IF YOU PATRONIZE The Everyday Bargain Store

YOU LEARN TO SAVE MONEY

Changing to Cash Basis

On and after October 1st no more merchandise will be sold on CREDIT in this store. We expect to sell fully as much as before—even more. But all the sales will be for CASH or PRODUCE.

We are going to make the change in your interest as well as our own. What you are interested in is the fact that under the new deal we are going to sell you things for LESS MONEY.

You see, when we get cash we can pay cash. This means a saving in our buying, and we shall pass the benefits along to you. We shall not of course, get as much for our goods under the cash basis. But we shall get the money when the sale is made, and can afford to take less than if we had to wait thirty, sixty or ninety days for our money.

Why do we think this way? Why is it not just as good for a merchant to get his money at the end of the month as it is to get it day by day?

This is the reason. Every store that gives its customers lowest prices sells its goods on the lowest margin. If we give you the benefit of these discounts we will have to get the discounts first. The way to get goods so they can be sold at the right prices is to pay cash for them or at least discount the bills, which is the same as cash. When a merchant has to borrow money from his bank to discount his bills the banker gets a portion of the benefit in the form of interest—a benefit that under ordinary circumstances should go to the customer.

You will not be interested in a long drawn statement of the why and wherefore of the cash system benefit. It is enough to say that where business in general is conducted substantially on a cash basis prices will be lower.

This is why we are going to adopt the cash system. No one need feel any sense of injury at being asked to pay cash.

The credit of most of our customers is good. It isn't the question of getting the money that worries us. It is merely a matter of getting lined up with the new way of doing things—the way that gets cash, pays cash and gives better values for less money.

You don't have to take our word for our ability to save you money as a result of the new deal.

COME IN AND SEE! ALL WE ASK IS A CHANCE TO SHOW YOU.

A. W. PHILLIPS

BRISTOL, N. B.

CHANGING TO STRICTLY CASH BASIS

ON OCTOBER 1 we are changing to a STRICTLY CASH BASIS and will sell no more goods on CREDIT after that date. All kinds of Produce will be accepted same as Cash.

Every REASONABLE and SENSIBLE person knows that in the long run this will be much better for BOTH my CUSTOMERS and myself for I can sell my goods MUCH CHEAPER and yet have more clear profit, as it will save the big expense of Book-keeping and Book-keeping supplies, cost of making out accounts and mailing them, and the BIGGEST LOSS of all, in BAD DEBTS and loss of interest on overdue accounts.

Further arguments in favor of the Cash System is unnecessary as EVERY ONE KNOWS we can SELL CHEAPER for CASH than at SPECIAL CASH SALE prices later. We will prove that we will SAVE YOU MONEY.

GREENWOOD TO BE DEDICATED

Every Interested Person Should Attend Service Sunday Afternoon

On Sunday afternoon at 3 p.m. there will take place the most unique religious ceremony that has ever been held in these parts. Not only will the ceremony be the only one of its kind, but in its very nature it will be most solemn and impressive. It will be then that the new Greenwood Cemetery will be dedicated as hallowed ground for our beloved dead, and as ground set aside under religious auspices for the last resting place of most of us citizens of Hartland and vicinity.

All the members of the village have agreed on a program of brief addresses and there will be appropriate prayer and music. M. L. Hayward will tell the people what the committee of seven has done and give a financial statement.

Always every year when the snow went off the ground the graveyard has presented a sad, mournful, desolate, gruesome appearance suggestive everywhere of death and decay and those who had loved ones buried there felt more poignantly their grief when they visited the graves and saw the condition of desuetude.

Today conditions have changed. A number of men of the town—most of them rugged, stern men not much given to sentiment—have given their earnest endeavor to raise from the old burying ground a place that would do honor to the dead, dispel the shuddering awe and fear which one could not previously repress when visiting the cemetery; and inspiring the living with the thought that there is still hope in death, and those who are buried there are not dead but sleeping.

The transformation that has taken place at Greenwood, although still far from complete, is wonderful and a very hopeful sign of the progress of our people. The people in Hartland and surrounding country have really deep interest in this graveyard, if they but knew it. There are many who live at distant points who have friends buried there. As many as possible should gather at the cemetery on Sunday afternoon. It is desired to see hundreds there, and there will be, if the day is fine.

You are given this special, personal invitation to come.

WILL ASSIST THE POTATO GROWERS

New Line of Steamers to South American Ports and Warehouses Planned

T. W. Caldwell, M. F., of Carleton county, was in the city yesterday in conference with J. C. Chesley, local agent for the marine and fisheries department, in regard to obtaining a warehouse for the handling of potatoes being shipped to Cuba and the West Indies. Mr. Caldwell, with the government engineer and Mr. Chesley, visited West St. John and made an inspection of several of the sheds there. It is expected that the engineer will make a report today in regard to the shed and Mr. Caldwell remained here in order to complete arrangements.

Mr. Caldwell said last evening it was hoped to soon have a line of steamers carrying potatoes from here to South America ports. Negotiations with this end in view were progressing well and he expected that a definite announcement, in this respect, would be made soon—Telegraph.

CARLETON CO. MAN STRIKES OIL

S. F. Boyce, Who Retained His Holdings in Montana, Is Well Repaid

Friends here have received word that a 15,000 barrel gusher has been reported on the property in Montana owned by S. F. Boyce, of Lake George, York county.

Mr. Boyce is a native of Somerville but went to Montana some years ago and resided there for a considerable period, but about four years ago he returned to this province, purchased a property at Lake George and now has a fine home there, where his family reside. He has, however, retained portions of his original holdings in the west, including about 1,000 acres, where considerable oil exploration work has been going on.

The Great Falls, Montana, Tribune gives details of the finding of the gusher and makes it evident that Mr. Boyce's holdings should prove very valuable. Where the gusher was reported was at what is known as Sunburst-Boyce No. 1; previously in that section of Montana oil had been obtained only by pumping, but in this case the well blew itself in with the big production reported above. Early telegrams sent from the scene to Great Falls said the well was flooding the area with oil and that reservoirs were being rapidly built to hold the flowage.

C. Little White, of the Valley Motor Company, received word yesterday from Mr. Boyce of his good fortune with copies of Great Falls papers.—St. John Journal.

BENNIE SWIM DIES TOMORROW

Young Man to be Executed is Bearing Well, Although He is Slightly Nervous—Music For Mrs. Boyd

Woodstock, Sept. 12.—As the day approaches for the execution of Benny Swim the condemned man is keeping up wonderfully, although slightly nervous. The woman, Mrs. Boyd, awaiting trial for the murder of her children, occupies a cell on the same floor, and Sheriff Foster has given her a gramophone and some records which she plays very often. Swim said to his keeper, "That music gets tiresome, but I won't be here long and will not say anything as I suppose it amuses the poor woman."

As sewing and knitting could not be given Mrs. Boyd it was thought advisable to take up her attention with music. Every day Swim's spiritual adviser, Rev. H. V. Bragdon, spends some time with him and he has expressed a desire to be baptized. Arrangements for carrying out the ceremony were made in the corridor near his cell. Holmes, the executioner and an assistant have arrived to complete the preparations for the execution, which is to be carried out in the jail yard on Friday.

Woodstock, Sept. 12.—The preparations for the execution of Benny Swim are going on. The lumber for the gallows was placed on the ground today, and workmen will commence construction in the morning. The condemned man, when told the sentence would be carried out, went to pieces, but has recovered and, strange as it may seem, evinces considerable interest in the final preparations. His cell is on the opposite side of the jail on which the gallows will be erected, and he inquired today when building operations would commence. He also asked if the lumber had been hauled and requested that he be given a cell on the other side where he could witness the building of the structure. His request was granted.

AFTERNOON TEA AT MRS. MILLER'S

Mrs. S. S. Miller was hostess at a very pleasant afternoon tea Tuesday when Mr. Miller's niece, Mrs. Sinnett, was guest of honor and also Miss Nellie Thompson of Boston. Mrs. Miller received her guests on the spacious verandah where a pleasant hour was spent. Later the guests were invited into the house and were given a treat when Mrs. Sinnett favored them by singing a couple of numbers. The guests were then ushered into the prettily decorated dining room and partook of a most luscious luncheon. After refreshments were served Mr. Sinnett, who also has a most wonderful voice favored the company by singing a solo. The invited guests included—Mrs. Sinnett of Canning, N. S.; Miss Nellie Thompson, Boston; Miss Jameson, St. John; Mrs. Bruce Berry, Moncton; Mrs. Hatfield, Boston; Mrs. Fred Boyer, Mrs. H. C. Cochrane and Mrs. C. N. Barton of Victoria; Mesdames J. T. G. Carr, C. H. Taylor, H. J. Aitken, Frank Hagerman, R. B. Hagerman, H. H. Hatfield, Wm. McLeod, Will Carr, Harley Burpee, A. W. Kyle, W. F. Haigh, G. McBurnie, Mrs. Henry Teddie and Miss Evelyn Teddie, Miss Mary Carr, Miss Marlon W. Stevens. Misses Jean and Muriel Miller assisted with entertaining the guests. Mrs. A. A. Riddout presided at the head of the tea table and poured the tea.

TO INTEREST LOCAL EXPORTERS

The secretary of the Board of Trade yesterday received a communication from E. C. Austin, of Barranquilla, Colombia, South America, with regard to the prospects of interesting local exporters in the matter of shipping goods to Colombia and Venezuela. Mr. Austin also advised that he had reached New York on his way to this country, and expected to leave that city for St. John on September 13 or 14.—St. John Journal.

