FIVE POINTS RESPECTING FAITH MADE EASY;

OR,

WHAT TO BELIEVE, AND WHY.

A Popular Statement of the Doctrines and Evidences of Christianity in
the Light of Modern Research and Sound Biblical
Interpretation.

By REV. J. H. POTTS, M.A., D.D.

540 PAGES, CLOTH, \$1.50 NET, POST-PAID

The critics make the following essential points:

1. IT IS TIMELY.

This is a sceptical age, and an antidote is required. The *Baltimore Methodist* says:—"This book will help the believer to stop the mouth of the fool." The *Methodist Review* says:—"Of the many books issued from the religious press of the country, few are so well adjusted to the modern spectacle of agnosticism in collision with faith, or so adroitly uncover the strategic positions and the infirm methods of assault on one side, or so comprehensively proclaim the truth, with its auxiliary supports, on the other, as this substantial octave from one of the gifted writers of Methodism."

2. IT IS POPULAR.

It was made for the people. Bishop Newman remarks that "while it is scholarly for the scholar, it makes plain for the average mind. General Fisk pronounces it magnificent."

3. IT IS BRIEF, YET COMPREHENSIVE.

Most theologians require about three volumes in which to set forth the doctrines and evidences of Christianity, but here you have them in one volume of 550 pages. The *Religious Telescope* pronounces it "one of the best books in the range of theological literature." And the *Methodist Protestant* designates it as a specimen of "strong and vigorous thinking."

4. IT IS BRIGHT AND USABLE.

The *Westeyan Advocate* observes that there are "suggestions for many sermons in it." The *Sunday-school Journal* notes that "it is broken up into short articles, with a journalistic brightness in them which makes the book not only readable, but also enjoyable."

5. IT IS OF PERMANENT VALUE.

It will live when other books are dead. It is the author's favorite. The *Northern Christian Advocate* says: "The book is a noble one, that might well be the crowning work of a life. It is a book for the people and for every day." The *New York Christian Advocate* notes that it is "rich in the truths which have blessed many believers, and supported many when assailed by doubt."—*Western Christian Advocate*.

Objects of the Society.

(1) To assist in maintaining our UNIVERSITIES AND THEOLOGICAL SCHOOLS, and (2) to aid Theological Students in their education.

METHOD OF ADMINISTRATION.

One-third of the income of a conference is administered by the Conference Educational Committee, which is composed of four ministers, four laymen, the President, the Treasurer, and the Secretary. This third is charged with (1) Loans to Probationers attending College, who have travelled at least one year, made on recommendation of District Meeting; (2) Grants of fees, not exceeding \$20 each; (3) Expenses of Conference Examinations.

The remaining two-thirds, except in the case of Newfoundland and British Columbia Conferences, which retain their whole income for local purposes, are remitted to the General Treasurer.

SCALE OF GRANTS TO COLLEGES.

The funds remitted to the General Treasurer are charged with (1) one-half of salary and expenses of the General Secretary, and (2) grants to Universities and Theological Colleges on the following scale:

- Forty-three per cent. to Victoria University.
- Fourteen per cent. to Mount Allison University.
- Eighteen per cent. to the Wesleyan Theological College, Montreal.
- Eighteen per cent. to Wesley College, Winnipeg.
- Four per cent. to Albert College, Belleville.
- Three per cent. to Columbian Methodist College, New Westminster, B.C.

REPORT.

The General Conference of 1894 has made important changes in the legislation of the Church *re* the Educational Society and the educational equipment of young men for the ministry. All candidates are required to attend college at least two years unless under very exceptional circumstances in which the Annual Conferences may act. The Society has become connexionalized, and henceforth all the student probationers shall be treated alike in the matter of loans, with the exception of students at Wesley College, who shall have an increased loan of 15 per cent. in view of the greater expense of living in Winnipeg.

The one-third of the income of the Society available for students is quite inadequate to meet the necessities of the case, and it is feared that unless there shall be a very large increase in the income of the Society this year, the loans to students will not be more than about \$30 each, which is not more than half of what they should receive.

The new legislation will require the attendance at College of from 150 to 175 young men each year, two-thirds of whom require aid from the Fund to the extent of from \$50 to \$100 each. To meet this, not less than \$7,000 should be available as a loan fund for our students apart from the payment of fees which will require about \$3,000 more. The Conference, in the face of this fact, has largely increased the proportion of the Fund devoted to this purpose, setting apart one-third of the whole Fund, and leaving to aid the Institutions only

the remaining two-thirds, less expenses of conducting the Conference examinations and general management of the Fund. Last year the Fund amounted to something less than \$20,000. One-third of that amount would give us between \$6,000 and \$7,000 for the aid of students and payment of their fees, a sum fully \$3,000 less than is required to meet the necessities of the case. In view of this, the Conference has further directed that all increase of the Fund above \$21,000 be devoted exclusively to this aid fund up to \$25,000. The entire additional contributions, therefore, of our friends this year will be available for this special object, and we sincerely hope that such enlarged liberality as will meet the necessities of the case will be forthcoming in response to this appeal.

