

GOOD THINGS COMING TO THEATRES OF ST. JOHN

RICH VAUDEVILLE AT OPERA HOUSE TODAY

The vaudeville bill of fare at the Opera House today served a la carte of the griddle, offers Russell Wright and Drury in a comedy musical sketch, "The Songsmiths"; Lee Stoddard, the Human Phonograph, in comely imitations of music and jolly chat; Faber Brothers, sensational exponents of the art of physical culture and hand balances; Olive May, classy singing comedienne; Gladstone and Mathews in comedy songs and step dances; and the second chapter of the new serial drama, "The Tiger's Trail," with Ruth Roland.

IMPERIAL'S PLANS FOR NEXT WEEK

Imperial Theatre will return to its moving picture policy on Monday at 2 p.m., with Miss Murray's great drama, "The Scarlet Shadow." Wednesday and Thursday the great "Nagimov" will be seen in a powerful production, "Eye for an Eye," and Friday and Saturday the chapters of the serial, "The Carter Case," making up for the chapter missed this week because of the opera. On Thursday, the 12th, the Y. M. C. A. St. Peter's church will put on George Cohan's "Forty-Five Minutes from Broadway" at the Imperial at the second show afternoon and evening.

FRANK KEENAN AND "BILL" HART

These two rough and ready boys (old boys) will appear at the Star Theatre Monday and Tuesday. Frank Keenan, as a gentleman in "Told of the Times" and William S. Hart, as a rough character in "The Great Divide." Two excellent features.

PUBLIC HEALTH NOTES

In a previous note something was said respecting the importance of dryness in dwellings, in connection with the three absolutely essential points in the hygiene of housing, viz., dryness, light and space.

Light goes along with dryness in making for hygienic living, in a peculiarly close way. Light is one of the supreme enemies to the growth of almost all low forms of vegetable life, to which the great majority of harmful germs belong.

Now dryness is another enemy of low vegetable life, and so, when both are combined, we have the best possible natural factors for restricting unhealthy growths and conditions.

Of all ordinary forms of light none can compare with that given by the sun, so far as respects hygiene. It is really the best disinfectant we possess, and, unlike most disinfectants is neither unpleasant in its qualities, nor poisonous. It can be readily seen, therefore, why light, that is sunlight, is so fundamental to the healthfulness of a house. Practically, it can only be admitted through windows, and these should be of such extent as to equal in lighting space ten per cent of the area of the room to be lighted.

A dark room, that is, one not provided with direct sunlight should not under any circumstances be used as a living or sleeping apartment. "Borrowed" lighting, meaning an attempt to admit light from another room or apartment, is at no time sufficient to overcome the want of direct sunlight. This resource may do something to render a room, such as a bathroom, or a closet, or a corridor more accessible, but is far from supplying light enough for living purposes. Dark rooms are objectionable from another standpoint—that of cleanliness. Because of the very fact that they are dark is a frequent cause of dirt being overlooked, thus adding to their insanitary condition.

For this reason (the need of sunlight) cellar dwellings, that is living apartments, lower than the surrounding ground level, are always to be deprecated. Such rooms are almost impossible to properly light, and dampness, in any other element, which, when combined with comparative darkness, makes for distinctly unhygienic conditions.

Overcrowding, or lack of sufficient living space in a house, holds the third essential thing to be guarded against in housing. Two rooms and three room apartments for a family are only too common. Unless the family consists of but two at most, three individuals, it is impossible to carry on hygienic living under such conditions. Cooking, living and sleeping rooms, for instance, should all be separate, and devoted only to the purposes which their names imply. This is especially important as regards cooking and sleeping apartments. The evils here are reciprocal. The air of the kitchen makes it quite unfit for habitation and nightly sleep, while the sleeping apartment atmosphere is very liable to contaminate food consumed or kept there. In all good nursing rules, as is well known, it is emphasized that no food should be kept in the bedroom of the patient, except while it is being consumed, and the bedrooms of sick persons are only a little more important in this respect than those of healthy persons.

Notice of Births, Marriages and Deaths, 50c.

DEATHS

MARTIN—At the residence of her son, 15 Delhi street, after a long illness, Mrs. Isabelle Martin, leaving two sons and one daughter to mourn.

LOWE—At the residence of her son, J. G. Lowe, 99 Erin street, on the 5th inst., M. Alice, widow of Thomas Lowe, leaving two sons and two daughters to mourn.

WILSON—At West St. John on June 5, Annie, daughter of the late Jarvis and Helen P. Wilson.

FUNERAL on Saturday from 99 Erin street, at 2:30 o'clock daylight time. Interment at Fernhill. No flowers, by request.

IN MEMORIAM

BONNELL—In loving memory of Walter Burpee Bonnall, who fell asleep on June 5th, 1918.

Increases Your Weight, Restores Lost Strength, Prevents Illness

Every day come new converts to that great army of men and women who rejoice in new-found health that came to them through the use of that wonderful blood-renewing preparation called "FERROZON." Very simple how it acts. All you have to do is take two tiny chocolate-coated tablets with a sip of water at the close of each meal.

Of course digestion must be improved, and probably the stomach will require aid as well. Ferrozone serves the purpose admirably. Those who use it, enjoy appetizing and digestive food far beyond the ordinary.

That tired feeling is replaced by the buoyant, joyous sensation of health and vigor. Day by day as your strength increases, you feel new energy surging through your veins, and know a great tonic of great merit is at work.

TRIBUTE WAS PREMATURE

Detroit, June 7.—Among the names engraved on Detroit's big "Liberty Statue"—the monument erected by the city to its heroic sons, who died fighting in the recent war—appears that of Chas. J. Van Hove, sixth regiment of marine.

M. R. A., LTD., SUBURBAN SERVICE

In consequence of the recent ruling of the railway companies not to receive any parcels at the baggage room or carry parcels on the trains for suburbanites as heretofore, Messrs. M. R. A., Ltd., have been endeavoring to work out a system to deliver their parcels to their many suburban customers in the most up-to-date and satisfactory method possible.

LOCAL NEWS

DOG DAY. Magistrate Ritchie announced this morning that Friday, June 20, will be dog day in the police court.

In honor of Rev. I. C. and Mrs. Archibald, returned missionaries from India, a reception was held last evening in Main street Baptist church. A pleasant evening was spent.

A beautiful life-size portrait of John McSweeney, has been presented to the Natural History Museum by Miss Mary Robinson, his niece. He was the original owner of the building.

At the end of the course in household science, held in the Women's Institute, examinations were written yesterday by the pupils. Free instruction in sewing and cooking is to be continued with Miss Ross as teacher.

Mrs. D. W. Puddington presided at a meeting of the King's Daughters yesterday. Mrs. W. Smith was appointed matron in the chair. He reported that the civic employees were now all organized. Delegate Murphy reported in behalf of the Machinists' Union that they had twenty-one new members.

The Trades and Labor Council held a meeting last evening in Oddfellows' Hall Union street, with F. A. Campbell, the president in the chair. He reported that the civic employees were now all organized. Delegate Murphy reported in behalf of the Machinists' Union that they had twenty-one new members.

Another large crowd attended the Oddfellows' fair in St. Andrew's rink last evening. The door prize was won by ticket 699. In the bean toss, Miss Irene Kelly won the ladies' prize, and Mr. Gilliland the men's. Miss Kelly also took part in the athletic competition. The City Cornet Band gave another attractive programme.

RECEIVED FIRST COMMUNION. Between 110 and 115 children of the Cathedral parish received their first Holy Communion in the Cathedral this morning. The mass, which was celebrated by His Lordship Bishop LeBlond, commenced at 8 o'clock and the church was filled with relatives and friends of the communicants. His Lordship spoke a few words to the children and their parents before administering the Holy Sacrament. Rev. Wm. M. Duke assisted the bishop in the services.

TEACH THE CHILDREN TO BE VERY CAREFUL

The following is a copy of the Ontario Safety League 1919 "Letter to Parents" which will go into thousands of homes in Ontario during the month of June. This is the fifth year they have issued this letter and it is being distributed in the safety days right into the homes has been extremely beneficial.

To Mothers and Fathers in Ontario: This "Letter" is sent to you to be read by you and others interested in children. It is a reminder of the safety work being done by this league in Ontario—work in which you and your neighbors can assist.

Today it is necessary that everyone should be taught safety. Every child must be taught to be careful so that he or she will grow into a careful man or woman.

Don't leave all the teaching to the teachers at the school. Teach them to the children for the country needs them. Habits are easily formed. Give your children the safety habit. Teach them:

- 1. To look before crossing a street.
2. That it is dangerous to get on or off moving street cars.
3. That giving a motorist a "dash" is a foolish thing.
4. Fire and matches are not play things.
5. Year by year the league distributes hundreds of thousands of copies of literature in schools, street cars and factories. Today we send you this letter asking you to help in teaching safety, and in making this city a safe place for all. Will you help? There are so many of you who look at other people and say, "How do you do it? To take such chances," and then go blindly by some serious danger in our homes.

