QUESTION.—What Ministers or Probationers for the Ministry have died this year?

REV. J. LANGDON.

Father Langdon was born in Somersetshire, Eng., in 1793, and sweetly fell asleep in Christ at Prince Albert, February 20th, 1887, in his 95th year. He was converted to God in 1822, and, it appears, a few weeks after began to preach. In 1823 he was stationed on the Kingsbrompton Circuit, Somersetshire, Eng. At that time he was a member and local preacher of the Bible Christian Church. Two years later he entered the ministry of that Church, and for 22 years was a most faithful, acceptable, and useful minister. His love for and desire to save souls was intense, his labors arduous, and his work for God was honored and blessed.

In 1847 his health failed him, and he was compelled to seek superannuation. Three years later he, with his family, came to Canada. A disaster at sea on their voyage affords us a glimpse of his spiritual condition and sweet trust in God. Mr. T. Rowe, of Exeter, who was a passenger on the same vessel, and who occupied an adjoining berth, says: "After being four weeks on the water, one night the ship ran into the ice, and the ship's company were thrown into great consternation, thinking we were all going to be lost; but amidst the cries and distress of the passengers the sweet, calm voice of Mr. Langdon was heard, singing,

"Jehovah rules the tide,
And the waters He'll divide,
And to Canaan we shall come,
By and by."

After their arrival in this country they lived for a time in Hope, afterwards in Columbus, and finally in Prince Albert. Bro. Langdon was much afflicted. He suffered from pain in his head, and was entirely deaf, so that it was impossible to converse with him, which was a great disadvantage. He lived an exemplary life. His name is honored and revered in the place where he resided. His Bible was his companion, and secret prayer his daily habit. It had been his custom for years to enter his room and shut the door to commune with God. The Church was enriched by his prayers; he was faithful to all the ordinances of the Church.

His last illness was paralysis, which rendered him quite helpless. He laid in this condition for weeks. During much of the time he was unconscious, but when conscious it was refreshing to hear him talk of God and his hope of immortality. He was faithfully visited, by the servants of God, and manifested great joy in their presence and prayers. The hand pointed heavenward would

cause his countenance to brighten, and he would say: "Bless His holy name, I am looking to Him." A few days before he died he sang the hymn all through, beginning, "Who are these in bright array?" He died well because he lived a godly life. There were no dying words of triumph. None were needed. His pure, upright and useful life is the grandest testimony.

On the Wednesday following his death his mortal remains were consigned to the grave to await the resurrection of the just. May the God of all consolation comfort his aged widow, and may his two sons who survive him be so influenced by the godly life of their now sainted father that they may meet him in heaven.

REPORT OF THE SABBATH SCHOOL COMMITTEE.

Your Committee beg leave to express their admiration of the important regulations adopted by the last General Conference respecting Sabbath-schools, and would strongly recommend the members of this Conference, both clerical and lay, to pay special attention thereto, as they believe that great good will be the result.

Your Committee would beg most respectfully to recommend special attention to the following particulars: 1. Arranging the appointments of the Circuits so that the ministers may visit the Sabbath-schools more frequently than many can do at present. 2. Let an open meeting of the Sabbath-school be held in every place at least once a quarter. It might be on the Review Sabbath. At one of these meetings the collection could be taken on behalf of the Sunday-school Aid and Extension Fund; or the attention of the children might be directed to Missions, and thus in time a Children's Day would be instituted; or, where preferred, an address might be delivered on Temperance, and if such service be held instead of the ordinary service it is hoped that a general consent would be given.

Your Committee would further recommend that Circuit Conventions could be held with great advantage; they think also that class-meetings should be instituted in every Sabbath-school, and if teachers would occasionally visit other schools a spirit of unity would thus be promoted and more uniformity of teaching would be secured. Your Committee would strongly recommend the ministers to meet the teachers, if possible once a week, for the study of the lesson of the following Sabbath, and assist them to become familiar with the Bible and the doctrines of the Methodist Church.

Your Committee believe that there are to be found many places at which Sabbath-schools might be instituted if teachers could be secured, and would therefore recommend that a few persons should be selected to go to those places in bands of four or five, and seek out the neglected children who are growing up without any religious knowledge. In this way much latent talent might be called into exercise greatly to the advantage of all concerned.

In these days of temperance work, the design of which is the entire prohibition of the accursed liquor traffic, your Committee believe that the children should be taught to do their duty for God and for their country, and they do not know of any better method than getting every child in our Connexional schools to sign the pledge on page 133 of our Discipline. Your Committee assume that all the superintendents and teachers are thorough temperance people, and we would earnestly hope that they all would become equally zealous in their opposition to the use of tobacco in every form.

The examination of the statistical report compels your Committee to once more regret that the study of the Catechisms of our Church is so much neglected in many of our schools, and would again emphasize, in the strongest manner possible, the absolute necessity of giving the more earnest heed to this subject. The Methodist theology is the grandest of any Church, and in these days when creeds are denounced by many Reformers, so called, and when hundreds of even Methodist young people cannot give a proper definition of the doctrines of Methodism, surely it is time to cry aloud and spare not, as no better compendium of Christian doctrine can be found than our Catechisms contain. Let a few minutes, at least, be occupied every Sabbath with the Catechism.

Your Committee rejoice to believe that there are no better Sunday-school publications in the world than those issued at our own Book Room and Publishing House, and are glad to find that the demand for them is increasing; but why should those concerned support rival institutions when, to say the least, they have as good an article, if not to say better, at home? Let Connexional loyalty be exercised in circulating our own literature in preference to all others.

Your Committee strongly recommend the continued support of the Conference to the Sabbath-school Aid and Extension Fund, which is accomplishing so much good. Its benefits are set forth in the reports issued by the General Conference Sabbath-school Secretary.

Your Committee would recommend the re-appointment of the Rev. E. Barrass, M.A., as Treasurer.

All of which is respectfully submitted.

REPORT OF THE MEMORIAL COMMITTEE.

The following is the report of the Memorial Committee as amended and adopted by the Conference :—

1. In reply to a memorial from the Whitby District to the effect that Circuits shall be so formed that they shall be able to pay at least a salary of \$700, with a parsonage in each case where a married man is stationed, your Committee report this proposition impracticable.

2. A memorial from the Bracebridge District asking that no new men be taken into the work until the missionary revenue shall be sufficient to guarantee a minimum salary of \$550 to each married missionary. Your Committee deem this proposition impracticable.

3. As to a request in the same memorial, that the salary of the missionaries be paid in full not later than February of each year, so that supplies can be purchased at the minimum outlay, Conference recommends that this be sent to Missionary Committee.

All of which is respectfully submitted.

SUPERANNUATION FUND.

Report of the Treasurer for the year ending July 31st, 1886, for publication in the Minutes of the Annual Conferences.

The full Balance Sheet, having been properly audited and accepted by the Board, is published in the Journal of the General Conference.

The Fund is divided into two accounts, the Capital and the Annual. The Capital Account is made up of legacies, donations, and other amounts given for the purpose of investment, the interest only being used. This account amounted at the above date to \$167,956.23, less certain unproductive assets valued at \$8,355.14, and leaving as productive capital the sum of \$159,601.09, being nearly \$5,000 over the Capital Account of the previous year. This amount is invested in mortgages, debentures, and other reliable securities, and yields nearly 6 per cent. per annum.

