who was for upwards of 30 years the District Grand Master for Newfoundland and Free and Accepted Masons under the Registry of the Grand Lodge of England.
In admiration of so much valuable service to Freemasonry, his Brethren of the English Registry have caused this memorial to be placed here within, to bear record to his distinguished life-work, and to their pious and affectionate Regrets and Remembrance.

ings of a brother and to pour the healing balm of consolation into the bosom of the afflicted. Such then, my friends are some of the teachings of Freemasonry, and may we not claim that the man who lives according to these principles and tenets is a good man and therefore a good Mason. Having been for 25 years associated with the late Rt. Hon. Sir W. V. Whiteway, I am in a position to assert that no man has set such a high example in the practice of the principles of Masonry. If we only follow in his footsteps we also earn the distinction of being called "good Masons." And what greater name can a man leave behind him.
The submitted brief record of the late District Grand Master was then submitted by Mr. Clift.
In November, 1849, he was initiated into St. John's Lodge by Bro. Oliver Goldsmith, a grand nephew of the great poet. He was appointed Inner Guard in 1851, and Acting Senior Warden in 1853, and, as such, signed the address presented to Bro. Dr. Kane, when he called in here on his way to the relief of Sir John Franklyn. He was appointed Senior Ward in 1854, under the Mastership of Patrick Tasker.
He became a Charter member and first Worshipful Master of Avalon Lodge in 1859, of which Lodge he continued to be a member until his death. In 1871 he was appointed Deputy Grand Master by the late Hon. James Shannon Clift, who was, at that time, District Grand Master.
Seven years later the Most Worshipful Grand Master, H.R.H. the Prince of Wales, appointed him, on the death of Mr. Clift, District Grand Master; which office he held until his death, in 1908.
In 1878, in conjunction with the late Hon. A. M. Mackay, Provincial Grand Master, he laid, with Masonic honors the corner stone of St. Andrew's Church. During a visit to England, some few years later, in an audience with the Most Worshipful Grand Master, the Prince of Wales, he received from him an autograph portrait of His Royal Highness, which has ever since adorned the walls of our Lodge room. In June, 1885, he laid the corner stone of our first Masonic Temple, and, in December of the same year, he performed the dedication ceremony. In August, 1894, he laid the corner stone of our present Temple, and dedicated it on St. George's Day, in 1897.
During his visit to England, in connection with the Diamond Jubilee of Queen Victoria, he presented, on behalf of the Free Masons of Newfoundland, an address to H.R.H. the Prince of Wales, Grand Master. On this occasion he was elevated to the rank of Privy Councillor, and the Free Masons of Newfoundland assembled on the 24th of June and passed a resolution of congratulation, which was transmitted to him by cable.
On the occasion of his visit to South Africa, in 1899, he was received with marked attention and kindness by several of the Lodges there and, on his return, an address of thanks was forwarded by the District Grand Lodge to the South African Lodges.
In 1900, on attaining his Masonic Jubilee, he was presented by the Lodges under his jurisdiction with a Golden Loving Cup.
As it was in St. John's Lodge that he first saw the light of Masonry, it was fitting that he should there end his Masonic career. His last appearance in a Masonic Lodge was at the installation in December, 1907.
He was for many years President of the Tasker Educational Fund. He was also President of the Masonic

