On Wednesday of last week during the heavy wind storm the new kiln shed of Mr. Lloyd E. Shaw under construction at Avonport was blown down and Mr. Carey who was working on the roof was seriously injured. This is quite a heavy loss for Mr. Shaw who had the misfortune to have his kiln shed burnt down last fall.

June Third, the time of year when all nature smiles and when it is a pleasure to spend a day in the open, bring the family and the lunch basket, no better place for a day's outing than in the shade of the oak and pine grove on the Exhibition grounds. Hot or cold water can be procured at J. I. Gates residence near the grounds.

Among those receiving honors at Mount Allison Convocation Tuesday evening were the Misses Catherine and Constance Young, daughters of Mrs. William Young, "Fairview." In the French Class Miss Catherine Young won first prize and Miss Constance Young second prize. In the Algebra Class Miss Constance Young won first prize, in second year work.

Miss Eleanor Wickwire, daughter of Mr. and Mrs. H. H. Wickwire came in for honors, winning prizes in Bible, Grammar and Spelling Classes.

MY BOY

I've raised my boy to be a soldier  
In the battle for the right;  
For country, peace and honor  
He is not "too proud to fight."

May the God of battles spare us!  
May our leaders see the light!  
Whatever be the peril  
May freedom conquer might.

Must our land be purged with fire?  
Must our days be turned to-night?  
Must our homes be full of sorrow?  
Must we give our heart's delight?

Then I know my boy'll be ready  
Prepared to give his all  
To hold his comrades steady  
When they answer to the call.

Should he fall beside his brothers  
And my eyes be dimmed with tears,  
If all I love goes with him  
And I dread the passing years

Still I know he did his duty,  
That he triumphed in the fight,  
That he gave his life for others,  
That I raised my boy aright.

He came to Kentville on Wednesday to complete arrangements at Camp Aldershot for field hospital and general sanitary provisions for the large camp to follow.

Canada's Crop Conditions

Ottawa, May 12, 1916—The Census and Statistics Office issued today, in the form of a press bulletin, the first of a press bulletin, crop report of the present season. It deals with the area and condition of the Fall Wheat crop, the condition of hay and clover meadows at the close of the winter and the progress of spring seeding up to the end of April.

AREA AND CONDITION OF FALL WHEAT.

Owing to the heavy fall of snow during the month of March, which protected the young plants from the spring frosts, the fall wheat is reported as being in exceptionally good condition at the end of April. In Ontario, where 820,600 acres were sown, as estimated last fall, not more than 5.6 per cent is reported as winter killed and in Alberta with 260,500 acres estimated as sown, the proportion winter killed is placed at 4.9 per cent. These proportions are lower than in any previous year, on record, for these Provinces. In 1914 the percentage winter killed was 19 in Ontario and 15.6 in Alberta, while last year it was 6.3 in Ontario and 6.2 in Alberta. The area winter killed this year was 45,800 acres in Ontario and 12,800 acres in Alberta as against 71,000 acres in Ontario and 14,300 acres in Alberta last year. The area of fall wheat to be harvested this year is placed at 774,800 in Ontario, 247,700 acres in Alberta, 9,400 acres in Manitoba, 4,100 acres in Saskatchewan and 6,200 acres in British Columbia, being a total for the Dominion of 1,042,200 acres as against 1,208,700 acres in 1915 and 973,300 acres in 1914.

The general condition of the crops on April 30th, which measured by the standard of 100 as representing a full crop, is 89 in Ontario, as compared with 93 last year and 78 in Alberta as compared with 83. For Ontario the figure was only surpassed last year and in 1910. The condition for the whole of Canada on April 30 was 88, which converted into a standard of 100 as representing the average condition at the same period for the seven years 1909 to 1915 indicated a condition of 108 or an anticipated yield per acre of 8 per cent in excess of the seven year's average, provided that conditions between now and harvest time are not abnormal.

HAY AND CLOVER MEADOW

The proportion of hay and clover meadows winter killed proved to be unusually small, being only 3.5 per cent for all Canada as compared with 10 per cent last year, 14 per cent in 1914 and 22 per cent in 1913. The average condition was 92 per cent of the standard or full crop as compared with 91 per cent last year, 86.7 per cent in 1914, 89.6 per cent in 1913 and 74.6 per cent in 1912.

PROGRESS IN SPRING SEEDING.

