he went to California seeking a restoration of his health.

Mr. McLauren was a brother of Mrs. (Rev.) E. P. Caldwell, of Bridgetown, and was an occasional visitor here.

ANNUAL MEET SCHOOL BOARD

"Efficient" the Continued Watchword of the School Authorities of the Town

AMOUNT ASKED \$8500

Increased Attendance—Development of High School Work—Accounts In Detail.

Bridgetown School Board is made up for the present year as follows: Dr. M. E. Armstrong, Chairman; Mayor H. B. Hicks, Councilors C. B. Longmire and H. T. McKenzie, Rev. A. C. Jost, D. D. The first and last named are the government appointees.

Dr. Armstrong, the present Chairman, has been a member of the Board for the past twenty-two years and during that period there have been many steps made in advance, growth and attendance and extension of work. During the past year the High School curriculum locally was extended to include Grade XII, which has now an enrolment of ten pupils, the largest Grade XII in the County.

The County Academy, Annapolis, has for some years had Grade XII work established, while Middleton High School, like Bridgetown, has taken up the work only with the beginning of the present term. It has always been the aim of the local Board to see to it that efficiency is maintained in the various departments and only teachers of the best record are engaged. There has been of late years a most marked development in High School work. Some five years ago there were few boys in Grade X and XI, and the total enrolment in High School was less than fifty. Now it is eighty-eight and the enrolment as to sexes is practically equal. School development work has been in advance of the general growth of town.

At the annual meeting Dr. Armstrong was unanimously re-elected Chairman.

The amount asked for school purposes this year is \$8500.

NOTABLE TRIBUTE TO CAPT. W. B. LONGMIRE

Rev. E. Underwood Makes Fitting Reference To Passing of Loved Citizen

HIS QUALITIES AS A MAN

Reference To His Many Activities—His Connection With Work of St. James' Church

As intimated in our last issue, the sermon in St. James' Church last Sunday evening was a tribute to the life and work of Capt. W. B. Longmire. The rector (Rev. E. Underwood) took as his text Moffatt's translation of 1 Corinthians, Chapter 13 verses 4 to 8; reads as follows:—"Love is very patient, very kind. Love knows no jealousy; love makes no parade, gives itself no airs, is never rude, never selfish, never irritated, never resentful; love is never glad when others go wrong, love is glad when others go right, love is glad to expose, always eager to believe the best, always hopeful, always patient."

We think every one in the congregation echoed the preacher's sentiment when he said he felt this passage, translated thus, summed up the life of him to whom he was paying tribute no matter from what angle you looked at it—whether as husband, father, churchman, Sunday School Superintendent, citizen, employer, social worker or what not. This, in his judgment, was how it came to pass that on the day when he said to rest all that was mortal of him, the community in which he had lived stood still, as it were, and mourned the passing of one "whose life was gentle, one in whom

"The elements were so mixed that nature might stand up and say to all the world—This was a man!"

Immediately after the service, a parish meeting was held for the purpose of electing a successor to Capt. Longmire. In the office of Church Warden, but before this the following resolution was submitted by Church Warden A. F. Hiltz, duly seconded and passed by a standing vote:—"Whereas it has pleased Almighty God to take unto Himself the soul of Wm. B. Longmire;

"And whereas, the said W. B. Longmire was a devout member of the Church of England and one of the most active members of the congregation of St. James' Church, occupying for a number of years and up to the time of his death the office of Church Warden, also Superintendent of the Sunday School, and being ever ready to work with others for the general good of the church, as also for the moral and social uplift of the whole community;

"Therefore resolved that we, in Parish meeting, here assembled, do express our hearty appreciation of the splendid work done by Mr. Longmire, as also our deep sense of the loss the church has entered in his passing;

"And be it further resolved that this resolution be recorded in the Parish Minute book, and that a copy of the same be forwarded to Mrs. Longmire.

Mr. H. T. Dand was then elected to the office of Church Warden, and as this caused a vacancy in the Vestry, Mr. John Longmire was elected a Vestryman.

PASTOR'S RELATION TO HIS DUTIES

Powerful and Comprehensive Sermon by Rev. A. J. Prosser at Baptist Church

Rev. A. J. Prosser preached his inaugural sermon on Sunday as pastor of the Bridgetown Baptist Church. In the morning he took his subject from Acts 10 21 and 33, and the sermon throughout was a definite clear cut exposition of a clergyman's place, duties and privileges in a community with his personal views thereon. It was listened to by a large congregation with interest and approval. Unusual pressure on our columns precludes more than a reference to excerpts of the discourse. He expressed himself as concerned more with objects than with subjects. There was, he believed, a definite purpose in his call to the Bridgetown Church and his acceptance of it. He did not believe that the Lord called to the ministry and its work men whom the people did not also call. "The Minister," he said, is everybody's minister. He did not believe in the minister as a specialist in the man who devoted all his time to preparing sermons, neither did he believe in a minister spending all his time making calls. He was not for the church at one end for the half, the lame, and the blind, the backslider and those outside the churches. He was for all, and his work should be so planned and directed that all lines of activity and co-operation should receive his support. Some persons listened to appeals through logic, and reason, others through the imagination and emotions. The flock should be fed through the best available channels.

He believed in an independent ministry, but not an autocratic one. People do not go to a hardware man, a grocer, dry goods man, or a farmer or mechanic and tell them how to run their business. Why then should people indiscriminately feel it incumbent on them to tell the minister how to conduct his work. A clergyman, however, should be willing to receive suggestions.

He should be independent in politics. Everything now goes in the crucible of utility a ministry should be progressive. There should be ways co-operation and co-ordination between the pastor and the different lines of Christian activities.

The above is a very brief and imperfect synopsis of parts of Mr. Prosser's address which defined well in an ideal manner the relation of a clergyman to his congregation.

PROTEST REMOVAL OF THE COURTS

Bridgetown Board of Trade Discuss Proposed Doing Away with Supreme & Co. Court Sessions Here.

RESOLUTION PASSED

A Very Full and Clear Statement As To Reasons Against Any Changes Being Made.

The Council of the Bridgetown Board of Trade at sessions last week took up the matter of the proposed doing away with Court sessions here and the holding of all the sessions of Supreme and County Courts at Annapolis instead of at Bridgetown and passed the following resolutions:

Bridgetown Resolution
The Middleton Resolution
Middleton.—The following resolution was passed by the Middleton Board of Trade at a meeting held in the Civic Hall:

"Whereas, this Board is advised that an attempt will be made to have legislation introduced at the present session of the Provincial Legislature with a view to discontinue sittings of the Supreme and County Courts at Bridgetown and providing for all sitting of these Courts for Annapolis County to be held at Annapolis Royal;

"And whereas, more than half the population of this County reside east of the town of Bridgetown and the greater part of the litigation coming before the Courts in this country arises from this section;

"And whereas, the proposed change would mean a great inconvenience and increased expense to the majority of the people of Annapolis County having occasion to use the Courts.

"Therefore resolved, that this Board express its strong disapproval of any such legislative enactment;

"Further resolved, that copies of this resolution be forwarded to the Provincial Premier and to the members representing this County in the Provincial Legislature."

DECLARES THERE IS NO SHORTAGE OF SUGAR

Boston.—The State Commission on Necessaries of Life, in a memorandum issued, says that from a preliminary investigation, "it is unable to find anything that would indicate the present existence of a real shortage of sugar."

"The fear of a possible shortage of Cuban sugar some ten months from now," says a memorandum, "has been the basis of speculation during the past few months. Speculation in raw sugar is already showing signs of slowing down. The householders so far have apparently refused to be stampeded into hoarding sugar."

the Battle of Arras, Canal du Nord and Cambrai up to the final scene at Mons, followed by the march into Germany. In all he acquitted himself with distinction. His sudden death with so much of promise apparently ahead is a matter of widest regret.

OBITUARY

Mrs. George Gill

The death took place on Friday night in Boston Hospital of Mrs. Geo. Gill, at the early age of 22 years, after a brief illness with pneumonia. Mrs. Gill had been in Boston only three weeks whither she had gone to join her husband who secured a position there a short time ago. She leaves to mourn their loss, husband, an infant son, Arleigh, father and mother, Mr. and Mrs. Z. Seamone, three brothers, Harold, of St. John; Elliott and Glendon at home. Her early death is sincerely regretted by her many friends. The funeral took place in Boston on Sunday afternoon.

OBITUARY

Mrs. George Gill

Dearest daughter thou has left us Here the loss we deeply feel, But the God that hath bereft us, He can all our sorrows heal.

'Tis hard for me to realize That her dear soul has fled, But, ah, too true it is indeed, She is numbered with the dead.

