NEWCASTLE, NEW BRUNSWICK, APRIL, 15 1919

NO 14

THE PARTICULAR MAN

will like this new low-cut shoe. It is not extreme either way—not too pointed, not too broad—just right. Lace style only, tan or black. We have other good Oxfords in lace or button styles, some with rubber or composition soles and heels. Perhaps you would like a dressy white shoe; it's growing more popular for everyday wear.

THE EVERYDAY BATTLE

Battles are not all fought with cannon and shell. The most vital are the everyday battles against the debilitating tendencies that invite weakness. For nearly five decades

SCOTT'S EMULSION

has been a definite help to millions in the trying battles against weakness. Scott's is as rich in blood-forming properties and as powerful in strength-supporting qualities now as of yore. Let Scott's Emulsion help you win your battles.

Scott & Bowne, Toronto, Ont.

Safe, Clean Cooking

SAFE, because the oil tank is away from the heat, and because the height of flame cannot vary. Clean, because there are no wicks to smoke or need trimming.

Burners can be regulated to give degree of heat desired, and when not in operation are left completely up out of oil contact. The asbestos lining and dead air space, and glass door of "Success" oven ensure heat retention and visible baking.

An economical cooker and baker, beautiful in appearance.

Florence Automatic WICKLESS OILSTOVES

"New Perfection" OILSTOVES with WICKS

OILSTOVES are More Popular than Ever

The two named above are giving complete satisfaction, we can refer you to a large number of satisfied users, many of whom have stated they would not be without an Oilstove for twice the price.

Made with one, two, three and four Burners

DISCUSSION ON MONROE DOCTRINE AMENDMENT OF DRAMATIC CHARACTER

President Wilson Deprecated the Opposition Which Had Been Expressed and Upheld the Doctrine as One of the Great Bulwarks Against Absolutism--Lord Robert Cecil had no Objection to the Amendment, but the French Delegation Opposed it.

Paris, April 11--(By the Associated Press)--Discussion of the Monroe Doctrine amendment at the League of Nations Commission last night is described by those present as of a dramatic character, concluding by a speech by President Wilson deprecating the opposition which had been expressed and upholding the doctrine as one of the great bulwarks against absolutism. The debate came late in the session, after other subjects had been passed upon.

The British attitude had been in doubt until the last, but Lord Robert Cecil turned the scales by announcing that he saw no objection in the amendment in the form presented by the President. M. Lanraude, of the French delegation followed Lord Robert with objections to inserting the Monroe Doctrine.

The President paid the closest attention to the opposition to the amendment and jotted down notes for a reply. In his speech the President spoke with great earnestness and with some evidence of feeling.

The President declared that the Monroe Doctrine was enunciated to combat the Holy Alliance and to hold back the threat of absolutism which was then menacing Europe and seeking to spread its absolute power to the Western Hemisphere. It served its purpose in keeping this absolute power from the western world.

One of its great purposes, he said, was to maintain territorial and political integrity and, having served its great purpose in the western world, it was moved being brought to the lands which had felt the hand of absolutism and militarism. It was a source of surprise and discouragement, the President said, to hear opposition expressed to such a doctrine and such a purpose.

The President's speech closed the discussion. There was no vote and when there were no further remarks, the chairman of the meeting said the amendment would be considered adopted. The commission then took up the next article of the covenant.

CANADIAN DELEGATES AUTHORIZED TO SIGN THE PEACE TREATY

The Chief Party to the Signing of the Peace Agreement is His Majesty the King Representing the United Kingdom and Ireland the Overseas Dominions and India--Canadian Gov't. has no Official Information as to the Date on which the Peace Treaty will be Signed

Ottawa, April 11--An announcement by Hon. N. W. Rowell, President of the Privy Council, in the Commons this afternoon that Sir Robert Borden, Sir George Foster, Hon. C. J. Doherty and Hon. Arthur Sifton have been appointed plenipotentiaries to sign the peace treaty on behalf of Canada at the conclusion of the peace conference marks a new step in the development of the status of Canada and the other overseas dominions. The Order-in-Council which was tabled by the Minister is the recognition of the status of the dominions at the Peace Conference. It is couched in the usual terms of Order-in-Council naming plenipotentiaries on behalf of His Majesty and gives the Ministers named, power and authority as from

the first day of January, 1919, to conclude with such plenipotentiaries as may be vested with similar, "powers and authority on the part of any powers or states, any treaties, conventions or agreements in connection with the said Peace Conference, and to sign for and in the name of His Majesty the King in respect of the Dominion of Canada everything so agreed upon and concluded and to transact all such other matters as may appertain thereto."

The chief party to the signing of the peace agreement it is explained in His Majesty the King representing the United Kingdom and Ireland, the overseas dominions and India. The Order-in-Council is a request to His Majesty the King to sign for and in the name of His Majesty the King in respect of the Dominion of Canada everything so agreed upon and concluded and to transact all such other matters as may appertain thereto.

(Continued on page 4)

Civic Elections for Alderman To-day

The Civic Election is being held today under most adverse weather conditions.

The Polling is being held in the Town Hall between 10 a. m. and 5 p. m.

Alderman D. P. Doyle, having no opposition for the Mayoralty was elected by acclamation. Seven of the last years Council viz Ald. P. Russell, J. Russell, C. Sargeant, W. L. Durick, A. J. Ritchie, H. H. Stuart and R. W. Crocker are in the field again this year, and four new men Ex. Mayor C. E. Fish, Ex-Ald. A. H. MacKay, John J. Witzell and Thos. J. Jeffrey Jr. are also aspirants for the aldermanic board.

It is expected that the vote cast will be a small one, due to the inclement weather and bad roads. There being no contest for the mayoralty, a large amount of the usual enthusiasm is lacking.

Daylight Saving Adopted by Parliament

Ottawa, April 11--Parliament has decided itself on the daylight saving question. After rejecting it by an overwhelming majority two weeks ago it decided just before midnight tonight that it would observe summer time, commencing on Monday.

Practically all the former members of the house had gone home for the week-end when the announcement was made by Hon. Arthur Meighen.

The vote in the house of commons Friday night puts only parliament on daylight saving. The matter now rests with the various municipalities to decide for themselves whether or not they want daylight time or "old" time.

DONOHUE CASE

The Donohue case was again heard in the Police Court last Thursday, and the Police Magistrate J. R. Lawlor announced that he would refer the case to the Attorney General for advice.

Death of Robert E. Stewart

The death of Robert E. Stewart took place at the home of his parents, Mr. and Mrs. Hugh Stewart on Sunday morning, after a short illness of pneumonia.

Bert, as he was better known, was a popular and genial young man and had a host of friends who will mourn his sudden demise.

He conducted a tailoring establishment in town, and was courteous and obliging to all.

Deceased leaves to mourn besides his parents, three brothers, William and Pearl at home, and Clifford, at present overseas, and four sisters, Annie, Rhoda, Ruth and Amy.

The funeral will take place this afternoon at three o'clock from the residence of his father. Interment in the Miramichi Cemetery.

The Advocate extends sympathy to the bereaved family.