When there are children about, keep an eye on the match box; never leave boiling water where a child may pull it over or fall into it; hammer down the nails in all older buildings; keep the stairways clear of obstructions; turn the house into a safe place for the kiddies. Accident prevention and fire prevention are today a common duty upon all citizens. What is everybody's business is usually nobody's business—but teaching children to be careful is part of your business, and we ask your co-operation.

See Them Smiling

Watch the expression of delight in Jimmy's eyes. Observe the broad grin on Dad's face. They know, and were careful not to eat too much beforehand. That's the only fault with Pure Gold Quick Puddings—they're so good the family is never satisfied. But mother doesn't mind because it only takes her a few minutes to prepare them. Order a supply from your grocer. Tapioca, custard and chocolate, 15 cents a package.

Pure Gold Desserts QUICK PUDDINGS. Pure Gold Manufacturing Co., Ltd., Toronto

Great Western Petroleum Corp.

CAPITAL STOCK \$5,000,000—SHARES \$5.25 ALL COMMON NON-ASSESSABLE

A Producing, Refining, Marketing, and Transporting Company, owning 14 producing oil wells, a 3,000 barrel refinery, 114 all-steel tank cars, 70,000 acres of oil leases, storage warehouse, pipe line, and filling stations in seven different States. Investigated and licensed by the U. S. Capital Issues Committee. Rated in Bradstreet's \$500,000 Highest Credit, 3 dividends paid to date. An unusual investment, offering a high degree of safety, with unlimited possibilities for profit. Its stock is backed by millions in tangible assets. In size, Great Western is about the fourth largest independent oil corporation in America. In production and earnings she is also fourth. The difference represents possibilities.

OIL IS THE MASTER-MONEY-MAKER OF THE AGE, 89% of the oil producing companies are successful according to statistics, \$200,000,000 has been invested in the Texas fields, and \$120,000,000 already returned, in months only. Bark-Wagoner Company paid \$88. for every \$1 invested. Fowler Company paid \$75,000 for every \$500 invested. Vandave paid \$88%. Marine Co. 1,500%. Sunday New York Sun, feature article, stated Texas Pacific Co. stock increased from \$185 to \$210 a share, and their property valuation increased in three years from \$6,000,000 to \$108,000,000. Drilling statistics show 247 wells drilled in April. 89 were dry and 208 were oil wells, producing 46,000 barrels, or about \$115,000 daily in oil. In March 127 wells were drilled in Burkhill field area with only 4 dry holes. The 128 oil wells paid for the four dry holes in TWO DAYS, producing \$2,000 barrels daily, or \$125,000 in oil in two days. And some people still say that oil is a gamble! The oil industry shows 83% SUCCESSFUL WELLS, other lines of business show 60% FAILURES. Statistics prove it. Avail yourself now—today—of this opportunity to learn more of these real money-making securities. If you are "striking" for larger dividends—invest hold the key.

WILL THE BOY WHO TOOK BY mistake auto wheel coaster from Dr. Walker's back yard return same immediately? 101118-6-9

PERSONALS Miss Dacre Walker of Andover, Mass., and Miss Rachel Walker of Boston are visiting Dr. and Mrs. Walker, Princess street.

Lieut. C. C. Thomson, of Montague, P. E. I., formerly of the 26th Battalion, passed through the city last night on a visit to Boston and New York.

G. G. Schofield left last night on his return to Boston after a visit to his mother, Mrs. W. F. Fenwick, Fairville, and friends in the city. It was his first visit in nine years and numerous friends were glad to see him again.

The many friends of Captain G. H. Edgecombe will be pleased to learn that he has arrived home from Toronto, where his battery, the 23rd, was demobilized. Captain Edgecombe is the son of A. G. Edgecombe of Princess street.

Mr. and Mrs. William Ryan will leave for Boston on the way to New York for a two weeks' visit.

FUNERAL TODAY. The funeral of Mrs. Alice M. Lowe will take place this afternoon at 2:30 from the residence of her son, J. G. Lowe, Erin street. The service will be conducted by Rev. A. H. Crowfoot and interment made in Fernhill.

JUDGES DEFY THE NEW RHENISH GOVERNMENT. Weichsenau, June 6.—(By the Associated Press)—Opposition to the Rhenish republic is growing here each day. The judges of the province are the latest to defy the new government and with court employees have declined to recognize the legality of the regime headed by Dr. Dorten.

The Evening Times and Star

ST. JOHN, N. B., JUNE 7, 1919

The St. John Evening Times is printed at 27 and 29 Canterbury street, every evening (Sunday excepted) by The St. John Times Printing and Publishing Co., Ltd., a company incorporated under the Joint Stock Companies Act.

THE RETURNING SOLDIERS.

It was highly gratifying yesterday afternoon to note the hearty welcome extended to the men of the 44th Battalion. The civic half-holiday enabled the people to get out and line the route of march.

A REMEDY SUGGESTED

The Toronto Globe observes that it has taken the government and many members of parliament a long time to discover that the high cost of living is one of the prime causes of industrial unrest and strife.

The Globe does not take too seriously the announcement that members of the commons are taking the bit between their teeth in the determination that parliament shall forthwith address itself to the biggest problem of the present, viz., the industrial unrest and the high cost of living.

"A lot of good that will do to the man who at this moment is having his rent raised beyond the point at which he can pay it and also buy the essential stocks of food necessary to keep life within himself and the members of the family."

SMOKE MACDONALD'S INDEX

But the Globe has a remedy, as follows: "What is needed more than anything else just now is the appointment of a man with courage, above all party influences and persuasions, clothed with the power to enter into any establishment for the manufacture, sale or storage of food products and to conduct an inquiry on the spot into the profits they are making and the amount of foodstuffs they are carrying."

Hon. F. B. Carvell announces that he will support the budget but reserves full liberty to express his views regarding the fiscal policy to be adopted after demobilization. He will support union government until the task for which it was formed is completed.

Those who say nothing should be done in regard to vocational training in St. John until a huge expenditure can be made are simply attempting to deny working boys and girls, as well as those of high school age, an opportunity to fit themselves better to earn a livelihood.

Attention is once more directed to Ottawa, and to the budget debate, which promises to be of the greatest interest as an indication of how the political cat will jump. An old-fashioned tariff dispute has the centre of the stage.

Replying to a question as to the relative cost of production and the cost to the consumer, Hon. A. K. MacLean said the other day that the labor department had the cost of living constantly under observation. To this the Montreal Herald replies: "To say that the labor department has the cost of living constantly under observation means nothing as far as the public is concerned."

Are the citizens of the south, east and west ends getting behind their Improvement Leagues to have the playgrounds ready for the fullest use by the time the summer holidays begin? How many of them have offered a little personal assistance? How many have even visited the playgrounds? How many of them care a hang whether there are any playgrounds for the boys and girls?

The week-end cables concerning the European situation are not altogether cheerful in tone, but that is not a new development. Next week should see the plans for vocational training in St. John advanced a stage.

A revival of seamanship in St. John would be a fine thing for our young men. Today's despatches suggest that the end of the Winnipeg strike may be near.

RECENT DEATHS

The death of Mrs. Isabelle Martin occurred last evening at the residence of her son, 15 Delhi street, St. John. Mrs. Martin had been ill from cancer for several years but had borne her suffering with remarkable patience. She leaves two sons, Harold W., of Vancouver, who arrived home from overseas last Friday, and Arthur, a C. P. R. brakeman, and one daughter, Mrs. Ronald McAllister; also four step-children, Fred, George, Mrs. W. Gormley and Mrs. S. G. Logan, all of this city.

A pension of \$800 per annum has been provided for H. P. Steeves of Sussex, who has retired as director of elementary agricultural education. Half of this amount is a school teacher's pension and the balance an annuity provided through the agricultural department. A. C. Gorman of Kings county, who has been appointed to succeed Mr. Steeves, will receive \$1,600 a year.

MORNING NEWS OVER THE WIRES

Grace, only daughter of W. W. Bent, station agent at Lawrenceville, N. S., was drowned on Thursday while swimming near her home.

Fire broke out last night in the lumber yards of Messrs. Champoux, St. Anne, Quebec, opposite Campbellton, N. B., and threatened the destruction of considerable property. Assistance was called for from Campbellton.

Placing Canada on the map of trade, is the happy way in which W. B. Ramsay, Montreal, who represented a group industry in London, and who has brought back heavy orders to Canada, describes the work of the Canadian Mission in London.

HEARTY WELCOME GIVEN THE 44TH BY THE CITIZENS

After the arrival of the 44th Battalion in King Square yesterday afternoon, Brigadier-General A. H. Macdonnell, C. O. C. M. D. No. 7, was introduced by Mayor Hayes and gave a few words of hearty welcome to the troops on behalf of the military district. Mayor Hayes, on behalf of the citizens, welcomed the troops back to Canada and to New Brunswick.

