## Country-Wide Survey Reveals Splendid Prospects

For Fall Business in All Lines

"Basic conditions the country over are more promising for Fall than at any time since the war. Frozen credits have been thawed, excess stocks disposed of and production is under demand in many lines of staple commodities"—Atlantic Coast Merchant.

Construction contracts awarded in Canada as compiled by the MacLean Building Report Ltd., show the grand total for the year to date is far in excess of a year ago.

Crops, all wheat shows an increase of 20,110,000 bushels over final returns for 1921. Oats, Barley, Rye, Hay and Clover all show increases over last year.

The above facts show that Prosperity is already here, are you prepared to meet it?

If not, it is to your interest to let us supply you with your requirements.

From its inception A. D. Farrah & Co. has accepted responsibility for the quality of merchandise it sells. It is constantly searching for better materials and values. It spares no effort to market the very best of merchandise at the lowest possible prices for such quality goods.

Being centrally located, we can save you money on freight charges, we can serve you quickly. Our small overhead expenses and large turnover insure you lower prices on the following lines:

**Palmer Brand Larrigans**  
**Atlantic all wool Underwear**  
**All wool Mackinaw Clothing.**

**Far-a-Head Sweaters**  
**Shirts, Sox, Mitts,**  
**Gloves, Boots**

Can you drop in our store here or shall we tell our  
traveller to call?

### LORD BEAVERBROOK SCHOLARSHIPS

Miss Ina Harriet Roberts, St John, With Four Others Receive Awards

The governors of the Lord Beaverbrook Scholarships held a meeting Friday afternoon and made out the awards for the current year. Those to whom the Scholarships were awarded to are: Miss Ina Harriet Roberts, St John; Miss Florence Raymond, Fredericton; Fred J. Forster, Sussex; Edith C. Hallet, Sunny Brae, Westmorland and Byron W. Fleeger, Chatham.

These Scholarships are worth \$325 per year for the period of four years. The recipient may attend any Canadian denominational college. This is the third year in which these Scholarships have been awarded and when the above students have gone to college, it will make a total of fifteen attending colleges and who possess the Lord Beaverbrook Scholarships.

The governors are Judge Crockett, of Fredericton, Lieutenant-Governor Pugsley, F. B. Ellis, of St. John and S. D. Simmons, secretary, Fredericton.

### BENNY SWIM IS PREPARING FOR THE END ON FRIDAY

As the day approaches for the execution of Benny Swim, the condemned man is keeping up wonderfully although slightly nervous. The woman, Mrs. Boyd, awaiting trial for the murder of her children, occupies a cell on the same floor, and Sheriff Foster, of Carleton County, has given her a gramophone and some records which she plays very often. Swim said to his keeper "That music gets tiresome, but I won't be here long and will not say anything as I suppose it amuses the poor woman."

As sewing or knitting could not be given Mrs. Boyd, it was thought advisable to take up her attention with music. Every day Swim's spiritual adviser, Rev. H. V. Bragdon, spends some time with him and he has expressed a desire to be baptized. Arrangements for carrying out the ceremony will be made in the corridor near his cell. Holmes, the executioner and an assistant will arrive today and complete the preparations for the execution, which is to be carried out in the jail yard on Friday.

### CLAIMS SUCCESS

OF FISHERMEN  
French fishing circles just now are arguing with much heat the question of how much effect the moon has on fishing, since a few days ago an old-time poacher, who claims to live by nothing else but fishing, produced a diary purporting to show that at various periods of the moon fish were more plentiful than at others, and the catch was more certain. The poacher says he has the record for the last thirty years to prove that fish bite better during the new moon than at any other period. Every day is a good day for fishing during the seven days of the new moon, the fourth and fifth days being the best days and from midnight until 3 p. m. being the best hours, according to this authority.

During the first quarter of the moon the sixth and seventh days are best, the biting being good all through the day. During the period of the full moon the seventh is the best from noon until nightfall. The second day is exceptionally bad for the fishermen.

The last quarter of the moon is the worst period of all, with not a single good day recorded, although it is shown that on the seventh day the fishing is fairly good in the afternoon.

### TWO GRADUATES FROM HOSPITAL

The graduation exercises in connection with the Miramichi Hospital Training School for Nurses was held on Thursday evening in the assembly hall of Harkins Academy and was largely attended. There were two graduates this year, Miss Mary Estella Holland, Redbank, and Miss Mary Isabelle Calder, Chatham. The stage was very prettily decorated with cut flowers and a very interesting programme of music and speeches was carried out. G. Percy Burchill, Nelson, president of the board of trustees, presided and presented the nurses with their graduation certificates, while Misses Gertrude Champion and Gertrude Falconer presented them with handsome bouquets of flowers, the gift of the Chatham auxiliary of the Miramichi Hospital Aid and E. H. Sinclair. Following the exercises the nurses and friends were entertained at the hospital.

### EMPRESS THEATRE ON THURSDAY

After more than twenty months of studio and laboratory work, "Ladies Must Live," the last production made by the late George Loane Tucker, director of "The Miracle Man," for Paramount distribution, will be shown at the Empress theatre Wednesday and Thursday Betty Compton, now a Paramount star, who was leading woman in "The Miracle Man," is the featured player in the new production.

"Ladies Must Live" was adapted by Mr. Tucker from the Saturday evening Post story by Alice Duer Miller. The work of cutting 140,000 feet of film down to a limited number of reels and the running of the picture over and over again in the projection room, proved a great strain upon Mr. Tucker. While the work of cutting the negative and making a new print was in progress Mr. Tucker made a trip of recuperation to Hawaii but struck the rainy season there and was forced to return to Los Angeles for sunshine. The story of "Ladies Must Live" is said to be one of exceptional appeal and the production is in every respect fully up to the high standard of excellence maintained by Mr. Tucker. The cast is wholly adequate.

### HEROIC RESCUE AT MORRISSY BRIDGE

Newcastle Boy Dives Into River And Saves Bridge Superintendent From Drowning

The story of a heroic rescue from the crowning of Mr. Hilton, Superintendent of repair work at the Morrissy Bridge, on Saturday, 4th inst. has just come to light.

The Morrissy Bridge was badly damaged on June 4th, when the Canadian S. S. "Squatter" rammed the draw span, putting the bridge out of commission for the greater part of the summer. The Dominion Bridge Co. of Montreal was given the contract for repairs, and the closing of the bridge was a great inconvenience to the people of the Miramichi, who were anxiously awaiting the re-opening of the bridge.

On Saturday, 4th inst. repairs had been completed and a large number of people were on hand to witness the reopening of the bridge. Mr. Hilton, the Superintendent, was standing on a motor boat, watching the progress of the work, and in the excitement and commotion, lost his balance and fell into the river unnoticed by his fellow workers. When he came to the surface of the water for the first time he was thrown a rope but was unable to grasp it and disappeared for the second time.

Pierce Ronan a Newcastle boy and one of the men employed on the bridge work, without a moment's hesitation, jumped into the river and with great difficulty succeeded in bringing Mr. Hilton to the side of the boat, from where they were both lifted to safety. Mr. Ronan's feat was made more difficult, owing to the fact that he was fully dressed and at the time was wearing a pair of heavy ten inch boots.

A few seconds before Mr. Hilton fell into the water he had returned to Mr. G. Percy Burchill, a parcel containing some \$2000, which he had been holding, and had he still been in possession of the parcel at the time of his falling into the water, it would have gone to the bottom as it contained considerable silver in small change and was quite heavy.

Mr. Ronan who is a married man and a returned soldier, has now three rescues on the Miramichi River to his credit, and is deserving of much recognition for his heroic act.