Her spirit soared from earth away To friends long gone before, She has crossed the narrow stream of death And reached the farther shore.

CURLING MATCH

Windsor Wins Over Bridgetown 40-31—Two Of Local Rinks Victorious

Three rinks of Windsor curlers arrived here Friday afternoon for a return match with the local club. Some keen contests were witnessed, Windsor winning 40 to 31 on the total rink scores were as follows:

Windsor: Bridgetown:
Windsor: H. S. Anslow (rink) 9;
Dr. Keady (rink) 10; Smith (rink) 21.
Bridgetown:—R. V. Arnold (rink) 11; A. F. Little (rink) 12; H. S. Magee (rink) 8.

In the evening a dinner was tendered the visitors by the local club at the Riverside Inn. Unfortunately a list of players was not taken hence this account is much abbreviated. The visitors, we understand, enjoyed their stay here, and the local players were delighted to have them come.

UNIVERSITY EXTENSION LECTURE

The lecture last week given in the United Church school room by Prof. DeLano, of Mt. Allison University on "Our Intellectual Ancestors" was a treat to all who heard it. The professor is a fluent speaker, used no notes and treated his subject in a most attractive manner. He paid a just tribute to the "Mighty minds of old, the Greek Philosophers and poets and the Roman successors and showed clearly that we are indebted to centuries past and also are indebted clearly to the work of these ancients was an aid in preparing the human mind for the reception at a later date of the teaching of Christ. Rev. E. Underwood presided in his usual manner and a hearty vote of thanks was extended the speaker whom all would like to hear again.

BIG BOOM IN HOCKEY GAMES

Three Within a Week—Bridgetown Girls Defeat Annapolis 3 to 1

There have been hockey matches galore the past week.

First Yarmouth team came up after playing Digby and had an engagement with the local team, coming out victors 8 to 1.

Middleton H. School played Bridgetown High School, winning 3 to 2. The visitors played better combination and supported each other better than the local boys, who did too much individual and not enough team work. The Annapolis girls were defeated on Monday night 3 to 1 by the Bridgetown girls in a hard fought snappy match. Some state that the visitors won a second goal, but if so the goal judge did not appear to recognize the fact, so officially at least the score was 3 to 1. The game was fast and snappy. Francis Fowler scored all three goals for Bridgetown, one on a pass from Jean Messenger. There was some nice combination work particularly by the local girls. Miss Braine played a splendid game for the visitors, who are a lively moving team. A little more practice will make them dangerous competitors for our girls.

Line up as follows:

DONALD FOSTER WINS LOOMIS PRIZE AGAIN

Donald D. Foster, a science graduate of Acadia University, class 1920, who won the Loomis Fellowship in physics at Yale University last year and also the year before, has again won this valuable and coveted prize. The prize is worth approximately six hundred dollars and the winner is determined by competitive examination. It is the highest departmental fellowship in physics. Mr. Foster is the youngest son of Mr. D. Foster of Torbrook West, Annapolis County.

The Loomis Fellowship in physics was established in 1902 by Francis E. Loomis (B. A. 1864) by the gift of \$10,000. This fellowship is open to recent graduates of Yale College and the Sheffield Scientific School of Yale University and to graduates of other institutions who have spent at least one year in the study of physics in the graduate school of Yale University. It is granted to the candidate who passes the best competitive examination in physics (descriptive mathematical and laboratory practice). The holder must be a candidate for the degree of Doctor of Philosophy and must make physics his chief study.

British West Indies Good Field For Canada

Harry J. Crowe, who is the foremost advocate of political and commercial union between Canada and the British West Indies, replying to a question whether he considered the present Canadian-West Indian trade agreement was achieving the desired results, had this to say:

"It may be a step in the right direction, but we seem to have evidence that this commercial treaty is not accomplishing all that could be desired, by the fact that our steamers are now running half empty through a great and the West Indies, at a cost to the Canadian Government; and also by the continued hold on the major portion of the West Indian trade by the United States."

"Are you still of the opinion which you gave The Mail and Empire in an article about three years ago, that political union is the only solution for bringing about permanent and satisfactory commercial relations between these countries?"

"I venture to say that Canadian capital would flow more freely into the British West Indies, and these islands would get a better steamship service if they became southern provinces of this Dominion. A temporary trade agreement will never secure for Canada, or take away from the United States, the control of this market of two million British consumers. Moreover, the Governments of the West Indies, I believe, are not very happy over losing their revenue, which they get, resulting from the 50 per cent. preference on Canadian goods. The British West Indies, I think, would enter much more enthusiastically into 100 per cent. preference if the revenue and expenditures were all pooled at Ottawa, and the Federal Government assumed any deficit caused by the free entry of Canadian goods in the way that is now done with our Canadian Provinces."

Continuing, Mr. Crowe emphatically declared that political and commercial union, rather than one of commerce only, is the one and only

DEPARTMENT WELL MANAGED Hon. Dr. Beland's Statement Furnish ed Pleasant Surprise to the House.

Ottawa.—Estimates of the department of Soldiers' Civil Re-establishment went through the House with little opposition, although discussion covered a wide range. One remarkable fact was brought to light. Reviewing its work, Hon. Dr. Beland, Minister in charge of the department, informed the House that out of \$600,000 to vocational graduates, there was approximately \$250,000 outstanding and nothing overdue. The announcement sent a buzz of pleased surprise round the House.

"That is a remarkable statement," commented W. A. Boys, Chief Conservative Whip. "I don't believe," he added, "that there is any class in the community—business men, professional or otherwise—that could make such a showing." The intimation that nothing was overdue, contrasted Mr. Boys, was "so remarkable and so delightful" that he would like to be sure of it.

"My information," repeated Dr. Beland, "is that there is nothing overdue."

Reduction in the vote for unemployment relief for disabled ex-service men brought a protest from T. L. Church, of North Toronto. He complained that suffering was acute in Toronto and that many soldier families were unable to pull through. Mr. Church also made a special plea for the blinded soldiers and for "decent burial" of the indigent veteran.

All votes for the department, totalling \$35,200 for salaries and contingencies and \$12,802,000 for administration, were passed.

MAN ON NOVA SCOTIA NURSERY STOCK

Halifax.—Resolutions restricting the movement of nursery stock in certain areas of Nova Scotia on account of the apple scab have been passed by the Government.

The quarantined area covers the counties of Colchester, Cumberland, Hants, Halifax, Kings and Lunenburg. No nursery stock may be moved from any point outside unless it is accompanied by a certificate of inspection.

Regulations have also been passed to prevent the introduction into Canada of the Japanese beetle.

As To Newfoundland

"Is there any sentiment in Newfoundland in favor of Confederation with Canada?"

"I believe this triangular union may receive favorable consideration from the fishermen in Newfoundland, who are the backbone of their Dominion. At present they do not share in Canada's preference of 50 per cent on their fish in the West Indian market, and they do not have any regular steamship connection there. Confederation with Canada and the West Indies would give Newfoundland fish free entry and regular and frequent steamship service into this market, which is capable of large development. Steamers on the Canadian West Indian route could call at a port in Newfoundland and from the B. W. I. and Newfoundland would greatly reduce her cost of living, over which there is a strong agitation now going on there, by receiving free of duty, at a minimum rate of freight, the products of Canada and the West Indies. By this union the taxpayers of Newfoundland would save from one to two million dollars annually by substituting the Canadian tariff for the present Newfoundland tariff. Canada's great resources, large markets, and retaliatory power, could secure for Newfoundland, as well as the West Indies, concessions in foreign markets for their products which they may not be able to obtain by acting independently and alone.

1068 ACCIDENTS IN FACTORIES

And of This Number Nine Were Fatal, According to Inspector Ring's Annual Report.

Hon. E. H. Armstrong, Premier, laid on the table of the House Tuesday, the annual report of the Factories Inspector for the year ending September 30th, 1927. The number of accidents reported during the year by Inspector Ring was 1068, of which 9 were fatal. There was a reduction of 258 in favor of the past year. The report concludes with a most interesting account of the provisions made by the Cosmos Cotton Company of Yarmouth for the comfort, care, treatment and general health of their five hundred employees. Mr. Armstrong spoke at considerable length on this phase of the report, recommending it as a very excellent text for employers all over the country who had the interests of the employees at heart. The Cosmos Company even provides a very generous life insurance scheme, sickness and accident insurance, medical service, canteen, boarding house and co-operative store, which Mr. Armstrong said was one of the most successful in the Province.—Chronicle.

Here and There

The request made by the Government for the purchase of the land on which the new bridge will be built was approved by the Council on June 17, 1927, at the battle of Bunker Hill, and which now stands on the square of the Quebec Citadel has been referred to the Minister of Militia at Ottawa.

