L'institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

HERSCHEL'S WEATHER TABLE.

The following table, constructed upon philosophical considerations on the attractions of the sun and moon in their several positions respecting the earth, and confirmed by experience of many years actual observation, furnishes the observer, without further trouble, with the knowledge of what kind of weather there is the greatest possibility of succeeding, and that so near the truth, that in very few instances will it be found to fail.

Make complaints and enquiries in writing.

Preserve and request correspondents to preserve envelopes of mis-sent or delayed letters.

Please return promptly to the Postmaster, or at the Enquiry Office, misdelivered letters or other mail matter.

A letter or packet once posted becomes the property of the person to whom addressed, and must be forwarded to its destination. On no application, however urgent, can it be delivered back to the writer. Business men are requested not to ask for the return of letters posted by mistake or otherwise.

Letters addressed to initials or to fictitious names cannot be delivered, but will be returned to the writer through the Dead Letter Office, unless the address contains a designated place of delivery; thus, a letter addressed to A.B., Post Office, Montreal, would be returned to the writer, but a letter addressed A.B., care of John Jones, box No. 781, or No. 1500 St. Catherine street, would be delivered at the address designated.