### Ontario By-Elections October 23rd.

Toronto, Sept. 5.—The Drury Government at a cabinet meeting this afternoon fixed the date for the bye elections in South East Toronto and Russell county for October 23. The former riding was made vacant by the death of John O'Neill, (Liberal) and the latter by the death of D. Racine, Liberal.

It will recall to us how warm and real and lovable and divine it is to be just human and happy. Remember the dates

Admission Adults 25c..... Children 10c.

Watch for Monday's and Tuesday's Program

### THROUGH SLEEPER TO TORONTO

For Convenience of Delegates to Methodist Conference

In connection with the General Conference of the Methodist Church to be held at Toronto September 27th to October 13th it is understood the Canadian National Railways will operate an extra standard sleeper on September 25th from Halifax on the Ocean Limited, the sleeper to run through to Toronto for the convenience of Maritime Province delegates.

### Decrease in Production For 1923

Sugar production for the year 1923 will be nearly 500,000 tons less than for 1922, it was estimated by the United States Commerce Department in a survey of the world situation.

World production in 1923 was put at 17,490,000 tons in 1922 when the consumption was estimated at 18,360,000 tons and the carry-over into 1923 was put at 830,000 tons, as compared with the carry-over of 1,700,000 tons for 1921 into 1922.

### What Shall I Do With The Money?

Many a holder of the Canadian Government bonds maturing December 1, 1922, has been asking this question. The advertisement of the Minister of Finance supplies an answer. The investor, by giving notice to the manager of any one of the branches of a chartered bank, can arrange to get new bonds bearing the same rate of interest, the highest possible security and a liberal rate of interest.

### INTERNATIONAL BRIDGE OPENED

Crosses St John River to Edmundston.

Edmundston, N. B., Sept. 4—The breaking of a silken cord stretched across the new international bridge between Edmundston, N. B., and Madawaska, in the State of Maine, marked the official opening of the structure on Labor Day, 4th inst. The ceremony was carried out by Hon. Pius Michaud, representing New Brunswick, and W. R. Shaw, attorney general of Maine, acting in the place of Governor Baxter, who was delayed on the way to the ceremony.

A banquet was held in the evening Governor Baxter arrived in time for this function and was the principal speaker. Other speakers were Hon. P. J. Veniot, Hon. P. C. Keegan, Hon. J. E. Michaud, Hon. Dr. Violette.

### STEAMER AND SCHOOLER COLLIDE

Five hundred tons of American bituminous coal destined for the householders of Halifax went to the bottom of the sea when the La Have three masted schooner Maid of Canada was struck by the steamer Sadie Mack, and sunk off Halifax on Monday morning. Captain Wilkie, master of the schooner, and his crew of six men were brought to port by the Sadie Mack.

### "FRUIT-A-TIVES" SAVED HER LIFE

This Fruit Medicine Always Gives Relief

917 DORION ST., MONTREAL.  
I suffered terribly with *Dyspepsia*. I had it for years and all the medicines I took did not do me any good. I read something about "Fruit-a-tives" being good for all Stomach Trouble and Disorders of Digestion, so I tried them.  
After finishing a few boxes, I was entirely relieved of the *Dyspepsia* and my general health was restored; and I am writing to tell you that I owe my life to "Fruit-a-tives".  
Mlle. ANTOINETTE BOUCHER.  
50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

### N. S. MINERS VOTE 3 TO 1 TO ACCEPT WAGE PROPOSAL

Sydney, August 31—Practically complete returns at midnight indicated that the miners of Nova Scotia voted about three to one to accept the Sydney wage proposal negotiated Friday night between representatives of the British Empire Steel Corporation and the miners' officers and to thereby terminate the general strike which has paralyzed the coal industry for the past seventeen days.

By Tuesday, it is expected, the miners will be back in the pits and nearly all of the collieries will be working full blast to catch up on accumulated orders and shipments.

By Tuesday, also, it is thought, the military evacuation of New Aberdeen will have been authorized and the troops sent to Cape Breton for strike duty will be on their way back to the mainland.

The only units still to be heard from in today's voting were small locals which cannot materially alter the general result.

The principal surprise to the general public was furnished by the large Springhill local, on the mainland, in Cumberland County, which voted 861 to 110 to reject the agreement and continue the strike for full 1921 rates.

A lesser surprise was the action of the Phelan local in accepting the agreement by a substantial majority. Phelan was the home of the strike in the first place.

The result at Springhill is attributed to confusion among the miners. For some unexplained reason, officials of the union there received two different copies of the proposed new wage schedule and in the short time at their disposal they were unable to dispel rumors which quickly spread that the new rates meant a wage cut instead of an increase. This resulted in intense dissatisfaction among the rank and file, a resolution demanding the resignation of the new executive and finally an adverse vote against the agreement itself.

Throughout the province, the referendum took on the interest and importance of a dominion general election. In Sydney, North Sydney and Glace Bay crowds thronged around the newspaper bulletin boards until the final returns were received. Similar interest was reported from the mainland collieries.

### Geo. S. Cushing Fuel Controller Of The Province

St. John, Sept. 6—Premier W. E. Foster announced tonight that Geo. S. Cushing, of this city, has been appointed fuel controller for New Brunswick. He will assume the duties of his office immediately.

### REUNION OF THE 26TH REGIMENT

Brought Together Some Six Hundred Comrades.

Over six hundred former members of the "Fighting 26th" Battalion were present at the reunion held Monday 4th inst., when many old friends and associations were renewed. The battalion formed in front of the G.W.V.A. rooms, where Col. McAvity was greeted with cheers, and marched to the Armories. Mother Tillotson, who was seen by the boys in front of her house watching the march-past, was also heartily cheered. An excellent lunch was served at the Armory, and music was rendered by the old 26th Band.

After the singing of the National Anthem an address was delivered by Col. McAvity, in which he reviewed various incidents in the life of the unit and said the reunions should have been begun long ago. Col. Alex McMillan, Col. H. G. Wood, M. C. and Captain George Hallett also spoke. Major George Keefe announced that most of the members were in favor of erecting a memorial to their comrades who had fallen. Greetings from the Fundy Chapter, I. O. O. E., were read.

### Fighting Diphtheria

BY DR. R. H. BISHOP  
Diphtheria is probably the most treacherous of all children's diseases. It attacks and progresses quickly. There is a specific curative agent, antitoxin, but you usually don't know you have diphtheria until it's too late for antitoxin to have any preventive effect or to stop the course of the disease.

Before science had discovered and applied antitoxin, more than half the diphtheria cases died. Today only one out of every eight cases proves fatal and a great many of these deaths are the result of delay.

It has been pretty well proved that every case of diphtheria could be cured by giving the antitoxin during the first 24 hours of the disease.

That this remedy may be administered in time, it is necessary to call in the family physician when the least suspicion arises.

If the child has a sore throat with white, flaky deposits on the tonsils, it is suspicious. One should not wait for further symptoms, such as fever and marked physical depression.

A croup cough is suspicious. When the disease attacks the voice box, hoarseness and a ringing cough result, and the victim may soon struggle from obstruction of the wind-pipe, capused by the diphtheria membrane.

A running nose is another suspicious symptom. Parents should look out for the dirty, white discharge noticeable in diphtheria cases—a serious obstruction to breathing.

School children may "catch" diphtheria from one another in many ways—by drinking from the same cup, by putting pencils and marbles to their mouths, by turning pages of books with wet fingers, by kissing, spitting, coughing, sneezing or by using infected towels, handkerchiefs or napkins.