PORT ARTHUR.—An official announcement by the C. P. R. at Winnipeg says:—"At Port Arthur additional tracks will be provided to accommodate grain consigned to the terminal elevators at 'Current River'."

ROBE.—Sixty tons of Canadian commodities of various kinds have arrived at Shanghai, the 20,000,000 work may be attained this season. For the present season to the end of January, the total export of goods through the C. P. R. elevators was officially given at 8,965,000 bushels, compared with 4,576,333 bushels for the previous winter season. The increase for this winter to the end of January is 4,388,667. Grain shipments on February 1st of this year had equalled the total for March 10th last year.

ST. JOHN, N.B.—At the present rate of shipment of grain, the 20,000,000 work may be attained this season. For the present season to the end of January, the total export of goods through the C. P. R. elevators was officially given at 8,965,000 bushels, compared with 4,576,333 bushels for the previous winter season. The increase for this winter to the end of January is 4,388,667. Grain shipments on February 1st of this year had equalled the total for March 10th last year.

LETHBRIDGE.—C. C. Stubbard, D.S.O., for some time C. P. R. trainmaster here, has been transferred to Port Arthur. Mr. Stubbard will occupy the same position on the Kettle Valley Railway, a branch of the Canadian Pacific. Mr. Stubbard is succeeded here by C. E. Lewis, of Port Arthur. Mr. Lewis will assume his new duties at once, coming to Lethbridge from overseas August 1, 1928. Mr. Stubbard has been a resident in the city continuously since that time.

BRIDGETOWN.—President of the Canadian Pacific Railway, were in the city in connection with local matters connected with the railway service. H. J. Main, superintendent of the Trenton division, and Col. Ripley, district engineer, inspected the new overhead bridge on the new line entering the city and which is now under construction. The rails are being laid and soon the trains of the Canadian National line, as well as those of the C. P. R., will be running over them and a great source of danger will be removed in the diamond switch that has been in operation for so many years at heavy expense.

CALMERY.—Those who knew Grant Hall, Vice-President Canadian Pacific Railway, in his olden days in the West, can recall his remarkable prowess with a gun. Although he now has little time for hunting expeditions he is by no means less of his well-known aim. While his train was proceeding at a rapid speed between Weburn and Lethbridge his party noticed a coyote some fifty yards away. "Oh, I will knock him," remarked one of the guests. "Taken" said the Vice-President. "Baird went his gun and the coyote roared over. 'The call of the West,' remarked the Vice-President with a smile.

MEDICINE HAT.—Within the past year, three locomotive engineers of the Medicine Hat division, James Fisher, Tom Penhale and Henry Hardy, have been active in the service of the Canadian Pacific Railway on pensions. All three are veterans in service, have tried and tried, and have been in the service for many years of late have been promoted to pensioner ranks. Tom Penhale is the oldest in service with the company, having enlisted in 1851. He has taken an active civic part in the community, and was an alderman of the city for several years. "Jim" Fisher has spent fifty-one years of his life railroad, covering during the entire period over two million miles in the cab of a locomotive. He started as fireman on the Intercolonial, and joined the Canadian Pacific in 1881—having pulled a passenger train for the best thirty-six years. Henry Hardy joined with the company in 1887 at Broadview, and later worked on a construction engine on the Prince Albert branch in 1890.

GREAT HOME-COMING UNEXPECTED

Open Letter to the People of Nova Scotia and the Maritime Provinces. Premier of Nova Scotia, Hon. J. S. Macdonald, M.P., President of the Maritime Provinces.

The Canadian Club of Boston is ever mindful of the great responsibility resting upon it as the representative organization composed of 1000 members of Canadian birth and affiliation in Boston and New England and situated in the great metropolis of the world.

At an executive meeting of this Club held on 19th inst., the following resolution was unanimously passed: We resolved to get with the situation and to have a Commission of Enquiry to be composed of the people of Nova Scotia and the Maritime Provinces for some year, and its many advantages have been fully explained to our attention by the great interest manifest by the Comtee of Pictou celebrating the coming Summer the landing of the good ship "Hector" which brought settlers from Scotland to that County, we feel compelled by a sense of the fitness of the occasion and the subject of Old Home Week to present the matter before you for the following reasons:

1. An Old Home Week held throughout Nova Scotia in the Summer of 1924, in all the Counties, Cities and Towns, will attract attention far and wide in the minds of sons and daughters of Nova Scotia and the Maritime Provinces from the Atlantic to the Pacific, and particularly throughout New England.

2. Thousands of persons here have expressed a great desire to participate in the Old Home Week, as was evidenced at the great Mass Meeting of Canadians at Symphony Hall last April. The representatives of Canada who spoke at that meeting were impressed and convinced, that such a great desire exists here.

3. The Old Home Week will be the means of attracting such a great number of former Nova Scotians to visit their homeland, that large sums of money will be put in circulation in every city, town and county, which must greatly benefit the Province.

4. A great mental stimulus will be created, a higher estimation of Nova Scotia and the Maritime Provinces as the great Summer resort, a great playground for New England, that its reactive effect upon the American tourist class and travelling public will be stimulating and helpful to the transportation Companies, hotels and boarding houses, so that every avenue of commercial activity will be benefited.

Resolved: That as the above reasons for holding an Old Home Week in the Summer of 1924 are so convincing, making such an event, in our opinion an absolute necessity, particularly to emphasize and announce the great betterment and establishment of fine automobile highways constructed at great expense throughout the Provinces, we therefore petition you, on behalf of the many thousands of former great wish and desire and take immediate steps to put this plan for Old Home Week in the Summer of 1924 into execution and accomplishment.

The grateful thanks of the members of the Canadian Club here, in behalf of all Canadians, including the members of the Women's Auxiliary (400 members) who join in the request are hereby conveyed to you with full expectation and hope that the subject may receive prompt and favorable consideration of yourself and on the part of the Government of the Provinces, and Mayors of Cities and Towns.

—Boston, Mass.

Winter Hard on Baby.

The Winter season is a hard one on the baby. He is more or less confined to stuffy, badly ventilated rooms. It is so often stormy that the mother does not get him out in the fresh air as often as she should. He catches colds which rack his little system; his stomach and bowels get out of order and he becomes peevish and cross. To guard against this the mother should keep a box of Baby's Own Tablets in the house. They regulate the stomach and bowels, and break up colds. They are sold by medicine dealers, or by mail, at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

Regina, Sask.—The Saskatchewan Government has been able to effect an aggregate saving of expenditures to the people of the Province amounting to approximately \$1,250,000 during the fiscal year ending April 30th, 1923. It was announced in the Saskatchewan Assembly.

A Mother's Health Needs Great Care

The woman at home, deep in household duties and the care of motherhood, needs occasional help to keep her in good health. The demands upon a mother's health are many and severe. Her own health trials and her children's welfare exact heavy tolls, while hurried meals, broken rest and much indoor living tend to weaken her constitution. No wonder that the woman at home is often indisposed through weakness, headaches, backaches and nervousness. Too many women have grown to accept these visitations as a part of the lot of motherhood. But many and varied as her health troubles are, the cause is simple and relief at hand. When it is the woman's vital blood that keeps her well; when it is she must make her blood rich to renew her health. The nursing mother more than any other woman in the world needs rich blood and plenty of it. There is one way to get this good blood so necessary to perfect health, and that is through the use of Dr. Williams' Pink Pills. Mrs. W. T. Riley, R. R. No. 1, Apple Hill, Ont., has proved the great value of Dr. Williams' Pink Pills to mothers, and tells her story as follows:—

"I became very weak and run down. Gradually I lost weight and energy until I was unable to do my housework. I could not sleep, my nerves would twitch and jump so that I arose in the morning with heavy aching limbs and head. Indigestion helped to make the misery worse, and my heart would palpitate terribly. I doctor myself for a year without getting better, but just dragged along feeling that I would never be well again. But one lucky day, on the advice of a friend, I began treatment with Dr. Williams' Pink Pills. I have taken only six boxes, but I wish you could see the difference. I am now able to do my work, go about and enjoy myself. I feel so entirely like a new woman that I advise every weak or ailing woman to try Dr. Williams' Pink Pills and I know they will get beneficial results."

If you are ailing, easily tired or depressed, it is a duty you owe yourself and your family to give Dr. Williams' Pink Pills a fair trial. What this medicine has done for others it will surely do for you. You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

HANTS JOURNAL ON DIGBY-WINDSOR HOCKEY MATCH

The Digby Courier of recent date stated that "the Valley team lived up to its reputation as a team of butchers." Some little time elapsed before it became known as to who was responsible for the contemptible write-up which appeared in the Halifax press following the first game at Digby. The members of the Windsor team informed the Windsor players that they resented what had been printed of the first match, and even Joe Crockett, the referee, stated that it was not a rough contest.

