BY-LAW No. 380.

To repeal all By-Laws heretofore passed relating to Pounds and Pound-keepers within the Township of Brantford, and to make other provisions in that behalf.

The Municipal Corporation of the said Township of Brantford, in Council assembled, enacts as follows, that is to say:—

1. That all By-Laws heretofore passed relating to Pounds and Pound-keepers within the said Township, shall be and the same are hereby repealed.

2. That every Pound-keeper shall provide sufficient yards or enclosures for the safe keeping of all such animals as may be distrained and brought to him for unlawfully running at large, or for trespassing or doing damage within the said Township, and it shall be the duty of all persons distraining any such animals, to impound the same in one of the nearest to where such distress is made.

3. That every Pound-keeper shall daily, at proper place, furnish all animals impounded with good and sufficient water and shelter, during the period that any such animal may be impounded, and in default thereof, shall, for every day he neglects or refuses to do so, forfeit and pay a fine or penalty of not less than one dollar, nor more than ten dollars, to be recovered as hereinafter provided.

4. That every person distraining or impounding any animal or animals, shall, at the time, or within twenty-four hours thereafter, deliver to the Pound-keeper a statement in writing, setting forth the nature and extent of his demand against the owner for damages, if any, not exceeding \$20, alleged to have been done by such animal or animals. And if the Pound-keeper is not so furnished with such statement within the time aforesaid, he shall release such animal or animals, on the payment of his lawful fees or charges; and every person impounding any animal or animals, shall also, at the time of such impounding, deliver to the Pound-keeper his written agreement, with a sufficient surety, if required by such Pound-keeper, in the form following, or in word to the same effect, viz:

“I (or we, as the case may be) do hereby agree that I (or we) will pay to the owner of the (here describe the animal or animals) by me, A. B., this day impounded, all cost to which the said owner may be put, in case the distress by me, the said A. B., proves to be illegal, or in case the claim for damages now put in by me, the said A. B., fails to be established in whole or in part.”

5. That if the owner of the animal or animals so impounded shall, within twenty-four hours next after the delivery of the statement required by the next preceding section, dispute the amount of damages so claimed, or the lawfulness of the fence within which the damage was done the, Pound-keeper shall forthwith call in three of the nearest fence-viewers to determine the matter in dispute; and they, or any two of them, shall, within twenty-four hours after being so called on, deliver to such Pound-keeper a statement in writing, containing their award in the matter so referred to them. And for each of their services, if less than half a day engaged, shall receive and be paid the sum of \$1.00, and if more than half a day engaged, the sum of \$2.00; and any such fence-viewer refusing or neglecting to attend or perform his duties when so called on, shall incur and be liable to a fine or penalty of \$2, to be recovered as hereinafter provided.

6. That in all cases where the damages so claimed shall exceed the sum of \$5.00, and no objection being made thereto by reason of the owner being unknown and not being aware of such impounding, it shall be the duty of the Pound-keeper to cause such damages to be ascertained in the manner as provided in the next preceding section; but in all cases when the owner is known, it shall be the duty of the Pound-keeper to notify him forthwith of the impounding, after which the proceedings provided for by this section shall be unnecessary, unless such owner disputes the amount of damages, or the lawfulness of the fence, in the manner provided for in the next preceding section of this By-Law.

7. That upon payment of all damages claimed or awarded, as the case may be, and of all fees and charges due to such Pound-keeper and fence-viewers, it shall be the duty of the Pound-keeper to deliver to the owner or owners the animal or animals impounded; but in the event of the fence-viewers finding the fence to be an unlawful one, and that the animal or animals were lawfully running at large, then he shall deliver the same to the owner or owners, on payment of the lawful fees and charges only, at the same time delivering to such owner or owners the agreement taken in pursuance of the fourth section hereof, together with a certified copy of the award of the fence-viewers, and thereupon such owner or owners shall be entitled to recover from the person or persons impounding such animal or animals, the amount of fees and charges so paid as aforesaid, in the manner hereinafter provided.

8. That if at the expiration of fifteen days after the impounding of any animal or animals, the same shall not have

Provided, always, that no such sale shall take place until after the expiration of fifteen days from the time of putting up, or putting up and publication, as the case may be, of such notice of sale.

9. That at the time and place appointed for such sale, the Pound-keeper shall publicly sell such animal or animals (unless redeemed or replevied as aforesaid) to the highest bidder; and, after deducting from the amount realized therefor all damages, fees and charges against the same, shall pay the surplus, if any, to the owner or owners, or, if not claimed at the time of sale, forthwith pay such surplus to the Treasurer of the said Township, to be by him held for the uses thereof, unless claimed by the owner or owners of the animal or animals sold, within three months from the time of such sale.

