Six Old Firemen Have Received Invitation to Return 49 Majority For the Drury Government On the First Show Down

Prosecution in Teiper Murder Case Shows Accused Was in Trouble as Regards Finances at the Fatal Time

Mr. Moore, the Prosecutor, Shows That Teiper Was Threatened With Loss of Plant—His Brother Was on Stand Yesterday at the Trial in Buffalo.

BUFFALO, April 15.—The defense in the case of John Edward Teiper accused of murdering his mother and brother to improve his finance, will be open in the supreme court until Monday. Justice Harry F. Taylor made this announcement at 3.30 o'clock yesterday afternoon at which time he granted a motion for adjournment until this morning. The motion was made by District Attorney Guy B. Moore.

Mr. Clinton requested that the defense be permitted to open its case on Monday.

Point for Prosecution

The prosecution scored yesterday through the testimony of Dr. Edward J. Meyer, consulting surgeon to all but one of Buffalo's hospitals, and Joseph C. Whitwell, fingerprint expert of the Buffalo police department.

Dr. Meyer testified that it was not probable that the defendant was rendered unconscious by the blow he was struck on the night his mother and brother was murdered. The defense has claimed that Teiper was knocked senseless after seeing his brother fall and knew nothing of the fate of his mother, sister and brother until he regained consciousness some 15 minutes later. Teiper alleged that highwaymen were responsible for it all, and that it was one of the highwaymen who attacked him.

Whitwell swore that the marks on the collar worn by Teiper that night were in his opinion made by a man's right hand. The defense has contended they were made by a left hand. This would support Teiper's story of (Continued on page 8)

This County Will Have First Highway Contract

The provincial highways department is asking for tenders for the first three and a half miles of the new provincial highway to be constructed in Ontario. The area to be first completed will be from Beamsville to Vineland, connecting up with the three miles of tarvia pavement laid some four years ago by the county of Lincoln between Vineland and Jordan. The department is calling for a bituminous four-inch macadam pavement. The plans and specifications for this highway are now at the office of the resident engineer. It is hardly possible that construction will commence in earnest until after May 5.

Other Places Are Interested In Clarence Brown, Who Is Under Arrest in City

He is Accused of Fraud in Welland—Got Away From a Constable in Hagersville—Denies That He Went Under the Name of Pritchard.

The police are receiving enquiries from the police of other cities about Clarence Brown, a young man arrested here and who has pleaded guilty to buying goods on the instalment plan and then selling them. He is wanted in Welland on a charge of fraud and enquiries have also been made about him by the Immigration Department at Ottawa.

Several months ago Brown was rested at Hagersville at the request of the St. Catharines police, but when he was being taken to the town cells in a cutter he rolled the aged constable out into the snow and escaped.

In Welland, Brown went under the name of Albert Bruce Pritchard, but when asked by Magistrate Campbell in police court today if he had ever gone under the name of Pritchard he denied it.

Brown told the magistrate he had made restitution of goods stolen in this city and also some he stole in Brantford. Here he bought a gramophone and sold it, and when he left his boarding house he carried away also a suit of clothes and \$11.

His finger prints have been taken and they will be sent away to see if any other places want him. Brown is a fast worker. He only got back from overseas last July.

Burgess' Bowlers and the Whitman and Barnes Team Out For City Championship

Considerable interest is being evinced in local bowling circles these days in view of the fact that the Whitman & Barnes team, which made a favorable impression at Peoria, Ill., and Chicago, have accepted the challenge issued by Capt. Burgess on behalf of the city A. B. C. team.

The Challenge

The Garden City's hereby issue a challenge to the Whitman & Barnes or any other five man team that think they can bowl for a series of five games for \$50 or upwards. Here they are: Augerman, Adams, Burgess, Mayer and Secord. E. Burgess, Capt.

The Acceptance

Hardly had an evening passed by when Sam Kearns beat it for the plant and after a short conference the following letter was sent, accepting the challenge.

Mr. E. Burgess, Capt.
Garden City Bowling Team
Dear Sir:

We hereby accept your challenge to a five-game bowling contest for the consideration of \$300 per side. The games to be played on outside alleys, dates etc. to be agreed upon later.

Whitman & Barnes Bowling Team
F. E. Purdy, Capt.
Likely at Buffalo

Now that the challenge has been accepted, and the Whitman & Barnes desire to roll on outside alleys, it is altogether likely these games will be rolled at Buffalo one week from Sat.

Capt. Burgess, when seen last night stated his team would prefer going to Buffalo, remarking, "Let us get to the best alleys possible for this contest."

A Card Received

Burgess has received a post card which he believes was written in Lincoln Park, Chicago, which he believes was written by Sam Kearns bearing the following: "Recall the old-time saying that two can live as cheap as one; true enough before the war, not since we licked the Hun. Rave not to me of heroes who have braved the alleys to battle; my brass medal goes to the man who wields a rattle."

Jimmy Noonan, of the Marathon Tire Factory, one of the best known bowling sportsmen in the city is leaving the end of this week for East Palestine, U. S., where he has accepted a responsible position as foreman in a large tire factory there. He will be greatly missed at the local alleys. Jimmy was a member of last year's city ten-pin team which took part in the American Bowling Congress held at Toledo, Ohio.

The Niagara Falls, N. Y., "Gazette" team will be in the city on Standard the first of home and home Standard the first of home and home games for the championship of the

Courtneys Left \$45,000 Estate; No Wills Found

Death Upsets Plans of Brothers Who Died Within Few Hours of Each Other at Falls.

NIAGARA FALLS, N.Y., April 15.—According to papers filed to-day with Charles Hickey, surrogate judge, at the court house here, John and James Courtney the brothers who died within a few hours of each other two weeks ago, left an estate valued at \$45,000. For years the brothers lived frugally in a little frame building behind an imposing brick block owned by them at No. 318 Niagara street.

Application was made to the surrogate today by A. W. Woods, of Ferry avenue for letters of administration. He was the closest friend of the two men and his application was made at the request of surviving relatives. A search of the brothers' effects failed to disclose any will although a reciprocal deed executed by them several years ago was found in which they transferred all their respective holdings to one another. This action was taken by them instead of making wills. Each believed the other would outlive him, but their deaths within a few hours of each other upset their plans.

George M. Tuttle, attorney retained by the heirs, said today that the heirs consisted of a half-brother, Stephen Courtney, and six nephews and nieces all of Toronto, Ont. The six nephews and nieces are the children of Edward Courtney, a brother who died several years ago.

The estate consists of \$21,000 deposited in amounts of \$3,000 each in seven banks in Western New York; \$4,000 in deposits of money and Liberty bonds in banks in this city, and the business block in Niagara street which is valued at \$20,000. Judge Hickey will give a decision on the petition for letters of administration early in May.

So far none of these six men of the old fire brigade who were invited to return to work have responded to Ald. Poses' invitation he said this morning.

He wrote each man a personal letter yesterday, giving them until Friday night to decide.

On Saturday six men will be selected from the applicants already in it is understood.

The situation remains practically the same. Some of the firemen seen today said they were not worrying about the outcome as they could get work whenever they wanted it.

Six of the Old Firemen Are Invited By Letter to Return to Their Jobs

They Will Be Given Until To-morrow Night to Decide—Situation Remains Unchanged and Public Seems to Be Losing Interest—No Alarms Last Night.