The Annual Account amounts to \$70,918.44. The following are the principal sources of income and expenditure at the date above specified :—

INCOME.		EXPENDITURE.	
To Book Room Grant	\$4,000 00	By 183 Ministers	\$46,598 74
" Missionary	4,200 00	" 124 Widows	16,746 29
" Interest	8,667 38	" 100 Children	2,000 00
" Ministers Sub. (five sixths)	10,538 33	" Miscellaneous	3,425 71
" Paid by Districts	39,202 59	" Expenses	2,147 70
" Miscellaneous	1,597 84		
" Loan from Capital Account	2,712 20		
	\$70,918 44		\$70,918 44

A combination of circumstances which the Board could not control left the Fund in debt at the end of the year, as may be seen from the above statement, over \$2,700.

As the financial year does not close till the 31st July, no definite report can be made for the current year. This report will be presented at the next Annual Conferences. The Book Room grant has been increased this year to \$6,000, a result that must be very gratifying to all concerned, and which furnishes an additional reason why our Book Room should be liberally patronized and loyally sustained by both ministers and members. With the assessments from Circuits all paid in full in accordance with our present law, as passed by the late General Conference; we expect to be able to meet all legitimate claims in full, and to reduce, if not extinguish, the deficiency of the previous year. True, genuine loyalty to Methodism and its institutions, and united and persevering effort on the part of our ministers and people, will place the Fund in a position in which it will be a lasting boon and blessing to the Church, and to the aged, the widow, and the fatherless.

JAMES GRAY, *Treasurer.*

GENERAL CONFERENCE FUND.

TREASURER'S INTERIM REPORT.

Requested to be laid before the several Annual Conferences, and published for information in their Minutes.

Although this Fund has been in existence since the time of the formation of a General Conference in 1874, it has never had a written constitution.

The object of the Fund, as gathered from its history, and found in the Journals of the General Conferences and in the Discipline of the Church, is to pay the travelling expenses of delegates to and from the General Conference, and of representatives to other churches and bodies who are appointed by the General Conference; to meet the salaries and expenses of our General Superintendents, and of all General Conference committees that have no funds of their own; as also to pay the expenses of transfers in certain specified cases.

The different departments of the Church, up till the meeting of the last General Conference, paid one-half of the salaries and expenses of the General Superintendents, leaving only the other half to be paid by the Fund.

The income for this moiety was derived from collections taken up from year to year in the several Circuits and Missions in the entire Church, and yet that income has always been insufficient to meet the demands, and hence the Fund has always been in debt.

The present Treasurer was appointed at the last General Conference, and the whole amount necessary to meet all the above claims in full was thrown on the Fund, without aid from any department of the Church. Nearly all the collections for the year 1886 and 1887 had been paid to the former Treasurer, and yet at the close of the General Conference the Fund was in debt about \$5,000. The present indebtedness of the Fund is between \$6,000 and \$7,000, with large quarterly payments and other heavy special claims to be met as they arise.

* The Finance Committee of the General Conference, seeing the very great responsibility involved and the large amounts to be raised, took the following action, viz. (Journal, p. 251): The estimated amount required during the quadrennium, less cash on hand, was \$30,000, or an average of \$7,500 per year. This amount was divided by them as follows: Toronto Conference, \$1,430; London, \$1,000; Niagara, \$1,000; Guelph, \$875; Bay of Quinte, \$875; Montreal, \$1,125; Nova Scotia, \$400; New Brunswick, etc., \$400; Newfoundland, \$125; and Manitoba, etc., \$310. These amounts will therefore be required annually, in the estimation of the Finance Committee, to meet the claims on the Fund. The amount paid by the several Annual Conferences last year up till the 1st of September was about \$5,200. Now the Discipline (see p. 50) directs the officers of the General Conference "to disburse only the amount on hand for General Conference expenses," etc. I understand from this clause that the Fund is not to go into debt beyond the quadrennium. As the matter is now carried on, the largest expenditure is incurred in the payment of General Conference expenses at the beginning of the quadrennium, thus involving heavy payments for interest. What is to be done? I suggest—

1st. That every Circuit and Mission should take up a *large all-day Sabbath collection*, and forward it immediately, through its proper officer, to the Treasurer. This will reduce the interest account.

2nd. Should there be any deficiency at the close of any year in the amount expected from any Conference, let prompt and energetic measures be adopted to meet such deficiency. It will be found easier to do this annually than to raise the whole amount at the end of the quadrennial term.

Our brethren throughout the entire Church will see that it will require united, vigorous and prompt action to save the Fund from financial embarrassment, and to enable it to pay in full the amounts needed successfully to carry on our work.

JAMES GRAY, *Treasurer*.

UNION CHURCH RELIEF FUND.

*To the President and Members of the Toronto Annual Conference
of the Methodist Church.*

DEAR BRETHREN,—

The Secretary-Treasurer of the "Union Church Relief Fund" respectfully reports as follows:—

The Committee, after a most painstaking examination of all claims on the Fund under the rules laid down by the General Conference, reported the net amount of such claims at \$49,010. It was decided "that the Committee had no authority to release any security now held until the money was in hand to pay the sum appropriated."

The most pressing cases were to be relieved first, and a few brethren have had small sums paid them on account of interest long past due. Others will be helped as fast as funds come in.

Up to the 20th day of May, 466 Circuits have contributed the sum of \$2,573.59, an average of about \$5.50 each; and when the balance of the

Circuits report, we hope to have about \$6,000. It will take nearly \$2,750 of this to pay interest on loans and debts, and the balance can be applied on some of the most pressing debts. Prescott Church has been sold for \$2,700, and the balance of \$5,800 had been borrowed at 6 per cent. to pay off the mortgage, the trustees being still liable for \$1,466 on notes over the sum mentioned. Your Treasurer has had a large amount of correspondence and a great deal more labor than he or anyone else anticipated; but it has been a pleasure, and that pleasure will be greatly increased and work more cheerfully performed if all the brethren will take hold resolutely, as many have done, and make one long, strong lift and settle this matter soon.

Your Treasurer would also remind the brethren that according to the rule of the General Conference, "the collections and subscriptions must be taken in the month of October" in each year till the next General Conference. There was some excuse last October, as the General Conference did not order the collection till the end of September. But there is no excuse now. Cannot we therefore do something special in October next, and reduce the liabilities at least one-half?

Let us honor God, Methodism and ourselves by so doing.

All of which is loyally and faithfully submitted by "your brother and companion in tribulation and in the kingdom and patience of Jesus Christ."

JOHN N. LAKE, *Treasurer.*

Toronto, May 20th, 1887.

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

It is with great satisfaction that your Committee note the advanced state of public opinion in our country with respect to the Sabbath, and the growing interest that is being taken in its proper observance. On all sides churches, associations and conventions are pronouncing upon its sacredness and value, and are insisting upon its strict observance as essential to the temporal and spiritual well-being of the world.

Since God has ordained it to be a day of rest, we must as a Church, except in cases of extreme necessity, insist upon a cessation from all secular toil, and we must remember that no necessity is extreme that can be attended to on other days of the week; and since with this it has been given us to be devoted to spiritual culture and employment, it is our duty to resist every effort made to secularize it, or to make it a day for worldly pleasure, and we must seek to secure for ourselves and for others its fullest spiritual influence. Our conversation should be in keeping with its spirit. A purely religious literature should alone lie upon our tables, and the privilege of attending the means of grace should be accorded to all, whether parents or children, masters or servants.

But while the claims of the Sabbath receive such general recognition amongst us, yet we cannot but view with grave concern the encroachments that are being made upon its sanctity by certain companies and corporations, and the persistent efforts put forth by others to secure such innovations as the opening of concert halls and theatres, and the running

of street cars on the Lord's Day. These encroachments and innovations must be jealously guarded against and resisted, since the price of liberty is eternal vigilance.