INDIAN HERO WITH THE 44TH

Amongst the soldiers who returned with the 44th Battalion, of Manitoba, was Sergeant Foster, a full blooded Indian, who fought through every engagement and won the D. C. M., and the Military Medal with bar.

Brunswick Lieutenant-Colonel R. D. Davies, D. S. O., O. C. of the battalion, amidst loud cheers from the men and the crowds, thanked the general, the mayor and the citizens for the splendid welcome given the battalion.

Colonel Davies has a long and honorable record with the army, having been through the South African war, being wounded once. He is originally from Winnipeg, where the battalion was first organized.

Speaking as O. C. of a battalion that was officially recognized as a New Brunswick unit and made up almost

KING STREET • GERMAIN STREET • MARKET SQUARE •

wholly of New Brunswick men, he said that they had never once failed during the stress of battle and his desire would not let the occasion go by, as he considered it a duty to say a word in favor of the men who as drafts had come to the battalion and had been placed in military service under the M. S. A. He remarked that it was probably not a very popular thing to say but still the men who had come from this province under the M. S. A. had proved themselves just as good fighters as those who went before them under the voluntary system. He remarked also that as far as his battalion went, and he had received a large number of men under the M. S. A., there had never been even one deserter. These remarks were greeted with cheers by the crowd.

Colonel Davies spoke briefly of the late Colonel McKenzie, who as O. C. of the 26th Battalion had been killed in action. He said he knew him personally in France and that he could assure those listening to him that he left a heritage that would never die styling him "a famous man of the far domain."

Lieutenant-Colonel D. R. Davies, D. S. O., and all his officers, also all the officers of the dispersal station and the district depot, were invited by His Worship Mayor Hayes, to dinner, at the Union Club, last evening. Some of the officers on account of their duties were forced to decline.

spread by the firemen across this area-way at the eighth story, and then Engineer Timothy Fitzpatrick, of English Company 224 volunteered for the rescue work. While firemen on the ninth floor, by talking and knocking on the door of her room, kept Mrs. Canda's attention, Fitzpatrick, with a fire department life belt buckled around him, and a rope attached thereto, held by a dozen of his comrades, dropped from a window on the tenth floor, immediately above that of Mrs. Canda's room. Swinging in, after the drop, Fitzpatrick toppled the surprised woman from the window ledge to the floor of the room, where, with immediate slack given to the rope by the firemen, he was able to hold her until the firemen in the corridor could enter by means of a pass key.

Mrs. Canda, who seemed to be in an extreme state of nervousness, was taken to a hospital for temporary treatment. Fitzpatrick escaped injury.

The annual reception of the Normal School students was held in Fredericton last night. Otto Miller of St. Martins, was the valedictorian.

SAVES WOMAN FROM HIGH WINDOW LEDGE

Fireman, Dropping by a Rope, Hurls Mrs. Canda Inside To Safety

Had Threatened to Jump—Suffered from Nervous Disorder Left Home and Was Traced to Hotel Room in Brooklyn

New York, June 7—Firemen saved a woman, who, supposedly suffering from a nervous disorder, was threatening to jump from a ninth story window of the Hotel Bossert, at Montague and Hicks streets, Brooklyn. Spectacular methods had to be employed to reach the woman, sitting on the window ledge, as she had warned her would-be rescuers that she would jump if they attempted to break down the locked doors of her room.

The woman was Mrs. Lillian Canda, the wife of M. M. Canda, a dealer in building material, living at 121 Eighth avenue, Brooklyn. For some time Mrs. Canda had been suffering from a nervous ailment. She left her home and took a room on the ninth floor of the Hotel Bossert. She was traced to the hotel by her husband and other members of her family, but refused to admit them to her room, threatening to jump from the window if they attempted to enter.

Convinced of her earnestness, and unable to devise other means of rescue, the family telephoned to the fire department for help. Assistant Chief Joseph B. Martin and Deputy Chief E. W. Gooderson went with the men of Engine Company 224, and Hook and Ladder Company 118 to the hotel. Realizing, after much persuasion and argument, that to attempt to enter her room would mean that Mrs. Canda would take the threatened leap, the firemen finally resorted to a ruse.

The window, on the ledge of which Mrs. Canda sat, overlooked an area-way, or inside court. A life net was first

"What SHALL I Do?"

"How shall I get past this crisis? What will come next?"

These are the questions which are to-day causing keen mental anxiety to many business men and making them old before their time.

After the four years of exceptional strain during the war many a man finds himself now burdened down as never before with problems—financial and otherwise—which are more than he can solve.

Is it any wonder that the nervous system gives out? Is it any wonder that there comes moments of discouragement and despondency?

There is nothing which breaks down nerve cells so rapidly as mental anxiety or worry if you choose to call it that.

And it is under just such circumstances that Dr. Chase's Nerve Food proves of very great benefit, for it supplies to the human system the very ingredients from which Nature rebuilds the wasted nerve cells and restores the mental vigor.

The headaches, the brain fog, the sleeplessness and indigestion, which are the usual accompaniments of exhausted nerves, soon disappear when the rebuilding process is established by the use of Dr. Chase's Nerve Food.

For the man in the office as well as for the woman in the home Dr. Chase's Nerve Food has proven the best means obtainable of restoring tired, starved nerves to health and vigor.

Try it when you are tired and brain weary and feel inclined to look on the dark side of things, for these are the indications that your nervous system is in need of nutrition which it is not obtaining from the food you eat.

Dr. Chase's Nerve Food, 50 cents a box, 6 for \$2.75, all dealers, or Edmondson, Bates & Co. Ltd., Toronto. Look for the portrait and signature of A. W. Chase, M.D., the well-known Receipt Book author, on the box you buy.

RECEIVED AID FROM FORD

Mount Clemens, Mich., June 6.—Three women, wives of soldiers who joined the colors for service on the Mexican border in 1916, testified for Henry Ford in his \$1,000,000 libel suit against the Chicago Tribune. They were Mrs. Maile Richards, Mrs. Floyd Bertaw and Mrs. Gertrude Baker. Mrs. Baker, admitted on cross-examination that she had lied to get her husband out of the army under the dependency law, asserted that the ends of justice sometimes required a lie, and added, "Uncle Sam doesn't save the truth, either."

The husbands of each of the women were Ford employees, and two of them testified that they began to receive relief payments from the Ford educational department about a month after mobilization of the guard.

REFORM FOR IRELAND PROMISED TO WILSON?

London, June 7.—The Daily News prints the following from an Irish correspondent: "There has been a vast amount of speculation regarding the intentions of the government toward Ireland and the prevailing idea is that the government will at once be taken in hand."

HEAD OFFICE -- TORONTO

ST. JOHN, N.B., Branch J. M. CHRISTIE, Manager

COL. ADAMI APPOINTED.

McGill Professor Goes to University of Liverpool.

(Montreal Gazette.)

That the University of Liverpool, England, has decided to offer its vice-chancellorship to Lieut.-Col. J. G. Adami, professor of bacteriology at McGill University, was the statement made in a cable despatch received yesterday. The name suffered in transmission, so that the statement might have been taken to apply to another member of the professorial staff, were it not that the chair which Lieut.-Colonel Adami holds was mentioned. For the past four years Lieut.-Colonel Adami has been overseas as an officer in the Canadian Army Medical Services, during most of which period he has been engaged at Canadian headquarters in London upon compilation of C. A. M. C. records, with a view of issuing a complete record of the work done by the Canadian medical services. It was only recently that he issued a work dealing with the subject. No one in Montreal had any knowledge of the appointment, yesterday, the only information being that contained in the despatch.

A cable received by the Gazette through the New York Times states that Colonel Adami has been appointed to the post.

SMOKE MAGDONALD'S INDEX

Will a Slaughter of Jews Be Next European Horror?

While the sporadic persecutions and massacres of Jews in Russia, Poland, Roumania, and the Ukraine, already reported, are disturbing in themselves, they are but scattered sparks compared to the conflagration some observers foresee. Thus William G. Shepherd, in a Paris dispatch to the New York Evening Post says that not only leading Jews in France but even notable Russian authorities, including Kerensky, "admit the possibility that the next Russian horror will consist of attacks on Jews." In the course of a dispatch from Paris a correspondent to the New York Day, a Jewish paper, says regarding the massacres in the Ukraine that "the purpose is apparently to exterminate the entire Jewish population."

Regarding the reported persecution of Jews in Poland, Rev. Dr. H. Pereira Mendes, of New York, declares that that country "is now at the bar of the world's judgment, for the world has to choose between Turkish atrocities in Armenia, German atrocities in Belgium, and Polish atrocities in Poland."