It is as yet too soon to report on the Maritime Provinces. The spring is late, and the general conditions in Quebec and Ontario are not favorable for early planting. Last year on April 30, it was estimated that 63 per cent of the planting was completed as against 27 per cent this year. Of Spring Wheat this year 1.8 per cent of the estimated acreage was sown in Quebec, 4.3 per cent in Ontario, and from 26 to 80 per cent in Saskatchewan west, being 26 per cent in Manitoba, 36 per cent in Saskatchewan and 80 per cent in Alberta. In 1915 not more than 8 per cent of the acreage under wheat remained to be sown after May first. The quantities of oats and barley sown at this date are also relatively small.

**Langemarek**

By Wilfrid Campbell

This is the ballad of Langemarek,  
A story of glory and might;  
Of the vast Hun horde, and  
Canada's part  
In the great grim fight.

It was April on the Flanders  
Fields,  
But the dreadest April then,  
That ever the years, in their  
fateful flight,  
Had brought to this world of  
men.

North and east, a monster  
wall,  
The mighty Hun ranks lay,  
With fort on fort, and iron-  
ringed trench,  
Menacing, grim and gray,  
And south and west, like a ser-  
pent of fire,  
Serried the British lines,  
And in between, the dying and  
dead,  
And the stench of blood and the  
trampled mud,  
On the fair, sweet Belgian  
vines.

And far to the eastward, har-  
nessed and taut,  
Like a scimitar, shining and  
keen,  
Gleaming out of that ominous  
gloom,  
Old France's hosts were seen.

When out of the grim Hun lines  
one night,  
There rolled a sinister smoke  
A strange, wierd cloud, like a  
pale green shroud,  
And death lurked in its cloak.

On a fiend-like wind it curled  
along  
Over the brave French ranks,  
Like a monster tree its vapors  
spread,  
In hideous, burning banks  
Of poisonous fumes that  
scorched the night  
With their sulphurous demon  
danks.

And men went mad with horror  
and fed  
From that terrible strangling  
death,  
That seemed to sear both body  
and soul  
With its baleful, flaming  
breath,  
Till even the little dark men  
of the south,  
Who feared neither God nor  
man,  
Those fierce, wild fighters of  
Africa's steppes,  
Broke their battalions and  
ran—

Ran as the never run before,  
Gasping and fainting for  
breath;  
For they knew 'twas no human  
foe that slew;  
And that hideous smoke  
meant death.

Then red in the reek of that evil  
cloud,  
The Hun swept over the  
plain;  
And the murderer's dirk did its  
monster work,  
Mid the scythe-like shrapnel  
rain.

Till it seemed that at last, the  
brute Hun hordes,  
Had broken that wall of  
steel  
And that soon, through this  
breach in the freeman's  
dyke,  
His trampling hosts would  
wheel—

And sweep to the south in rav-  
aging might,

And Europe's peoples again  
Be trodden under the tyrant's  
heel,  
Like herds, in the Prussian  
pen.  
But in that line on the British  
right  
There massed a corps again,  
Of men who hailed from a far  
west land  
O mountain and forest and  
plain;

Men new to war and its dread-  
est deeds,  
But noble and staunch and  
true;  
Men of the open, East and West,  
Brew of old Britain's brew.

These were the men out there  
that night,  
When Hell loomed close  
ahead;  
Who saw that pitiful, hideous  
roul,  
And breathed those gases  
dread;  
While some went under and  
some went mad;  
But never a man there fled.

For the word was "Canada,"  
theirs to fight,  
And keep on fighting still;—  
Britain said fight, and fight they  
would,  
Though the Devil himself in  
sulphurous mood  
Come over that hideous hill.

Yes, stubborn, they stood, that  
hero band,  
Where no soul hoped to live;  
For five, 'gainst eighty thou-  
sand men,  
Were hopeless odds to give.

Yea, fought they on! 'Twas Fri-  
day eve  
When that demon gas drove  
down;  
'Twas Saturday eve that saw  
them still  
Grimly holding their own.

Sunday, Monday, saw them yet,  
A steadily lessening band,  
With "no surrender" in their  
hearts,  
But the dream of a far-off  
land,  
Where mother and sister and  
love would weep  
For the husband heart lying  
still:—  
But never a thought but to do  
their part,  
And work the Empire's will.

Ringed round, hemmed in,  
and back to back,  
They fought there, under the  
dark,  
And won for Empire, God and  
Right,  
At grim, red Langemarek.

Wonderful battles have shaken  
this world,  
Since the Dawn-God over-  
threw Dis;  
Wonderful struggles of right  
against wrong,  
Sung in the rhymes of the  
world's great song,  
But never a greater than  
this.

Bannockburn, Inkerman, Bala-  
clava,  
Marathon's godlike stand;  
But never a more heroic deed,  
And never a greater warrior  
breed,  
In any warman's land.