We therefore express our hearty approval of the resolution submitted to us from the Algoma District Meeting, recommending the petitioning of Parliament against Sunday railway traffic, and would add to this the passing, and the more effectual enforcement, of laws against open livery stables, pleasure excursions, and all other forms of public desecration of the holy Sabbath.

Social visiting on the Sabbath, as practiced in many places, we conceive to be a great evil, and we would respectfully recommend that a clause be inserted in the Pastoral Address calling the attention of our people to it.

The holding of public funerals on this day, seriously interfering as they do with the stated means of grace, ought to be discouraged. We therefore commend the action of the Toronto Ministerial Association in regard thereto, and the closing of the gates by the cemetery authorities, except in cases where interments cannot be postponed.

We would strongly recommend that a sermon on this subject be preached by all our ministers during the month of May.

In conclusion, let us ever bear in mind the Divine injunction, "Remember the Sabbath day to keep it holy," and let us seek to secure harmonious and united action on the part of all the Churches of the Dominion in securing its better observance.

Signed on behalf of the Committee.

REPORT OF THE CONTINGENT FUND COMMITTEE.

Your Committee regret that the amount at their disposal is so small that they are unable to do as liberally as their hearts would prompt, and as the various cases would justify. The whole amount at their disposal has been only \$1164.50, being less than last year by \$301.77; but your Committee feel that the only way to increase this Fund is by taking the people into our confidence, feeling assured that when they see how these funds are applied they will contribute more freely. Your Committee do therefore recommend the Conference to publish in the Minutes a detailed statement of the appropriations made from this Fund, as well as the ordinary statement of account. Your Committee recommend that Bros. James Edward and J. W. Totten be Auditors, and Rev. Peter Addison be re-appointed Treasurer.

REPORT OF COMMITTEE ON TEMPERANCE.

Your Committee hail with rejoicing and thanksgiving the progress of temperance reform throughout our Dominion. And whilst the Methodist Church from its commencement has advocated this cause earnestly and ardently, both by precept and practice, we rejoice that such an increasing interest is manifest, such achievements have been attained, and that so many of the other religious bodies are so hearty in their co-operation; and we believe the time has fully come when the Church of God of every name, through its press and pulpit, its individual and organized agencies, should speak out in strong language and stronger action in favor of the removal of this great evil from our land.

We rejoice for the many proofs to hand of the successful workings of the Scott Act, it being demonstrated beyond all question that this Act can abolish the sale of liquor wherever it is properly managed, though we have to regret exceedingly that in many localities the working of this Act is seriously hindered by the incompetence or criminal negligence of the officials appointed to superintend its enforcement. Wherever this Act is openly disregarded we must hold responsible both the officer who fails to do his duty and the Government that retains him in office; notwithstanding, we desire to recognize the good services of the Ontario Government in appointing Police Magistrates, in some instances, where County Councils failed in doing their duty, and if these have the unanimous support of the temperance people, we are satisfied better things may be looked for.

Your Committee beg leave to state that of the six measures before the House of Commons this session, touching on temperance legislation, there are only two that we can give any sanction to, viz., Jamieson's Scott Act Amendment Bill, which is a good thing, and Jamieson's Total Prohibition Bill, which is a better thing, denouncing in the strongest terms McCarthy's "ten gallon" scheme and his bill to allow medical men to dispose of this poison without limitation. A fourth was introduced to repeal the Scott Act, a fifth to insert a beer and wine clause, and a sixth to give to each Province the power of making its own laws in this matter.

Your Committee are deeply convinced of the great need there exists for the further education of the public conscience on the important question of temperance, and would recommend—

1. That the temperance question continue to occupy great prominence in all our Church periodicals, and that suitable books bearing on this subject be published from time to time for use in the libraries of our Sunday-schools.

2. That prayer-meetings be held occasionally during the year, say once a quarter, with the end in view of furthering this cause.

3. That temperance societies be formed in connection with all our congregations; that a pledge book be kept in each Sunday-school, open during the whole year, and that the children be encouraged to take the pledge on the last Sabbath of every quarter, and that the names of all who so do be reported at the close of the year.

4. That each minister be requested to preach on the subject of temperance, and the necessity of the legal prohibition of the liquor traffic, frequently during the year.

5. That we repeat most emphatically the recommendations of former years in regard to the use of unfermented wine in the Sacrament of the Lord's Supper. As the pure, unfermented juice of the grape can be easily procured, and preserved for any necessary length of time, no excuse can exist for the use of any intoxicating wine, either home-made or imported, giving, as we believe it does, the highest possible sanction of the practice of using intoxicating liquors.

6. That upon all our people be urged more forcibly than ever the necessity of voting only for such candidates for parliamentary and municipal honors as are known and professed prohibitionists, and are otherwise morally acceptable.

7. That we request the Conference to memorialize the Ontario Government to allow licenses to be issued to temperance hotels, their number being limited.

We beg leave to state further, that whilst the evils connected with the liquor traffic are so many, and its use prohibited (except in cases of extreme necessity) by the rules of our Church, therefore,

Resolved,—That as a Conference we pledge ourselves more strongly than ever to keep and enforce these rules, and to advance our views in every honest and honorable way till victory shall crown the temperance cause.

All of which is respectfully submitted.

REPORT OF THE COMMITTEE ON THE STATE OF THE WORK.

In reviewing the work of the past year your Committee feel that as a Church we have great cause for thanksgiving to God "who only doeth wondrous things," that He hath honored the labors of His servants in the salvation of souls and the extension of the Redeemer's kingdom in our midst.

We are glad to state that the spirit of awakening has prevailed among us, and after deducting removals by death and other causes we report a net increase of 2,890. Extensive revivals have taken place on many fields of labor, while the Church at large has been aroused to more vigorous life and a more generous liberality.

While we rejoice in these triumphs of faith, as evidences of the presence and power of the Holy Ghost, we lovingly urge the Church, both ministers and laity, to still greater earnestness, believing "that the land is ours, and we are well able to possess it." Inspired by the promise of His abiding presence, and believing that God "hath from the beginning chosen us to salvation through sanctification of the Spirit and belief in the truth," what may we not expect during the year to come, radiant as it is with glorious hope and never-failing assurances! While we are deeply conscious that it is "not by might, nor by power, but by My Spirit, saith the Lord of hosts," and that "of ourselves we can do nothing,"

we must not forget that God has called us to be "workers together with Him"; and with the promise of our risen Lord that His word, which we profess to declare, "shall not return unto Him void," we have a gracious right to expect direct results every time we proclaim His saving truth. Let us then as a Church measure up to our privileges in the Gospel, and go forth in the name of our great Leader to bring the world to Christ.

To accomplish this we recommend no new methods, but rather a diligent and faithful working of our old methods, believing that in the doctrines and usages of the Methodist Church, sanctified by the Spirit of God, we have all the agencies required for the accomplishment of the great work committed to our charge. What more simple and scriptural form of worship can we find than that which as Methodists we have held from the commencement of our history? What more effective means of grace can we devise than those which have been so signally owned of God? Who has not been inspired by the successful labors of our missionaries during the year? Thank God that the old fire and fervor of Methodism have not died out. Be it ours to emulate the zeal and devotion that characterized our forefathers and made them so mighty in conflict.

