INTRODUCTION.

TORONTO, February 28th, 1901.

The Committee on Names and Addresses, appointed some time ago by the Upper Canada College Old Boys' Association to make out a roll of the college, with addresses of "Old Boys," so far as they could be obtained, has completed its labours for the present and has embodied the results of them in the publication now issued. The members of the Committee beg to thank very heartily all of the "Old Boys" who have so willingly and readily co-operated with them by giving information and by sending corrections which have made it possible to improve greatly upon the proof copy sent out in June last. As even a cursory glance will show that there are still many gaps to be filled up, it is earnestly hoped that every "Old Boy" into whose hands this Roll may come will not only keep it by him for reference, but will read it carefully through and send such corrections as he can to the convener of the Committee, whose address appears upon the wrapper and in the list of officers. It is also hoped that the short sketch of the Association which has been added to the Roll will be a source of information to some who may, perhaps, not have understood its aims heretofore.

The Association has done good work in the past, and, with a larger membership, will be capable of doing still more in the future for the old school. Happily a new era of prosperity has dawned for the College, so that, with a constitution which has removed it from political control, the distinguished man at its head now has ample opportunity to work out his ideals for a great national public school, which has for its constituency not only "Upper Canada" but the whole of the Dominion, and indeed lands beyond our own borders

ROLL OF PUPILS

UPPER CANADA COLLEGE OLD BOYS' ASSOCIATION.

OFFICERS FOR THE YEAR 1900-1901.

Honorary President :

GEORGE R. PARKIN, C.M.G., LL.D.

President :

W. H. BEATTY, ESQUIRE.

Vice-Presidents :

The Honourable G. W. Allan, D.C.L.

His Honour Judge Barron.

John Bergin, K.C.

W. T. Boyd, M.A.

F. J. Campbell, Esq.

W. J. Fleury, B.A.

R. E. Kingsford, M.A., LL.B.

Nicol Kingsmill, K.C.

John Martland, M.A. (Oxon).

H. W. Peterson, K.C.

Lieut. Col. W. N. Ponton.

Committee :

Frank Arnoldi, K.C.

Treasurer :

PROF. A. H. YOUNG, M.A.,

Trinity University, Toronto.

Secretary :

ARNOLD MORPHY, Esq.,

Upper Canada College, Deer Park.

Committee on Names and Addresses :

MESSRS. F. J. CAMPBELL, THOS. E. CHAMPION, ARNOLD MORPHY, G. H. MUNTZ, D. T. SYMONS, AND A. H. YOUNG (convener).

THE ASSOCIATION.

The Upper Canada College Old Boys' Association was founded on that day in 1891 which saw a final farewell said to the old school and grounds in King st., on the eve of the summer holidays, whose close marked the beginning of a fresh chapter of the school's history in the buildings upon the new site in Deer Park. At earlier periods, notably in 1887, when the very existence of the College seemed to be seriously threatened, "Old Boys" had met at the call of Mr. Principal Dickson, and had worked together with such men as Mr. John Martland and the late Honourable T. B. Pardee in order to preserve the old foundation and to place the school in such a position as should enable it again to do the work it was intended to do from the year 1829. Not till July 1891, however, was there any formal organization of a permanent kind. That there was any at even that date was due in large measure to Mr. W. J. McMaster, then of Toronto, now of Vancouver, B. C., who became the first Secretary-Treasurer of the Association.

Beginning with a cricket match and a luncheon, the Association has been in no small degree a centre for fostering that sense of unity which ought to exist in the alumni of a great school. In whatever part of the world we may be, under the British flag or under an alien one, we are all sons of the common mother, Upper Canada College, and that mother has made it possible for most of us to attain whatever honours or success have fallen to our lot. To further foster this feeling of unity, this present publication is issued, and, as already set forth in the introduction, it is hoped that all who can supplement and correct the information herein contained will hasten to do so. For the future, too, it ought to be worth while for "Old Boys" whenever they change their address to send word to that effect to the Secretary.