The public seems to be rapidly losing interest in the controversy and little is heard about it though last week there was scarcely any other topic of conversation in the city yesterday, giving them until Friday night to decide.

On Saturday six men will be selected from the applicants already in it is understood.

The situation remains practically the same. Some of the firemen seen today said they were not worrying about the outcome as they could get work whenever they wanted it.

Drury Government Has a Plurality of 49 When the First Division Is Taken

Ontario's Farmer-Labor Government had its first showdown of power last night. When all the votes were recorded the Government had a majority of 49. During the afternoon and early evening the Conservatives put up a fight against the bill which reduces the qualification of candidates for municipal office. Half a dozen of them spoke against the bill, and a motion for a six months' hoist was proposed by Charles McCrea, Sudbury.

No group in the house voted solidly except Labor. Even the Conservatives had their bolter, and John Joynt, North Huron, a farmer, voted with the Government members. I. W. Okc former member for East Lambton, was the only one on the right of the Speaker to vote with the Conservative group. Five Liberals also voted for the hoist.

There was little excitement, as the Government was assured of a majority from the start of the discussion. Most Liberal members were favorable and said so. However, it was a unique affair. It was the first time that three Whips had walked together up the floor of the House. For the great majority of members it was the first vote they had ever registered in a House of Parliament.

LONEY TO FIGHT IN BUFFALO TO-MORROW

Jack Loney the local 158 pound boxer, is scheduled for a 6-round semi-final boxing bout at the Broadway (Buffalo) Auditorium to-morrow night with Langdon. This is Loney's first appearance in a Buffalo ring for a long time and also his first since he was "kayooled" by Eugene Brousseau in Montreal in the early part of the year. Loney's last bout in the States was with Jerry Cole at Erie, Pa., in which he was given the decision. The main bout to-morrow will be between Rocky Kansas and Picato and will be ten rounds. These boys are great mixers; in their last meeting Picato won.

It is altogether likely Sergt. Alexander and Loney will come together between now and the 24th of May. Harry Bird, a local sportsman will likely stage the bout.

SENTENCED FOR WHISKY SMUGGLING

SYRACUSE, April 15.—Richard Warner of Montreal, Que., Whisky smuggler, was this afternoon sentenced to two years in Atlanta prison when he pleaded guilty in federal court to six indictments, each charging him with smuggling whisky into this country. A prison sentence of two years was imposed for each count, but they are to run concurrently.

Frank Walker, an accomplice, was sentenced to a year and a day's imprisonment.

Douglas Fairbanks' new play "When the Clouds Roll By," is delighting large crowds at the Grand Opera House. It continues till Saturday. There is good vaudeville as well on the bill.

two shops. Captain, Calcott, machinist at the Queen Street rendezvous, has been putting his men through a series of hard practises and hopes to put a formidable array of talent up to the foul line mark at the Tim & Mac Alleys Saturday night.

He will likely select his team from the following: J. C. Carroll, W. Konkle, Major Henry Burgoyne, Arthur Moore, W. Chadwick and himself.

Many Workmen Had To Dig Their Own Graves Before Being Killed

LONDON, April 15.—The following has been received by the London Herald correspondent in Essen:

The situation in Essen is serious. The reichswehr has ridden roughshod over the workmen. The first days after their arrival they arrested and beat hundreds of people merely because they looked like workmen. Two men were brutally shot at Essen and Rathaus without trial. In Altessen they turned the machine guns loose with recklessness. Hundreds of people are in prison in Essen. The people in the neighborhood have heard the

rattle of the musketry of firing squads. Today I spoke to workmen in trams who had been wantonly beaten up by the troops. There has been a house-to-house search in the course of which many persons were assaulted. All day today people were still being led through the streets by soldiers to jail. Similar or worse conditions prevail in Mulheim, Dinslaken and Duisburg and other factory towns. In Mulheim the report that 25 men were shot is true. They were former reds left behind as police to maintain order.

Beer Agent On His Trial Charged With Withholding Money Belonging to Firm

A Dorven Moore, who acted as agent in this city for Labatt's brewery, London, was charged with theft in police court today. He was represented by T. J. McCarron and Crown Attorney Brennan prosecuted. Moore's thefts were alleged to be \$1,292. Arthur Sheahan who carries on a soft drink business on Pelham street, had bought a case of Labatt's beer from Moore. He did not get receipts, always paying cash.

Mr. Chesshire, of the Maple Leaf restaurant also bought Labatt's goods from Moore. He produced receipts for \$1,000. October and \$85 on August 14. He said he owed Labatt's nothing.

Labatt's bookkeeper testified that Moore had acted as their agent from May 1 to the middle of October last. He said the goods were shipped to Moore here and that the money he collected was to be deposited to the company's credit in the bank here. He had received his commission weekly by cheque from the London office.

Invoices for numerous sales were produced in which it was shown that while the customers had paid cash Moore had written them down as charged, in the copy of the invoice returned to the company.

The case is still going on this afternoon.

General Sports Committee of C. of C. Will Co-operate With Local Organizations

The Chamber of Commerce has appointed a General Sports Committee to co-operate with local organizations to promote sports in St. Catharines. Major H. V. Gould has been appointed chairman of this committee and is calling a meeting of the committee for Friday evening, at 7.30, at the Chamber of Commerce offices to discuss what can be done to insure a full program of sports for the coming season and to appoint sub-committees to take up the interest of the various branches of sports.

There is no lack of good material in St. Catharines, and with its natural advantages and a number of good sportsmen representative of every branch of sport, it is just a matter of awakening interest and getting

properly organized, and St. Catharines will be back in its old place as one of the leaders in every line of sport.

The committee is anxious to get in touch with everyone interested in any line of sport and will greatly appreciate the assistance and co-operation of anyone who is ready and willing to help. The following is a list of the committee: H. V. Gould, chairman, R. N. Adie, W. A. Anderson, A. L. Bishop, G. Bowman, H. Carmichael, H. L. Cummings, Fred Graves, H. Griffiths, H. Heath, T. J. Jackson, Capt. A. H. Malcolmson, B. B. Manning, F. W. Martin, H. J. McAvoy, F. J. McIlwain, A. R. MacDonald, Major I. McSloy, A. H. Ness, and J. D. Wright.

TREMENDOUS LOSS

The Railway trouble going on in the United States is an example of a union trying to break a strike. It is not employers vs employees altogether this time, it is an attempt evidently of the red element endeavoring to wreck and disobey the saner, more conservative section of the workers who belong to old and established unions. The outcome from present appearances, will be the net result of the average strike, a tremendous loss of production and earning disorganization of business and traffic affecting a whole continent irritation and ill feeling between employers and employees.

The strike is said to cost the United States three million dollars a day and the workers themselves are the ones who pay most of it.

LEACOCK'S VIEWS

With the views of Prof. Stephen Leacock, as expressed in the London Times that prohibition in Canada, and the United States has been an appalling failure, a good many people of reasonably sound morals will be disposed to agree. They may not go so far as Mr. Leacock and declare it an "appalling failure" but they will declare that it has not been much of a success.

It is all prohibition but it does not prohibit to the extent of its severity; nor does it prevent people of means from getting and drinking all they want.

In one own local police court the number of liquor cases of one kind and another that come up in the course of six months is quite convincing evidence that this legislation has not accomplished anything like what was expected to accomplish by its authors.

If under prohibition there could be little or no discrimination, if liquors were prohibited absolutely from coming in, then the results from the standpoint of drinking would be more apparent. As it is, however, he who wants liquor very badly can get it either by importation or from medical practitioners who have reduced the dignity of their profession by assuming the obligation of dispensing.