We rejoice in the growing desire of our people to be instructed in, with a view of experiencing the truth of, the scriptural doctrine of Holiness, but we deprecate the introduction of theories, such as the absolute perfection of the Christian and the guidance of the Holy Spirit to the exclusion of mistakes in human judgment, that are in direct opposition to the teachings of God's Word. And with the view of arresting the pernicious consequences of such teaching, and at the same time instructing the younger members of our churches, we recommend that a series of articles be published in the *Christian Guardian*—not controversial but didactic—containing the teaching of our Church on this most essential doctrine. We realize the importance of this matter, believing that many of our converts have become unsettled in their religious convictions, while not a few have become discouraged in well-doing.

It is a cause of devout thanksgiving that the Sabbath-schools, under the fostering care of our Church, are in so prosperous a condition. We note with pleasure the large increase in attendance, the numerous conversions among the scholars, and the number of new schools organized; and in the words of the accomplished Editor of our Sabbath-school literature, let us "strive to have a Methodist Sabbath-school in every Methodist Church within the bounds of our Conference." The great number of pupils in attendance at our schools brings with it the grave responsibility that rests with us as a Church in educating the youth of this Province in Christian principles; and with a view of meeting the responsibility fully, your Committee would recommend that as far as practicable we avail ourselves of the sacred privilege, secured to us by the law of the Province, of instructing the young of our flocks by visitation of the public schools within the bounds of our respective Circuits.

We rejoice in the providence of God that has spared the life of our pure and beloved Queen to witness the jubilee year of her reign, and we would recommend that suitable thanksgiving services be held on all our charges in commemoration of so auspicious an event.

We record our gratitude to God for the increased interest taken in the missionary and educational work of our Church during the past year, and

we assure the honored Secretaries of these departments of our most cordial sympathy and support. Thanking the Great Head of the Church for His grace vouchsafed in the past, let us not forget that He has said, "Lo, I am with you always, even unto the end of the world," and with renewed determination let us accept with rejoicing the gracious possibilities of the coming year. REPORT OF THE STATISTICAL COMMITTEE.

The Statistical Committee of this Conference beg to report the result of their departmental work as follows:—

1. Total members of the Church in this Conference, for the year 1886-87, 33,922; total membership returned for previous year, 31,030; total increase of membership for the year, 2,892.

2. There has been raised for ministerial support \$120,590.20, being an increase over the preceding year of \$11,877.04. On examination we find that this amount gives an average salary to each minister in the effective work of about \$596—the largest salary being \$2,750, and the smallest salary \$124.10. We regret to learn that the ministers suffered during this year an aggregate deficiency of \$9,038.73.

3. We are pleased to find that all Connexional funds under our notice are mainly in a healthy condition, excepting that distinct rumblings are heard of the death-knell of the Children's Fund, and we hope that a more desirable basis will be arrived at to determine the increase of salaries.

4. The work of your Committee was unnecessarily increased by a failure on the part of District Secretaries, in many instances, to fill up the separate sheets provided for statistical returns.

We recommend that the Conference urge upon the Secretaries the absolute necessity of furnishing the Committee with these sheets in every case properly filled out.

REPORT OF COMMITTEE ON THE SUSTENTATION FUND.

After several meetings of the above-named Committee we beg to recommend the following as the Constitution of the Fund:—

CONSTITUTION.

Name.—This Fund shall be called the Sustentation Fund of the Toronto Conference of the Methodist Church.

Object.—The object of the Fund is to relieve those ministers within the bounds of the Toronto Conference whose salary is inadequate to their support.

Claimants.—All ministers, whether laboring on Circuits or Missions, whose salaries are lower than the following amounts, shall have their claims considered in connection with this Fund, viz.:—Married ministers, \$600; single ordained ministers, \$300; and probationers, \$200; these amounts to embrace salary only.

Income.—The Fund shall be sustained by annual collections and subscriptions to be taken up in all congregations in every Circuit and Mission throughout the Conference. Each minister and preacher shall bring the matter fairly before his people and do his utmost to secure liberal contributions to this Fund. In case there are any delinquent Circuits, the Chairman of the District, accompanied when possible by a layman, shall visit such Circuits, and shall urge on the people as he may think best a more liberal and generous support of their ministers. No minister or probationer who has not taken up the collection shall be entitled to any claim on the Fund. Every Circuit claiming from this Fund must show that it has paid for ministerial support an average of \$3 per member from all members over sixteen years of age, and every Mission that it has paid an average of \$2, in order to give them a legitimate claim on the Fund.

Management.—The Fund shall be under the management of a committee composed of one minister and one layman from each District

appointed by the Conference, who shall have authority to distribute the funds on hand during the sessions of the Conference to the several claimants, according to the amounts received from all sources for ministerial support during the year.

No claim shall be considered by that Committee that has not been recommended by the District Meeting where the minister resides immediately preceding such distribution.

A Treasurer shall be appointed by the Conference who shall take charge of all the monies collected for this Fund, to whom the Superintendents of Circuits are requested to remit all collections and subscriptions immediately on receipt thereof, and who shall pay the amounts allotted to the claimants on the order of the Chairman and Secretary of the Committee.

The Committee also recommend that the Rev. A. Brown be the Treasurer of the Fund.

All of which is respectfully submitted.

REPORT OF THE BOARD OF MANAGEMENT AND TRUST FOR ALMA COLLEGE.

To the Toronto Conference of the Methodist Church:

DEAR FATHERS AND BRETHERN,—Through the blessing of a benign Providence we are again permitted to report to you a year of prosperous school work in Alma College. The attendance, drawn from all parts of Ontario, from New Brunswick on the east to Nebraska on the west, and representing, as heretofore, all the Evangelical Churches, will reach 180—120 residents, and 60 day students.

The four departments of work—Literary, Music, Fine Arts, and Commercial—each having a thorough course of study to graduation, are each receiving a large patronage from the public, and affording practical as well as ornamental training to the young women who throng our halls.

In the Literary Department are taught all the subjects of the Public and High School courses, the junior and senior matriculation of the Universities, and in addition selected work in Christian Evidences, Mental and Moral Philosophy, and Biblical study. In this department a class is prepared each year for Public School Teachers' certificates, and the local examinations for women.

In the Music Department, young ladies are prepared by strictly classical courses of study to enter with advanced standing the leading conservatories of the Old World.

In Fine Arts, all the subjects of the Ontario School of Arts are taught, and in addition all varieties of painting in oil and water colors, and various kinds of ornamental work.

In the Commercial Department, in addition to Book-keeping, Commercial Arithmetic and Penmanship, instruction is given in Phonography and Type-writing.

The capacity of the building, so far as dormitory and class-room accommodation is concerned, has been fully tested during the greater part of the year, and the need of increased accommodation for the present attendance, as well as for future growth, urgently felt. The sum of \$8,000 has been raised in cash or subscriptions for the new building, but as the cost of building has increased since the project launched, it was thought advisable, at a recent meeting of the Board of Management, to defer the commencement of building operations till the fall, giving opportunity in the meantime to increase the amount of subscriptions sufficiently to meet the increase of the proposed expenditure, and thus keep the College debt within manageable proportions. It is expected that with a successful canvass during the summer, the Board of Management will feel fully warranted in beginning building operations this fall, and prosecuting the work to early completion next season. The last school year showed the largest receipts and attendance since the opening, and it is hoped that the present year's report will be equally favorable. Steady progress has been made in the collection of outstanding notes and subscriptions, and the debt of the school materially reduced this season.

For rules, regulations, rates, courses of study, and staff of instructors we refer you to our Annual Announcement.

We desire the Conference to elect according to the provisions of our charter, a representative on the Board of Management and Trust.

All of which is respectfully submitted in behalf of the Board of Management.

B. F. AUSTIN, *Principal*.

R. I. WARNER, *Secretary*.

Alma College Office, May 25th, 1887.