This is the ballad of Lange-  
marek,  
A story of glory and might;  
Of the vast Hun horde, and  
Canada's part  
In the great, grim fight.

Letter From Flanders

The following is a letter from Glen S. Ellis of Sheffield Mills who is in the machine gun company of the 5th Brigade. He left England the second week in March and is now nearing the firing line:

In the Billets in Belgium,  
April 2nd, '16.

Dear Father—

This is a perfect day, the air and everything just like May at home. The sun is shining and birds singing, and all reminds me of a spring Sunday at home except away to my left is the roar of the guns. It does not seem so hard to fight on a dull or disagreeable day, but one like this it seems so out of place to have war. Gee! but I miss home now. The air is so spring-like, and I am billeted on the farm, anything to take the team and go out ploughing or any other work. The old man here is at that now. He has a three-furrow gang plough and a pair of fairly good-looking horses. It looks like a good farming country if it ever gets dry. There are no stones at all. I have not seen a stone except on the roads.

There are hardly any people left where we are but some of the poorer class.

These Belgians have a queer way of driving their horses. The bridle rein is just like our working bridle only there is a single rope fastened to it, and he drives a pair by one rope. The rope on and off horse is tied to the wagon, and he walks along driving by the one rope.

We have a very comfortable billet in an old barn. There are three sore storeys to it something like our "old" barn at home. I am on the higher scaffold, over the cows. There is some hay in it, enough to sleep on comfortably and it is quite warm, altogether, a good billet. There is a family in the house, and the Sgt. Major and Quartermaster Sergeant stay there. One of the Generals said we have the best company over here in either division. It was not to us he said it, but I think we can keep up the name if we try. We have, in this company only had one casualty in the last month, and that not a serious one. I am only a private now, as all our non-coms officers had to revert when they came over here, I am rather glad as I do not want responsibility for any more than myself, as I know hardly anything yet about the real work.

I was up and saw some of the boys of the 25th Battalion who are in billets a little way from us I saw Eb, Dickie, Scot Eaton, Glen Blenkhorn and some of the boys from Cannig. They are all looking and feeling fine. We can hear the guns (artillery) and see the shells bursting in the air, when the Huns are shooting at our air-craft. Tell Mother we are fed pretty well, and everything is better than I had pictured it, only a fellow has to pay about double for everything extra we buy. I am well as can be and in good spirits. I don't mean by that, that I am in love with my work, but am making the best of it. We get a bath every week. Yesterday we marched up two miles for one, and it sure was good to get it. We turn in our dirty clothes, socks, towels and get fresh ones. We have some pretty good singers in our hut. Last night they sang till nearly twelve. We get our mail here every day. I got a box of fudge and some cake from Mrs. Pollock, Truro the other day. It sure went good. It is hard to make my letters very interesting, as there are so many things we must not tell. There are several old windmills near here, and all going. This is all for now as it is bedtime. You can picture us now in the hay-mow above the cows, eight pretty decent looking ones. Now good night.

With love for you all,  
From your loving son,  
GLENN.

Yarmouth's rate of taxation this year has been fixed at \$2.01. Truro's rate is \$2.10.

KENTVILLE, MAY 19, 1916.

**POLITICAL NOTES**

The Liberals hold their convention at Kentville tomorrow.

The Local Legislature at Halifax was prorogued on Wednesday afternoon and elections are expected before the end of June.

The Liberals of Cumberland have nominated Capt. J. L. Ralston, M.P.P., Capt. R. S. Carter, M.P.P., and J. H. Livingstone, ex-M.P.P. as their candidates.

A grand Conservative demonstration will be held at Kentville on Monday of which particulars will be found in another column stating arrangements for special trains and reduced fares. Addresses will be given by Lieut. J. D. Spidell and J. Everett Kinsman the Conservative candidates and by Major J. Willis Margeson, M.P.P. of Lunenburg County, who is known to all in this County.

All friends of the party who desire to hear the issues of the day presented should attend this meeting and get fully acquainted with the candidates.

**DR. COVERT LANDS THE COUNCIL PRIZE**

The junior member for Kings Co. has been run to cover and received the appointment to the Legislative Council vacant by the death of Hon. A. P. Welton.

It would now be in order to address him as Honorable Archibald M. Covert. At the very close of the session he was rewarded for his labor and activities in the Liberal interest by the appointment to the Legislative Council. In answer to Mr. Tanner, Mr. Murray said that the two new appointees, Messrs Covert and F. J. Logan of Halifax had pledged themselves to vote for the abolition of the Council. Time will reveal whether they will be as faithful in ignoring their pledge and holding office in a useless and obsolete second chamber as all the other pledged appointees of Fielding and Murray have been.