THE BATHURST PULP MILL

The Pulp and paper division of the Bathurst Lumber Co., Bathurst, N.B., intend adding fourteen new dryers to their sulphite drying machine, and also twelve hand barkers to their wood room, which will increase the daily output of sulphite pulp to sixty tons a day, an addition of ten tons. The output of sulphite pulp will also be added to by ten tons a day, and the facilities of the concrete liquor storage tanks augmented so that the production of sulphate will be brought up to sixty tons daily, the same as in the sulphate branch.

HONORED CHAS. ROBINSON

At a very largely attended monthly business meeting of the Restigouche Branch of the G. W. V. A., held at their rooms in the Murray Hall Wednesday evening, April 10th, Chas. Robinson of St. John, N. B., was unanimously elected Honorary President of the Restigouche Branch of the G. W. V. A., in recognition of the good work he has accomplished for New Brunswick. Returned soldiers, in his capacity as Secretary of the Returned Soldiers Aid Commission. A badge was ordered to be procured with a suitable inscription on it to be presented to Mr. Robinson at a later date.

Come and get "hep" to the drink with "pep"

Glory Of The Princess Pats Will Not Fade

(Boston Transcript.)

The Princess Pats, a famous Canadian fighting regiment, will disembark from a returning steamer at Halifax today, but of the original battalion, which set forth in pride in the autumn of 1914, there will be but eight soldiers and one officer at Halifax. Forty-four of the original remnant paraded in London, but of these only nine returned from England with the organization. If these nine men are for the sake of the tremendous story which they and their surviving comrades tell, separated from the rest of the regiment and paraded alone, they will represent a human sacrifice seldom recorded in active warfare. It balances the sacrifice of the 2nd Battalion of the Coldstream Guards in this war, of which only eight of the original members are left. The loss of the famous Light Brigade in the battle of Balaklava was a small affair compared with that of the 73 men composing that organization when under Lord Cardigan, it rode into the "wild charge" at Raglan's blundering order, 247 men and 197 horses were lost, leaving more than half the brigade unharmed. There has been a much higher percentage of loss than that of the Light Brigade in many an American, Canadian, British or French organization in the great battle of this war. The proportions of the sacrifice of the Princess Pats approach more nearly to the dimensions of the great military massacres of our own history, such as that of Custer, when on the Little Big Horn, in 1876, that brilliant commander rode with 471 men and the 7th Cavalry in the attack on the Sioux Indians—an attack from which only one man is known to have escaped.

The sacrifice of the Princess Pats

has not been celebrated as yet in a poem so stirring and so immortal as Tennyson's Charge of the Light Brigade. Perhaps it never will be. The poets of this war do not show the dramatic genius, the epic quality of Tennyson. Their muse seeks rather to reveal the inner and personal emotions of the conflict rather than to celebrate its achievements. Their one great success thus far in touching the popular heart has been won with McCrea's In Flanders Fields—a poignant little chant in which the sadness of personal sacrifice is made to inspire a whole race to a deeper and higher sacrifice. The war's poetry has brought to our ears no such sobbing as The Charge of the Light Brigade. If it ever does yield such a lyric of sheer bravery, the possible parade in the streets of Halifax, Montreal or Toronto, of the nine returning heroes of the Princess Patricia's Regiment will afford a noble subject; and we on our own side of the line, with many a fiercely depleted battalion and company, will be able to furnish as inspiring a theme. These sad-triumphant returns will be many from this date on, with the homecoming of more and more of the combat organization.

Canadians To Leave Serbia April 20

Vladivostok, Thursday, April 3—(By W. E. Playfair, Canadian Press Correspondent)—The evacuation of the Canadian troops in Siberia is expected to begin about April 20, when the steamer Montague sails for Canada with seventy officers and seven hundred men, including about three hundred sick.

The Canadian Press correspondent is leaving for Omsk today to study political financial and transportation conditions.

Lady Cavendish To Become Bride Wednesday April 30

Ottawa, Ont. April 9—The marriage of Lady Blanche Cavendish, second daughter of their excellencies, the Duke and Duchess of Devonshire, to Captain Ivan Cobbold, son of Mr. J. Cobbold and Lady Evelyn Cobbold, has been arranged to take place in London, England, on Wednesday, April 30th. Shortly following this ceremony, the Duchess of Devonshire will return to Canada.

U. N. B. Asks \$10,000 More

Fredericton, April 9—A delegation of the senate of the University of New Brunswick appeared before the provincial government this morning and presented the claim of the university for an increased grant; the present grant is \$20,000 and they ask for \$10,000 more. Judge Barry presented statistics showing the comparative per capita expenditure on higher education in all of the provinces of Canada. Particular attention was directed to the fact that the expenditure per capita in New Brunswick was lower than in any other province.

Premier Foster assured the delegation that the government would give every consideration to their request. He pointed out, however, that the province was pressed financially and that there were numerous demands which the government would like to meet but could not. Personally he was strongly in favor of meeting the view of the delegation.

The delegation was composed of Sir Ezekiel McLeod, J. M. Robinson, Judge Barr, J. T. Jennings, Dr. B. C. Foster, Chan Jones, Dr. W. E. Carter and H. V. Hanson.

Well Satisfied With Baby's Own Tablets

Mrs. Edmond Gagne, Tikoupe, Que., writes:—"I am well satisfied with Baby's Own Tablets. They are absolutely necessary in homes where there are little children. They cured my baby of constipation and I would not be without them." Thousands of mothers always keep a box of Baby's Own Tablets on hand as a safeguard against constipation, colic, colds, simple fevers or any other of the minor ills of little ones. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Funeral Of Mrs. McMurdo Wednesday Afternoon

The funeral of the late Mrs. L. B. McMurdo was held Wednesday afternoon from the family home on Alma Street, and many friends were in attendance to pay a last tribute. The services at the house and graveside were conducted by the Rev. W. H. Barraclough, Pastor of Central Methodist Church. At the home Rev. Hammond Johnson, pastor of Wesley Memorial Church, an old friend of the family, assisted in the impressive service. The choir of Central Methodist Church was present and rendered the hymns "Lead Kindly Light," "Peace Perfect Peace" and "Now the Laborer's Task is O'er."