Teachers should be especially watchful for any of the above signs in children and report any suspicious cases to local health departments. This precaution may mean the saving of many little lives.

Young people who are thought to be going to the devil will come to a detour sign some day and turn onto a narrow road. Folks of middle age know how it goes in such matters. Only a small per cent of young people keep going on definitely the way they are headed when running on high.

Endorsed by thousands of users as "the Extra" in Choice Tea

Children Cry for Fletcher's

# CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Food is especially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

## What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

## NORMAL SCHOOL BREAKS ALL RECORDS FOR ATTENDANCE

The Provincial Normal School opened for the academic year 1922-23 with all records for attendance eclipsed. Dr. H. V. B. Bridges, principal, reported that registrations totalled 405 with the French Department of thirteen students in addition making a total of 418. A considerable number of French students are entered in the general courses and not in the French Department which has been in operation for several weeks.

The Classification  
Dr. Bridges classified the students as follows: Class I, 144; Class II, 188; Class III, 72. French Department, 13. of the total 78 are young men and the balance young women. The attendance of men is in remarkable contrast with what it was a few years ago. The male students are classified as follows: Class I, 44; Class II, 28; Class III, 6. Last year the total at-

tendance at the school was 329. About two hundred of those registered at the school this year have made application for government loans to assist them in taking the courses.

By Counties  
The classification of the students registering today by the counties from which they come is as follows: Albert 17, Carleton 32, Charlotte 22, Gloucester 18, Kent 12, King's 35, Madawaska 13, Northumberland 40, Queens 21, Restigouche 25, St. John, 32, Sunbury 15, Victoria 12, Westmorland 57, York 54. The largest contingent comes from Westmorland with York a close second.

The attendance is greater than was indicated by the applications which were received in August upwards of twenty coming in since that time.

People will work hard for their fun. Do you remember when bicycling was a pastime?

BASE BALL TOMORROW, 3.30. CHATHAM AT NEWCASTLE.

FIRST DEATH SENTENCE TOO MUCH FOR JUDGE

Belfast, Aug. 14—Lord Justice Andrews, brother of Thomas Andrews, the designer of the ill-fated liner Titanic, and also a victim when the ship was wrecked, nearly swooned when passing his first death sentence on a prisoner here.

When he was nearing the end of the death sentence his words were

inaudible and he was so overcome that he rushed from the court as he finished.

The prisoner whom the judge was addressing and who had murdered a little girl under brutal circumstances, stood as if petrified until the wardens seized him and took him to the cells.

## PILES

## MASONS TO GATHER AT NEWCASTLE

Meetings to Continue Two Days

At a meeting of Northumberland Lodge, F. and A. M. Wednesday evening arrangements were completed for the North Shore Masonic Convention, which will be held here on Wednesday and Thursday of this week, and which promises to be one of the largest Masonic gatherings held in the province outside of Grand Lodge for some years. Delegations will be present from Campbellton, Dalhousie, Bathurst, Richibucto Blackville and Chatham lodges, all of which will exemplify degrees before the gathering.

Hiram Lodge, Fredericton; Alexandria Lodge, Devon; Keith and Tweedie lodges, Moncton, will also send large numbers of members. Grand Master LeBaron Wilson, St. John; J. F. Edgett, Deputy Grand Master, Moncton; J. Twining Hart, Grand Secretary; George D. Ellis, Grand Treasurer; J. D. B. F. MacKenzie, Past Grand Master, will represent the Grand Lodge at the meetings.

The convention will open at ten o'clock, on Wednesday, with degree work in the hall. In the afternoon the visitors will be entertained to a drive to points of interest on the Miramichi, returning to the hall, where more degree work will be exemplified. In the evening an entertainment will be held.

On Thursday the entire day will be given to the work of the lodges and at seven o'clock a banquet will be held in St. James Hall, after which Rev. C. Gordon Lawrence, past Grand Chaplain, Hampton, will deliver a lecture on "Masonic Principles," in the lodge room. Upwards of 400 delegates are expected to be present, and the committee are using every effort to make the gathering one to be long remembered.

## THREE LUMBER COMPANIES ARE INCORPORATED

Three new corporations in New Brunswick are gazetted. All are Lumber companies, one in Gloucester and two in Northumberland.

Elm Tree Lumber Company, Limited, with head office at Elm Tree, Parish of Beresford, Gloucester Co. is incorporated with capital stock of twenty-four thousand dollars. Those incorporated are Theodule Roy, Dr. J. Philippe Richard and Leon P. Roy all of Beresford.

Doaktown Lumber Company  
Elwood Burt of Fredericton, Edmund Storey and Stephen Storey of Blissfield, Northumberland County, have been incorporated as Doaktown Lumber Company, Limited. The company is authorized to purchase and take over the lumber business heretofore carried on in the parish of Blissville by Elwood Burt, Edmund Storey, J. Allan Storey and Stephen A. Storey. The head office of the company will be at Doaktown and the capital stock will be twenty thousand dollars. Mr. Burt recently acquired the milling property of The Southampton Lumber Company in the same place.

James H. Holmes, Limited  
Bert V. Holmes, Akerly Holmes, Samuel Holmes, Mrs. Hazel Murray, Mrs. Grace and Mrs. Greta Rutledge all of the parish of Blissfield, Northumberland county, are incorporated as James H. Holmes, Limited, to acquire and take over as a going concern the business of James H. Holmes & Son. The company is to carry on a general lumber business with capital of forty-five thousand dollars, head office is at Doaktown.

## H. Price Webber In Boothbay Harbor

Helped in Entertainment for New Library

Augusta, Me., Journal: H. Price Webber, the well known veteran actor, has recently returned from Boothbay Harbor, where he took part in an entertainment which was given for the benefit of the new library. The proceeds of the fair amounted to \$1,200. Mr. Webber, who is a favorite in Boothbay Harbor, was received with enthusiasm. He gave a specialty on sidelights of the stage, some of them which were recalled by members of his audience.

## Arctic Explorer McMillan Back From Far North

Sydney, Sept. 6—Donald B. McMillan, Arctic explorer, who reached Sydney early this morning with his schooner Bowdoin, after fourteen months in the far north, was preparing tonight to leave on a cruise of near Big Baddock on which his father was born.

Captain McMillan declared tonight that he believed it would be impossible for any vessel to make a trip through the Fury and Hecla straits, in the Arctic regions. Large ice fields block the passage in Fox Channel and reverse tides made the journey via water a feat which no vessel could perform, he said.

According to Captain McMillan, observations of the entire west coast of Baffin Land cannot be made unless the voyage is made through Cumberland Sound and thence across land to the western coast.

During his fourteen months in the far north McMillan discovered that considerable land, alleged to have been found by "Northwest" Fox over three hundred years ago, does not exist. Fox Channel, so called after the old explorer, is a much larger body of water than formerly believed, although navigation there is more or less of a gamble because of shoal water.

McMillan has on board the schooner Bowdoin a collection of Arctic flowers secured by the botanist of the party, Ralph P. Robins. He also brought back a variety of Eskimo trinkets and a complete team of Eskimo dogs.

Governor General of the Bahamas says that wealthy Americans are buying up the smaller islands and establishing homes with cellars that are really and truly thirst assuagers. Travel between the islands and the mainland ought to provide some little occupation for the dry navy.

IRON MADE FROM SAND  
Cast iron of excellent quality is now being made from the iron sands that abound on the shores of New Zealand. On over 100 miles of coast there are millions of tons of this iron sand, but it is only during the last few years that it has been utilized.

Here at Last!