BIG CROWD AT THE EXHIBITION

Today is Children's Day and Hartland School Has a Large Number of Contestants in the Sports—Show Was Good

Woodstock Exhibition opened on Tuesday with favorable weather and a large crowd gathered to see the best show of all time in Carleton county. Yesterday forenoon the weather was threatening, but there was little rain anywhere in the county and an immense crowd gathered, the particular point of interest being the free-for-all races.

Today is children's day and Hartland schools closed for the occasion. A large number of the pupils have come to the event and many are entered in the sports as follows:

Broad jump, running broad jump—(a) Paul Kyle, (b) Arthur Rigby, Harry McCollom, Harold Donkin.

Three-legged race—Arthur Rigby, Harry McCollom, Harriet Harris, Muriel Miller, Martha McCollom, Helen Rideout.

Relay Race—Arthur Rigby, George Barter, Dean Price, Hazen Hayward. Hundred yard dash—Paul Kyle, David Morgan, Clayton Price, Grace Coughlin, Marion Stevens, Harold Donkin, George Barter, Mabel Nevins, Martha McCollom.

Lodovino Violette, Anna Orser, Mildred Sippell, Frank McMullin, Arthur Waters and Charlie Miller are also contestants.

The children were taken to Woodstock by A. W. Kyle, C. E. Rideout, and C. E. Morgan.

SUICIDE OF SIMONDS BOY

The community was shocked yesterday when they received news of the suicide of Wendell Ebbett, son of Whitefield Ebbett of Middle Simonds. He was Station Agent at Washburn, Me., and leaves a wife and one child who are at present visiting at his old home at Simonds.

When last seen alive Mr. Ebbett was conversing in normal manner at 11 p.m. on Tuesday. He did not show up for work yesterday morning and investigation found his dead body in his room and an empty bottle of alcohol told of the vain attempt to end his life, but his cut throat proved the more successful venture. The shocking news was received by the parents and wife yesterday and deep sympathy is extended to them. During the last few weeks he had been working hard and had much worry and it is believed that his act was due to a temporary mental derangement.

The remains will be brought to Hartland today and funeral will take place at Middle Simonds this afternoon under Masonic honors.

BROTHERS WED—BUT NOT EACH OTHER

Ray Wallace Laskey of Moncton, brother of E. W. Laskey of this town, and Miss Maud Lillian Spencer were married on Wednesday last at the Wesley Memorial parsonage, Moncton. Mr. Laskey has for some years been employed in the engineering department of the C. N. R. and his bride was formerly an employee of the N. B. Telephone Co. The young couple arrived here on Saturday and spent a few days of their honeymoon with Mr. Laskey's brother. Their Carleton county friends wish them every happiness.

More surprising than the foregoing was an announcement appearing in the same column of a St. John daily which states that "Mr. and Mrs. Leverett W. Clark of St. Stephen announce the engagement of their youngest daughter, Winnifred A. Millidge, to Gordon Laskey, P. D., of Woodstock, the wedding to take place in the near future." The groom-to-be in this case until a couple of weeks ago resided here with his brother Edward, but is now engaged in the practice of his profession in Wilson's Dental Rooms at Woodstock. He is a graduate of a New York City dental college. The charming young woman who is to be the bride is no less than the principal of Hartland High School and during the year of her sojourn here has won a host of friends. The happy couple will receive the felicitations of all the town.

Railway News

Montreal.—On August 23rd, George H. Ham, "the Grand Old Man of the Canadian Pacific," celebrated his seventy-fifth birthday and received congratulations from all over Canada.

Vancouver.—Railways in Canada are in an excellent position to handle the bumper grain crop of the prairie provinces. There are also 10,000 cars in the western division of the C.P.R. ready to handle grain moving westward from the prairie grain fields, officials of the railway state.

C. A. Cotterell, assistant general superintendent of the C.P.R. western line, stated that heavy shipments will be made to the Orient through this port.

Toronto.—American tourists last year spent \$75,000,000 in Canada, according to an estimate made in an official report of the Dominion Government's Parks Department.

Last year more than 100,000 tourist motor cars entered Canada; that would mean upward of half a million tourists. This year the number will be much greater, for the tide is growing rapidly. The railways are having a very busy season.

Winnipeg.—After a careful survey of reports received from C.P.R. agents throughout the West, it is estimated that this year's crop will approximate 317,000,000 bushels, according to the weekly crop report of the C.P.R. agricultural department issued here.

Reports indicate that the Western crop generally is turning out well. Even in areas where poor yields were looked for, the conditions have proved better than anticipated.

Vernon.—Present indications are that the 1933 British Columbia apple crop will total about 2700 or 3000 acres.

Last season was the province's big crop year, when approximately 3500 cars were packed out.

The C.P.R. has made many provisions to take care of the valley's transportation demands. On nearly every side between here and Calgary refrigerator cars are waiting to be shunted to the packing houses, while houses are well stocked.

Calgary.—While Calvin Coolidge, Vice-President of the United States, was not inclined to talk about trade relations, tariffs or anything of that nature when he arrived here on the Trans-Canada train of the Canadian Pacific Railway, he waxed most eloquent in his remarks of Banff and Lake Louise and of the Canadian Rockies along the route by which he had travelled.

"No wonder you Canadians are proud of your mountains," he asserted; "they are magnificent."

The Vice-President spent some time in conversation with J. M. Cameron, general superintendent of the Alberta Division of the C.P.R.

Montreal.—According to a joint circular issued by the Canadian Pacific Railway and Canadian Pacific Steamships Limited, Mr. Allan Cameron is appointed Oriental manager, with office at Hong Kong, effective October 1.

It is understood that Mr. Cameron will be in charge of both traffic and operating departments. The extensive growth in recent years of Canadian Pacific activities in the Orient, with enlarged fleets and services which have added Manila to the ports of call, has involved also the transfer of the administrative headquarters from Yokohama to Hong Kong. Mr. Cameron is familiar with Hong Kong, as from January, 1901, to September, 1906, he was located there as general agent of the Asiatic business of the Oregon Railway and Navigation Company's line of steamers.

Mr. Cameron's first connection with the Canadian Pacific Railway was at Winnipeg as clerk of the local freight office in 1887.

Moose Jaw.—D. C. Coleman, vice-president of the Canadian Pacific Railway Company, was a visitor in the city for a few hours, while en route to Victoria.

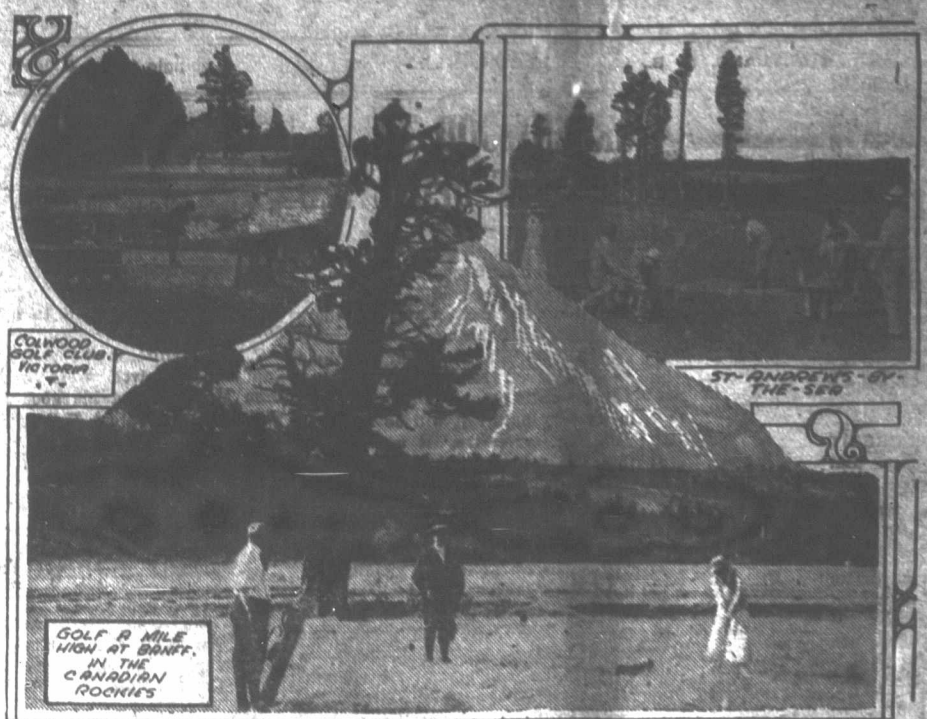

Mr. Coleman made the announcement that the Canadian Pacific Railway Company had leased the last of its terminal elevators at the head of the Great Lakes, on a long term lease, to the Consolidated Elevator Co. interests. The capacity of the elevator is eight million bushels. The lessees will assume possession on September 1.

The leasing of the elevator is in conformity with the announced intention of the railway executives to go out of the terminal elevator business.

Asked as to the completion of the Asiniboia-Leithbridge line gap, Mr. Coleman stated that it was anticipated that the gap would be completed late this fall. Much, however, would depend on whether the contract would be able to hold his men during the harvest season.

Relative to the grading of the line from Consul, east, Mr. Coleman stated that the first thirty miles had been completed and the contractor was now working on the second thirty miles.