Poles in New York, and the new Polish Premier Paderewski, deny that pogroms have occurred in Poland, and characterize these charges as anti-Polish and pro-German propaganda. To substantiate these denials the Polish Information Bureau cites Dr. Vernon Kellogg, recently returned to New York from Poland, who in an interview published in the New York Times stated that while "there were constant rumors of difficulties of one kind and another between the Jews and the Poles," he did not find evidence of any widespread massacres.

HOME BRANCH SOLDIER SETTLEMENT BOARD

Mrs. Jean Muldrew, a prominent educationalist, has been appointed director of the home branch of the Soldier Settlement Board, and will begin her duties at once.

Mrs. Muldrew was lately director of household economy for the Canada

MRS. JEAN MULDREW
Director Home Branch
Soldier Settlement Board

Food Board and was active in promoting economy and thrift in connection with home management. In one year she gave 175 public addresses in most of the large cities and towns in Canada and prepared a publicity campaign touching various questions of household science. One of her chief duties was to visit the Women's Organizations in every province for the purpose of enlisting their co-operation in saving food for the saving food during the war. To her efforts there was a most satisfactory response on the part of the women of Canada. She was able to assist in creating such a spirit of thrift and a determination to "win the war" that in

ROYAL VICTORIA COLLEGE

MONTREAL
A RESIDENTIAL COLLEGE FOR WOMEN STUDENTS ATTENDING MCGILL UNIVERSITY
Founded and endowed by the late Rt. Hon. Baron Strathcona and Mount Royal.
Courses leading to degrees in Arts, separate in the main from those for men, but under identical conditions and to degrees in music.
Applications for residence should be made early as accommodation in the College is limited.
For prospectus and information apply to THE WARDEN.

cities where statistics were prepared there was a reduction of the amount of kitchen garbage amounting to from 50 to 75 per cent. Mrs. Muldrew "regrets to report," however, that since the armistice the amount of garbage in these same cities has been increased about 50 per cent, which indicates that many still fail to realize the urgency of economy in household matters now that the war has come to a close. "Isn't that astonishing," exclaims Mrs. Muldrew, "with thirteen hundred million dollars of a debt to pay!"

At Macdonald Institute, where her husband, the late Dr. Muldrew, was the first Dean, Mrs. Muldrew trained as a specialist in household science. She was for a time house mother of Macdonald College, St. Anne's, Quebec, and later was principal of Red Deer Ladies' College, Alberta. When she took on the duties of director of Household Economy for the Canada Food Board she was assistant superintendent and librarian of Women's Institutes for Alberta.

In connection with her new work, Mrs. Muldrew plans a campaign for the improvement of home conditions on the farm. Her ideas are altogether practical. She is at the service of the women who are going out on the land with their husbands, and is ready to answer correspondents who may need help at this time.

Her work will demand a familiarity with conditions in all parts of the Dominion. She has lived for years in Ontario, Quebec and Alberta, and has lectured in every other province.

Trade groups of Canadian producers to marshal our forces and to shape our ideas for going after a bigger share of the after-war trade overseas are being favored by the Canadian Trade Commission.

OLD SONGS AND NEW.

Comparison Shows There Has Been No Perceptible Degeneration.

The closing session of the conference of music supervisors held here last week was marked by an address by one who said that the new popular pieces are "degenerating in a musical sense and are poor in composition." The speaker voiced the sentiment of mature age, of that mature age which feels that its voice cannot be depended upon; of that age which does not attempt singing except under the mellowing influence of a banquet, but which retains some knowledge, acquired years ago, of rhythm and harmony.

To mature age, which is somewhere about fifty, the titles of the songs so "popular" today, are conducive to nausea and to hear a youth, as he goes along the street, ejaculate "ja da" suggests to mature age that the youngster should be sent to an institution at Mansfield. Age may be right so far as all this goes and yet age is prone to take this view of the attentions of youth, forgetting that in its younger days it was not always in love with wisdom.

Fifty years ago youth caroled "Shoo Fly" and "Captain Jinks" which songs lacked as much in the way of music and sentiment as the products of today. The Spanish-American War is twenty years back of us and yet the soldiers who went forth to that, singing various things as to the likelihood of a hot time in the old town tonight were not hymning a masterpiece, and, thinking of that popular song, one may feel that the songs of the great war from which we have just emerged show an improvement over that

PRESERVE the LEATHER

which is linked with the war with Spain. Yet, as the old hymn has it, "he that is down need fear no fall," so, having reached zero in the matter of "popular" songs, we may have touched a point where improvement may be looked for, and we shall produce something to be classed with the productions of Foster and Work. Now, in the day of "ja da," that time seems a long way off, but a change is bound to come and it

must of necessity bring something better than we now have. Being at the bottom of the hole any movement must succeed.—Hartford Courant.

A huge market for Canadian farm produce exists in Great Britain where, according to the trade commission, our imports only amount to 11.2 per cent of the eggs consumed; 21.2 per cent of the butter; and 21.4 per cent of the beef.

PLAYGROUNDS PLANS

The six supervised playgrounds will open this year on Wednesday, July 2. This decision was arrived at by the executive of the playgrounds association last evening at its regular monthly meeting in the Y. M. C. A.

Mrs. W. E. McIntyre reported for the committee on teachers, naming the following, the first named in each case being the supervisor and the second her assistant: Allison, Miss Emma Heffer and Miss Ena Higgins; Centennial, Miss Elsie Trentowsky and Miss Doris Woodworth; Aberdeen, Miss Kathryn Gallivan and Miss Eva Lettney; Alexandria, Miss Kathleen Lundy and Miss Beatrice Fleet; King George, Miss Helen Macdonald and Miss Olive Harding; Carleton, Miss Julia Curry and Miss Jean Macdonald. The report was adopted.

The following visitors to the various playgrounds were named, each having power to add and each being requested to enlist the interest of as many others as possible: Allison, G. M. Lingley, Mrs. J. H. Doody and Mrs. A. M. Bell; Centennial, Mrs. M. E. Agar, Dr. Margaret Parks and Miss Goodwin; Aberdeen, H. H. McLellan, R. S. Ritchie, Mrs. A. C. D. Wilson and Mrs. George Gishart; Alexandria, George E. Day, Mrs. T. N. Vincent and Mrs. W. C. Good; King George, George E. Day, Mrs. J. D. Second and Mrs. E. McIntyre; Carleton, Captain and Mrs. A. J. Muleshey.

Dr. Margaret Parks was added to the committee on supplies for the grounds. The committee was instructed to order the necessary supplies for the grounds.

Captain Muleshey and Mrs. McIntyre agreed to donate pieces to the teachers on the ground where the children give the finest exhibition of drill at the end of the season. The offer was accepted with thanks, and it was decided that the nature of the drills would be decided by the teachers in conference with Mrs. A. C. D. Wilson, who is thoroughly familiar with such work.

The chairman announced that the prospects are good for having a well trained young athlete in charge of the playground of the South, East and West End Improvement League during the day time in the months of July and August and the hope was expressed that those leagues would speed up their work so that their grounds would be in fit condition by the first of July for such activities as these directors would introduce.

The chairman of the committee on each playground was given authority to secure a caretaker for the season. The prospects are that this will be a very successful season on all of the supervised playgrounds of the city.

Lieut. S. B. Ellis, son of F. B. Ellis, editor of the St. John Globe, arrived home yesterday, having come across on the Empress of Britain. He went overseas early in 1918 and since then has been attached to the imperial forces as an officer in the infantry attached to the tanks. Before enlisting Lieut. Ellis was a student at Mount Allison University to which he plans to return to resume his studies in the fall.

Dr. Jenks of Hastings-on-the-Hudson, N. Y., became vexed when the folk wouldn't contribute to build a hospital. That was three years ago. He has just finished the hospital with his own labor.

What Makes Men of Blood and Iron? Do You Know Any of These People?

Read What They Say About Nuxated Iron
As a Tonic, Strength and Blood Builder

Physicians Explain How it Helps Put Renewed Vim and Energy Into the Veins of the Weak, Run-down, Infirm and Aged—Often Increases Their Strength in Two Weeks' Time.

When widely known men of the highest calibre come out frankly and publicly endorse a product which they have personally found valuable for building up the health and strength, it must arouse the interest of every thinking person in Nuxated Iron, which is today being used by over three million people annually to help create red blood, power and endurance.

Dr. T. Alphonus Wallace, a physician of many years' experience and formerly of the British Naval Medical Service, says: "It is the men of blood and iron—who will forge ahead in the business and political life of the country today."

"Without iron there can be no strong, red-blooded men or healthy rosy-cheeked women, and unless this strength-giving iron is obtained from the foods we eat, it must be supplied in some form that is easily absorbed and assimilated. For this purpose I always recommend organic iron—Nuxated Iron—which I have used so successfully both in civil life and for convalescing soldiers that I am absolutely convinced of its effectiveness for helping to build red blood, strength and endurance."