An Improved Gasoline such as you have been looking for,

As the result of exhaustive research and experiment in our Imperoyal Refinery, Imperial Oil Limited is now able to offer to gasoline users in the Maritime Provinces a new improved gasoline which is obtainable wherever the Imperial Premier Red Ball Sign is displayed.

The new Imperial Premier Gasoline possesses all the qualities of a perfect motor fuel. It starts even more quickly than Queen Gasoline (which has been used by some motorists in spite of the fact that it was primarily a lighting fuel and not intended for power purposes).

The new Imperial Premier also has the "pep" and power which you demand from gasoline. It vaporizes completely and burns clean to the last drop. Every gallon you buy will give you the big mileage which you have a right to expect.

Every factor which contributes to the efficiency of a motor fuel has been carefully considered in the manufacture of this new Imperial Premier Gasoline. Its superior quality has been proven not only by laboratory tests but by practical tests in all types of automobile carburetors and motors.

So confident are we of your approval of this gasoline that we no longer make any other grade for engine use.

We invite comparison with other grades of gasoline at higher prices. We believe a test will convince you that no gasoline made in any country can give you better satisfaction or greater mileage for your gasoline money—and remember, the new Imperial Premier Gasoline is strictly a home product, made for the Maritime Provinces at our Imperoyal refinery.

How to make a test:—After your tank has been filled with the new Imperial Premier Gasoline have your carburetor set to properly use this fuel. By doing this you will find you can run your car on a lean, powerful mixture and keep engine trouble and operating expenses down to the minimum.

Ask for the new Imperial Premier Gasoline the next time you fill.

### Public Health Workers Chose Purity

In selecting an Ice Cream to sell during the recent big drive for the Provincial Public Health Centre at St. John, Purity Ice Cream was the choice—striking evidence that in flavor, in quality, in texture, in PURITY, Purity Ice Cream is indeed "The Cream of Quality."

Ask Your Purity Dealer

### JOHN SULLIVAN IS COMMITTED TO STAND TRIAL

The preliminary hearing of John Sullivan, charged with the attempted murder of Rev. Timothy Augustine, at Rogersville, was held at Rogersville on Thursday, before J. F. Poirer, J. P. After hearing the evidence of seven witnesses, the accused was committed to stand trial at the next sitting of the Supreme Court. Father Augustine is rapidly recovering from the wounds he received and is able to be around again.

### WOMAN COULD NOT WORK

Made Strong and Well by Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I took Lydia E. Pinkham's Vegetable Compound for a tired, worn-out feeling and painful periods. I used to get up with a pain in my head and pains in my lower parts and back. Often I was not able to do my work. I read in your little book about Lydia E. Pinkham's Vegetable Compound and I have taken it. I feel so well and strong and can do every bit of my work and not a pain in my back now. I recommend your medicine and you can see this letter as a testimonial."—Mrs. PHIL. MASER, 801 Winslow St., St. Paul, Minn.

Just another case where a woman found relief by taking Lydia E. Pinkham's Vegetable Compound. Many times these tired, worn-out feelings and pains about the body are from troubles only women have. The Vegetable Compound is especially adapted for just this condition. The good results are noted by the disagreeable symptoms passing away—one after another. Lydia E. Pinkham's Vegetable Compound is a Woman's Medicine for Women's Ailments. Always reliable.

### NEW BRUNSWICK'S TIMBER HARVEST

Very few people realize the magnitude of the lumber industry in this province and how much it means to the prosperity of its people. In normal seasons 15 Million Logs are cut during the winter months after the ground becomes frozen and before the snow becomes too deep. Thousands of men and horses are required to cut, yard and later haul these logs to the banks of nearby streams. The woods ring with the merry tune of axe and saw while the back settlements appear deserted. Then as winter gives way to spring and the ice runs out, these 15 Millions Logs must be rolled into the swollen rivers and driven to the booms below. Again thousands of men are required on these river drives. Then, during the long season from early spring until late autumn 400 sawmills are working night and day converting these 15 Million Logs into various kinds of lumber, for each kind of log has its particular use. The lumber is piled into huge piles to season, to be shipped later by water to Europe or South America, the Indies or United States, or by rail to United States and other parts of Canada. Winter comes and again the lumbermen go back for 15 Million more logs.

15 Million Logs manufactured into millions of pieces of lumber. If piled all in one place, this annual harvest converted into lumber would cover over one square mile, an acreage as large as any of our smaller towns. Piled into cars to be shipped over the railroad it would take a string of cars over 200 miles long. Just imagine an unbroken string of cars all loaded with lumber reaching from Campbellton on the northern border to Moncton in the south, or from Edmundston to Moncton, and one may realize what the annual output of the mills aggregate. It would require a squadron of at least 250 vessels of ordinary capacity to move all the timber by water. Some fleet! Some industry, too, that annually takes 15 Million Logs from the forest to mills miles away and converts into sawn lumber which requires 25,000 railroad cars or 250 large vessels to move it to markets, hundreds of leagues distant. One may then realize why the lumbering industry ranks next to agriculture in this province.

How Long to Grow a Tree But what about going further and learning more about these 15 Million Logs which the forests give up each year? How long it takes these trees to grow large enough for logs and if there will always be 15 Million Logs forthcoming every year. For after all the life of a manufacturing industry depends on the amount of raw material available. The forest is an exhaustible resource, but restorable through growth. Then to perpetuate the industry, new forests must replace those cut down and the growing trees must be protected from destruction by fire. Although it takes 80 to 120 years for a tree to grow from seed to log, there has always been an available supply of 15 Million Logs ready to cut each season. What would the annual supply have been had there been no destructive forest fires in the past? Probably the annual output of our mills would have required a string of railroad cars stretching around the province instead of only halfway round. But why worry about the past when the future requires so much attention? If forest fires are kept out of our forests then there is little doubt that the industry may continue to find 15 Million Logs each year ready to cut. If forest fires are allowed to go on year after year burning

50,000 acres per year as has happened in the past, it is perfectly obvious why the annual harvest of logs will decline and why many mills will have to be scrapped. Help to keep the forests green and growing by keeping out forest fires, so that the chain of growth, annual output and consumption will not be broken.

### In The Shadow Of Poor Health

In This Condition Relief Comes Through Dr. Williams Pink Pills

When the shadow of poor health falls upon you; when hope fades and life itself seems scarcely worth living then is the time you should remember that thousands just as hopeless as you feel, have been restored to the sunshine of health through the use of Dr. Williams Pink Pills. The rich red blood which these pills actually make, strengthens the whole system. The nerves are strengthened, headaches vanish, the appetite improves, and once again there is joy in life. Among the thousands benefited by the use of this medicine is Mrs. Jos. Robinson, Oshawa, who says:—"Some time ago I was in an anaemic condition and so weak I would faint away at times. I had no appetite, could not do my household work; in fact life seemed scarcely worth living. I was exceedingly pale and tried doctor's medicine with no good result. Then one day I saw Dr. Williams Pink Pills recommended for a similar condition and I got a supply. I continued taking the pills until I had used about a dozen boxes, and they have made me a well woman. I can now do a good day's work about the house, have no more fainting spells and can go about more actively than I did before. I believe these pills just the thing for pale, weak girls and women, and if given a fair trial will do for them what they have done for me."

You can get these pills through any dealer or by mail at 50 cents a box, or six boxes for \$2.50, from The Dr. Williams Medicine Co., Brockville, Ont.