CANADA'S SEASIDE AND MOUNTAIN LINKS PLEASE GOLFERS

THE history of golf in Canada is a long story. The first game played on this continent took place in this country and the development of the game here has gone forward with rapid strides. To-day the Dominion is dotted with links noted for their excellence from St. Andrews-by-the-Sea in New Brunswick, to Vancouver in British Columbia. Guests are welcome everywhere and United States experts like "Chick" Evans and Oswald Kirby are unanimous in declaring that the quality of Canadian golf is very high. Canada's first club was the Royal Montreal founded in 1873 about fifteen years before St. Andrews Golf Club, the first in the United States, was started in Yonkers, N.Y.

Canada's St. Andrews-by-the-Sea is a seaside course on Passamaquoddy Bay, an estuary of the Bay of Fundy so near Maine that a long driver could almost put one over the international fence. St. Andrews is not a name to be taken lightly, and when Sir William Van Horne and Lord Shaughnessy had the 6,100 yard New Brunswick links laid out, they made it worthy of its great Scotch namesake, the mother link of the golf world. Many of the holes are on sloping ground with the picturesque panorama of the bay in one direction, and the green forests in another. In addition to the regular 18-holes, there is a 9-holes course for ladies and the Algonquin is headquarters for golfers.

The Canadian government owns and manages at Banff, Alberta, one of the most interesting and picturesque links in the world. Banff Golf Course, this year expanded to 18 holes, is nearly a mile above sea level along the banks of the Bow River. From the edge of the fairways majestic mountains tower a mile above the links and the golfer enjoys his favorite sport in a scenic setting of unforgettable beauty. Now and then the "galleries" watching the game is augmented by wild mountain goats who peer down from some lofty ledge at the players. The links are in charge of a competent professional and are a fine test of the game.

Farther west Vancouver and Victoria enjoy golf both summer and winter on links which are a delight to both expert and novice.

Memorial to Early Explorer Takes form of Primitive Fort

"KOOTENAY HOUSE," RESTORED HUDSON BAY POST AT INVERMERE P.C. ON LAKE WINDERMERE, B.C.

Visitors to the tourist region about Lake Windermere in southern British Columbia, will find a reminder there of early days. The Hudson's Bay Company is building a replica of their first post in this region. It was known as "Kootenay House" and was built by the intrepid astronomer and explorer, David Thompson, in 1806 on the shore of lovely Lake Windermere.

David Thompson, a pupil at Blue Coat School in London, was released to the Hudson Bay Company for the sum of five pounds sterling. The company sent him to Canada where he was outfitted and sent up the Hayes River with a party. In 1795, he with three porters, two of them Indians, made their way from Hudson's Bay to Lake Athabasca. On his return to York Fort he was informed that the company would make no more explorations and that he was out of a job. He did not allow this to discourage him but set off immediately with two Indians for Grand Portage where he obtained an appointment as astronomer for the North West Company whose headquarters were at that point.

As astronomer he visited the company's various posts and while in the Lakeland-Woods region, in Manitoba, located the source of the Mississippi River. Many years were spent in surveying the western wilds, travelling by dog team and canoe. The winter of 1807-08 was spent at Kootenay House with his "little family," as his Indian wife and children were termed. In October, 1810 he set out to trace the Columbia River from its source to its mouth and was the first white man to do this, arriving at what is now Astoria, Oregon, in July, 1811. The trip was accomplished despite great perils. Thompson died at the age of 57, poor and unappreciated. Posterity has recognized its debt to this brave man whose

sixteen years of work for the Company made him one of the most notable men of that period.

The new post will be an exact duplication of the one built by David Thompson and is in the nature of a memorial to the brave man for whom the intrepid Thompson River was named. The fort will add another attraction to this popular valley around which are ranged many natural wonders such as Toby Canyon, Howe Thirt Glacier, and Lake of the Hanging Glacier. Guests at Banff and Lake Louise will find a motor trip over the newly opened Banff-Windermere Road, a pleasant outing with Lake Windermere Camp, ready to serve them luncheon or tea.

HAS NOT LOST A DAY SINCE HE TOOK TANLAC

"Before I had finished my first bottle of Tanlac I began to straighten right up," was the statement made recently by William Anderson, a boiler maker, living at 97 St. James St., St. John, N. B.

"I had suffered from indigestion for five years and neither medicines or dieting seemed to do me any good. There was a steady gnawing pain in the pit of my stomach day and night. Sometimes I was in such agony from it that the sweat would just roll off me and I would get so weak I simply had to give up. I couldn't sleep or rest and got up mornings all in. During this time I had to give up work several times, and the last time was off four weeks.

"But in a short-time after I began taking Tanlac I was ready for my three square meals a day. I have not lost a day from work on account of my health since Tanlac set me right, nearly two years ago. I eat anything I want, sleep fine and I can do an honest day's work and feel good and strong at the finish. My wife was all run down and her blood was poor, but she took Tanlac, too, and today she is as well as she ever was."

Tanlac is sold by all good druggists.

Mr. and Mrs. Wm. Simonsop of East Florenceville spent the week-end with Mr. and Mrs. Sida Giberson.

The members of the Union S. S. met at the home of Dr. and Mrs. G. W. Somerville Thursday evening and gave a delightful party for Miss Helen Somerville, her brother Aubrey and Arnold Rogers who left Monday for Mt. Allison College. During the evening Rev. D. R. Chown, an old graduate of Mt. Allison gave a pleasant talk followed by Mr. Thompson, a student at Dalhousie, who has preached in the Presbyterian church during vacation. Then E. Carey, supt. of the S. S., presented Miss Somerville with a very nice leather writing case and to Aubrey and Arnold each a memorandum.

NO PROFITEERING WITH ZAM-BUK

Before the war, Zam-Buk was 50c a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c a box. Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only. Is this method of doing business not worthy of recognition? Answer this question by continuing to recommend, to appreciate, and to use Zam-Buk—the greatest household healer of modern times.

Use it for all skin troubles, eczema, ringworm, shingles, ulcers, boils, pimples, piles, blood-poisoning, chapped hands, cold sores, cuts, bruises, burns, scalds, etc.

PICKARD-WRIGHT

A wedding of much interest was solemnized in the Baptist church at Plaster Rock, Wednesday morning at 10 o'clock when the Rev. Charles E. Strothard united in marriage Miss Winnifred Elizabeth Wright, daughter of Mr. and Mrs. Norman Wright, and Amos Atwood Pickard of Edmundston.

The bride entered the church on the arm of her father to the strains of the wedding march played by Mr. Sherlock. The bride looked charming in a suit of navy blue, and carried a bouquet of Ophelia roses. The matron of honor, Mrs. William Sadler wore blue taffeta. The bridesmaid, Miss Annie Bedell, wore grey canton crepe and the two flower girls, Marion Wilberly and Helen Johnston, nieces of the bride, wore green organdy. Mr. Archie Pincombe of Edmundston acted as best man. Following the ceremony a reception was held at the home of the bride's parents, after which the happy couple left on a honeymoon trip through the White Mountains. The out of town guests included the Misses Roberts and Greta Hammond, Helen and Grace Stevens, Ralph Murchie and Bruce Pincombe of Edmundston, Mrs. George T. Baird, Andover, Miss Muriel Maird and Mr. and Mrs. M. L. Wright and family of Perth, and Mrs. and Mrs. Bernard Johnston of Carleton, Me.

Developing Canada's Oriental Trade

With its fleet of fast-moving, luxuriously fitted steamers, trans-continental express train services, and chain of palatial hotels, the Canadian Pacific Company have laid an easy highway around the world, and another link between West and East has been established by the magnificent new steamer "Empress of Australia," which recently joined the trans Pacific service from Vancouver to Yokohama, Kobe, Nagasaki, Shanghai, Manila and Hong-Kong.

The "Empress of Russia" and "Empress of Asia" are already well known on the Pacific Ocean, and accommodation on these steamers has always been difficult to obtain owing to their popularity.

With the addition of the still larger steamers, "Empress of Canada" and "Empress of Australia," sailings from Vancouver will now be so frequent as to provide in conjunction with the Canadian Pacific Atlantic service a fortnightly through service from Europe.

It is now recognized that the Canadian Pacific route to the Orient is quite as easy for the traveler as the all-sea routes, and is, of course, much shorter.

Yokohama is reached from Britain in less than three weeks, and Hong Kong in four weeks.

The "Empress of Australia" is the largest commercial vessel to pass through the Panama Canal. The vessel is 588 1/2 feet in length, 75 feet in breadth, 46 feet 3 inches in depth to up-

per deck, and of about 21,500 tons gross. She is of the shelter deck type, with a continuous bridge above, extending the full length of the ship, and the lower and upper promenade decks fully half the length.

She has a straight stem, an elliptical stern, three funnels, and two masts, and has a very beautiful appearance. She has splendid accommodation for 400 first class, 165 second class, 360 third class, and 670 Asiatic steerage passengers, and a crew of about 520.

The first class dining saloon (with accommodation for 320 sitters), the first class ladies' room, the first class smoke room, and the first class writing room are all decorated in the Louis XVI style; the first class lounge in the Empire style, and the swimming bath in the Pompeian style, while there are also a first class card room, a verandah cafe, a children's room, an electric bath, a splendid entrance hall and ladies' and gentlemen's hairdressing rooms—these and all the staterooms being furnished and decorated in the most comfortable and tasteful manner.

The vessel is propelled by two sets of Curtis-Parsons turbines, driving twin screws through Föttinger hydraulic transformer gear, indicating about 18,000 s.h.p., and giving the vessel a service speed of 17 knots. Steam is supplied by 14 water tube boilers each fitted with three furnaces, and having a working pressure of 240 lbs. The vessel is an oil burner.

