CONSTITUTION.

ARTICLE I.—This shall be known as the Missionary Society of the Methodist Episcopal Church in Canada, and shall be composed of all persons who shall pay one dollar annually to its funds.

ART. II.—The Board of Management shall consist of a President, who shall be the officiating Bishop, six ministers, three of whom shall be Vice-Presidents, Treasurer, and Secretary, and six laymen, all of whom shall be elected by the General Conference.

ART. III.—The Board shall print and publish the General Report of the Society annually, together with the names of those who have paid one dollar and upward.

ART. IV.—Whenever the Board shall determine to establish missions beyond the bounds of an Annual Conference, it shall pay the expenses of such Mission or Missions, provided the appropriations already made to the Annual Conference shall not be interfered with.

ART. V.—It shall be the duty of the Secretary to present a report to each Annual Conference of the state of the funds and the amount appropriated to the Conference for the ensuing year, and also an estimate on the amount expected for the funds of the Society from the Conference.

ART. VI.—The Board shall meet annually in the last week in June, or as soon thereafter as practicable, at the call of the President, the place of meeting to be decided by the Board.

ART. VII.—It shall be the duty of each Annual Conference to form, within its bounds, a Conference Missionary Society, which shall appoint its own officers, fix the terms of membership, and otherwise regulate its own administration, but it shall pay all its funds to the Treasurer of the Society, excepting the Niagara Conference, which may retain eighteen per cent. of its actual income to pay its existing debentures, and as soon as they have been fully paid, that Conference shall likewise pay all its funds to the Society.

ART. VIII.—It shall be the duty of every Secretary of a Conference Auxiliary Society to forward annually to the Secretary of the Society a list of all subscribers.

ART. IX.—The Board shall require regular Quarterly communications to be made by each of the Missionaries on the respective Missions to the Secretary of the Society, giving information of the state and prospects of the various Missions on which they are employed.

ART. X.—Every person paying Five Dollars annually shall be entitled to an Annual Report, and any one presenting a donation of Twenty-five Dollars shall be a life member.

ANNUAL REPORT.

TO THE PATRONS OF THE MISSIONARY SOCIETY OF THE METHODIST EPISCOPAL CHURCH IN CANADA.

The Secretary of the Parent Missionary Society herewith submits the Annual Report of the Society, for the year ending June, 1883, showing the receipts and expenditures, both of the Parent Board and the Auxiliaries for the year. Our Missions in Manitoba, it is well-known, are under the care of the General Board, constituted by the General Conference for the whole Church, while the Missions in Ontario are under the direction of the Annual Conference Auxiliaries.

In addition to these we have, in active operation, a Womens' Foreign Missionary Society, managed entirely by the ladies of the Church, and which promises to be an important help in the work the Church has undertaken to do. The report of this organization and the work it has accomplished will also be found herein.

The number of our Missions at present in Manitoba is seven, and the points occupied by our Missionaries are as follows:—Winnipeg, Emerson, Morris, Carman, Nelsonville, Portage La Prairie and Moosamin. On these Missions we are supporting some seven Missionaries. The amounts appropriated, by the Board, for the support of these Missionaries are as follows.

Winnipeg	\$600 00
Emerson	500 00
Morris	400 00
Nelsonville	450 00
Portage La Prairie	600 00
Total	\$2550 00

Moosamin and Carman take care of themselves.

It will be seen from these amounts that the utmost economy is practiced by the Board, and the money is carefully expended. The Parent Board apportions annually to each Conference a certain amount, and relies almost wholly upon these amounts for meeting obligations incurred in the management of the Manitoba work. The sums thus apportioned this year are the following:—

Niagara Conference	\$1350 00
Ontario "	1050 00
Bay Quinte "	900 00
Total	\$3300 00

The Board has this year made a reduction in the appropriations to the Missions in the North-West, and hence the assessments made upon the Annual Conferences this year will a little more than cover the estimated salaries for the current year. The Board, however, still finds itself in debt to the amount of \$12,608.20 and which must be provided for during this year. The above facts and figures will convey to our patrons the exact condition of our Missionary Society.

Owing to the entire failure of our Missionaries in the North-Western work to make to the Secretary Quarterly reports of the state of the work on their respective fields, we are unable to give a detailed statement of their condition at this writing. Our work out there is evidently not making much progress, and it was thought best at a late meeting of the Executive Committee, from representations made to them by the Superintendent of Missions, Rev. Thos. Argue, to withdraw our men from Emerson and Nelsonville. This was thought to be a wise movement in view of the Union coming into practical effect so soon. Steps have also been taken to dispose of our Church property in those places, and at one or two other points of our Mission field.

RECOMMENDATIONS OF BOARD :

The following recommendations which were passed by the Board are here presented for the information and guidance of the Missionaries :

1. That the ecclesiastical year shall begin and close, in the case of Missionaries appointed to our work in Manitoba, on the 16th day of May of each year.