Of great importance to the public should be the strong endorsement of Nuxated Iron as a preparation of great merit as a tonic, and blood builder given by former U. S. Senator William E. Mason, who has the distinction of being one of the really big men of the nation. His championship of pure food and drug legislation, his fight for the rural free delivery system, and his strong advocacy of all bills favoring labor has made him a national figure and endeared him to the hearts of the working man and the great masses of people. Senator Mason says: "I have often said I would never recommend medicine of any kind. I believe that is the doctor's place. However, after the hardest political campaign of my life, without a chance for a vacation, I had been starting to court every morning with that horrible, tired feeling one cannot describe. I was advised to try Nuxated Iron. As a pioneer in the pure food and drug legislation, I was at first loathe to try an advertised remedy, but after advising with one of my medical friends, I gave it a test. The result has been so beneficial in my own case, I made up my mind to let my friends know about it, and you are at liberty to publish this statement if you so desire. I am now 65 years of age and I feel that a remedy which will build up the strength and increase the power and endurance of one at my age, should be known to the world."

Equally interesting is the opinion of Judge G. W. Atkinson of the United States Court of Claims, at Washington, who for twenty years has been in the public service as Judge, Governor, Member of Congress and U. S. District Attorney. He says: "It is without hesi-

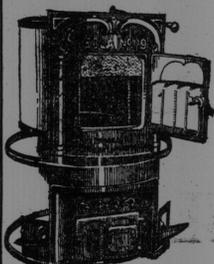

tion that I recommend Nuxated Iron to persons who in the stress of physical or mental labors have permitted the system to become debilitated, the body exhausted or the nerves run-down. It has restored my appetite and my vitality, I feel that I have dropped off the burden of months of toil in the few weeks that I have been following the very simple directions for the use of Nuxated Iron.

Ignace Jan Paderewski, Premier of Poland and master pianist, at a time when his untiring work for his country over-taxed his strength and impaired his health had recourse to Nuxated Iron to help rebuild his wasted forces and restore his old-time health and strength. He says: "I am using Nuxated Iron very verily of obtaining highly beneficial and satisfactory results."

Manufacturers' Note: Nuxated Iron, which is recommended above is not a secret remedy but one which is well known to druggists everywhere. Unlike the other inorganic iron products, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this city by Watsons Drug Store and all other druggists.

Better Heating—Less Coal

Hecla Furnaces Look After Your Health, Comfort and Pocketbook

PUT a Hecla Furnace in your cellar and know real winter comfort. Hecla Furnaces are built just as you would have your furnace built, had you the necessary material and factory.

With a Hecla Furnace your home will be entirely free from objectionable gas and dust. Your plants will not wither, or your furniture crack from lack of moisture in the atmosphere. Your coal bills will be materially reduced.

The Hecla Furnace has patented Fused Joints. No matter how hot the fire, they cannot warp or crack, allowing gas and dust to come up through the registers.

HECLA Mellow Air FURNACE

The only waterpan that gives the proper amount of moisture with the warmth is the Hecla Circular Waterpan. It runs completely around the furnace, which assures even evaporation, every room getting the same proportion.

The Hecla Steel Ribbed Firepot has three times the radiating capacity of other furnaces. Hence, much less coal is needed to procure the same amount of heat. By actual test this feature saves the owner one ton of coal in every seven.

Hecla Furnaces burn coal, wood or natural gas without sacrificing any heating ability. And this perfected furnace costs no more than ordinary heating systems. The comfort it gives, the fuel it saves makes it much cheaper in the end.

Get in touch with your nearest Hecla dealer. Ask him for illustrated literature on the Hecla Furnace. If you do not know him write to us direct. We will send him his name and literature free.

CANADA GETS \$16,000,000 WORTH OF EUROPE'S ORDERS THROUGH CREDIT ESTABLISHED

Ottawa, June 6—Nearly \$16,000,000 worth of orders have already been placed with Canadian producers and manufacturers under the credits established in Europe. A return which has just been prepared by the Canadian Trade Commission, Ottawa, to May 31st, shows that the lion's share so far has been allocated under the credit granted by the Dominion to the Roumanian government, over \$16,000,000 in the aggregate while just three quarters of a million dollars have come under the Belgium credit. This proportion is merely accidental, due mainly to the greater promptitude with which

the Roumanian officials in London acted after the principle of credits was accepted.

The following are the broad classifications in which the orders are most conveniently displayed:

Against Roumanian credit—binders and parts, \$670,995, all placed in Ontario; binder twins, \$940,996, placed in Quebec, \$59,840 in Ontario, \$881,256; edged tools, \$196,748, all Ontario, wheat \$187,000; flour, \$12,700, all in Ontario; points and rolls, \$189,845, placed in Quebec \$182,065, in Ontario \$7,780; cottons, \$2,624,612, placed in Quebec \$2,180,262, Ontario, \$444,350; woolen goods \$4,750,226, placed Quebec \$196,390, Ontario 4,216,442, Nova Scotia \$306,744, New Brunswick \$30,809; shirts and overalls, \$1,672,216, placed Quebec \$688,707, Ontario \$846,288, Manitoba \$88,212, Alberta \$86,566, British Columbia \$7,539; ready made suits \$4,438,311, placed Quebec \$2,480,537, Ontario \$1,928,254; bags \$361,625, placed Quebec \$272,126, Ontario \$89,500; sewing machine \$1,292 all Quebec.

Against Belgian credit—boots, \$230,000 all in Ontario; woolen goods \$308,282, placed Quebec \$38,128, Ontario \$387,000, Nova Scotia \$44,722, and New Brunswick \$48,481.

The Canadian Trade Commission has been working at fever heat for several weeks. Further large orders have since been put in hand while others are expected shortly.

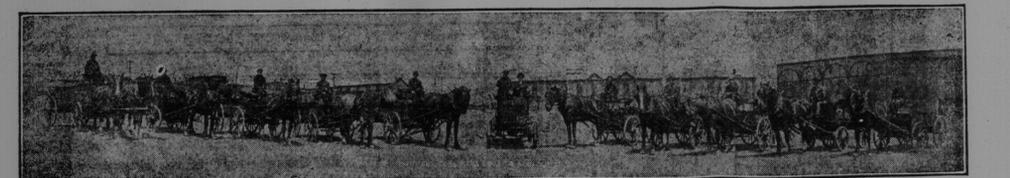

At the time of his death, George Washington probably was the richest man in the United States. A schedule attached to his will indicated that his wealth was above \$50,000, an enormous fortune for those times.

SERVICE

Consumers' Coal Company Service Goes Far Back of the Mere Delivery of the Coal by Team

It starts with the selection of Coal at the mine. The quality from all mines varies, some being good, others indifferent or very poor. At a cost of thousands of dollars and careful investigation, we have learned the best and most reliable sources of supply; and with this knowledge our Service begins. Coal cannot be selected with too much care.

Again, we place at your command, a large stock, comprising all sizes of Coal, at all seasons of the year. True, we can serve you more cheaply in summer than in winter, but, think of the convenience of our all-the-year-round Service.

Our facilities for taking the "raw" Coal, as it comes from vessels or cars, and screening out the slack and dust, so detrimental to a good fire, and giving it to you in absolutely the best condition, is another part of our Service.

Our Delivery Service—The above illustration represents the Consumers Coal Company delivery equipment in August, 1917, which has since been enlarged by three new horses and three new motor trucks, bringing up our delivery capacity to the householder to 125 tons per day.

Outlook As To Line-Up Over Tariff

Ottawa, June 6.—The tariff rift in the Unionist camp is assuming definite proportions. Hon. T. A. Cerasar's lead is being followed by about a score of the Western Liberal-Unionists.

A definite alignment of the "Bolters" cannot, however, be determined until after Monday's caucus of the Westerners, when their future attitude towards the Government and Opposition will be carefully canvassed. At present, however, it would look as if some nineteen or twenty out of the fifty-four Western Unionist members will vote against the Government's tariff proposals. Whether or not they will move an amendment of their own along the lines of the platform adopted by the council of agriculture or combine with an Opposition amendment couched in general terms demanding a further downward revision of the tariff, remains to be seen. In any event it would seem as if the Government could still count on a small majority to defeat the combined forces of Opposition and cross benches.

The continuance of the Government in power for the balance of this session, at least, is practically secure in as much as neither Opposition nor "Bolters" desire to precipitate an election at the present time and care will probably be taken that whenever this tariff issue is brought forward and in whatever form an amendment is offered that the vote for it will not outnumber the votes against it.

Ottawa, June 6.—Practically the whole day in the house was spent on discussion of a bill to create a purchasing commission. The commission is to continue the work carried on by the war purchasing commission and is to purchase all government supplies. There was somewhat extended criticism of the bill.

The motion for six months' hold was defeated by 56 to 19—a government majority of 37. John Best, J. A. Maharg and Dr. Michael Clark voted with the opposition.