WOULD ABOLISH FLOGGING

TOKIO, April 15—Baron Saito, governor general of Corea, says he believes the independence movement in Corea is dying out, although he admits that the Coreans still are making secret efforts to free themselves from the Japanese rule. The baron has been in Tokio lately to urge the Japanese Diet to provide funds to enable him to abolish flogging of Coreans and substitute imprisonment as punishment.

The baron said that he was making efforts in Corea to put into effect the emperor's receipt that the Coreans be advanced politically with the ultimate object of establishing local autonomy. Coreans, he said, were being trained to conduct the public service in Corea. In addition the government will establish a railway engineering school in Seoul to teach Coreans to operate their own railways.

Manufacturing And Art Akin

A strong undercurrent is bringing art and industry together again, after a century of alienation. In the old days, they were mutually independent. The furniture-maker, the pot-and-pan maker, the weaver, the stonemason, were all craftsmen, and, in so far as they did their work well and gave it good qualities of form and color, they were artists.

Today conditions are quite different, because of the tremendous development of machinery. When the manufacturer began to realize the almost unlimited possibilities open to mechanical ingenuity, he usually forgot to provide for the thing that the machine alone can never possess—the human instinct for beauty. This gave the designing of articles of everyday use in home-building and furnishing, clothing and various other necessities over into the hands of people who had no special aptitude or taste except in a few fortunate instances.

Thus, although the purely mechanical and utilitarian manufacturers of the new countries, where art is not held of serious account, easily began to work high in the world's trade, yet the carpets, printed textiles, wallpapers, metal work, stained glass, and all such things, were contented to stay in second or third place.

It is time for this state of affairs to be changed in Canada, especially at this time when attention is rightly directed to the importance of en-

counging and developing home industries.

A National Industrial Art Association has been proposed. This organization would do well to assist manufacturers in obtaining competent and skilled designers, with originality, and, above all, a good understanding of technical demands and limitations. The result would be that Canadian manufactured products would begin at once to take a higher rank not only among Canadian buyers, but also in foreign markets, and particularly in the United States where the importance of Industrial Design is only now beginning to attract much attention from the manufacturers.—From 'Industrial Canada.'

JOLLIFFE—SHAPLAND

The marriage took place on Monday at Niagara Falls, Ont. of Miss Anna Elizabeth Shapland, daughter of Mr. and Mrs. Wm. Shapland 116 Park St. that city, and Mr. Harold Jolliffe, son of Mr. and Mrs. Henry Jolliffe of 77 Henry street St. Catharines, the ceremony being conducted at the parsonage, Morrison street Methodist church Rev. J. E. Todd officiating.

The bride was prettily attired in a navy blue travelling suit and wore a sweetly appropriate picture hat ornate with rose buds caught in net, which was interwoven with dark ribbon extended for short streamers. She carried a dainty bouquet of sunset roses intermingled with sweet peas.

The bride was attended by Miss Esther Fowler and was the recipient of many delightful gifts from her many friends in this city.

Mr. H. V. Stephens, who attended the groom, met Mr. Jolliffe while with the Canadian Overseas Forces, both being associated with the 31st Alberta Battalion.

The happy couple left for the Queen City to spend their honeymoon. Upon their return Mr. and Mrs. Jolliffe will reside at Niagara Falls.

PARIS, April 14.—Three hundred persons were killed in the explosion of a munition dump in Rotenstein, East Prussia, on Saturday according to a despatch from French headquarters at Mayence. It is said several hundred others were more or less seriously injured.

CRESCENTS PLAY IN SEMI-FINALS AT TORONTO

After one of the most successful seasons the O.A.B.A. has enjoyed the 1920 basketball season is starting out on the last lap of what has been a long grind to the semi-finals and finals of the intermediate series.

The crack West End Y.M.C.A. team meet the St. Catharines Crescents at West End on Saturday, and must win to stay in the running. The return game will be played in St. Catharines on the following Saturday and the winner of this series will meet Hamilton, Kingston or Belleville.

The West End team had no truble

WONDERFUL REMEDY ESTABLISHES REGULARITY, CURES CONSTIPATION

As you value life itself, never use medicine that racks the system. Costiveness is bad enough, but violent cathartics are the limit.

When the bowels are constipated and you have stomach trouble and headache, try Dr. Hamilton's Pills; they are so mild you can scarcely feel their action, yet so effective that the entire secretory apparatus is stimulated to healthy action.

Dr. Hamilton's Pills move the bowels gently. They tone the liver and kidneys. They renew the blood. Digestion is assisted. Headaches disappear. Stomach rumblings cease. Biliary turns are prevented.

Dr. Hamilton's Pills are more than a bowel medicine, for they act as a system cleaner and general tonic. For those who feel dull, heavy, and morose, for those who suffer frequently from colds, biliousness, and stomach disorders, there is no better medicine.

You risk nothing in using Dr. Hamilton's Pills because they are guaranteed to cure. Made according to the formula of ever lived, Dr. Hamilton's Pills are bound to give your system just the aid it requires. Sold by all dealers, 25c. per box.

in winning their group, but they will have to be right up to form on Saturday, as the St. Catharines team is reputed to be a fast one.

A good preliminary game will be played at 8 o'clock, with the championship game commencing one hour later.

It was announced in a local paper last night that the Belleville team were to meet the Crescents, but it will be seen from the above that the Crescents have to face a strong team in the Toronto bunch.

The Crescents have some excellent material from which to gather a team in: Disher, Nicholson, Manley, Bowman, Steel, Moor and Barber.

The Orange Grand Lodge of Ontario West is meeting in Orillia.

Ten huge motor lorries are coming from Detroit to Toronto to take back merchandise.

R. W. BREADNER, Commissioner of Taxation.

With Fingers! Corns Lift Off

Doesn't hurt a bit to lift any corn or callus right off. Try it!

For a few cents you can get a small bottle of the magic drug freezezone recently discovered by a Cincinnati man.

Just ask at any drug store for a small bottle of freezezone. Apply a few drops upon a tender, aching corn or callus and instantly all soreness disappears and shortly you will find the corn or callus so loose that you lift it out with the fingers.

Just think! Not one bit of pain before applying freezezone or afterwards. It doesn't even irritate the surrounding skin.

Hard corns, soft corns or corns between the toes, also hardened calluses on bottom of feet, shrivel up and fall off without hurting a particle. It is almost magical.

Ladies! Keep a tiny bottle on the dresser and never let a corn or callus ache twice.

50,000 MEN WANTED

Before next month this number are wanted to step up and have their corns removed with Putnam's Corn Extractor—it's painless—safe—sure. Use only "Putnam's" it's the best, 25c. at all dealers.

CONVALESCING FROM INFLUENZA

The bracing atmosphere found in Algonquin Park is just what is needed for those convalescing from influenza or those who are in need of a rest and recuperation. The Highland Inn offers comfortable accommodation at reasonable rates. Apply any Grand Trunk Agent for descriptive booklet, or write Mr. N. T. Clarke, Manager, Highland Inn, Algonquin Park Station, Ont. A-3-516.

Doak's Cotton Root Compound

A safe, reliable, regulating medicine. Sold in three sizes: 1. 25c. No. 1; 2. 50c. No. 2; 3. \$1.00 per box. Sent by all druggists, chemists, and grocery stores. Address: THE DOAK BROTHERS CO., 100 N. 3rd St., St. Paul, Minn.