The many beautiful floral tributes testified to the high esteem in which the deceased was held and the sincere sympathy felt for the bereaved family. The list was as follows: Pillow, "Mother"—From Family. Pillow—Mr. and Mrs. Leslie Donald. Basket—Mr. George McDougall. Basket—Girls of F. W. Woolworth's. Basket—Mr. and Mrs. David Cockrane. Wreath—Staff of Donald & MacMurdo. Wreath—Mr. and Mrs. Thompson Taylor. Spray—Mr. and Mrs. W. D. Alanach. Spray—Mr. L. D. Wadman. Spray—Mrs. Sharpe and Vera. Wreath—Dr. and Mrs. Sproul, Newcastle. Rae, Campbellton. Wreath—Mr. D. R. and Mrs. McCrescent—Mr. and Mrs. L. H. Higgins. Spray—Mr. and Mrs. I. W. Kierstead. Spray—Mr. and Mrs. C. C. MacDonald. Wreath—Keith Lodge, A. F. & A. M. Wreath—Central Methodist Choir. Bouquet—Katherine and Margaret Dickson. Wreath—Mr. and Mrs. A. H. McKay, Newcastle. Crescent—Mr. and Mrs. Barr. Basket—The Misses Peters. Spray—Nan and Harry Wilson. Spray—Mr. and Mrs. J. McMurdo and family. Spray—Mr. and Mrs. John Magee. Spray—Roy Dickson, Newcastle. Spray—Mr. and Mrs. H. O. Arthur. Wreath—Mr. and Mrs. J. D. LeBlanc. Wreath—Clarence Miller, Newcastle. Spray—Mrs. K. Furze, St. John. Spray—Miss Edith M. Prince. Spray—Miss Flossie Beatty. Basket—Mr. and Mrs. Harry Smallwood. Spray—Mr. and Mrs. G. G. Lyall. Spray—Mr. R. A. Wyse. Spray—Mrs. E. J. O'Brien and Jessie. Spray—Mr. and Mrs. L. R. Rettie. The pallbearers were Dr. O. B. Price, Messrs. Leslie Donald, W. J. Jardine, C. S. E. Robertson, I. W. Kierstead and C. I. MacDonald.

Quite a number of friends followed the remains to their last resting place in Elmwood cemetery.

Wilson Orders Ship to Brest

Washington, April 8—Specific instructions from President Wilson that the sailing of his steamer, the George Washington, be expedited immediately were received today at the navy department through Admiral William S. Benson, chief of naval operations at Paris.

As a result the vessel will leave New York for Brest at the earliest opportunity probably next Friday afternoon.

Admiral Benson's message gave no reason for the president's order and the White House professed to have no information on the subject but interpreting in the light of press despatches from Paris telling of the president's determination that delays at the peace conference must end, most officials regarded it as significant. Added importance was also given by the fact that this was the second message from the admiral regarding the ship's departure, the first, received yesterday having inquired as to the time the vessel could get under way. By fast steaming, the George Washington should reach Brest by April 17.

Two Irishmen met at a country fair and held the following conversation: "Ah, Pat, sure, is it you?" "Yis, an' it's been a long time since we met. What's the news?" "It's married I am, and I have a little boy who looks just like me." The other surveyed him critically for a moment and then replied consolingly, "Well, I shouldn't mind so long as t'ys healthy."

2/3 OF YOUR MATCH MONEY GOES TO THE GOVERNMENT

The tax on matches amounts to more than the cost of the matches themselves. As a matter of fact, two-thirds of your match money goes to the Government, and one third goes to pay for the material, the labor and the handling of the matches. Ant the tax is the same whether you get good matches or poor ones. When you

Insist on Getting Eddy's Matches

you avoid paying this heavy tax on an unsatisfactory product. Eddy's matches have been the standard for 67 years. Not only is our output by far the largest of any manufacturer in Canada, enabling us to use expensive automatic machinery which ensures uniformity of product, but our long line of products enables us to select just the proper grades of wood for matches.

When you pay your match tax (as you do every time you buy matches) see that Eddy's name is on the box

Apple Pie and Hot Rolls for supper—Jelly Roll and Chocolate Cake and delicious homemade Bread for dinner —Puddings and Doughnuts, and Cookies and Raisin Bread —all at their daintiest and best when made of

BEAVER FLOUR

MILLED OF BLENDED WHEAT

"Beaver" Flour is just as good for Pastry as for Bread. It is the product of Ontario winter wheat, blended with western spring wheat to increase the strength. "Beaver" Flour has the best qualities of both kinds of wheat—the whiteness, lightness, delicate flavour and perfect Pastry making qualities of Ontario winter wheat—coupled with the extra strength of western spring wheat. Being scientifically blended in exact proportions, the blended wheats are always the same in strength and quality—and so is the flour.

If you have never tried a blended flour, you cannot imagine what a difference there is between "Beaver" Flour and the usual western spring wheat flours. Get a sack of "Beaver" Flour at your dealer's, and try it for yourself.

The Flavour Lasts

Department of the Interior Forestry Branch

News—Letter 186 C.
Groth of One of Canada's Forest Industries

The important part that Canada's forests are to play in the reconstruction period is daily becoming more evident. This is brought out in the annual report on the pulp and paper industry for 1917 prepared co-operatively by the Forestry Branch of the Department of the Interior and the Dominion Bureau of Statistics, just issued. The value of the total product had in 1917 increased 140 per cent as compared with 1915, and while the quantity of pulpwood consumed increased not quite 50 per cent in the two years the total value of the same increased nearly 100 per cent. In 1917, 2,109,000 cords were used valued at \$18,817,000.

The total number of wage earners in the industry increased from 1915 to 1917 by about 50 per cent while the wages paid increased 96 per cent. The bulletin which covers the pulp and paper industry in detail may be had free upon application to the Dominion Statistician, Ottawa.

Future Policy Of The Canadian Patriotic Fund

Total Contributions to the Fund up to March 31st, 1919
\$47,115,261.47—Balance of \$8,662,941.46 on Hand

(Canadian Press)
Ottawa, April 9—A largely attended meeting of the executive committee of the Canadian Patriotic Fund was held this morning in Ottawa. As has been intimated to the members that the future policy of the fund would be up for full discussion, a number of members were present from distant points.

Every province was represented at the meeting. His Excellency, the Governor-General, presided. His Honor Judge A. A. Macdonald, represented Prince Edward Island; the Hon. E. N. Rhodes, and Senator J. S. McLennan, represented Nova Scotia; ex-Governor Josiah Wood, Senator Thorne and Major General McLean, M. P., represented New Brunswick; Lieutenant Colonel F. F. Smith and the Hon. Senator Dandurand, represented Quebec.

The Honorary Treasurer reported that the total contributions to the 31st of March, 1919, amounted to \$47,115,261.47 that the balance in hand on the first of April was \$8,662,941.46 and that further contributions of approximately \$900,000 were regarded as collectable.

After a full and frank discussion regarding the future of the fund, it was finally agreed that the branches should be asked to continue their relief work along the present lines for another year at the end of which period it would be known definitely the extent, if any, of the funds continuing obligation.

A special sub-committee was named to arrange, if thought wise, for the investment of a portion of the funds now in hand on Government securities.

It will not be necessary for the Canadian Patriotic Fund to ask any amendment to its act of incorporation to enable the work to be continued along present lines as long as it may be necessary.

Lloyd George Will Stand By His Pledges

To Exact the Utmost Indemnity from Germany

London, April 9—(By the Associated Press)—Premier Lloyd George of parliament saying:

"My colleagues and I mean to stand faithfully by all the pledges which we gave our constituents. We are prepared at any moment to submit to the judgment of parliament and, if necessary to the country, our efforts loyally to redeem our promises."

The Premier's message was in reply to a telegram sent to Mr. Lloyd George yesterday, signed by two hundred members of the House of Commons holding the Premier to his election pledges to exact the utmost indemnity from Germany. The movement was initiated by a group of conservative members under the belief that it would strengthen the Premier's hand at the conference.