Since 1886 the Canadian Pacific

Railway and the Canadian Pacific Steamships have been making record after record on the Pacific and are now many miles in the lead of other steamship and transportation concerns operating on the Pacific.

The year 1887 saw the establishment of a regular trans-Pacific service, with three chartered steamships, the Batavia, the Parthia, and the Abyssinia. The latter's first outbound cargo consisted of 40 tons of freight. Three years later, in July, 1890, the Canadian Pacific Government concluded a contract with the British Government providing for a small subsidy of £40,000 a year, with the services of three twin-screw steamships between Vancouver, Japan, and China.

To fulfil the terms of this contract, the Empress of India, the Empress of China, and the Empress of Japan were specially built. These steamers were of about six thousand tons each, a cross register, and began their work in 1891.

With the arrival of the Empress of Australia, the company inaugurates a service whereby a steamer will leave Vancouver every two weeks for the Orient.

Some of the Canadian Pacific ships on the Pacific now are:

	Tons
Empress of Canada	22,500
Empress of Australia	21,400
Empress of Asia	16,907
Empress of Russia	16,810
Empress of Japan	5,940
Monteagle	6,163

MOUNTAIN CLIMBERS GO INTO CAMP

AN EARLY MORNING START AT A MEET OF THE ALPINE CLUB OF CANADA

"EXCELSIOR"

THE Alpine Club of Canada, which has done a notable work in creating an interest in Canada's great natural heritage of mountain scenery in the Canadian Rockies has selected the Palliser Pass, on the Great Divide, near Mount Assiniboine for its seventeenth Annual Camp, which opens on July 20, this summer. An outlying camp will be placed near the summit of North Kananaskis Pass, in the same group of peaks, about eight miles distant. The main camp will be forty-four miles distant from Banff, but owing to the series of walking tour camps recently established by Mr. A. O. Wheeler, of Banff, it can be comfortably reached within three days from the Alpine Club headquarters by travelling for two days to Trail Centre Camp; then one day to the summit of Palliser Pass. All outfit and supplies carried by pack ponies. Main camp will be at the summit of Palliser Pass. A subsidiary camp will be placed near the summit of North Kan-

anaskis Pass, eight miles distant; both very beautiful locations.

The summit of Palliser Pass is 7900 feet above sea level. Camp will be in an open, Alpine meadow by the shore of Beliveau Lake. The pass is dominated, on one side by Mt. Sir Douglas (Haig), 11,500 ft., and on the other side by Mt. King Albert, 9,800 ft., and is very beautiful in its surroundings.

A few miles southward lies the Royal Group, dominated by Mt. King George, 11,400 ft., and Mount Queen Mary, 11,100 ft., surrounded by the Royal Family of mountains. Below the Group lies the Royal Valley.

The summit of North Kananaskis Pass lies at 7,600 feet; it is in the centre of the British Military-Naval Group. At its summit is Lake Mande, and all around are the peaks Mt. Beatty, Mt. Jellison, Mt. French, Mt. Mande, Mt. Robertson, Mt. Bledwood, and Mt. Smith—all excellent climbs of 10,000 feet and more. Not far to the south-east is the French Military Group,

from which Mt. Joffre, over 11,000 feet, rises conspicuously.

The time will be spent in climbs and explorations in this new territory, and a special two-day trip will be arranged from the main camp at Palliser Pass, via Kananaskis Pass, Haig Glacier, Burstall Lakes, and Burstall Pass. At Kananaskis Pass Camp, of special interest will be Lawson Lake and Turbine Canyon. Turbine Canyon is spanned by six or more natural bridges. Haig Glacier, and its subsidiaries, the largest ice field in this southern part of the Main Ranges, is very fascinating. Its icefall and that of the Beatty Glacier come right down close to the summit of Kananaskis Pass. The passes very beautiful, and is comprised of wide, open Alpine meadows carpeted by pink heath and white heather, and brilliant with rare Alpine flowers.

A large attendance of both Canadian and American members is assured, and visitors from the Alpine

Club (England) will be present. A phenomenal camp is in preparation, and Major E. O. Wheeler, R.E., of last year's Mt. Everest expedition, will be in charge of the mountaineering.

The Banff to Mt. Assiniboine walking and riding tour route ensures easy and comfortable transport, and will enable the visiting members to travel home via the entrancing Malver Lake, Lake Gloria, Wonder Pass, Mt. Assiniboine, Valley of the Rocks, Golden Valley, Citadel Pass, Healy Creek and Bow River.

The walking tour route will open to the public on the 1st of July, and be in operation during July, August and September. Trips start from Eau Claire Camp every Monday and Thursday. The objective is Wonder Lodge at Mt. Assiniboine, the Matterhorn of the Canadian Rockies. It is the central point of the recently created Mt. Assiniboine Park. This tour is open to the public, and will be well patronized this summer.

ECHOES OF THE BIG CELEBRATION

That there was no accident and no disturbance in spite of the tremendous crowd reflects not only upon the crowd but upon Chief of Police Savage and his corps of police.

The services of St. Paul's church the Sunday before the last morning and evening were unusually well attended, due to the fact that so many visitors were in town. The minister at the evening service took as his text "Hndeavoring to keep the unity of the Spirit in the bond of peace", having especial reference to the fact that the ideals and aspirations of the United States and Canada were largely identical, and that joint celebrations of the nature of the bridge opening emphasized the things which bound two branches of the same race together.

On the hotel registers on Monday last were to be found the names of visitors from a dozen different states and provinces. Some of them from far different points, all here to help us celebrate. Probably a great many of these were touring through this part of the country and stopped over to see what was doing.

The arrangements at the horse races in view of the fact of the great crowds were admirable. The greatest praise is due to President J. Frank Rice, Secretary J. W. Hall and Track Secretary T. M. Richards, Jr.

It was found out afterwards, after all the danger was past, that so many people should not have been allowed on the bridge at one time, as there was on one occasion during the day. One of the engineers said that the bridge was built for ordinary traffic, not to hold a great mass of humanity as there was at that time.

The horses in the parade were especially good looking animals, and added greatly to the appearance of things.

Captain Lawson mounted on his white horse led the parade in truly military fashion.

Here, there, and everywhere, wherever he was needed, having in mind it would seem almost very detail, Martin Theriault, to whom is due the success of the celebration, kept at it from early morning until late at night. Martin has a great memory, a well poised mind, an ideal way of getting along with others, a fine faculty for organization and with it all his head is of the usual size. The town could not have chosen a better man for the stupendous task of organizing and carrying through the joint celebration. Here's to you old scout.

His Worship the Mayor, Max D. Cormier, Plus Michaud, M. P., Hon. Remi Daigle and Hon. J. E. Michaud, local men on the program, Hon. Remi Daigle coming from across the bridge, all did themselves and their respective towns proud in their speeches at LeVite Cyr's field, at the Court House, and in the evening at the banquet. Governor Baxter captivated his audience in his brief speeches that night too.

It was a Good banquet, at a Good hotel, and the proprietor is a Good man.

The dances held on platforms at LeVite Cyr's field in the evening were run by some of the men in the Fraser Companies employ. Two orchestras were in attendance—"Mikes Merry Musicians" and the local band from the Indian reservation. The net receipts were small. It was intended that the proceeds should be used as a nucleus for a sick benefit fund. Altho' the receipts were small it is intended that the fund shall be added to at the earliest possible moment.

The boys of the Alert Club won the second prize for the most comical exhibition. The Kazoo Band was funny. The two drug stores in town are now selling faster than they ever sold before, their patent hair growers, as they are not able to use the safety razor yet. They are watching daily for signs of growth, however.

The miniature bridges in the Four-ner Ladies' Tailor Shop on Canada Road and the one in Joseph David's store on the same street have attracted a great deal of attention.

The arch made of evergreens on the Madawaska side of the river erected by the townspeople there, was a fine piece of work, and has been the subject of mention by hundreds of people both of Edmundston and elsewhere.

It was very much regretted that the Lieutenant Governor, the Hon. William Pugsley, and Premier Foster were not able to be present at the celebration.

The car decorated and labelled Edmundston Fire Department, got up by the Fraser Company staff, Stewart White in charge, was such a good imitation that scores of people really thought that it belonged to the fire department of the town.

To hear he crowd sing "Allodette" at the banquet was a treat. Governor

Baxter looked as if he hugely enjoyed it.

Everybody remarks about the high order of the speaking at the banquet and the poem recited by J. M. Stevens, K. C., in which the fact that all along our border between Canada and the United States there are no forts or soldiers was so fitting that you could have heard a pin drop.

THE DONORS OF THE PRIZES

The merchants of Edmundston and Madawaska, Me., were very generous in contributing prizes for the parade and sports of the fourth.