Dr. Covert stood no chance of again being elected to represent Kings County. So just when the public had decided that he no longer should have a voice in making our laws the Murray Government in its last months of public office appointed him to the Council where he will continue to legislate and oppose the reforms which the incoming Conservative Government will use every effort to bring into force.

However the electors will congratulate him heartily on his appointment if he is Honorable enough to at once carry out his pledge.

**Interment of Henry Lovitt, Esq.**

The interment of the late Henry Lovitt took place at the Oaks Cemetery on May 10th, on the arrival of the train from Yarmouth. The procession marched from the station to the cemetery where the remains were deposited in the family lot, Rev. J. D. Spidell officiated at the grave.

The children of deceased who were present were Mrs. Harrington, Mrs. Stevens of Boston and her son Harry Stevens, Mr. H. A. Lovitt, K. C., of Montreal, Dr. Lewis Lovitt of Bear River and Mr. Lawrence Lovitt, K. C. of Halifax.

Mr. Lovitt is one who is very much missed in business circles and it will be difficult to find one to fill his position in the Probate Office as his long term of office fully qualified him for the work.

**REGIMENTAL NEWS**

Lieut.-Colonel Hayes of the 85th Battalion and Dr. Avery DeWitt of Wolfville, Sanitary Inspector at Camp Aldershot were in Kentville and Aldershot on Wednesday arranging for the big military camp. It is expected the camp will contain from 7000 to 9000 men.

Among the officers who gained distinctive merit in a recent machine gun course at the Canadian Military Training Camp at Shorncliffe, was Lieutenant F. C. Higgins, Middleton, of the 11th Reserve Battalion, West Sandling.

Captain T. R. Henshaw, Royal Canadian Engineers, Halifax, has been appointed Adjutant of the 3rd Divisional Engineers. Prior to joining the Canadian Expeditionary Force, Captain Henshaw was Division Officer of the Maritime Provinces.

The Journal says—The people of Windsor have now the pleasure of having not only a whole Battalion in their midst, but one that is some hundreds over strength. The camp on Fort Edward has become a very attractive spot and the men and officers are well satisfied with their surroundings.

It would be invidious to pick out the best Detachment from the popular point of view, but the men from our near neighbors, Kentville and Middleton, who came in Monday certainly made a fine showing.

The advance party of the 85th Batt., will arrive at Aldershot, May 25th., and the Battalion will arrive a few days later. The advance party of the 219th., will arrive about May 20th., and the full Battalion on June 1st., or 2nd. The 185th from Cape Breton will come to Aldershot about the same time.

**Western Counties Federated Boards of Trade.**

On Monday evening representatives from the different Boards of Trade between Windsor and Yarmouth met and made preliminary arrangements for a federated Board for Western Nova Scotia. President Blair was called to the chair and W. E. Porter appointed secretary to act and receive communications until the meeting for further organization in July.

Those present were F. E. Cox, Middleton; G. E. Corbett, Annapolis, C. M. Gormley, Wolfville; George W. Parker, Canning; George E. Graham and A. L. Hardy, Kentville.

Letters of approval of the Federation Board were read from the unrepresented Boards of Yarmouth and Bridgetown and Hantsport.

A set of by-laws were fully discussed and accepted subject to the approval of the organized Board.

It was decided that the different Boards be asked to take up the matter of sheep raising and if favorable to arrange for meetings of an expert on that subject who will be sent by the government to give addresses in Kings County.

When organized the Federated Board will wield a powerful influence in the development of our fruitful and prosperous Valley.

Miss Wright, teacher at Brookvale, Mrs. John Pratt and daughter of Cheverie, spent Saturday morning in Hantsport, leaving by the D. A. R. for Port Williams and Wolfville. Hants Journal.

**Death of Charles Garrison**

Mr. Charles Garrison of Horton Bluff died last week from the effect of a kick from a horse. He was 52 years of age. The body was taken to Halifax and buried there.

Mr. Garrison moved to Lockhartville from Halifax several years ago where he was foreman of the Dock Yards. Since coming to Kings County he has made a great many friends being a consistent Christian. He leaves a wife, five daughters and a son. The children are Mrs. Kent, Jessie and Florence, all residing at Halifax, Sadie in Minnesota; Mrs. Roy McBurnie of Uxbridge, Mass., and Arthur of the 219th Battalion at Wolfville. His son Sapper Horace Garrison was the first from Kings County who gave his life for his country in Flanders. The family have much sympathy in their severe and unexpected bereavement.