The Big Value in FLOUR

IN THE KITCHEN, the big event is baking day. And the important thing on baking day is to use "REGAL"—the ideal flour for bread. "REGAL" means bread of uniform texture, lasting freshness and wholesome qualities.

THE ST. LAWRENCE FLOUR MILLS CO. LIMITED
MONTREAL

"WHAT GOOD IS THE ROBIN?" "Now, what good is the robin? Everybody knows the robin. A boy came along the road with a 22 rifle. I saw a robin sitting there, and killed it. I went over and picked the robin up. Tw ocutworms were squirming on the ground; the robin had had them in his beak. I held the bird up, and two more fell out of his mouth. Remember, one cutworm will cut down five tomatoe plants in a night. The cutworm does his work and then hides under the soil; Mr. Robin comes hopping along, picks it there and pulls him out—and turns him to a robin. If anyone tells you that a robin will destroy one hundred cutworms in a day, take it from him that it is true."—Jack Miner at the National Conference on Game and Wildlife.—From Conservation.

"I don't think I can go, Jessie, for I just feel wretched"

"O H, I'm so sorry, for I did so want you to be there."

"I hate to disappoint you, dear, but you know how miserable I have been lately."

"Yes, but I thought you were better."

"So I am some days, and then I just seem to be as bad as ever again. I get so weak that I do not feel able to stir."

"What is the trouble?"

"The doctor says I am anaemic. He says the blood is thin and watery, and I do not get the good of the food I eat. Goodness knows I do not eat much, either, for I have no appetite."

"Why not try Dr. Chase's Nerve Food?"

"Would that help me, do you think?"

"I do not see why it should not. You remember how pale and weak I used to be. Well, it was nothing else than Dr. Chase's Nerve Food that cured me. And I am not looking as though I needed any medicine now, am I?"

"If I could only be strong and healthy

like you are, Jessie, I would give anything."

"You never will be unless you try, and I do not think you would be disappointed with Dr. Chase's Nerve Food. It is not only my case, but there are so many other girls we know who have been benefitted by it."

"Will you get me a box at the drug store, Jessie, and I will start right in to-day? If this will only give me an appetite and make the blood rich and red, so that I can get some strength and color, I will be a happy girl."

Dr. Chase's Nerve Food is so gentle in action, and yet so potent as a restorative, that it is a great favorite with women of all ages. It seems to be admirably suited to the needs of their delicate nervous systems, and on this account it has come to be universally used as a means of restoring vigor and energy to a rundown, nervous system. 50 cents a box, 6 for \$2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto. On every box of the genuine you will find the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

TUESDAY APRIL 15th

**WILSON LONE HAND
BLAMED FOR STIR
AGAINST LEAGUE**

The "Morning Post," of London, has received from an independent journalist in America what it describes as a "frank statement of public feeling in the United States concerning President Wilson and his ways." It publishes the statement as follows:

"The trouble with the President is not that he is an idealist, but that he is a dogmatist. With all his talk about moral forces, he remains a very partial politician. He is the most partisan President we have had since Andrew Jackson. He has constantly discriminated against New England, New York and Pennsylvania in favor of the South and the Democratic sections of the West.

"Nor has he been willing to take the advice even of the leaders of his own party, but has depended upon a few subservient adherents in both houses of Congress to carry his measures through, much as George III depended upon those who were called 'the King's friends.' He has treated the members of his cabinet like clerks, giving them complete charge of the routine of the department, but seldom taking their advice. His attitude, in short, has been that of the school-master.

"During his first administration he was able by this use of his personal influence, to secure some desirable legislation. His popularity in Washington was not great, but his skill in public speech won for him a large following among the people. Americans, despite their democratic ideas, have always admired the 'strong' man being willing to trust him. But in time of war the personal and partisan element may be a danger."

"In spite of the apparent potency of the phrase 'He has kept us out of far,' so constantly reiterated during the election, it is fair to say that the country as a whole was far more ready than the President, though its military unreadiness was undeniable, to join the Allies. He prevented due preparation for an event clearly foreseen, on the ground that Germany would have a legitimate cause of complaint if we appeared to threaten her. Voices were raised in warning, Roosevelt, Lodge, Leonard, Wood, all spoke out bravely, and thereby earned the President's undying enmity.

"The pettiness which kept our most distinguished army officer at home all through the war because he had advocated preparedness at a time when the President opposed it, reveals the weak side of Mr. Wilson's character. His refusal to allow Mr. Roosevelt to go to France was another example of the same unamiable quality.

"The truth is that the President has an exaggerated belief in the power of mere words. As a friend of mine once said, his attitude is that of the man of letters who writes something and thinks, 'Now that is over with.' He protested against Germany's illegal and inhuman acts, he warned her not to repeat them, but he took no steps to make the repetition impossible."

"If he had called the nation to arms when the Lusitania was sunk the response would have been immediate and enthusiastic. At such a time the people need a leader. Who doubts how they would have answered Theodore Roosevelt? Even without a leader the rising tide of anger grew slowly but relentlessly.

"The President was pushed into war; he did not set the pace. Up to the last minute he employed every possible expedient to stave it off. Nor was this all. After war was actually declared time was wasted in futile delays. It was not until England and France had urged the sending of troops that troops began to be sent. Fortunately, our navy was ready—no thanks to the Secretary. But the War Department was in the hands of a pacifist. At a critical period it had, as Senator Chamberlain said, 'ceased to function.' No one can say what the cost in blood and treasure was.

OBITUARY

MRS. CATHERINE CONDRON

The death took place at Nelson on Saturday morning, of Mrs. Catherine Condron, at the advanced age of eighty-four years. Deceased leaves one brother, Patrick Woods, of Nelson, and one step son William Condron of Newcastle. The funeral was held Monday afternoon at 2.45 to St. Patrick's church, Nelson. In interment in St. Patrick's cemetery.

The pallbearers were Messrs James and Ambrose Woods, Michael Reynolds, Wm. Bracken, Joe Gardiner and Jos. Murphy.

MRS. J. H. SHAW

Word was received here yesterday by relatives bringing the sad news of the sudden death of Mrs. J. H. Shaw at her home in Stellarton, N. S. Death was due to influenza.

Mrs. Shaw was formerly Miss Jessie McDonald, daughter of Mr. and Mrs. Donald R. McDonald and had a large circle of friends in Chatham and the Miramichi who will learn with very deep regret of her early death. The deceased was 32 years of age and is survived by her husband and two young children, a girl and a boy. Besides these she is survived by her parents who now reside in Brookline, Mass., and two sisters, Bessie who is training in a hospital in Boston, and Frances at home.

The funeral will take place in Stellarton, and Mrs. Shaw's mother Mrs. McDonald, has left Boston for Stellarton.

The late Mrs. Shaw was a singer of prominence, possessing a most sweet and melodious mezzo soprano voice, and during her earlier life here, Miramichi had frequently been charmed with her vocal selections. Her death is a deep loss to the community in which she lived.