Hall Joint Stock Co. since its formation.
The inscription on the Memorial is from the pen of our lamented brother, District Grand Registrar Alexander J. W. McNelly, and forms, I believe, his last inscription of a public character.
MEMORIAL UNVEILED.
At the conclusion of the address Mrs. Clift came forward and gracefully drew aside the veil and exposed to view the handsome Memorial. It is of bronze, 8 feet by 6. The design is very artistic and was done by an English firm under the direction of Bro. T. J. Duley, D. G. D. of C. It will stand in the east of the Lodge behind the Master's chair. At the conclusion led by D. G. D. C., Bro. Duley, the brethren gave the Grand Honours to the "Memory of our Illustrious Brother."
Mr. Clift, on behalf of the Grand Lodge, presented Lady Whiteway with a life size oil painting of her late husband. It is a duplicate of the one now hanging in the Hall, and was originally in the possession of Bro. A. F. Shirran whose family presented it to the Lodge.
A sweetly voiced solo, "P a l m Branches," was then sung, feelingly and faultlessly, by Miss Strang.
Brief addresses followed by
T. W. District Grand Master, Scottish Constitution, Bro. John Cowan.
Grand Representative, Grand Chapter of Nova Scotia, Bro. C. S. Pinsent.
Worshipful Master of "St. John's" Lodge, No. 579, E.C., Bro. J. S. Currie.
Worshipful Master "Avalon" Lodge, No. 776, E.C., Bro. J. Nunns.
Worshipful Master Lodge "Tasker," No. 454, S.C., Bro. H. E. Cowan.
The closing address was given by Mr. Herbert Rendell, W.M. Designated "Whiteway" Lodge, which will be consecrated this evening.
Dr. Rendell said, in part:—
Deeply as I appreciate the honorable and responsible position which has been assigned to me, I must address you in another capacity than that of Master Designate of Whiteway Lodge, though inseparably associated herewith, for another honour has been conferred upon me and a heavier responsibility has been gently laid upon my shoulders. Lady Whiteway has asked me to speak on behalf of herself and family, and, in doing so, referred to me as one of Sir William's oldest friends. That remark will ever be a treasured memory. I only mention it now because it seems to me so characteristic of the great Mason who has gone from us, that gentle, kindly manner he had when conferring in honour, almost making one believe that, in receiving it at his hands, one was doing him the honour; and because it shows so clearly that his impress has been deep chiselled upon those he loved so dearly and yet left without a murmur at the summons of the Most High.
I am but feebly and inadequately expressing the sentiments of those to whom I refer when I say that this memorial to our late District Grand Master, and to their idolized husband and father, not only tends to soothe their sorrow and allay their grief, but it sends a deep vibration of gladness to their hearts to know that his brother Masons have, in some measure, formed a just estimate of the man as they knew him, and as I knew him, of those internal qualifications which we, as Masons, hold in such high esteem.
It may be that the Valkyries have already borne him to the halls of Valhalla, that can only be seen from higher and more distant peaks than ours, and probably will never be given his dear ones to know. Therefore, they welcome this present expression of esteem all the more warmly, all the more gladly; and bid me say to you that in the long years to come, when life's fires are burning low, the memory of this evening will be as it were a bright radiance to them, some gleam from which, they trust, may be permitted to reach their loved one.
In the unavoidable absence of Bro. Stott, the Deputy D.G.M., Bro. S. Collier, D.G.S.W., presented to Mrs. Clift a handsome engraved card case, in memory of her unveiling the Memorial; the D. G. M. briefly replying in her behalf.
The District Grand Secretary, Bro. Edgar, read the following telegrams from the various English Lodges:—
TWILLINGATE.
W.M. and Brethren of Twillingate Lodge rejoice in the fact that you are honouring the memory of our distinguished brother. Though unable to be with you in person, they desire to add their tribute of respect and esteem.

(Signed) NORMAN GRAY, W.M., THOMAS ARKLE, Secy.
In the Hall were present Mr. J. R. Goodson, M.H.A., and Mr. Cameron, representing Carbonear Lodge, R.S. The hymn, "All people that on earth do dwell," prayer led by Rev. Bro. Canon Bolt, Chaplain of Avalon Lodge, and "God Save the King," brought the memorable service to a close. In Masonic circles it may truly be said of their old leader, that "being dead, he yet speaketh."
Special music had been arranged for, Bro. Spry presiding at the organ, and several of the best singers among the Craft assisting in a part of the programme that added much to an occasion which will long remain in the memory of Masons as one of the most interesting functions witnessed in the handsome Temple.

Last night at the Masonic Hall the ceremony of the unveiling of a Memorial to the late Rt. Hon. Sir William Vallance Whiteway, P.C., K.C., M.C., D.C.L., took place. Deceased was District Grand Master for 29 years, viz. from 1878 to 1908. There was a large gathering of the brethren and special invitations had been extended by the D. G. M. to a large number of the lady friends of the members, their wives and daughters. The front seats were occupied by Lady Whiteway, Miss Whiteway, Mr. Max Whiteway, Mr. Justice Johnson and Mr. Vallance. The District Grand Master, Right Worshipful J. A. Clift, entered the Lodge accompanied by the District Grand Master Scottish Constitution, the Grand Representative of Foyal Arch Chapter of Nova Scotia, the officers and members of the District Grand Lodges and representatives of Shannon Chapter. The D. G. M. of Ceremonies, Mr. T. J. Duley, led the grand honors for the D. G. M. Rev. J. Thackeray, Chaplain of St. John's Lodge, then offered prayer, whereupon the hymn "O God our help in ages past" was sung. Bro. Clift, the W.D.G.M., then delivered the address. He said:
"We are assembled this evening for the purpose of paying a humble but lasting tribute of respect to the memory of one who for thirty years held the highest position in our fraternity in this Colony under the jurisdiction of the United Grand Lodge of England, and one who performed his duties as such with marked distinction and with more than ordinary acceptance to the Craft. He was a man that lived up to his Masonic obligations and was a 'good Mason.' You may ask, what do I mean by this