### THINKS LUMBER BUSINESS WILL BE GOOD THIS YEAR

Mr. A. T. Murchie, Chief Scaler of the Department of Lands and Mines has returned from an extended trip in the Northern part of the Province. He covered the country in the vicinity of Newcastle, and Northward as well as other points on the Miramichi and according to Mr. Murchie prospects for a good cut of lumber this winter are bright. Practically all the operators now in the business are making plans for the coming winter. The J. B. Snowball Company, one of the largest concerns are building dams and preparing camps for their crews in favorable localities. It is said that wages will be better this winter than during the last season, and generally speaking the prospects in the lumbering industry have every appearance of being good.

### Three Killed When Aeroplane Falls At Fair Grounds

Rutland, Vt., Sept. 7.—Lieutenant Belvin W. Maynard, known as "the flying parson," was killed at the Rutland Fair today. Lieutenant Belvin W. Maynard, "the flying parson," Lieutenant Charles Wood, of Ticonderoga and Charles Monette, of New York City, were killed today when their aeroplane crashed to the flying field from a height of 3,000 feet at the Rutland Fair grounds. The aviators went up for a trial spin before taking passengers for flights, as had been their custom during the week the fair has been in progress. Lieutenant Maynard, the pilot, apparently misjudged his distance before attempting a tail spin. The machine refused to recover and he then attempted to throw it into a nose dive. This also failed and the plane crashed to the field. Lieutenant Maynard was alive when spectators reached the wreckage, but died before reaching a hospital. Lieutenant Wood and Monette, were instantly killed. The plane had been in the air about twenty minutes when the fatal plunge came. The three pilots had been making daily flights at the fair grounds as a "stunt" circus.

## Boy's Suits

Boy's Suits with Double Knees, Double Seats, Double Elbows, Double Pockets, Reinforced Seams, Strong Cloths, Heavy Linings and Extra Buttons.

### THE COUNTIES ARE MAKING PAYMENTS

Two Recalcitrant Counties Have Paid Public Health Assessment—Court Proceedings Against Others.

Of the six recalcitrant counties, which refused to pay over to the sub district boards the monies asked for in connection with public health assessment, two counties have recently made the necessary payment, and a third is negotiating for payment. The Provincial department of health, in view of the fact that certain counties were holding out in this matter, have taken action in the courts, and on Tuesday of this week, are making application before the Supreme Court of New Brunswick in connection with attachment proceedings against Hon. Dr. W. F. Roberge, minister of

He leaves two daughters, Mrs. Thomas Coughlin of Blackville and Mrs. Percy Lebans of Campbellton and two sons, Thomas and Alexander, both of Blackville and a large number of grandchildren and great grand children, two sisters, Miss Sarah Underhill of Blackville and Mrs. Spiller of Boston, Mass.

Mr. Underhill was well and widely known as a lumberman on Miramichi for many years. He was a warm hearted and impulsive man, well liked by all those who worked for him or who knew him intimately.

Campbellton papers please copy.

WEDDINGS

McLEAN-ALLISON

At 12.30 o'clock Saturday 2nd inst. in the Methodist church, Sussex, N. B. Rev. G. F. Dawson married Blair McLean, Newcastle, and Miss Jean Elder Allison, Sussex. The church which was beautifully decorated for the occasion, was filed to capacity with friends of the contracting parties.

The bride was given in marriage by H. A. Powell, K. C., of St. John, and Miss Mary Allison, sister of the bride, was bridesmaid. Charles McLean brother of the groom acted as groomsmen. Little Miss Florence Ed. was flower girl. The ushers were W. F. Myles and Norman Fraser.

The groom is relieving manager of the Bank of Nova Scotia staff, and the bride is well and favorably known in musical circles throughout the province. The happy couple left on the afternoon express for their honeymoon to Halifax and other points in Nova Scotia.

WILLISTON-WILLIS

Amherst, Sept. 6—A very pretty wedding was solemnized in Christ Church Amherst, Wednesday morning 6th inst. at 11.30, by the Rev. H. E. Dibblee, rector, the principals being Miss Kathleen Willis, of Amherst, and Mr. Beaumont Williston, of Newcastle. The church was beautifully decorated by girl friends of the bride. To the strains of the Wedding March rendered by Prof. Howat, the bride entered the church on the arm of her brother-in-law, Mr. A. Leon Moss and took her place beside the groom, while the choir sang "The Voice that Breathed O'er Eden." She was becomingly attired in a travelling suit of moose brown with feather hat to correspond and carried a shower bouquet of Ophelia roses and sweet peas. They were unattended. Following the ceremony, the happy couple left on a brief honeymoon that will be spent in camping along the Miramichi. Mr. and Mrs. Williston are followed by the best wishes of a host of friends for future happiness. Mrs. Williston has been an efficient employee of the Royal Bank of Canada for the past four years and her departure from Amherst will be sincerely regretted. She was the recipient of many beautiful gifts. The out of town guests in attendance at the wedding included, Mrs. H. Williston and Miss Laura Williston of Newcastle; Mr. and Mrs. J. H. Kirk, Sussex; Mr. and Mrs. J. H. Knox, departure from Amherst will be reside in Newcastle.

**REAL MARITIME UNION**

The outstanding features of Wednesday's meetings of the Maritime Board of Trade and Wednesday evening's banquet in connection with that important and largely attended conference, were the unanimous expressions of opinion that the Maritime Provinces, their rights under Confederation, and the declaration that the Canadian parliament of today does not give even a courteous hearing to Maritime men, discussing Maritime problems. The gathering was a representative one. Included among those present were active and prominent business men from all three provinces, no less than six members of parliament, one a cabinet minister, the Premier and a fellow member of the New Brunswick cabinet and several Boards of Trade presidents. No more truly representative Maritime Province gathering was unanimous in its expressions of opinion that the time has come for close Maritime co-operation as a pure matter of self-protection.

Liberals and Conservatives were in complete agreement in their declarations that the Maritimes are not to-day receiving the treatment promised them by the Confederation pact. They were in complete agreement that the use of the railway line to Portland as a competitor of Maritime ports by the Canadian National Railway system would lead inevitably to greater and more serious dissatisfaction. Nobody talked disunion. Everybody talked union, but it was a union of defence against a policy which if pursued must lead to greater dissatisfaction, and greater dissatisfaction than was so unanimously voiced by so important a gathering as the Maritime Board of Trade would not be a good thing. All Canada today knows there is a deep

and growing unrest and anxiety in the Maritime Provinces over federal relations. Is that unrest and anxiety to be forced to give expression to its views in parliament through a Maritime Province party, acting along lines which the Irish parliamentary party found so effective in imperial affairs? There can be no other course, unless Canadian public men of all three political parties come to realize that these provinces are an integral part of Canada, entitled to share equally with every other part in all that makes for Canadian national development. Flint and tinder are very close together today.—St. John Globe.

BASE BALL TOMORROW, 3.30 CHATHAM AT NEWCASTLE.

**Mr. Ford And Coal Profiteers**

If Henry Ford carries out his intention of fighting the coal profiteers he may perform a public service of paramount importance. Apparently the famous manufacturer is on sure ground, for he speaks of investigations by his representatives into the alleged shortage of coal, and of the "holdup" tactics of the coal brokers. And if there is profiteering in coal it will probably be due to the manipulations of these brokers who in the past have not hesitated to make exorbitant gains out of the combination of a scarcity of fuel and a big public demand.

It would be unwise to say that the coal brokers have enormous supplies on hand, as Mr. Ford does, before more evidence is forthcoming; nor would it be fair to say that profiteering is going on. But in the summer of 1920, the coal brokers' methods were exposed and their huge profits revealed. By securing in some mysterious way car-loads of coal at the mines, the coal speculators would send them towards ports or cities where a shortage was being experienced and announced that they had "spot" coal for sale. To keep their plants going, many firms had to submit to the brokers and buy the spot cargoes or go without. As may be guessed the prices were by the time anywhere from 100 to 300 per cent. greater than the regular price at the mine.