Liverpool, April 8, 1910

The Nova Scotia Shipbuilding & Transportation Co. Ltd. of Liverpool, N. S. had another successful event this afternoon, when the term Schooner "Faustina" built for J. F. Creaser Co. Ltd., of LaHave and John Penny of Newfoundland was launched, J. S. Gardner being Master builder. The dimensions are net tonnage 150, length over all 117 ft. breadth 26 ft. depth of hold 12 ft. 6. The keel of this boat was laid down in January and the construction has been rapidly gone on with owing to the mildness of the winter, and no loss of time.

The above Company are now busy upon two beam trawlers and are laying down a keel for a 200 ton three mast schooner upon the same spot as where today's launching took place.

Wild geese were seen flying over town in a southerly direction on Sunday. This is regarded as a warning that a storm is brewing outside.

PERSONALS

Dr. F. J. Desmond was a visitor to Richibucto last week.

Mr. B. Andrew of Newcastle was in Campbellton last week on business.

Mr. James Holmes of Doaktown was a visitor to town on Thursday.

**Canadian Delegates
Authorized to Sign
Peace Treaty**

(Continued from page 1)

Majesty to issue a commission to each of the four Canadian representatives of Canada to sign the peace treaty. As the other overseas dominions are on the same footing as Canada this means that instead of the treaty being signed by one set of plenipotentiaries it will be signed by plenipotentiaries representing the United Kingdom and each of the self-governing dominions of the Empire.

This is the second distinct change in the statute of self-governing in respect to the signing of treaties. At first treaties were signed by the representatives of the Empire and were binding on the whole Empire.

More recently as the status of the overseas dominions has become more fully recognized it has been provided that treaties should not apply to the dominion unless they indicated their assent thereto and procedure was outlined whereby the dominions might indicate their assent. A comparatively recent instance was the assent given some years ago to the treaty between Great Britain and Japan.

NURSING

Nurses earn \$15 to \$25 a week. Learn without leaving home. Send for free booklet. Royal College of Science, Dept. 128, Toronto, Canada.

Fertilizer Prices

became an active subject for discussion at the ending of the war. An immediate reduction was expected by many.

If prices had advanced immediately at the beginning of the war a like reduction might be expected at its cost, but there was no actual advance in fertilizer prices until the spring of 1918, notwithstanding at that time the war had been on for over three years. This of course did not apply to Potash fertilizers, the supply of Potash being cut off at once.

Late in the fall of 1917 on account of the high prices of fertilizer materials the scarcity of shipping and the shortage of all fertilizer there was a general feeling that there would not be an adequate supply. This was called to the attention of the Government officials and the manager of the Colonial Fertilizer Company was asked to appear before the Committee on Increased Production of the Nova Scotia Legislature and give all possible assistance to relieve the fertilizer shortage.

In the summer of 1918 with the experience of that spring the Agricultural Department of New Brunswick called together the fertilizer manufacturers and recommended they put in a heavy stock of fertilizer materials. The Secretary of Agriculture for Nova Scotia also urged the Colonial Fertilizer Company to put in an extra supply of raw materials irrespective of their cost. He realized as did the manufacturers the importance of fertilizer to the food supply, and to get large crops fertilizer must be used.

At the close of the war all fertilizer manufacturers in Canada being urged by the Government officials had on hand a very large stock of fertilizer bought at the extreme outside prices quoted in the summer and fall of 1918.

The expected lower prices have not been realized but on the contrary there was a heavy demand for export and prices on some materials have actually advanced.

A sensational report appeared late in March as to heavy reduction in price of fertilizers in Aroostock County. This is traced back to one brokerage firm in New York which is attempting to dispose of uncessable fertilizer materials directly to the farmers. This material is such that no fertilizer manufacturer will buy it although it has been on the market for sometime and the holders of it are willing to sacrifice it at a cut price. An Aroostock County farmer writes: "Have been investigating the chemicals that the New York firm is offering and have found out that it is taking chances to use it. You may refer to me or any of our Aroostock County boys in reference to this stuff as we have made a close study of these people and feel quite safe in denouncing its use for the Aroostock County spuds." The amount of this material is but a drop in the bucket of the requirements of fertilizer and it is offered cheap because it is a cheap material.

The farmers must decide now, whether or not they are going to plant this season and with a falling off of 50 per cent. in the acreage of potatoes and garden trucks in the Southern States and the immense demand for food in Europe it appears the farmers of Nova Scotia and New Brunswick are in a position to put in a big acreage and get the advantage of the market conditions which must prevail in the fall.

JAS. BREMNER, Jr.,
Agricultural Representative
E. P. TWEDDALL,
Minister for Agriculture.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

A WONDERFUL DISCOVERY!

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years was the discovery of Zam-Buk. Just think! As soon as a thin layer of Zam-Buk is applied to a wound or a sore, such injury is insured against blood poisoning! Not one species of microbe has been found that Zam-Buk does not kill!

Then again, as soon as Zam-Buk is applied to a sore, or a cut, or to skin disease, it stops the smarting. That is why children are such friends of Zam-Buk. They care nothing for the science of the thing. All they know is that Zam-Buk stops their pain. Mothers should never forget this.

Again, as soon as Zam-Buk is applied to a wound or to a diseased part, the cells beneath the skin's surface are so stimulated that new healthy tissue is quickly formed. This forming of fresh tissue from below is Zam-Buk's secret of healing. The tissue thus formed is worked up to the surface and literally casts off the diseased tissue above it. This is why Zam-Buk cures are permanent.

Only the other day Mrs. Hector McDonald, of Oyster Ponds, N.S., wrote to the Zam-Buk Company and told them what Zam-Buk had done for her. She said that for over a year her hands were covered with eczema. Doctor's treatment did her no good and the numerous salves and blood purifiers she tried also proved useless. Then Zam-Buk was recommended. Treatment with this wonderful balm soon brought a decided improvement and perseverance resulted in a complete cure.

To-day, after several months, there has been no return of the disease. All druggists sell Zam-Buk at 50c. box, or send this advertisement and 1c stamp (for return postage) to Zam-Buk Co., Toronto, for free trial!

WEDDINGS

LEACH—HILL
The marriage of Miss Eliza daughter of Mr. and Mrs. Adam Hill, of Cassilis, and Henry W. Leach, of Sunny Corner, took place, Wednesday afternoon, at the home of the bride's parents, Rev. James F. McCurdy, of Redbank, performed the ceremony. Mr. and Mrs. Leach will reside at Sunny Corner.

MCDONALD—BRYENTON
A quiet wedding took place at Christ Church Cathedral, Fredericton the 9th inst. when Very Rev. Dean Neales united in marriage Miss Lydia Bryenton, of Derby, and Mr. Wm. McDonald, of Blackville. The couple were unattended and will leave this evening for their home in Blackville.

HAMBROOK—UNDERHILL
The marriage of Mr. Mark Alex. Hambrook of Renous, N. B. a well known and popular lumberman and Miss Susie Irene Underhill, of Underhill, took place at Newcastle Rectory on April 9th, the marriage ceremony being performed by Rev. H. T. Montgomery. They left on the whopper for Fredericton and other points and on their return will make their home in Renous.