HEAVY TAX PLACED ON RACE TRACKS

Racing is to proceed in Ontario for another year at least, but the tracks, mile and half-mile, are to be subjected to unprecedented taxation—\$10,000 per day in the case of the mile tracks, and \$5,000 per day in the case of the half-mile tracks. Provincial Treasurer Peter Smith, in his Budget Speech before the Ontario Legislature yesterday, made the announcement.

"One matter I want specially to mention," he said: "where we expect to get reasonably increased revenue and that is from the race tracks. Some people have felt that the Government should not allow gambling on race tracks. But for certain reasons which I do not care to mention today, we are going to allow it to go on this year, and we are going to charge the half-mile tracks \$5,000 a day, and the mile tracks \$10,000 a day. That will bring in increased revenue to the amount of three-quarters of a million dollars.

At present the race tracks are taxed at a flat rate of \$1,250 per day. For the occasion, the Provincial Budget speech attendance in the House was surprisingly small. The galleries were well filled with on-lookers, but there were easily twenty members' seats vacant. The fact that the Provincial Treasurer tabled his Public Accounts prior to his Budget Speech no doubt had something to do with it. All his statistics were known beforehand and his was probably the shortest Budget Speech in recent years.

Cabinet on Trial
In opening his Budget Speech Hon. Mr. Smith passed some comments on the turn of affairs which had brought the Drury Government into office. Members of the new Government, he said, had been called "coalitionists and cohesionists, but as for Hon. Mr. Smith he "absolutely resented and refused to be called "Unionist."

"I feel that we are here simply on trial," he declared. "In the very near future there may be any number of changes in the Cabinet. Some of us

For an Unbiased Verdict

Let your Tea-pot be the Judge

"SALADA"

Quality will loom up conspicuously above a hundred "would be" rivals.

in the Cabinet today may measure up to the required efficiency and others may not. . . . So far as the Prime Minister is concerned, he has measured up to what we expected of him and much more." It was not the actions of the late Government which resulted in its defeat, Hon. Mr. Smith said, but rather its inaction.

The Provincial Treasurer declared that in his presentation of Provincial financial statistics he intended being "perfectly frank and candid with both the old parties in the House and with the people of Ontario. It has been some job," he added, smilingly, "to grasp in the short time we have been in office all the different branches of the department. I am going to plead to this House my inexperience. I do not claim to be a possessor of any extraordinary ability—just common sense."

PROTECTING HUMAN LIVES

The Ontario Safety League continues to place a large amount of literature in the hands of motorists, school children, industrial workers, and others throughout the Province. In the first three months of 1920 the League has distributed an enormous amount of safety material, including 35,000 industrial safety bulletins; 32,400 school safety bulletins; 8,500 special bulletins; 8,500 traffic bulletins; 2,700 electric railway bulletins; 150,000 motorist's safety book-marks; 10,200 health bulletins; 6,500 news letters; 9,000 safety calendars; 12,000 leaflets to the "new men"; 125,000 gummed seals; 3,000 safety cards and posters.

The League will hold an annual meeting in Toronto, beginning Tuesday, April 13th at the King Edward Hotel.

Mountain Grown Orange Pekoes are Best

Orange Pekoe Teas are plucked from every tea bush.

So there are poor Orange Pekoes and those of fine quality. Low price and high price.

The best Orange Pekoes are plucked from tea bushes grown from selected seed in the carefully cultivated soil of mountain side gardens, and gathered at a certain time of the year when the flavor is most fully developed in the leaves.

Naturally these command the highest price.

They are worth it, as you will agree when you taste their exquisite flavor in our Red Rose Orange Pekoe Tea—the new and higher priced tea for those who are willing to pay a little extra price for a tea of extra quality.

There are numerous packages of Orange Pekoe teas on the market. See that the one you buy has the name—Red Rose Orange Pekoe Tea—on our waxed board carton.

Mountain grown Orange Pekoes from the best plantations. A tea of extra quality at a little extra price.

T. H. Estabrooks Company, Limited

St. John Montreal Toronto Winnipeg Calgary
Edmonton St. John's, Nfld. Portland, Maine

Our well-known Red Rose package, the sale of which is increasing faster than ever before. Red Rose consists chiefly of Assam teas, the richest and strongest in the world and therefore very economical. (The Red Rose Orange Pekoe package is a little different in design.)

ADLER'S 2014-18 Main Street Niagara Falls, N. Y. ADLER'S

ADLER'S WEEK-END BUYING GUIDE

New Spring Hats Are Reduced

In Cellophane, in straw, in hair braid and in every medium adapted to their soft folds have these fascinating models been designed. Distinctively and attractively trimmed with lacquered wings, ribbons, fruits and flowers, raffia embroidery in bright Egyptian colorings. Just to see them is to experience an artistic treat. Hats that the followers of the truly smart in fashion will choose for their delightful distinction of style—and you'll find many of these have taken quite a drop in price, such as Hats that were formerly \$25.00 have been marked as low as \$16.50, and others that were \$19.50 are now marked as low as \$12.50. The best numbers will naturally go first, so better be early. Specially marked for Friday and Saturday.

A Special Table of Trimmed Hats at \$7.50

We could not duplicate last week's phenomenal success—the Hats that sold for less—but we came mighty close to it.

At \$7.50 you'll find many of the regular stock that was formerly priced much higher in a group by itself.

Therein are Trimmed Hats of every description, everyone of the newest of spring modes, many being shown for the first time on this table. When you see them we know you'll be delighted with this money-saving opportunity.

A Drop in Suit Prices

At \$34.50—a price almost unheard of for a good suit—for many months. The majority of these are serge, though there are plenty of other favorable mixtures and materials, including colorings of navy blue, gray, sand, tan and pretty combinations.

In the very latest of spring styles. Box, flare and ripple backs, with just enough silk braid and embroidery; you'll find hardly two alike.

The woman who appreciates finest in materials and workmanship will go to sleep with the happy thought, "I surely got a bargain," after she has one in her possession.

At \$27.50 there is a woolen heather Jersey, in jaunty cuts, that is another centre of attraction in the Suit Section.

And at \$47.50 there are many of the higher priced Suits of Tricotines, principally grouped at this popular price.

—Second Floor

Worthy of Your Consideration is the Display Maribous and the New Spring Neckwear

ADLER'S

Niagara Falls, N. Y. AT LOWER BRIDGE

On the second floor you'll find a very interesting showing of New Spring Skirts, in the plaid and checked ideas.

IMPORTANT Street Floor News

Regular \$3.50 Striped Voile Waists, with neat collars and cuffs of white picque, have been reduced to \$2.98.

A new shipment of Georgetown Crepe Waists. Many short sleeved models in a wide range of sizes and colorings, with beaded and embroidered fronts, are truly wonderful bargains at \$5.98. And they range upwards in price to \$7.98.

The New Pnsgee Waists have arrived to-day. Three styles to choose from now. Two are with collars that can button up close around the neck, being a neatly tailored model with very effective pin tucking, and the other is one of a round neck and short sleeves. The first two styles are priced at \$6.50 and the latter at \$5.98.

A corset at 98 cents is surely a whiz bang of to-day. Hardly a price you'd expect to get a corset for to-day, but upon examination you'll surely say, "They are well worth \$1.50 at least."