During the present quadrennium six colleges receive assistance from the Fund, and the students attending them loans, while the income of the Society in Newfoundland is utilized for the purpose of helping candidates for the ministry in that island at Mount Allison University.

The growth of the Educational Society has been encouraging, but we must make a great advance all along the line if we are to do the barest approach to justice to the young men who are preparing for the work of the ministry and the colleges that train them. This advance can be realized only by the securing of subscriptions, in addition to collections on all our circuits and missions. The attention of superintendents is respectfully and earnestly called to this important matter. The General Conference recommends that a collection be taken up annually in all our Sunday-schools for the benefit of the Fund. The importance of this can hardly be overestimated educationally or financially. The presentation of this claim to the Sunday-schools of the Connexion will lead

the young people to feel an interest in the work of education generally and in the education of the ministry in particular, and doubtless will be seed-sowing for large harvesting in the years to come.

Ministers and subscribers to the Educational Society are earnestly requested to ponder the importance of sustaining with increased liberality this Fund. The legislation of the Church requires young men to attend college, and yet does not provide adequately for their support at college. Our people are demanding an educated ministry, and the inference is manifest that they are prepared to aid in the realization of so desirable an object.

REPORTS OF INSTITUTIONS.

I. Connexional Institutions.

These are such as are vested in the entire Church, and are under the direct control of the General Conference. They are Victoria University, Toronto; Mount Allison University, Sackville, N.P.; Wesleyan Theological College, Montreal; Albert College, Belleville; Alma Ladies' College, St. Thomas; and Wesley College, Winnipeg. Their connexional character was affirmed at the union Conference of 1883, when it was resolved that the Colleges of the uniting Churches should have the same relation to the Methodist Church as they previously had to their respective Churches. Reports for the past year have been received from these several institutions, as follows:

VICTORIA UNIVERSITY, Toronto, was founded by the Methodist Church, in Cobourg, the corner-stone of the building being laid in 1832. In 1835 it was opened for students, as Upper Canada Academy, the Rev. M. Richey, M.A., being principal. In 1836 a Royal Charter was granted by His late Majesty King William IV. In 1841 the institution was changed to Victoria College, with university powers granted by the Provincial Parliament, the Rev. E. Ryerson, D.D., being the first president. In 1884, Albert University, Belleville, was consolidated with Victoria, and the name again changed to "Victoria University." Under the Federation Act of 1887, Victoria University was federated with the University of Toronto in 1890, and removed to Toronto in 1892. It has

now faculties in Arts and Theology, numbering 14 professors and lecturers. The number of students attending lectures in the faculty of Arts, 1893-94, was 167. The number of students in Theology for the same year was 130.

The roll of graduates now numbers: In Arts, 696; in Theology, 110; in Law, 134; in Medicine, 1,670; or 2,612 in all.

The University holds real estate, buildings and furnishings valued at \$335,000, and a net productive endowment, after providing for all outstanding obligations, of \$290,000.

The consummation of federation has furnished the students of Victoria University with the advantages of a professoriate in Arts of 31 men, in addition to their own College staff of 11, placing the institution on a par with the best universities on the Continent. All the degrees, honors, scholarships and prizes of the University are open to students of Victoria College on the same terms as to those of University College. The attendance of students in Arts has largely increased, and the new relations are proving of the most cordial and satisfactory character.

THE UNIVERSITY OF MOUNT ALLISON COLLEGE is the corporate name of a group of connexional institutions, situated at Sackville, N.B., and comprising:

1. The University proper, or Mount Allison University, embracing faculties in Arts and Theology. The University building, erected in 1883, is an exceedingly handsome edifice of brown stone, with chapel, library, class-rooms, laboratories, etc. The need of enlarged and improved residential accommodation for students has long been felt, and that want has been supplied by the erection of a spacious University residence of brick, trimmed with stone, elegantly furnished and capable of accommodating upwards of one hundred

boarders. A spacious parlor and bedroom are allotted to each pair of students. The University organization dates from 1862.