MURRAY—WISHART
At the home of Mr. John L. Wishart, Tabusintac, there occurred on the afternoon of March 25th, the marriage of Miss Nellie E. Wishart, daughter of the late Mr. John Wishart and Mrs. Wishart, to Mr. John R. Murray of Burnt Church, Rev. G. T. Tattler officiating. The principals were unattended. Preceding the ceremony the bridal chorus was played by Miss Murray. The bride who was given in marriage by her eldest brother, was attired in a beautiful gown of dark grey silk and crepe de chene. After the ceremony the guests were ushered to the dining room, where a sumptuous supper was served. In addition to the numerous tokens of silver, cut glass and linen, the bride was the recipient of a bounteous sum of money from friends of the Presbyterian church of which she was organist. Mr. and Mrs. Murray will reside at Burnt Church.

Spring Impurities Clog The Blood

A Tonic Medicine is a Necessity at This Season

Dr. Williams' Pink Pills for Pale People are an all-year-round tonic, blood-builder and nerve restorer. But they are especially valuable in the spring when the system is loaded with impurities as a result of the indoor life of the winter months. There is no other season of the year when the blood is so much in need of purifying and enriching, and every dose of these pills helps to make new, red blood. In the spring one feels weak and tired—Dr. Williams' Pink Pills give new strength.—In the spring the appetite is often poor—Dr. Williams' Pink Pills develop the appetite, tone the stomach and aid weak digestion. It is in the spring that poisons in the blood find an outlet in disfiguring pimples, eruptions and boils—Dr. Williams' Pink Pills speedily clear the skin because they go to the root of the trouble in the blood. In the spring anaemia, rheumatism, neuralgias, and many other troubles are most persistent because of poor, weak blood, and it is at this time, when all nature takes on new life, that the blood most seriously needs attention. Dr. Williams' Pink Pills actually renew and enrich the blood, and this new blood reaches every organ and every nerve in the body, bringing new health and new strength to weak, easily tired men, women and children—Here is a bit of proof: Miss Anna Patterson, R. F. N. No. 1, Thorold, Ont., says:—"My trouble was one of general weakness, which thinned my blood and gave me at times unbearable headaches, loss of appetite and also loss in weight. I tried several medicines, but without success. Then I heard of Dr. Williams' Pink Pills and decided to give them a fair trial. The result is that I feel like a new person. My appetite improved, I gained in weight, my blood is thoroughly purified, and my face cleared of some unsightly pimples which had troubled me. If one good turn deserves another then I have much pleasure in recommending Dr. Williams' Pink Pills."

If you need a medicine this spring try Dr. Williams' Pink Pills—they will not disappoint you. These pills are sold by all medicine dealers, or you can get them by mail at 50c a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

First Steamer To Cross Ocean

Left New York One Hundred Years Ago Today

New York, April 13—Of the thousands of persons arriving at or departing from New York today on ocean steamships of all sizes and descriptions probably none called to mind the fact that the first ship to cross the Atlantic propelled by steam left this port just one hundred years ago today on her maiden voyage to Savannah, Ga., from which port a few weeks later she was to begin her epoch making voyage across the great pond.

This steamer, named the Savannah, was built in this city by the shipbuilding firm of Crockett and Fickett, whose shipyards were at Corlear's Hook. The date of her launching was August 22, 1818. The New York custom house records give her measurements as follows: Tonnage, 3134; length, 98 1/2 feet; beam, 26 feet; depth of hold, 14 1/2 feet.

The ship was equipped with an inclined direct-acting, low-pressure engine of 90 horsepower. It had a single 40-inch cylinder. The machinery was built by Stephen Vall at Morristown, N. J., and the boiler by Daniel Dod at Elizabeth, N. J. Originally intended for a New York and Havre packet, the Savannah was purchased by Isaacs and Scarborough, a firm of Savannah merchants. She could carry only 25 tons of coal and 25 cords of wood.

The trip across the Atlantic was started from Savannah on May 22, 1819, and the Georgia city is preparing for a celebration of the centennial anniversary next month, which promises to be a notable affair. Representatives of commercial organizations, transportations and other interests from all sections of the United States and from Canada and England have been invited to participate in the celebration.

On her transatlantic voyage the Savannah was commanded by Captain Moses Rogers and navigated by Stevens Rogers, both of New London, Conn. Everything went well on the voyage until June 17, when the vessel was stopped by a British cutter, whose commander thought the Savannah was on fire and stopped to assist in fighting the flames. But great was the wonder of the British commander at his inability, with all sail in a fast vessel, to come up with a ship under bare poles. After several shots were fired from the cutter, the engine of the Savannah was stopped, and great was the surprise of the cutter's crew at the mistake they had made. They asked permission to go on board and were much gratified by the inspection of the "naval novelty."

The Savannah reached Liverpool on June 29, having used steam 39 hours out of the 26 days, and thus demonstrated the feasibility of transatlantic steam navigation.

ONLY MEDICINE MADE FROM FRUIT

Extraordinary Success which "Fruit-a-tives" Has Achieved

One reason why "Fruit-a-tives" is so extraordinarily successful in giving relief to those suffering with Constipation, Torpid Liver, Indigestion, Chronic Headaches, Neuralgia, Kidney and Bladder Troubles, Rheumatism, Pain in the Back, Eczema and other Skin Affections, is because it is the only medicine in the world made from fruit juices.

It is composed of the medicinal principles found in apples, oranges, figs and prunes, together with the purest tonics and antiseptics of proven reputation.

50c a box, \$ for \$2.00, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

monstrated the feasibility of transatlantic steam navigation.

The steamship remained 25 days at Liverpool, and sailed for St. Petersburg on July 23. The boat touched enroute at Copenhagen, where it excited great curiosity, and also at Stockholm, where it was visited by the Swedish royal family. On Sept. 3 she reached Cronstadt, having used steam the whole passage from Stockholm, and a few days later reached St. Petersburg.

The Savannah remained at St. Petersburg until Oct. 10, and then set sail on her homeward voyage. She arrived at Savannah, Ga., on Nov. 30. Shortly after the vessel was taken to the navy yard at Washington. The object of this visit to the national capital was, in the words of another, "to fix her name and exploits in the minds of prominent men from all parts of the United States, in order to lay a foundation for the defence and maintenance of our claim to that distinction which this craft and her daring commander had untidily wrought for our nation upon the mighty deep."

YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

No General Election In New Brunswick

Until Women are Qualified To Vote

Fredericton, April 10—"There will be no general election in New Brunswick until the women of the province have an opportunity of going to the polls," declared Premier Foster this afternoon, when asked about newspaper stories that an election would be brought on in June, before the voters' lists of women are ready. "The question of a general election has never been considered," continued the premier, who personally at least does not appear to favor an early election.

The Lads Who Dont Come Back

(London Advertiser.)