Another Corset bargain is that of MILLER'S at \$1.49, a number that is made to sell at \$1.79. You'll find them in the right aisle, rear table.

Regular \$1 value in drop stitch Lisle Hose, Colors of black, navy, white and gray. Specially priced at 89 cents.

Bungalow Aprons at \$1.98. Full cut garments of striped percales and a number in plaids, bound very neatly with a white material.

Another short cut to economy

Volunteers Are Rushing to Hit Railway Strike

NEW YORK, April 14—Although ranks of the rebellious railroad strikers were strengthened substantially by further walk-outs here today, railroad officials, listening to a clamor of volunteer strike breakers, professed optimism last night that a break in the mob movement was near.

The general manager's organization of the railroads interpreted the indignation meetings of commuters and the offer of assistance to man trains with civilians as a spontaneous movement to put a prompt end to this nation-wide illegal strike. The mayor of Englewood, however, announced from the cab of an engine he had volunteered to drive that the citizen's movement was without favoritism to either side.

There were many secret and separate meetings of strikers and loyal union men last night and while railroads had arranged to have sixteen additional trains with volunteer help tomorrow, the threat of an extension of the strike was not allayed.

Some food trains have arrived, but there still was a possibility of a food shortage. Prices of some commodities have gone up and department of justice agents were investigating with a view of preventing profiteering.

The movement of non-perishable freight was virtually at a standstill. Brotherhood leaders were working with railroad officials to induce strikers to return to work, but the attitude of the strikers' representatives was uncertain. The mayor of Jersey City, who at first approved the purpose of the strike, called a meeting of twelve strikers' representatives and leaders of three of the big four railroad brotherhoods today in Jersey City. The meeting was secret, but afterward Timothy Shea, vice-president of the Brotherhood of Locomotive Firemen, expressed the opinion the strike leaders would urge their men to abandon the walkout. Another meeting of these representatives was arranged for tomorrow.

The fear that more than 3,000 shopmen of the Pennsylvania would join the strike was partly dispelled tonight when President John Hennig of the mechanics' association announced after a meeting of the local that the men would remain loyal.

A special agent of the department of justice reported he had been unable to secure evidence of Industrial Workers' of the World's influence behind the strike.

U. S. SOLDIERS WILL GET A BONUS

WASHINGTON, April 14—More than 3,000,000 United States ex-service men of the world war will be given bonuses of \$1 a day under the terms of a bill tentatively agreed to by the Ways and Means Committee sub-committee considering bonus legislation. To raise the necessary money, estimated at \$1,000,000,000, a general sales tax of one-half of one per cent will be imposed upon all business men who do an annual business of \$2,500.

The bonuses proposed in the bill are limited to those who had a service of more than sixty days. Regular army enlisted men, officers and others who had special financial advantages during their term of service, are eliminated from the provision of the bill. While approximately 4,800,000 men were in the American service abroad or under colors when the armistice was signed, about 1,800,000 will not obtain bonus payments by the limitations imposed by the bill.

enforce the treaty von Lersner will find a disappointment of his hopes.

MUSKOKA THIS YEAR Prospects are gratifying this year for a successful summer season in Muskoka and those who were disappointed last season in securing accommodation should apply early and make their reservations at one of the many hotels available. For illustrated literature with list of hotels, rates, maps, etc. Apply to any Grand Trunk agent or write to C. E. Horning, D. P. A., Toronto, Ont.

SPONGES

CORDIAL RELATIONS BETWEEN FRANCE AND GREAT BRITAIN

PARIS, April 14—Premier Millerand announced to the French Chamber yesterday afternoon that the Franco-British incident was closed. This means that the allied Entente, which was momentarily disrupted by the

French occupation of the Rhine cities has been restored.

The settlement is that given in my cable last night. The British Government commits itself anew to the enforcement of the treaty, especially the disarmament of Germany, clauses which particularly affect France. The French Government agrees to a slight extension of the permission to the

German Government to maintain a limited number of troops in the neutral zone. As soon as the supplementary troops shall have been withdrawn by Berlin, the French troops will quit Frankfurt, Darmstadt, Hanau, Homburg and Dieburg.

The French Government regards the outcome as a victory.

In his speech today Premier Millerand reviewed the history of the whole incident.

"If we had not acted," he asked "what would have become of the Treaty of Versailles and the dignity of France?"

The Premier's reference to Belgium's stand brought a storm of applause, in which the Deputies rose to their feet and chered th Belgian Ambassador, who was present.

Renewal of Unity M. Millerand then made his formal announcement of the accord, saying:

"I am happy to say that after a loyal exchange of views between Paris and London, the British and French Governments having come to

a full agreement in declaring that if there has arisen between them a divergence of opinion on the means for assuring the execution of the Treaty they recognize more than ever the necessity of maintaining their intimate and cordial relations for the settlement of grave questions which still remain in front of them in Germany and in the world."

Following M. Millerand's speech M. Barthou urged the Premier to act as courageously at San Remo as he had at Paris, and to be ready to take again measures of coercion if they became necessary to enforce the treaty.

The French press today gives prominence to a Cologne despatch quoting Baron von Lersner, one-time head of the German peace delegation, as saying that the treaty was signed only for the purpose of getting back the German prisoners in France, and that Germany was determined not to live up to it.

The French press believes that in the renewed unity of Great Britain and France in the determination to

TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur it Darkens
so Naturally, Nobody can Tell.

The old-time mixture of Sage Tea
and Sulphur for darkening grey,
streaked and faded hair is grand-
mother's recipe, and folks are again
using it to keep their hair a good,
even color, which is quite sensible, as
we are living in an age when a youth-
ful appearance is the greatest
advantage.

Nowadays, though, we don't have
the troublesome task of gathering
the sage and the mussy mixing at
home. All drug stores sell the ready-
to-use product, improved by the ad-
dition of other ingredients, called
"Wyeth's Sage and Sulphur Com-
pound." It is very popular because
nobody can discover it has been ap-
plied. Simply moisten your comb or
a soft brush with it and draw this
through your hair, taking one small
strand at a time; by morning the
gray hair disappears, but what de-
lights the ladies with Wyeth's Sage
and Sulphur Compound is that, be-
sides beautifully darkening the hair
after a few applications, it also pro-
duces that soft lustric and appear-
ance of abundance which is so at-
tractive.

NOTICE TO CONTRACTORS

PURSUANT to the requirements
of the Canadian Highways Act sealed
tenders marked "Tenders for Bitu-
minous Macadam Pavement" will be
received by the undersigned until 12
o'clock noon on Wednesday, May 6th,
1920, for the construction of a four
inch bituminous macadam pavement
in the Township of Clinton from the
easterly limit of the Town of Beams-
ville a distance of three and one-
quarter miles.

Plans, specifications and forms of
tender may be seen on and after
Wednesday, April 14th, 1920, at the
office of the Resident Engineer,
Beamsville, and at the office of the
undersigned.
A marked cheque for \$500.00 pay-
able to the Minister of Public Works
and Highways Ontario, must accom-
pany each tender.
A Guaranty Company's bond for
ten per cent of the amount of the
tender will be required when contract
is signed.
The lowest or any tender not neces-
sarily accepted.

W. A. McLEAN,
Deputy Minister of Highways,
Department of Public Works,
Toronto, April 12th, 1920
A-12.

TENDERS FOR COAL

SEALED TENDERS addressed to
the undersigned and endorsed "Tender
for Coal for the Dominion Buildings,
Ontario and Quebec," will be received
at this office until 12 o'clock noon,
Thursday, April 29, 1920, for the sup-
ply of coal for the Dominion Build-
ings throughout the provinces of On-
tario and Quebec.