The story in brief is that the Digby team and its supporters, fully expecting a victory, and they were very much disappointed at the result. As a matter of fact, the Digby team plays a style of intermediate hockey, and have little or no license to enter into competition with the Windsor team. The score at Digby was 7-2, and at Windsor, with a sub forward line in the second period, and our regular lineup playing a sort of comedy third, amused themselves while the Digby team was actually allowed one score, while the home team eased up after it had netted ten goals.

When the visitors arrived at Windsor, they were met at the train and escorted to the hotel, and on reaching the rink, conspicuous placards read "Welcome Digby Hockeyists". Following the match, in which Digby carried the greatest number of penalties from an impartial Halifax referee, the visitors were driven to Livingston's Cafe where they were tendered a banquet. Then our boys assisted their friends with their belongings to the train, upon which the Digby players left Windsor feeling that they had received a right royal welcome by a town which was not deserving of the harsh words of its Digby correspondent.—Hants Journal.

OUR BUILDING

When we build, let us think that we build forever. Let it not be for present delight nor for present use alone. Let it be such work as our descendants will thank us for, and let us think, as we lay stone on stone, that a time is to come when these stones will be held sacred because our hands have touched them, and that men will say as they look upon the labor and wrought substances of them, "See! This our fathers did for us."—John Ruskin.

ASQUITH AWARDS CANADA \$8,000,000

Decision Has Been Handed Down In War Debts Dispute.

London.—Ex-Premier Asquith, as Arbitrator of the difficulties between the British and the Canadian Governments relating to an adjustment of debts standing over from the war, has handed down his decision, awarding Canada \$8,000,000 as a settlement. The Dominion claimed \$32,900,000. Both sides accepted Mr. Asquith as arbitrator and for his work he is to receive 1,000 pounds.

The dispute was the result of financial transactions which took place between Canada and the Imperial Government during the war. While hostilities were proceeding, the British Government received advances from Canada of over \$100,000,000. The British Treasury on their part supplied Canadian troops with food, clothing and munitions, and also British currency for paying Canadian troops.

Interim adjustments of the account took place between the two Governments at various dates up till March, 1920, at which date the Imperial Government owed Canada over \$100,000,000. When the final adjustment of accounts came to be dealt with the Canadian Government held that payments made to them on account of the debt should be credited to Canada "at exchange rate of the day" on which the payments were made.

CANADA'S PENITENTIARIES

The annual Report of the Superintendent of Penitentiaries shows that the prison population of the Dominion increased nearly 20 per cent. during the fiscal year ending March 31st, 1922. Canada has in all six penitentiaries and the number of inmates at the beginning of the year was 2150 and at the close it was 2610, an increase of 490.

The Dorchester penitentiary had 330 prisoners at the beginning of the year, and on March 31st, 1922, the number had increased to 435. During the year 60 prisoners were received from jails and two by forfeiture of parole.

The superintendent notes that many young men with long criminal records have been sent to the penitentiary within the past few years. Concerning these he says: "The great majority of them confess to lack of proper home training, nights spent at dance halls, jazz parties, pool rooms, joy rides in stolen motor cars, and to have robbed in order that they might have sufficient money to enable them to participate in all of the above, which they invariably term 'pleasure'. On reception they are found to be insolent, defiant, suspicious and to have no respect for law or order, rule or regulation."

FORTY MILLION DOLLARS INCREASE

Large Gain in Customs and Excise Revenue in Canada.

Ottawa.—There has been an increase of over forty million dollars in the revenue received by the Department of Customs and Excise during the eleven months of the current fiscal year, as compared with the similar period last year. Of this large increase, nearly three-quarters was contributed by the sales tax and other excise taxes and a little more than one-quarter by customs duties. The revenue from excise duties on spirits and tobacco rose only a few thousand dollars, and for the month of February itself showed a falling off.

The total revenue reported by the customs and excise department for the eleven months ending with February was \$250,612,000, as compared with \$209,728,000 for the corresponding period last year. Customs duties this year lead with \$119,303,000, as compared with \$107,896,000 for 1921-22. Excise taxes come second with \$96,556,000, as compared with \$67,411,000 a year ago; and excise duties have yielded \$33,689,000, as compared with \$33,672,000 for 1921-22.

For the month of February, 1923, by itself customs duties produced \$70,282,000, as compared with \$70,004,000 in February, 1922. Sales and other excise taxes brought in \$8,456,000 in February, 1923, as compared with \$8,570,000 in the same month of 1922. Excise duties on spirits and tobacco realized \$2,450,000 for the month just closed, as against \$2,056,000 in February, 1922. This is the only decrease in revenue shown in the entire return.

C. N. R. EASTERN DIVISION SHOULD END AT MONTREAL

The meeting last Friday in Amherst of representatives of the Maritime Boards of Trade and the local governments of Nova Scotia and New Brunswick shows a well defined disposition on the part of these Provinces to stand up for their rights in the matter of Divisions made in the Canadian National Railway system. Like nearly every other question great or small coming up politics is made to play its part and the ones for conditions is thrown upon one or the other of the great political parties of Canada according to the bias of individuals or of the party press. A Conservative organ, for instance, will claim that about three years ago Hon. Arthur Meighen gave assurances that the National Railway system would be consolidated and that the Eastern Division would end its Western limit in Montreal. On the other hand Hon. W. L. Mackenzie King, previous to last general election, assured the people that Montreal would be the headquarters of the Eastern Division.

What may briefly be said of these differences? In the first instance the Maritime Provinces got stalled premises. In the second they got Montreal as the Eastern headquarters with the Western limit at the original terminus of the old I. C. R. Riviere du Loup a point which will neither originate nor develop any traffic worth mentioning.

What was the purpose of extending the Intercolonial to Montreal during the period when the late Hon. A. G. Blair was Minister of Railways? It was to take the Western terminus out of the woods and extend it to the Commercial capital of Canada where traffic originated and could be secured for the system. The wisdom of this policy was amply justified for deficits on the road were turned into surpluses.

The question throughout which is in a most crucial stage, is not one of politics at all. It is a question of fair play and justice to the interests of the Maritime Provinces. Regrettable as the facts are, still it must be stated that our Maritime representatives for the most part on this railway question are as silent as the recently disinterred mummy of Pharaoh Tutankhamen, and apparently just about as active.

While it may be urged that this question is not yet quite definitely settled, it appears pretty evident that it was settled so far as general political indications went. The representatives of these Provinces appeared to take the medicine lying down and it was left purely and solely to the Boards of Trade to take the initiative in the endeavor to place this end of the country in a fair position with regard to traffic.

The services of the local government have been called upon, and the various commercial bodies, and the

most influential portion of the press is supporting the move for plain commonsense justice. Why should the Central Division with headquarters at Toronto pass Montreal and have jurisdiction East to Riviere du Loup. There is neither reason nor justice in such an apportionment. It should certainly be a main purpose of the Canadian National Railways management to develop and encourage all possible traffic on its own lines in Canada, and build up by all reasonable means our own sea ports. It is neither fair nor just that Portland should be the "Winter port of Canada."

The extending of the I. C. R. jurisdiction to Montreal will at least give this end of the system a fair chance in its competition for traffic.

PROPOSED REMOVAL OF COURTS

Reference is made in another column to the meeting of the Bridgetown Board of Trade and their resolution of protest against the removal of Supreme and County Court from town.

The case is well put in this resolution which covers the ground pretty completely. Middleton Board has also made a protest, a copy of which is also published in another page of the MONITOR.

The present standing of matters is this. The County Council at their last session passed a resolution to the effect that all Court sessions in future be held at Annapolis as the old Court House there had been renovated and improved. Whether the full purport of this resolution was fully appreciated or thoroughly considered in all its aspects may be somewhat open to question. Before this resolution can have the force of law it will be necessary to have repealed the Act of 1869, whereby Court sessions were alternated between Bridgetown and Annapolis.

A short review of the historic setting in this connection will help to appreciate the present situation. Digby and Annapolis Counties were in the long ago one division and Annapolis was the shire town for this district. In 1820 Digby was set apart and this left Annapolis far from being a central portion of the Municipality. The disparity in distances was so great that it was later proposed to carve a new county made up of the townships of Wilmot and Aylesford and Eastern end of Annapolis. As a compromise in the matter Bridgetown was selected as the place at which Courts would be held alternately with Annapolis.

