St. Louis Oct. The overland California mail arrived here at 9 o'clock last night. For further particulars enquire of the profit of the carry part of last month—The youth in the early part using most powerful arguments to induce the row, which took place at Portsmouth, durin Rescue of More Survivors of the ill-fated Government to connect. St. John with the early part of last month. The youth it this day from New York.

This respectively at Southampton nemark, which arrived at Quebec on Suntantian tion, and was even looked upon with containing the second day last, from Forney, had on board twenty. The second day last, from Forney, had on board twenty. two more of the passengers and crew of the saw and felt too, that the Railway could and Constantinople, down to the 15th, says, that allowances and salaries of employees of Government have been reduced.

To-day will take place at Blackwall the launch of a large vessel of peculiar construction, design to raise sunken ships.

The following statement is by Andrew Lindstein, a Swedish passenger:

Yesterday the dividend on the Stock of the Great Western Railway Co. of the Great Railway Co. of the Great Western Railway Co. of the Great Railway Co. of the two more of the passengers and crew of the sale would be made without either their consent mail arrived here at 9 o'clock last night. Canada was officially announced at the rate of 5 per cent per annum against 6 per cent last year.

The Daily News City Article says—Extreme inactivity prevailed on Fadiay through the fore hatches. At that time I saw the captain rushing up on deck. I saw him take his considerable purchases for account, and conconsiderable pur sols closed one eight per cent higher than returns as the Bank. At Paris to-day 3 per tent, rentes improved one-sixteenth to one eight. The Bank return shows that the increase of bullion agrees almost exactly with the amount of gold known to have been and into the Bank during the week rethe amount of gold known to have been ferred to. The inference is that the recent withdrawals of coin on provincial accountry with have absolutely ceased. The surplus at present held in the country will soon begin to flow back to the bank.

From the Times City Article,—English funds continue perfectly inactive; after the able to sit in it about two feet from the water. I succeeded in doing this about ten minutes after fire had broken out. While measure has been lost to them by the suiciin this position, and about three quarters of dal policy they have pursued. St. John, it Wenatshe, in which one white man was kill-an hour after the fire broke out, I saw the is well known, is centrally situated at the