In October two years ago, a United States Senate Committee investigating reconstruction and production placed the profit of coal speculators in New England alone at not less than \$312,000,000. At that time the coal contracted for by industrial firms in the spring normally cost from \$3.75 to \$4.50 a ton. Most producers had sold the whole output at an average of \$4.25, and at this figure the cost to the consumer at tidewater should have been between \$6 and \$7.50 per ton. But testimony showed that only a small proportion of the contract coal had been delivered, which compelled consumers to go out and secure "spot" coal, or close down their factories.

By this means the speculators netted from \$10 to \$23 a ton, the average price being \$17. It is to be hoped that no such anti-social price manipulating will be conducted again. If it is, and Mr. Ford shows convincing evidence of its existence, he should receive the widest public support, in Canada as well as in the United States. The time has come when unscrupulous speculators should be treated as criminals, when so vital a necessity as fuel is concerned.

**NEW TWENTY CENT SPECIAL DELIVERY STAMP**  
The forthcoming issue of a new 20 cent special delivery stamp printed in red is announced by the post office department. It will be issued to post masters as their present stock become exhausted.

**BUILDING AND CROP IMPROVEMENTS**

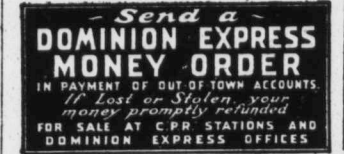

Construction Contracts awarded in Canada for the month of July amounted to 2526 with a valuation of \$26,653,500 against \$17,741,400 in July 1921. Business buildings amounted to 30.5 per cent of the total, Industrial buildings 5.3 percent, Public Works and Utilities 28.9 percent and Residential 35.3 percent. The Grand Total for the year to date is far in excess of a year ago. (Maclean Building Ltd. Reporter) Crops—Preliminary estimates of yields of our crops, compare very favorably with the final returns for 1921. All wheat shows an increase of 20,110,000 bushels over last year and \$4,943,000 bushels over the 5 years average. Oats, Barley, Rye, Hay and Clover all show increases over last year and the 5 year average.—Brookwise Economic.

**Greater Caution In Safeguarding His Majesty's Mails**

**Warning Issued to Postmasters Throughout the Dominion**

Ottawa, Sept. 9.—A warning to postmasters throughout the Dominion to exercise greater caution in safeguarding mails, was issued today by the Post Office Department. The department states that investigation into cases of lost and stolen mails have shown many irregularities on the part of the postmaster in either delivery or receipt of the mail which has been the subject of the inquiry. Postmasters are therefore warned that mails to and from an office must pass directly, from the postmaster to the courier or vice versa, no matter at what hour of the day or night the receipt of delivery takes place. This duty may be assigned by a postmaster to a duly sworn assistant but full responsibility for the mails remains with the postmaster.

**OMAR ROBERTS CONFESSES GUILT**

YARMOUTH, N. S. Sept. 5.—Omar Roberts has confessed to the murder of Flora Grey. The aged guide and trapper admitted, as early as Thursday of last week, that, following the attempted assault of his nineteen year old housekeeper at his hunting lodge in Kemptville, a week ago last Monday night, he sprinkled her bed and room with gasoline and then set them afire. His first statements were made to Arthur Sims, the keeper of the county jail. This morning the crown prosecutor, R. S. McKay, and the Sheriff of the county and Roberts were closeted together for several hours, and the law officers of the crown obtained at this interview a full statement of the crime.

**Coal Miner Is Severely Crushed**

Springhill, N. S. Sept. 5.—Baker Brown, aged 30, an employee of the Dominion Coal Company, is in a serious condition and has both legs broken following an accident in number 2 mine today, when a train of coal boxes jumped the track and threw a boom against him. The bones of Brown's legs came out through the flesh and the jagged ends tore gashes six inches long.

**Backache**

Backache is the outstanding symptom of kidney disease. Women often make the mistake of attributing other causes and overlook the derangement of the kidneys until serious developments have made it difficult to obtain permanent relief.

This letter points to a treatment which has been so thoroughly tried and proven so effective in the great majority of cases that you cannot afford to overlook it when cause arises for its use.

Mrs. Albert Brunet, R.R. No. 1, Ottawa, Ont., writes:

"I have used Dr. Chase's Kidney-Liver Pills for the past two months, having been afflicted with kidney trouble. I used two doctors' medicine previous to this, without any good results. A friend told me to use Dr. Chase's Kidney-Liver Pills, and the second box made me feel a good deal better. I have now used about six or eight boxes, and am completely relieved."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, all dealers, or Edmanston, Bates & Co., Limited, Toronto.

**MINARD'S "KING OF PAIN" LINIMENT**

The old reliable remedy for rheumatism, neuralgia, sore throat and sprains.

**Best Liniment Made**  
Mr. A. H. LAUDRY, Edson, writes: "I fell from a building and received what the doctor called a very bad sprained ankle, and told me I must not walk on it for three weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I think it the best Liniment made."

Minard's Liniment always gives satisfaction. For any ache or pain, it gives instant relief.

**To Holders of Five Year 5 1/2 per cent Canada's Victory Bonds**

Issued in 1917 and Maturing 1st December, 1922.

**CONVERSION PROPOSALS**

**THE MINISTER OF FINANCE** offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5 1/2 per cent interest, payable half yearly, of either of the following classes:—

(a) Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.

(b) Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

**Has Not Lost A Day Since He Took Tanlac**

"Before I had finished my first bottle of Tanlac I began to straighten right up," was the statement made recently by William Anderson, a boiler maker, living at 97 St. James St., St. John, N. B.

"I had suffered from indigestion for five years and neither medicines or dieting seemed to do me any good. There was a steady gnawing pain in the pit of my stomach day and night. Sometimes I was in such agony from it that the sweat would just roll off me and I would get so weak I simply had to give up. I couldn't sleep or rest and got up mornings all in. During this time I had to give up work several times, and the last time was off four weeks.

"But in a short time after I began taking Tanlac I was ready for my three square meals a day. I have not lost a day from work on account of my health since Tanlac set me right, nearly two years ago. I eat anything I want, sleep fine and I can do an honest day's work and feel good and strong at the finish. My wife was all run down and her blood was poor, but she took Tanlac, too, and today she is as well as she ever was."

Tanlac is sold by all good druggists

**SUNNY CORNER**

Sunny Corner, Sept. 11—Mr. and Mrs. Perley Tozer have gone to St. John for a week.

Mr. Wm. Sherrard and children spent the latter part of the week in Newcastle.

Miss Lottie Gillis was a visitor here on the 1st.

Miss Janice Porter was the guest of the Misses Bell's in Nelson last week.

Mrs. A. Hill and daughter Miss Martha called on Mrs. F. Matchett on Friday.

Misses F. Sheasgreen, M. Hogan and Kathleen Mullin left for the P. N. S. this a. m.

The Misses Annie and Mary Nolan, also brother Henry were in Nelson for the picnic.

Mrs. Joseph Napke Newcastle called on friends here on Sunday.

Miss Sadie Johnston is visiting her parents Mr. and Mrs. James Johnston.

Our school opened up on Monday with Misses Stella Mullin and Ida McAllister as teacher and assistant.

Mrs. Percy Gremley and two children spent the week end here.

Miss Blanche Waye, Trout Brook, is visiting Miss Janie Tozer.

Mrs. George Matchett of Nelson is the guest of Mrs. Hiram Matchett.