This system went into force and the necessary legal enactments conferring it were passed in 1866.

One point particularly to be noted in this connection is that while Bridgetown undoubtedly had the strongest of claims in practically every way to be constituted as the County town of Annapolis County, she did not urge these, but was quite content to leave half the glory, honor and emoluments which revolve around Court sessions, to her older, smaller and more venerable sister town.

This state of affairs continued and so far as this end of the County is concerned, would probably have done so indefinitely, but for the changes made during late Municipal Council sessions.

The protests which have been made against the repeal of the enactment of 1869 are, we contend, not sectional, but wholly justified by actual conditions.

Annapolis is not the centre of the County either, geographically or populationally. A very cursory glance at the map of the County shows that Bridgetown is of all the County towns the most central, in fact no town could be more central in Annapolis County. The larger part of the County population is made up of Bridgetown, its surroundings, Middleton and the Eastern part of the County generally.

The continuation of Courts here means the greatest good to the greatest number, and a lessening to these of the costs of litigation, for the majority of cases must naturally arise from the largest and most thickly populated centres. There are some other phases to which we shall refer later, but it is, after all, a matter of fairness only that the Courts continue to be held in Bridgetown as they have been for the past fifty-four years.

Whereas by an Act of the Legislature of the Province of Nova Scotia, passed in the year 1869, it was enacted that the Spring sittings of the Supreme Court and the Fall sittings of the County Court should be held

in Bridgetown. And whereas the said sittings of the said Courts have been held continuously in Bridgetown since that date.

And whereas the building in which the said Courts are held and known as the "Central Court House" has been recently renovated and put in convenient condition for the holdings of the said Courts.

And whereas the building in which said sittings of the said Courts are held and known as the "Central Court House" has recently been renovated and put in convenient condition for the holding of the said Courts.

And, whereas, the expense of holding said Courts in Bridgetown, including the expense of the Criminal prosecutions is a matter of joint expenditure between the incorporated towns and the Municipality and it would be a great saving in said expense to have the Courts still held in Bridgetown;

And, whereas, the Municipal Council by a resolution passed at its last session resolved to ask the Provincial Legislature at its present session to repeal said Act, thus depriving the people of the Eastern end of the County from the privilege and convenience of attending said Courts at Bridgetown, and compelling them to attend all the sittings of said Courts at Annapolis Royal;

And, whereas, more than half of the population of this County reside East of the town of Bridgetown and the greater part of the litigation coming before the Courts in this County arises from this section;

And, whereas, the proposed change would mean a great inconvenience and increased expense to the majority of the people of Annapolis County having occasion to use the Courts;

Therefore resolved that this Board strongly protests against any such legislative enactment.

Further resolved that copies of this resolution be forwarded to the Provincial Premier, to the Attorney General, and to the members representing this County in the Provincial Legislature.

This document was forwarded to Premier Armstrong, Attorney General W. J. O'Hearne, Hon. O. T. Daniels, M. P. P., and F. H. Elliott, M. P. P.

HOW TO CONSTRUCT A HOT-BED

Garden crops such as tomatoes, cabbage, lettuce and celery, can be greatly advanced in the Spring by the use of hot-beds. On the farm the making of such a bed is a simple matter because of the presence of manure of a suitable kind. Whereas the greenhouse has to depend on steam heating for their necessary warmth, the heat for a hotbed is secured from that arising from fresh manure. The hotbed may be placed on top of the ground or in an excavation. Which ever plan is decided upon, the site chosen should drain so as not to permit water to stand. If the below-ground plan is adopted, the soil should be taken out to a depth of about 18 inches and for about three feet wider than the frame, so that there may be room for banking up outside the frame. The banking is very important as it conserves the heat. Horse manure is the best. It should be turned once or twice, and should be quite hot and ready for use in five or six days.

To support the glass sash, a simple frame should be made of two-inch planks. It should be so constructed that it may be raised if the plants get too close to the glass. To provide for the shedding of rain, the back of the frame should be six inches higher than the front.

When building the bed, the manure should be shaken out to a depth of two to two and a half feet in position and five or six inches more manure is shaken in. Good garden soil to the depth of six inches should now be placed over the manure, and the sash put on. In five or six days the hotbed will be ready for the seed. A thermometer should be used and the temperature of the soil should not exceed 80 degrees. The seeding should be done in rows about four inches apart, as it would in the open ground later in the season.

More complete instructions for handling the cold frame and the plants themselves are contained in Exhibition Circular No. 16, obtainable from the Publication Branch, Department of Agricultural, Ottawa.

CORRESPONDENCE

Dear Editor:
Sir.—A few days ago while attending a Board of Trade gathering in Kentville I observed a fine spirit of co-operation among the Boards of Trade in Kings Co., in matters of common concern.

It also occurred to me that the Experimental Farm, the headquarters of the organized farmers of the "Valley", the United Farmers Evaporator and the Cold Storage Plant are all situated in Kings Co., although any one of these might perhaps with equal reason have been located in Annapolis Co. I wondered if there were any relation of cause and effect between the spirit of co-operation to which I have referred and the location of these institutions in Kings Co.

I do not refer to this matter in the spirit of envy, but rather in admiration for the enterprise of the men of my native County. I would like, however, to see the co-operation and energy observed in Kings Co. more in evidence in this County. Until it is more in evidence I am afraid that Annapolis Co. will continue somewhat as an appendage of Kings County.

In the different towns of Annapolis Co. there is an excellent local spirit; which is good as far as it goes, but there are some problems that can best be solved by united action. It is in this line of activity that it seems to me we are falling in this County.

We have been hearing much of the benefits to Annapolis Royal of the Commercial Club of that town. Perhaps an occasional meeting of this Club could be held at which the other towns of the County could be represented and the subjects discussed be those of common interest to Annapolis Co. Or perhaps there might be an occasional dinner in the spacious dining room of the Riverside Inn, Bridgetown, at which representatives from the whole County could meet and listen to addresses upon County matters. Perhaps Lawrenceton, or Middleton might occasionally be the meeting place of the business men of Annapolis County.

If we had some kind of county organization, there are many questions which, I believe, might be handled more conveniently than by the local organizations working individually.

The settlement of retired soldiers and civil service men from India appears to be such a problem calling for immediate attention. How to make the Canadian National Railway (the value of which we are just beginning to understand) of more service to Annapolis Co., is another problem of common interest. The tourist business has unlimited possibilities and Annapolis Co. in beautiful scenery, its seashore attractions, in hunting and fishing and in historical matter has great assets. The Old Home Week, or Day, scheme is especially valuable to a County like ours with so many sons and daughters abroad. This is a scheme which can be best worked out on a co-operative basis.

I have, Mr. Editor, only suggested a few of the problems which I believe should be engaging our attention and which can best be taken up through co-operation of our Boards of Trade or other local organizations. Perhaps some others of your readers would express their views on the question through your columns.

FRED E. COX.

MELVERN SQUARE

Mr. Percy Sprowl spent a few days last week with friends in Bridgetown and Clarence.

Mr. Harold Mason, of Falkland Ridge, was a week-end visitor of Mr. and Mrs. George Brown.

Mrs. R. Melvin, who has been on the sick list, is able to get about.

Mrs. Harold Mason and baby girl is visiting at the home of Mr. and Mrs. John Morse, Bridgetown.

Mr. and Mrs. George O'Neal were recent visitors of Mr. and Mrs. C. R. Banks, Tolbrook Mines.

The ladies of the Baptist Sewing Circle went on a sleighing party to North Kingston on Thursday afternoon where they were entertained at the home of Mr. and Mrs. Hallett Armstrong. A very pleasant time was enjoyed by all present and as the evening and sleighing was all that could be desired they arrived home in good time hoping they might again be invited to the same home.

ENOUGH ANYWAY

The report that Jacky Coogan gets a salary of a million and a half dollars per annum is said to be exaggerated. The Film Daily for January 29th places the salary at \$500,000, of which \$260,720 goes to the United States government in taxes. And perhaps even these figures are none too accurate.—(Toronto Daily Star).

LOCAL CITIZENS PURCHASE ORANGE GROVE

The Garrison Land Co. made three fine sales of groves last week, besides a forty of unimproved land and a house and lot. The only grove deal of which particulars were given out was the sale of the Anderson 30-acre grove at Lake Hamilton to the Messrs. Frank Willitt, Tupperville, and H. F. Williams, Bridgetown, N. S. They will come with their families and make their home in Haines City. This is a mighty fine property, generally considered one of the best on the entire Ridge and the new owners are certainly to be congratulated.—Haines City Herald.