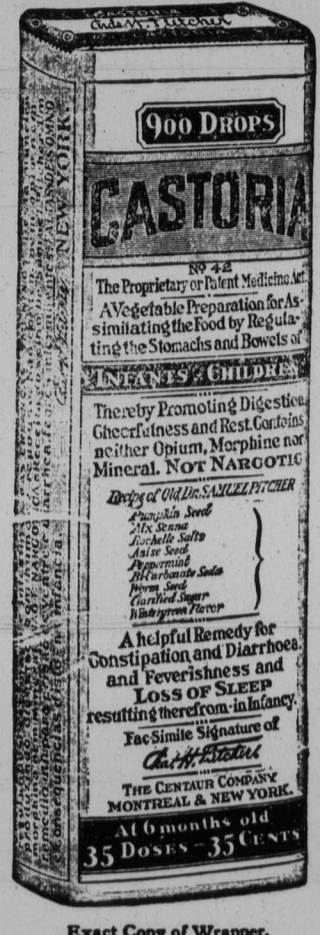

As the troop trains bearing their precious loads of browned veterans, who have served nobly overseas, swing into local railway stations daily, their many friends and relatives invariably are on hand to greet them with loving embrace, and welcome them home once more. To glimpse at the happy reunions after months and years of separation and anxiety is a very beautiful and touching scene. But, on the other hand, who has a word of cheer for the little widow, the wearied and white-haired mother and the fatherless children, dependents of some hero who paid the supreme sacrifice in Flanders' fields during the past four years of conflict? Their hearts are burdened at the present time, for it is only now that the full shock of the blow will bear down upon them, when his pals, with whom he enlisted and served, return home and his face is not among those peering anxiously from the car window as the train slowly draws up at the station. It is only the saddened mother and ask why daddy does not come home like Willie's or Amy's or Jane's father has come home. The old folks who have lost a boy will, within the next few months, have ample opportunity to commune together and grieve over the lad who will not come back. In the excitement and happiness of the home coming and the elaborate welcome to be tendered, the next of kin of our dead heroes are liable to be forgotten.

This must not occur, and it is our duty, both individually and as a state, to provide every facility for that ray of sunshine to gleam from behind the cloud and lighten the future of the dependents of our dead heroes in Flanders, whose heritage is a wood-wind cross.

F. W. Woolworth Passed Away Suddenly

New York, Apr 8—Frank W. Woolworth, who started a five and ten cent store at Utica, N. Y. forty years ago, on a capital of \$50, and eventually became the millionaire and who operated a great chain of these stores in the United States, Canada and England, died suddenly early today at his home at Glen Cove Long Island. In addition to establishing a business with profits said to be nearly \$8,000,000 yearly, Mr. Woolworth built the celebrated fifty one story Woolworth building in lower New York, said to be the tallest building in the world. He was born on a farm at Rodman, Jefferson county, New York, on April 13, 1852.

HUSBAND SAVES WIFE

From Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.

Pittsburgh, Pa.—"For many months I was not able to do my work owing to a weakness which caused backache and headaches. A friend called my attention to one of your newspaper advertisements and immediately my husband bought three bottles of Lydia E. Pinkham's Vegetable Compound for me. After taking two bottles I felt fine and my troubles caused by that weakness are a thing of the past. All women who suffer as I did should try Lydia E. Pinkham's Vegetable Compound." Mrs. JAS. ROHRBERG, 620 Knapp St., N. S., Pittsburgh, Pa.

Women who suffer from any form of weakness, as indicated by displacements, inflammation, ulceration, irregularities, backache, headaches, nervousness or "the blues," should accept Mrs. Rohrborg's suggestion and give Lydia E. Pinkham's Vegetable Compound a thorough trial.

For over forty years it has been correcting such ailments. If you have mysterious complications write for advice to Lydia E. Pinkham Medicine Co., Lynn, Mass.

Big Sanctuary Park For Wild Game In N. B.

Fredricton, April 7.—In the local legislature today Hon. Mr. Smith introduced a bill for the establishment of the New Brunswick game refuge. He explained that it was the intention of the government to set aside some 400 miles of territory in the interior of the province where the shooting of game would be prohibited at all seasons.

He said that all other provinces except Nova Scotia had established game refuges or sanctuaries and the dominion government had established

PROSECUTION OF EMPEROR LEFT TO LITTLE BELGIUM

This Agreement Said to Have Been Reached as Compromise at Peace Conference

Paris, April 9.—The responsibility of the German Emperor for the war and means for bringing him to trial by one of the allied governments has been definitely determined upon by the council of four. This follows the definite decision on the terms of reparation for war damages, whereby five billion dollars must be paid within the next two years, and an interallied commission assess the remaining damage for a period of thirty years, beginning May 1, 1921.

Thus, two of the great obstacles which stood in the path of the rapid attainment of peace have been re-

moved within the last twenty-four hours, and the period of extreme tension over the inaction and the failure to secure tangible results, is succeeded by revived confidence over the great advance towards a permanent settlement.

While the tension has been greatly reduced, it is not entirely removed as much depends on the continuance of progress with respect to the remaining obstacles, notably the Saare Valley, the Rhine frontier, the Adriatic issue and a number of lesser issues which are still short of final agreement.

Lemons Whiten and Beautify The Skin

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orcead white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orcead white, at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

Several in the west. The result had been very gratifying as a means of protecting wild game.

This Woodcock Weighed 15 oz.

The heaviest woodcock of which we have heard was one shot by Arthur Duane, near Whittaker's, at South Hampton, Long Island, about thirty years ago. The woodcock was mounted by Bell, the leading taxidermist of the day, but unfortunately, it was later on destroyed by moths. This woodcock was weighed on a druggist's scales at South Hampton and weighed exactly 14 ounces. There are several witnesses living who can testify as to the weight. The naturalists give the average weight of woodcock as ranging from 5 to 9 ounces.

H. M. Brigham says that Thorne German in the fall of 1915 killed a ruffed grouse in Dutchess County, New York, which weighed only the fraction of an ounce less than two pounds. Twenty-one ounces is given as the average weight of ruffed grouse. We have heard stories told of birds weighing over two pounds,

King George At Buckingham Palace

Received Field Marshal Haig On Occasion of his Appointment

London, April 9.—(Canadian Press despatch from Reuter's Ltd.)—King George received Field Marshal Haig at Buckingham Palace Tuesday, on the occasion of his appointment as general officer commanding the home forces. His Majesty also received Major Gen. Sir A. C. MacDonnell, commander of the first Canadian division which is about to leave for Canada.

His Majesty is seeing all commanders of divisions of dominion regiments prior to their departure from England.

MY WIFE'S WAY

She keeps the clocks all fast a bit. Can always tell you just how much. I cannot see the sense of it. But I'm requested not to touch. She says she finds a stimulus That helps her daily regime In having them thus previous. Though they do bother, now and then. To all objections I can show She says she likes to have them so. She says: "You'll find the asperin In that small bottle marked quinine See?"