From time to time banquets have been held, and they have cemented the more firmly the bonds that unite us as "Old College Boys." The matches at cricket and football played every season by some of our number against the present boys have had a similar effect. It would be a fine thing if every "Old Boy" who can possibly manage to do so would make a point of attending at least one of the great College functions of the year, the games in May, the cricket match in June, or the football match and the distribution of prizes in October, the annual meeting of the Association being held in conjunction with the last named event. The past has a meaning only in connection with the present, and the present boys are soon to become "Old Boys" in their turn. This year special interest is expected to attach to the

"Old Boys" cricket match, for it has been decided to celebrate the tenth anniversary of the Association by a garden party on the day of the match at which it is hoped everyone will make an effort to be present.

Beside these sentimental aims of the Association exist others essentially practical. At various times since 1891 the Association has had an important voice in the settlement of the affairs of the College, particularly in 1894 when the school seemed to be again on the verge of extinction. A new constitution was bestowed upon the College by the Legislature and a newly constituted Board of Trustees was placed in charge of it. On this Board the appointed members (five in number) were chosen by the Government, mainly from among the "Old Boys," while the Association was formally recognized as an interested party by allowing its members to elect four other members to the Board every three years, which they have regularly done since the passing of the Act.

The work of supplementing the endowment which had been grievously depleted in 1887 and subsequent years, was undertaken seriously and earnestly with a good measure of success, in spite of the hard times. The feeling grew stronger, however, that endowments would be more easily raised, and that matters generally affecting the school would be more satisfactorily disposed of if it were removed entirely from the effects of the exigencies of party government. Hence, in 1900, a new Act was passed in which these views were fully embodied. The Government appointed all of the other members, except those who, like the President of the "Old Boys" Association, sit upon the Board of Governors by virtue of their office, and the Association elected its own representatives at the annual meeting in October last. This it will continue to do every three years as heretofore, while vacancies occurring among the other elective members will be filled, in accordance with the requirements of the Act by the vote of all the members of the Board who are in office at the time the vacancy, or vacancies, may occur.

A condition relating to endowments was imposed by the Government before acceding to the wishes of the Association, the Board, and other friends of the College. That condition required the raising of a supplementary endowment of at least \$50,000 on or before the 1st day of October last, and it was complied with. The result is that already the Board of Governors has acquired more land and has made contracts for the erection of new buildings (in particular a preparatory school) which are urgently needed because of the great expansion of the school. It is satisfactory to note that many "Old Boys" have been among the subscribers to the various supplementary endowments, while hearty thanks are due to those who, though they are not "Old Boys" themselves, have so great faith in the kind

of education to be received at Upper Canada College that they have been willing to give liberally toward its support. Nor must the labours of those be forgotten who, whether they acted as members of the Association or not, have been instrumental in securing these much needed additions to the funds of the College.

There are smaller ways in which the Association can help the College, as it has been endeavouring for ten years past to do. Every year grants have been made for the purchase of a prize cup to be given at the annual games, for providing book prizes to go to boys in the sixth Form who should win them, and, upon one or two occasions, for offering scholarships to boys just entering the College. All of these prizes have been provided out of the Association's only source of income, the membership fees. The fee has purposely been made small so that, being merely nominal, it may not prove to be an obstacle that shall prevent any "Old Boy," rich or poor, young or old, from joining the membership and from continuing in it. Heretofore, the membership has been comparatively small, smaller than the best friends of the Association could wish, hence it is hoped that we shall see a large increase in it. No formalities, except sending the fee, are required to make an "Old Boy" a member. Instead of two or three hundred members, there is no good reason why we should not have as many thousands, which would mean just so many thousands of dollars annually. Single dollars from individual members may mean, generally do mean, little, but, added together, they make a sum worth having to enable us to further help on the sports and the learning pursued and cultivated at Upper Canada College. Besides, every one who becomes a member knows that he has his share in the control of the College, and he thus shows outwardly that he has in and for his old school the interest and the love which the Association's officers have always presupposed when, from time to time, they have caused the annual reports and the Roll to be sent to members and non-members alike. Printing these documents and mailing them has meant expense which we have borne gladly, but we shall feel the more encouraged if practical approbation of our course is shown in correspondence with the Treasurer, in any suggestions that look toward the improvement of the Association's work, or toward the advancement in any way of the interests of the College, and, finally, in compliance with the request made concerning the Roll, which, after all, is one of the most tangible proofs that can be offered of the Association's views on the question of the feeling of unity that ought to be cherished by every Old Upper Canada College Boy.

CONSTITUTION.