We hereby give a list of them and their donors:

Ppot light donated by Denis M. Martin; flash light by E. F. Belanger; box cigars, A. F. Randolph & Sons; alarm clock, R. W. Hammond; muffler, Wagner's Limited; pair golf cuff links, E. E. Miller; box cigars, Baird & Peters; gravy dish, John J. Daigle; pipe and tobacco pouch, Douglas Stevens; fancy box stationery, Le Madawaska; fishing rod, J. Frank Rice & Sons; safety razor, Joseph David; two safety razors, G. E. Barbour; cash five dollars, J. W. Hall; set automobile chains, Pat Fournier; humiditor tobacco, Raymond Albert, Madawaska; jar tobacco, D. A. Bouchard, Madawaska; set socket wrenches and magic vulcanizer, F. W. Pelletier, Madawaska; jar tobacco, H. P. Frenchette, Madawaska; coal oil heater, L. A. Dugal; statue, Mrs. L. Gagne; cigar holder and tray combined, J. C. Cote, The Library; picture frame, W. Landray; silk skirt, R. W. Hammond; box chocolates, C. J. Grady; scarf, Jos. Moscovitz; scarf pin, solid gold, Eddie Albert; box chocolates, Bert Carron; sapphire ring, E. E. Miller; jack knife and mouth organ, Fred Lajoie; Gillette safety razor, D. H. Van Wart; alarm clock, T. M. Richards; ash tray, J. J. Daigle; jewelry box, M. Abbis; neck tie, Jos. David; pair braces and armlets, I. Kasner, pair gloves, Richie St. Onge; two safety razors, G. E. Barbour; pair gloves, carter & Young; safety razor, Francis Berube; fruit bowl, Joe Michaud.

It will be noted by the above list that several firms names are repeated. The reason for this is that they stipulated that certain prizes should go for sports and others for the parade and floats. Whilst several solicited the prizes the chief work was done by Lloyd Sinclair, General Manager Theriault and the chairman of the sports committee, Gordon Nicholson.

By looking at this list it will be seen that the prizes were eminently worth while.

REV. J. J. GRAHAME DIES SUDDENLY

Word was received on Sunday afternoon by the Rev. John Hardwick that the Rev. J. J. Grahame, minister of the Presbyterian church at Grand Falls, had passed away quite suddenly on Sunday afternoon. The deceased gentleman had been in his usual health up to the time of his death. In the afternoon he complained of not feeling well and of a pain in his arm. Mrs. Grahame applied hot pads to the arm, but before anyone realized that the illness was serious he passed away.

Mr. Grahame had been minister of the Grand Falls church for about two years, and was very greatly beloved by his people. Before coming to Grand Falls he was minister of the combined charge of Hampton and Rothesay. He was about forty-six years of age, and a graduate of the Presbyterian College, Montreal. He was attending college part of the time that Mr. Hardwick was there, and was present at the induction of Mr. Hardwick when he was installed as pastor of St. Paul's congregation a few months ago. A son living in Montreal arrived home on the train on Monday. The funeral service was held on Tuesday. The sympathy of a devoted congregation goes out to his widow and children. The loss of the congregation is a great one as Mr. Grahame's place will be hard to fill.

WINNERS OF THE PRIZES

The prizes given for the Floats and automobiles in the parade gave the judges, T. J. Scott of Edmundston and E. Albert of Madawaska, a great deal of trouble. Never before in the history of the town was there such a parade, and never before such a splendid pageant of floats and beautifully decorated cars.

The list is as follows:

Special and first prize for a float representing the whole plant of the Fraser Companies Pulp Mill, prize a \$25 pipe and tobacco pouch. J. R. Clarkson designer of float and winner of prize.

The Madawaska Woolen Mills, Madawaska, Me., float representing the mill in operation; prize a fishing rod. Paper machine of the Fraser Company. Prize, flashlight won by J. Hennessy.

Float of L. A. Dugal, prize, jar of tobacco.

Float, wet machine of Fraser Companies plant, won by Archie Michaud, prize safety razor.

Automobiles—1st. F. W. Pelletier for a beautiful decorated car in evergreens with motto done in flowers, and bearing on the radiator hood a stuffed American eagle. Prize, a pair of automobile chains; 2nd. Miss Lizzie Martin, prize, spotlight; 3rd. Harry Murphy, prize, socket wrenches and vulcanizer; 4th. Miss Helen England, prize, fancy dieh.

The Most Original—1st. locomotive, Hilaire Desrosier, prize, a statue; 2nd. fire department car, prepared by Fraser Companies staff, prize, oil stove, awarded to Stuart White in charge of same.

Most Comical Car—1st. automobile of the make of 1922, really a buggy turned wrong side round, driven by a horse pushing it, said horse covered with canvas, won by F. P. Frenchette, prize, Big Ben clock; 2nd. the kazoo band, won by the Alert Club, prize, a safety razor.

PRIZEWINNERS OF THE EVENTS OF THE SPORTS ON THE DAY OF BRIDGE OPENING

The sports were keenly contested and the thousands of spectators hugely enjoyed the various events. It was originally intended that the sports should take place in the LeVite Cyr field, but in view of the great crowd it was finally decided that they should be run off between the races on the race course. Gordon Nicholson was in charge. Prize winners are given in order—1st., 2nd., 3rd.:

100 Yard Dash—Daigle, McDonald, Cyr.

1 Mile—Daigle, Lagasse, Cyr.

220 Yards—Kennedy, Lagasse, Ouellette.

440 Yards—Kennedy, Daigle, McDonald.

Broad Jump—Cyr (13 ft. 5 inches), Kennedy (13 ft. 4 inches), Lagasse (12 ft.).

Potato Race—Lagasse, Cyr, Kennedy, Ouellette.

HARTLAND, N. B., SEPT. 14, 1922.

THE OBSERVER MAN OBSERVES

That Reverend Dr. F. W. Patterson of Winnipeg is "spoken of" as the new President of Acadia University. If the Observer mistakes not Dr. Patterson is a Carleton County boy who attended Normal School in the days of Dr. W. L. Tracey and Reverend A. A. Rideout. Some years ago he attended a Baptist Association in Hartland speaking to a large audience on western missions. Some members of Acadia will probably remember his witty description of Canada as a country "where the roads run from ocean to ocean and telephone wires from pole to pole."

That the school trustees according to their recent communication with the Observer are busily engaged. "Plans for the new school house are being made and will hold a public meeting to discuss the matter in the near future." It is certainly good news and shows up greatly these two salient points. First, it means the taking of the public into your confidence and putting all the cards on the table. If this had been done before and the rate payers had been given information to which they were entitled without going after the Trustees with a club, the public would certainly have been better satisfied and the reputation of the Trustees would have remained unimpaired.

Secondly, power of the press was most manifest from two little editorials in the Observer, and lo! the Trustees came across with the desired information and told the taxpayers how they proposed spending their money.

That the Trustees in their recent letter to the Observer in regard to the school affairs used the following words: "The crime of being absolute failures and mentally dead which has with such vehemence been charged upon us the trustees of Hartland School District we shall neither attempt to palliate or deny, but content ourselves with hoping that we may be among that number whose follies have ceased with the passing years and not of those who in spite of accumulated wisdom build without first counting the cost."

That in the British Parliament in 1741, in his report to Walpole, William Pitt used the following familiar sentence: "The atrocious crime of being a young man, which the Honorable gentleman has with such spirit and decency charged against me I shall attempt neither to palliate nor deny but content myself with the thought that I may be one of those whose follies cease with their youth and not of that number who are ignorant in spite of experience." It is really remarkable how great minds run in the same channel.

FINE CONCERT ON MONDAY

Many Thought Event of Monday Evening More Entertaining Than Any Chautauqua Program

Lovers of music had a delightful treat on Monday evening when J. M. Sherlock, of Toronto, who is well known as Canada's foremost concert tenor, his son Frank Sherlock, musician-in-charge of the Church of England work on the Tobique, Rev. W. P. Haigh, C. Sykes, Miss Ruth Boyer and a guitar quartette, of Hartland, gave a program that was a delight—a most moderate term to use, indeed. Messrs. Sherlock are musicians of high culture, the older gentleman being one of Canada's best. For years he was manager of Sherlock's Male Quartette which won great favor throughout Ontario and the west, and as a public singer has toured the whole of Canada. He is also conductor of Toronto Oratorio Society, the best known musical organization of that city. Besides winning such distinction as this Mr. Sherlock was editor of the Methodist Hymnal and the Canadian Hymnal. The son inherits the father's talents in marked degree and his musical services have been in great demand, both as a vocalist and pianist, in Andover and Perth and elsewhere in Victoria county all through the past year.

Hartland's own talent figured in Monday evening's program in no mean manner—indeed, it compared very favorably with the Toronto talent. The male quartette was fine and the readings of Miss Boyer show true histrionic ability, while the Hawaiian quartette, composed of Will Taylor, Walter Billing, Lorne Britton and Clinton Clarke, rendered delightful selections, really creditable for Hartland amateurs.

The full program was made up of male quartettes—"Lead Kindly Light"—Messrs. Sherlock, Sykes and Haigh. Encore, "Slumber Sleep" (lullaby). "On Venice Waters" (vocal solo) with "Simple Simon" as an encore. "Carry Me Back to Ol' Virginia" with "A Little Farm Well Tilled" as an encore.

Solos: "Because I Were Shy" and "The Trumpeter" by Rev. W. P. Haigh; "The Floral Dance," "The Maid for Me," "The Company Sergeant-Major," "The Mountains of Mourne," by Frank Sherlock; "One Evening Song," "The Standard of the Braes of Mar," "The Little Irish Girl," by J. M. Sherlock.

Duets: Piano, two played by Frank Sherlock and Mrs. Harry Tatlock of Plaster Rock, the latter being the accompanist of the evening. Two vocal duets, sung by Mr. Haigh and Mr. Sykes were especially fine. They were entitled "The Battle Eve" and "Love and War" by Messrs. Sherlock. Reading: "What the Old Clock Saw," by Miss Ruth Boyer. Hawaiian selections.

The company are giving concerts this week at Andover, Lifford and Plaster Rock and the money received above expenses goes to the Church building funds of the deanery.