The quinine? Why, she quinine's in That other box. Where would it be? This bottle labelled Peroxide Is Castor Oil, so don't forget." To all my warnings horrified That she'll assassinate us yet She says she knows just how they do And that she likes to have them so. —W. G. Doty, in Mother's Magazine

but the weights were never authenticated. We should be glad to have accurate information of either grouse or woodcock weighing more than those mentioned above, or, for that matter, information regarding the weights of any unusually large game birds.

Want to Feel Just Right?

Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "lousy" headache, tired, don't-know-what's-the-matter feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what a relief! You'll be surprised to find how much better you feel—brighter, better every way. If you usually suffer from constipation, take one NR Tablet each night for a week. Then you'll not have to use medicine every day. Just an occasional NR Tablet after tea will be sufficient to keep your system in good condition—keeping you feeling just right.

Nature's Remedy (NR Tablets) is sold Guaranteed and recommended by your druggist.

Steamer For Sale

The steamer "RUSTLER" and her equipment made up of Hull, Boiler, and Engine, now lying on the shore below the Ritchie Mill, Newcastle, will be sold at private sale en bloc or separately.

The Hull is of Juniper frame, well timbered, birch planking and generally speaking, is in a fair state of preservation.

The boiler is Mumford Brady type, built by Robb Engineering Company, carrying 125 pounds working pressure. Will burn either coal or wood and is in first class condition. Will be suitable for mill or factory.

ENGINE

Engine Cylinder 16x10 developing 75 horse power. Length of boat 97 feet, keel 105 over all, 40 feet beam, draft 4 feet.

For further particulars apply to John Ferguson or the Newcastle Steamboat Company, Ltd.

Important Changes In Game Act

Bill to be Introduced Shortly By Minister

The bill to amend the Game Act which will be introduced in the Legislature by Hon. E. A. Smith, Minister of Lands and Mines will contain a number of important changes it is understood. Chief among them will be the restoration of permission to sell game meat. The sale was prohibited last year and the prohibition resulted in strong protest. No change will be made in the length of the game season. License fees will remain unchanged except in the case of fishing \$10 being charged for a non-resident angler's license on a trout stream and \$25 on a salmon stream. Waters held under lease will come under the provision as well as others.

Important changes will be made in regard to permits and bounties. It is understood that there will be a considerable increase in the fee for beaver permits. Wild-cat bounties will be increased but porcupine bounties will be withdrawn. Last year five thousand of these animals were killed and bounties claimed.

Foremen of logging and construction crews will be held responsible under the legislation for infraction of the Game Act by men under their supervision.

THE KITCHEN ON WHEELS

One of the newest devices for saving time in the preparation of a meal is to have a small table on wheels that can be pushed from table to sink and sink to stove, with little effort. The wheels, which are little more than large casters, are ball-bearing and move noiselessly. With the aid of one of these, dinner can be prepared with a minimum of moving about, for food prepared at the sink can all be transported at once to the stove and the serving dishes kept on it, in readiness for the meal when it is done. Some of these tables have glass or aluminum tops and can be used in place of kneading board.

A Kidney Remedy

Kidney troubles are frequently caused by badly digested food which overtaxes these organs to eliminate the irritant acids formed. Help your stomach to properly digest the food by taking 15 to 20 drops of **WATERBURY'S CURATIVE SYRUP**, and your kidney disorder will promptly disappear. Get the genuine.

"Gibraltar RedSpecial" Belting

"THE ORIGINAL RED FRICTIONED-SURFACE RUBBER BELTING"

WHEN it's a question of unusual achievements in Beltdom, "Gibraltar RedSpecial" stands supreme.

As an effective means of trimming down "overhead" it is known far and wide.

This Red Frictioned-Surface Belt has dominated the field since its inception.

Without variation this belt has lived up to the exacting standard of service set by us when it was first introduced to belt buyers.

Having been tested and tried to the limit in all manner of places—and by thousands of users throughout the country from the Atlantic to the Pacific—"Gibraltar RedSpecial" will also secure you against the uncertainties which surround the use of "just-as-good" brands.

The price may be higher than that of "ordinary" belts, but the service is long and satisfactory in the extreme, as a multitude of long-time users will gladly testify.

With the Dunlop Unreserved Guarantee which goes with every belt, you should have no hesitation in making your next order read "Gibraltar RedSpecial."

You know the Dunlop reputation for square-dealing, too.

P. W. P.—James Falconer
S. Y. R. W.—H. H. Stuart

The division meets every Thursday evening. Grand Worthy Patriarch A. A. MacLeod is expected to address a public Temperance meeting here early in May.

You will find the usual stock of Cut Flowers and Potted Plants for Easter on sale at Dickison & Troy's.

The Maritime Foundry Company, Limited, has been incorporated under Provincial Statute with total capital stock of \$45,000 and head office at Chatham. The incorporated are Arthur S. Creighton and Henry A. Powell of St. John and Charles O. Morris of Lancaster.

AMMUNITION CORPS COMES WITH 26TH

In a letter from a staff sergeant of the 2nd Divisional Ammunition Corps it is learned that that unit will probably return to St. John on the same vessel which will bring the Fighting 25th Battalion.

At present there are in England, awaiting transportation the 1st Field Ambulance, the 1st Divisional Signaling Corps, the 1st Army Service Corps and the 1st Divisional Ammunition Corps, besides Major Magee's battery and the battery raised and commanded by Major Barker. On good authority it is learned that all these units will return before the 26th Battalion comes back and it is expected that they will each receive as hearty a reception as that to be accorded to the infantry unit, particularly as most of the men are New Brunswick boys.

MAJ. R. T. D. AITKEN HAS BEEN EXONERATED

Calgary, April 6—Major R. T. D. Aitken, who for several years has been in charge of the Canadian army service corps in Calgary, his official position being assistant director of stores and transportation and who figured in a general court martial, held in this city some two months ago, has been exonerated.

DOUGLSTOWN LAD BADLY INJURED

Leslie Anderson, of Douglastown, son of Mr. and Mrs. John Anderson, jr., was badly hurt Tuesday afternoon while playing on a pile of pulpwood. The logs starting, two or three rolled right over him. It is feared that he is hurt internally. Dr. Nicholson is in attendance. The exact extent of his injuries cannot yet be discovered.

CONVENTION IN ST. JOHN MAY 7

Fredericton, April 11—The date for holding the provincial opposition general convention has been changed from April 30 to May 7 next, when it will take place at St. John. The matter of women delegates at the convention had not yet been decided.

REFERENDUM IN NEW BRUNSWICK?

Fredericton, April 11—There will be no amendments made in the New Brunswick Prohibition Act at the present session of the Legislature, but the act will be allowed to stand as it is until the proposed referendum is held in this province, according to an influential supporter of the government.

It was also said, today, that indications point to a referendum on the prohibition act before a general election is held. Probably by September there will be a referendum on prohibition in New Brunswick.

10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Biliousness, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable you are from constipation, indigestion, biliousness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your drugist will keep your liver and bowels clean; stomach sweet and head clear for weeks. They work while you sleep.

NONCTON TO HAVE DAYLIGHT TIME
Moncton City Council, by unanimous vote, has adopted daylight saving time, to go into effect at once.