2. The Mount Allison Ladies' College, founded in 1854. This flourishing institution has a teaching staff of seventeen employed in its different departments. It is so related to the University that its students can take advantage of the University classes for their advanced work, while it affords a pleasant home for young ladies pursuing a regular Undergraduate course in the University. In 1890 the Department of Music was developed into a regular Conservatory of Music, employing six teachers, and a commodious building was erected especially for its use. During the year 1893 a collection of pictures, valued at \$50,000, known as "The Owen's Art Gallery," has been transferred to the College, and the Fine Arts Department has been placed under the direction of an R. C. A. of eminence, with two associate instructors. A new stone building, in which to house the collection, is now being erected at a cost of about \$25,000. This structure is 115 x 65 feet, and consists of three connected galleries and a suite of work rooms for the Art Classes.

3. The Mount Allison Wesleyan Academy. This institution, still in a flourishing condition, was founded in 1843, and was the gift to the Methodist Church of Charles F. Allison, Esq., who also contributed to the founding and maintenance of the University and Ladies' College by generous gifts and devises. The Semi-centennial or Jubilee of the institutions was celebrated with much enthusiasm in January, 1893. The Academy embraces, besides the ordinary outfit of such a school, a vigorous Commercial Department or College.

The number of students in attendance at the institutions last session was as follows :

THE WESLEYAN THEOLOGICAL COLLEGE, Montreal, was founded by the Wesleyan Methodist Church in Canada in the year 1873. In 1878 it was, by order of the General Conference of the former Methodist Church of Canada, incorporated and affiliated with McGill University. It is one of four Protestant Theological Colleges in Montreal affiliated with this University, and the second of them in point of attendance and equipment. In 1883 there were finished the commodious buildings which it now occupies. It has acquired from Parliament the power of conferring degrees in Divinity. No degrees in Course are given without attendance at lectures. Its work includes the following curricula :

- I. Preliminary Course, as prescribed by the General Conference.
- II. Matriculation Course, as prescribed by the University.
- III. Course in Arts, as prescribed by the University.
- IV. College Course for Probationers, as prescribed by the General Conference.
- V. Course for the degree of S.T.L., as prescribed by the Senate.
- VI. Course for the degree of B.D., as prescribed by the Senate.

The past year has been painfully eventful in the death of the late honored Principal, the Rev. George Douglas, D.D., LL.D., whose name will be perennial in the history of the Institution. By the unanimous action of the Board of Governors, the Rev. Prof. Shaw, D.D., LL.D., has been called to the vacancy so created, and Rev. J. Cooper Antliff, M.A. (Edin.), D.D., has been added to the staff. The Rev. Prof. Patton, B.D., has been granted leave of absence to pursue in Germany a Post-graduate Course in Semitic Literature, and his place has been filled by the Rev. Prof. Richardson, B.A., B.D., Acting Registrar.

The Institution enters upon its new phase of history with the firm determination of its authorities not only to maintain its efficiency, but also to enlarge its work and service for the Church, and to increase its financial strength.

THE ALBERT COLLEGE, Belleville, was begun by the former Methodist Episcopal Church of Canada, in 1857, as the Belleville Seminary. In 1866 it acquired the name of Albert College, with limited University powers, and in 1871 it obtained full University powers. In 1885, in consequence of the Methodist union of 1883, it became incorporated with Victoria University, continuing most efficiently its operations since then as a higher seminary and affiliated with the University. The Ladies' Department, known as the Alexandra College, is still most successfully maintained. Total number of students last year, 201.

COURSES OF STUDY.

- I.—Collegiaté Course, embodying elective Undergraduate Studies.
- II.—Junior or Senior Matriculation in Arts, Civil Engineering, Law, Medicine and Theology.
- III.—Teachers' Course, to prepare for Teachers' Examinations.

- IV.—Preliminary Course, as prescribed by the General Conference of the Methodist Church.

WESLEY COLLEGE, Winnipeg, was founded in 1873, and for a few years continued its educational work, when, owing to insufficient equipment, actual teaching had to be suspended. In 1877 it was incorporated by Act of Provincial Legislature, and in 1886 the Act of Incorporation was amended. In June, 1888, the Manitoba Conference placed itself in hearty co-operation with the Board of Trustees to establish the College in an active and honorable position, and in October of the same year the College was affiliated with the University of Manitoba. Provision having been then made for a Sustentation Fund for three years, the work of teaching was resumed, and the College has been in active operation ever since.

The need of such an institution under the auspices of the Methodist Church has been amply shown by the increased attendance each succeeding year since College work has been resumed. The number of students has, during the past six years, increased to over 70, and of those in attendance, the greater number are either probationers for the Methodist ministry or are preparing with that for their ultimate object.

The graduates in Arts from the College already number 28, among whom are some who have carried off the highest University honors, thus placing Wesley on a level with the other affiliated colleges in point of scholastic capabilities.

The Board of Directors has lately succeeded in purchasing a very suitable site for the College buildings. In his canvass for subscriptions to the Building Fund, Principal Sparling has been very successful, having already realized the handsome sum of about \$90,000, Messrs. Cox and Massey, of Toronto, coming nobly to his assistance with subscriptions of \$5,000 and \$20,000 respectively.