1. The undersigned do hereby declare that they and others have resolved themselves into an association under the name of the Upper Canada College Old Boys' Association.

2. That they desire incorporation under Chapter 172 R.S.O., being an Act respecting benevolent, provident, and other societies.

3. The intended corporate name of the Society is the Upper Canada College Old Boys' Association.

4. All ex-Masters, Masters, and ex-Pupils of the College shall be eligible as members of the Association and shall be registered as such on payment of the annual fee of one dollar.

5. The objects of the Association are declared to be the promotion of the interests of Upper Canada College, the renewal and perpetuation of the associations and traditions of the School, the preservation of its records, and the encouragement and promotion of cricket and other athletic sports amongst the members of the Association and the pupils of the College.

6. The officers of the Association shall consist of one or more Honorary Presidents, one of whom shall be the Principal of the College for the time being, a President, four or more Vice-Presidents, a Secretary, Treasurer, and Committee. The President, Vice-Presidents, Secretary, Treasurer, and Committee shall be elected annually.

7. The names of the first Trustees or Managing Officers are :

Honorary Presidents REV. DR. SCADDING, PRINCIPAL DICKSON.

President W. H. BEATTY, Toronto.

Vice-Presidents J. J. KINGSMILL, Q.C., Toronto ; H. W. PETERSON, Guelph ; SURGEON-GENERAL BERGIN, M.P., Cornwall ; JOHN MART-LANE, M.A., Toronto.

Secretary ARNOLD MORPHY.

Treasurer W. J. MCMASTER.

Committee W. T. BOYD, M.A. ; W. H. BUNTING, B.A. ; Col. F. C. DENISON, M.P. ; W. G. GOODERHAM ; Jos. Jackes ; Capt. D. F. JESSOPP ; R. E. KINGSFORD, M.A. ; NICOL KINGSMILL, Q.C. ; A. A. MACDONALD, B.A. ; D. B. READ, Q.C. ; J. H. RICHARDSON, M.D. ; Perceval F. RIDOUT ; D. T. SYMONS ; Rev. Prof. WALLACE ; A. H. YOUNG, B.A., Toronto ; P. H. BRYCE, M.D., Bracondale, Ont. ; A. GILLESPIE ; F. MARTIN ; J. E. O'REILLY, Hamilton ; C. F. GILDERSLEEVE, Kingston ; John A. BARRON, Q.C., Lindsay.

8. Honorary members may be elected at any Annual Meeting by the unanimous vote of the members present at such meeting.

9. A special meeting of the Association may be called at any time by the President.

10. A meeting shall be held annually in the College Hall on Prize Day.

11. At each Annual Meeting the members present shall elect officers.

12. The Secretary shall have the custody of the records of the Association.

13. The Committee shall meet at least twice during the year (on the first Tuesday in February and June) and at such other times as the business of the Association may require, upon the call of the President.

14. It shall be the special duty of the Committee to make arrangements for the Annual Meeting so that the intention of the Association in securing the re-union of old friends may be carried out.

15. No member who is in arrears for his subscription shall be entitled to vote at any meeting of the Association.

16. The Association may in pursuance of a resolution assented to by a majority of the members present at an annual meeting, or at a special meeting called for that purpose, of which public notice shall be given in manner provided by the By-laws from time to time, alter or amend the above set forth provisions, provided the said alterations or amendments be not contrary to law or the purpose of the Association.

Dated at Toronto this 8th February, 1894.

THE NINTH ANNUAL REPORT OF THE COMMITTEE OF THE ASSOCIATION.

The Committee of the Upper Canada College Old Boys' Association beg to report as follows:—

The year which has elapsed since the making of the last report of your Committee has been a memorable one in the annals of the College. Legislation has been obtained and acted upon commencing a new era in the life of the school. This legislation is one of many steps which have been taken in the past, to place the College on a secure footing. It is believed that a brief sketch of the various modes of Government which have been adopted since the foundation of the School will be found interesting.

As is well known, the first suggestion for the College was made by Sir John Colborne, in 1829, when he recommended that the then existing Royal Grammar School should be connected with King's College. The Legislature adopted the suggestion, and on the 4th of January, 1830, instruction in the College was begun.