Gilbert Lowe has acquired the meat business formerly conducted by Elias Ramey, but lately by DeBlols Gillis, and has opened up in the old stand Mr. Lowe has had years of experience in this business, is well and favorably known in this community and will receive an excellent share of patronage.

The many friends of Mr. Harry Ruggles, barrister, were pleased to see him able last week to resume practice after being confined to his home for some time with a gripe. Mr. Edwin Ruggles, barrister, was also laid aside for a shorter period previously with the gripe, but his friends are pleased to see him restored to his usual health.

An important business change in town this week was the dissolution of partnership of Dargie & Longmire. Mr. Dargie retires from the firm and the business will be carried on by Mr. Longmire in future. Both are active and enterprising business men and Mr. Longmire may be depended upon to carry on the business to the complete satisfaction of his many patrons.

At the close of services on Sunday morning at the Baptist Church officers for the year were elected by the Men's Brotherhood as follows: Hon. President, J. W. Peters; President, E. C. Hall (re-elected); Vice-Pres., F. H. Beattie; Secy.-Treas., Clyde Marshall (re-elected); Asst. Secy., Wylie Stronach (re-elected). The question of the Brotherhood supporting a native missionary in India was brought up but left for final decision till next Sunday.

Last week's skating races furnished some interesting contests. In the mile open there were three contestants, Harry Walker, Frank Durling and Bennie Poole. The race was won by Harry Walker by a very narrow margin. Bennie Poole left his spurt a little late in the game otherwise he would probably have been the winner. Durling finished about half a lap or more behind the winner and did not seem to be working very hard in the game. In the girls' race Carrie Ruffee romped home with the prize with the greatest of ease. Jean Wagner retired before the race was finished. Mary Anthony hung on gamely but the pace was too swift for her to keep up with Miss Ruffee. Bennie Poole, Clyde Everett, Eugene Poole skated in a half mile. Benny won easily. In a fourth race Bennie Poole, Harry Walker, Eugene Poole. Bennie was a winner here also.

In the list of floral tributes to the late Capt. W. R. Longmire there was an inadvertent omission of two—Sheet of Crimson and White Carnations, Mr. and Mrs. B. N. Messinger; Sheet of Daffodils and White Carnations, Mr. and Mrs. J. I. Foster.

LAWRENCECTOWN Mrs. L. H. Stoddart, of Lawrencectown, N. S.—The ladies of the Methodist Sewing Society met at the home of Mrs. Elvin Shaffner on Monday evening. The young people had at same time and place a meeting of "The Live Wires" to make plans for a clam supper.

On Wednesday evening the supper came and was much enjoyed by all who attended.

The Lawrencectown band did their part to make the evening a success. The following ladies and gentlemen sang: Miss M. Bishop, Mrs. Donald Miss Shaffner, Miss Durling, Mrs. and Miss Porter, piano duett; Mr. Pearson, violin; Mr. F. N. Woodworth, cornet solo; Miss Bishop and Mr. Morse, vocal duett. Quite a respectable sum of money was taken. Rev. H. Rackham was the real moving spirit of the concert. Quite a number were guests at the Elm House.

Miss E. Morgan's work as Kindergarten teacher, is much valued in Truro.

Rev. Mr. Gillis preached in the Methodist Church Sunday, March 4th. An old and much respected citizen, Mr. Green, died on Sunday, Feb. 25th. He, for years, carried on business as a harness maker. Mr. Green was a faithful member of the Catholic church.

A company of Boy Scouts was organized Friday, March 2nd, by Rev. H. Rackham, and a Scoutmaster from Halifax.

Miss Rembly, an aunt of Mrs. Rackham, has come from Lunenburg to make a visit to her niece.

Quite a number of people are having rather severe colds, but no very general epidemic prevails.

Spring must be on the way, as the moving fever has broken out. Loads of household goods passing up the street are in evidence.

Correction.—Mr. and Mrs. Arthur Balcom have only been married five years, not fifty, as appeared in the last Monitor.

Mr. W. Bent is now back to the railway station.

Mr. Woodman, who acted as supply has gone to Kentville.

Thursday evening the home of Mr. I. Durling was invaded by a surprise party, to say farewell to Mr. Woodworth, who made many friends during his residence in Lawrencectown.

We regret to hear a son of Col. Bent is very ill.

Mrs. Wheelock has returned to her home from Wolfville.

Mrs. H. H. Whitman has gone to St. John and Montreal.

MAN OF LETTERS THANKS TANLAC

Canadian Writer Declares He Never Saw Its Equal For Building One Up

"Tanlac is a faithful old friend that never fails me," declared James A. Brain, 671 Gerrard St., E., Toronto, Ont., recently. Mr. Brain is one of Toronto's best known citizens, and in addition to being a successful business man, he has written many poems and songs that have gained wide popularity.

"I've been taking an occasional treatment of Tanlac for four years, and it keeps me in fine condition. Why, right now, I feel like I could hold my own in a foot race with any man my age in Canada.

"Before taking Tanlac, I was all run-down, had little appetite, and was suffering from indigestion. I wasn't sleeping well and was often so weak and nervous I couldn't attend to business.

"Well, sir, all these ailments disappeared with my first treatment of Tanlac, and to this good day I've been eating, sleeping and feeling fine. In all my seventy years, I've never seen the equal of Tanlac, and I just wouldn't be without it."

Tanlac is for sale by all good druggists. Over 35-million bottles sold.

Results of Immigration Policy.

The annual report of the Department of Industries and Immigration was tabled in the Local House, and in it, immigration into Canada was shown to have decreased forty-one per cent. from the preceding twelve months. There had been during the year, it stated, a total of 1,654 settlers entering Nova Scotia via ocean ports with the declared intention of remaining in Canada.

"The policy pursued during recent years by the Federal Government," the report continues, "was followed during the past year. Briefly this policy excluded artisans and other unskilled workers of capital, and accepted only those whose farming experience and general ability make it probable for them to follow with success a permanent vocation of agriculture."

OBITARY

Arnold Eugene Balecom The whole community was saddened on Wednesday, Feb. 21st, to learn of the death of Arnold Eugene, aged thirteen years, six months, eldest son of Mr. and Mrs. Harry E. Balecom, of Paradise, which occurred at 5.15 p.m. after a brief illness of about two weeks.

Eugene was a boy of sunny disposition and bright smile which made him loved by all who knew him. He was a genial favorite among his school-mates. As a member of the Boy Scouts he took an active part in all branches of its work. In the Sunday School he was a regular attendant of the Junior class.

He leaves to mourn, his father and mother, and six brothers, besides a host of relatives and friends who have the sympathy of the entire community in the loss of one so young.

The funeral was held from the home Saturday afternoon at 2 o'clock and was largely attended. Rev. W. S. Smith, assisted by Rev. J. H. Balecom, conducted the service and spoke comforting words to the bereaved relatives. Eugene was then laid to rest in the Fairview cemetery, Lawrence-town.

The floral tributes were beautiful, showing the love and esteem in which the little fellow was held. Pillow, father, mother and family; Wreath, Scout Master, Fred A. Balecom, Ralph Gillis and Boy Scouts; Wreath, grandma and grandpa Ernest; Wreath, grandma and grandpa Balecom, uncle Ralph and uncle Lou; Crescent, aunt Eva and uncle Fo, Max and Ronald; Cross, uncle Mac and wife and Claude; Wreath, uncle Percy and wife, aunt Tina and uncle Ned; Spray, Ernest Phinney and wife; Mrs. F. W. Bishop, Mrs. Marion Bishop, Mrs. Frank H. Balecom, Mrs. J. W. Spruille and Mr. Ewart Ross; Spray, Col. C. E. Bent and family; Spray, Camp Fire Girls; Wreath, School-mates

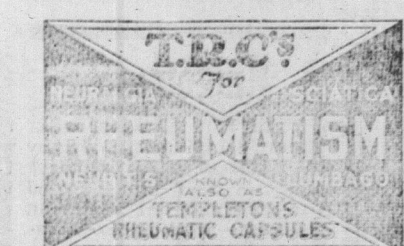

A large number from here are attending revival meetings at North Williamston, conducted by Rev. Allen of Nictaux.

The W.M.A.S. met last Wednesday at the home of Mrs. Fred Calnes. The old organ from the Baptist Church, Lawrence-town, was recently purchased (with proceeds from pie social) and placed in the school house here for use at church services.

Mrs. Reuben Bezanon and daughter, and Miss Jessie Solsman, of Lawrence-town, were guests one day last week of Mrs. Harry Solsman.

Something For Merchants to Think About

Name ten merchant princes who never advertised.

No? Name nine, then Six? Two? One. Why, what is the meaning of this?