REPORT OF THE DIRECTORS OF THE ONTARIO LADIES' COLLEGE TO THE TORONTO CONFERENCE.

During the past year, for the first time in the history of the College, we have been obliged, for want of accommodation, to refuse to admit several applicants, and to send them to other institutions. We have enrolled about 170 pupils, have had a regular attendance throughout the year of over 130, and for the greater part of the year have had an average attendance of 103 resident pupils or boarders. The yearly income will be about \$24,000. To meet the wishes of the numerous friends of the institution, it has been decided to make an addition to our accommodation by connecting the private residence with the southern wing, thereby opening up a large number of beautiful and airy rooms. This steady growth in reputation and prosperity we attribute largely to thorough and honest work done in every department of study combined with unusually pleasant and

healthful surroundings. The Principal, Lady Principal, and every member of the staff are admirably adapted for the positions they hold, and the country is becoming more fully aware of the fact that our College affords facilities for education and culture unsurpassed, if equalled, in the Dominion of Canada. Believing that the course of study in a ladies' college, worthy of the name, should advance with the times to meet the wants of the most clever and ambitious pupils, we have decided to take a step in advance by bringing certain branches of study in our collegiate course, that are considered most advantageous to ladies, fully up to the University standard. With this object in view, several hundred dollars will be spent next year upon the Natural Science Department alone. Modern languages and English will also be carried to the same extent as in a thoroughly equipped university. Friends of the College are referred to our latest Calendar for a fuller account of the aim and work of the institution.

In the matter of University Matriculation, which lies at the basis of a thorough course of study, we are pleased to be able to say that we have led the way, and now that we have undertaken regular University work, no effort will be spared to meet the reasonable expectations of our patrons.

Our Musical Department is generally known to be built on a solid foundation. As an evidence of the inspiration to study that our pupils receive, it may be mentioned that three of our pupils are now pursuing courses of study in the Conservatory of Music in Leipsic, Germany.

The director of our Fine Art Department is President of the Royal Canadian Academy of Artists, established at Ottawa by Lord Lorne. At the Industrial Exhibition held in Toronto last September, our pupils won first prize for best display of paintings from natural objects, shading from antique, etc.

Our Elocution Department is modelled after that of the Philadelphia School of Oratory, and is directed by a gold medallist from the latter school.

Our Commercial Department affords a practical education in Book-keeping, Telegraphy, Phonography, etc.

Thanking you, the members of this Conference, for your deep interest in our success, and assuring you that it shall ever be our honest endeavor to merit your hearty approval and support, we look hopefully into the future, believing that a very bright career is before the Ontario Ladies' College.

REPORT OF THE WESLEYAN LADIES' COLLEGE, HAMILTON.

The Board of Directors of the Wesleyan Ladies' College, of Hamilton, would thankfully embrace the opportunity so kindly offered by this Conference to present a brief report for the current year.

The College is closing its twenty-sixth (26th) year, and we rejoice in

the work that has been done and the success that has attended it. The College was organized and established by a few Christian gentlemen, chiefly of our own Church, to furnish a liberal education, under Christian influences, to the daughters of our land, and with the distinct understanding that it should never be a claim on the Church, nor seek any assistance from the Church. On this principle it has been conducted up to this day, never having asked nor received a cent of aid, or a subscription, or even a free advertisement in our Church paper. It has thus left the Church free to exercise its generosity and benevolence in the endowment and equipment of Victoria University; and we feel not a little pride in the fact that the first chairs endowed in that noble institution were endowed by two of our presidents, the revered Edward Jackson and Mr. Dennis Moore.

The College is well known to most of you. In accommodation it surpasses all others in the country. It has educated thousands of young women; it has graduated over two hundred in the full College course. It has prepared a great many teachers of music and art. Its graduates are teaching both in the United States and in the colleges of our own country, even in colleges of other Churches.

The Course of Study fully prepares the student to appreciate the standard works of the day in science, literature, languages and philosophy, and the work done in the College is of the most thorough character. The Faculty have been selected for their ability to teach, and important additions will be made for next year's work.

A healthy religious influence should always pervade such institutions, as the recollections of college days are vivid all through life. In this respect we have been highly favored. Prayer-meetings and class-meetings have been well attended, and have been made a great blessing to the young ladies.

The health of the students has been remarkably good. No institution in the country has a better health record; in none are the conditions of health more completely furnished or more carefully guarded.

We graduate a very fine class this year in the full College course, and have excellent classes in music and art also.

Our examination papers are prepared by outside scholars, and valued by them also.

We rejoice in the privilege of laboring with you in the great work of spreading true Christian culture, and trust that we may mutually strengthen each others' hands.

We also offer to Dr. Dewart, the able Editor of the *Guardian*, and the Associate Editor, Rev. Dr. Stone, our hearty thanks for the efficient manner in which they have conducted the organ of our Church in the past, and assure them of our continued approval and support. We have no less pleasure and gratitude in the valuable services rendered by the Rev. Dr. Withrow, the accomplished Editor of the Sunday-school publications, and pledge him and the other officers of our Book Room and periodical departments our hearty support and prayers.

ONTARIO LADIES' COLLEGE.

Moved by Rev. Dr. Harper, seconded by Mr. W. Calvert, and

Resolved,—That the Conference has heard with great satisfaction the addresses of Dr. Hare and several Directors of the Ontario Ladies' College. We rejoice in the success of this educational institution, and in its increased facilities for accomplishing its important work, and heartily commend it to the confidence and patronage of the ministers and members of our Church at large.

ALMA COLLEGE.

Moved by Rev. J. E. Sanderson, M.A., seconded Rev. Geo. Abbs, and

Resolved,—That we have heard with great satisfaction, from Principal Austin, the report of Alma Ladies' College, bearing evidence of the growing prosperity of the College. We assure the Principal and the liberal supporters of this Connexional institution of our hearty sympathy with them in their earnest efforts to maintain a high standard of education, under a hallowing Christian influence, and to meet the growing demands of Western Ontario for the higher education of young ladies. It is the pleasure of this Conference to commend the College to the continued confidence and patronage of our people and the general public.

WESLEYAN LADIES' COLLEGE.

Moved by Rev. Dr. Dewart, seconded by Rev. Dr. Harper, and

Resolved,—That this Conference has heard with pleasure the statements of the Rev. Dr. Burns respecting the work of the year in the Wesleyan Ladies' College at Hamilton, and we desire to express our high estimate of the educational work being done in the College over which

Dr. Burns presides, and we heartily commend this institution to the support and patronage of our people.

ALBERT COLLEGE.

Moved by Rev. J. M. Simpson, seconded by Rev. E. Roberts, and

Resolved,—That we have heard with much pleasure and interest the report of Albert College, as presented by Rev. Prof. Dyer, and assure him of our continued sympathy and support in the prosecution of his work in the Educational Department of our Church.

TRANSFER COMMITTEE.

Moved by Rev. H. S. Matthews, seconded by W. W. Ogden, M.D., and

Resolved,—Whereas the Basis of Union makes provision for the proper transfer of ministers from one Conference to another; and whereas the Discipline states that such Transfer Committee shall consist of the General Superintendents and the Presidents of the Annual Conferences concerned in the transfers; and whereas at the recent meeting of the Committee of Transfer several ministers were transferred from other Conferences to the Toronto Conference without an equivalent from the Toronto Conference; therefore be it

Resolved,—That we not only strongly disapprove of the action of the Transfer Committee, but we protest against that action as unjust and resulting injuriously to the true interests of this Conference.

WORK IN THE NORTH-WEST.