It was most regrettable that the attendance at the Hartland performance was so small. Since, there have been heard many expressions of disappointment as the fact that there was to have been a concert was not generally known even in town, while those in the outlying districts who would have been glad to embrace the opportunity of hearing good music were unacquainted with the coming of the event. This is another case where "it pays to advertise" is proved.

While there is no desire to discount the quality of the Chautauqua programs, those who attended Monday's concert declare that from an artistic standpoint it was the equal of any of them, while in point of varied interest it had some of the Chautauqua programs beaten.

DISTINGUISHED SON

OF CARLETON

Prof. W. F. Watson, who, as he has done for very many years, spent the summer here, left on Friday en route to his home in Athens, Ga. He was accompanied by his mother, Mrs. Geo. C. Watson, who will spend the winter with him. They will stop for two weeks in New York City before proceeding to the sunny south. For many years Prof. Watson, who was born and reared at Jacksonville, was professor of chemistry and biology at Furman University, Greenville, S. C. He is also a platform lecturer on his special topics and has gained distinction in many cities of the United States and has lectured in London. He is also a frequent contributor on scientific subjects to leading American magazines, and furthermore was a pioneer in the art of photomicrography, while as a traveller he has encircled the world.

JAMES W. McPHAIL

Andover, Sept. 12—Friends were shocked to hear of the death of James W. McPhail, of Perth. He had not been in his usual good health for some time, but last Friday was at the Presque Isle fair, where he got cold and pneumonia developed. Even this was not considered serious until this morning, when he took an ill turn and

POTATO CONFERENCE.

W. C. Robinson, of Sackville, paid a visit to the offices of the Board of Trade, yesterday, in connection with the matter of holding a potato conference in their rooms on Thursday evening of this week. At this conference will be discussed matters pertaining to the conception of potato shipping activities through the port of St. John instead of by the way of American ports. This is another step towards the objective of trafficking Canadian goods through Canadian channels.—St. John Journal.

TO ERECT POTATO SHED

T. W. Caldwell, M. P., for Carleton-Victoria, is expected in the city today in connection with business pertaining to the question of the erection of a new potato shed here. J. C. Chesley, of the marine and fisheries department at this port, returned to the city yesterday from Ottawa where he went, last week, in regard to the same matter.—St. John Journal.

In reporting the Boyd murder last week the Observer erroneously stated that the tragedy took place at South Knowlesville when in reality it occurred at Argyle which is seven miles from South Knowlesville.

Church of England service will be held at Beaufort on Sunday at 10.30 and at Hartland at 7.30. There will be no afternoon service at Glassville as the rector will participate at the dedicatory service of Greenwood Cemetery on that date.

Arthur Everett, formerly of Everett, Victoria county, has been visiting at the home of Clyde Claude. Mr. Everett went west with a son of Gideon Phillips, formerly of Mount Pleasant, and has made big money lumbering in British Columbia.

Splendid road work is at last being done by the government between Upper Brighton and East Florenceville. Work is resumed where it was left off two years ago; several concrete culverts are being placed and the whole stretch is being widened and turpined.

The Star Bible Class of the United Baptist church met on Tuesday at the home of Mrs. Harry Lipsett and later enjoyed a lawn supper. A most praiseworthy act of this devoted company of Christian workers was their vote to donate \$10 to the Greenwood Cemetery Fund.

On Sunday Miss Mary McMullin with a party of friends motored to Marysville and return. Although Miss MacMillan had been handling a car less than two weeks, and was accompanied by no mechanic, she made the long drive of 175 miles without accident or any untoward incident.

The wedding is announced of Donald W. Matheson, a Hartland boy who now lives at Port Honey, B. C., and Miss Maud M. Gilland of Victoria, B. C. The wedding took place on Aug. 30. Mr. Matheson left here about fourteen years ago with his first wife, who was Miss Minnie Ray, and who died a number of years ago.

Any subscribers whose subscriptions have expired since July 31 may renew for another year for \$1.50 if they send the money to the office not later than Oct. 31. This is a special offer to meet the distressed conditions of the farmers and others who are suffering stringency from the low prices and poor crops.

Two automobiles looked horns in front of The Observer yesterday forenoon and one of them, a Durant owned by Edmund Elgett, had the rear axle bent. The turn on to the bridge is always dangerous and yet it seems that many motorists make a point of "stepping on the gas" at this place where every caution should be exercised.

Mr. Banks of Virginia, the largest potato buyer of that state, was here this week interested in seed stock, and on Tuesday H. E. Hatfield took him to Aroostook county to look the situation over. Mr. Hatfield says that Aroostook buyers are paying 75 cents for potatoes, and numbers of farmers

are forsaking their crops and leaving all they have to the mortgagee. The county apparently gets its worst blow of all this year. Yesterday Mr. Hatfield went to St. John to attend a meeting of potato growers and southern buyers. Every effort is being made to discover an outlet for the crop. Mr. Godwin of Ottawa is in Hartland inspecting potatoes for disease and those he certifies as free will be saleable for seed stock.

There is for sale at a really low price one of Hartland's most comfortable homes. It is situated in a delightful spot and three acres of land around it. The house has eight rooms well finished throughout and has spring water in any part of it. There is a good barn. This is a splendid buy for somebody. Ask The Observer for further particulars.

Distinguished visitors at the Observer Office this morning were R. W. Saunders, General Manager of the Famous-Players Laskay Film Corporation of New York City, and E. H. Kittridge, Public Agent of the Old Colony Trust Company of Boston. They were accompanied by W. B. Harmon a former Woodstock boy now of Boston, and Chas. Clark of Woodstock, and were on their way to the hunting grounds of the Miramichi.

RAZORS

THE BATH DRUG STORE

has 100 Durham Duplex Razors which they are practically giving away. These razors are safety razors and are genuine—no fake. The proposition is this—a customer buys \$1.00 worth of goods or more if he wants to do so, and then by paying only 10 cents more he can have the above razor with its one blade which with its double edge will give at least 5 good shaves, each shave a satisfaction.

This proposition will last only until the present supply of razors is used up. Afterwards we will keep on hand spare blades and new razors but these last will cost you \$1.00 each.

Whether you buy Kodak Supplies, Nyal or Rexall Preparations, or what not, the above offer holds until razors are gone.

NO PROFITEERING WITH ZAM-BUK

Before the war, Zam-Buk was 50c a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c a box! Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only. Is this method of doing business not worthy of recognition? Answer this question by continuing to recommend, to appreciate, and to use Zam-Buk—the greatest household healer of modern times.

Use it for all skin troubles, eczema, ringworm, abscesses, ulcers, boils, pimples, piles, blood-poisoning, chapped hands, cold sores, cuts, bruises, burns, scalds, etc.

MEET ROBIN HOOD! WHO'S HE? HE'S A HORSE!

Champion Jumper Makes Screen Debut in "North of the Rio Grande"

Making his screen debut in "North of the Rio Grande," a Bebe Daniels-Jack Holt Paramount picture which opens at the Star Theatre Saturday, Sept. 16, is Robin Hood, as well-known in the horse world as stars of the photoplay are in the world of cinema.

Robin Hood is nationally known as a champion jumper with a record of six feet. He belongs to Mr. Holt and was taken on "location" for this picture because of scenes requiring the jumping of small canyons and towering stone fences.

The jumping of Robin Hood in "North of the Rio Grande" is all the more remarkable because the western trappings of both horse and rider are much heavier than those used for horse show jumper.

Undoubtedly the feats of this steed will prove of interest to horse-lovers of this town. However, Robin Hood is not the only star equine performer, as twenty-five cow-punchers, borrowed from Arizona cow ranches, brought with their favorite cow-ponies, the punchers include such notables as Red Eagle, champion "bull dogger" of the world; Cheyenne (Pascal Kaiser), champion bareback rider of Arizona; Pearly and Tom Morris, champion team ropers of Arizona.

"North of the Rio Grande" was adapted by Will M. Ritchey from "Val of Paradise" by Vingie E. Roe. Included in the list of players are Chas. Ogle, Will Walling, Alec B. Francis, Jack Carlyle, Fred Huntley and Shannon Day.

TRAIN STRIKES CHILD

One of the most extraordinary escapes from death which we have ever heard of happened last Monday.

About three miles out of town on the C. P. R. track below the third crossing, and close beside the track, there is a family living by the name of Fournier. Last Monday the little eighteen-months-old boy of Mr. Fournier got away from home unnoticed and was playing in the middle of the track, when mixed train 189 came along. It appears the little chap had his back to the train, and the pilot struck him in the back of the head and the engine and two cars passed over him before the train was brought to a standstill. The child was rescued from the middle of the track, and taken to his home and Dr. Simard called. Although the shock and bruises were great, it is said that the child will live. So does the guardian angel of childhood watch over its charges.

HER TENT LEAKED! BEBE DANIELS FLOOD REFUGE!

Paramount Star Has Experience in Making "North of the Rio Grande"

Pride often goes before a fall—or a wetting.

They tell it on Bebe Daniels that when Paramount operations built a "location" camp fifty miles from Phoenix, Ariz., for scenes in "North of the Rio Grande" the nicest tent and the only one with a board floor, was allotted to the brunette beauty and her mother.

And the first night there came a violent rain storm. As luck would have it, Bebe's tent was the only one in camp whose guy ropes hadn't been properly fastened. In a few minutes rain began coming through in cascade, nearly drowning its occupants.