Your knowledge of history and current affairs is comprehensive; your memory is excellent. Why, then, can't you name the great leaders of commerce who built up their enterprises WITHOUT ADVERTISING?

It's never been done, has it? On the other hand, great commercial successes, since the dawn of history, have been erected largely by advertising, of one sort or another. And as the means of advertising improved, the number and extent of business enterprises increased correspondingly Cause and Effect.

But this has to do with big city successes, you say? Wrong again.

Read below. Newspapers came first on the advertising budget of Fred P. Mann, of Devil's Lake, N. D., country merchant, whose store does nearly a million dollar business a year. This much he told retail dealers who gathered at Boulder, Mont., last week for their annual convention.

He sends out grocery specials and personal letters.

Mr. Mann, known the country over for achievements in building a million dollar store business in a small community, started in business with a \$75 capital. Through a wholesale house he was given "time" on \$1,500 stock.

A newspaper friend urged him to tell the public about what he had to sell through newspaper columns. He did this when other merchants were satisfied to carry only a card in the local paper.

The first year Mr. Mann did a business of \$23,000. He continued to do newspaper space judiciously and has kept at it ever since. Now the fixtures in his store alone are valued at \$40,000.

Mr. Mann said that after taking the presidency of the North Dakota Association, he sent out questionnaires from which he learned that seventy-five per cent. of the merchants of that state did not advertise and that ten per cent. advertised only because they wanted to help out their local papers.

At the same time, he said the mail order houses were sending seventy-two carloads of catalogues into the state and it was reported by wholesale houses that seventy-two per cent. of the merchants were insolvent. He said he took up a campaign to induce the country merchants to go on a cash basis and to advertise, and he has since succeeded in bringing 200 of them around to his system.

Mr. Merchant, you don't have to do business in Dakota nor belong to Mr. Mann's association to do business under his system.

Start now. Right here in your own town.—TODAY.

Your publishing friend is trying to help you when he lays down his own money to furnish you with a big advertising service like THIS.

TO DEVELOP COAL MINE

The Gore Coal Mining Company, Hants Co., held its annual meeting recently and decided to proceed with the work of development. A shaft will be sunk and the seam uncovered. That will open up all sorts of prospects for the development of big things in the Gore, a section of Hants County. It is understood that the mine has been practically sold with the proviso that a shaft be sunk and the seam uncovered. The drilling during the early Winter until the work was suspended on account of the big snow storms, gave over four feet seam and the coal was of an excellent variety.

A rich find of gold is reported from the Dunbrack property at South Unalaska.

IN MEMORIAM

Isaac Banks

Again the death messenger has entered our community and claimed for himself our oldest and most highly respected citizen, Isaac Banks, at the ripe old age of 95 years.

During the past four years he was confined to his bed and was never heard to complain of his lot. Our departed friend was one of the most successful farmers of the place. His fine place bearing evidence to this truth. He was of a quiet disposition, assuming in manner, and highly respected by young and old alike. In the home life he lived out the Scriptural rule and was given to hospitality, and enjoyed the company of his friends. Under the ministry of Rev. A. Coburn, D.D., he made a public profession of his faith in Christ, and was baptized and united with Christ's Baptist Church 54 years ago, maintaining his faith in his Lord until Tuesday morning, the 20th inst., when his spirit was released to join that innumerable company of the just made perfect. His wife predeceased two months ago and they are again united in that land that is fairer than here. He being of a musical nature he was for years a member of the church choir, very often leading them in their devotions.

He leaves to mourn, one daughter, Mrs. Oscar Nelly, of Middleton; one son, Fred N., on the homestead, who with his beloved wife, tenderly ministered to his every want till the end came. Three grandchildren and eight great grandchildren, beside a large circle of friends, are left to mourn the loss.

The funeral took place on Tuesday, 23rd, the large gathering testifying to the esteem in which he was held, pastor Smith conducting the service, and speaking from John 14:2, "Comfort and Assurance of the Life Beyond." These words were chosen by our departed brother some time ago. His remains were laid to rest in Fairview beside those who had preceded him to the life beyond.

Rest in peace. The pall bearers were Deacons H. Messenger, V. B. Leonard, J. E. Elliot, of the church, and Eldon Marshall, F. W. Ward, R. B. Fiske.

L. S. BROWN AS THE MONETON CHIEF

Well Known Maritime Man To Be General Manager of the Atlantic Division

Ottawa.—The selection of L. S. Brown as General Manager of the Atlantic Division of the Canadian National will be gratifying news to the Maritime Province. The original proposal was to make the division from Brockville to Winnipeg west and from Brockville east in which case there might have been some uncertainty as to where the headquarters of the Eastern Division would be. It has now been arranged to have a Maritime Division thus upholding the contention of the Maritime Provinces that separate treatment must be accorded the I. C. R.

Maritime Provinces members are very much alive regarding railway matters and have excellent hopes of securing a reduction in eastern rates. In connection with the recent announcement of the removal of a manager of the employees of the railway from Moncton to Montreal it is pointed out that it is necessary that they should be at headquarters and there will probably be similar removals from Toronto. On the other hand the headquarters at Moncton will almost certainly mean that many employees from other departments will have to remain there.

FIVE YEARS' AGONY ENDED

When He Took "Fruit-a-tives" For Rheumatism

The Medicine Made From Fruit There can be no doubt that "Fruit-a-tives" is the long sought remedy for Rheumatism and Lumbago. From all over Canada come letters testifying to this fact.

Mr. John E. Gulderson of Parrboro, N.S. writes: "I suffered badly with Rheumatism for five years—tried different medicines—was treated by doctors in Amherst—and here at home—but the Rheumatism came back."

In 1916, I saw an advertisement for "Fruit-a-tives" and took a box and got relief, so I took them for about six months and the Rheumatism was all gone and I have never felt it since." 50c. a box, 6 for \$2.50, trial size 25c. At dealers or from Fruit-a-tives Limited, Ottawa, Ont.

HURRY STANDS FOR COFFEE BATH, BUT EGG IN EYE RILES HIM

Philadelphia.—Robert Gimmil was, on Thursday, sentenced to six months in the county prison for spanking his wife.

He pleaded guilty to the charge of assault and battery, after his wife testified that he had thrown her across his knees and spanked her.

"Your honor," said Gimmil to Judge Barnett, "this lady, my wife, threw a cup of coffee in my face."

"That was alright."

"Then she threw a soft boiled egg at me and it landed in my eye."

"The better judge, aggravated me, and I promptly put her over my knee and spanked her."

"I wanted justice for what she had done to me, and I don't think a little spanking harmed her."

REAL DAILY PAPER FOR OCEAN LINERS

White Star-Dominion Passengers to be Supplied With Complete News Service.

Montreal.—Plans to equip all White Star-Dominion liners with real newspaper plants and public morning and evening editions of an eight-page daily newspaper were announced at the local offices of the company. The paper will contain the latest stock market quotations, sporting news and society items in addition to the usual news reports. It was stated, and will be the most ambitious thing of its kind ever published on shipboard. The news will be received daily by wireless and the paper will be supplied to passengers free.

An official of the steamship company said that it is hoped to have the new feature in operation by the time navigation is resumed to Montreal. Experienced journalists are being engaged to edit the paper and there will also be a full complement of printers and pressmen. The printing press itself will be electrically operated and all other machinery will be of the most modern type.

"This is going to be a real paper," the official said. "We intend to give passengers on our ships just as good and reliable a news service as they are given by up-to-date journals ashore. If the news warrants it, will even get sporting extras or any other kind of extra edition."

The newspaper, it was added, will be called "The Ocean Times", continuing the name used for the daily news bulletin previously supplied on the same ships.

A TRAGEDY OF TRADE

"There is a tragedy of trade in the news that Day & Martin, the famous blacking firm, known all over the world, have decided that they must sell their business," says the Star. "S. G. Gilbert has told us that in this world—"

"You must stir it and stamp it. And blow your own trumpet." And the great firm of blacking manufacturers have found it to be the case. Mr. Burillon, their managing director, put the trouble in a sentence when he said:

"We have decided that we must sell our business, because we ceased to advertise. Advertising would have saved us, and could save us now."

"It is difficult to imagine a more remarkable case. Here is a firm which goes back to the days of Dickens, when a shiny top-hat was the necessary alike of a gentleman and a post boy. Sam Weller was using Day & Martin's blacking to polish Mr. Jingle's boots in the courtyard of White Hart Inn in the Borough on that famous morning when Charles Dickens introduced him to Mr. Pickwick, and to literature. Indeed, the novelist took occasion to remark that Sam made the boots and shoes shine with a polish which would have struck any to the east of the sunbath Mr. Warren—a little reminiscence of the days of drudgery when the boy Charles earned a pittance by pasting labels on blacking bottles in the cellar."