Moved by Rev. E. A. Stafford, seconded by Rev. J. F. German, M.A., and

Resolved,—That the Conference has heard with great interest and pleasure the encouraging statements of Rev. J. W. Bridgman in reference to the growing work in the Manitoba and North-West Conference; we sympathize with the brethren in their toils and privations, and rejoice in their faith and triumphs; we earnestly pray that the unity of the Church of God may be preserved in this great and growing section of our Dominion, and that our beloved Methodism may be more firmly established and be more amply sustained in this very interesting part of our growing work; and we think there will be no difficulty in aiding him financially in his own work at McLeod to the extent of a collection from each of our Sunday-schools, as he requests.

CHILDREN ATTENDING THE HOUSE OF GOD.

Moved by Rev. W. P. Brown, seconded by Rev. H. S. Matthews—

That whereas the absence of children in many of our congregations (where exist large and flourishing schools) is greatly to be regretted, inasmuch as we believe no other means of grace should be substituted for the regular church service, therefore be it *Resolved*,—That we pledge ourselves to do our utmost to bring the children out to hear the Word of God preached.

PROHIBITION.

Moved by Mr. John J. Maclaren, seconded by Mr. J. W. St. John, and *Resolved*,—That this Conference desires to convey its warmest thanks to those members of the House of Commons who voted last night for Mr. Jamieson's motion in favor of the total prohibition of the liquor traffic, and would urge that the permanent Committee on Temperance of our General Conference take immediate action, in co-operation with similar Committees of other churches, and with the Council of the Dominion Alliance and other bodies and individuals, to carry into effect the policy unanimously endorsed by our General Conference, with a view to preventing, if possible, the election of any member who voted against Mr. Jamieson's resolution, or the election of any other man holding like pernicious views.

SABBATH DESECRATION.

Moved by Rev. Hugh Johnston, seconded by Mr. Wm. Blight, and *Resolved*,—That this Conference views with alarm the agitation that is being started in this city, having for its object the running of street cars on the Sabbath, and otherwise disturbing the peace and sanctity of the Lord's Day, and recognizing the right of every workingman to this day of rest, and the need of arousing the Christian conscience on this question, it calls upon the ministers of its own communion, and the pastors of other Christian churches, to unite with the Mayor and the Sabbath-loving officials of the city in their efforts to protect this right, and resist every encroachment upon the Sabbath sanctity and quiet for which Toronto has been so justly famed.

TEMPERANCE.

Moved by Rev. E. R. Young, seconded by Mr. Warring Kennedy,—That whereas the disastrous influence of the liquor traffic is, by statistical and well-tabulated evidence, becoming more manifest throughout this land, involving the destruction of life to the extent of several thousands annually, the direct victims of liquor, and entailing poverty and crime, as authenticated by the records of courts, prisons and benevolent institutions; and

Whereas the attitude of the Dominion Government toward the Prohibition movement has given rise to the greatest fear on the part of lovers of temperance and moral reform, that a reactionary policy is about to be inaugurated, looking to the impairment, if not the abolition, of the Scott Act; therefore be it

Resolved,—That we the ministers and laity of this Conference, having observed the beneficial effects of prohibitory legislation in diminishing crime, lessening drunkenness, and promoting the temporal comfort of the people in those counties where it is enforced, would memorialize the Legislature of the Dominion against any action that would impair the beneficial effect of said legislation by sanctioning the sale of intoxicants in said counties.

Resolved,—That all the ministers and laity of this Conference solemnly pledge ourselves to oppose by all constitutional methods any Government, political party, or individual member of Parliament, who shall directly or indirectly oppose the existing prohibitory legislation.

Resolved,—That as the ultimate power of the people to influence the Legislature is found in the ballot-box, we declare our purpose by the pulpit, by the press and by every legitimate means to inculcate the responsibility of all Christian men and good citizens to subordinate political party alliances to the great work of securing the abolition of the accursed liquor traffic.

Resolved,—That while we recognize in the Senate some noble representative men who have stood faithful to their responsibilities and have sought to advance prohibitory reform, we affirm our utter want of confidence in the majority of the members of that body on this question, and lament the deliberate action of the Government in filling the vacancies which occur by men who are, with but few exceptions, the declared and determined opponents of the temperance reform.

Resolved,—That we declare our desire to co-operate with the various Conferences of the Methodist Church of Canada, from Halifax to British Columbia; the General Assembly of the Presbyterian Church of Canada; the Anglican Synods, the Congregational Union, the Baptist Association, and also Cardinal Taschereau, the head of the Roman Catholic Church in this Dominion, in a combined effort to marshal public sentiment which shall demand of the Parliament of this Dominion prohibitory legislation which shall abolish that greatest of evils under which the people of this Dominion mourn.

MINISTERS CHANGING.

Moved by Rev. J. M. Simpson, seconded by Rev. Edward Barrass, M.A., and

Resolved,—That ministers changing Circuits be responsible for the supply of their pulpits for two Sabbaths after the rising of the Conference.

GENERAL CONFERENCE COLLECTIONS.

Moved by Rev. J. Gray, seconded by Rev. J. C. Willmott, M.A., and

Resolved,—That collections for the General Conference Fund be taken up in the month of July, and immediately sent to the Conference Treasurer.

CONFERENCE MINUTES.

Moved by Rev. J. J. Redditt, seconded by Mr. Warring Kennedy, and

Resolved,—That we guarantee to order from the Book Room 2,500 copies of the Minutes of this Conference, provided the Book Steward give the same to us at the cost of ten cents each.

FRATERNAL GREETINGS.

Moved by Rev. Hugh Johnston, seconded by Mr. Warring Kennedy, and

Resolved,—That as the Congregational Union of British North America is now holding its annual meeting in this city, a deputation from this Conference, consisting of two ministers and two laymen, be appointed to convey our assurances of fraternal regard and cordial affection to the honored representatives of Canadian Congregationalism, and our desire to

unite with them in all efforts for the suppression of the liquor traffic, the better observance of the Sabbath, and the leavening of the land with Gospel principles. The President nominated as the deputation Revs. Dr. Sutherland and Wm. Galbraith, LL.B., and Messrs. John Macdonald and Wm. Beatty, LL.B.

The deputation were very cordially received by the Union, and Revs. John Burton, B.D., John Wood, and Mr. H. J. Clarke appointed to return Christian salutations. The deputation appeared before the Conference and delivered warm fraternal addresses, when it was

Moved by Rev. E. A. Stafford, seconded by Rev. Dr. Dewart, and *Resolved*,—That we experience very great satisfaction in the visit of our highly esteemed brethren, bearing to us the fraternal greetings of the Congregational Union of Ontario and Quebec;

That we have listened with unqualified pleasure to their eloquent addresses;

That we assure them that we do most heartily reciprocate their expressions of Christian affection and sympathy in the love of the truth held in common by us all;

That we cheerfully recognize in them the worthy successors of the mighty men who, in days of spiritual dearth and of storm in both the political and religious atmosphere, bore effectual testimony to the vital truths of the Gospel, and sacrificed much to lead in the liberties of men;

That we are happy to acknowledge them as fellow-laborers with ourselves and other Evangelical Churches in all efforts to advance the great moral reforms of this age; and

That while they are true to their past traditions in preaching a free Gospel to all men, and in maintaining individual liberty and congregational independence, we, with our complicated connexionalism and clearly defined theological statements, will strive with them and their churches in all brotherly emulation to advance the kingdom of God and to bless and save mankind.

SYMPATHY WITH REV. DR. PIRITTE.