All the while the men of the camp

SUCH PAINS AS THIS WOMAN HAD

Two Months Could Not Turn in Bed. Lydia E. Pinkham's Vegetable Compound Finally Restored Health

Seattle, Washington.—"I had dragging pains first and could not stand on my feet, then I had chills and fever and such pains in my right side and a hard lump there. I could not turn myself in bed and could not sleep. I was this way for over two months, trying everything any one told me, until my sister brought me a bottle of Lydia E. Pinkham's Vegetable Compound. I took it regularly until all the hard pains had left me and I was able to be up and to do my work again. The hard lump left my side and I feel splendid in all ways. I know of many women it has helped."—Mrs. G. RICHARDSON, 4640 Grass St., Seattle, Washington.

This is another case where Lydia E. Pinkham's Vegetable Compound brought results after "trying everything any one told me" had failed. If you are suffering from pain, nervousness and are always tired; if you are low spirited and good for nothing, take Lydia E. Pinkham's Vegetable Compound. You may not only relieve the present distress, but prevent the development of more serious trouble.

Asleep cozy and dry, death canvas that had been sufficiently stretched. But chivalry reigns supreme and on hearing of Miss Daniels predicament, the men piled out into the wet and valiantly came to the rescue.

This big feature will be shown at Star Theatre Saturday only.

BIG FUND RAISING FOR NEW CHURCH

On Wednesday evening the finance committee of the congregation of St. Paul's church met at the residence of M. Stevens, K. C., and a sub-committee was appointed to wait upon the members of the congregation to solicit funds for the purpose of building a church. This committee was composed of J. M. Stevens, K. C., Ralph McDonald and Rev. John Hardwick. As a result of the canvass, which was an overwhelming success from the point of view of the committee, upwards of \$6000 was subscribed. Application will be made at the Presbytery meeting in Halifax this week for aid from the Church Building Funds, and in the spring building operations will be commenced.

FIRE! FIRE! FIRE!

Fire has caused \$25,486.00 in losses during the first three months of 1922 in the town of Edmundston alone. Only \$13,799.00 was covered by insurance, leaving a net loss of \$20,687.00. It shows that the property destroyed was not sufficiently protected.

These are cold facts which should induce every property owner to carry a sufficient amount of insurance.

LOCAL AND PERSONAL ITEMS

Archibald and Donald Fraser were in town last week.

Mrs. White & Son are visiting at the home of Mr. and Mrs. James Dunbar.

Lloyd Sinclair and Miles Burpee are out camping. They hope to do some hunting and fishing before coming back.

Alec Bremner and Matthew Burgoyne of Cabano were out hunting and fishing last week. Alec got several partridges, a lot of trout and one deer.

Miss Marion Trafton left last week for Fredericton to attend the Normal School there. Miss Trafton is a keen student and her many friends wish her the best of success.

Alvin Trafton has been quite sick the past week but at the time of writing was getting around again. The inhabitants on 20th and 21st streets miss Alvin when he is not around.

Miss Grace Stevens left on Friday to attend the Ottawa Ladies College. Mrs. Stevens accompanied her and will return some time this week. Miss Stevens has always been active in the social life of the town and a great worker in the congregation of St. Paul's church, teaching the primary class in the Sunday school there and being the organist of this organization. She will be missed but every body is looking forward to the time when she will be back again.

Cecil Matheson spent Labor Day in St. John attending the exhibition there.

Miss Muriel Baird of Perth was a visitor for a few days last week of Miss Grace Stevens.

Mr. and Mrs. L. W. Sherwood are spending their vacation at Mr. Sherwood's old home along the Kenebecasis.

Mr. and Mrs. Mitchell of Souris, Man., were visitors over the big celebration at the home of Mr. and Mrs. Aaron Lawson.

David Evans and Rev. John Hardwick representative elder and minister of the Presbyterian church left on the C. P. R. train on Monday for Halifax to attend the synod meetings.

Rev. A. J. Beck was in Edmundston on Sunday on his way to the Presbyterian synod meetings in Halifax. He was present and took part in the service in the evening of St. Paul's church.

A merry party gathered at the home of Mr. and Mrs. C. M. Rideout on Friday evening and enjoyed a thoroughly good time. Those present included the Misses Grace and Helen Stevens, Greta and Roberta Hammond, Phyllis Hall, Jean LaPorte, Eva LeBlanc and Messrs. Cecil Matheson, Ralph Murchison, Richard Murphy, Ronald Dunbar, Bruce Plimcombe, James Lajoie, Stuart Henderson and George Burns.

Fred Rommell of Baker Brook was in Edmundston for a day or two last week.

Miss Alice Chambers is a guest this week at the home of St. Paul's church.

Tyler Burpee has been a visitor recently at the home of Samuel Burpee, Canada Road.

Ralph Rideout is spending his vacation with his parents, Mr. and Mrs. C. M. Rideout, Burpee st.

Mrs. William Hoyt, widow of William Hoyt, was married last week in Port Kent, Rev. A. J. W. Beck officiating, to Mr. Thomas of Clairs.

Frank Burgoyne who was operated upon at Clairs a few weeks ago for appendicitis is getting along nicely and is expected home this week.

Miss Gladys Burns of Fredericton was a guest of Mr. and Mrs. Aaron Lawson, Canada Rd., from Friday until Monday.

Gordon Nicholson of the Fraser Companies staff left on the C. P. R. on Monday morning for St. Stephen on his vacation.

Jim McKenzie who was operated on for the removal of tonsils in the hospital at St. Stephen is getting along well and arrived home this week.

FORT FAIRFIELD NEWS

(From The Review)

Mr. and Mrs. Fred Boyd of Woodstock accompanied by Mrs. Oldnam, were callers in town Monday, on their way to Grand Falls.

Mr. and Mrs. Everett Bishop and son, Dana, of Parkhurst, went to Glasville Saturday afternoon to visit relatives, returning home Sunday.

Mr. and Mrs. Percy Fields and children were in Hartland Sunday visiting Mrs. Fields' mother, Mrs. Fred Jensen, returning home by way of Bridgewater.

Miss Allie Toner of Fredericton who had been the guest of Miss Vera Carr two weeks, returned home on Monday.

Mr. and Mrs. John D. Gregg were in Florenceville Saturday to attend the funeral of Mrs. Ellen Leith, Mrs. Gregg's aunt.

No logs will be floated down the St. John river to Fredericton and St. John next spring. As many as 150,000,000 feet have gone down the river in that way in one season in the not very distant past, and some more may go that way again in the future when conditions in regard to lumbering change somewhat.

Mrs. Ellen Leith, mother of Thomas Leith of Fort Fairfield, died at her home in Florenceville Thursday, Aug. 31, aged 71 years. The funeral was held Saturday. Mr. and Mrs. Leith and children were in Florenceville Thursday, to see her, returning home that day. Mr. Leith went down on Friday to attend the funeral, returning home Saturday night.

New Paradise of the Rockies

JASPER PARK LODGE IS A REAL HOME AMONG THE MOUNTAINS

Jasper Park, embracing 4,400 square miles of the most magnificent virgin mountain scenery in the world, has long been known to the sportsman, alpinist and tourist, but this summer it calls to holiday seekers with a new voice. It now offers ideal accommodation in Jasper Lodge, the first of a series of Alpine chalets to be built in the Jasper and Mount Robson districts, and was formally opened to the public on June 15th.

The lodge is beautifully situated among the singing pines and cedars on the shore of Lac Beauvert, while towering in solemn grandeur on all sides rise the rugged snowy domes, sometimes gleaming like opals in the shimmering sunlight and sometimes lost amid the low-hanging clouds. It consists of a group of log rustic buildings blending with the rugged surroundings. A spacious lounge building with an ample stone fireplace, an airy dining room, a dance pavilion and a number of separate sleeping cabins, each containing four

bedrooms and a sitting room, are electric-lighted and fittingly furnished throughout.

Here in the Northern Canadian Rockies the tourist will find all that makes a worth-while holiday. The joy of adventure in exploring and mountain-climbing, boating on Lac Beauvert, fishing in the wild mountain torrents, riding through the valleys with the fresh mountain breezes in your face, dancing with the guardian people mountain keeping watch—all offer a most interesting variety of recreation. The best of accommodation has associated with it congenial companionship and scenery rivaling even that of the Swiss Alps.

These lodges not only tend to make Jasper Park one of the great travel centres of the Dominion thereby increasing the revenues of our Canadian National Railways, but also add their share toward ultimately placing Canada on the map as one of the outstanding mecca of the world traveller.

Headache

Recurring headaches usually come from an exhaustion of the nervous system, and they do not disappear until the vigor of the nerve cells is restored by such up-building treatment as Dr. Chase's Nerve Food.

Temporary relief by use of powders is often obtained at an enormous expense to the nervous system and the general health.

Get the nerves right and the headaches will not return.

Mrs. W. J. Pearce, Nunn St., Cobourg, Ont., writes:

"My system became run-down and I suffered greatly with pain in my head. This was so severe that I would have to bind a cloth tightly about my head so that I could get my work done. A friend advised the use of Dr. Chase's Nerve Food, and after taking the first box I found quite an improvement in my condition. I continued using them until I had taken about seven boxes, and they strengthened and built up my system splendidly, completely relieving the pain in my head."