**CATARRHAL DEAFNESS**

is greatly relieved by constitutional treatment. HALL'S CATARRH is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions.  
 Circulars free. All Druggists.  
**F. J. Cheney & Co., Toledo, Ohio.**

**De Valera Said To Be In Hands of Nationalists**

It is reported that Eamonn de Valera and Erskine Childers, both are prisoners in the hands of Nationalists. The report has not been confirmed nor has it been denied officially. It has been stated that Childers was operating in the Killarney district where he was seriously wounded.

**Carleton County Woman To Be Tried For Murder**

Mrs. Mary Boyd, charged with the murder of her two children at Argyle, Carleton County, on September 2, has been committed for trial on October 10. At the preliminary hearing before Magistrate Comben, of Woodstock, Mrs. Boyd was unrepresented by counsel. She was apparently wandering in her mind and appeared to be unaware of the nature of the proceedings. Her daughter, Helena, testified as to the finding of the bodies and bloodstains on Mrs. Boyd's clothing. An alienist is to testify at the trial.

**NO CHANGE IN STANDING OF PARTIES IN P. E. ISLAND**

Three Liberal and two Conservative were elected in the provincial bye-elections held last Wednesday in P. E. Island, leaving the standing of the parties in the House of Assembly unchanged, namely, Liberals 24; Conservatives 5; Independents 1. The Government gained one seat in Fifth District of Prince but lost one in Third Prince.

Voting was comparatively small, due partly, it is thought, to an impending general election next year.

The campaign was short and sharp. Government speakers claimed support on the ground that the government had the courage to increase the taxes and place the finances of the province on a sound footing. They said also teachers' salaries had been increased and the Island had been given improved roads.

The Conservatives contended that the Liberals had not bettered the finances to the extent claimed, that they had broken their promises to the people when they increased taxes and that the new road policy meant a waste of money, because the roads were not permanent, and a big increase of debt.

The bye-elections, the first held since the government came into power three years ago, were necessitated by the death of Hon. Benjamin Gallant in First Prince; elevation of ex-Premier Arsenault, of Third Prince, to the Supreme Court Bench; the election of A. E. McLean to the federal parliament, and the resignation of J. A. McNeil, McLean's opponent in the Dominion elections in Fifth Prince and to the death of William Sutherland in Fourth Kings.

For the first time in a provincial election the Progressives had a man in the field.

**Lord Beaverbrook Goes to Constantinople**

There is considerable speculation in London newspaper circles about the future of Sir Campbell Stuart in the re-organization of the Northcliffe press. He has tendered his resignation from the London Daily Mail, but retains a directorship of the Times. He was the only director both papers had in common. It is inferred from this that the two properties will be separated. The Standard says: Sir Campbell Stuart was very highly thought of by Northcliffe, who took him from a not too promising position and gave him great responsibilities. He is a man of much activity and charm of manner, and a great favorite with everyone. It is possible a great deal more will be heard of him.

Nothing has developed regarding Lord Beaverbrook's reported desire to purchase the Times. It is understood Beaverbrook was requested to secure the Times and run it on behalf of a syndicate of prominent men, including a well known politician now out of office. But he plans adding an evening paper to the morning and Sunday Express, an enterprise which will occupy all his time for a while. He is now en route to Constantinople via Vienna to secure information at first hand. He is no friend of the Greeks, and it is understood he will gather facts in Constantinople and Angora to support the Ex-press' hostility to the Greek operations round Smyrna.

**NO PROFITEERING WITH ZAM-BUK**

Before the war, Zam-Buk was 50c. a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c. a box! Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only. Is this method of doing business not worthy of recognition? Answer this question by continuing to recommend, to appreciate, and to use Zam-Buk—the greatest household healer of modern times.

Use it for all skin troubles, eczema, ringworm, abscesses, ulcers, boils, pimples, piles, blood-poisoning, chapped hands, cold sores, cuts, bruises, burns, scalds, etc.

All Dealers, 50c. Box.

**Determined to Have Complete Surrender**

Michael Collins' death has strengthened the determination of the Provisional Irish Free State Government that there can be no settlement of the present rebellion except on the terms of unconditional surrender, says the Daily Mail's Dublin correspondent. The writer adds that he learns there is not a member of the government who would not rather resign office than be a party to any settlement with Eamonn De Valera, which did not mean complete surrender.

**Ex-Emperor William Betrothed**

LONDON, Aug. 26—Former Emperor William is betrothed to the widow of a German aristocrat, according to a report received by the Times. The woman is said to be almost of royal rank and the mother of three children. She and the children recently visited the former Emperor at Doorn, Holland. It is said the marriage will take place during the coming winter.

**TO BUILD NEW BRIDGE**  
 The provincial department of public works is calling for tenders for the construction of the Wilson Brook Bridge, Parish of Derby, Northumberland County.

# Local and General News.

**FROST**  
Quite a heavy frost fell last Wednesday and Thursday nights, killing corn, cucumbers and other tender vegetables. The town gardens did not feel the effects to any great extent, but fortunately the crops are so far advanced that the damage was slight.

**PICNIC A SUCCESS**  
The picnic held in the rink, in aid of St. Mary's new school on Wednesday afternoon and evening was a big success. There were all kinds of amusements and attractions. A delicious supper was served from 5 to 7 o'clock and again in the evening at 11.30. The gross proceeds amounted to about \$1400.

**BILL SHARON LOST**  
Bill Sharon was the favorite in the opening day's Grand Circuit races at Charter Oak Park New Haven, Conn., but he lost two of the three heats and won the final which was the fastest heat. His time in the final was 2.05 1/2 and the purse was \$3000.00

**NEW STYLES TO BE SHOWN**  
We received a special wire this morning from The Authentic Style Association, of Montreal, announcing that a most fascinating exhibit of authentic new styles for fall and winter will be on display at A. D. Farrah & Co.'s store. Many original French and American models will be shown. Watch for dates.

**HENRY FORD TO HAVE HIS COAL**  
According to a telegram given out Friday by Ernest F. Heastry, president of the American Export and Inland Coal Company, an agreement has been entered into with representatives of Henry Ford of Detroit, by which a sufficient amount of coal will be forwarded to the manufacturing plants of the Ford Company to obviate the shut-down that was scheduled for September 16.

**BASE BALL TOMORROW, 3.30 CHATHAM AT NEWCASTLE.**

**THE WATERING CART**  
It was a pleasant sight for sore eyes to see the watering cart on the town streets yesterday afternoon. The citizens had about concluded that it was either lost, strayed or stolen. It is almost sure that we will have rain soon, as the appearance of the watering cart is considered to be a sure omen.  
The clerks and baseball fans will now be fortunate if they have a fine day for their holiday and baseball game on Wednesday afternoon.

**A CLOSE CALL**  
One of the workmen of the Fraser Mill, Nelson had a close call recently, when the mill was shut down for temporary repairs. The workman had got into bad company and became inebriated. He returned to the mill and lay down on the chains which fed the main-saw, where he soon fell asleep. The machinery was started and the chains had carried the sleeper to within a few inches of the saw, when he was seen and rescued from his perilous position. The man was still asleep and it was extremely difficult to arouse him from his slumbers, so he could be informed of how close he had been to a horrible death.

**SURPRISE PARTY**  
A very enjoyable evening was spent at the home of Mr. and Mrs. Blackstock Matheson on last Tuesday evening when a number of friends of their daughter Janie gathered at her home and tendered her a surprise party. Music, games and dancing were indulged in and dainty refreshments served during the evening. Miss Matheson left on Saturday for Boston, Mass., where she will enter the Boston Commonwealth Hospital to study nursing. Janie was a general favorite with all who knew her and will be greatly missed by her many friends who wish her every success in her chosen profession.