Building operations are being rapidly pushed forward, and it is expected that the new College, the corner-stone of which was laid with appropriate ceremonies on the 26th of June last, during the sitting of the Conference, will be completed and ready for occupancy by the opening of the session of 1895.

THE ALMA LADIES' COLLEGE, St. Thomas, Ont., for the higher education of young women under religious auspices, was incorporated by the Legislature of Ontario in the year 1877 and opened in 1881. It was founded by the Methodist Episcopal Church of Canada, and in 1883, by resolution of the General Conference, it carried into the United Church the connexional character which it formerly sustained. It is one of the best-equipped Ladies' Colleges in America. Owing to the very rapid growth of the school and the pressing demands for more accommodation, the Board of Management has erected a magnificent addition, 40 x 80 feet, five stories in height (known as McLachlin Hall), devoted to class-room and dormitory accommodation. This new building contains a chapel, with seating capacity of 500, and an Art-room, said to be unsurpassed in America. It is well lighted with a skylight 40 x 8 feet, and thoroughly furnished with apparatus, etc. Its average attendance is about 200 students. Its professors and certificated teachers number twenty. It has graduating courses in Literature, Languages, Mathematics,

Natural Sciences, Music, Fine Art, Commercial Science and Elocution.

It is now affiliated with Victoria University.

II. Conference Institutions.

THE METHODIST COLLEGE, St. John's, Nfld., has been conducted during the past two years in temporary quarters, with a good measure of success; but now the new College buildings, including Principal's residence and Home for pupil teachers and other non-resident students, have been nearly completed at a cost of about \$75,000, and will be occupied after present holidays. The College has good means of entrance and egress with spacious halls for intercommunication; is provided with ample class-rooms, large, very well lighted, well heated and well ventilated; and is well supplied with modern desks and seats, blackboards, etc. The first and second stories contain class-rooms for Kindergarten and Model Schools of Primary Department, also for classes in the College proper, besides Laboratory, Library, Gymnasia, Young Men's Institute. The third story contains music-rooms, organ arrangements, and lecture-hall. The Home will be a great improvement upon the former one in adaptation to the needs and comforts of a boarding establishment. This department sustained recently a great loss by the decease of Rev. George P. Story, whose office of Guardian and Chaplain has been filled by the appointment of Rev. Mark Fenwick.

Last year 97 pupils were enrolled in the Primary School and 192 in the College proper. The staff has recently undergone some change; but the Board has been fortunate in obtaining good supply, so that Principal Holloway and teaching faculty, now entering upon the year's work in their improved conditions for success, are confidently expected to

lead forward to even better results than those secured before the disastrous fire of July 8th, 1892.

Deep gratitude has been expressed by the Methodists of Newfoundland towards their friends in Canada, who have generously aided to restore the College buildings.

III. Proprietary Institutions.

THE WESLEYAN LADIES' COLLEGE, Hamilton, is too well known to require extended remarks. It has just closed its thirty-fifth year, having been organized July 6th, 1860, and has made a splendid record. Its graduates are counted by the hundreds, and thousands of young ladies have been educated in its classes.

Its Faculty are all honor graduates of Universities and Colleges, and can prepare its students in any University work. The Curriculum covers every subject taught in any Ladies' College in the Dominion. The Conservatory Faculty are all specialists. Thoroughly qualified teachers have charge of Elocution, Book-keeping, Shorthand, etc. The discipline and supervision of the institution are proverbial; not an accident of any kind has ever happened to a pupil while in attendance. The building has over 150 rooms. Erected for a first-class hotel, its halls, dining-room and parlors are on a scale far beyond that usually found in Ladies' Colleges. No building in the land could have a better health record. It is still under the presidency of Dr. A. Burns, which is a guarantee that, educationally, it must continue in the very front rank.

THE ONTARIO LADIES' COLLEGE, at Whitby, is one of the most progressive institutions in this country. A finer location for a college in close proximity to a large city can scarcely be imagined. A large and gifted Faculty, elegant and comfort-

able buildings, a new gymnasium and every modern means of amusement and exercise render it a delightful home for the higher education of young women. Pupils are regularly prepared for third-class, second-class and first-class teachers' certificates and for all the University examinations through the third year. The Faculty comprises the largest number of University specialists of any Ladies' College in Canada. Music pupils are prepared for the degree of Bachelor of Music. The Fine Art, Elocution and Commercial Departments are not surpassed, if indeed equalled in Canada. The Rev. Dr. Hare has been Principal since the inauguration of the College in 1874. Number of students, 1893-94, 140. Day pupils are not admitted to the literary classes, except in one or two special cases.