Combined specifications and form of
tender can be obtained from the pur-
chasing agent, Department of Public
Works, Ottawa, or from the caretak-
ers of the different Dominion Build-
ings.

Tenders will not be considered un-
less made on the forms supplied by
the Department and in accordance
with the conditions set forth therein.
Each tender must be accompanied
by an accepted cheque on a charter-
ed bank payable to the order of the
Minister of Public Works, equal to
10 p.c. of the amount of the tender.
War Loan Bonds of the Dominion will
also be accepted as security, or war
bonds and cheques if required to make
up the odd amount.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works.

St. Lawrence Waterway Man Is Appointed

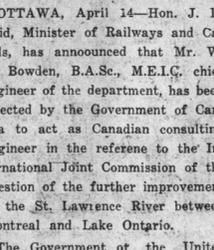

OTTAWA, April 14—Hon. J. D.
Reid, Minister of Railways and Can-
als, has announced that Mr. W.
A. Bowden, B.A.Sc., M.E.I.C., chief
engineer of the department, has been
selected by the Government of Can-
ada to act as Canadian consulting
engineer in the reference to the In-
ternational Joint Commission of the
question of the further improvement
of the St. Lawrence River between
Montreal and Lake Ontario.

The Government of the United
States is also a party to this refer-
ence, and each Government under-
took to appoint from its official en-
gineering personnel an engineer to
confer with a similar officer of the
other Government in the acquiring
of engineering data, the making of
necessary surveys, and the comple-
tion of outline plans and estimates
of the cost of the proposed improve-
ment. In conformity with this ar-
rangement, the United States Gov-
ernment has appointed Lieut. Col.
Wooden, a member of its permanent
Government Service to the corre-
sponding position on the United States
side.

The reference to the Commission
is in the form of a series of ques-
tions, the chief of which is:
What further improvement in the
St. Lawrence River between Mont-
real and Lake Ontario is necessary
to make the same navigable for deep-
draught vessels of either lake or
ocean-going type; what draught of
water recommended, and what the
estimated cost?

In answering this question, the
commission is requested to consider:
(a)—Navigation interests and
whether by the construction of locks
and dams in the river, by side canals
with the necessary locks, or by a
combination of the two.
(b)—The combination of navigation
and power interests to obtain the
greatest beneficial use of the waters
of the river.
Other questions deal with the ap-

1,000 IRIS COLLEENS REACH
AMERICA: MORE ARE EX-
PECTED TO FOLLOW

NEW YORK, April 14—More than
1,000 irises today opened what is ex-
pected to be a great influx of im-
migration from Ireland. The girls, most
of whom arrived on the steamship
Atlantic, went to the homes of friends
or relatives in this city, and the Rev.
Anthony Grogan of the one for Irish
Immigrant girls said their arrival
would help relieve the shortage of
domestic servants.

Only seven girls were detained
for failure to meet immigration re-
quirements, including the literary
test, whereas debarred aliens at Ellis
island have been averaging from 2
to 5 per cent of arrivals. Immigra-
tion authorities said that many Irish
girls were anxious to come to the
United States, but that hitherto it
had been difficult for them to obtain
passports.

DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION,
BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, AGNE, SKIN DIS-
EASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS.
The knowledge gained from many years' experience in treating diseases just like yours is of much benefit
to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that
he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient
the benefit of the knowledge acquired through the long experience of a graduated, licensed and register-
ed specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION

A CONDITION AFFECTING MANY MEN—THE GREAT AM-
ERICAN DISEASE—IT IS BROUGHT ON BY OUR MAN-
NER OF LIVING—OUR WORRY AND HURRY—AMER-
ICANS EXHAUST MORE NERVOUS ENERGY THAN ANY
OTHER RACE OF PEOPLE.
There are a great many men who need treatment for their
nervous system. These men do not know what is the reason they
don't feel right—why they can't work like they used to—why they
tire so easily and why they are irritable, nervous, despondent,
weak, pale and lack ambition. These conditions require the ex-
pert knowledge and treatment of a specialist who has had many
years' experience in just such ailments. A specialist learns by
experience to know just the right treatment at the right time so
that the patient can be dismissed at the earliest possible time. Men
affected with nervous exhaustion have no endurance—no ambition
—everything they attempt is an effort. Life to them appears as a
long, gloomy future. Their appetite is poor and variable—they be-
come irritable, cross and discouraged. They have pains and aches
in various parts of the body and there is often indigestion and
pains in the stomach. Sleepless, wakeful and restless nights fol-
low.

RHEUMATIC AILMENTS

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBA-
GO, PAINS IN BACK, SWELLING, ACHING, PAINFUL
CONDITIONS IN ANY PART OF THE BODY—INFLAMED
AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY
OTHER SYMPTOMS.
Hundreds of men are suffering with some form of Rheumat-
ism. Many of these men go from day to day suffering untold agonies
thinking they cannot be cured. They have tried liniments, rub-
bing, massage, salts and other treatments without experiencing any
relief, and they are now going through life thinking they are
martyrs to that burden called Rheumatism. If these men could
only know how easy it is to get rid of many rheumatic conditions
I know they would not suffer another single day. Then all suffer-
ers of rheumatism would be strong and healthy if they could
get rid of the condition. Rheumatic patients are nearly all strong
and robust before being attacked by this ailment, and therefore
it is so hard for the man to understand why he should suffer the
agonies of such a condition. When a man gets rid of such a condi-
tion he feels that a heavy burden has been lifted from his life, and
he starts right out to make up for lost time both in money and
pleasure. When a man comes to my office suffering with the
above condition he is given a most careful examination, and he is
given treatment that he feels is giving him great benefit.

Quick and Lasting Results Assured the Ailing Man

BLOOD YOUR WHOLE HEALTH OF BODY AND MIND DEPENDS ON YOUR BLOOD. Any

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

THE CENTAUR COMPANY, NEW YORK CITY

Growth Shows Desire To Extend Army Work

Commissioner W. J. Richards, chief of the Salvation Army in Eastern Canada, has completed his fifth year in that capacity. During that time the Army has seen one of its greatest periods of usefulness. This period takes in the "war years." The great war had been under way since August and new problems presented themselves to the organization when he assumed command. These problems required a large measure of initiative to overcome. The task of rendering the highest and most efficient service was shouldered and Canada paid tribute to the success which attended those efforts by over subscribing the amount asked for during the Red Shield Drive.

Commissioner Richards is a forceful man. He is a man of few words. He believes in doing things. During the five years, more than 11,000 persons are recorded as having sought salvation. Notwithstanding the losses due to war, there are today nearly 2,000 more names on the Membership Roll than there were in this territory five years ago.

In July, 1915, Canada East was separated from Canada West, the dividing line being Port Arthur. Ever in view of this, there are now only forty one fewer officers in active service in the Eastern territory alone than there were in the combined territories five years ago.

In the Field Report two very striking indications of financial growth are given. In 1914, the Self-Denial total for the combined territories was \$43,726. In 1919, for Canada East alone, it was \$75,591. Harvest Festival returns have been doubled.

Shows Solid Growth.