Stamping Out Sedition. Some sweeping amendments to the criminal code are recommended by the special committee of the house of commons on seditious propaganda. The committee recommends the insertion of a series of new sections in the code.

Captain Colin MacKay and Mrs. MacKay have rented the Ballentine cottage at Rethersay for the summer. It is understood that Captain MacKay has purchased the Percy Fairweather house in Rethersay for a permanent residence.

City Council Doing.

To put through the license reduction will require some tall hustling. Meantime lots of corn will be tramped on. The cure is "Putnam's," the old reliable corn extractor that has been curing corn and warts for years. "Putnam's" never fails, 25c. at all dealers.

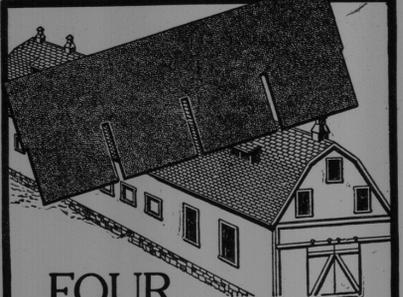

Eyes Strained?

If your eyes are work-strained or tired; if your vision is dim or blurred; if it bothers you to read; if your eyes burn or itch or ache; if you wear glasses, get a bottle of Bon-Opto tablets from your druggist, dissolve one in a fourth of a glass of water and use from two to four times a day to bathe the eyes. Bon-Opto has brought comfort and relief to thousands and thousands.

Note: Doctors say Bon-Opto strengthens eyesight 20% in a week's time in many instances. Wasson's Drug Store and others.

An Artistic Garage at Low Cost

Save money, time, labor, boarding, sheathing, paper, furring strips, by building your **STUCCO BOARD** garage with **BISHOPRIC** made of kiln-dried Pine Lath, dovetail to hold stucco, set in Asphalt-Mastic on sized Sulphite Fibre-Board. Proof against damp, vermin, fire, wind, frost. Cannot warp, shrink or swell. Strong and rigid. Finish with Stucco, brick, shingles, or clapboards. Use our guaranteed Permatite Roofing. And have an excellent garage at great saving. You can do the job yourself, if you like.

FOUR Shingles In One Brantford ASPHALT Slab Slate

THE newest idea in roofing. Just think of the time and cost of labor saved in laying the roof of a big barn, freight shed or other large building with this new Brantford Asphalt Slab Slate which is four shingles in one. Fewer nails are also required. Brantford Asphalt Slab Slates are so cleverly designed that a roof laid with them has the appearance of being covered with individual size shingles.

One size only: 32 inch x 12 inch, with cut outs five inches. They are laid five inches to the weather. Red or green color.

Brantford Asphalt Slab Slates are made of the same materials as our famous Brantford Asphalt Slates which have given such satisfaction for artistic homes.

The same roofing in roll is called Brantford Crystal Roofing and weighs 80 to 85 lbs. per square.

Particulars about these roofings furnished on request.

Moncton, June 6.—At this morning's session of the Methodist Women's Missionary conference in Central Methodist

church here the following officers were elected:
Honorary president, Mrs. J. D. Chipman; president, Mrs. C. F. Sanford; honorary vice-president, Mrs. R. Johnson; first vice-president, Mrs. W. A. Thompson; second vice-president, Mrs.

G. F. Dawson; third vice-president, Mrs. G. M. Young; corresponding secretary, Mrs. P. S. Enman; recording secretary, Mrs. W. H. Barker; treasurer, Ms. T. A. Clark; circle and band secretary, Mrs. John Humphrey; circle and band treasurer, Mrs. F. S. Williams; superintendent of Christian stewardship, Mrs. H. A. Goodwin; strangers secretary, Mrs. E. A. Westmorland. Mrs. J. B. Gough was appointed a delegate to attend the board meeting in Toronto; Mrs. Woods was appointed first alternate and Mrs. H. A. Goodwin second alternate.

Numerous friends of Mrs. Wetmore Merritt will regret to hear that, through an accident, she has suffered a fracture of an arm.

SMOKE MACDONALD'S INDEX

Canada's Greatest Known Price Tailors
The English & Scotch Woollen Co.

Are You Married To A "Ready-Made" Clothier?

If You Are, Take A Day Off--- We Want To Talk To You About Our Tailored-To-Measure Clothes

Trousers
We are showing exceptional values in a d d trousers from a special trouser length. As many of these clothes are shown in very limited quantities, we will be obliged to ask customers for a second choice.

Boys' and Youths' School Clothes
Made-to-Measure from good dependable woollens like dad wears, not the usual cloth used in boys' clothes. Out-of-town customers, write for Boys' and Youths' Style Book.

YOU men who are married to a "Ready-Made" Clothing Merchant are the ones we want to talk to. Men who are paying \$35 to \$55 for War-Relics in "Ready-Made" Clothes—We want to show you what real value is. You will probably say it can't be done. But there are thousands of men in Canada that are our regular customers, who know it is being done—if you don't think so, step into any one of our (25 Stores in 20 Canadian Cities) and examine the beautiful pre-war woollens. For more than 10 years we have offered quality fabric values that no other Tailor or "Ready-Made" Clothier could dare duplicate at less than double our Standardized Prices.

Suit Or Overcoat Tailored-To-Your-Measure

No connection with any other concern doing business in Canada

"READY-MADE" Clothes without fabric quality and style are high at any price—this season war models (Ready-Made Clothes)—are severely out of place—there is only one way to avoid clothes of this vintage—that is to have your clothes tailored to your individual measure.

We give you style to the hour, quality fabrics, individuality, distinctiveness—a Tailored-to-Measure Spring Suit or Overcoat as low as \$17. Tailored-to-Measure Clothes take a little more of your time, but the result is so much more desirable that few men begrudge it,—we have a reputation to live up to, so you are assured of the best values, always.

A LIFETIME OF SUFFERING

Prevented by "Fruit-a-tives," the Wonderful Fruit Medicine

88 Maisonneuve St., Hull, Que.
"In my opinion, no other medicine is so good as 'Fruit-a-tives' for indigestion and constipation."
"For years I suffered with these dreaded diseases, I tried all kinds of treatments until I was told I was incurable. One day a friend told me to try 'Fruit-a-tives.' To my surprise, I found this medicine gave immediate relief, and in a short time I was all right again."
50c. a box, 4 for \$2.00, trial size 25c. (At all dealers or from Fruit-a-tives Limited, Ottawa.)

Sidelights On Sport

Fans who were present at the game in West St. John last evening say it resembled a cricket match and not baseball. There is no denying the game was a poor one from many standpoints, but the boys should soon round into shape and then they will put up a better brand. The grounds are now in pretty good condition and the improvement League deserve credit for their untiring efforts to better the situation.
The game for Monday night between St. Peter's and Carleton is attracting more than ordinary interest. The latter team is leading with St. Peter's in second place. The rivalry is keen between these nine and an exciting game is anticipated for the game.
In the major leagues yesterday both Boston teams won. The Red Sox defeated Detroit and are now back in the first division. They are a strong baseball organization and should make a bid for the pennant. The Braves were celebrating "Gowdy day" in Chicago and won. Rudolph has been pitching winning ball ever since Hank's return to the game.
The Giants are dropping some games and their commanding lead has been cut down. However, the other teams do not seem to be strong enough to oust them out of first place. On paper the Giants have the best line-up and should have no trouble in clinching the pennant.
In the International League the three leading teams continue to win and there is no change in their standing. Dempsey and Willard are having a hard job securing men large enough and tough enough to absorb punishment. The former had "One-Round" Davis as a sparring partner, but evidently one round was enough for him for he checked the job after one go with the challenger.
A freak baseball accident has been reported from Albany, N. Y. A player named Frank Call was struck on the head by a pitched ball and his fingers became locked on the bat. It required four men to pry them loose. His arm was paralyzed for about an hour. It is not unusual to see players struck about the elbow, but as a general rule they do not have to lay in a hospital and go hopping around holding on to their arm.
The intercollegiate championships are scheduled to take place on the Rochester campus this afternoon. If the weather conditions change for the better the game will be held. Robbessay, St. John High School are competing, and St. John High School are competing, and Jeffries. Willard skips in and out of a car like an athlete. Just before the whistle blew he was lumbering in and out of the cars like a baby elephant. Willard looks fit to me.
The test of the champion's condition will come when he starts to work out. There is no trace of fatty degeneration in his exterior.
If he has any of that dreaded "inside fat" he will show it when he starts to work out.