From that date to 1837 the School was managed nominally by trustees of the District School appointed by the General Board of Education. The Legislative Committee on Education in 1833 recommended that the Charter of King's College should be amended, and that Upper Canada College should be incorporated, making it an appendage of King's College.

In 1837, in accordance with this recommendation of 1833, an Act was passed whereby the College was incorporated and became an appendage of King's College. The Council of King's College then managed both institutions.

In 1849 a change was made, whereby while the College remained an appendage of the University of Toronto, it obtained a more independent organization. The Principal, Masters, and Scholars of the College became an incorporated body, known as "Upper Canada College and Royal Grammar School." The College Council was to be composed of a Principal and four members appointed by the Crown. An Endowment Board was formed for both institutions, having five members; one appointed by the Governor, one by the Senate, one by the University Council, one by the College Council, and one by the Masters.

In 1853 the corporation of 1849 was dissolved, and the College was placed under the management of the Senate of the University of Toronto. The Senate appointed from its own members, a Committee known as the "Upper Canada College Committee," and this Committee was the managing executive of the College.

In 1887, when the Federation of the University of Toronto with other Universities took place, the management of the Senate of the University ended, and control of the College was undertaken directly by the Province, through five trustees appointed by the Crown. The College was separated entirely from the University of Toronto, and its affairs were managed by the Minister of Education together with five trustees. The name "Royal Grammar School" was dropped.

In 1894, another change was made, and the management of the School was transferred to nine trustees, five appointed by the Government and four elected by the Old Boys' Association.

The College has, since then, been working under the Act of 1894, and remains under that Act until the Act of last session (1900) shall be proclaimed. Each of the changes above mentioned represented a struggle for the College, and it is just that they should be commemorated.

It is not necessary for your Committee to mention the provisions of the Act of 1900, as they are now sufficiently well known, but it is proper to state that the Act carries out the objects which the Association has had before it from its organization.

Your Committee have persistently called the attention of the Association to the necessity for increasing accommodation at the College, especially in the matter of Masters' houses. Reference to our reports will establish this fact. Your Committee have also continually kept in view the placing of the College in an independent position, not merely financially but educationally. Both of these objects may be said to be now attained. Through the efforts of Dr. Parkin, the Principal, and a self-denying and energetic Committee, a sufficient sum has been collected to secure the further accommodation required. At the same time the management of the School is confided to a Board of Governors, all independent, partly holding prominent official positions and partly elected by the Old Boys. We may be said to have secured as perfect a system of government as could reasonably be expected.

Under the Act of 1900 it is the duty of the Association to nominate three trustees. Under the Act of 1894, a triennial election took place last June, in the usual course, and were it not for the Act of 1900 the four trustees then elected would hold office for three years. Under the Act of 1900 a new nomination becomes necessary, and of the four trustees elected in June last Mr. J. T. Small has retired. It is strongly the opinion of your Committee that the other trustees, Messrs. Arnoldi, Henderson, and McMurrich have the first claim for re-election should they desire it. The thanks of the Association are due not only to these four gentlemen, but also to all their predecessors for their valuable services so efficiently rendered. With reference to the retiring trustees their knowledge of the routine of the School

cannot easily be replaced, and it is most desirable that it should be understood that the new legislation, while making a change in government does not change the School, that as the Act itself says, "Upper Canada College is continued." During all the changes chronicled above the College itself has never ceased its work. The School taken from its old quarters and placed in its beautiful new grounds is still the same School, worthy of the great man who founded it, and of the generous spirit which has stood by it through every vicissitude.

It is also a matter for satisfaction that under the new Act the President of the Association is ex-officio a member of the Board of Governors. No step could be taken more in harmony with the wish of the Association.

Having thus reviewed the struggle of the past, it is a pleasure to turn to the satisfactory showing of the present. Your Committee find that no words are too strong to express their gratification at the successful result of the labours of Dr. Parkin, and the Committee, by whose selfdenying energy this great forward step has been accomplished. Your Committee would recommend to the Association to place on record their appreciation of the services of the learned Principal, and of the Committee, who so ably carried out his plans.

Your Committee regret to have to record the loss by death of Judge Kingsmill and Colonel Cosby. Judge Kingsmill was the chairman of the Board of Trustees, and in that capacity his services were invaluable. A representative of the best type of "Old Boy," his loss is deeply deplored. Colonel Cosby was a member of the Board of Trustees, and though not connected with the College as intimately as some of the other members of the Board, he yet gave it loyal and generous support.

