London, Nov. 9 .- Dispatches say two of the minor princes of Abys-sinia, Abate and Abrahe, started warial questions concerning the parts of the country they respectively rule 124 over. Their armies met a few days ago and a fatal battle, which lasted for three days, in which 3,000 on both T. H. LUSCOMBE, BARRISTER, SOLI- sides were killed, Prince Abrahe was

defeated and taken prisoner. It is stated that the empress sided with Prince Abate, and while the battle was in progress she went to the royal chapel and prayed for his success. To make her prayer more efficacious she bore a heavy wooden cross on her shoulders. When she learned of the success of Prince Abate she sent instructions to him to lay waste the territory over which Prince

Abrahe ruled. Emperor Menelik would not coun tenance this. He countermanded the order of the empress and ordered Prince Abate to treat the people of

William A. Brady His Former Manager Offers Boilermaker \$10,000 Unconditionally.

IT'S ALL UP TO JAMES J.

Who Can Make His Own Terms-Brady Has It in for Champion, Who Will Decide Today.

New York, Nov. 10 .- The Herald this morning says: William A. Brady, who formerly managed James J. Jeffries, made an offer last night to give the retired heavyweight champion \$10,000 as a gift if he will fight Al Kaufman within 90 days.

Brady, who has had a serious falling out with his old protege, has said time and again that he believed Kaufman could beat Jeffries, and to give evidence of the sincerity of his ideas of the merits of the former and the latter after his long retirement, Brady posted \$10,000 with Max Blumenthal, to be given to Jeffries with no string whatsoever attached if he will go ter rounds against Kaufman. No stipulation is made as to event of Jeffries being beaten.

Jeff Can Make Conditions. Under the agreement which was made with Felix Isman, Jeffries is to get the sum merely for going into the other international cup race. ring against Kaufman. All the conditions are to be left to Jeffries.

If the old champion agrees, the bout may be held in private or in public may be held in private or in public at any place that Jeffries may name. In addition to the \$10,000 which Brady is willing to give Jeffries to get into the ring wth Kaufman, for a 10-round bout, he also posted \$1,000 to go as a forfeit for a side bet of \$10,-000 that Kaufman will be the victor If the fight is held, Isman covered this and taking the Jeffries end. Furthermore, Brady bets \$4,000 \$5,000 with Isman that Johnson will beat Jeffries. Max Blumenthal is the stakeholder of this wager.

Jeff Will Answer Today. After the offer had been made by Brady, Isman went to see Jeffries, and told him that if he saw his way clear to make the match \$10,000 would be his absolutely. Isman told Jeffries that he would post the additional \$10,000 for a side bet, and that if Jeffries beat Kaufman, he would get at least \$20,000

for the fight When Jeffries was asked what he thought of it, he said: "It is so soft that it looks suspicious. Every one knows Brady's dislike for me. I will give an answer before 4 o'clock this 8:02.41, 13.49 seconds better than the afternoon."

Before the world's series of 1909 John J. McGraw, of the New York Giants, was asked what pitcher he thought would be the most effective against Detroit. He looks to me like a pitcher."

Then came the story that McGraw had been hot on Adams' trail. Before ever the young man went to Pittsburg. McGraw had tried to obtain him from a minor league club, only to find that Pittsburg had him tied up, and that New York could not get him.