2. That all ministers upon Mission fields, receiving Missionary money shall be required to furnish to the Secretary of the Parent Board, reports of the state of their Missions each quarter.

3. That ministers appointed to work in Manitoba, shall be expected to remain in the country for a period of at least five years, unless excused by order of the Board, failing which, the expenses of their return will not be met by the Society.

Resolved,—That this Board hereby authorize the Superintendent and the Missionaries at Emerson and Portage La Prairie, with two laymen in Manitoba, which they shall select, to secure an Act and to take measures for the sale or exchange of any property which the Board or Executive shall approve.

The managers of the Society send out this, their Annual Report, thankful to God for past success, and humbly relying upon His Providence and the prayers, sympathies and help of the people.

W. PIRRITE,
Secretary.

—o—

Another year has gone—has rolled away on the wheels of time carrying with it all its opportunities for work, but leaving the question to each, “How have I improved these golden opportunities?” and from each must come her own response, “To whom much has been given, much will be required.” well may we say, “Who is able for these things,” and listening tremblingly, tearfully, *prayerfully*, hear the loving voice of our blessed Saviour say, “I am with you always even unto the end.”

The missionary work is particularly suited to women; they were last at the cross, first at the sepulchre, honored to be the bearers of “good tidings” from Christ to his disciples, so on through history wherever the religion of our loving Saviour is found there woman is honored and beloved, while in heathen lands she is debased, enslaved, and crushed. Oh, if this truth could but take hold of the hearts of our women we had no need to urge and entreat for workers, and yet as has been well said, “No objection was ever raised by a women against missions. It must arise in man from lack of information. They do not know what heathenism is, and what the Gospel does.” “Philanthropy or civilization without the Gospel is only half the Master’s will. The soul like that of Brainard, Martyn and Duff, must be touched with the live coal of a Saviour’s love and inspired with tender compassion for precious perishing souls.” Entire consecration alone can enable us to grapple with this work. As you bring your gifts to this altar remember they must be “with a prayer.” “Prayer moves the arm that moves the universe,” and that arm is our Fathers. How consoling that thought; let us not forget it when the way looks dark, when opposition seems strong, but look aloft recognizing a loving hand in all things.

Some of our reports are discouraging, others quite the reverse, but that we are living means we are progressing, as a Society, we cannot stand. We have some Reports from all the auxiliaries of last year and also from new fields, but owing to the inability of our Secretaries to attend the Annual Conferences the contributions from these sources are not as large as last year.

We cannot but be thankful that so many women have realized the necessity of sustaining our missionary work as is evinced not only by the contributions to the funds of our Society, but to the funds of the General Missionary Society as may be seen on examining that Report.

The full amount raised for the year ending June 1883 was \$123.20; expenses \$17.00, leaving a balance of \$106.20 which was appropriated to missions in the North-West.

NIAGARA CONFERENCE AUXILIARY.

The Annual Meeting of this Auxiliary has not yet been held. The Conference Secretary has been at work, however, and reports thirteen dollars which is much less than any previous year, but we hope that at the Annual Meeting enough may be raised to make good the deficiency. Regular organized effort is what is needed to make this work a certain success, then the absence of any one or two officers will not so materially affect the contributions; yet if each member could realize the true importance of this work and her own individual responsibility our gifts would be more than doubled.

ONTARIO CONFERENCE AUXILIARIES.

Mrs. Maybee, the Conference Secretary, was unable to attend the Conference this year but reports one new Auxiliary organized by her in Brooklin of twenty-one members. Monthly sewing meetings were held, part of the proceeds being devoted to missionary work and part to home funds, thus enabling her to interest and secure the attendance of many more, proving in the result that "a little leaven leaveneth the whole."

The Belleville Auxiliary is also doing a good work. Monthly meetings of a musical and literary character were held during the greater part of the year with good results both spiritually and financially, many expressing themselves in sympathy who were drawn to the meetings first from curiosity. May our dear Saviour touch their hearts and open their eyes.

University Church Mission Circle is still the banner mission circle. Something in the interest of missions is read or spoken of to the school the first Sunday of every month, thus constantly keeping before them this work. Educate the youth aright and the future of our mission work is secure.

BAY QUINTE CONFERENCE AUXILIARY.

The Annual Meeting of this Auxiliary for 1882 was held on the St. Lawrence Central Camp Ground during the session of Sunday School Parliament. It was of unusual interest. Mrs. J. T. Gracey, of Rochester, was in attendance, and by her stirring address upon "Woman's Life in India," roused a deeper spirit of self-consecration and true liberality in the hearts of all who heard her, leading both men and women to feel that they had never before realized what Christ had done for women, and if for the mothers, wives and sisters, then surely for the fathers, husbands and brothers. Her vivid word picture of the debasing servitude of women in India, her heart-rending ac-