Moved by Rev. H. S. Matthews, seconded by Rev. E. A. Stafford, and *Resolved*,—That having learned with regret that the Rev. Dr. Pirritte has requested a superannuated relation, we desire to express our profound sympathy with our honored and beloved brother, and hope that with the blessing of God he may, at an early date, be restored to discharge the duties of the Christian ministry. We trust that during his period of enforced rest from active and ministerial duties he may realize the consolation and blessedness of that religion which he delights to recommend to others.

SYMPATHY WITH REV. W. S. BLACKSTOCK.

Moved by Rev. Hugh Johnston, seconded by Rev. D. B. Madden, and *Resolved*,—That this Conference has learned with regret of the retirement of our beloved brother, Rev. W. S. Blackstock, from the active work of the ministry to a superannuated relation, and while we record our high appreciation of the various services which he has rendered to the Church during his long and successful pastorate, we devoutly trust

that our Conference and committees will not be deprived of his useful and efficient aid ; and we pray that his valuable life may yet long be spared.

SYMPATHY WITH REV. DR. WOOD.

Moved by Rev. E. B. Harper, D.D., seconded by Rev. W. S. Blackstock, and

Resolved,—That this Conference observes again with profound sorrow the absence from our Annual Assembly of the venerable Dr. Wood, who, through protracted physical infirmity, is unable to be present with us as in former years ; and we beg to assure our well-beloved father in Israel of our sincere sympathy with him in all his ailments and sufferings, and devoutly pray that the consolations of God may abound to him and that he may be graciously sustained in bearing the Divine will until called to enter upon the blessedness of "the life that is to come."

SYMPATHY WITH-REV. A. C. COURTICE, B. A., B. D.

Moved by Rev. G. Webber, seconded by Rev. N. R. Willoughby, M.A., and

Resolved,—That this Conference extends its sympathy to Bro. A. C. Courtice in the sudden and severe loss of his excellent and beloved wife, and trusts that God will graciously sustain him in his heavy trial and cause the affliction of the present to work out for him a far more exceeding and eternal weight of glory.

SYMPATHY WITH REV. J. C. SLATER.

Moved by Rev. Manly Benson, seconded by Rev. G. J. Bishop, and
Resolved,—That this Conference learns with regret of the continued and painful illness of the Rev. J. C. Slater, and desires to put on record its sincere sympathy for him in his continued affliction, and assures him of our earnest prayers on his behalf.

SYMPATHY WITH REV. J. G. LAIRD.

Moved by Rev. H. S. Matthews, seconded by Rev. J. B. Armstrong, and

Resolved,—That the official Letter-writer be requested to send a letter of sympathy to the Rev. J. G. Laird, an honored member of this Conference, regretting his enforced absence, through enfeebled health, from meeting with his brethren in Conference, and hoping that he may be speedily restored to health and enabled to meet in Conference gatherings again.

SYMPATHY WITH JOHN KENT, ESQ.

Moved by Mr. Warring Kennedy, seconded by Rev. J. J. Redditt, and
Resolved,—That this Conference desires to express its heartfelt sympathy with Bro. John Kent, a lay member of this Conference, under his severe affliction in being deprived by death of his beloved son, and prays that the sustaining grace of God may be imparted to him and his partner in life in their deep family sorrow.

RESOLUTIONS OF THANKS.

Moved by Rev. E. B. Harper, D.D., seconded by Mr. Warring Kennedy, and

Resolved,—That the cordial and unanimous thanks of this Conference are due and are hereby presented to the Rev. John F. German, M.A., for the faithful, efficient, and highly satisfactory manner in which he has performed the various important duties of the Presidency of the Conference during the past year.

Moved by Rev. G. Washington, seconded by Rev. E. H. Dewart, D.D., and

Resolved,—That the cordial thanks of this Conference be given to the Rev. W. Pirritte, D.D., J. T. Moore, Esq., Rev. J. J. Redditt, and E. Barrass, M.A., for their laborious, efficient, and courteous attention to the duties of the Secretaryship for the Conference year 1886-7.

Moved by Rev. J. F. German, seconded by Rev. Hugh Johnston, and

Resolved,—That the cordial thanks of the Conference are hereby presented to the Rev. Dr. Carman, General Superintendent, for his comprehensive, forceful, and appropriate ordination sermon on Sabbath morning last. The Conference also desires to express its high appreciation of Dr. Carman's business tact and wise counsels during the sessions of the Conference.

Moved by Rev. E. Barrass, M.A., seconded by Rev. J. M. Simpson, and

Resolved,—That the thanks of the Conference be presented to the friends who have entertained the Conference, and that the ministers be requested to convey the same from their pulpits next Sabbath.

Moved by Rev. Dr. Harper, seconded by Rev. E. Barrass, M.A., and

Resolved,—That the thanks of this Conference be presented to the pastor and trustees of this church for their kindness in granting it to the Conference for its use during the present sessions, and to the several ministers of our Church in this city for their labors in providing for us such comfortable homes.

Moved by Rev. Dr. Briggs, seconded by Rev. J. B. Armstrong, and

Resolved,—That our hearty thanks be tendered the representatives of the press for their full, faithful, and accurate reports of the sessions of this Conference.

SUBSCRIPTIONS TO THE ENDOWMENT FUND, VICTORIA COLLEGE.

The Secretary of Education presented, on the third day of the Conference, his Report, telling what had been done thus far by the Board of Regents, giving the terms of subscription to the Endowment and Building Fund, and stating that members of this Conference had already subscribed \$33,850. Additional subscriptions, amounting to between \$5,000 and \$6,000, were received, making a total of nearly \$40,000 for the Toronto Conference thus far.

PASTORAL ADDRESS

OF THE

MINISTERS OF THE TORONTO CONFERENCE

TO THE

MEMBERS OF THE METHODIST CHURCH UNDER THEIR CARE.

DEARLY BELOVED BRETHREN,—Grace unto you and peace be multiplied. Assembled once more in our Annual Conference, we have been reviewing the labors and summing up the results of another year's service in the vineyard of the Master. To ourselves, to each other, and to God, we have been giving an account of our stewardship. And now, with feelings of profound gratitude to the great Head of the Church for His unfailling goodness, and with, we trust, a more earnest purpose in our hearts to do His will on earth as angels do it in heaven, we turn to you with words of cordial greeting and kindly admonition.

Though not unmindful of the fact that we are appointed to be overseers of the flock and to watch for your souls as they that must give account, we remember also that you are our brethren—our brethren beloved for Jesus' sake—and it is as such especially that we now greet you. Your joy is our joy—nay, ye yourselves “are our joy and crown of rejoicing” if so be that ye stand in the fear of the Lord. For us to know that you are pure in heart, earnest in purpose, and zealous in the service of Christ, is to experience one of the very highest rewards which the work of the ministry confers; to know that any of you are lax in doctrine, careless in morals, or indifferent to the privileges or duties which our religion involves, is to be saddened as with sense of personal loss. “God is our witness how greatly we long after you all in the bowels of Jesus Christ.” No one feels more deeply than the faithful pastor the meaning of the apostle's words, “If one member suffers, all the members suffer with it,” and hence you will understand not only with how sincere a love this, our present greeting, is sent forth, but with how much also of earnest solicitude that it may stir up your pure minds by way of remembrance, that you may take still truer and more careful thought for the things which pertain both to your highest usefulness and richest personal experience. We gratefully and devoutly acknowledge the tokens of the Divine presence and favor during all the sessions and services of Conference. Not the least of our occasions of gratitude is the fact that while death has entered the ranks of the ministry, and the brethren of other Conferences have mourned the loss of earnest laborers, by the mercy of the Great Head of the Church not one has during the year fallen from the effective ranks of the Toronto Conference, and we record the death of but one of our superannuated brethren. The spirit of harmony and concord that has prevailed assures us that Methodist union has not only been organic, but

vital and spiritual, while throughout all our societies and congregations "Jerusalem has been a quiet habitation."