**HANTSFORT**

A son was born to Mr. and Mrs. A. Brown on May 12th.

Mr. and Mrs. T. C. Mailman have returned from Fredericton where they spent several months.

Mrs. Trefry, wife of Captain Benj. Trefry of the United Fruit Co. has returned from Boston where she visited her husband.

Miss Gladys Porter daughter of Harry Porter formerly of this town will be married at Jamaica Plains June 1st to Mr. Harold Graham Anderson.

Mrs. John W. Churchill, who has been absent in California for the winter months has returned home. Her sister, Mrs. Fowler of Winnipeg and her daughter Mrs. Dr. Rice are with her. Miss Violet Churchill has remained at Winnipeg for a while where she will visit relatives.

Fishermen are quite plentiful and fishing stories are well about as high-class as ever.

The closing exercises of Acadia Villa School, Hortonville, will be held Tuesday evening, May 23rd, at 8 o'clock. The boys will be assisted by Miss Minnie Miller of Canning, Mrs. Stewart Trenholm, and the Misses Eaton and Kennedy of Grand Pre. Admission 15 cents. Proceeds for Patriotic purposes.

Antigonish is a quiet little town of 1000 people. It is a temperance town, yet the Nova Scotia Temperance Association last year, according to the Amherst News disposed of \$17,000 worth of liquors. If these liquors were sold, on the certificates of doctors, the people of that town must be a sick lot.

Last Friday when the evening express was returning from Halifax the passengers saw the store and boarding house alongside the track at Hartville all in flames. The barn was just starting to burn as the train moved out. The buildings surrounding were all consumed but the mill and lumber was saved.

The many friends of Mr. and Mrs. Frank Lawrence much regret the continued indisposition of their son Percy G., following an attack of pneumonia. We hope to hear soon of a marked improvement, as it is his intention to remove to Kentville where every benefit is to be received in that great health giving institution.—Falmouth cor. to Journal.

# Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine—Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

North Crandon, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and ulcers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. MARY ASBACH, North Crandon, Wis.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."—Mrs. A. L. McCASLAND, 609 Howe St., Lawton, Okla.

From a Grateful Massachusetts Woman.  
Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. Osgood, 1 Haynes Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## OBITUARY

Alpheus Harris.

Mr. Alpheus Harris, one of the oldest residents of Cornwallis, passed away on Thursday last, May 4, at the home of his son, W. W. Harris, Sheffield Mill Station. He was born at Sheffield Mills, Dec. 30, 1834, and married in 1860 to Mary E., daughter of the late John Webster, whose death occurred some twenty years ago.

He is survived by his two sons Ernest R., and Willett W., Sheffield Mills Station, one daughter, Mrs. W. E. Jefferson of Annapolis Royal. Also two sisters, Mrs. Augustine Wallace and Miss Bessie Harris, Upper Canard and four brothers, David, of Mattapan, Mass.; John J., Minneapolis, Minn.; Zabina, Saskatoon, and Robert of Upper Canard.

The funeral service was conducted by the Rev. Dr. Borden assisted by Rev. Mr. Prosser. Excellent music was provided by a male quartette, Messrs. McGowan, Whitehead, Clarke and Vaughan. Interment took place on the family lot at Upper Canard cemetery.

Wellington Sanford

The death of Wellington Sanford took place at Peregau on Tuesday, April 24th. He was a son of the late Daniel Sanford and was eighty-one years old. He leaves four children, Daniel of Kentville, Mrs. Maurice Zwicker of Bear River, Mrs. Henry Weaver of Medford and Robie of Arlington Heights, Mass. Also one step-daughter, Mrs. Jessie Strong of Seattle, Wash. He was a man of christian character and was a member of the Peregau Baptist church for the last thirty-five years. Interment took place at the Peregau cemetery beside his wife who predeceased him sixteen years.

George Leander Webster

The death occurred at his residence, Cambridge, Kings Co., on Sunday, April 30th, 1916, of Mr. George Leander Webster, aged 61 years. On Feb. 19th, Mr. Webster had the misfortune to get a silver in the first finger of his right hand. Blood poisoning set in and despite all that medical and and skilful care could do for him it was impossible to save his life. He leaves to mourn their loss a widow, formerly Miss Mary Ramsdall of Lynn, Mass., and seven children, four sons and three daughters, Alden of Ontario, California; Dr. David H. and George E. at home. Mrs. Wm. Pierson of Dedham, Mass.; Mrs. Guy Nickerson of New Hampshire, and Mary residing at home, also three brothers, C. W. F. and Samuel of Cambridge; Dr. David W. of New York, and two sisters Mrs. Rupert Woodward of Granville and Mrs. Colin Smith of Nictaux.

