An incorporation election takes place in Springhill on the 31st inst., the last day of the year.

A Postmaster's Opinion. "I have great pleasure in certifying to the usefulness of Hagyard's Yellow Oil," writes D. Kavanagh, postmaster, of Um-fraville, Ont., "having used it for sore-ness of the throat, burns, colds, etc., I find nothing equal to it."

Twenty convicts in the Kingston peni-entiary were confirmed by Bishop Cleary n Sunday last. The special quality of Ayer's Hair Vigor is that it restores the natural growth, color and texture of the hair. It vitalizes the roots and follicles, removes dandruff, and heals itching humors in the scalp. In this respect, it surpasses all similar preparations.

Nova Scotia towns are rapidly taking advantage of the provincial optional act providing for incorporation.

Beyond Dispute. There is no better, safer or more pleas-ant cough remedy made than Hagyard's Pectoral Balsam. It cures Hoarseness, Sore Throat, Coughs, Colds, Bronchitis and all throat and lung troubles.

One out of every five school children in Philadelphia is obliged to wear glasses, and the proportion is rapidly increasing A Lucky Escape.

other injuries from a runaway A Hint to Housekeepers. Mrs. Robert Williamson, of Glenik Parry Sound, Ont., says, 'I could not keep house without Hagyard's Yellow Oil at hand. I have used it in my family for croup, sore throat, and a cut foot, and can highly recommend it to every-

My daughters say:

"How much better father is since he used Hop Bitters."

"He is getting well after his long illness from a disease declared incurable."

"And we are so glad that he used your Bitters."—A Lady of Utica, N. Y. The city marshal of Charlottetown has heen suspended, pending an investigation into a charge of drunkenness against him.

Did She Die? "No!
"She lingered and suffered long, pining away all the time for years."
"The doctors doing her no good;"

"I was afflicted some three years with scalp disease. My hair was falling out and what remained turned gray. I was induced to try Ayer's Hair Vigor, and in a few weeks the disease in my scalp disappeared and my hair resumed its original color."—(Rev.) S. S. Sims, Pastor U. B. Church, St. Bernice, Ind. Pastor U. B. Church, St. Bernice, Ind.

"A few years ago I suffered the entire loss of my hair from the effects of tetter. I hoped that after a time nature would repair the loss, but I waited in vain. Many remedies were suggested, none, however, with such proof of merit as Ayer's Hair Vigor, and I began to use it. The result was all I could have desired. A growth of hair soon came out all over my head, and grew to be as soft and heavy as I ever had, and of a natural color, and firmly set."—J. H. Pratt, Spofford, Texas.