MILBURN'S LAXA-LIVER PILLS

Act as a stimulant to the sluggish liver, clean the frayed tongue, sweeten the foul, obnoxious breath, and clear away all the poisonous accumulations from the system by causing the bowels to move regularly and naturally every day, time permitting, as well as curing constipation, sick headaches, bilious headaches, water brash, heartburn, and all diseases arising from a lazy, slow or torpid liver.
They are purely vegetable, small and easy to take, and there is nothing going, weakening and sickening effects of the old-fashioned purgatives.
Mrs. John Kadey, Chipman, N. B., writes: "I have been using Milburn's Laxa-Liver Pills for some time and can recommend them to anyone suffering from heartburn and liver trouble. I tried other remedies, but they only relieved me for a short time. I always recommend Laxa-Liver Pills to all sufferers, as I think they are a valuable remedy."
When you go to your dealer and ask for Laxa-Liver Pills, see that you get the genuine "Milburn's" Pills. See a list of all dealers, or write to the manufacturer, The T. Milburn Co., Limited, Toronto, Ont.

OLD-TIME FIGHT ON BALL FIELD

Mix-Up Between Speaker and Gandil the Worst in Years
An old-time fist fight such as probably hasn't occurred on a big league ball field in the last fifty years or more broke loose at the White Sox Park at Chicago on Saturday night. Speaker and Gandil, Speaker mixed at first base, just as the first half of the eighth inning came to a close. It started as a fist fight, but it was a rough and tumble tiger battle with claws, spikes, fists, feet, and possibly even teeth before the two finally were dragged apart.
Both fighters were cut by spikes and apparently badly hurt. Speaker's baseball shirt was almost torn off his back. He removed the shirt before leaving the field.
Although all the ball players, the umpires, President Dunn, of the Cleveland Club and about a dozen fans from the boxes rushed out upon the field, the battle lasted for what seemed to be about one full three minute round. Not until several policemen from the street came to the scene were the belligerents torn apart and escorted to the clubhouse.
Gandil was spiked in the face, getting a bad cut over one eye, and Speaker was cut in the arm and in the leg. One report was that another Cleveland player had kicked Gandil in the face when he was down. Several clean knock-downs were scored. Gandil being the first to hit the earth when it looked as if Tris had landed a blow on his jaw.
Tris was knocked down a moment later when Gandil stuck a fist in his face. Those were the first two blows easily seen before the crowd of players gathered around and cut off much of the view from the grand stand.
There actually seemed to be a disposition on the part of the other players to let the boys go to it and settle the question of supremacy. Before it was finally stopped there were other rows between Sox and Cleveland men apparently about to break, and possibly the coming of the police prevented a general free-for-all contest. The clash was the outcome of a cheating match after Speaker had been declared out at first, the two passing each other when Cleveland took the field, Gandil whirling around after a remark of Speaker's and making for Tris. The latter met him and the battle was on.
For what seemed a good round they battled, rolled and tumbled, getting up and going to it again like a couple of tigers. And nobody stopped them.
Baseball fights generally are stopped after about one exchange of blows. This pair were tumbling over the earth from first base half-way to the pitcher's slab, then back toward second, and still nobody stopped them.
Dangerous to Stop Them.
Players, umpires and fans were all around them, all excited. Possibly it did look dangerous to interfere. Anyway, nobody stopped them.
How it finally was stopped no one could see, but by the time Gandil had a bunch hanging on to him and another bunch was restraining Speaker the cops were on the scene.

AMERICANS BREAK FRENCH RECORDS

Set Eight New Marks in Track and Field Meet of American Expeditionary Force
Paris, June 6.—Enthusiastic comment has been aroused in the French press by the fact that eight French track and field records were broken in the American Expeditionary Force meet.
The French records surpassed by the Americans were the 100 high hurdles, by Ames, who made the distance in 13.2-3 seconds; 220-yard dash, by Teschner, 22-1-3 seconds; shotput, by Leversedge, 44 feet, 11.8-8 seconds; 100-yard run, by Byrd, 14.8 seconds; pole vault, by Floyd, 12 feet 4 inches; 800-yard run, by Eby, 1 minute 56.5 seconds; and hammer throw, by Ryan, 166 feet. Teschner already held the French 100-yard record, which he made in ten seconds.
A special train carrying 150 athletes, forty administrative officers, and fifty horses left Bucharest on June 1 for Paris. Prince Carol, heir to the Romanian throne and president of the general committee, did not accompany the team, but is expected later.

WILLARD ALREADY IN BETTER CONDITION THAN IN MORAN BOUT

Champion in First World Bout Surprised Fans With Leanness and Lack of Flabbiness
New York, June 6.—Anybody with hallucinations to the effect that Jess Willard is fat and flabby would be better forget them. The champion evidently has been keeping himself in a good-naturally, which indicated, according to experts, that he had been constantly training for several weeks. When Willard appeared in the ring at the light gymnasium suit, it was noted that the rolls of fat he packed some months ago had been completely wiped out by hard exercise.
Puffed His Pouches.
After tugging at the weights and doing some shadow boxing, the giant boxed three rounds with Jack Levin, a veteran light heavyweight from Cleveland. Willard mapped out a left hook in the second round that sent Levin reeling through the ropes. After the work-out, Levin, who also has boxed with Dempsey, said he was stung by the punch, although Willard "pulled most of them."
Willard boxed with surprising skill and speed, blocking punches to his mid-section with his elbows and forearms, and slipping his head away from dangerous blows to his chin.
Willard Loses Grouch.
The greatest change that has come over Willard is in his manner and his attitude toward life in general. Formerly he was almost as sullen as Jeffries. He was suspicious of everybody around him. Perhaps that was because he got practically nothing from winning the heavy-weight championship. Now he is cheerful and affable.
Willard is short of sparring partners. He has Jack Hemple, who helped him train for the Moran fight, and Walter Monahan, who arrived last night.
Somebody suggested to Dempsey that he release a couple of his sparring partners to Willard. Dempsey carries a staff of twenty retainers or so.
"Well, if my big neighbor needs them, I guess I can spare him a couple," said Dempsey.
Jack Kearns, Dempsey's manager, has been on the way. Billy Wolfe, the St. Paul heavyweight, is due soon. The Dempsey campaign will be plenty of work toward the finish.
It is an open secret that he plans to bring the battle right to the champion from the start. His methods are hard on sparring partners. The Jamaica Kid and Bill Tate, the two gigantic Senegambians, are a bit weary of their jobs already.
Willard in Shape.
Tex Rickard is beaming over the appearance of Willard.
"What a difference between this fellow

FAMOUS RACE HORSE IS BEATEN IN DEBUT

(New York Times.)
Andrew Miller's Roamer, the most popular horse on the American turf, made his debut for the season at Belmont Park yesterday and, to the surprise of most of the 10,000 persons present, the aged gelding was beaten in the Douglass Handicap at a mile by W. H. Coe's Natural Bridge. Though Roamer was by no means disgraced. He carried 127 pounds against the three-year-old, made the pace until the last sixteenth, and then gave away because he scarcely was layed up for a hard contest. Natural Bridge, rated as one of the best young horses in the One Stable, ran the mile in 1:27.4, and was a length in front of Roamer at the finish.
Roamer was a prohibitive favorite in the field of three, but there were many smart speculators, aware of the great horse's dislike for the Belmont track, who took against him. He was favored at 6 to 1, while few accepted the odds of 1 to 7 begrudgingly offered against Mr. Miller's champion. Roamer started off with the same smooth stride that carried him over a mile in 1:24.4-5 at Saratoga last year, and rounding the far turn he opened a gap of three lengths on the stretch, where Myers began to urge Natural Bridge so that he be likely cut down the lead and drew level with Roamer at the sixteenth pole. Both jockeys were content to hand-ride their mounts to the finish, and the speed of the young horse was sufficient to chalk up one of the rare defeats against old Roamer's name.

AVIATORS FROM HERE CAUGHT IN THUNDERSTORM

After three hours and twenty-three minutes in the air, Lt. Stuart Guthrie, with his wife and mechanic aboard, who left here at 12:15 yesterday, was forced to land in a thunderstorm on Eagle Lake, Me. A wire to this effect was received by Mrs. E. M. Archibald from Mrs. Graham last evening. Eagle Lake is only about forty miles from Lake Umbagog, which was yesterday's objective in the flight from Halifax to Three Rivers.
The Derby.
Grand Parade, which won the Derby run at Epsom Downs the other day, is a son of Orby, a horse which won the Derby for Richard Croker in 1907. The betting against Grand Parade in the ante-post wagering was 33 to 1, but as the time for the race approached he was taken up by many bettors, who resented a good harvest. Buchan was 9 to 1 in the betting, while Paper Money was 7 to 1.
The bookmakers are the greatest gainers by the result, as the public's money was largely on The Panther, a hot favorite, which is also the son of a celebrated American owned horse, August Belmont's Tracery, winner of the Eclipse Stakes in 1913 and the St. Leger the previous year.
Grand Parade is owned by Baron Glanely (William James Tatem) of Cardiff, Wales. Major Waldorf Astor is the owner of Buchan and Sir Walter Wilby of Paper Money. The stake is valued at 6,000 sovereigns (about \$31,600 at normal exchange rates) and is for entire colts and fillies of three years old. The course is about one mile and a half in length. There were 234 entries originally for this year's race.
It was announced by G. S. Mayes, president of the Beaver Dredging Company, who returned recently from Montreal, that the dredging plant has not been sold, but it is to be towed to the United States where it will be put to work.

