TELEPHONE DIRECTORY

SEPTEMBER 1, 1983

**DEPARTMENT OF EXTERNAL AFFAIRS
OTTAWA ONTARIO
CANADA K1A 0G2**

INTRODUCTORY NOTE

The listings contained in the Directory must be considered interim in nature until the transition from old to new organizational structure is completed. Over the next few weeks departmental offices must be re-aligned and this will involve changes to locations and telephone numbers. Consequently, Directory users are cautioned to confirm office locations with their colleagues before a visit.

This issue of the Directory attempts to reflect the organizational changes effective from September 6, 1983. The format continues to be alphabetical with Bureaux (Directors General) and Divisions (Directors) grouped with their respective Branches (Assistant Deputy Ministers). The new rationale for the departmental symbols, developed for the restructuring, is also reflected in this edition.

Departmental personnel serving outside the Department and offices of other departments and agencies located in the Lester B. Pearson Building are shown on the final pages of the Directory.

This Directory is published in English and French on alternate months.