Your Committee regret that they are about to lose the services of Mr. G. H. Muntz, as Treasurer. In Mr. Muntz's care the finances of the Association have improved, and it is hoped that under the management of his successor there will be no falling off, but on the contrary, an increase.

Considering that the Association exists for the purpose of drawing closer the bonds that bind "Old Boys" together, there is reason to doubt whether as much is being made of the annual "Old Boy's" cricket match as might be made. The match ought to be more generally attended, and ought to be made the occasion, annually, for such social functions as that of 1891, at which the Association was founded, mainly through the exertions of our first Treasurer, Mr. W. J. McMaster.

As it is very desirable that the business of the Annual Meeting of this Association should not be hurried through in so short a time as the present prize-day arrangements leave, your Committee is of the opinion that the time has now arrived when the authorities of the College should be asked

to co-operate with the Association in arranging a different mode of procedure. If luncheon could be provided in the College for members of the Association, at 1.30 o'clock, the Association could meet at 2 o'clock, discuss its business with due deliberation, and attend the distribution of prizes at 3.30, if that hour should be found convenient for the Principal and Masters. If some such changes as these here outlined were made, it is probable that greater numbers of "Old Boys" would attend both the Annual Meeting and the distribution of prizes—a thing which is greatly to be desired.

In June last, the sub-committee on names and addresses which had been at work for several years, presented its Report, and were authorized to print and distribute the roll of the College from 1829 to 1898. A request was made for corrections and additions, as the sub-committee in charge of the work of compilation was well aware that there were many errors and omissions. Some "Old Boys" have been kind enough to comply with the request, but many more must be able to give valuable information which would be serviceable to the compilers of the roll. It is hoped, therefore, that those who have not sent in their corrections will do so at once, and that there may be a great increase in the membership of the Association, which has done so much for the College. The fee, though small, would bring in a large sum annually if the membership were composed of all living "Old Boys," and would enable the Association to help the College even more than it has done in the past.

Through the medium of athletics the "Old Boys" have been enabled to emphasize their interest in the life of the School. In both cricket and foot-ball very interesting matches were played during the year between Past and Present, and these occasions brought together numbers of "Old Boys" who enjoyed the renewal of associations of earlier days.

In cricket the School has now the benefit of a regular professional; in foot-ball, however, some "Old Boys" freely gave their time to coaching the fifteen, who profited greatly by their instruction. The Association presented their usual prize at the annual athletic meeting last May.

All of which is respectfully submitted.

ARNOLD MORPHY,
Secretary.

W. H. BEATTY,
President.

MEDALS.

The following medals are awarded in the school year by year:—

1. HIS EXCELLENCY THE GOVERNOR-GENERAL'S MEDAL.—This medal is awarded annually to the boy who ranks first in general proficiency at the leaving examination of the sixth form. It carries with it the rank of "Head Boy" for the year.

2. THE J. HERBERT MASON MEDALS (Gold and Silver).—These medals are awarded annually to the two boys, members of the Upper School, who are considered by the Masters and pupils to possess in the highest degree the following characteristics: "Cheerful submission to authority; self-respect and independence of character; readiness to forgive offences; desire to conciliate the differences of others, and, above all, moral courage and unflinching truthfulness." It is through the liberality of Mr. J. Herbert Mason, who gave to the College \$1,000 as a memorial of his son, who was an "Old Boy," that these medals are annually offered for competition.

3. THE JOHN MARTLAND MEDAL. This (bronze) medal is awarded to the winner of the John Martland Scholarship, which has been established for the purpose of commemorating Mr. Martland's connection with the College for thirty years, and his many valuable services rendered to it as head of the boarding-houses and as one of the classical masters.

SCHOLARSHIPS.

1. At the opening of the College in September scholarships of the value of fifty and one hundred dollars each are awarded to boys under fifteen years of age giving evidence of distinguished merit.

The examination for these scholarships is held in September in the College building. Intending competitors should send in their names to the Bursar of the College.

These Scholarships will be open to resident pupils only.

