MAIL ORDERS

We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

After the reading of the address, the friends sang "Blest be the tie that binds". Mrs. McMillan, though completely overcome with surprise, made a nice and suitable reply. A dainty lunch was served and a pleasant evening spent with music and social chat.

Who have been guided thither by your words and example.

The Ladies Aid of the Presbyterian Church here served a most successful Bean Supper to a large crowd if the Forresters Hall on Wednesday evening. A short program consisting of the adpress, and other musical numbers was rendered before the supper and muchly enjoyed. Mrs. Woodman acted as accompanist. Those taking part in the program were, Mr. Woodman, Miss Adams, Miss Fraser, Mrs. J. R. Miller and Mrs. J. A. Ryan. Mr. F. Scott kindly provided some excellent pieces on the gramaphone. A generous supper was then served and the ladies excelled themselves in giving quality as well as Beans.