A fraternal feeling has pervaded the entire household, even in sections where the evils of division were most manifest; the oil of the Holy Ghost has been shed upon the work, removing friction and discord so that we stand before the world firmly, peaceably, and inseparably joined in one holy communion. "Surely the fruit of righteousness is sown in peace of them that make peace."

Since our last session another General Conference has been held. Many suggestions had been offered, and it was supposed that important changes would be made in our Church economy, but the legislation has been so cautious in conserving our institutions and usages that it has been a reaffirming of loyalty to, and confidence in, the time-honored methods of our fathers.

You will rejoice with us in the fact that in every department of the work of our Church the year just ended has brought with it a large measure of success, and consequently of encouragement. Within the bounds of our own Conference there has been an increase of 2,892 in the membership of the Church; and we have the more reason for thankfulness when we consider that this is only a portion of the still larger increase which has crowned the labors of the church year throughout our entire Connexion. The increase in these Western Conferences alone cannot be far from 11,000 members. For every soul added to the Church we glorify God. This large accession has been the result of the quickening of Church life. For while members do not necessarily bring life, nevertheless earnest life inevitably brings members. "Blessed be the Lord, the God of Israel, who only doeth wondrous things."

We need still to cultivate the spirit and practice of revivalism, that revival flames may blaze on all our Church altars and that the Lord of the Church may be manifest in saving power, working wonders as in the days of our fathers. But while looking for great revivals of religion, let us seek what is even better than any periodic outpourings of the Spirit, that constant living in such nearness to God and heavenly things that our ordinary conversation and daily labor will be awakening and converting men, and thus the Church be lifted into the perpetual summer of constant revival.

In the department of missionary work there is also great reason for thanking the Lord and taking courage. The Conference has been favored with the presence of the Rev. Silas Huntington, of the Montreal Conference, and has been greatly stirred with the account of the work accomplished on the north shores, along the Canadian Pacific Railway. Surely the wilderness and the solitary places have been made glad and the desert to rejoice in this portion of our domestic work. The claims of this department must not be overlooked, and the needs of the brethren who are enduring hardship as good soldiers, on the most slender support, must appeal to your sympathies and Christian liberality. The increase in the missionary income this year is marked. Evidently both we ourselves and our people are awakening more fully to the fact that only in so far as our Church is a missionary Church can it give life, or be itself a living power. Never before has our Church brought such liberal contributions or such universal and fervent prayers in sacrifice to the feet

of the world's Redeemer, as during the past year, and at this moment all the air seems full of premonitions of yet fuller consecration and grander results. Among other influences which we confidently expect will add to the rising tide of missionary zeal, will be the presence during the coming year, upon some of our missionary platforms, of the Rev. Dr. McDonald, who, after years of energetic and successful labor in our mission field in Japan, is now home on furlough. We trust that many of you, our brethren, may have the privilege of hearing this devoted herald of the Gospel tell, as one who has himself shared in its struggles and triumphs, the story of the work so auspiciously begun and so marvellously spreading in that distant Empire of Japan.

We feel constrained to speak to you yet again in reference to the great cause of temperance. While we glory and rejoice in the fact that the Methodist Church stands foremost among the churches in its opposition to the traffic in strong drink, we have yet observed, and with no small degree of humiliation and sorrow, that in connection with the recent political elections our members have not always voted as they pray in reference to this licensed iniquity. We cannot but feel that if our own people, and Christians generally, would make their political party preferences subordinate to the sublime purpose of sweeping this accursed traffic from our land, the evil might be banished in a day. But so long as party prejudices are stronger than the love of righteousness, so long, of course, will men find their way into Parliament who will not hesitate to make a truce with sin. Let your effort be given more fully than ever to this great reform, that is so essentially related to the cause of Christ.

The educational work is the right arm of the Church. Our noble University at Cobourg has never rendered more important or effective service than during the past year, and never has it been more amply sustained. The General Conference decided in favor of the federation of our University with the national University of this Province, and this is the declared policy of the Church.

We commend to your confidence our beloved President, the Rev. Dr. Potts, the Secretary of Education, who has been called from a most successful pastorate to carry forward this great educational enterprise to a crowning success. We bespeak for him your liberal and hearty financial aid. The mightiest interests are involved in the work of higher Christian education—the prosperity and permanence of the State, the intelligence and power of the Church, the welfare of our children and children's children in the coming generations.

The publishing interests of the Church are worthy of your regard. The Book Room exists not to make money but to do good, and to provide our people and the public generally with healthy and vigorous current and religious literature. The *Christian Guardian* still holds the foremost place among family and religious newspapers; the *Methodist Magazine* is a monthly of acknowledged power and growing influence, while our Sunday-school publications are falling like leaves all over the Dominion, carrying into ten thousand homes and young hearts helpful and saving influences.

We are devoutly thankful that the Connexional Funds have been so well sustained during the year, an increase marking them all. We especially commend to your sympathy and liberality the fund for the

maintenance of our aged and worn-out ministers. Sharers of your temporal things, we may yet say, "We seek not yours but you." But for the honor of Christ and His Church we urge upon you the duty of making provision for these venerable men, these veterans of the Cross, who have spent their lives and best energies in the service of the Church. We bespeak also the same support to the Sustentation Fund organized during this Conference.

Dearly beloved brethren, suffer us to remind you of the importance of the means of grace for the maintenance and development of the Divine life in the soul. Ours is a rich heritage of social means. Be vital members of a living Church. Loyal sustain the prayer-meeting, the class-meeting, the love-feast, and seek to make them increasingly attractive. And that you may edify one another, pray, "O Lord, open my lips, and my mouth shall shew forth thy praise."

Let the aroma of family piety be in your homes. Bring up your children in the nurture and admonition of the Lord; let them not only be trained in the home and instructed in the Sabbath-school, but be taken regularly to the house of God, and when spiritually cultured, have them formally recognized and regularly enrolled in the membership of the Church. "Then shall thy children be taught of the Lord, and great shall be the peace of thy children."

We commend to you a devout and prayerful personal searching of the Scriptures, and let the flame of your devotion be daily fed by solitude and prayer. Cultivate a deep religious experience. Beware of the world. Especially do we urge upon you the avoidance of all companionships, pleasures, and practices which do not tend to the knowledge and love of God. In these days of lax views regarding the Sabbath, see that you stand in uncompromising fidelity to the Lord's day; resist every effort to open the flood-gates of Sunday desecration over our land.

Our declared vocation is "to spread scriptural holiness over the land," and that not by keeping it packed away in our creed, but by enjoying it as an experience and exhibiting it as a life. Never before have we, as a Church, held so influential a position in this land. Never were our responsibilities so great. What issues are dependent upon our fidelity!

If your heart is still as our heart, upon us shall rest the benediction of the Most High; we shall help to mould the character and destiny of our nation, until this Dominion shall become "the glory of all lands and the joy of the whole earth."

Brethren, we shall as "overseers of the flock" come to you again, we trust, in the fulness of the blessings of the Gospel of Christ. A mighty impulse has been given by this annual gathering to our faith and hope, and as each goes forth to his appointed field, the cry shall ascend, "Save now, I beseech thee, O Lord! I beseech thee send now prosperity." We commend you with ourselves to God and the word of His grace.