Mr. Webster had spent the greater part of his life in Cambridge and was a man prominent in business and political circles. Kind-hearted and of a genial nature he was everybody's friend and his passing away has cast a gloom over the community. The deepest sympathy is felt for all the relatives.

Rev. J. D. Spidel conducted the funeral services which were held on Wednesday afternoon, May 3rd and were largely attended. The floral offerings were very beautiful consisting of pillow cross and wreath from members of his immediate family, wreath from brother Sam and daughters and flowers from other friends.

Joseph Goodwin

Died at the Victoria General Hospital, Halifax, Mr. Joseph Goodwin, aged 85 years and 6 months. For over a year Mr. Goodwin was in poor health, suffering from nervousness,

and other diseases set in which caused his death.

He died April 23rd, 1916, was brought to his home at Port Williams, 24th, and was buried on the 26th. The remains were taken to the Disciple Church, where the services were conducted by brother Sanford of Halifax, Brother Prosser, was also in attendance. He is survived by a wife and three children, two daughters and one son, Cecilia, Mrs. George Ward, at Stoughton, Mass., and Mrs. Lizzie Kelley and Minard, both of Somerville, Mass., Mr. Goodwin was a man well known at Port Williams, and other places and was highly respected by all. For many years a member of the Disciple Church. He sleeps and there will be a glorious dawn on the Resurrection morn. to all who sleep in Jesus.

Mrs. Rufus Lawrence.

Mrs. Lawrence, wife of Mr. W. Rufus Lawrence of Lakeville died early Monday morning, April 18th, 1916, at the age of 56 years after a short illness.

The deceased was before marriage Miss Blanche Ellen Reid, daughter of the late Henry Reid of Lakeville, she is survived by her mother and two brothers Arthur of Somerset and Horace of Middleton also a loving husband and six children, viz: Mrs. Laurie Sanford of Mattland, Mrs. Nicholas Tarr of Brenton D., Fanny at home, Brenton D., Grant O., and C. Earle of Lakeville who are left to mourn their loss. Mrs. Lawrence was a woman greatly esteemed by all who knew her and a great friend to the needy. She was a consistent member of the Billtown Baptist Church. The esteem in which she was held by all classes of the community was evinced by the large number who came to pay their last tribute of respect on Wednesday afternoon. The services were held at her late home and was conducted by her pastor, Rev. O. E. Steeves of Billtown, who preached a very thoughtful and comforting sermon. Burial took place at the Billtown cemetery. The sympathy of all is extended to the sorrowing family.

## Gin Pills

FOR THE KIDNEYS

Why Recommended

"My case was very serious and I was so sick that everybody expected my death any day. No suffering could ever be worse than what I had to endure.

I could feel at first the gravel passing through my bladder but now I am as strong as ever. I weigh about 20 lbs. more than when I started to take Gin Pills.

I beg you to publish my letter so that people may know what Gin Pills had done for me. The first box relieved me a good deal, eight boxes were sufficient to cure me entirely, and bring me back to perfect health.

(Sgd.) ISIDORE THOMAS, Tillet Road Glen, N.B.

GIN PILLS are sold by all druggists, 50c a box; six boxes for \$2.50.

National Drug & Chemical Co. of Canada, Limited, Toronto.

A Word or Two About Telegraph Boys.

Hilus Webb, son of the station agent at Harbor Boucher, Antigonish County, who passed the final examinations in telegraphy at the New Glasgow despatching office of the I. R. C., is but nine years old. He was warmly congratulated by the chief despatcher, Mr. Stewart, and other officials of the I. R. C.—Sydney Post.

If the age of this boy is given correctly his work is indeed unique; but we want to tell this bright young gaffer, that we have a clever lad at the C. P. R. key at Truro office, Reginald Casey, a little older than the lad mentioned above, and when Miss N. K. Smith, the efficient Manager of C. P. R. lines here, gets through with him, Hilus Webb will have to look to his laurels.—Truro News.

(Miss Smith mentioned above is Miss Nora Smith of Kentville, who is an adept in telegraphy. Her friends will be glad to know that she is making good in her responsible position at Truro.)—Ed. Advertiser.

## IT'S TIME

you sent some more Zam-Buk to your soldier friend. The men at the front are asking for it. They say there is nothing to equal Zam-Buk for the many little accidents incidental to a soldier's life; nothing ends pain and draws out inflammation so quickly.

