The copy filmed here has been reproduced thanks to the generosity of:

Library of Congress
Photoduplication Service

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression and ending on the last page with a printed or illustrated impression.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom as many frames as required. The following diagrams illustrate the method.

L'exemplaire filmé fut reproduit grâce à la générosité de:

Library of Congress
Photoduplication Service

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

R O B E R T

Lieutenant Governor, and Commander

A PRO

WHEREAS the *Delaware* Tribe of Indians, have been continually employing their Hostile Indians, in the Course of their late Invasion, upon the Frontiers of this Province, and butchered great Numbers of the Inhabitants, laying waste the Country: AND WHEREAS the Legislature of this Province, in Consideration of the late Invasion, upon the Frontiers, and the Hostilities, the Conquest made by them, in the Country of the *Delaware* Indians, have directed that a Colony should be established upon the Banks of the *Potowomoy*, and *Delaware* Rivers, in the Province of Maryland, and that the People inhabiting there should be called *Delawares*, and that the *Delawares* shall have a seat in the General Assembly.

BY THE HONOURABLE

R T H U N T E R M O R R I S,

and Commander in Chief of the Province of Pennsylvania, and Counties of New Castle and Sussex upon Delaware,

PROCLAMATION

The Delaware Tribe of Indians, and others, in Confederacy with them, have, for some Time past, withdrawn from their most solemn Treaty, fallen upon this Province, and in a most cruel, savage and perfidious Manner, burnt and destroyed great Numbers of the Inhabitants, and carried others into barbarous Captivity, burning and destroying their Towns and Plantations.

WHEREAS, notwithstanding the friendly Remonstrances made to them by this Government, and our faithful Friends and Allies the Six Nations, to whom they owe Obedience and Subjection, requiring them to desist from further Acts of Hostility against us, and to return to their Allegiance, the said Indians do still continue to commit Hostilities, in the same manner, and upon the same Persons, without regard to Age nor Sex: I HAVE THEREFORE, by and with the Advice and Consent of the Council, and do hereby declare the said Delaware Indians, and all others, who, in Conjunction with them, shall commit Hostilities within this Province, to be Enemies, Rebels and Traitors to His Most Sacred Majesty. A Reward of Five Pounds per Head, to be paid by the said Province, and earnestly invite those of the neighbouring Provinces to embrace all Opportunities of punishing the said Indians, and all others concerted with them in committing Hostilities, Including themselves.

WHEREAS, friendly of our good Friends and Allies, the Six Nations, and other friendly Indians, have been driven by the want of a River falling into the Susquehanna, called Creek Indians, from their ancient Habitations in the said Province, into the said Province, might not therefore be caused on the part of the said Creek Indians, within the Town, called Diabago or Zabago, to the Six Nations, at the said Town called Cuyler's, upon Delaware, the said Indians providing for their heavy and sudden Journey, that the Town of Cuyler's, lying and being to the Northward of a fine draught from the Mouth of the Delaware River, may be easily passed over by them, and be enabled to proceed on their Journey, without molestation or hindrance.

R. & S., Esq;

Counties of New-Castle, Kent

ION.