BILLIE BURKE ON TOBIQUE

There was considerable stir and interest along Main Street this Wednesday morning when Miss Billie Burke, the noted stage and screen actress, faultlessly dressed in a tawny tweed sport suit and close-fitting tampe hat, stepped from the Plymouth steps into her big Rolls-Royce machine en route for Riley Brook, N. B., for a two-week outing. Miss Burke, known in private life as Mrs. Florence Ziegfeld, was accompanied by her husband, Florence Ziegfeld, of Ziegfeld follies fame, their five-year-old daughter Patricia, and Dr. and Mrs. Jaroline Wagner, all of New York. The party with a maid and two chauffeurs arrived early Tuesday evening from York Harbor, where Mr. and Mrs. Ziegfeld have been spending the summer. They were overnight guests at the Plymouth and early Wednesday morning resumed their journey to Riley Brook, N. B. They will doubtless pass through town again in about two weeks on their return. Besides the Rolls-Royce machine the party had a Dodge truck carrying their baggage, motion-picture outfit and Mrs. Ziegfeld's beautiful German police dog—Fort Fairfield Review.

VISITED THE POTATO BELT

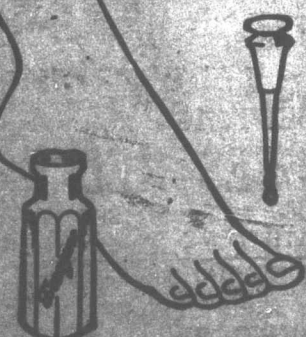

Hon. D. W. Messerian, Minister of Agriculture, who drove by auto to Edmundston with a party of friends to attend the opening of the International bridge, returned home last evening. He says that the celebration was a great success and he enjoyed every minute of his stay in Edmundston. The Minister on the trip drove through Aroostook County from Houlton to Van Buren and saw the famous potato belt for the first time. He says there are many fine farms in Aroostook and he saw some wonderful

Lift off Corns!

Don't hurt a bit and remove corns only a few cents.

With your fingers, lift the skin of your hard corn, call corn, or corn between the toes, and the hard skin will come from bottom of foot.

A tiny bottle of "Frustrum" costs little as any drug store; apply a few drops upon the corn or callus. Instantly it starts burning, then shortly you lift that bothersome corn or callus right off, red and all, without one bit of pain or smart. Try it! It's wonderful.

THE BURIED TREASURE UNEARTHED

As I sat in the twilight one evening a-musing
My mind wandered back to the days long ago—
When our forefathers fled from their homes off in terror
And buried their treasures away from the foe.There tho' the scene soon was changed and I saw in my fancy
The place of a conflict our forefathers bore;
And I longed then to get just one glimpse of a treasure
That was buried away in those old days of yore.I saw four young men stand full of hope and adventure,
With a chart and directions received from on high;
And they bow as they stand and accept the demand
With the answer "Yes, Lord, I will do it or die!"Then one took the spade and another the shovel;
One held the chart and another the rod;
Midst the spirits of warriors who fought with our fathers
They dug up the treasure from under the sod.It was rolled in a napkin, wrapped up in old paper.
Placed under the sod to be heard from no more;
But time had not spoiled it, the dust could not soil it
For plain on its face this inscription it bore:"Here's the voice of the Dove that descended o'er Jordan
The glorious emblem sent down here in love;
But they changed and deranged and made all so strange
Till there's no room for the shadow or place for the Dove."Tho' twenty years buried I still bear the emblem;
My brother and I could never agree;
He held the belief that pressed men to their duty
While I bore the banner that all men be free."My people got proud and were looking for honors,
And one day they added to my name the 'C'—
When forty-five years of this burden I carried
They threw it away and went back to the free."Then my brother got humble and we came together
And we fondly agreed that henceforth we'd be one;
And then to complete the grand family reunion
They buried me here from the light of the sun."Tho' my bed has been cold I've patiently waited
For nothing can hold which the Lord says must be;
Now I'll rise to the throng that will sing the glad song
Of the Baptists from bondage that now are set free."Tho' we're set free from bondage our foes are still mighty,
They assign us no dwelling, no place for our rest;
But we'll carry our treasure and march on to Canaan
The home of our fathers and land of the blest.The Lord is our Shepherd: what more can we ask for?
He is mighty and strong, 'twas His hand set us free;
His field is our pasture, His fold is our shelter,
His light gives us vision the world cannot see.AMBROSE GIBERSON
Bristol, N. B., Sept. 5, 1922.

Explanatory notes: The buried treasure was the name "Free Baptist", which has lately been taken by a new organization. The "C" in verse 8 stands for the word "Christian"—The Author.

potato and oat fields. He says that just now prices are away down and very few potatoes have been marketed. On most of the farms which he saw the potatoes seemed to be badly affected by rust. The Minister added that on the way down he saw some fine potatoes in the counties of Carleton and Victoria which appeared to be thrifty and free from disease.—Fredericton Mail.

AROOSTOOK JUNCTION

Miss Sullivan of Randolph, Mass., is visiting Mr. and Mrs. D. B. Hopkins. Miss Alberta McIver has returned

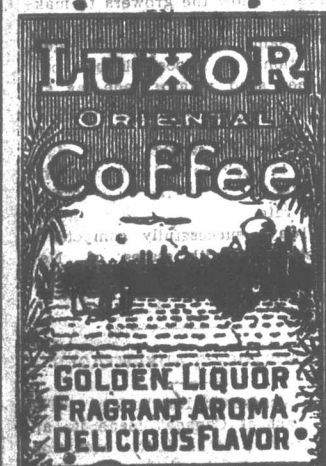

from her home at Kenkers, P. E. I., accompanied by her sister Edith and Dr. Hynds.

Capt. H. H. and Mrs. Hopkins, Mr. and Mrs. D. B. Hopkins and Miss Sullivan motored to Presque Isle on Thursday.

Mrs. D. Slipp of Woodstock spent the week-end at Aroostook.

R. Kelly, C. Loose of the Customs, Aroostook and Andover, paid an official visit to Presque Isle on Friday to inspect the Royal Standard Shows.

Good progress is being made on the road which is being widened and improved between Andover and Aroostook for motor traffic.

LOCAL AND PERSONAL ITEMS

See Stevens Bros' big ad.
E. A. Caldwell of Bath was here on
Monday.

J. H. Stairs of Woodstock was in
town on Monday.

Miss Faye Barit has returned from
Portland, Maine.

Stevens Bros' one-cent sale next
week.

N. L. DeLong, Beecher Clark and
Geo. Estabrooks attended the St. John
Fair last week.

While the Exhibition will be the
big attraction next week not the least
will be the one-cent sale held at Ste-
vens Bros' drug store. See the full
page ad in this issue.

Dr. and Mrs. H. W. Peppers and
family went to Fredericton on Sunday
for a short vacation. Miss Evelyn
Peppers will remain for her sopho-
more year at the University.

Miss Beatrice McKenzie is a recent
graduate of the hospital in Winsted,
Conn., is spending a vacation with her
parents, Mr. and Mrs. F. K. P. Mc-
Kenzie.

Mr. and Mrs. Ann Kennedy of Hart-
land and Mr. and Mrs. Robert Lind-
say of Fredericton were the guests of
Mr. and Mrs. L. L. Kennedy on Mon-
day.

Last week the management of the
picture house gave us "Desert Blo-
soms," a picture full of heart interest
with William Russell at his best on
Wednesday evening. On Saturday
they were obliged to substitute for
"The Night Rose" as advertised. "The
Fend" proved to be more than a sub-
stitute and gave a vivid portrayal of
the old days in the south before the
war, when deadly family quarrels
were rampant. A Mutt and Jeff com-
edy limbered up the bill each even-
ing. Plays for this week in this issue.

He who finds he has something to sell
And goes and whispers it down a well,
Is not so apt to catch the dollars
As he who climbs a tree and hollers.

Get hold of one of Stevens Bros'
posters and select from the bargains
at the greatest one-cent sale of all.

Dr. and Mrs. F. M. Brown and Miss
Vera Brown left on Sunday for St.
John.

Mr. and Mrs. Roy Huggard have re-
turned to St. John after a pleasant
visit with Mr. and Mrs. Jas. Crona.

Rev. H. M. Bell will preach on Sun-
day, September 17 as follows: Cen-
treville, 11 a.m.; Carvell, 2 p.m.;
Centreville, 7:30 p.m. There will be
special music at the evening service.

Rev. C. R. Canham will preach on
Sunday next, Sept. 17, at 11 a.m.;
Greenfield at 2 p.m.; Centreville at
7:30. Every one please attend. Ur-
gent reason.

All roads lead to our town on Tues-
day and Wednesday of next week
when the Wicklow and Wilmet asso-
ciation hold their annual fair. The
Fair promises to be a good one and
will no doubt draw bumper crowds
despite the fact that that everyone
gets pretty well fed up with the four
weeks of fairs just passed.

Stevens Bros. will hold a one-cent
sale on Fair Days. No special ex-
planation is necessary for this sale, as
people who attended others of the
same nature are still enjoying the
memory of getting 20 cents worth for
11 cents, 50 cents worth for 24 cents
and so on up the scale. It is in fact
the only instance in modern times
where one cent has any purchasing
qualities to any person over three
years of age. Even older kids scorn
pennies now, but they will buy you
something on Fair Days and days fol-
lowing.

lowing.

Stevens Bros. will hold a one-cent
sale on Fair Days. No special ex-
planation is necessary for this sale, as
people who attended others of the
same nature are still enjoying the
memory of getting 20 cents worth for
11 cents, 50 cents worth for 24 cents
and so on up the scale. It is in fact
the only instance in modern times
where one cent has any purchasing
qualities to any person over three
years of age. Even older kids scorn
pennies now, but they will buy you
something on Fair Days and days fol-
lowing.