Notice To Advertisers

It is important that advertisers in The Evening Times take notice that under the prevailing conditions due to change of time on the railroads, this newspaper is obliged to issue one hour earlier than usual, in order to make mail connections and, consequently, begin work an hour earlier in the day, therefore the business office will be open from 8 a. m. to 5 p. m. (old time) and advertisers are requested to have their copy in the office one hour earlier than usual. This to ensure prompt service and changes.

LOCAL NEWS

ON THE BLOCKS.
The ferry steamer Governor Carleton was towed to Gregory's blocks last evening and the work of calking will be commenced immediately.

MARRIAGES AND BIRTHS
Twenty-one marriages and fifteen births—eight boys and seven girls—were recorded during the week.

AWAY TO CONVENTION
L. Ed. Rolston will leave tonight for Belleville, Ont., as a delegate to the annual dominion convention of the 'Penitence Boys.'

ARRIVED SAFELY
A message from Rockland, Maine, states that the barge No. 8 of the Shediac Lumber Company had arrived there in good order. Some time ago the vessel ran ashore at Hammond creek and was towed to this port for repairs before proceeding to her destination.

CONCERTS START MONDAY.
Arrangements have been completed for this season's programme of band concerts and Commissioner Fisher announces that the City Cornet Band will open the season in the King Square stand on Monday evening. The concerts last year were commenced on Monday, June 10.

FIFTEEN DEATHS.
Fifteen deaths were reported to the Board of Health this week as follows: Pneumonia, two; senility, one; apoplexy, one; spastic paralysis, one; carcinoma of liver, one; carcinoma of stomach, one; carcinoma of rectum, one; carcinoma of bladder, one; carcinoma of prostate, one; carcinoma of uterus, one; carcinoma of ovary, one; carcinoma of testis, one; carcinoma of penis, one; carcinoma of tongue, one; carcinoma of larynx, one.

IN TROUBLE AGAIN
The two-masted schooner Mercedes, which was ashore near St. Stephen, has been relieved of the cargo of coal which she carried and the vessel sold by auction for \$400. Immediately after the sale, however, the schooner slid into the channel, where she now rests and is said to be a menace to navigation.

NOVELTY SHOWER
About forty friends of Miss Elizabeth Arthur assembled last evening at the home of Mrs. Percy Ross, 179 Waterloo street, and treated her to a novelty shower in honor of her marriage to take place this month. She was the recipient of many valuable remembrances. Refreshments, games and dancing contributed to an enjoyable time by all present.

WELCOME HOME
Among the men who returned with the 44th Battalion yesterday was Signaller Roy E. Thomson, son of Mr. and Mrs. O. D. Thomson, 182 Pitt street, this city. The young soldier who looks well after his service overseas, was with the Evening Times composing room staff. His many friends are welcoming him back.

HOME AGAIN
Among those returning yesterday with the 44th N. B. Battalion were Sapper Arthur W. Gillen, son of Mr. and Mrs. J. A. Gillen, 23 Victoria street. He went overseas with an engineering unit from Quebec and served in France and Belgium with the 4th Divisional Engineers, going to the 44th battalion for redistribution and return to St. John. The young soldiers is being warmly welcomed.

PRESENTATION
At his home, 318 Princess street last evening, several friends of Sergeant E. Frank Wallace of the original 29th Battalion, gathered in his honor and presented to him a gold watch chain. In a programme of music during the evening, L. Foster conducted several fine band selections. After dancing and games had afforded much pleasure a dainty supper was served.

FUNERAL OF MAYOR JONES
The funeral of Seth Jones, late mayor of Sussex, took place there yesterday afternoon. After a short service at the home the body was taken to the United Baptist church where service was conducted by Rev. G. B. McDonald, assisted by Rev. Messrs. A. V. Morah, J. M. Rice, and C. S. Young. Members of the fire department, Chief Daly in charge, preceded the hearse, followed by Acting Mayor J. C. Mills, Town Clerk F. W. Wallace, C. H. Perry and W. J. Mills.

MUNICH MAY FACE A GENERAL STRIKE

Munich, June 7.—(By the Associated Press)—A general strike threatens this city as a result of the execution of Levine Nissen. Occupational troops have been ordered to prepare to meet any emergency.

ALL CIVILIANS NOW

Record Made at Armory Yesterday in Giving Discharges to Men of 44th

What is perhaps a record for the dominion, but certainly a record for such work in New Brunswick, was established yesterday by the members of the dispersal station in the armory in connection with the discharge of the 44th N. B. Battalion. In two hours and ten minutes 665 men were released from the service.

So far as is known the nearest approach to this was in Toronto, where some 600 soldiers were put through in a little more than two hours, but there they had five queues with various sets of clerks at work while here there was just one staff to receive equipment, issue badges, see to the signing of the documents and hand out the discharge and transportation certificates.

The work was facilitated to quite an extent because of three officers from the station going to Quebec to meet the troops, Major Smith, Captain Kierstead and Lieutenant Inches, accompanied by the Kennedy of the medical corps, Captain Ferguson of the pay department and Captain Davidson of the dental corps. They accompanied the troops back to St. John, but it was work and lots of it right up to the time of arrival. This, however, meant that the lads just coming from overseas would get to their people all the more quickly, so nobody minded. The whole body of soldiers who returned yesterday are civilians today.

MILFORD FIRE IN EARLY MORN

Fire early this morning destroyed a building in Milford owned by George Cushing and formerly in use as part of the Cushing box mill. The heavy rain beat out the blaze, but not until all the woodwork had been destroyed, and only the brick wall left standing.

The blaze was first noticed about daybreak. It is presumed that it had been smouldering for some hours, but the cause of it is unknown at present. It is understood that a quantity of pipe in the building and this has probably been rendered useless. The scene of the fire was a short distance from the plant of the St. John Fertilizer Co., but no damage was done to their property. It is understood that the building was insured. An outsider's estimate this morning valued it as being worth between \$15,000 and \$20,000.

OPERA ARTISTS SING FOR PATIENTS IN COUNTY HOSPITAL

The patients in the St. John County Hospital were given a treat this morning when some of the members of the Boston English Opera Company, accompanied by Miss W. H. Golding of the Imperial Theatre, went to the hospital and gave a delightful concert. The patients were gathered in the corridors and libraries on the ground floor and those who were unable to walk were brought down in their cots.

Miss Hazel Eden, soprano, and Stanley Deacon, baritone, were heard in excellent solos and duet selections from the operas, and Mr. Tausmann, first violin, accompanied by M. S. Linne, musical director of the company, gave a solo that was well received. The audience consisted of adults, children and soldier patients and their friends. The visitors were taken to East St. John through the kindness of Ernest Whelpley, who supplied cars. Edward M. Beck, manager of the opera company, was with the party.

BY-LAW MATTERS

Sydney Isaac was reported by Police-man Colwell for exceeding the speed limit in his auto, going about twenty-five miles an hour. He said the brake failed to respond. He was fined \$10.

H. R. Roberts was reported by Police-man McNamee for refusing to obey his orders at the foot of King street Thursday afternoon. The defendant said that he misinterpreted the policeman's signal. Thomas Connell was reported for letting a ferocious dog run at large. It bit Louis King at 87 High street. The magistrate told the defendant he was liable to a fine of \$2.

S. W. Dykeman was charged with driving a car on the wrong side of Paradise row. Police-man Hogg made the report. He said that F. G. Poole was driving the car at the time. He pleaded guilty and was fined \$5.

The magistrate said that from now on no automobile fines were going to be allowed to stand.

DIED IN CALIFORNIA

E. B. Staples of Marysville received a telegram from Chico, Cal., informing him of the death of his sister, Mrs. Annie Dritegan, at Oakland, Cal., on June 4. She is survived by seven brothers and three sisters, Elbridge, of Marysville, Harry of Gust, Washington, Ambrose and Sterling of Wycliffe, B. C. Edward of Cambridge, Mass., Winslow of Vancouver, B. C., J. Belva of Vancouver, Miss Ida and Miss Lillian Staples of Stillwater, Minn.

YERXA-HAGERMAN

The marriage of Miss Ella May Hagerman, daughter of Mrs. Ida Hagerman of Fredericton to Moses Yerxa, was solemnized at the residence of the bride's mother Wednesday afternoon, June 4th.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Charles LeB. Peck, of Hopewell Cape, announce the engagement of their daughter, Elizabeth Smith, to Charles Edwin Gunter of Gagetown, the marriage to take place at an early date.