10. That in the event of the amount realized at such sale being insufficient to pay all damages, fees and charges, the Pound-keeper may recover such deficiency from the owner or owners of the animal or animals so sold (if known) in the manner hereinafter provided, and, upon such recovery, shall apply the amount so recovered in the manner and for the purposes hereinbefore indicated and provided.

11. That if any person or persons shall be guilty of any pound breach, by the removal without lawful authority, from any pound, of any animal or animals therein impounded, or shall in any other manner interfere with or obstruct any Pound-keeper in the discharge of his duties hereby imposed on him, such person or persons so offending shall be liable to a fine or penalty of not less than \$1, nor more than \$50, to be recovered on the complaint of such Pound-keeper, in the manner herein-after provided; and it shall be lawful for such Pound-keeper, and he is authorized and required to retake, repossess and impound, in furtherance of this By-Law, all such animal or animals as may, by any such pound breach, be so unlawfully removed and taken therefrom. 12. That in case any animal or animals unlawfully at large is or are distrained by any resident of the said Township, for straying within his or her premises, such persons, instead of delivering the same to a Pound-keeper, may retain the same in his or her possession, provided no claim for damages done by such animal or animals be made, and such person duly gives the notice hereinafter required, that is to say, if the owner is known, notice shall be forthwith given in writing to such owner of having taken up such animal or animals; and if the owner is not known, then, within forty-eight hours from the taking up of the same, such person shall post up or affix in at least three public places in the neighborhood, written notices, announcing such taking up and retention, and containing a description of the color, age and natural and artificial marks of such animal or animals, as near as may be, and such person shall, during such retention, provide such animal or animals with sufficient food, water and shelter, for which he shall receive the same remuneration as allowed to Pound-keepers, and in case of any neglect so to do, shall be liable to the same penalty as Pound-keepers, under this By-Law, similarly neglecting.

13. 1st. That from and after the passing of this By-Law, any person owning land adjacent to any highway or to any public street, lane, alley, place or square within the said Township of Brantford, may, on the portion thereof contiguous to his land, plant any one or more of the kinds of trees mentioned in the preamble to this By-Law; but no trees shall be so planted that the same is or may become a nuisance in the highway or other public thoroughfare, or obstruct the fair and reasonable use of the same; and the distance between any one tree and the tree nearest thereto shall not be less than thirty feet.

3rd. That for each tree so planted and growing for a period of three years, and which shall be reported by the Inspector of trees appointed under this By-Law, as alive, healthy and of good form, and upon the adoption of such report, the person or persons who planted such trees, his or their heirs, executors, administrators or assigns, as the case may be, shall be entitled to and receive from the funds of the said Township a bonus or premium of 25 cents.

4th. That an Inspector shall be appointed annually by the Municipal Council of the said Township of Brantford, for the purpose of carrying out the provisions of this By-Law, and for the due protection of the trees planted thereunder against injury and against removal by any person or persons, including the owner, excepting as authority may be given therefor by special resolution of the said Council; and Palmer Knight, of the said Township, is hereby appointed such Inspector for the current year, and shall hold office until his successor shall have been duly appointed. Any Inspector appointed under this By-Law shall, on the expiration of his term of office, be eligible for re-appointment to the said office.

6th. That the said Inspector or his successor in office shall from time to time obey and carry out the instructions from time

to time given to him by the said Council for the carrying out of this By-Law and the performance of the duties as such Inspector.

7th. That the remuneration of such Inspector shall be such sum as the said Council may from time to time consider his services worth, in determining which the said Council will consider the time employed and the expenses incurred by him in the performance of his duties under this By-Law. The amount awarded by the said Council for his services and expenses shall be final and conclusive.

8th. That any person who ties or fastens any animal to, or injures or destroys a tree planted and growing upon any road or highway, or upon any public street, lane, alley, place or square within the said Township of Brantford (or upon any boundary line of farms, if any bonus or premium under this By-Law shall have been paid therefor), or suffers or permits any animal in his charge to injure or destroy, or who cuts down or removes any such tree without having first obtained permission to do so by special resolution of the said Council, shall, upon conviction thereof before a Justice of the Peace for the County of Brant, forfeit and pay such sum of money, not exceeding twenty-five dollars, besides costs, as such Justice may award; and in default of payment, the same may be levied of the goods and chattels of the person offending, or such person may be imprisoned in the common gaol of the County of Brant, for a period not exceeding thirty days.

9th. That one half of any fine imposed under the authority of this By-Law shall go to the person laying the information, and the other half to the Treasurer of the said Township, for the uses thereof.

2nd. That the said David Greig shall hold the said office of Inspector during the pleasure of the Municipal Council of the said Township, or until a successor or successors shall be appointed.