When an injury is sustained, if the wound is neglected and left exposed to germs, festering is liable to follow, so that even a very minor injury, neglected, may have serious consequences. If, however, a soldier has a box of Zam-Buk in his pocket, to apply at the right moment, much unnecessary suffering can be avoided.

See to it, therefore, that your soldier friend is kept supplied with Zam-Buk. Remember, too, Zam-Buk is just as useful in the home! All druggists 50c., or Zam-Buk Co., Toronto, for price.

## THE FAMILY PHYSICIAN

### "Fruit-a-lives" is the Standby in This Ontario Home

SCOTLAND, Ont., Aug. 25th, 1913.  
 "My wife was a martyr to Constipation. We tried everything on the calendar without satisfaction, and spent large sums of money, until we happened on 'Fruit-a-lives'. We have used it in the family for about two years, and we would not use anything else as long as we can get 'Fruit-a-lives'."

J. W. HAMMOND.  
 "FRUIT-A-LIVES" is made from fruit juices and tonics—is mild in action—and pleasant in taste.  
 50c. a box, 6 for \$2.50, trial size 25c. At dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

"Occasional" in Halifax Recorder: Halifax and Yarmouth Counties owned the largest number of vessels in the seventies of the last century. The number of tons owned by the respective counties were: Yarmouth, 134,000; Halifax, 117,000. When the wooden ship was at its best in the Maritime Provinces was about 1874. At that period Nova Scotia ships could be found in the seven seas of the world, commanded by Nova Scotians. But this has passed away, the iron and steel ship replacing the clippers of wood in every quarter of the Globe.

### A Trick in Raising Tomatoes.

Of course everybody wants tomatoes in abundance, and the common plan is to buy started plants. Most of those sold in the market are satisfactory. There is a nice little trick to remember when setting out tomato plants which have long, spindling stalks. If a shallow trench several inches long is scooped, a large part of the stalk as well as the roots may be placed in it and buried. A handful of earth at the end of the trench will keep the plant upright and new rootlets will form all along the stalk. In this way a weak plant is made strong and lusty. It economizes space and gives fruit a better quality to train the vines to poles or trellises and to keep many of the sideshoots pinched off. Late crops may be grown from seed planted in the open ground, and it is decidedly worth while experimenting with the curious little plum, pear, and cherry tomatoes which are sure to interest the children when ripe, and the whole family when made into preserves. An occasional stimulant in the form of nitrate of soda is appreciated by tomatoes, and a teaspoonful worked into the ground at the base of each plant just as the fruit begins to change color often proves highly beneficial.

When sowing seeds of parsnips, carrots and beets, which germinate slowly, it is wise to plant a few radish seeds at the same time. The radishes will come up quickly and mark the rows so that cultivation may be begun before the weeds have a chance to get a start. If the ground is dry it is well to firm the soil after the seed goes in by using a board, thus coaxing the moisture to the surface by capillary action.

### INCOMPETENT AND CORRUPT.

House of Assembly, Halifax, N. S., May 16, 1916.  
 The Murray-Daniels government emerges from the legislative session of 1916 more badly discredited than ever. Despite the weak defensive maintained by two or three government members to the vigorous onslaught of the opposition, administrative blundering and wrong-doing have been exposed on a wholesome scale. The clumsy methods of the Mining Department, which allows the mineral wealth of the province to be tied up in closed collieries now numbering over a half dozen that should be in operation, the farcical system of mine inspection, and Commissioner Armstrong's general ignorance of mining conditions are now, thanks to the thorough probe to which the business of the department has been subjected by Mr. Tanner and his followers fully realized by the public. From the Departments of Education, of Industries and Immigration, and of public highways, come evidences of drift, laxity and extravagance equally notable. Never did a session of Parliament more conspicuously prove the urgent need of a change of administrators.

During the last week of the session the Opposition turned their guns on the Murray-Daniels patronage system which permeates every department, is the cause of enormous leakage of the revenues, and has been a most corrupting factor in the public life of Nova Scotia. Supporters of the Murray-Daniels Government occupying seats in the Assembly are on the payroll of the Government to which they give their thick-and-thin support. H. H. Wickwire, M. P. P., of Kings was paid hundreds of dollars out of the treasury in 1915 for services in criminal prosecutions. Dan McLennan, M. P. P., of Inverness received Government money for similar work. Hon. G. E. Faulkner is an official assignee owing his commission to the Government he supports in the House. Other members are road paymasters, coroners and stipendiary magistrates and hold other local Government offices in defiance of the time-honored British principle of the independence of parliament. Murray candidates who have been in the pay of the local government for years recently been nominated in several constituencies. It is obvious that disinterested, free and independent service of the electors is impossible from members of parliament in the pay of the government of the day.