Premier Armstrong Urges United Effort For Good of Nova Scotia

Nova Scotia has the lowest real and personal property tax of any of the seven Provinces of Canada which carries such a tax; she has the lowest automobile tax, with the exception of Prince Edward Island and Quebec; and the cost of administration of Nova Scotia is lower than in any Province with the exception of Prince Edward Island.

Such was the gist of statements brought out in the House of Assembly on Friday when Premier Armstrong replied to Mr. D. G. MacKenzie, who, speaking as leader of the Opposition, in the debate on the Address in reply to the Speech made references to the overburdening taxation of Nova Scotia being the cause of much of the exodus from the Province.

As to partnership to which Mr. MacKenzie referred, Mr. Armstrong said that party government had existed for many years in Nova Scotia, and any good legislation which the Province may possess was attributable to that system of government.

No person appreciated his own limitations as a party man more than he himself, but it would be his conscientious aim and purpose to serve the people of Nova Scotia to the best of his ability. His highest service could only be rendered with the co-operation of all members of the House and the dominating purpose of all should be to eliminate party issues and strive for the welfare of their Province.

Immigration was a very complex problem, said Mr. Armstrong, and it was almost impossible to get two people to agree on one policy. They were, however, endeavoring to work out a scheme of selective immigration.

Warren's old premises on the river bank near Hungerford Bridge, "George Elliot, Bert Harte, Carlisle and Tom Hood have all referred to the firm in their works, and it acquired, therefore, a fame which gave its goods an immense value. In the days when Day & Martin used to be great advertisers their name had been declared of their polish:

"It is the stuff that needs no puff. Like Hunt or Warren's blacking." But there came a time when the firm thought they could do without advertising. Pride, the never failing vice of fools, had its fatal effect on the heart of a blacking manufacturer. The present managing directors say: "If we had kept on advertising we should have had the world at our feet." The business is now to be sold unless the shareholders or some outsiders will find the money to inaugurate a bold and extensive advertising policy. There is still time, but—the sands are running down in the hour-glass."

NO RAIN FOR THIRTY-FOUR DAYS

"The weather conditions in Halifax for over a month have been most remarkable and very unusual," remarked Meteorological Agent Roman, of Halifax, when asked whether Halifax had had any rain storms during the month of February. The weather man answered immediately in the negative, and turning up his records for January, he stated that the last rain storm recorded in Halifax was in January, therefore there have been thirty-four days in which no rain fell.—Halifax Chronicle.

tion with the Federal authorities. The country could not afford to open the flood gates to an unrestricted immigration.

To Keep People At Home

The Province possessed a sterling population, and it was now the time and the place for the members of the Legislature, without too political viewpoint, to consider how to keep this population at home. Conditions in rural and industrial communities must be made so that citizens will be satisfied and happy. Consideration must be given to ways and means of establishing new industries and re-establishing old.

The debt of Nova Scotia was not an alarming matter. Any criticism of the debt should be based on the objects for which the debt was created. If those objects justified the debt, no Province in all Canada or America, the financial credit of which stood higher than Nova Scotia.

Redistribution was a matter which the Premier hoped the House would discuss without any political or party affiliations. He hoped to see such a presentation of the Nova Scotian viewpoint made by the House as would represent the solid combined opinion such a "would impress Ottawa that it was time to call a halt in the reduction of the representation of this Province.

In conclusion, Mr. Armstrong pleaded earnestly for the members to place the needs of their Province foremost in their thoughts during the session, and to discuss all matters from a thorough business standpoint rather than political or partisan views.

Miss Margaret Spurr returned from Lawrencetown after a few days' visit with her cousin, Mrs. B. G. Ritchie.

Miss Freda Rice, of Round Hill, spent Sunday at the home of Mr. and Mrs. B. G. Ritchie.

Misses Marjorie and Kathleen Whitman are visiting relatives in this place.

Miss Gladys Wright, Clementsville, has been visiting Mr. and Mrs. H. C. Ritchie.

A very pleasant evening was spent at the home of Mr. W. F. Ritchie on Feb. 27th, when his many friends gathered at his home in honor of his birthday. The evening was spent in games and music and at a late hour refreshments were served, after which the guests departed, wishing him many returns of the day.

FEAR THE CAT

Sir Ernest Wild, K. C., the Recorder, at the opening of the January sessions of the Old Bailey, commenting on the fact that there was not a single case of robbery with violence for trial, said he had ordered the "cat" on several occasions and believed that the cessation of this class of offence was largely due to the condign punishment meted out.

Local Happenings

The "Upstreamers" Taxis Boys are asked to meet this (Wednesday) evening (instead of to-morrow). The meeting will be in St. James' Church school room at 8.30 and a full and punctual attendance is particularly asked for.

Thursday afternoon, March 1st, about eighty ladies of Bridgetown and vicinity met in the Board of Trade room, and were entertained by Mr. Francis Graves and Mr. Humphrey of M. W. Graves & Co., Ltd. They passed bread, tarts, cake and pie—all containing their new apple product "Apple Delecto"—and also passed Evangelical drinks manufactured by this firm. Mr. Humphrey explained the different uses of this splendid article of food, and gave recipes for making bread, cake, pie, etc., containing "Apple Delecto". The Women's Institute extended a hearty vote of thanks to Mr. Graves and Mr. Humphrey for the pleasant time and assured them that they would give "Apple Delecto" a place in the pantry. "Apple Delecto" is now on sale in the different stores in the town. If you have not tried it in your cooking, we would advise you to do so.

ST. CROIX COVE

On Wednesday evening, Feb. 28th, residents of this place met at the home of Mr. and Mrs. Bradford Poole, the occasion being a surprise for our pastor, Rev. D. W. Dixon and wife. An enjoyable evening was spent and the amount of \$20.10 contributed. It was regretted that through illness our pastor was not present as he and wife had been invited. After serving refreshments it was arranged that the company should go to the personage. So on Friday evening the air was made merry with the jingle of bells from twelve loaded sleighs en route for pastor Dixon's home, Port Lorne, where he was taken completely by surprise. A very pleasant time was passed. The presentation was made by Capt. E. Brinton, responded to by pastor Dixon and wife. Refreshments of cake, pie and tea were served, after which the company joined in singing "God Be With You 'Till We Meet Again", and "The Sweet Eye and Eye". All departed for their homes hoping that many such occasions would be ours to enjoy with him as our pastor.

MODERN SCHOOL FOR LAWRENCE

Question Up Once More — A Deferred Till Another Meeting

SOCIAL AND PERSONAL

Meetings on Missions, Musical Entertainments, Good Programs at Women's Institute.

Lawrencetown.—Rev. Mr. Presbyterian minister, preached a fine sermon in the Methodist Church. Mr. Gillis is a young gentleman of fine appearance, a graduate of Hill Theological College, Halifax. His sermon was thoughtful and eloquent. We hope to hear him again.

Gillis called upon the Presbyterians of the town who were delighted to hear him. Dr. J. B. and Mrs. Hall called him in their hospitable home Sunday evening a splendid service was held in the Baptist Church. Brotherhood were out in force to the choir seats, while a large congregation filled the church. Mr. Shaffner was organist, Mr. Peavolli was soloist. The male choir sang some of the well known hymns and can be congratulated upon the other fine selections. Lawrence's ability of the people. Rev. Corey, from India, gave a vivid account of past and present India of present unrest there, also a firm wish of Britain. Rev. A. Whitman presided over the devotion of the service. Mr. Edgar, President of the Brotherhood, spoke few words to the people. Mr. T. Bishop also took part. This meeting will not be soon forgotten by those who were fortunate to be present. Mrs. Charles Lowell, Miss C. P. were present and gave an interesting talk about Mission work in India. Methodist S. S. met at home Mrs. Homer Daniels. A good present, though the night was and stormy.

Tuesday evening Baptist society at Mrs. D. M. Balcom's. Music, songs and pleasant conversation the hours pass quickly away. Miss Banks, Mr. Stoddart, Rev. Whitman, gave some readings. J. Stoddart was the organist to evening.

Monday evening school met. The usual quelling of a new thing or repairs to the present came up. Another meeting will be held to give more consideration to this important matter.

Mr. W. McKewen, Mrs. D. B. com, Mrs. Pidgeon, on returning to Bridgetown, were thrown out of sleigh. The spirited horse did not see what had happened, but away. We are glad to say the party were injured.

Miss Riley and Miss Parks of town visiting friends.

Miss Hicks spent week-end at home of Mr