**ASTHMA and RAZ-MAH HAY FEVER**  
The Standard Remedy for HAY-FEVER and Asthma. Sold by all good Druggists. For Free Trial write Tompkins, Toronto

**BAND CONCERT**  
The Newcastle Band treated the public to a Band Concert in the Square last Thursday evening. A large attendance enjoyed the music.

**MEALS AT ALL HOURS**  
Beginning on Thursday, 14th inst. Meals at all hours will be served at the Winona Ice Cream Parlor.

**ST. MARY'S ACADEMY RE-OPENED**  
St. Mary's Academy re-opened with the usual large number of day scholars and boarders, on Wednesday morning. Classes were then dismissed until Thursday morning to enable the pupils to attend the picnic.

**BASEBALL**  
The locals play Chatham tomorrow on the Farrell Field at 3 o'clock in the afternoon. The locals have been putting up some good class of baseball lately and the visitor's quality of ball is well-known here, so that something out of the ordinary may be looked for tomorrow, in the way of good, fast baseball. Be on hand, to do your share of rooting for the home team.

**CONTRACTS AWARDED**  
Hon. Peter J. Veniot, Minister of Public Works Wednesday afternoon at five o'clock awarded contracts for the building of two bridges in the province. One of these was the Wells Brook Bridge in the Parish of Glengeld Northumberland County, and the contract was awarded to Norman M. Hansen and Sons of Durham Bridge, the price being in the vicinity of \$2,800.

**ACCIDENT**  
Last Thursday morning, James Bernard Jr. who drives the delivery team for Mitchell's Meat Market, was coming down Castle Street with a heavy load of freight when the wagon upset throwing him to the ground. He was picked up in an unconscious condition and removed to the Miramichi Hospital. He is now considered to be out of danger.

**SPLENDID ADDRESSES**  
Rev's Dr J. G. Shearer, of Toronto, H. A. Goodwin of St. John and W. D. Wilson of Fredericton were the speakers at a Convention held in St. James' Hall on Wednesday afternoon and evening, under the joint auspices of the Social Service Council and the Temperance Alliance of New Brunswick. The attendance was not as large as it might have been, but those who were present enjoyed the splendid addresses and much good will result from the meetings.

**Childhood Ailments**  
The ailments of childhood—constipation, indigestion, colic, colds, etc.—can be quickly banished through the use of Baby's Own Tablets. They are a mild but thorough laxative which instantly regulate the bowels and sweeten the stomach. They are guaranteed to contain no harmful drugs and can be given to the youngest baby with perfect safety. Concerning them Mrs. Alcide Lepage, Ste. Beatrik, Que., writes:—"Baby's Own Tablets were of great help to my baby. They regulated her bowels and stomach and made her plump and well." The Tablets are sold by medicine dealers or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**PAPER ON BIG GAME OF NEW BRUNSWICK**  
FREDERICTON, Sept. 11—L. A. Gagnon, chief game warden of the crown land department, who has been representing the province at the International Convention of Game and Fish Commissioners at Madison, Wisconsin, has returned. The convention was attended by 43 delegates, eight of whom were from Canada, including the president, Hon. Honore Mercier, Minister of Lands and Forests, Quebec. Movies of big game and sport along the Miramichi were shown in connection with a paper on the big game of New Brunswick, which was read at the convention by Mr. Gagnon which was highly appreciated. The pictures were some of those procured through Guide Harry Allen. The new president elected is William C. Adams, Boston, State Commissioner of Game and Fish for Massachusetts. St. Louis is the next place of meeting. Ontario was also represented.

**BASE BALL TOMORROW, 3.30 CHATHAM AT NEWCASTLE.**

**LAST HOLIDAY**  
Tomorrow afternoon will be the last holiday for the season in the stores of Newcastle. Every afternoon holiday this year has been fine and the merchants and clerks have been exceedingly fortunate in so far as the weather has been concerned. Everyone will once more settle down to business and people coming in from the country districts will be able to do business on Wednesdays as well as other days of the week.

**PRIESTS OF THE CHATHAM DIOCESE ARE TRANSFERRED**  
Announcement has been made of the appointment of several well known priests of Chatham diocese to new fields of labor. Rev. J. P. Levesque, the energetic curate at Bathurst for the past two years, has been appointed parish priest at Val d'Amour Restigouche county. Rev. Auguste Allard is given the post of parish priest in the newly formed parish of St. Mary's East Bathurst. Rev. Cletus Elhatton is appointed parish priest at Barnaby river. Rev. Wilfred Cyr, who has been at Rogersville, will succeed Fr. Levesque as curate at Bathurst. Rev. John Doucet, of St. Charles, Kent Co., is transferred to Tracadie as chaplain of the convent and lazaretto, and his parish will be taken by Fr. Bergeron, the present chaplain. The changes take effect in the week commencing Sept. 17.

**BASE BALL TOMORROW, 3.30 CHATHAM AT NEWCASTLE.**

**A NOVEL IDEA**  
The A. D. Farrah & Co. have very kindly introduced a novel idea in Harkin's Academy for 1922-23. They have opened a Citizenship Contest for the pupils and will give a prize of \$25.00 to the pupil who has the highest average throughout the year. Score cards have been printed, which will be kept by the teachers, and who will watch carefully each pupil and mark on the cards any demerits lost by them.  
The following are the subjects which constitute the Score card:—  
Honesty, Truthfulness, Cleanliness, Industry, Respect for Others, Kindness, Persistence in duty, Courage, Loyalty, Neatness, Thrift, Independence, Self Control and Leadership.  
At the end of each month the pupils will be given their cards to take to their homes, showing the average and to receive the signature of the parents. In this way the parents will be kept informed of the pupils standing, and will also serve as a further check on the pupils. The three highest and the three lowest averages will be published in the local press at the end of the school term. The interest shown by this firm in our public school is deserving of highest commendation and the idea, which is a novel one, will create a manifest interest among the pupils, which will in future be of great benefit.  
The discipline and general efficiency of the school will by this means be greatly increased, and the teachers will thereby be enabled, in a larger degree, to devote more time to the studies, which as a rule are very much retarded, because of the many other arduous duties placed on the teachers, caused by the lack of interest shown by the pupils in the subjects, which are covered by the Citizenship Contest.  
Such practical assistance to both pupils and teachers is much appreciated and if more of our citizens would show a friendly and co-operative interest in our schools, our community would be the more efficient, happy and prosperous.

**BASE BALL TOMORROW, 3.30 CHATHAM AT NEWCASTLE.**

## D. G. LINGLEY IS HIGH CHIEF RANGER OF I.O.F. IN N.B.

The high standing committee of New Brunswick Independent Order of Foresters, has elected Duncan G. Lingley, to the office of high chief ranger, the office having become vacant through the death of Colonel G. W. Mersereau, of Doaktown. The new high chief ranger is the Chamberlain of the City of St. John.

**LUMBER SOLD**  
Chatham World: It is currently reported that several of the up river lumber merchants have disposed of their stocks of lumber to a St. John firm. Up to the present time lumber operators have not decided what operation will be carried on this winter, as they claim stumpage rates will have to be reduced before they can conduct business at a profit. There is a good demand for laths. The price we understand, is \$6 per thousand and large quantities are being contracted for.

**MIRAMICHI HOSPITAL**  
Graduation Exercises were held in the Harkin's Academy Assembly Room on the 31st of August, when the Misses Holland and Calder were presented with their diplomas and pins. The Newcastle Band kindly gave their services, and Mrs. Snowball provided a beautiful supply of flowers to deck the platform.