A feature of the closing days of the session was the probe the opposition applied to the famous Kinley Drug Company. Over ten thousand dollars was paid out under the remarkable contract last year to the business concern by J. J. Kinley, the Murray-Daniels candidate from Lunenburg. In the past two years nearly thirty thousand dollars were so paid to the concern. The contract was let to the Kinley people under most peculiar circumstances. Their tender was sent in after the Government had opened the tender of a rural concern,—the National Drug Company, whose figures on a large number of items were lower than those of Kinley's. Despite this fact the contract for the whole list was awarded to the firm of which the Liberal candidate for Lunenburg is the leading member. A further and more serious phase of the case is that the Government afterwards paid Kinleys higher prices than those given in the tender and stipulated in the contract. Further details of this discreditable government transaction will be given later. The whole record of the Murray-Daniels government as exposed this session, again emphasizes Mr. Murray's own declaration: "LONG HOLDING OF OFFICE HAS BROUGHT ABOUT ITS INEVITABLE CONSEQUENCES—JOBBERY AND CORRUPTION IN EVERY BRANCH OF THE PUBLIC SERVICE."

### THIN BLOODED PEOPLE

#### Often Become Seriously Ill Before They Realize It.

Some people have a tendency to become thin-blooded just as others have an inherited tendency to rheumatism or nervous disorders. The condition in which the blood becomes so thin that the whole body suffers comes on so gradually that anyone with a natural disposition in that direction should watch the symptoms carefully. Bloodlessness can be corrected more easily in the earlier stages than later. It begins with a tired feeling that rest does not overcome, the complexion becomes pale, slight exertion produces breathlessness and headaches and backaches frequently follow. In the treatment of trouble due to thin blood no other medicine has had such a great success as Dr. Williams' Pink Pills. They go right to the root of the trouble, make rich, red blood, thus restoring the weakened system to health and strength. Mr. R. F. Ashford, Peterboro, Ont., says: "Four years ago my condition became so serious that it seemed to me I possessed every pain and ache and every morbid feeling possible. For months I had been overworked, and bereavement added the last straw necessary to break down my constitution. I had a severe ever-present headache and pains in the back of the eyes, and at the same time I was seldom free from severe neuralgic pains. I was rarely hungry, and when I was it seemed to create a morbidness which made my other ills harder to bear. Of course I consulted a doctor, and he told me a rest and change of air, just the thing I was unable in the circumstances to take. I had a particularly bad spell on the day my daughter returned from college, and she insisted that I should take Dr. Williams' Pink Pills. I was decidedly skeptical, but she got some and to please her I took them. The result—After the first box I was compelled to admit that I really did feel better. After the second free from every ache and pain and after the sixth box I felt that they were doing me good, and in gratitude I began to praise the pills to others. I am feeling as fit as I did twenty years ago and I owe it to Dr. Williams' Pink Pills."

You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

## "Corona" Dry Arsenate of Lead

for  
Spraying Orchards and Potato Plants.  
"CORONA" dry is not an experiment, it has been used by many of our leading farmers for years.  
One pound of "CORONA" will do the work of from two to three pounds of Arsenate Paste, and be more effective because:—  
It is a perfect, dry, fine white powder, and does not contain 50 per cent water.  
It is pure and contains nothing but Lead Oxide and Arsenate Oxide, the only two chemicals essential of an Arsenate of Lead.  
It gives an even application, covers more thoroughly, and sticks to foliage longer.  
It mixes easily and readily in water, no working up to prepare for the spray tank. No straining. It is only necessary to shake the proportional amount into the spray tank.  
By using the same weight each time you spray, your mixture is always the same strength.  
No sediment, no lumps, no water, never clogs spray nozzles.

Building and repairing seems to be going on quite briskly. Mr. S. C. Parker is having his house remodelled. The Freeman Block is also undergoing a change. Mr. George Thompson is erecting a residence on Cottage St.

The members of the 219th were entertained by the B. Y. P. U. of the Baptist Church. A splendid evening was enjoyed. Games were indulged in. A programme, literary and musical was listened to. Refreshments were served and the social on a whole was a splendid success.

Rumor says there is no patriotism in a place that cannot entertain the boys while on this side and thus in that way show them that their efforts to fight for King and Country while we are resting leisurely at home are highly appreciated.

The three churches have now entertained the boys and the Oddfellows, who are ever ready to extend the social hand are going to entertain the 219th on Thursday evening. Where are the other organizations? Red Cross, Women's Institute, W. C. T. U. follow suit and give the boys a free gratis time and prove your patriotism.