2. THE JOHN MARTLAND SCHOLARSHIP.—This Scholarship consists of the income from \$1,500 subscribed by a large number of Mr. Martland's admirers among the "Old Boys," on the occasion of his seventieth birthday, and is, at his request, offered for competition to resident boys, under seventeen years of age, who, upon leaving school intend to follow commercial or agricultural pursuits without first proceeding to a University. The subjects of competition are, therefore, those of an ordinary English education (as taught in the Third Form grade), together with writing, book-keeping, and one foreign modern language. The winner is expected to attend the College in the year following the examination at which he wins the scholar-

ship, otherwise it reverts to the next eligible candidate, the one who came out head holding the medal already described, notwithstanding his withdrawal from the College.

3. THE UPPER CANADA COLLEGE TRINITY SCHOLARSHIP.—This Scholarship is worth \$100.00 in cash and three years tuition at Trinity University, having been subscribed by members of that University who are also Old Boys of the College. It is open at matriculation to pupils of Upper Canada College only.

4. THE LEONARD McLAUGHLIN SCHOLARSHIP.—This Scholarship was founded by Mr. and Mrs. Michael McLaughlin, of Toronto, in memory of their only son, Leonard, who attended Upper Canada College from 1890 to 1896 and was an undergraduate of Trinity University at the time of his death on the 10th of December, 1899. It has a cash value of \$100.00, and is open only to matriculants from Upper Canada College.

PRIZES.

The following prizes are awarded in the school :

1. "OLD BOYS' " PRIZES. These prizes (in books) are offered for competition by the "Old Boys' " Association :—

1. The best Classical scholar.
2. The best Mathematical scholar.
3. The best English essay.

2. THE ALLAN PRIZE.—The Hon. G. W. Allan, who entered the College in 1830, offers a prize in a subject to be announced each year.

3. THE BEARDMORE PRIZES.—Books to the value of \$150.00 are presented to the College annually by George W. Beardmore, Esq., who entered the College in 1863.

The subjects for which these prizes are awarded, together with the conditions of competition, are announced each year on the bulletin boards of the College.

4. THE BROCK PRIZES.—These prizes are given by W. R. Brock, Esq., M. P., one of the members of the Board of Governors, and are awarded for knowledge of Bible History. The subjects of examination are announced from term to term.

5. THE HARRIS PRIZE.—The relatives of the late Reverend Joseph H. Harris, D. D., first principal of the College, give an annual prize in History, as a mark of their continued interest in the College.

6. THE HOWLAND PRIZE.—This prize was instituted by the late W. H. Howland, Esq., who entered the College in 1855, and is now continued by his brother O. A. Howland, Esq., K. C., who also entered in 1855. The prize is given to the son of an "Old Boy" who ranks highest in the forms.

7. Additional prizes of books are awarded annually by the Board of Governors for merit in the work of the various forms. The awards are based upon the standing of the pupils throughout the term or at examinations.

In addition to the ordinary work of the school, classes are conducted in Carpentry, Typewriting, Stenography, and Dancing, for which special fees are charged.

TERMS.

The school year is divided into three terms : The Autumn, Winter, and Spring, which begin in the middle of September, January, and April respectively.

VACATIONS.

At Christmas, three weeks ; at Easter, ten days ; at Midsummer, ten weeks.

Provision is made for keeping boys in residence during the Christmas holidays only under very exceptional circumstances, and by special arrangement.

ATHLETICS.

It is the policy of the College, as it always has been, to give much, but it is believed not undue, encouragement to school games and athletics.

Rugby football, hockey, and cricket are the principal games. The Macdonald Cross Country Race in the Autumn, the cup for which is presented by Mr. A. A. Macdonald, of the College staff, with the Athletic Meeting and the Hendrie Steeplechase in the Spring, the cup for which is presented by the Hendrie family of Hamilton, make up the series of school sports which are especially sanctioned and encouraged.

The Old Boys' Association and the Board of Governors present prizes at the annual games held in May.

Two of the events which help to bind past and present pupils together are the "Old Boys" cricket match in June and the "O'd Boys" football match in the Autumn, both of which are played with the present pupils on the College grounds and offer the best of opportunities for renewing old friendships.

The general executive power in all athletic matters is in the hands of the stewards, who consist of the captains in football, cricket, and hockey, the head of the house, the head of the town, and the captain of the Rifle Co.