In all the various departments the record. This shows that as often as humanly possible every opportunity has been seized for the advancement of every branch of the organization. Inasmuch as every act of service means the welfare of somebody, the same rate of growth has been reposition which the Salvation Army occupies today indicates tremendous increase service to the community.

This service has been rendered under the leadership of Commissioner W. J. Richards. His five years in Canada have been five big years for the Salvation Army in Canada, and give great promise for the future.

Port Colborne went on the daylight saving plan at midnight Saturday.

WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash poisons and toxins from system before putting food into stomach.

Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities in the blood, causing illness while the bowels pores do.

For every ounce of food taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste is not eliminated day by day it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked into the blood stream, through the lymph ducts which should suck only nourishment.

A splendid health measure is to drink, before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons from the stomach, liver, kidneys, and bowels, thus cleansing, sweetening and freshening the alimentary canal before eating more food.

A quarter pound of limestone phosphate costs but very little at the drug store; but is sufficient to make anyone an enthusiast on inside bathing.

FEW MARRIED PAUPERS.

Notwithstanding the jokes on the married man, he is nearly 100 per cent proof against the kind of adversity that casts the individual on the rocks of disaster and makes him a human derelict.

This is the statement of Brigadier George Reid, in charge of the Salvation Army's home. According to Reid a report just compiled by him shows that less than 1 per cent of the men seeking shelter and refuge in the industrial home are married. Reid accounts for this by the fact the married men through the responsibilities carried by them develop a resourcefulness that the single man fails in.

"I have talked to hundreds of men coming to the home and find the cases pretty much the same," said Reid. "Something stifles the man's ambition in life, or else nothing has entered his life to develop his spark of ambition strong enough to make it withstand adversity."

"The few married men that drift in here are men whose homes have been broken up. They are comparatively easy cases to restore, however. The single man is our hardest problem, and even he is capable of redemption if we can find a sustaining interest to engage his attention."

A GOOD MEDICINE FOR SPRING USE

Harsh Purgatives Should be Avoided — Tonic Will Restore Your Energy.

Not exactly sick but not feeling quite well. That is the way thousands of people feel in the spring. It is a sign that the trying indoor life of winter has left its mark upon you. Easily tired, appetite fickle, sometimes headaches and a feeling of depression. Pimples or eruptions may appear on the skin, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order, and these symptoms may easily develop into more serious trouble.

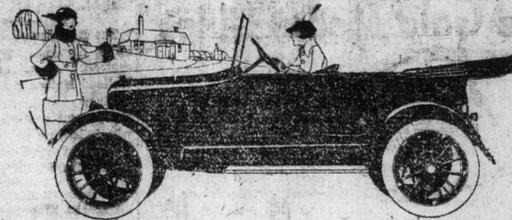

Do not dose yourself with purgatives as so many people do, in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. Any doctor will tell you that this is true. What you need in the spring is a tonic that will build up the blood and nerve. Dr. Williams' Pink Pills can do this speedily. This medicine enriches the blood, clears the skin, improves the appetite and makes tired depressed men, women and children bright active and strong. As an example of the value of these pills we give this statement of Mrs. S. McBurnie, Tatamagouche, N.S., who says:—"I have good reason to speak in the highest terms of Dr. Williams' Pink Pills. I was badly run down, failing in weight, and suffering from dizzy spells and weakness. In fact my condition was such that I was hardly able to do my housework. A friend advised me to try Dr. Williams' Pink Pills and after using several boxes there was a noticeable improvement. I continued using the Pills for some time longer and found that I had fully regained my old time health and strength and was able to do my housework without feeling weak and worn out as I did before I began using the pills."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine or by mail at 50c a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

THE Triplex Springs of new Overland 4 make possible the first light car with the steadiness of a heavy, long car.

Public appreciation of the new features of Overland 4 is shown in ever-increasing demand for this car. Upkeep cost is low because the Triplex Springs protect the mechanism from the usual road shocks. Light weight creates great economy of fuel and tires.

POLICEWOMEN GET MOVIE

PEST, WHO IS PUT IN JUG

BUFFALO, April 14—In the conviction of August Wehlan, 38 years old, of No. 220 North Division street by Lillian Morrison and Lillian F. Hartnett, policewomen, the police believe they are rid of a degenerate, who for some weeks has been annoying women and children in movies. He was sent to the penitentiary for six months by Judge Woltz yesterday.

Acting on a number of complaints Mrs. Morrison and Miss Hartnett visited the Happy Hour on Main street near Genesee street, about 4.30 o'clock Monday afternoon. Mrs. Morrison sat next to Wehlan. She repulsed his attentions, but, when he became blocking in his conduct, she told him to get his hat and coat and come

along. The wretch thought he had made a hit. When he reached the street he was placed under arrest.

Wehlan said he came to this country from Germany in 1914. He admitted that he had done some of the things alleged by Mrs. Morrison. Wehlan tried to excuse his actions by alleging that he was encouraged, but Mrs. Morrison absolutely denied that, saying she tried to avoid the man.

SPRING FISHING

The season for speckled trout fishing opens May 1st, and for salmon, and lake trout it is now open and will be until October 5th. It is expected the ice will out of the lakes by the end of April. Algonquin Park offers attractive possibilities for the angler and the "Highland Inn" desirable accommodation. Ask Grand Trunk Agents for all particulars and illustrated booklet or write to N. C. Clorko, Manager, "Highland Inn," Algonquin Park Station.

"The Mislending Widow" with Billie Burke in the title role is the attraction at the Grand Opera House tonight.

The Rev. Joseph H. Wells, B.A., of Paris, Ont., has been invited to accept the position as pastor at the Welland Methodist church, to fill the vacancy caused by the departure of the present pastor, Rev. W. Avison, who is leaving at the end of June to take up his new work at the Metropolitan Church, Regina, Sask.

"A Temperamental Wife" made a big hit at the King George theatre last night and it will be on again tonight. The other attractions go to make a first-class show. It is surprising the crowds the King George is drawing, and yet not so surprising in view of the splendid show the popular house puts on.

Fonthill lost an aged and respected resident, when Mr. Alfred Giles, aged 82, passed away, death being due to old age. Mr. Giles was very well known and leaves to mourn his loss, four children, two sons and two daughters. They are Mrs. George Howell of Fonthill, Mrs. Alfred Cogswold, and Arnold Giles of Fonthill. The funeral was held Tuesday afternoon.

MOVING PICTURES ARE USED IN SUPREME COURT AT ROCHESTER

ROCHESTER, April 14—The moving picture was used in supreme court here today to give evidence. The case was that of Michaels, Stern & Co., of this city, clothing manufacturers, against the Amalgamated Clothing Workers of America for an injunction restraining the organization from interfering with the company's employees and for damages for an alleged conspiracy to promote strikes among the company's employees. The officers of the organization and about seventy of the members are defendants.
The picture was taken last July during disturbances at the company's plants in this city. As it was shown on the screen members of the company with a long pointer indicated on the screen members of the defendant organization in the crowd.

Friends!

A FRIEND is one who knows all about you and loves you just the same.
THEY know all about poor people. They love them and their love is reciprocated by the poor.
THE poor and distressed are not ashamed or reticent in their presence.
THE wicked are reproved. The young encouraged. The old sustained.
Dishes, floors and clothes are washed.
Babies nursed.
Medicine provided.
Food supplied.
Meals cooked.
And a thousand other things done to strengthen the body and stimulate the soul.
THIS work goes on in sixty-six countries and in forty-two different languages.

