The copy filmed here has been reproduced thanks to the generosity of:

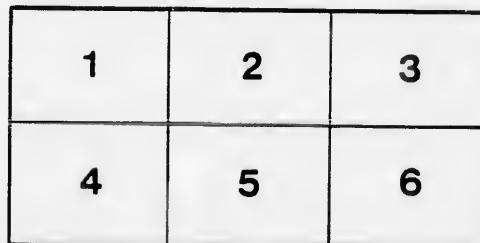

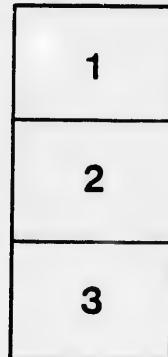

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "À SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

NOTICE TO OUR PATRONS—If the individual members of your party would stop to think for just an instant, they would undoubtedly appreciate the fact that the habit of rising from their seats and leaving the theatre before the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Evenings—doors open at 7:30; curtain rises at 8:15 sharp. Matinees—doors open at 1:30; curtain rises at 2:30 sharp.

It is strange, but there is a class of people that seem to take an intense delight in be-spattering the floor with tobacco juice and in being boisterous and using profane language. These people should know at once that the courts authorize their immediate expulsion, should the management see fit to exercise its rights.

To-Morrow Night,
DIGBY BELL
COMIC OPERA CO.

IN
JUPITER.

JUPITER.

The management of this theatre will have the pleasure of presenting to the patrons of the theatre, Wednesday and Thursday, Mr. Digby Bell and his Comic Opera Company, in Harry B. Smith and Julian Edwards' brilliantly successful comic opera, "Jupiter." This opera was produced by Bell and the same company which will appear at this theatre this week, at Palmer's theatre, New York last summer and scored a great success. The opera is one of the brightest of its class now being played and the libretto is in Mr. Smith's very brightest vein. Of Mr. Bell himself there is little need to speak. He is an artist Pur Sang, in every syllable he utters, in every gesture one cannot fail to the greatest of artistic merit and worth. In his own particular line (comedy) he is to day without equal upon the American stage. But moreover, even though he were not so good an actor, he would still have a right to stellar honors on a count of his voice. It is not generally known, but is nevertheless a fact that Mr. Bell studied for years in the land of music, Italy, and, in fact, made his professional debut as an artist at the Teatro Fondo, Naples, playing the Count in the "Somnambula," and was so successful that he was immediately engaged for an entire season, singing all the principal baritone roles in the great operas of the day. The company which supports Mr. Bell is made up of the very best talent obtainable, and includes such well-known favorites as: Miss Bertha Ricci, Miss Laura Joyce Bell, Miss Josephine Knapp, Miss Hilda Holmes, Miss Maud Hollins, Mr. H. B. Imane, Mr. J. G. Beldon, Mr. Joseph Wiesner, Mr. C. H. Jones, and E. Forrest Jones, besides one of the best trained choruses in the country, which numbers forty-two persons. The entire musical portion of the entertainment is under the personal supervision of the composer, Mr. Julian Edwards, a fact which always insures the best results from the ensemble work of a company. Both scenery and costumes used in this production are most magnificent and are entirely new, having been made expressly for the present tour of the company. The engagement of this company will be one of the greatest theatrical events of the present season, and the company is certain of being warmly welcomed by the most sincere and most cultured and most judicious class of theatre-goers.

VASELINE.

EVERYBODY knows the great value of this remedy in the household, but everybody does not know that the imitations of it, which some second class "agents" put up under plain or fancy names, have little or no value. What should be understood by the public is, that it is not a mere question of comparative value between "Vaseline" and the imitations, but that the imitations do not offer the valuable healing results of the well known "Vaseline." Note that they are not the same thing nor made in the same way. Besides this, many of the imitations are hurtful, irritant and not safe to use, while true Vaseline is perfectly harmless.

Please safety therefore lies in buying only original packages put up by and marked with our name.
