SAINT ANDREWS, DEC 28, 1870. Retrospect.

Never perhaps did a year open with gl prospects ahead for us, than that which is drawing to a close; never were gloomy anticipations more agreeably disappointed.

In December last, notice was given by the Man-I thouk Him, also, daily and hourly, for this ning of the trains over this end of the Line would be discontinued after December 31st of last year. That announcement raised such a howl of indigna-tion throughout the whole Eastern section of the County, that both the Manager and his prompters deemed it judicious to yield to it, and the trains were after a short interval run as usual The long a half dozen men in St. Prince Frederick Charles lines were severed. nouncement referred to. Owing to the public responsible for language used concerning himself, Tours was captured by the Germans, but spirit of half a dozen men in the community, this grand final effort of theirs was defeated. To that lieved impossible to effect a reconciliation. In-A general sortion was made from Paris on plucky half dozen too much credit cannot be given, for we believe their efforts turned the tide in out favor, at the most critical point in the history of the of a character so disagreeable. Town. The great development of communication with the interior will render any similar attempt impossible, in future; henceforth we will have the

At the beginning of the year, both Town and Country were still laboring under the effects of the terrible storm which had but lately swept over our County, carrying death and destruction with it Trade was dult "nothing doing" was the com-plaint of the day. The croakers were predicting ruin, desolation and the speedy arrival of the time when our houses would be abandoned to the owl and bats, and our streets to the beasts of the forest. A priest, Marshall, Cure of Notre Dame, The hopeful scarcely believing their own words A priest, Marshall, Cure of Notre Dame, the hopeful scarcely believing would turn up."
