The Chairman of our School Board Dr. Jost, informs us that it is impera tive, that another room should be opened in the school building to accommodate the increasing number of pu pils. The primary grade taught by Miss Bessie Hoyt has over sixty pupils teacher and pupils. We would suggest that as the new room will not be tra teacher should be allowed for the primary classes as assistant to Miss

As if to remind us that we were not, as we might have fancied, escaping easily from the clutches of winter, a huge snow-storm surprised us on whose business took them out, in addition to facing the storm had to break a passage through the roads, afternoon. If the snow-plough could get about before the school hour it would be a great accommodation to pupils, who are either obliged to stay at home or run serious risk of illnes by sitting in damp clothes.

subject of the inefficiency of our fire alarm system by a citizen who has a fire alarm box in his house. He informs us that on the day referred to in our last issue, the alarm had been ringing all day owing to the wires being crossed with the telephone wires He also informs us that this is no new condition of affairs, and that so far as he knows the matter has not been brought up formally to be dealt with by the council, who should be responsible for the proper working of the system, although the attention of citizen suggests that there a ot generally an understanding in regard to the proper manner of giving the alarm. The alarm should first be rung steadily for about one minute as general alarm. Then one short ring should be given to signify the fire is at the west end, two rings for the centre of the town or three rings for the east end.

Georgie A. Smythe, a waitress in a Cambridge street lunch room, has re ceived news from her home in New Brunswick, that she is undoubtedly entitled to a fortune of \$200,000, by virtue of being a great great grand daughter of Maria Fitz Robert, celebrated in history as having been man ried to King George IV of England, although the marriage was never officially recorded.
