The copy filmed here has been reproduced thanks to the generosity of:

Department of Rare Books
and Special Collections,
McGill University, Montreal.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Department of Rare Books
and Special Collections,
McGill University, Montreal.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\rightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Fish & Game Club,

MONTREAL.

CONSTITUTION.

ARTICLE I.

This Association shall be known as the "FISH AND GAME CLUB" of Montreal.

ARTICLE II.

No person shall be eligible for membership who is not also a member of the Fish and Game Protection Club of the Province of Quebec, or if a non-resident of Montreal, of some other association regularly organized for the protection of fish and game.

ARTICLE III.

The affairs of the Club shall be managed by a Committee of ten members, who shall choose from among themselves a President and appoint a Secretary-Treasurer. This Committee shall be elected by ballot at an Annual General Meeting of the Club, to be held on the first Wednesday in May of each year.

ARTICLE IV.

New members shall be elected by ballot, upon the first Wednesday of each month, between the hours of 12 noon and 3 p.m., and the names of all candidates and of their proposers and seconders shall be posted in the rooms by the Secretary for a full week before the day of election. At least twenty members must ballot to make the same valid, and one black ball in seven shall exclude.

ARTICLE V.

The entrance fee of new members shall be ten dollars, and the annual subscription of all members ten dollars, but at anytime after the number of members reaches two hundred and fifty the Committee may in their discretion increase the entrance fee, such increase however not to continue beyond the next Annual General Meeting unless confirmed at that meeting.

ARTICLE VI.

Subscriptions shall be payable in advance within one week of the Annual Meeting. The name of every member failing to pay by the 15th of June in each year shall be posted in the rooms, and if payment is not made by July 1st, the Secretary shall report the same to the Committee, who shall erase the name from the list of members. But the Committee may reinstate such member if he thereafter makes satisfactory explanation and payment.

ARTICLE VII.

The subscription of new members ballotted for on or after January 1st in each year shall cover the period to the Annual Meeting in the following year, and any new member failing to pay his entrance fee and subscription within thirty days of notification of election shall be considered to have declined admission.

ARTICLE VIII.

Any member whose dues are all paid shall be at liberty to withdraw from the Club on his written application to that effect sent in to the Committee.

ARTICLE IX.

Strangers, not residing within fifty miles of Montreal, may be introduced by any member inscribing their names in the Visitors Book, and such visitors shall be entitled to the privileges of the rooms for one week from the date of such entry. By special application to and vote of the Committee, this period may be further extended.

ARTICLE X.

Residents of Montreal and vicinity shall only be admitted as the guests of and when accompanied by a member, who shall enter names and dates without fail in the Visitors Book. If in the opinion of the Committee this privilege is abused, they may take such action and make such regulations as they consider advisable to secure the use of the rooms for the members only.

ARTICLE XI.

The Committee shall meet upon the first Wednesday of each month, and at such other times as to them appear best, and shall have full power to make such House Rules and Regulations as they may think necessary for the comfort of the members or the good order of the rooms.

ARTICLE XII.

That in case of ill conduct on the part of any member, the Committee shall request his resignation, and if necessary call a full meeting of the Club for further action.

ARTICLE XIII.

This constitution may be altered or amended at any General Annual Meeting or at a special meeting of the Club called by the President on the written requisition of twenty members, provided in either case that full description of the proposed change is given in the notice of said meeting.