The Direction Book with each package tells so plainly how to dye with over any color that you can not make a mistake.
To match any material, have druggist show you "Diamond Dye" Color Card.

Grantham Tp. Council Meet

The Grantham Township Council met as a regular meeting in the County Buildings at St. Catharines on Monday April 12th, with the members all present.
Communications were read from The Ratepayers Association of school section No. 6, asking the council to make a strong effort to have the Queenston Road lighted from the city limits to the New Welland Canal.
Report of truant officer Frank W. Secord.
Ingersoll & Kingstone solicitors, wrote re Hostetter and Township of Grantham giving notice that the decision has been given in the case of appeal before a Board of Judges deciding that the gate question is to be removed.

They also gave notice that several properties in the township have been taken over by the Government and were not assessable, and the taxes could not be recovered.
Ald. H. E. Rose petitioned for the construction and installation of a water supply system for "Rosedale sub-division" in the Township of Grantham under the Local Improvement Act, at a cost estimated by the township Engineer of approximately \$3,400, to be covered by issue of debentures re-payable in ten annual installments and chargeable by special rate on the property benefited.

Messrs Jones & Wilson of Queen Street submitted a plan described as "Carleton Grove Annex" being part of lot 19 con. 4, of the Township of Grantham asking the council to approve of the same.
Moved by Councillor Baker, seconded by Councillor Clemens, that this council approve of the "Carleton Grove Annex" lan for registration, being part of lot 19, con. 4 of the Township of Grantham, subject to the approval of the Ontario Railway and Municipal Board, and the Reeve and the Clerk be authorized to sign the same. Carried.

Moved by Councillor Stewart seconded by Councillor Haynes, that the petition of H. E. Rose to have a water works supply system installed in "Rosedale sub-division" of the Township of Grantham be accepted and the clerk be authorized to instruct the Township Engineer to submit a report to this council of the same. Carried.
Moved by Councillor Clemens, seconded by Councillor Baker that the clerk be instructed to notify the County Treasurer that the arrears of taxes of the Collector's Roll No's. 28, 375, 657, and 1009 be cancelled as they are not collectable owing Government land property. Carried.
Moved by Councillor Clemens, seconded by Deputy-Reeve Haynes that the clerk be instructed to communicate with the manager of the N. S. & T. Ry., requesting them to light all crossings over Township roads. Carried.
On motion of Deputy-Reeve Stewart and Haynes a number of accounts were passed for payment.
Council adjourned to meet again at the same place on Monday May 10th at 1.30 o'clock p. m.

Prosecution Shows Accused in Trouble Regarding Finances

(Continued from page 1)
being grabbed by the throat and slashed at with a knife. Telper's left coat sleeve was cut from the elbow down almost to the cuff.
After having Whitwell examine the collar and obtaining his opinion of the marks upon it, the district attorney placed his right hand at the throat of the witness and asked:
"Now tell me Mr. Whitwell how would it be possible for me to reach over and cut your left sleeve?"
Roscoe R. Mitchell, defense counsel jumped to his feet with an objection which the court sustained.
Not at First Trial
Whitwell was not sworn at the first trial, so his appearance on the stand yesterday was a distinct surprise. He was the last witness called before adjournment.

Mr. Mitchell's cross-examination of the finger-print expert was brief. He tried to prove that the mark at the left side of the collar held lines made by the cuticle of a finger. Whitwell said the lines the attorney saw were those in the linen.
Dr. Edward A. Bowerman police surgeon, told of an examination he made of the defendant two days after the tragedy. Dr. Meyer made an examination at the same time. Both testified they found Telper in a normal condition, physically and mentally, and knew of no reason why he should be in bed where they had found him.
C. Harry Telper, brother of the defendant, was on the stand the greater part of the morning session and part of the afternoon. He described the relations between the defendant and other members of the family. Harry described his father's will and loans made from the estate to the defendant. He said he knew his brother owed a great deal of money, but denied knowing of judgments against him. Harry was called by the prosecution.
The family estate was settled by Harry in January, 1918. The settlement included \$9,000 left by Mrs. Agnes N. Telper, the mother. The estate of the father was worth \$158,000 four

years ago, according to Harry. The share of Fred Telper, the dad brother, was divided between Harry, Grace, and the defendant. The defendant is said to have received approximately \$65,000.
John H. Black, president of the John H. Black company manufacturers and distributors of clay products; Frank Haesel, an employee of the same company, and Arthur Churchill, cashier of the Hamburg bank, gave testimony involving the defendant's financial transactions. Black is a director of the Jewettville Brick company, which owned the plant operated by the defendant at Orha d Park.

MEN SWEAR, WOMEN COMPLAIN

St. Catharines, April 9th, 1920.

THE WEATHER
TORONTO, April 15—The pressure remains high to the northward of Manitoba and low over the rest of the Dominion. The weather is comparatively mild from Ontario eastward and cold in the Western Provinces. Snow falls have occurred principally in Saskatchewan and Alberta.
FORECASTS—Southwest winds, mostly fair and comparatively mild with scattered showers. Friday showers.

**STAMFORD JUNIORS IN
THE O.A.B.A. FINALS**
The Ontario Amateur Basketball association junior series nears a finish on Saturday night at Central Y.M.C.A., Toronto, when Central Y. of Toronto and Stamford meet in the first of home-and-home games, points to count on the round for the championship. The return game will be played at Stamford on Saturday, April 24.
Stamford team have put away several good teams to reach the finals and defeated the fast Galt Y.M.C.A. team in the semi-final game, while the Toronto team have only suffered one defeat.
Stamford defeated Welland handsily in the play-off at the local Collegiate Gymnasium for the district championship and have one of the strongest teams ever gathered together in this district.

**Important
ANNOUNCEMENT!**
As a number of the fire alarm boxes for some cause unknown are to day out of commission, citizens will kindly phone in information as to the breaking out of any fires in the city.
To minimize the number of false alarms the keys of alarm boxes in outlying sections are being placed in private houses and information as to their location placed in prominent positions near the box.
By order of the Fire and Light Committee.
J. ALBERT PAY,
City Clerk.
City Clerk's Office,
St. Catharines, April 9th, 1920.

Senator
Pr

Well Known
Govern
Fro

He Urges Electrification
ways Where Co
Duplication—Sav
and General Adv

OTTAWA, April 16—When in
gin the Senate yesterday aft
noon that the Government sho
electrify such portions of the Gr
Trunk and other railways, to be
the Canadian National System,
municipal authorities now propo
to parallel with Hydro Electric B
Senator E. Smith claimed that
in this way could the municipali
be induced to abandon radical p
jects which he believed were bo
to result in "frightful losses."

It would cost \$40,000 a mile
electrify sections of the Grand Tr
Railway in Ontario which wo
save an interest charge of \$2,
a mile per year, but it was bette
face that than to face the loss
of \$100,000 a year in interest on
compelling lines proposed. Sen
Senator Milne and Senator Lyn
Stanton, other speakers seemed
to favor the idea as economical
feasible. Senator Robertson belie
that though it might be well
mountain sections, it would not
for Ontario. All of them agreed t
was "absurd" of the municip
ties to expect that radial lines wo
pay where they duplicated "or e
triplicated," existing lines.

Coal \$1,000 a Mile
The discussion began on a reso
n offered by Senator E. D. Sm
asking the Senate to declare that
its opinion "it is expedient, and
the interests of Canada, for the G
Government to proceed to substitute e
